

## Chapter 5267

In the courtyard, the sound of the master and the servant chopping each other with wooden swords and shouting echoed.

Not only did Nanako not find it too chaotic, but she often pulled out her energy, And watched the two of them exercising with great interest.

At this moment, her mobile phone suddenly vibrated under the table.

She looked down and saw that it was Ruoli who was calling.

A happy smile appeared on her face, and she shouted loudly to the two people in the yard:

“Odo-san, Tanaka-san, stop for a while! We may have to prepare to go to China!”

Hearing Nanako’s words, Yuhiko stopped what he was doing,

Leaning on his sword and asked out of breath, “Nanako, what are you talking about? Going to China?”

“Yes!” Nanako said with a smile: “A little Wait a minute, I’ll answer the call.”

Yuhiko Ito was even more surprised, thinking that Nanako had received someone’s call,

So she said that she was going to China, but he didn’t expect that the call hadn’t been answered yet.

Nanako connected the phone, and Ruoli on the other side asked,

“Miss Ito, I called suddenly, did I disturb you?”

“No, no.” Nanako said with a smile, “I have nothing to do.”

“I’m playing with flowers, why did you call me by the way?”

Ruoli got straight to the point, “It’s about my parents’ wedding.”

Nanako asked in surprise, “Are your parents finally getting married?”

“Yes,” Ruoli said truthfully: “Mr. Wade just came here, and my parents’ wedding date has been confirmed as August 8th.”

“I sincerely invite Ms. Ito and Mr. Ito to Aurous Hill to attend the wedding on my parents’ behalf!”

Nanako said without hesitation: “Great! Congratulations in advance to uncle and aunt for their love!”

“Father and I must come to Aurous Hill before August 8!”

Ruoli said with a smile: "Thank you so much! The wedding will be held at Shangri-La,"

"If it is convenient, you can stay at Shangri-La, tell me your departure time,"

"And I will help you arrange the pick-up and room in advance."

"Okay!" Nanako said with a smile in her heart, "Then see you in Aurous Hill then!"

Ruoli also said: "Okay, see you in Aurous Hill!"

Nanako suddenly remembered something, and quickly said:

"By the way, Ms. Su, if you need to arrange flowers on-site, why don't you let me do it for you?"

"I have learned flower arranging for many years, and I am not humble enough to say that I have some experience in this area,"

"And I can order the best flowers in Japan,"

"And then I can directly prepare flowers from here and bring them over to help you decorate the scene!"

Ruoli knows Japanese flower arrangement very well and knows that it is deeply cultivated as an art in Japan.

Nanako is a lady who has studied flower arrangements for many years.

Her understanding of flower arrangement must be extremely profound,

And she is by no means a wedding company no florist can match.

So, she was pleasantly surprised and said: "Really, Miss Ito, will this cause you too much trouble?"

"No." Nanako said with a smile: "To tell you the truth when I am free I just like flower arrangement,"

"Including now I am playing with flowers and plants."

"If you can rest assured to entrust me with all the flower arrangements on the spot, I will definitely not let you down."

Ruoli said without hesitation: "That's really wonderful. Okay! Thank you, Ms. Ito!"

Nanako smiled and said, "You're welcome, Miss Su."

"If you have a sketch of the scene layout in the next two days,"

"Remember to send it to me. I will refer to the style of the scene to make a good flower arrangement."

"Okay, okay!" Ruoli hurriedly said: "After the plan comes out, I will send it to you as soon as possible!"

“No problem!” After hanging up the phone, Nanako cheered:

“Odo-san, on August 8 we are going to Aurous Hill to attend the wedding of Ms. Su’s parents.”

“I promised Ms. Su that I would do the flower arrangements for her parents.”

He was also very pleased, so he smiled and said:

“I will follow your arrangement, I will go whenever you tell me to go!”
