#### Chapter 2746

We will give you how much compensation you want.

As long as you make an offer.

Now, please make an offer! "

Mi Lu looked at Shu's father and mother with tears on her face: "I know, I know, I know, I have said it, I never thought of replacing your daughter-in-law, I will not replace, I just follow Shu Shao's side.

I don't ask for anything in return.

Do not ask for any name.

I just want to take care of Shao Shu and Shao Shu's mother, including..."

Having said that, Mi Lu looked at Rayna with eager eyes: "I want to take care of Young Master Shu...father-in-law and mother-in-law."

Hearing this, Rayna's eyes widened: "You...Are you ill?"

"Not sick."

“What are you drawing!” Rayna asked again.

“I don’t want anything.” Mi Lu said with difficulty.

“That’s weird!” Rayna sneered.

At this time, Darius sneered and said slowly, “How can there be someone in this world who doesn’t want anything? Everyone, everything they do, has a purpose. If a person doesn’t have a purpose, how can they survive?”

It’s just Mi Lu, your approach really has no lower limit.

I know that young actors in the entertainment industry more or less have to find themselves a sponsor and a backer.

But you, the way to find a backer, is really disgusting. ”

“Young Master Shu...I...” Mi Lu didn’t know how to explain.

“Don’t worry, I did spend the night with you, this is an indisputable fact, and I was indeed seen by those in the hospital, and many reporters and Internet celebrities have followed me and you.

This shows that the relationship between me and you is doomed to be inseparable.

That being the case, then I will take responsibility for my responsibility.

Don’t you just want to find a gold master?

Well, I agree. From now on, you will follow me and fulfill the rumors of those who follow the film. I hope this will bring benefits to your acting career.

But, you also listen to me.

The reason why I did this was because of the guilt that kicked you into serious injuries, and also because I was grateful that you rescued me when I was so drunk, otherwise, I don't know what happened to me.

As for the actual situation between us, one, I will never touch you, and my private relationship with you must be extremely honest!

Second, in this life, don't think that your relationship with me can further become my Darius's lover.

Our Shu family, especially my Darius, will never find a lover in this life, nor will I keep an outer room.

I, only loyal to my wife!

You understand that? "

Darius's words were very cold and calm.

"I... I understand everything, you are only loyal to your wife! I am nothing." Mi Lu nodded like a chicken pecking at rice.

"Okay! You can follow me from now on, or you can tell others that I am your financial master." Darius said indifferently.

"Well, um, thank you!" Mi Lu nodded excitedly while weeping.

Then, she looked at Darius again: "Young Master Shu, I am... yours now, so can I replace your wife and take a look at her parents?"

Darius frowned immediately: "Are you going to declare your sovereignty to them, and then the next step is to piss them off?"

Mi Lu shook her head: "No... No, you believe me, I will treat them and love them like my own parents."

Darius sneered: "How is this possible?"

"I will! Trust me!"

"Okay, I'll take you there, but if they kill you, I'm not responsible!" Darius's words were ruthless.

## Chapter 2747

Mi Lu smiled sweetly: "Even if I get killed by them, I'm still willing."

Darius: "..."

Rayna next to him was confused: "I always thought that I was thick-skinned, I always thought that I was cheap enough to have no bottom line, until today I found out that I have finally gained insight, no wonder the outside world is interested in entertainment. The cognition of the circle has always been bad.

What to say is dirty, no bottom line, all kinds.

It turned out that people can still be thick-skinned and have no bottom line to this extent!

Just because you can find a big moneymaker in your circle, you can have no lower limit like this?

Mi Lu, you are a little star after all!

Did you know you're licking people's assholes right now!

Your bad breath can be smoked out by the top wind for ten miles! "

Rayna is indeed a little b!tch!

It's really sharp to scold people.

However, Mi Lu is worthy of being a cheeky person. Rayna scolded her like this, but she could still smile at Rayna, as if Rayna was her savior.

Rayna is really convinced!

She looked at Darius with a defeated expression: "Azhen! Anyway, Galia's parents used to love you so much, until now they treat you as their son! Can you not disgust them and let them Can you live another two years?"

Darius looked at Rayna with a sad smile: "Rayna, you have such a good relationship with Galia, and you often visit Galia's parents, how can you not see that, after so many years, Galia's parents are in front of us. Before, they were always so strong, never crying or coaxing, but do you know how much pain they have in their hearts?"

You do not know.

Their suffering, their pain, has never been vented.

It's going to make you sick, you know? "

"You mean..." Rayna glanced at Mi Lu: "Do you want to use this product as a venting bucket for Yan's father and Yan's mother?"

Darius said calmly and ruthlessly, "This is Mi Lu's will! Not only do I want my father-in-law and mother-in-law to get a good vent, I also want Mi Lu to retreat in spite of the difficulties. After all, Mi Lu..."

Darius is a man with conscience, bottom line, and compassion.

No matter how disgusting Mi Lu was, it was a fact that he was rescued by Mi Lu, took care of by Mi Lu, and kicked Mi Lu's two ribs off.

Mi Lu is not easy.

Apart from stalking him, Darius has never done anything bad, and she has always been serious about acting. Darius knows this, so deep down, Darius is still very sympathetic. Mi Lu's, but he is the stalker who bothers Mi Lu.

He must cure Milu and let her retreat!

However, she didn't want to affect Mi Lu's career.

Darius couldn't be so heartless and heartless that he ruined the way of an 18th-tier actress with a difficult life.

He kept half of what he said, but Rayna had understood it, and she was very emotional: "Cousin, you have always been so conscientious."

"Now that he's a cousin again, he's not a douchebag anymore?"

Rayna's face turned red: "Cousin! That's my aunt!"

"It's still my mother! You shrew, you don't even care about character relationships when you scold people! When will your quality be higher!" Shu Ming said angrily.

Mi Lu, who was still sitting on the ground, smiled involuntarily: "This kind of appearance is just right, very good, I like it."

Rayna and Darius: "..."

After a long while, Rayna immediately roared: "Rayna is also called by you! Are you worthy of it! You are a weirdo!"

He said that, if he raised his foot, he would kick Mi Lu again.

Milu hugged her head in frightened hands.

But Rayna was stopped by Darius: "Forget Rayna, she's already seriously injured, don't kick people out, even if she made another 10,000 mistakes, but we kick people, it's our fault after all. "

Rayna waited for Mi Lu and said, "I'm mad at this guy! I don't want to take another look at this guy, I'll go back first!"

"Rayna, don't tell my father-in-law and mother-in-law, Mi Lu is going to see them." Darius said.

"I know!" At this point, Rayna and Shu Ming were shocked.
