Chapter 2782

But for a while, the film and television city didn't make many costume dramas.

There are a lot of extras who stick their chests to their backs, but they don't have anything to eat for me.

I'm a little hungry.

But my two children can't go hungry.

They were crying wickedly.

At this time, Mi Qunli, the owner of the Midoyi brokerage company, saw that I was holding two children, so she offered to feed me and asked me if I would like to be an extra in a costume play that their company picked up. "

Pan Mingsai followed Mi Lu's words and asked, "Then you agreed?"

Mi Lu smiled bitterly: "I had made up my mind to be an actor before the accident, and I had discussed it with Director Jin Jiaming, but when something happened, I didn't take it. When Qun Li came to me, I agreed without thinking.

I went to her agency.

She took care of my lunch.

Buy some milk powder for my child.

I was very grateful to her at that time. "

Pan Mingsai could almost think of anything, so he asked, "Because you are grateful to her for saving you, giving you food, and buying milk powder for your child, you won't help her act without money, right?"

Mi Lu shook her head: "I'm so stupid, I used to follow my parents, and Ming Zhen loved me so much, and Suzi allowed them to protect me, I didn't even know the evil in the world was so evil.

I felt that Mi Qunli was so kind to me, so I told her about my hardships, so I could be my complaint. "

Pan Mingsai: "..."

"I thought she was a good person, but what I didn't expect was that she called me to her agency as an extra for her, and she put me in a lot of scenes every day, staying up from six o'clock in the morning to one or two in the middle of the night. . Every day when I can see my children, that is the hours of the night when I go back to the rental house to sleep.

But that's it, Mi Qunli has always encouraged me to give away my child.

Also let me sell it.

If you can sell it for some money, it's also money.

But she, I played so many plays for her, she didn't even give me a penny.

Only then did I know that she is a company that drinks human blood.

I knew that in her company, I would definitely not be able to get any money. Maybe she might even give me my child, so I sneaked away from her company. After that, I stopped staying in the Northwest Ancient City.

I was carrying my two children, doing odd jobs all the way, begging all the way, and saving money for half a year before I saved enough for a ticket back to Nancheng.

After arriving in Nancheng, I didn't go to my parents directly.

Instead, it went straight to the film and television city in Nancheng.

I think I have some experience, and I want to try my luck, so I won my first role with real lines, and then I live in Nancheng.

I haven't contacted Mi Qunli for nearly three years.

I never thought that she could pretend to be me to go to my parents' house. Although she looked like me, I could tell it was Mi Qunli by listening to her voice. "

As soon as Mi Lu finished speaking, the door of the ward was opened.

Suzi walked over from the outside and shouted directly, "Galia, can you tell me what happened to you outside for so many years?"

Chapter 2783

Mi Lu looked at Suzi, and her tears fell down: "Suzi, you... do you really believe and admit that I am Galia?"

"I believe it!" Suzi said with great certainty.

Mi Lu: "Suzi..."

She burst into Suzi's arms crying like a child, crying a little unreasonably: "I miss you so much, I miss you to death, but you all don't want me!"

You don't want me!

oh oh oh oh...

Ah Zhen beat me, my parents suspected me.

y'all don't want me...

woohoo woo..."

Suzi: "..."

Her tears flowed down her cheeks to Galia's back like a dyke burst. At this moment, Suzi was sobbing that she couldn't even speak.

After a long time, she took a deep breath, choked her throat and said, "It's my fault, everything... it's my fault, it's my fault, I'm sorry for you, Galia, I shouldn't Doubt you, I shouldn't recognize you so late.

I should drop everything.

Then across the country, it's my fault to search and rescue you in a blanket manner.

It's my fault. "

She said over and over that it was her fault, over and over again.

Mi Lu kept crying, kept crying.

While crying, he denounced Suzi: "You all don't want me, A Zhen still beat me..."

"In the future, I will break A Zhen's four ribs and avenge you!" Suzi promised.

"No...not Suzi, no! Don't hit A Zhen, don't hit..." Mi Lu raised her head and covered Suzi's mouth.

It was as if Darius was beaten after Suzi said it.

Suzi smiled gently: "Galia, don't cry anymore, don't cry anymore, you have to tell me what you have experienced all these years, and only after you tell me your experience can I help you.

And that fake Galia, what happened to her?

How could she know so much?

She knew many details, even Mingsai.

She should know you very well. "

Mi Lu raised her head and looked at Suzi, she shook her head: "I told her something about me, but it wasn't so detailed, I don't know what's going on, how could she know so much about me? She also...she can still have plastic surgery, like me?"

Suzi was lost in thought.

At this time, Suzi's cell phone rang.

She picked it up and connected: "Hello, Shaoqin?"

On the other end of the phone, Arron said in a deep voice: "Suzi, I haven't been in the rivers and lakes for so many years, and I never thought that the rivers and lakes would be turbulent. One morning, Christopher checked a lot of situations, and now, there is a force that dares to act. When I came to Nancheng, I wanted to take over the upper class of Nancheng."

“What kind of force is the daring force?” Suzi asked.

No matter what force, she is not afraid.

Thinking of her, Suzi has experienced all kinds of hardships since she was a teenager, and she can live to this age, in her thirties, with a strong physique and grown children.

She is gearing up!

No matter what force, no matter what force!

She wanted to meet in person for a while!

She wanted to see with her own eyes, who dared to bully Galia like this.
