#### Chapter 2818

One billion!

Is this going to hit our Shu family brothers in the face!

Ming Zhen loves this little b!tch so much!

When I saw how happy she was, I wanted to kill her right away!

Must kill her! "

This end was a fat black man, and he respectfully asked Darius's eldest brother: "Boss, as long as you give an order, say it! How do you want to kill this woman! Otherwise, I will kill her now! "

"No!" Darius's eldest brother stopped him: "Now is not the best time, there are too many people inside, you can't get out, I only have a loyal person like you, I can't let you down.

You need to find an outside place, and after doing that, you can easily escape.

Not right now! "

The fat black man immediately said: "Good boss, I will listen to you, I will find a venue with more chaotic staff, and I will do this little girl! Hang up first, boss!"

After closing the line, the fat black man continued to pay close attention to everything in the hall.

Here, Darius is joining hands with fake Galia to toast one by one.

Every character, he asked.

All of them were once helpful to Galia.

Everyone, Darius has actually investigated secretly, basically it is a fraud gang!

There were nearly thirty people in total.

Half of them are family members of fake Galia.

Brother and sister, sister-in-law and brother-in-law, and seven aunts and eight aunts.

The rest are her subordinates who have been with her for many years!

Darius couldn't help feeling pity in his heart.

This is really hurtful!

His own selfish desires have even affected all his family members and friends. But who are they innocent? In the face of this dove occupying magpie nest case planned by fake Galia, everyone is an accomplice.

These people, Galia's family can't be expensive.

They also plan to kill his two children!

How could Darius spare them!

After the toast was over, Darius's cell phone suddenly rang.

He picked it up and connected: "Hello, who are you?"

"Mr. Shu, it's like this, the gemstone ring you asked for last time, we have arrived, are you coming over now?" Someone from the jewelry company called on the other end of the phone.

Darius immediately rejected: "I can't go away, sir."

"No no no, you can go away, you can go away, anyway, we have already toasted, let them eat and drink well here, Ming Zhen, take me to try the gemstone ring, I can't wait." Fake Yanyan couldn't wait. said.

Shu Ming said calmly, "Okay, I'll listen to you."

He couldn't help but sneer in his heart.

I know that fake Galia is greedy.

As soon as she heard that she was going to try the gemstone ring, she immediately wanted to evacuate from this thank-you banquet.

This is exactly Darius's plan!

He wants to make everyone present fall under the law!

However, fake Galia is an exception!

Darius couldn't take the fake Yanyan cheap. He wanted to bring the fake Yanyan to the real Yanyan and let her kneel and kowtow to the real Yanyan!

No, he has to send her to the pinnacle of happiness first, and then drop her.

Darius put his arms around Galia, and after saying goodbye to everyone present, he left the hall.

As soon as they got into the car, the fat black man on the second floor followed.

And at this moment in the hall, a group of policemen with live ammunition also poured into them: "All of them squat down! Don't move!"

## Chapter 2819

In the hall, there were three tables of people, all of them were frightened.

At this moment, they still haven't recovered from what happened.

Why did Galia just leave when a group of police came here?

Did you catch the wrong person?

"No police officer, we are... Nancheng Shu's family, Darius's friend of Young Master Shu, we rescued his wife, Young Master Shu wants to give me two houses, are you... Did you run into the wrong door?" At this time, Zhen Meili boldly asked the police.

No one answered Zhen Meimei's words.

Several police officers came up and put away all their cell phones.

Not one fell.

Zhen Meili couldn't bear it anymore, and said tremblingly: "We are friends of Darius, he is not an ordinary person in Nancheng, if you arrest us, if Darius finds out, then... "

A policeman sneered: "It's all of you Darius's friends who are caught!"

"Ah, why is this?" Zhen Meili didn't understand.

In fact, she didn't know much about the law.

She only knows to help her sister!

All I know is that my younger sister, who has undergone plastic surgery, is indeed the same as Darius's wife, and her younger sister is also the wife that Darius has admitted.

It's not a scam, is it?

Not even stealing money?

Moreover, they didn't kill or set fire, they were nothing more than impersonation, not even an impersonation, at least Darius personally admitted that the fake Galia was his wife.

Impersonation doesn't count.

Therefore, at this moment, Zhen Meimei and her accomplices did not feel that they were committing a crime.

The police sneered and asked Zhen Meili: "What have you done that you don't know?"

Zhen Meili shook her head: "Am I a friend of Darius? Darius is a pivotal figure in Nancheng. You want to arrest us, does Darius know?"

"I know, it's him who called the police!"

Zhen Meimei and her accomplices: "..."

They were stunned into ice sculptures.

Zhen Meili wanted to call Darius or her sister, but her cell phone had been taken away and she couldn't make a call.

At this moment, she only had to be caught first.

She thought that her sister would definitely come to rescue her.

There must be a misunderstanding in this.

She thought, at this moment, my sister should still be with Darius to try on the wedding ring, right?

definitely is!

Zhen Mei's guess was right.

At this moment, Darius drove the fake Galia to the jewelry store in a daze, the car stopped, and Darius and the fake Galia got out of the car.

"After so many years, Shao Shu finally found her wife."

"Her wife is so beautiful."

"Shu Shao is the second most infatuated man in South City."

"The first is Young Master Fu, and the second is Young Master Shu. I heard that Young Master Fu and Young Master Shu are relatives."

"What a good man! I have been waiting for my wife for four years!"

"How come I never met such a rich, infatuated, gentle man?"

"Hey, let's just watch a romance drama, shall we!"

"The diamond ring he ordered for his wife is worth nearly 10 million! It's dazzling and dazzling. I really envy me."

Hearing that a ring is nearly tens of millions, Fake Yanyan's heart is like a deer bumping into it, her heart is beating normally, she can't wait to put the diamond ring on right now.

Will see it now.

Shu Ming Zhen smiled and asked the fake Galia, "Can't wait?"

Fake Galia smiled angrily: "Husband! Look at what you said! There are a few women in this world who don't like gemstone rings, and they all like it!"

"Okay!" Shu Ming raised his hand and said, "Please come out with that ring!"
