Xiao Tian opened the door.

As soon as Xiao Tian opened the door, he saw a beautiful woman standing in front of him. After recalling his predecessor's memory, Xiao Tian knew that the gorgeous woman, who was standing in front of him, was none other than his maternal aunt.

Her name was Ye Qingyu, and this year, she was twenty-eight years old.

Ye Qingyu wore a slim white dress, allowing anyone to see her perfect figure. Her black hair cascaded down her waist like a waterfall. She had a dark grey eyes, and her skin glistened like the luster of beautiful jade. Everyone could tell that every part of her was like a perfect piece of artwork.

Upon seeing his gorgeous aunt, Xiao Tian was stunned.

'Wow! I've no idea that all the women around me are attractive.'

Xiao Tian suddenly wanted to look at his face in the mirror because he wanted to know whether he was good-looking or not. He didn't understand why he was unable to see his appearance clearly in his memory.

"Hmm. Why are you looking at your aunt like that? Is your aunt beautiful?" Ye Qingyu smiled teasingly when she saw his nephew staring at her without saying a word. "Do you want your aunt to show you some sexy poses?"

"Yes. Aunt, please show me some sexy poses," Xiao Tian didn't know why his aunt suddenly offered to show him some sexy poses when they had just met.

However, Xiao Tian was a healthy young man, so if a gorgeous woman offered to show him some sexy poses, he would gladly accept it. Those who reject it were a fool because it could be interpreted as gifts from heaven.

Upon hearing his words, Ye Qingyu was stunned. Ye Qingyu found it hard to believe what she was hearing because she knew that Xiao Tian was a shy person. That was why Ye Qingyu always teased him whenever the opportunity arose.

"What did you say?" Ye Qingyu wanted to make sure that she didn't mishear it.

"Please show me some sexy poses." Xiao Tian responded with a straight face. Xiao Tian was waiting for his aunt to do some sexy poses because he wanted to know whether his aunt dared to do it or not.

From his predecessor's memory, his attractive aunt always teased him, but his predecessor did nothing to her.

However, he wasn't Xiao Tian but Huang Chen, who took over Xiao Tian's body. He wouldn't pretend to be a shy person because whatever happened, he would still be himself in the past or the future.

"What's wrong, aunt? What took you so long to do some sexy poses?" Xiao Tian spoke and paused for a second before he continued, "Do you need my help? I can help you look for sexy poses on the internet if you want."

Because Ye Qingyu failed in teasing her nephew for the first time, she was annoyed and immediately entered the house.

A fragrant wind blew past him as his pretty aunt passed him. Xiao Tian, who was smelling her body fragrance, stood like a statue for a few seconds due to this.

Xiao Tian came to his senses after the fragrance disappeared. Realizing he was standing there alone, he closed the door before heading to the family room.

And when Xiao Tian was in the living room, he immediately sat next to his aunt.

Not long after that, Ye Xueyin came out of his bedroom. She was wearing a white T-shirt and a green skirt. When Ye Qingyu saw Ye Xueyin coming out of her bedroom, Ye Qingyu dashed toward her and hugged her. "Big sister. It's been a while. I've missed you a lot."

Ye Xueyin's face broke into a smile when her little sister embraced her. "I've missed you too. It's been a year and a half, right? How have you been?"

"I've been doing good" Ye Qingyu hugged Ye Xueyin tighter because she missed her elder sister and her nephew very much, "Big sister, what happened to that brat? Why is there a bandage on his head?"

When Ye Qingyu said 'brat,' of course, she was talking about Xiao Tian.

Then Ye Xueyin explained everything to Ye Qingyu. Ye Qingyu was startled after Ye Xueyin finished explaining everything to her.

Ye Qingyu didn't know that her nephew was so brave. He even dared to face the thugs to help Lin Xing Xue. It was like in the legend, a hero who saves a beauty.

"So, how long will you stay this time?" Ye Xueyin inquired

"Big sis, I was transferred back to the company located here in Shanghai. From now on, we will be together every day again." after their parents passed away, the family that Ye Qingyu had was only her big sister and her nephew. For her, being able together with them again was the happiest thing in her life.

When she worked in Beijing, Ye Qingyu immediately regretted it because she could only meet them two weeks a year.

At first, Ye Qingyu worked in Shanghai, but she was transferred to the main company because she worked very well

When Ye Qingyu was in Beijing, she realized that her family was the most important things for her. For this reason, she immediately requested to be transferred back to a company located in Shanghai.

"Really?" Ye Xueyun didn't expect that the time where they would be together every day again finally came.

"Yes. Big sis, I can help you at the coffee shop too." Ye Qingyu wanted to help her big sister so that her big sister would not be too tired later.

"You don't need to do that. You'll be tired if you help me too." Ye Xueyin didn't want to burden her younger sister because she was afraid that her little sister would be too tired if her little sister helped her too. "Qingyu, Have you had dinner?"

"I just had dinner," Ye Qingyu responded as she nodded her head

After that, Ye Qingyu, Ye Xueyin, Lin Xing Xue, and Xiao Tian watched TV together in the family room. Time went by quickly, without realizing it, it was already 10:00 pm.

After saying goodbye, Lin Xing Xue left, but Xiao Tian immediately ran after her.

"Wait," Xiao Tian said as he ran after Lin Xing Xue

Lin Xing Xue stopped her footsteps and turned around. "Xiao Tian. What are you doing here?"

"I'm worried about you. What if another thug wants to do something to you again?" Xiao Tian was afraid that someone would try to do something bad to her again.

"Don't worry. There are lots of people on this street, so I'll be fine." Lin Xing Xue answered as she smiled

"But.." before Xiao Tian had finished his words, he was interrupted by Lin Xing Xue

"No, buts! Go back to your house. You are still hurt. Look, there is a bandage on your head," Lin Xing Xue said as she touched her head using her index finger, telling him that there was a bandage on his head.

She was touched when she learned that he was worried about her. Upon knowing Xiao Tian was concerned about her safety, Lin Xing Xue's face blossomed into a smile.

After seeing the beautiful smile on her face, Xiao Tian unconsciously marched closer towards her and hugged her.

Lin Xing Xue was shocked by this and inquired, "What are you doing?"

"What? Is it wrong for me to hug my lover?" Xiao Tian embraced her tightly and placed his head on her right shoulder.

"Fine. Are you done hugging me now?" Lin Xing Xue gently patted his back and smiled beautifully.

"One more hour." Xiao Tian said jokingly

Lin Xing Xue said in surprise, "Hey! That's too long!"

Xiao Tian stopped hugging her and cupped her face. With a smile on his face, Xiao Tian said in a soft loving voice, "Take care of yourself."

"Un." Lin Xing Xue nodded her head, "Hurry up and go back."

Instead of obeying her words, Xiao Tian brought his face closer to hers.

At that moment, Lin Xing Xue knew what he was about to do, but despite knowing about it, she didn't move to avoid it.

And when Lin Xing Xue saw his face coming closer towards hers, her heart was beating faster. Then Lin Xing Xue shut her eyes slowly as if she was waiting for him to kiss her. And in less than a second, Lin Xing Xue could feel his lips on hers.

After kissing her lips for about three seconds, Xiao Tian broke the kiss. And when he looked at her face, Lin Xing Xue immediately lowered her head. "As I thought, my lover is cute,"

Lin Xing Xue turned her head to the left side and replied, "Who is your lover?"

"Of course, it's you," Xiao Tian said while pointing his index finger at her

Lin Xing Xue crossed her arms over her chest and responded, "I still haven't accepted you to be my boyfriend!"

"It's fine because I know it will happen soon," Xiao Tian said as he laughed

Then Lin Xing Xue pushed him away. "Hurry up and go back to your house!"

"As you command, my princess." Xiao Tian put his right hand on his chest and bowed to her slightly.

Then Lin Xing Xue left. After Lin Xing Xue was in front of her house, she suddenly stopped her footsteps and said, "I've arrived at my house so you can go home now."

Suddenly an attractive young man with a bandage on his head came out.

"When did you know I was following you?"

Lin Xing Xue turned around and replied, "At first, I just guessed it, but when I was on the street where the uncles talked about us before, I was sure that you were following me."

Xiao Tian had made sure that Lin Xing Xue didn't know that he was following her, but it seemed he was underestimating her instincts.

"Thank you, Xiao Tian," Lin Xing Xue said lovingly, and slowly a soft smile spread across her face.

Upon seeing the beautiful smile on her face and hearing her sweet voice, Xiao Tian was delighted. At that moment, Xiao Tian was determined that he would do anything to make Lin Xing Xue his woman.

And he also promised that he would protect her and make her happy forever. "Un. Hurry up and get inside your house because it's cold outside. It will be bad for your body."

Lin Xing Xue was pleasantly surprised by his words and nodded, "Alright."

Then Lin Xing Xue entered her house. After Lin Xing Xue entered her home, Xiao Tian left.
