

## Chapter 5168

Thirty-nine Zero then realized that his thinking was still stuck in the previous mode. Before Charlie appeared, the only thing the dead soldiers could do, Was to improve their abilities as much as possible, To become Cavalry guards as much as possible, And after becoming Cavalry guards, to have more children to ensure that their offspring had a "scholar", So as to get away from the life of fighting and killing.

However, the situation has changed.

These children, do not need to work hard to become a "scholar".

As long as they can go with Charlie, will completely eradicate the Warriors Den, Their children, all can become real scholar!

Thinking of this, thirty-nine said with more than tears,

"Thank you, sir, for your great kindness, your generosity is immense,"

"The dead soldiers will never forget it!"

Charlie patted his shoulder, turned to Joseph, and said,

"Joseph, from the Cataclysmic Front, find a few female warriors with higher education,"

"Let them come here regularly to teach the children,"

"They will use regular teaching materials, in addition to preparing a set of projection equipment down there,"

"Every day to show the children some films that can let them quickly understand the world, understand the history and the present."

Saying that he continued: "Right, there is the Internet, move a network cable in,"

"Prepare some computers, so that the children know what is the Internet,"

"But the Internet for the time being can not let the children themselves on the hands,"

"After all, we must be careful not to accidentally leak information, or else the Warriors Den will find."

Joseph said without thinking,

"Mr. Wade don't worry, I will arrange all of them properly!"

Charlie nodded gently and said to Thirty-Nine Zero,

“In another twenty minutes, take the children down first,”

“Then come to the meeting room, we will have a meeting together.”

Thirty-nine Zero immediately said respectfully, “Yes sir!”

Charlie didn't talk anymore, but took Joseph and the others and came to the conference room first.

Right now, the sky is already blue, and the supplies that the ship had delivered to the copper mine last night had been quietly transported long before dawn,

And now the loading of copper ore was being carried out at the pier,

And once the loading was finished,

It was time for Reverend, as the special envoy, to return to the ship.

Charlie needs to smooth out all the links and solve all the hidden problems before this,

Only in this way can he ensure that after Reverend leaves, he will not reveal anything in Turkey.

As for how to make Reverend not reveal the clues, Charlie also has a new idea of his own.

In the past, the reason he did not use psychological suggestions too often,

This is because it has a very serious drawback, once the target person is in a controlled state,

His behavior, and reaction will seem a little slow,

And a discerning eye can see at a glance that something is wrong.
