

## Chapter 5422

In Aurous Hill in mid-August, the weather is extremely hot.

In the past two days, Charlie was busy urging Orvel to renovate the Champs Elysees Hot Spring Hotel. As for the Middle East and the Warriors Den, he didn't ask any more questions.

And these two days, he didn't have the time to talk to Mateo.

However, Mateo was very active, and called his chief personal disciple from the United States, intending to hold a serious ceremony in front of Charlie, to draw a clear line from Taizhen Dao, and then wholeheartedly be loyal to Charlie.

At this moment, Mateo was waiting anxiously at the exit of Aurous Hill International Airport.

The flight he was waiting for was half an hour late.

Just when Mateo was impatient, the big screen at the airport finally updated the flight information, and the flight he was waiting for had arrived.

After waiting for another half an hour, the passengers of this flight came out of the exit one after another.

Mateo was looking forward to it. When he saw a tall woman with long hair reaching her waist in the crowd, a smile appeared on his face again, and he waved to her cheerfully and said,

"Romana, here is your teacher!"

The long-haired woman is about 1.78 meters tall, with flowing hair and long straight legs, and her temperament is full of classical charm, extraordinary and refined.

This person is Mateo's personal disciple, Romana Long.

Romana was thirty years old at the time, her father is Chinese-American, her mother is of American-Chinese mixed race, her father was a registered disciple accepted by Master Mateo when he was wandering in the clouds,

Although he had no extraordinary talent in Taoism and martial arts, but he has a real ability to make money, so he donated money to Taizhen Dao back then.

When Romana was young, she often followed her father in and out of the Taizhen Dao. At the age of eight, she showed her talent in Taoism and martial arts. Just when Mateo took over as the head of the sect, he took her as his personal disciple.

And Romana did not disappoint Mateo. At the age of twenty-six, she broke through to a five-star martial artist, which was faster than Mateo.

Although Romana has a quarter of American blood, her appearance seldom looks like American blood. On the contrary, she still has a temperament of classical Chinese beauty.

However, with a quarter of American blood, she is fairer than ordinary Chinese girls, and her height is relatively prominent.

Seeing Mateo, Romana hurriedly took the suitcase and walked a few steps quickly, until she stood in front of Mateo,

And then said respectfully: "Master, why did you come to pick up your apprentice in person?"

Mateo smiled and said casually: "You have never been to Aurous Hill, and you are not familiar with the place where I live."

Romana nodded slightly, and said, "Thank you, Master!"

After finishing speaking, She couldn't help asking: "Master, is there something important that you suddenly asked me to come to see you here?"

"Yes, of course!" Mateo nodded seriously, but said in a mysterious way: "But I can't tell you today."

"I have booked a room for you in the hotel, I will take you to the hotel first, and tomorrow I will take you to meet someone."

Romana asked curiously: "Master, who do you want me to meet?"

"Mateo said mysteriously: "Who is it? I can't tell you now, but you will know tomorrow."

Mateo didn't tell Romana that she was asked to come to China to pass on the headship to her.

It stands to reason that such a big matter as the passing of the headship should not be done so casually and hastily.

The normal process is that the current head and the successor of the head need to return to the Taizhen Dao together, and then hold a grand ceremony in front of the disciples, and also offer sacrifices to the Taizhen Dao ancestors,

Such a set of procedures After walking, the new head can officially succeed to the throne under the witness of everyone and the ancestors.

However, Mateo wants to hug Charlie's thigh in his dreams now, and he is really unwilling to go back to the United States to pass on the throne.

What's more, he still has a small thought in his heart, that is, he must let Charlie witness with his own eyes that he passed the position of the headship to Romana.

Only in this way can Charlie believe that he has no second thoughts about him.

That's why he called Romana all the way from America.

Although Romana didn't know what her master was planning, but out of respect for her master, she naturally didn't want to ask any more questions.

And it was precisely out of respect for Master that she didn't deliberately look at Master's cultivation.

If she took a closer look, she would find that her master's cultivation had already regressed to a four-star martial artist, which was one level behind her.

After the two left the airport, Mateo stopped the car and went to Shangri-La.

Originally, he didn't live in Shangri-La, but after knowing Charlie's identity, he hurried to Shangri-La to open a room,

Not for anything else, just to get a little closer to Charlie, even if it was just a drop in the bucket, in his eyes It is also better than nothing.

After the two arrived at Shangri-La, Mateo asked Romana to check in, while he walked out of the hotel lobby and called Charlie.

At this time, Charlie had just returned to the urban area from the Champs Elysees Hot Spring Hotel.

Seeing a call from Mateo, he answered the call and asked, "Master Hong, what is it?"

Mateo said in fear: "Master Wade. I just want to ask you for something..."

Charlie said casually, "I'm short on time, so just tell me if you have anything."

Mateo hurriedly said, "That's it. Master Wade, the eldest disciple of your subordinate has already arrived in Aurous Hill, and this subordinate intends to pass on the position of headship of Taizhen Dao to this disciple tomorrow,"

"I wonder if you have time, I would like to invite you to be a witness."

Charlie chuckled lightly and said, "I'm not one of your too-true people. If you pass on your position, what kind of testimony do you ask me to do?"

Mateo hurriedly said: "Master Wade, this subordinate has sworn to be loyal to you in the future."

"After the subordinate announces the position of the headship of Taizhen Dao, I will officially withdraw from Taizhen Dao. I will only obey your orders in the future, so I hope you can come to witness ..."

Charlie teased: "Master Hong, in my impression you seem to be very respectful of teachers, why are you suddenly leaving the school now?"

Mateo felt a burst of heat on his face, embarrassed. He laughed and said: "Master Wade... As the saying goes, a good bird chooses a tree and dies... The subordinates respect your strength and character very much."

"If I can be by your side, it will not only be a subordinate It's an honor for me, and it's also an honor for Taizhen Dao!"

Charlie couldn't help laughing and said: "Master Hong, I didn't expect that your ability to flatter is much better than your martial arts cultivation,"

"Your words have made you Taizhen Dao for thousands of years. The patriarchs who came here have all been sold out, so you are not afraid that they will find someone to settle accounts with you?"

Mateo hurriedly said: "Master Wade, your strength is unmatched by the patriarchs of the Taizhen Tao. The "Taizhen Hunyuandao" that I talked about Taizhendao for the first time is just the beginning."

"This incident shocked this subordinate greatly, not to mention this subordinate is just someone under the door..."

Charlie chuckled and said, "Okay, there's no need to talk about flattery, when do you plan to give up your position to your apprentice?"

Mateo blurted out: "Of course, the sooner the better, it's up to Master Wade. When will you be free?"

Charlie thought for a while, and said, "Tomorrow morning, you can decide the location."

Mateo hurriedly said: "Master Wade, let's go to the Champs Elysees Hot Spring Hotel!"

"The last time this subordinate was confused, I was not lucky enough to go in, this time I hope you can give your subordinates a chance..."
