

Chapter 5169

Reverend's situation was the same.

Even more tricky.

The main reason is that these middle and high-level members in the Warriors Den are not weak.

The masters of the dark realm already see all directions and listen to all directions.

If Reverend shows too many abnormalities, once he arrives in Turkey,

When he meets his superiors, he will definitely be seen.

Therefore, Charlie planned to play tricks.

So, he called Reverend and asked, "Reverend,"

"Let me ask you, besides you and your assistant, are there any other people from Turkey who came here?"

"No." Reverend Shaking his head said respectfully:

"I am a permanent special envoy, mainly responsible for the transport of materials between the two points."

Charlie asked again: "There will be no one with a higher rank than you coming here to check the situation?"

Reverend shook his head and said: "In order to avoid exposing the senior management,"

"The organization's consistent attitude is to contact with one person and one line,"

"And no other executives will be sent to participate in this process."

"That's good." Charlie was more at ease in his heart, and asked him:

"As long as you tell your superiors that everything is normal here,"

"They will also accept it. They won't be too suspicious, right?"

Reverend nodded and said, "Normally, that's the case,"

"But I still need to combine some of the surveillance videos here."

"Before I leave, I will take the surveillance hard drive back to them,"

"And let them Copy the video from the hard disk and analyze it."

Charlie asked him: "Who will analyze it?"

Reverend said: "There should be a dedicated security team in charge for this purpose."

Charlie turned to Joseph: "Joseph, can the surveillance video be tampered with?"

Joseph nodded and said: "It's too simple, my team can modify the surveillance video frame by frame,"

"And make sure that the other party does not see any clues."

"Okay." Charlie nodded slightly, then turned to Leroy and said,

"Copy out the monitoring before this morning and let him take it away,"

"And after Joseph's team deals with it later, Reverend will take it away."

Leroy hurriedly said: "Okay sir!"

Charlie asked Reverend again: "If you tell your superior that everything is normal here,"

"And the surveillance video shows nothing abnormal,"

"Will your superior still ask you for more information? Details?"

"No." Reverend shook his head and said, "He also has very little communication with me,"

"And we rarely see each other."

"If I say that everything is normal, he will report that to the superior."

With that said, Reverend further explained: "Inside the organization,"

"Due to the high toxicity in the body and the fact that everyone needs an antidote,"

"The organization has never had any deviation in its control over us,"

"So the organization has always focused on preventing The outside world from spying on the secrets of the Warriors Den,"

"But they are not too worried that there will be traitors inside the Warriors Den."

"After all, everyone's life is in the hands of the Warriors Den,"

"And no one will go against it, even if it is to go out to execute a mission no one will dare to escape,"

"After all, not only their own lives are in the hands of the organization,"

"But also the lives of their family members."

Charlie nodded, it seems that Warriors Den is very confident with their antidote,"

"And they don't think there is any anyone who can crack the antidote."

Thinking of this, there was only one last thing left for him to do,

Which was to give Reverend a new "psychological suggestion".

This new "psychological suggestion" is more complex, powerful, and skillful.

This will be his trump card to solve the last problem.

Thinking of this, he called Reverend to the office,

And when there were only two people in the office, he sent more aura into his body.

Afterward, Charlie stared at Reverend, and said in a cold voice:

“Reverend, remember! From now on, as long as you get off the boat and enter the premises of this copper mine,”

“You will remember me and meet me.”

“Remember that I am your only master, and then you stay here honestly,”

“And after my people make all the preparations,”

“You will return to the freighter as if nothing happened, do you understand?”

Reverend nodded without hesitation and said: “Subordinate understand!”
