

## Chapter 5423

For Mateo, Charlie really planned to take him for his own use.

Although his strength is not strong, the first chapter of "Taizhen Hunyuan Dao" he practiced is indeed the complete first chapter,

And he has been practicing this chapter for so many years,

So it is certain that his understanding of the introduction must have surpassed his own.

Sometimes, the most powerful person may not be suitable to be a teacher.

Even if a high-achieving student with a doctoral degree is asked to teach the first grade of elementary school,

He may not know how to make the first-grade students understand what he is talking about.

But if you ask a teacher who has taught elementary school students for decades,

Then he must have rich experience and various unique insights and methods,

And he can use the fastest speed to let these elementary school students quickly understand what he wants to tell them.

In Charlie's eyes, Mateo is such a primary school teacher.

Moreover, he has been specializing in textbooks for the first grade of elementary school for decades,

And he is an absolute senior authority and absolutely memorized the whole lesson.

With his decades of foundation, if he gives him the textbooks for the second grade at that time,

He will definitely be able to get familiar with them quickly.

Earlier, this old boy was a bit ignorant and wanted to take advantage of the situation and run back to the United States.

Naturally, Charlie had to sharpen his dog's temper.

After he gave up the position of the head, let him hang out for a few days,

Then he can slowly help him restore his cultivation and let him enter the state slowly.

At this time, Mateo was also very clear that he had no other choice but to serve Charlie wholeheartedly,

So he couldn't wait to give up the position of the head as soon as possible in front of Charlie.

Since Charlie has time tomorrow, he naturally didn't want to delay any more,

So he hurriedly said: "Master Wade, in this case, let's go early tomorrow,"

"What do you think at nine o'clock?"

Charlie said: "What are you doing up so early, ten o'clock, I'll sleep more."

Mateo could only agree repeatedly, and said courteously:

"Okay, okay, then ten o'clock! I'm at Shangri-La, waiting for you, Master Wade!"

...

The next day.

Charlie waited for Claire to go to the company, and then drove out unhurriedly to Shangri-La.

When he arrived at Shangri-La, Mateo just called and asked respectfully,

"Master Wade, have you arrived?"

Charlie hummed, "I'm already here. Where are you on vacation?"

Mateo said: "Master Wade, this subordinate will come down to pick you up!"

"No need." Charlie said casually, "I'll just come up by myself."

Mateo said with a chuckle: "Master Wade, this subordinate has already entered the elevator, I am getting down now!"

Charlie parked the car in the parking space next to the main entrance of the hotel,

And as soon as he entered the lobby, Mateo came out quickly.

When he saw Charlie, he said respectfully:

"Master Wade, you are here, let's go up!"

Charlie nodded and asked him, "Where is your disciple?"

Mateo hurriedly said: "Go back to Master Wade, subordinate's disciple is on the top."

"Okay." Charlie smiled slightly: "Then let's go up too,"

"Just in time to witness the ceremony of passing the head of your Taizhen Tao."

Mateo nodded repeatedly, and said with an apologetic smile:

"The sense of ceremony in the small sect of ours is not that strong,"

"And I hope that Master Wade will not be disgusted with the shabby after seeing it."

"That's not true," Charlie said lightly:

"The simpler the better, the more ritual sense is too strong,"

"But it will lose original meaning."

"Yes, yes!" Mateo nodded and said, "Master Wade is right."

"There is really no need to make such a grand event."
