

# PUNISHED BY HIS LOVE

## I' m Sorry My Love Novel Alternative

### Chapter 2348

On the other side, Suzi smiled: "It's nothing, it's just that the three cousins above the Shu family don't want their mother Entering the door. But they have to let my mother be filial. I feel that they have stayed abroad for a long time.

They always look at people with an old eye.

My mother has been very hard in her life.

Seeing the three of them treat my mother like that, I also I can't be angry.

Fortunately, Ming Zhen is reasonable, and so are my uncles and aunts.

Let the old manhandle the funeral first. We will come to pick up my mother in the evening, and it will not be too late for you to offer condolences to the old man." On

the other end, Arron I didn't understand the situation, so I didn't say anything.

He just said lightly: "Okay."

In the afternoon, after the company's affairs were dealt with, Arron immediately rushed home and saw Suzi sitting alone in the living room in a daze.

"What's wrong?" the man asked.

Suzi said with infinite emotion: "Sometimes I feel that people are obviously relatives, so how can they bully people like this?" The

the man put his wife in his arms: "Mom, are you wronged?"

"They are one by one. My mother is the daughter of a concubine. One bite at a time.

They don't even think about it. My mother is their little aunt.

And my grandmother, did she volunteer to be the mistress?

Aunt, aunt, and Ming Zhen all know how to be grateful. Why can't the above three accommodate my mother?

Originally, my mother really didn't want to recognize the Shu family.

Seeing that the old man passed away, she suddenly felt that she had lost her father and lost her relatives, so she reconciled with the Shu family.

But I never thought that they would fight back, insisting that my mother depended on their house.

good!

Since you said that you are dead, can't we leave?

But they also said that my mother is my grandfather's daughter and should be filial to my father.

He also told my mother to take good care of my aunts and uncles in the future, and not to covet the property of the Shu family.

They even said that the second and third-bedroom children of the largest family in Suzi did not have the right to inherit.

Could it be that children born in two bedrooms and three bedrooms are not eligible to enjoy the right to equal treatment? Having

said this, Suzi smiled helplessly: "But it doesn't matter, anyway, my mother is not short of money. For the sake of A Zhen's face and the death of the old man, I don't care about them.

Let's go, Shaoqin, I'm afraid my mother has been kneeling outside the gate and her body can't bear it.

Let's go pick her up. "

"Good. "Arron said gently.

In terms of the distinction between concubines and concubines, Arron can fully understand the grievances of his mother-in-law.

He is also a concubine.

His mother never got married in her life.

"With me here, I will not let any relatives bully my mother ." Yes, don't worry. The man went downstairs with his wife in his arms, drove the car, and drove all the way to the Shu family mansion.

At this moment, Alyce was still kneeling outside the Shu family house. The

Shu family house was covered with white cloth, and the obituary was posted

. The people who far away have already heard the news and come to offer their condolences.

Many people raised their thumbs when they saw Alyce kneeling at the gate.

"This daughter knows everything very well."

"If it were me, I wouldn't be here. I haven't received half the love from my father since I was a child. When the old man passed away, my daughter can still be so sensible, not many."

"Alyce, don't. Kneeling outside, the ground is hard here, go in and kneel."

"Alyce, we are your uncles, we all know it, you and your mother really suffered a lot back then, without you Mom, there is no glory like the Shu family at all."

"Come in, child."

Many elderly people in their seventies and eighties, old neighbors and friends of old neighbors when Mr. Shu was alive, comforted Alyce with distress.

Why didn't Alyce want to go in?

But facing the three nephews of the Shu family, she really didn't want to make trouble anymore.

After kowtowing respectfully to some elders, she said, "It's alright, I'm the same here. You go in first, my brother and sister-in-law are inside, they will receive you."

## **Chapter 2349**

No one persuaded Alyce.

She was still kneeling outside.

Moreover, not all those who came to offer condolences were soft-hearted.

Some people are not born with too many things.

Especially those famous Shuyuan who had a good relationship with Mrs. Shu back then.

Even though they are now old ladies in their 80s and 90s, some people are still aloof.

One of the old ladies over 80 who came to express their condolences was very unpleasant to see Alyce.

"Isn't this the daughter born to the third son? When my father was alive, he didn't know how to do filial piety, and he wanted to be the eldest young lady all day long. Now that his father is dead, he has learned to be filial piety in such a big way outside?"

You are this What about keeping filial piety?

Or do you want to show it to outsiders?

You and your mother who specializes in destroying other people's families are really the same.

Small family! Can't do it

! If

you want to keep filial piety, just go in and obediently kneel in front of the old man's mourning hall

! Here!

My old woman sees you doing something like this, and I'm going to grieve!"

Faced with such remarks, Alyce just kowtowed in return and didn't make any excuses.

This is my father's funeral.

Not someone else's.

If her father can be buried safely, she can rest in peace.

This is the only thing Alyce can do for his father.

What if someone said two words?

She doesn't care.

But the old lady didn't give up.

After she entered the gate of Shu's house, she still shouted: "That little sansheng's daughter is really funny. She doesn't come in for the funeral but kneels at the gate. Is this for everyone to see?"

Where is filial piety?

It's clear. It's a shame for your Shu family."

Hearing the old lady say this, Darius was immediately stunned: "Oh my god, my aunt is kneeling outside, the ground is so hard, it will hurt my aunt's knee!" The

parents also quickly said to Darius. To: “Azhen, hurry up and help your aunt up, she is not too young, it’s not good to kneel down like this!”

“Okay!” Darius went out immediately.

However, his movements were not as fast as the three brothers above.

Two of the older brothers held Darius down.

The eldest brother Shu Mingxia quickly came to the door.

Seeing Alyce kneeling there, Shu Mingxia couldn’t be more angry!

“You woman! You have the intention to disgrace our Shu family! You have already driven you out of the Shu family’s gate, You can still beg Bailai to kneel outside Shu’s house!

You keep saying that you and your mother are both proud.

What about your pride?

I think it’s almost a pug!”

At this moment, his parents and younger brother were not here, Shu Mingxia said. Insulting Alyce is simply unscrupulous.

“I warn you. Hurry up and get out of the gate of our Shu house! Otherwise, I will really call the police! If I call the police, you really won’t be able to make any money at all. At that time, you will be involved with that criminal gang. Including the fact that your daughter was in prison, you can find out everything!

Old woman!

From your daughter’s indiscretion in prison, to your collusion with criminals, to the girlfriend your daughter introduced to my brother, all these have been explained. You just want to plot against our Shu family!

Now that your conspiracy has been exposed by me, do you still want to stay here?”

Shu Qin's face turned pale, and when she was about to have a seizure, a voice suddenly came from behind: "Shu Mingxia is Come on! I'm going to tell you now, I took care of Mr. Shu's funeral! Whether you, Shu Mingxia, can enter Shu's house from now on, I'll have the final say!"

Shu Mingxia turned his head and saw a man and a woman approaching, he immediately Startled: "Are you, the little illegitimate child of the Fu family?"
