

Obsessed CEO Throws Himself at Me Chapter 1804

Chapter 1804 I Will Only Be Your Wife

Upon hearing Gaspar declare he would never get married and ask her to become his lover, Anna was furious. Never in my life will I only be someone's lover!

She smacked aside his hand that gripped her chin and spat out, "In your dreams! I'll only be Maddox Nightshire's wife, not just some lover!"

His lips curled with a hint of a withering smile when he heard her mention Vinson again. He stretched out a hand and gripped her chin tightly. "Don't speak that name in front of me anymore. I'm telling you, you've got the wrong person. I'm Gaspar Rhaylie!"

Anna was so startled by his behavior that her eyes brimmed with tears. She blinked at him and asked pitifully, "Then why do you look just like Madd—"

She was about to ask why he resembled Maddox, but when she recalled what he had just told her, she forced herself to bite back her words.

"That's because I'm his older brother." Although Gaspar was reluctant to admit it, he could not deny that the same blood ran through their veins.

His words prompted her to think of her situation, and she could not help thinking how similar it seemed. Her initial obsession with Vinson dissipated in the blink of an eye. At that moment, she somewhat pitied the man before her.
