

Cruel Heart Lover Novel

Chapter 8

Selena looked at the man with the expressionless iceberg face in front of her in an extremely fantasy mood, and helped her forehead weakly, "Doctor... where is the doctor? I think I might really be I broke my brain and had hallucinations..."

Saul next to him looked innocent, "Could it be that I didn't lose my mind?"

At this moment, Selena couldn't accept the fact in front of her with her strong psychological quality after being abused thousands of times.

She saved a little bun, and the little bun's father said that he would promise him with his body?

It's fine if it's someone else, if it's a little more handsome, it can still be regarded as an affair.

But this person is Daniel, Daniel!

In terms of appearance, she looked pretty good, but who was Daniel, and what kind of peerless beauty he had never seen before.

If he just fell in love with her, she wouldn't be so frightened. It's understandable for Daniel to want to play with her when he saw her face, but he said "marry me", which is scary.

the most important is...

"Don't you like men?" Selena blurted out.

"Pfft ha ha ha..." Saul laughed so hard that he fell down.

Daniel's face was as dark as the bottom of a pot, and the whole ward was instantly clouded.

After a long time, Saul finally held back his laughter, "If my brother likes men, how did Rick get here?"

"Well, surrogacy, artificial insemination?"

"If my brother likes men, why would he commit himself to you!"

"To hide your true sexual orientation?"

"Hahahahaha brother, I can't help you..."

"I also heard... I also heard that the two of you are a couple..." Selena's delicate gaze moved between the two brothers.

"Cough, cough, cough..." Saul choked in fright, "Dmn, this is too harsh! Even though I'm as beautiful as a flower, I can kill both men and women..."

At this time, someone in the center of the storm slowly stood up from the chair, and approached Selena step by step with slender legs, "Saul, take Rick out."

"Huh? Brother, what do you want to do?"

Daniel adjusted his cuffs slowly, "Prove to Ms. Ning about my sexual orientation."

Seeing the other party's extremely gloomy and terrifying expression, and the look in his eyes that seemed to want to tear her apart, Selena was so frightened that she fell off the bed and shrank behind Rick, almost getting under the bed.

"Mr. Lu, it's none of my business, it's all nonsense from those people outside! There is a wrong and a debt! Also, you really don't need to thank me, if you must let me make a request, then my request is that please don't ask me to ask again... Ah, sorry, I have a very important audition later, I have to go first! Let's meet again...!"

Selena finished speaking quickly, and then she was about to run away.

In the end, after running a few steps, Daniel's cold voice came from behind, "I give you permission to go?"

Selena was so frightened that her calf trembled.

My life is over!

A few seconds later, under Selena's death-like gaze, Daniel handed her a piece of paper and a pen, "Miss Ning, please leave a note for Rick, so that he won't wake up and see you are worried."

Just... that's it?

It's a disaster!

"Okay, okay, no problem! It's okay for me to write a 4-character letter!" Selena breathed a sigh of relief, picked up a brush and began to write.

After finishing writing, I was afraid that something might happen, so I hurried away.

Looking at the back of the girl leaving, the man's eyes were deep, as if looking at a prey that had been put on chains.

After Selena left, Saul immediately ran up to his brother and jumped up and down, "Brother, am I dreaming? Do you really have a crush on Selena? After all these years, iron rods can be ground into needles, and you haven't even set

your sights on him." A girl, even my own brother almost suspects that you are a crook..."

As soon as the curved characters came out, he was blocked by his brother:
"Shut up."

"Oh." Saul choked.

Being full of gossip and not being able to ask is really going to suffocate him!
