

## ILLICIT RELATIONSHIP

### Chapter 16 - How Dare You

"Tian, let's rest for a while." Ye Qingyu said abruptly.

"What is it, aunt? Are you tired?" Xiao Tian inquired.

They were only walking for a few minutes, so Xiao Tian was surprised when Ye Qingyu urged him to rest.

"Did you have a lot of work today?" Xiao Tian questioned her.

Ye Qingyu suddenly stopped her footsteps and nodded her head, "Un. Aunt had a lot of work today and went to many places, so aunt's feet are aching a lot because of that."

Upon hearing her words, Xiao Tian gazed at her feet and sighed, "Aunt, your heels are too high. With how busy you were today, it's no wonder your feet hurt."

Ye Qingyu didn't answer him at this time. She also didn't expect today would be a busy day for her because, on her schedule, it was a normal day. But suddenly, a lot of important business partners switched their meeting schedule to this date, and she also had to check the store development too.

He squatted down and took off her high heels then massaged her feet gently.

"Does it hurt here?" Xiao Tian inquired as he kneaded her ankle lightly.

Looking at how he is treating her, Ye Qingyu covered her mouth and giggled, "Hihi."

Upon hearing her giggle, Xiao Tian looked at her with puzzlement. "What is it, aunt? Your feet are injured and you can still giggle?"

"No. Aunt is just astounded that you can behave like a gentleman too." Ye Qingyu replied.

At this moment, Xiao Tian only sighed and continued massaging her feet. After massaging her feet for a few minutes, Xiao Tian removed his shoes. Then he took off her high heels and immediately placed his shoes on her feet.

"There is a public seating near here. Let's rest there." Xiao Tian told.

"Un. Hehehe," Ye Qingyu nodded her head while giggling.

Ye Qingyu was amused with how Xiao Tian treats her, making her can't stop smiling. Xiao Tian then carried her high heels on his left hand and walked barefoot.

After arriving at the public seating, Xiao Tian helped Ye Qingyu sit on the public seating.

"Is it better?" Tian asked as he glanced at Ye Qingyu.

"Un. It's better now." Ye Qingyu answered as she nodded.

"Wait here. I'll buy ice to compress aunt's feet to reduce the bruises." Xiao Tian said.

Then he turned around and wanted to walk, but suddenly he felt his aunt pulling his jacket. He turned around and said, "What is it, aunt? Do you need anything else?"

"Hurry up and come back." Ye Qingyu responded.

Xiao Tian flicked her forehead gently and looked at her lovingly. "Un. Just wait here and don't go anywhere, understand?"

"Un. I understand" Ye Qingyu smiled beautifully.

Xiao Tian promptly looked for the nearest ice seller, but at the same time, a brown-haired man was looking at Ye Qingyu.

A lecherous smile appeared on the brown-haired man's face, and his eyes turned lustful too, as he stared at Ye Qingyu.

After licking his lips, the brown-haired man moved toward Ye Qingyu and said, "Beautiful. Are you alone? Let big brother accompany you."

"Who are you? Leave me alone!" Ye Qingyu replied angrily.

"Ahh. No need to be angry, beautiful. Big brother won't do something bad to you. It's a pity to let an attractive lady like you sitting alone here." the brown-haired man said with lewd eyes.

"Leave me alone!..... and I'm not alone, my boyfriend is with me. He'll come back here soon." Ye Qingyu answered fiercely.

Ye Qingyu was a proud woman, so she didn't fear him. However, because her feet were hurt at the time, what she could do was limited so she could only try scaring the brown-haired man, hoping he will leave her quickly.

"Don't lie. I know you're alone." the brown-haired man spoke as he laughed.

The brown-haired man grabbed her hands and said, "Ah! What soft and beautiful arms."

"Let me go!" Ye Qingyu shouted as she tried to free her hands, but because of the difference in strength, she couldn't do it.

"Shhh! Don't be afraid." the brown-haired man said, as he sat next to Ye Qingyu while rubbing her left hand. He was forcefully holding her left hand and laughed evilly.

At some point in time, there was a young man who looked at the brown-haired man. The young man's eyes were full of killing intent. Yes, that young man was none other than Xiao Tian.

Xiao Tian marched toward the brown-haired man and said coldly, "What are you doing to my woman?"

Hearing a cold voice, the brown-haired man turned around and looked at Xiao Tian. "Your woman? Hahahahaha.."

"Honey." Ye Qingyu said as she glanced at Xiao Tian.

Xiao Tian immediately grasped the brown-haired man's right hand that was clutching Ye Qingyu's left hand and the powerful grip on his hand made the man let go of Ye Qingyu's hand.

"You..." the brown-haired man bellowed.

Xiao Tian ignored him and glanced at Ye Qingyu tenderly. "It's alright, love. Leave this to me. It will be over in no time."

"Un" Ye Qingyu nodded her head.

At this moment, Ye Qingyu didn't know why she felt safe after hearing Tian's words. She felt like everything will be fine when he is around.

Xiao Tian then looked at the brown-haired man and said coldly, "Leave before you regret it!"

The brown-haired man laughed and mocked, "What? You, a young man wants to act like a hero in front of me?"

"I'll be counting until three. If I finish counting and you're still here... Hehehehe.." Xiao Tian smirked evilly.

"You want to beat me so you can look cool?" the brown-haired man uttered as he laughed.

"Three." Xiao Tian stated as he threw out his fist. He didn't bother to count 1 or 2 and immediately went to 3 because he won't forgive someone who tried harassing his woman.

The brown-haired man got hit on his face by Xiao Tian. He looked at him and retorted, "How dare you!"

Then he threw out his fist toward Xiao Tian's face, but Tian avoided it easily by moving to the right side.

After moving to the right side, he attacked his opponent's mid torso using his left knee.

"UUAAAKKK.."

The brown-haired man splashed out blood from his mouth.

Xiao Tian didn't stop there. He then kicked the man's chin, making him fly in mid-air.

When the brown-haired man landed on the ground, Xiao Tian immediately hopped on the man's stomach powerfully.

"UUAAAKKK..."

The brown-haired man threw out blood from his mouth again.

Then Tian jumped on his stomach violently again.

"UUAAAKKK.."

Xiao Tian repeated this process a few more times...

Ye Qingyu, who saw that had a terrifying face. She, who was observing what is occurring, recollected that Xiao Tian had beaten some thugs when he was helping Ling Xing Xue, but she didn't know that he was this outstanding at fighting, even the brown-haired man was beaten by him so quickly.

And what more was, her nephew was so cruel at beating down the brown-haired man. She didn't expect that under her nephew's brilliant smile, there was an evil side of him that was hidden.

"Sto....p..." the brown-haired man weakly spoke with terror on his face.

Xiao Tian then stepped on the man's face with his right barefoot and spoke grimly, "You're lucky because today I'm in a good mood, so I have only beaten you lightly. If my mood was bad today, you wouldn't have ended up like this."

Hearing Xiao Tian's words, the brown-haired man felt his blood freeze.

'You call this light? You're a cruel man, you know! I already lost a lot of blood because of you.'

"Scram!" Xiao Tian roared unemotionally.

With all his strength, the brown-haired man stood up and left.

After that, Xiao Tian looked at his aunt and grinned. "Love. Sorry for making you wait so long."

Looking at her nephew's grin, Ye Qingyu was stunned.

'You can just beat someone until he lost a lot of blood, and you can still smile as if nothing happened?'

"What is it, love?" Xiao Tian inquired curiously.

He then took the ice that he had left on the ground and said, "Let me put this ice on your feet to reduce the bruising."

"Un.." Ye Qingyu nodded her head.

After she felt her feet were better and thought that it was enough, they decided to go home by taxi. After a few minutes, they arrived at their residence.

After coming home, they saw Ye Xueyin was sitting on the terrace.

When Ye Xueyin saw Xiao Tian was carrying Ye Qingyu's high heels and Ye Qingyu was wearing Xiao Tian's shoes, she asked interestedly, "Eh! What happened?"

"Aunt's feet are hurt because she was wearing high heels on a busy day."  
Xiao Tian explained.

Looking at how her son was treating her little sister so well, a smile appeared on Ye Xueyin's face as she thought about something exciting.

"I'm envious. Mother wants Tian to treat me like that too. Mother will hurt her feet now!" Ye Xueyin told.

"Nnoooooo, mother. Don't do it..." Xiao Tian shouted.
