

When His Eyes Opened Chapter 2692

Chapter 2692

“What are you talking about!” Avery walked up to Elliot.

“Just chat.” Elliot said, “I want to chat with my daughter alone.”

“Oh, are you driving me away?” Avery sneered, “Don’t you just want to talk about Eric with your daughter? You think I can’t guess what’s on your mind? You still want to get me away... If you get away from me, I don’t know what you two are talking about?”

Elliot’s face was directly rubbed by Avery on the ground, his handsome.

“Mom, just give Dad some face!” Layla said calmly.

Avery responded, and then looked at Elliot: “Come to the room after talking with your daughter, and I have something to tell you.”

Elliot: “...”

Suddenly Elliot felt a little uneasy.

He felt like he’s going to be scolded by Avery.

After Avery walked away, Layla held back a smile and looked at Elliot: “Dad, what did you ask me just now?”

Elliot picked up the water glass on the coffee table, took a sip of water, suppressed his emotions, and said: “Eric has a girlfriend now, you won’t mess around, right? Dad wants to remind you that there are many good men in this world. You are so good, what kind of man can’t be found.”

“Dad, I just talked to Eric a few words, not as much as my mother said to him!” Layla couldn’t laugh or cry, “I know he has a girlfriend, I can’t be a mistress, don’t worry!”

After hearing Layla’s words, Elliot was relieved a lot. However, he quickly thought of another problem.

“Are Eric and his girlfriend still talking?” Elliot forgot to ask Eric just now.

Layla: “Should still be talking! I never heard that they broke up!”

Elliot: “Oh... I’ve basically finished what I want to say. I believe that you will not do things that will ruin your worth.”

“Dad, don’t worry about it. Even if I really want something, I will never disregard etiquette, righteousness and shame in order to get it. You go to my mother! I don’t know what my mother will tell you!” Layla stood up from the sofa with a smile.

Elliot: “Your mother must say that my attitude towards Eric was not good enough just now. I can tell what she is thinking at a glance.”

After Elliot finished speaking, he went to the bedroom to find Avery.

Avery had already taken out the pajamas of the two of them.

After Elliot entered the room, he closed the door behind him.

“Honey, do you want to tell me about Eric?”

“Are you guilty?” Avery raised her eyebrows and glanced at him.

Elliot: “Why am I guilty? I don’t seem to have said anything to him?”

“Is there such a way of hospitality as you? When we met last time, you were not like this! During this period, Eric did nothing wrong, right?” Avery questioned.

Elliot sat down on the sofa next to him: “I just feel that my daughter has no more love for him. I’m afraid that my daughter will pester him. It makes me feel very humiliated, you know?”

“Please don’t mix your daughter’s feelings with your face.” Avery looked at him seriously, “We have separated and reunited so many times, which quarrel was not trivial and without dignity? What do you think if you’re still the same person you were back then... Can we still get together?”

“It’s not the same thing. Can you ignore your daughter? If she becomes a mistress...”

Chapter 2693

“It’s impossible for Layla to do such a thing!” Avery interrupted Elliot, “We watched our daughter grow up. Don’t you know what kind of person she is? What do you think about our daughter?” Don’t you have any confidence?”

Elliot: “Of course I believe in my daughter. I’m afraid that Eric will give her ecstasy soup.”

Avery: “Eric is not that kind of person.”

Elliot: "Avery, do you know Eric that well? We didn't know him that well."

"How can you say that! He is our friend, and we should give our friends the most basic trust. Just like Jun, Tammy... also there are Ben and the others, and we only met them later! But why can we trust them, but not Eric?"

"Don't get excited. Next time I see him, I just need to have a better attitude." Elliot didn't want to quarrel with Avery.

It's been a long time since the two of them quarreled.

Now his face was suddenly flushed, but he's not used to it.

"I'm not excited, it's because you said more and more outrageous. If Eric is really the kind of person you think, do you think your daughter can still be at home now? I'm afraid she would have been abducted long ago." Avery complained.

Elliot: "If he dares to do that, I will never let him go!"

"Okay, go take a shower! There's nothing wrong with it, you have to act like a disaster is imminent." Avery stuffed him with his pajamas and pushed him into the bathroom.

On the other side, the two sisters were whispering in the room.

"What do you think about Eric?" Layla asked her sister.

Without hesitation, Hazel said, "Mr. Eric is so handsome! It doesn't feel the same as what I saw him online. He looks more vivid and three-dimensional with the naked eye. Anyway, the boys and girls in our classroom were screaming together hahaha! Many people secretly took pictures of him! He is really handsome! Sister, I can totally understand why you like him."

"Why am I such a superficial person? There are always many handsome guys chasing me, okay? And there are so many handsome guys in our family, I have long been immune to handsome guys. I like him for other reasons." Layla leaned on the sofa, her chin was raised slightly, "For example, he has a good temper, is gentle, and treats work with hard work and motivation... Besides being handsome, he has many advantages."

Hazel reminded: "Sister, But he has a girlfriend."

"I know. Dad reminded me just now." Layla was very calm, "I plan to go to Bridgedale to meet his girlfriend."

Hazel: "Go secretly?"

“Yeah! I’ve moved out, and even if I don’t come home for two days, my parents won’t ask me anything.” Layla had already made up her mind, “I used to mainly deal with the soft furnishings in your house. By the way, I went to see her.”

Hazel: “Sister, what if she sees you?”

“No way? Wait until I pass by. Don’t tell anyone about this. Including Eric.”

“I won’t tell. I’m just worried.” Hazel said, sighing, “I like Mr. Eric very much, but I feel that it is so difficult for you and Mr. Eric to be together!”

“Do you know how long Mom and Dad spent together?” Layla stretched out her left and right index fingers and crossed them together, “At least ten years.”

Hazel: “...”

“Let me tell you, I don’t think my eldest brother has ever looked for a girlfriend, maybe it’s because A little affected.” Layla guessed, “Because my father and mother used to fight very fiercely every time they quarreled, and I still remember many clips of their quarreling... Sometimes I even feel a little skeptical, I was also affected a little bit. I like Eric, because Eric gave me enough sense of security in childhood.”

Hazel didn’t know how to answer.

Mom and Dad used to quarrel, she didn’t know.

She only knew that what she saw now was that her parents were very good parents and she loved them very much.

“I say that, not to blame them. Because I love them very much.” Layla said here, raising a smile, “Little sister, do you have a boyfriend? Do you like him very much?”
