

## ILLCIT RELATIONSHIP

### Chapter 5 - Why Are You Smiling?

Because he was hugging Lin Xing Xue from behind, Xiao Tian could smell the fragrance of her body every time he breathed, and this made him desire to tease her again.

With that in mind, Xiao Tian decided to move her hair to the left side and kissed the right side of her neck gently.

When Lin Xing Xue felt Xiao Tian's lips on her neck, her entire body quivered for a second. She instantly stopped washing the dishes for three seconds. "What are you doing?"

"Kissing your neck." Xiao Tian answered calmly as if what he was doing was normal for everyone. "Little Xue, don't mind me. Just continue washing the dishes."

"How could I not care about that?" Lin Xing Xue said in a small voice. Lin Xing Xue wanted to pretend as if nothing had happened to her, but her body responded to his kiss.

As Lin Xing Xue washed the dishes, Xiao Tian kept kissing her neck before working his way up to her right earlobe.

Because of his actions, Lin Xing Xue couldn't wash the dishes properly. She ended up spending a lot of time cleaning one plate before finally, she was unable to wash the dishes anymore.

At this moment, Xiao Tian could barely contain himself. He wanted to push her down and do SHAKE-SHAKE-AH-Ah thing with her.

[ Shake-shake-ah-ah thing = have sex. if you ask why? My answer is because I want to write it like that. LOL]

At that moment, Xiao Tian tried his best not to become a beast because it could make Lin Xing Xue hate him later. He needed to create the right moment to do shake-shake-ah-ah thing with her. However, there was one problem. His cock was standing firm.

When she felt something big and hard between her ass, Lin Xing Xue knew that it was his cock. Lin Xing Xue bit her lower lip and half-closed her eyes when she felt something she hadn't felt in a long time

Because Lin Xing Xue didn't push him, Xiao Tian became bolder and kissed the right side of her neck a little more aggressively. Not only that but at this moment, his hands were also squeezing her breasts.

When Lin Xing Xue Felt his lips on her neck and his hands squeeze her breasts, the lust within her began to grow rapidly, causing her to lean her head on his left shoulder. "Ahh... No....Ah..... Stop it.....Ah....."

Because Lin Xing Xue reacted to his kiss, of course, Xiao Tian didn't stop what he was doing because he knew that Lin Xing Xue liked it.

If Lin Xing Xue didn't like what he was doing, she would have gotten angry and pushed him. However, she did nothing, and she even wailed in delight.

When she knew that she was starting to losing herself in lust, Lin Xing Xue thought that she had to stop him. It would be dangerous if they continued what they were doing because they were not alone at home.

However, Lin Xing Xue's body betrayed her mind because the lust within her body had piled up, causing her to lose herself in lust.

After playing with Lin Xing Xue's breasts for several minutes, her nipples began to erect as if they were trying to get out of her blue shirt.

Without waiting for another second, Xiao Tian pinched her nipples gently and pulled them up before letting her nipples go.

"Ahh...." Lin Xing Xue bit her lower lip before finally letting out a seductive moan.

Ling Xing Xue's soft moan was like a beautiful song in his ears. Xiao Tian desired to hear it again. Therefore, his left hand went under Lin Xing Xue's blue shirt from near her neck to squeeze her soft bare breasts and play with her nipples.

"No...Ah.... We must stop this...Ah..." Lin Xing Xue tried her best not to moans, but failed.

Upon hearing her words, Xiao Tian brought his face closer to her right ear and spoke, "You said that we have to stop this, but why are you moving your ass?"

"What are you talking about? I didn't do that!" Lin Xing Xue didn't realize that she was unconsciously moving her ass when Xiao Tian was playing with her breasts. She thought Xiao Tian was the one who moved his waist.

"Is that so? But I didn't move my waist." Xiao Tian responded while enjoying the soft tenderness of her ass.

"Ah... Stop it! I have to finish washing the dishes quickly." Lin Xing Xue could barely contain herself and was afraid that she would go wild.

It had been a long time for Lin Xing Xue to feel something like this again. That was why it would be dangerous if she let it out now because she was at someone else's house, and they were not alone, either.

Xiao Tian grabbed Lin Xing Xue's waist and made her face him. "Little Xue, just forget about washing the dishes for now."

After saying that, Xiao Tian tried to take off the dishwashing gloves that she was wearing.

Lin Xing Xue immediately placed her hands behind her back so that he couldn't take off the dishwashing gloves that she was wearing. "No! I promised your mother that I'd wash the dishes."

Lin Xing Xue thought that, after putting her hands behind her back, Xiao Tian wouldn't be able to take off the dishwashing gloves that she was wearing, but she was wrong.

Xiao Tian immediately hugged Lin Xing Xue and grabbed her hands. His cock, which had been hard from rubbing her ass before, was now poking her pussy through her skirt.

When Xiao Tian's cock was poking her pussy, Lin Xing Xue could feel his hard cock, because only her thin skirt separated it.

"Hmmm," Feeling that sensation again after a long time, Lin Xing Xue's head fell on his left shoulder.

After Xiao Tian managed to take off the dishwashing gloves, he placed them on the table and said gently, "I'll help you later."

"You never help me! All you did is tease me," Lin Xing Xue's head was still on his left shoulder, and she began to breathe heavily.

Xiao Tian then cupped her face and raised her face to make her look at him. "But you like it, right?"

"I.. I.." Lin Xing Xue was too shy to answer his question. "You... You always bully me."

"My little lover is so cute, so how could I not bully her?" Xiao Tian said as he smiled.

"Who's your lover?!" Lin Xing Xue pretended to be angry.

At this moment, Ye Xueyin, who was still in the bathroom, suddenly shouted, "Tian, open the door! Your aunt can't enter the house."

Upon hearing Ye Xueyin's words, a smile appeared on Lin Xing Xue's face, but for some reason, she was also disappointed while Xiao Tian, on the other hand, was twitching his lips.

"Hurry up and open the door! Your aunt is waiting for you." Lin Xing Xue said while touching his shoulders. "Your aunt will get angry if you don't open the door for her quickly."

"Eh...that is...." Xiao Tian wanted to refuse because he still desired to enjoy his time with her

"Tian, have you opened the door?" Ye Xueyin shouted again

"Did you hear that? I'm sure your aunt is calling your mother with her smartphone, and your mother is furious because it's disturbing her time in the bathroom. Hurry up and open the door!" Lin Xing Xue spoke while pushing him.

Xiao Tian wanted to continue what he was doing with Lin Xing Xue. However, because his mother told him to open the door for his aunt, Xiao Tian had no choice but to obey it. If it were someone else, he would definitely ignore it, but he could not disregard his mother's words. He had promised his predecessor that he would obey his mother's words and make his family happy.

Even though Xiao Tian was disappointed, he couldn't do anything about it.

After taking a deep breath, Xiao Tian's face broke into a smile because he knew that there was a green light with Lin Xing Xue.

"Why are you smiling?" Lin Xing Xue asked with puzzlement. She had no idea as to why Xiao Tian suddenly smiled. She thought he would be sad and disappointed.

"Nothing. I'm happy because you accept me as your lover," Xiao Tian told her the reason why he suddenly smiled.

She hit his chest gently and inquired, "When did we become lovers?"

"Just now." Xiao Tian responded as he looked at her lovingly. "Little Xue, I want to open the door for my aunt first, or else my mother will be angry again."

"Un. Hurry up and open the door." Lin Xing Xue said as she pushed him from behind.
