Chapter 2328 - 2329

Chapter 2328

Alyce suddenly froze.

She and Suzi looked at each other.

To be honest, several years have passed, and until now, the mother and daughter are unable to get close to this relative.

All I can say is, don't hate it.

But really can't love it.

"Can you... open the door for Dad?" Mr. Shu's voice was trembling.

Alyce bit his lip and said softly, "Wait a moment."

Then he opened the door.

The moment the door opened, Alyce saw that Mr. Shu's back seemed to be a little more hunched than before.

"Are you... anything?" Alyce asked.

"Xiao Sheng, Dad... Dad heard, I heard that Tong Jianan is really...really a fraudster, or a murderer? You...Are you all right? You Do you know what he did in advance?

You are still taking risks like this?

You are too bold!

What if something happens, what should you do?

You...haven't been caught by him, have you?" The old man spoke rather implicitly of.

What he was worried about, he couldn't say.

Although he stared at Tong Jianan like a fly every day, he was still not sure whether Tong Jianan had ruined Alyce.

"No." Alyce said calmly.

"Really, don't lie to Dad. If he really does something wrong to you, Dad will find someone to let him die in prison." Mr. Shu angrily raised his cane and stabbed the ground. .

After poking the ground, he looked at Alyce with a slight complaint: "Xiao Sheng, it's not your father who said you, your father is always by your side, and your nephew A Zhen.

And..."

Mr. Shu looked at Glancing at Suzi, his eyes were full of gentleness and flattery: "Suzi, are you here? You also know about your mother, don't you?"

Suzi smiled politely at Mr. Shu: "Hello, I I got it, and I rushed to the small courtyard in the suburbs as soon as possible.

My mother was only in a near miss. It

's fine.

That gang of criminal traffickers are all wiped out."

"It's wiped out again! But that worry, Do you know how worried I am?" The old man said, and he burst into tears.

Alyce + Suzi: "..."

After a long while, Alyce called out indifferently, "Dad, thank you."

Her thank you was not just the worry that Mr. Shu had for her at this moment. .

Also, during the whole process, Alyce and Officer Xiao Yang actually discussed it.

They have to use the deterrent power of Old Master Shu.

With the deterrent power of the old man, Tong Jianan really didn't dare to act recklessly.

Otherwise, I really don't know what will happen.

"You... are you willing to call me dad?" Mr. Shu couldn't believe his ears.

He looked at Alyce with joy.

I hope to see Alyce's affection and care for him on Alyce's face.

Alyce just smiled indifferently.

Her smile is neither love nor hate.

"Xiao Sheng... Since you're willing to call me dad, why don't you go home and live with me? Don't be alone here, there are domestic servants, your brother and sister-in-law, and With A Zhen, after a while, A Zhen's three brothers will also come back from abroad.

Then you will not feel lonely as a family.

And Dad... Dad can see you all the time, Are you alright?"

Old Master Shu looked expectant.

The only regret in his life is that this daughter does not recognize him.

If the daughter can recognize his father, the rest of SuziSuzi will be much easier.

SuziSuzi listens to her mother.

If Alyce can come home and live, SuziSuzi will definitely bring his children and Shaoqin back to Shu's house every Saturday and Sunday in the future.

By that time, the entire Shu family will be together for four generations.

What a joy it must be.

And his life has no regrets.

“Dad.” Alyce smiled apologetically: “I really don’t hate you anymore. I don’t hate you anymore.”

Chapter 2329

However, you let me go back to live with you, laughing and laughing in front of you.

I really can’t do it either.

Because, you and I are really not familiar with you at all.

Not only unfamiliar.

Every time I see you, I want to go to my frail and sickly mother who is lonely all my life and hates to death. “

Speaking of this, Alyce lowered his eyes. The

pain is self-evident.

“My mother is that person. I don’t want to trouble anyone in my life. Even if I know that I have a serious illness, I don’t bother my family. Instead, I choose to leave far away.

In the most lonely and helpless days of her life, it was her!

She was the one who saved your life!

She saved you!

And you?

You treat your life-saving benefactor as a woman who pesters you.

Compare her to the meanest woman in the world.

I am afraid that she will destroy your family, your high-spiritedness, your consistency, and your loyalty to your wife are all bought by stepping on my mother's blood and tears and using my mother's life.

My mother's life was miserable and miserable. I see it all.

How do you say you want me to live with you? With

a sigh, Alyce continued: "Also, even if there is no such thing as my mother, it is just me.

Do you know when a person needs their parents the most?

before the age of eighteen.

And what about before my eighteenth?

Not only did my father not love me, he did not give me fatherly love.

What was given to me was full of shame.

You made me feel that I didn't deserve to be a person when I was a kid.

When I was young, I was a beggar.

So Dad, in the years when I was a homeless man for a few years in order to avoid Jarod, I felt very comfortable.

I think I may be born a beggar.

That sense of identity, the sense of substitution, is not in the slightest violation of harmony.

You are worried about me, afraid that I will be spoiled by Tong Jianan.

I am afraid that those who do evil will treat me inhumanly.

In fact, you really don't have to worry, because when I was a homeless man, I often fought with wild dogs.

I also fought with wild mice for food.

Really, don't lie to you.

So I am tough. “

The old man Shu listened to tears: “You actually fought with a wild dog?” “

So Dad.” You have been pampered in your life, you can't imagine how a homeless person living at the bottom of society can survive, and you and I are really people from two worlds.

To speak of that deep-rooted relationship between the two of us that cannot be shaken off.

That is, the blood relationship between me and you cannot be severed.

You and I, biologically speaking, are a father-daughter relationship.

So, I call you Daddy.

That's all.

Dad, if you really feel bad for me, leave me alone in the future.

This is the best love you can give me when you became my father once.

As for your property, you'd better announce it now. You give all of your property to your son and a few to Ming Zhen and his brothers.

I chose to give up publicly.

In the future, there will be similar gangs trying to defraud money and staring at me. What

he said was calm and not heartless. But when Mr.

Shu heard it, his heart was desolate.

His eyes were dim, and he murmured: "Dad, Dad understands, then Dad... let's go." already? "

Goodbye, Dad." "Alyce nodded. The

old man turned and walked away, just a few steps away, he suddenly leaned forward and fell to the ground.

"Dad! "Alyce ran over immediately.
