

Chapter 18

Mrs. Lu was heartbroken when she saw the two wooden stakes, one big and one small, "Daniel, did you hear what I said? And what's wrong with Rick, he didn't eat a single bite of food all night, Holding a mobile phone as a baby!"

Saul was chewing on sweet and sour pork ribs, and couldn't speak clearly, "Rick is waiting for a call from pretty auntie!"

Mrs. Lu was confused, "What beautiful aunt?"

Saul waved his hand, "Oh, parents, don't worry about it, my brother already has someone he likes!"

Mrs. Lu was still in doubt, "What you said is true? Second child, don't lie to us!"

At this moment, Old Man Lu also put down his chopsticks with a solemn expression and looked at Saul probing.

"Why am I lying to you? It's absolutely true. If you don't believe me, ask my brother yourself!" Saul said, looking at his own brother.

"Daniel, is what Saul said true?" Old Master Lu asked in a deep voice.

"Daniel, are you talking?" Mrs. Lu urged.

Daniel: "Yes."

Mrs. Lu was about to die of anxiety, but after waiting for a long time, she heard a "hmm", and she suddenly became angry, "You son of a b!tch, why can't you say one more word? Why is it so hard to talk to you!"

Daniel: "Really."

The second elder of the Lu family: "..."

Well, I really only said one more word.

Mrs. Lu was still worried, and asked hesitantly, "Daniel, the person you like... is it a girl or a boy?"

Daniel's face darkened, he almost gritted his teeth and said three words, "Girl."

Saul laughed so hard that he almost rolled off his chair, "Of course, it's a girl, and she's a very pretty girl. Our Rick also likes her very much. What Rick is waiting for is her phone number!"

Mrs. Lu burst into tears when she heard the words, "Bless the ancestors! Bless the ancestors! Daniel, who is the lady from, how old is she, where does she come from, what does she do, who is in the family, why don't you tell us... "

Saul hastily interrupted, "Mom, calm down! It's something that hasn't even been written yet. We didn't tell you because we were afraid that you would meddle and make it self-defeating!"

If they knew Selena's identity and knew that Selena's reputation was not good and that she was involved in the entertainment industry, things might go wrong. At this time, Old Man Lu also spoke, "There is nothing wrong with the person Daniel likes, so don't worry about it."

"Why do I worry, don't you worry? Who is so worried all day long that he can't sleep and smoke on the balcony in the middle of the night?" Mrs. Lu mercilessly exposed her husband.

But after hearing her husband's words, she felt much more at ease, "Daniel has such a high vision, the girl he picks is naturally not bad, and the rare thing is that Rick likes her too!"

As soon as the words were finished, Rick's cell phone, which he had been holding onto all night, suddenly rang.

This is Daniel's personal phone, and few people know about it.

Saul leaned over to take a look, and it was indeed Selena's number.

"Did that girl call?" Mrs. Lu asked excitedly as if she was going to see her daughter-in-law soon.

Saul nodded repeatedly and then helped Rick get through the phone. Rick is not very good at using mobile phones. Daniel helped him buy a mobile phone before, but he didn't like to use it, so he didn't know where he lost it.

Immediately, the attention of the people at the table was all focused on Rick's mobile phone.

Saul was the thickest-skinned, he went to the phone to eavesdrop.
