Chapter 467-Snakes And Witches!

Years Ago:

Author's POV:

Christina was out and about on a date with Maynard when she couldn't help but feel like she was being watched. She tried focusing on anything else but couldn't.

'Let's go back to the academy, then.'" Maynard smiled at her, holding the car door open for her.

'Do you mind if I stay around for a bit? There is a salon I want to visit. I think my hair needs some treatment,\* she told him with a smile, making him stare at her for a few seconds before he shrugged.

'Sure,' he smiled.

'Thank you. I will see you back in the academy,'" she waved her hand at him before storming away in the direction of the salon.

However, she had a feeling somebody wanted to approach her but was holding back because of Maynard.

Once Maynard got into his car and left, she slowed down and started looking around.

'Ugh! I don't feel right,' she spoke to her wolf, nervously rubbing her palms together.
