

ILLICIT RELATIONSHIP

Chapter 19 - News

At that moment, Xiao Tian only smiled at Ye Xueyin and did nothing because he wanted to know to what extent his mother could hold back the flame of lust within her.

When she found out her son didn't say or do anything to her, Ye Xueyin was unhappy because the flames of lust had consumed her body.

She desired to have sex with him immediately, but not only did he not grant her wish, he even teased her.

Because she could no longer hold back the lust within her, Ye Xueyin decided to do everything alone.

Without waiting for another second, she sat on Xiao Tian's legs and began to unzip his trousers.

*Zzzzttt.....

Ye Xueyin could hear the sound of zippers when she was unzipping Xiao Tian's trousers. She could not help from gulping her saliva when she saw his huge cock.

The penis that she loved so much, the dick that could make her mind fly to cloud nine, was standing mighty in front of her.

Because Ye Xueyin wanted to thrust his cock into her pussy so badly, she skipped the foreplay.

When she saw Xiao Tian's huge cock, Ye Xueyin knew that her wish would soon come true. Ye Xueyin didn't bother taking off her clothes or thong because her head was already filled with Xiao Tian's huge cock.

Ye Xueyin then grabbed her thong with her right hand and slid it to the other side. After rubbing the tip of Xiao Tian cock against her pussy entrance several times, she slowly lowered her body, causing his cock to enter her pussy slowly.

"Ahhh... " Ye Xueyin's small mouth opened, letting out a seductive moan.

'It feels good.'

Because Ye Xueyin wanted to feel more pleasure, she began to move her hips up and down.

Xiao Tian could not hold back himself anymore when he felt his mother's pussy squeezing his cock wildly.

Because of this reason, Xiao Tian grabbed his mother's hips before moving his waist in rhythm with her movements.

"Ahhh...Ahh... Ah..." Ye Xueyin moaned louder when Xiao Tian started moving his waist. "Ahh...Ahh.....Ahh..."

Because Xiao Tian's cock kept hitting her womb, Ye Xueyin's body turned weak, causing her to fall onto his body. "Ah...Tian.....Ah.....It feels good....Ah...Mother is cummmmming....Ahhhhh... I'm Cummminggggg....."

After having an orgasm, Ye Xueyin's body quivered for several seconds.

"Ahhh...No way.....Again....Tian....Ah... wait.. Ah...ah...Tian, mother's body is still sensitive. Ah... " Ye Xueyin started to moan again when Xiao Tian suddenly moved his waist.

Because Xiao Tian was still unsatisfied, he wanted to continue to have sex with his mother. That was why he immediately moved his waist again after his mother finished having an orgasm.

After a few minutes, Xiao Tian felt that he was about to cum, so he moved his waist faster and faster.

"Ah...Ah...Ah...," Ye Xueyin let out multiple moans.

"Mother, I am cumming..... " without thinking twice, Xiao Tian let out all his sperm in her pussy.

Because he knew that his mother would not be able to continue having sex with him, Xiao Tian turned his head. "Aunt, come here. I know you are watching us from the beginning."

A beautiful woman suddenly appeared from behind him. "Tian. Aunt...How about we do it tomorrow? We can have sex as long as you want tomorrow."

"But I want to do it now. Hehe." Xiao Tian said as he grabbed Ye Qingyu's slender long arms.

"Kyaaa!" Ye Qingyu was startled when Xiao Tian suddenly pulled her toward him.

And even though Ye Qingyu said that she didn't want to have sex with Xiao Tian, but she instantly turned into a wild lady after he kissed her passionately.

Then Xiao Tian had a fun battle with his aunt.

*Two hours later...

"Tian, you're a beast!" Ye Xueyin stated,

"Yes. How can you have so much stamina like this?" Ye Qingyu asked curiously.

"It's a secret," Xiao Tian said as he winked his right eye.

Then Xiao Tian hugged his mother with his right hand while embracing his aunt with his other hand. That night, he felt like he was in heaven.

"Today is the final day. I have to get first place because I need that money to open business later." Xiao Tian said while tidying his clothes. "Looks like I need to use my trump card."

After breakfast, Xiao Tian immediately left. Of course, Xiao Tian didn't forget about a good morning kiss with his aunt and mother.

While Xiao Tian had a happy face, there was someone who wore a worried face, and that person was none other than Ye Qingyu.

"Are you sure you want to go to work in that condition?" Ye Xueyin asked worriedly.

"This is because of your son, big sis." Ye Qingyu answered, "I have an important meeting today, so I can't take a day off today."

"Alright, just be careful." Ye Xueyin suddenly felt sorry for her younger sister.

"Ok," Ye Qingyu said as she walked weirdly.

After she arrived at the company, Ye Qingyu had a worried face again.

'What should I do?'

She was a manager in the marketing department, so she didn't want her subordinates to know the reason why she could not walk properly.

Because of that, Ye Qingyu tried to walk properly while trying her best to endure the pain and not show it on her face.

Every step was like torture for her, but Ye Qingyu kept enduring the pain because she didn't want to become a bad manager who gave a bad example to her subordinates.

Ye Qingyu walked step by step while enduring the pain. She walked slower than usual, making her subordinates look at her.

However, her subordinates only thought that Ye Qingyu was checking the quality of their work.

Finally, after enduring much pain, Ye Qingyu passed by her subordinates' workplace.

'It hurts!'

After she knew that no one was around her, Ye Qingyu began to walk weirdly again. "That brat! I told him not to do it, and he still did it. It hurts down there. What should I do in the meeting later?"

"Oh! Yesterday, you had wild sex until you can't even walk properly, huh?" a voice suddenly rang out.

Ye Qingyu felt her blood freeze after hearing that "What are you saying, manager Qing?"

Ye Qingyu didn't need to turn her head because she was already familiar with the voice.

Yes, that voice was coming out of Su Qing's mouth. She was the manager of the design department.

She came from Beijing to Shanghai at the same time as Ye Qingyu, so she was already familiar with her.

"Don't pretend to be stupid. From what you said and how you walked, I know that you had wild sex last night, right?" Su Qing said and paused for a second before she continued, "Is he that good?"

"I don't know, and I don't care!" Ye Qingyu tried to run away from Su Qing

"Hey! Who is he? We arrived in Shanghai a few days ago, and you're already like this. Is it your boyfriend or one-night stand?" Su Qing asked curiously

Upon hearing Su Qing's words, Ye Qingyu immediately covered her ears and said, "I can't hear you."

"I've never heard that you have a boyfriend in Beijing, and I believe the reason you came back to Shanghai was because of your older sister and your nephew. So, I assumed that you had a one nightstand last night. I'm right, right?" Su Qing uttered.

Ye Qingyu was surprised and shouted, "I never did one-night stand"

Ye Qingyu immediately regretted her words and hoped that everyone would not know that she was the one who had just shouted.

"Ah! So it was your boyfriend?!" Su Qing said in surprise

"Shut up! It has nothing to do with you!" Ye Qingyu uttered,

"Don't be shy, my friend. Next time introduce your boyfriend to me, alright?"

Su Qing said as she smiled

Ye Qingyu was stunned after hearing Su Qing's words.

'How can I do that? My boyfriend is my nephew, so there's no way I can do that.'

Ye Qingyu could only sigh at that time.

Upon seeing the expression on Ye Qingyu's face, Su Qing's lips curled into a smirk.

Su Qing immediately ran and shouted, "Our goddess Ye Qingyu has a boyfriend. Our goddess Ye Qingyu has a boyfriend. Our goddess Ye Qingyu has a boyfriend."

Upon hearing that, Ye Qingyu wanted to dig a hole and hide inside it.

Ah. I don't care anymore. With this, all men won't bother me again after they know that I have a boyfriend. Ye Qingyu thought to herself.

Ye Qingyu then continued walking towards her office.

And thus, all the employees knew that their goddess Ye Qingyu had a boyfriend. The girls had happy faces and congratulated her, while many men had dark faces and gritted their teeth.
