I'm Sorry My Love Novel Alternative

Chapter 2488

Galia is pregnant?

Suzi was stunned when he heard the news.

She was speechless for a long time.

Galia has always rejected pregnancy, and it was only recently that she was willing to have children, and she was pregnant with twins.

What a delightful thing this should be?

But now, Galia does not know where to go.

"She's pregnant, why didn't you tell me earlier?" Suzi grabbed the doctor and glared at the doctor with scarlet eyes.

The doctor reluctantly said, "I wanted to say it yesterday. When I just opened my mouth, the patient woke up. You were all in a hurry to talk to the patient, and my words were interrupted."

Suzi suddenly remembered.

Yesterday, the doctor really wanted to tell her something, but she was interrupted before she finished speaking.

What's the point of blaming the doctor now?

They are only responsible for treating diseases and saving people, and will not participate in your family's grievances. Suzi immediately let go, sighed, and sincerely apologized: "I'm sorry." The

doctor didn't blame Suzi, but nodded and left.

Suzi took Galia's pregnancy test form and called Arron over and over again to inform Arron's people that they must strengthen their search for any corner, not even an ant hole.

However, Galia seemed to have evaporated from the world. Even though Suzi, Arron and Darius searched the city for seven days, they could not find Galia.

Galia is dead or alive, so there is no news.

For seven days, Galia's parents didn't know what happened to Galia, Yan Weimin's father also called Darius, and each time he said to Darius gently: "Azhen, you have too many things a while ago, let's take a moment. It's really hard for you to go through so many stumblings and stumblings. Now that everything is over, you two can have a good time outside.

Don't be in a hurry to come back.

Ah Zhen, you have to accompany you well . Accompany Galia, my daughter has been spoiled by us since she was a child. She has never suffered, so you have to be more tolerant of her.

Protect her more."

In the tone of Yan's father, it was obvious that he did not know that Galia was missing. .

Darius didn't dare to tell his father-in-law.

Even Suzi, like Darius, tacitly kept the secret from Dad Yan.

However, within a few days, Darius's whole body was thin and out of shape, his beard also grew out, and his face was sloppy, but he didn't mind at all.

After the seventh day of searching for Galia to no avail, Suzi knocked on Darius's door, and she found that Darius was disheveled, even with one foot wearing socks and the other bare.

He didn't even wear shoes, so he came to open the door for Suzi.

At first, Suzi was just surprised by his unscrupulousness, and when he entered the door, Suzi smelled the smell of polluted air.

It smells of wine and a faint smell of stinky socks.

Only then did Suzi realize that it wasn't that Darius was negligent enough to wear socks on one foot and nothing on the other, but that he probably didn't take off the clothes he wore yesterday, and started drinking when he came back. Right now.

Suzi's eyes suddenly turned red.

It's definitely not fake.

"A Zhen!" Suzi shouted loudly, "You can't be so decadent, A Zhen!"

Darius gave Suzi a sad look, and even the strength to speak seemed to be lost: "Suzi, you say, If I don't have Galia in my life, what's the point of

me living alone? What am I still doing?

Why is Galia so cruel, so pregnant with my child and leaving me?

How can I live?

Suzi How can you tell me to live?"

Having said this, Darius burst into tears.

A big man, Darius, the fourth young master of the Shu family, who has always been so well-bred, cried in front of Suzi with a heartbroken heart, and the whimper was extremely sad.

made Suzi burst into tears when he heard it.

Suzi cried and said to Darius: "Azhen, what is the situation? The moment before Galia was knocked down that day, the person in the car that she saw was indeed you.

If she hadn't seen it with her own eyes, it was you. If she hit her with a car, she wouldn't be so seriously injured, pregnant with a child, but suddenly disappear.

In the past few days, the news from Shaoqin's subordinates in any corner of the city is that no suspicious person was found. Galia was held hostage, which means that Galia escaped from the hospital herself.

She didn't want to see you, and she was so heartbroken that she didn't even notify her parents.

You can't imagine that this sudden change was the most beloved The feeling of her man being put to death makes her life worse than death, do you know Ming Zhen."

"Suzi!" Darius suddenly grabbed Suzi's arm: "You tell me Suzi, you tell me, Galia... ... Galia, will she be dead?"

Suzi's heart also sank suddenly.

Will Galia die?

Otherwise, why can't I find her for seven days?

However, after thinking about it, she comforted herself and Darius: "No! No Mingzhen, no! If Galia really died, you and Shaoqin would be in this city. With all the search efforts, Galia's body must be found.

But we haven't found anything yet, haven't we?"

Darius grabbed his hair with both hands and shouted hysterically, "Galia, where are you Galia! Galia? ..."

Suzi patted Darius's back and said in a calm tone: "Mingzhen, the most urgent thing is now, we have to find the reason, maybe after we find the reason, we can find Galia.

What happened to you in that car? "

This is an intractable mystery.

Galia saw Darius with his own eyes.

And all of Darius's behaviors did not seem like that person was him. In

this, there must be something strange.

Darius raised his turbid tearful eyes and looked at Galia: "Galia, I don't know who that person is, but it must not be me, I am in Hong Kong, I can get video evidence of my presence in Hong Kong, and there are witnesses, how could that person be me?

I love Galia so much, how could it be possible for me!

Evidence of my absence from the scene can be taken out immediately!

Immediately!

Suzi's eyes lit up. She

suddenly remembered a word: evidence.

Yes, evidence.

In today's society, most of the so-called evidence is iron evidence, that is, surveillance video.

The section of the road that hit Galia, Suzi watched After passing, it is not a remote section, there must be surveillance video.

Suzi immediately took out his mobile phone and called Arron: "Shaoqin, I suddenly thought of something, that is the section of the road that hit Galia, there must be surveillance, you Find a way to get rid of the surveillance, we zoom in, find someone for technical appraisal, and be sure to see who that person is.

I'm sure that person must not be Ming Zhen!

Definitely Not! As soon as

she finished speaking, Arron said, "Suzi, I'm just outside the door of Mingzhen's room, and I've got the surveillance video. you open the door for me. "

Suzi immediately opened the door.

Darius was also excited from decadence to full of energy, he grabbed Arron's arm: "Fourth Brother Fu, where is the video, show me?"

Arron shook his head regretfully: "Mingzhen, in the video, it is indeed you... .."

Darius immediately shouted sharply: "Impossible! I want to see is believing!"

When Arron played the surveillance video to Darius, Darius was also dumbfounded.

The man sitting in the car who hit Galia was not Darius, but who was he?
