

## Chapter 5147

Charlie's promise made Leroy's heart stir and surged.

He knelt on the ground, looking up at Charlie with blood in his eyes,  
And asked excitedly, "Sir, what should I do next, please let me know!"

Charlie's gaze was like a torch, and he said in a loud voice:

"I have already controlled all the fighters and important personnel here,"

"And you, the Cavalry Guards, are the ones who have the highest say here."

Leroy said with an astonished expression, "Sir, please forgive me,"

"The Cavalry Guards have been suffering from the Warriors Den for a long time,"

"But they have not had the chance to break away from their control,"

"Now that you have given us a once-in-a-lifetime opportunity,"

"I believe that all the Cavalry Guards will definitely follow your footsteps and do the bidding to defeat the Warriors Den! "

Charlie shook his head and said indifferently,

"You have courage, strategy, and backbone,"

"But it seems that you are still lacking a few points of understanding of human nature."

Saying that, Charlie said with a cold expression, "You don't know, that flag chief just now,"

"He has told me the real situation of the antidote, as well as your plan word for word,"

"Compared to fighting against the Warriors Den, or dying,"

"He would prefer to stay in the Warriors Den, and work his way up."

Leroy's eyes widened and he blurted out, "Sir ..... is this ..... true?!"

"Of course." Charlie nodded and informed him of the conversation,

That he had with that middle banner chief just now.

After hearing this, Leroy immediately became furious and said through clenched teeth,

"This damned man, how dare he try to betray the entire Cavalry Guard!"

"I must kill him with my own hands!"

Charlie said indifferently, "There must be a few people like him in the Cavalry Guard!"

With a slight beating, Charlie added: "According to him,"  
"There are at least a dozen people he can identify, and those who are ambiguous,"  
"Or temporarily wavering but will choose to betray the Cavalry Guard,"  
"At the critical moment, they add up to not be underestimated!"  
"Now I want all of you Guards and all dead soldiers to unite,"  
"And pretend that nothing has happened, and become a steel knife inside the Warriors Den!"

"But, to achieve this goal, you must make sure that no traitors exist within you people!"

"Otherwise, once one of you tries to inform the outside world,"  
"It may bring you all a death sentence!"

Leroy said without thinking, "Sir, don't worry,"

"I will immediately bring someone to arrest him and force him to reveal the names of all the others,"

"So that all these people will be eliminated!"

Charlie waved his hand: "So far it is also very inappropriate,"

"Because this matter is likely to have a leak of fish, I have arranged this matter,"

"He does not know my true identity, and he also believed my words,"

"I have asked him to secretly mobilize those who are like-minded with him,"

"I believe that those people will also help him to bring in other wavering people."

"At that time they will hold the towel in their left hand,"

"All you have to do is explain the situation to the people you absolutely trust,"

"And when I go to issue medicine for all the Cavalry later,"

"You will use my dropping the cup as a signal to arrest,"

"All the people who hold the towel in their left hand!"

Hearing this, Leroy immediately said with a convinced face, "Good idea, sir!"

"With your method, it is surprising that we can catch all of these people, without leaving a single one!"

After saying that, he suddenly remembered something and hurriedly asked Charlie again,

"Right sir, what are you going to do with this gang?"

Charlie asked him, "Do you have any good ideas?"
