

Chapter 12

The beer in Selena's hand touched him lightly, and she smiled from the bottom of her heart, "Thank you!"

The moment the girl smiled, Daniel shook his head imperceptibly.

After Selena finished speaking, she looked at Rick, "I would like to thank Rick very much this time. If it wasn't for him, I wouldn't be able to make it to the audition in time. Come on baby, I'll toast you!"

Little Treasure looked at his own milk, then at Selena and his father's beer, he seemed a little reluctant, and finally picked up the milk and touched Selena, gulping down the rest.

Selena was amused by his serious appearance. Dare he know what deep feelings are?

On the way, Daniel went to the balcony to answer the phone.

Selena immediately went to Rick's side and handed him her beer, "Hey, are you curious about the taste? Hurry up, take a sip while your dad is away! But only a sip!" Rick's eyes were as bright as the stars in the sky, he lowered his head and carefully took a sip.

Although the taste was really not good at all, he felt extremely happy.

When Daniel came back from the phone call, Selena immediately sat up straight and pretended nothing happened.

Rick is more professional, drinking milk slowly, nothing unusual.

Daniel didn't seem to notice, and sat down with his usual expression, but a trace of warmth quickly disappeared from the bottom of his eyes.

The fighting skills of the three were not bad. She bought a lot of vegetables and ate them all.

Seeing that it was late, Selena was wondering if it was time for them to go back, when a flash of lightning suddenly flashed across the sky, followed by rumbling thunder, and a strong wind started to blow outside the window...

"I read the weather forecast before and said that there seems to be heavy rain and a typhoon tonight..."

Selena looked at the pouring rain outside the window with a headache, Little bun looked at Selena, Daniel also looked at Selena...

In the end, Selena, who was stared at by one big and one small, could only say, "It's so late and the weather is not good, Mr. Lu, it might be dangerous for you to rush back with Rick, otherwise...you will just stay with me for a while?"

Out of politeness, she was polite. She felt that Daniel would definitely not agree. result...

Daniel: "Okay."

The little bun nodded.

Dmn, why did I agree again...

Daniel was too easy to talk to!

Why did she have the illusion that they were expecting her to say this?

It's crazy!

In the end, Daniel and Rick just stayed.

The dormitory arranged for her by the company is not big, only one bedroom and one living room, how to sleep at night is really a problem.

"I'll sleep in the living room at night, Mr. Lu, can you sleep in my room with Rick? I'll go and change the sheets..."

"No, I'll sleep in the living room, and you and Rick will sleep in the bedroom."

Daniel's tone could not refuse.

Selena felt that she had committed a crime, so she not only treated President Lu to a cheap hot pot, but also let him sleep in the living room.

If there was only Daniel tonight, even if it was a hailstorm, she would not keep them here, especially if Daniel had said that during the day, but there was no other way. steamed stuffed bun.

It's really too dangerous for him to rush back with his child in this weather, and a little bun shouldn't be considered an orphan, right?

Selena could only accept her fate, "I'll see if I can find some clothes for you to change..."

After a while of rummaging through boxes and cabinets, she actually managed to find them out.
