

Chapter 5369

"Becoming a master of the dark world?"

Ruoli was shocked by Charlie's words and was speechless.

She subconsciously asked him: "Mr. Wade, without any talent,"

"Is there really a chance to become a master of the dark world?"

"Yes."

Charlie said firmly: "To become a master, talent is not important,"

"What is important is whether you can grasp the right time, place, and people,"

"Although some people are very talented, it is impossible for them to cultivate the Great Perfection of the Bright Realm in a lifetime,"

"So let alone become a master of the Dark Realm."

After finishing speaking, he looked at her, and said very seriously:

"You have the right time and place to become a master of the dark realm."

"As long as you can work hard and consolidate your existing cultivation base,"

"You will be able to become a master of the dark realm in the future."

"Maybe in two or three months, you will be able to become a master of the dark realm."

"You're a master of the dark realm."

Ruoli's eyes turned red with excitement, even filled with tears.

She never thought that one day, she would have the opportunity to become a master of the dark realm.

For the vast majority of martial arts masters, the dark realm is a supreme realm that can never be reached.

Without a complete set of martial arts mentality,

Not to mention entering the dark realm, even becoming an eight-star martial artist is an extravagant hope.

Many martial arts families and sects have cultivated for dozens of generations relying on some incomplete martial arts mental methods,

And they can't even train a five-star martial artist, as was the case with the He family before.

Therefore, it is as difficult as climbing to the sky to cultivate a dark realm warrior.

Moreover, in the journey of martial arts, every level from the three-star warrior to the next is a big hurdle.

Any hurdle in front of you may not be able to overcome it in your life.

It is as difficult as climbing the sky.

This is also the reason why many eight-star warriors, even warriors in the Dark realm,

Could have been admired by thousands of people in various places,

But they are willing to join the Warriors Camp of the Warriors Den,

And will be controlled by the Warriors Den for the rest of their lives.

For them, the Warriors Camp has a great probability of allowing,

Them to successfully break through the Great Perfection of the Light Realm and become masters of the Dark Realm.

This alone is fatally attractive to them.

In front of becoming a master of the dark realm, money and status are all floating clouds.

Therefore, Charlie guessed that the reason why the Warriors camp of the Warriors Den,

Was able to cultivate dark realm masters in batches was that there was a high probability,

That masters like himself who were proficient in aura and elixirs were sitting behind them.

Because only spiritual energy and elixir can ignore the level barriers of martial arts practitioners,

And help them successfully break through.

For Charlie, although Joseph under his command,

And Jackson, the master of Joseph, has already stepped into the dark, but this is not enough.

In addition, although Reverend and Zyron,

The original special envoys of the Warriors Den were also masters of the dark realm,

Charlie could not regard them as his own.

After all, these two people are controlled by psychological hints.

If the two armies are at war, and these people have the ability to overcome his psychological hints,

They will immediately become enemies.

Therefore, Charlie asked Reverend to return to Turkey to continue to be his special envoy,

While Zyron was arranged by him by the side of Joseph's master Jackson.

In the future, if he wants to confront the Warriors Den head-on,

He must have at least 20 or 30 dark realm experts under his command to have a chance.

If you want to cultivate masters in the dark realm in batches,

A lot of pills are naturally necessary, and this medicine cauldron,

Can just help Charlie get twice the result with half the effort.

Charlie planned in his heart to train Ruoli to be the third master of the dark realm first,

And then systematically select a group of potential martial arts experts from the Cataclysmic Front,

The He family and other martial artists, and train them one after another.

To come with a group of dark masters.

Therefore, he felt that he could also choose a suitable address and set up an organization similar to Warriors Camp,

And train dark masters from this organization in the future.

Seeing that it was getting late, Charlie said to Ruoli:

“Ruoli, you go back and continue preparing for the wedding.”

“No one in the He family can see your cultivation level now.”

“The matter of breaking through the eight-star warrior don’t tell anyone else.”
