

A Man Like None Other Chapter 1856

A Man Like None Other Novel

"Mr. Chance, thank you for saving us," said someone from the crowd. If not for Kai, their abilities would have been sucked dry by the enemies. "Thank you, Mr. Chance!"

"Thank you..."

Many people began voicing out their gratitude. Kai nodded lightly in return: "Kai, your powers are far greater than I have imagined," commented Jessica with astonishment written all over her face.

"I don't even know the extent of my powers." Kai flashed a subtle smile. For the past year, Kai felt that his life had been moving forward as if someone had planned it all out for him..

Perhaps this is the path my father has paved for me. Now that I've stepped on this path, I'll keep walking no matter how difficult it gets.

"Well, you've settled your matters now. Do you have time to come with me to Demon Sect already?" asked Jessica. "I haven't rescued my girlfriend yet. I've got to do that first."

Unable to wait any longer, Kai sped toward the base of the Warriors Alliance. Jessica shook her head, but she still followed after him.

By the time Kai arrived at the base of the Warriors Alliance, they were already under attack by Godrick's men. However, they could not get in, for the dungeon was protected by an arcane array. Arriving before the artificial hill, Kai gently placed his palm on it. Charms floated into the air, releasing a faint light..

That was the arcane array protecting the dungeon. The moment the arcane array appeared, Kai swiftly scanned the charms and spotted the core.

With the Dragonslayer Sword in his hand, Kai brought it down on the core and destroyed it. Just like that, the arcane array vanished. Kai gave the dungeon door a push, and it opened. Immediately, Kai dashed in.

Lizbeth and the others entered as well. It had been a long time since they had seen Josephine. As soon as they entered the dungeon, they saw Josephine still locked in a prison cell in the corner. This time, however, she was covered in wounds.

"Josephine..."

Kai felt immense remorse and heartache at the sight of her injuries. "Josephine! Josephine!" Lizbeth cried out as well. Josephine was surprised to see Kai and Lizbeth in the dungeon.

"H-How did you guys get in?" Josephine knew it was not easy to enter the Warriors Alliance's dungeon. "Josephine, Kai has eliminated the Warriors Alliance. We're getting you out now."

Lizbeth stepped forward and used all his might to break the prison cell door open. However, no matter how hard she tried, the door would not budge.

"Don't waste your energy, Lizbeth. It won't open." Josephine shook her head. Lizbeth glanced at Kai. She knew the latter would have an idea. "Stand back, Lizbeth."

With that, a faint glow appeared on his palm, and he pressed it gently against the door. The prison cell glowed, and glowing charms circled the entire area.

That was the arcane array controlling the entire prison cell. Thankfully, Kai could find its core as long as the arcane array was visible. Carefully, he scanned the complex runes and found the core.

Boom! He swung his fist at a certain spot in the arcane array.

That punch caused the entire dungeon to tremble. At the same time, Kai was thrown back by the tremendous force of rebound energy. Alas, the arcane array was still undamaged.

That proved Kai had found the wrong core. Regardless, Kai did not give up. He continued searching for it and swung his fist again..

The second attempt yielded the same result, and Kai was sent flying back again. After over ten tries, Kai was drenched in sweat, and blood was spilling from his mouth.
