

## Chapter 5167

All the children's eyes, at this time, were attracted by that soaring golden thing!  
As the arc of the rising sun became larger and larger,  
Ten thousand feet of golden light dyed the entire sky, along with the entire sea,  
getting golden.

The sky is full of haze, and the sea is sparkling!

With this rising sun, the skyline light is slightly distorted,  
It looks, like more than a few dreamy feelings.

Children, as well as those parents who take care of young children, are looking  
frozen.

Even if the light has become more and more blinding,  
But no one wants to blink their eyelids.

Those mothers of young children, and those who are still in adolescence,  
Subconsciously with their best buddies held tightly together,  
They alone or in groups of three or five have been unable to control the tears.

Now the scene in front of them is the first time they have been living underground,  
And they are racking their brains to think about the past years,  
But also simply can not think of a reason to explain this feeling.

Soon, the round golden sun has completely broken out of the sea level,  
Looking at the world, bathed in the first sunlight.

For the hundreds of millions of ordinary people living in this time zone,  
This is just a normal and ordinary day.

But for these seven hundred children, this moment is the brand new beginning of  
their lives!

Charlie looked at the hundreds of young faces illuminated by the sunlight in front  
of him,

And said to Leroy, Thirty Nine Zero, and Joseph beside him,

“Before today, their lives were a long eternal night;”

“After today, they have a real light!”

After saying that, he suddenly made a decision and said in a stern voice,

“From today on, don't let these children practice martial arts anymore!”

“If anyone really wants to learn,”

“It’s not too late to learn after they reach the age of eighteen!”

Thirty-nine zero subconsciously said, “Sir,”

“If they wait until they are eighteen before they start learning martial arts,”

“I think it will be too late .....

“Late?” Charlie coldly snorted: “If you really want to learn, any day is not late!”

“If you do not let them practice martial arts it is to make their childhood what it really should be like,”

“This was something designed for them by Warriors Den based on their own interests.”

“Besides, if our generation can eradicate the Warriors Den,”

“What need is there for these children to learn martial arts?”

“Instead of practicing martial arts, they should get out of here,”

“Settle down with their parents in a peaceful and stable country,”

“Study hard, get into a good university, study a profession they are interested in,”

“And then find a job that will allow them to start a family and create their own value in society!”

“This, for them, is the best choice!”
