Chapter 141 - Can You Forgive Me?

"Are you ready, little Xue?" Xiao Tian decided to go to his company immediately, but he wanted to drive Lin Xing Xue to the cosmetic shop first.

"Un" Lin Xing Xue nodded her head.

Xiao Tian then drove to the cosmetic shop. When they reached the cosmetic shop, Lin Xing Xue saw her co-workers in front of the cosmetic shop. But this time she behaved normally, not like in the past.

When Xiao Tian stopped the car in front of the cosmetic shop, Lin Xing Xue's co-workers turned their heads. They wanted to know who came by car so early in the morning.

And when they saw Lin Xing Xue came out of the car, they widened their eyes in surprise.

"Eh! Isn't that Miss Lin?"

"Yes. You're right."

"Did her boyfriend drive her here?"

"I don't know. I can't see the driver."

"Let's wait and see."

When Xiao Tian noticed that many people were looking at Lin Xing Xue, he came out of the car.

"Wait, isn't that person Xiao Tian? A young man who is popular lately?"

"Yes. You're right."

"Does it mean Miss Lin's boyfriend is Xiao Tian?"

"What? How could it be?"

"I'm jealous!"

"How could her boyfriend be Xiao Tian? Doesn't she feel ashamed to date a younger person?"

"Don't tell me the reason she works three days a week now is because of him?"

"Yes. It must be because she wants to date him. He is a successful person and not only that, but he is also a good-looking young man."

"What an immoral woman! Dating a person who is much younger than herself."

"I'm sure she only wants his money!"

"Stop it, you two! What's wrong with dating a younger person? There are no rules that forbid us to date younger people!"

"Yes, stop it! You must be jealous of her because her boyfriend is young and successful, right?"

"Who says we are jealous?"

At this time, Xiao Tian covered Lin Xing Xue's ears and looked at the women who were badmouthing her. Xiao Tian didn't want Lin Xing Xue to hear those words because it could make her mood terrible.

Lin Xing Xue had no idea why Xiao Tian suddenly covered her ears. She also didn't know that two of her co-workers spoke ill of her because Xiao Tian covered her ears.

Xiao Tian only looked at those two women and did nothing. But his eyes gleamed with terrifying sharpness as he stared at those two ladies who spoke ill of Lin Xing Xue.

The reason Xiao Tian did nothing was that fighting with women like the two of them was childish and only a waste of time. As long as they didn't do anything with the person he loved, he would still control himself, but if they dare to hurt someone important to him, he will do anything to make them regret it.

'What a pity because I don't have anything to make those two women more jealous.'

Suddenly an exciting idea appeared on his head. After positioning themselves so that the two women get the best view of them, Xiao Tian kissed Lin Xing Xue's forehead.

At this time, Lin Xing Xue did nothing or hit him like she always did. She only closed her eyes and felt the tenderness of his lips. She had started seeing Xiao Tian as her lover, so in her view, something like kissing her forehead in front of other people was normal.

The women who badmouthed Lin Xing Xue gritted their teeth, and their faces were red with jealousy.

"I will pick you up later" Xiao Tian stroked her hair and looked at her lovingly

"Un. I will wait" Lin Xing Xue's mood brightened after seeing his loving face. At that time, she suddenly became eager to work and hoped that the day would soon end so she could quickly spend time with Xiao Tian again

After hugging her for about three seconds, Xiao Tian drove to his company.

"Those two women are Little Xue's co-workers. Will Little Xue be okay at work?" Xiao Tian, who was sitting on the office chair, mused. Even though he tried not to think about what he heard earlier, but Xiao Tian was still worried about Lin Xing Xue. "Little Xue, I hope nothing will happen to you."

"Stop thinking about other things. I need to focus on my work so that I can make my family become an upper-class family as soon as possible" Xiao Tian patted his cheeks to make him forget about Lin Xing Xue and focused on his work. Xiao Tian then took the telephone on his workbench and called Shi Fei "Fei, come to my office."

"Alright," Shi Fei then rose from her seat and headed to Xiao Tian's office.

Knock...Knock...Knock

Shi Fei knocked on the door.

"Come in," Xiao Tian replied while reading the material for advertisement.

"Do you need anything, little brother?" Shi Fei asked.

"How are the preparations for the new season?" it had been several days since he asked her to prepare the clothes for the new season. He hoped everything is ready so that they could promote it as soon as possible.

"Everything is ready. Now I'm making ads for the company's online shop," Shi Fei said and stopped for a second before she continued, "But little brother, I think we need to make ads on television."

"Yes. You're right. Television commercials are important" Xiao Tian also thought that it was time to make ads on TV. In his view, television was a powerful medium if they could find a way to draw in the audience. Xiao Tian suddenly remembered someone. "Fei, take this material. I've planned everything and write it down. You read it and add something which you think necessary. After that, tell me about it."

Xiao Tian gave Shi Fei the documents and took his smartphone." You can return to your office now."

"Alright," Shi Fei took the material and returned to her office.

"Hello, big sister Yun. How are you?" Xiao Tian said when Yun Xin Er picked up his phone.

"I'm good. But who is this?" a melodic voice rang out through his smartphone.

Xiao Tian's lips twitched after hearing her words. Xiao Tian looked at the name on his smartphone's screen again to make sure that he didn't dial the wrong number. But when he saw that the name was Yun Xin Er, Xiao Tian was a little surprised. "This is big sister Yun Xin Er, right?"

"Yes. I'm Yun Xin Er. But who is this?" Yun Xin Er said through his smartphone.

'Eh! What is this? Did I do something wrong? Last time we met, she didn't behave like this, and I'm sure I didn't do anything wrong to her.'

Xiao Tian had no idea why Yun Xin Er suddenly said that she didn't know him. "Big sister Yun, please stop joking. I'm Xiao Tian. You know me, right?"

"Xiao Tian? I don't know someone named Xiao Tian. I think you are calling the wrong person," Yun Xin Er said through his smartphone.

'What the hell is this? What did I do wrong? Why did she behave like this?'

Xiao Tian tried to think what he did to her, but still, he was unable to find the answer. He remembered that he treated her nicely and always made her happy. "Big sister Yun, did I do something to you? Why did you behave like this?"

Because Xiao Tian had no idea the mistake he had made, he decided to ask her, hoping she would give him the answer.

"Eh! Why did you think like that? How could you do something wrong to me when we don't even know each other," Yun Xin Er said through his smartphone.

'Stop lying to me! You have even come to my house and my company so how can you say that we don't know each other. At least tell me what did I do wrong.'

"Big sister Yun, I don't know what I've done wrong to you, but I'm sorry if I've hurt your feeling. Can you forgive me?" even though Xiao Tian had no idea why Yun Xin Er behaved like this, he decided to apologize to her.

Yun Xin Er was essential to him because she could help him with his company development and other things. For this reason, he didn't want to be on her bad side and wished that they could stay friends.

"As I said, you did nothing to me, so you can stop apologizing now. Alright, I'm busy right now, so I'm hanging up," Yun Xin Er said before hanging up.

"What? She hung up?" Xiao Tian was shocked by this. Not only did she not tell him the reason she behaved like that, but she also hung up the phone.

Xiao Tian tried to call her again, but she didn't pick up the phone. Xiao Tian was unhappy with this. He could not believe that Yun Xin Er behaved like a child. They were already an adult so he thought if they had a problem, they could sit together and talk about it nicely, not behave like this.

'Big sister Yun, where are you right now? I will go to your place. Please reply to my message. I don't want our relationship to be like this.'

Because Yun Xin Er didn't pick up the phone, Xiao Tian had no choice but to send her a message, hoping she would reply so he could solve the problem.

"Yun Xin Er oh Yun Xin Er. You're an adult, so you shouldn't behave like this. At least tell me what did a do wrong." Xiao Tian was still annoyed by Yun Xin Er's behavior.

'What did I do wrong?'

Once again, Xiao Tian tried to think of what he had done to her.

Chapter 142 - You're A Liar

10-12 minutes

Xiao Tian had been waiting for a reply from Yun Xin Er for an hour, but still, he didn't get a response from Yun Xin Er. "This woman....."

Because Yun Xin Er suddenly behaved like she didn't know Xiao Tian, he was unable to focus on his work. It was not because Yun Xin Er was important in his heart, but he still needed her for the development of his company. For this reason, Xiao Tian was unhappy with her childish behavior.

And what made him even angrier was that Xiao Tian didn't know where she lived or the places she often visited.

"Sigh...." Xiao Tian tilted his head back and rubbed his eyes with his left fingers.

Crlingg...

Xiao Tian's smartphone rang, indicating that there was a new message on his smartphone.

Xiao Tian took his smartphone to see who had sent him a message. When he noticed that it was Yun Xin Er who sent him a message, he immediately opened it.

[I'm at Rainbow Garden right now]

Xiao Tian quickly replied [Don't go anywhere, I will be there soon]

Xiao Tian rose from his seat and wanted to head to Rainbow Garden, but when he noticed that he wore formal clothes, he went to the bedroom to change his clothes. Because there was a bedroom in his company, Xiao Tian placed some of his clothes in the cupboard so that he could change his clothes anytime.

Xiao Tian decided to wear jeans and a jacket with a T-shirt underneath it. Even though he was dressed normally, he still looked handsome and mature. Xiao Tian then came out of the room and headed to the parking lot, but he suddenly saw Shi Fei in front of her office.

"Little brother, where do you want to go?" Shi Fei was a little shocked when he saw Xiao Tian dressed normally.

Xiao Tian walked closer to her, and when he was in front of her, he said, "I want to meet Yun Xin Er."

Xiao Tian didn't lie to Shi Fei because, in his view, it was better to tell her the truth rather than lying. Xiao Tian had considered her as his woman. That was why he didn't want to lie to her. When Xiao Tian noticed a fit of jealousy in her eyes, he kissed her forehead and said, "I only want to ask for her help, so don't be jealous."

A slow smile spread across her face when she felt his lips on her forehead. The jealousy which could be seen in her eyes, disappeared without a trace as if it wasn't there in the first place. Shi Fei immediately wrapped her long slender hands around his neck and kissed his lips.

Xiao Tian was a little surprised by this, but he immediately put his tongue into her mouth, which was welcomed by her tongue happily.

They kissed passionately for several seconds before finally Xiao Tian broke the kiss and said, "Alright, it's enough"

Shi Fei wiped the saliva in her mouth with her right hand before finally her face broke into a soft smile. "Alright. Be careful little brother."

Xiao Tian kissed her right cheek before heading to the parking lot.

"I hope she is still at Rainbow Garden" Xiao Tian then drove to the Rainbow Garden.

Because Rainbow Garden was located in the center of Shanghai, he needed thirty minutes to get there. After he parked his car, he immediately entered the Rainbow Garden. Rainbow Garden was famous in Shanghai.

Every day, many people come to Rainbow Garden to enjoy the beautiful flowers. Many couples also often come to Rainbow Garden because it has a romantic atmosphere and beautiful scenery.

In Rainbow Garden, there were a variety of flower plants in various colors. For this reason, it was called Rainbow Garden. But even though Rainbow Garden has a wide variety of flower plants, there were also many trees in Rainbow Garden, which made it a shady and calm place.

As soon as he entered Rainbow Garden, he immediately called Yun Xin Er. This time, she answered the phone, but still, her behavior didn't change, and she immediately hung up after informing her location.

Because of how vast the Rainbow Garden was, it took him fifteen minutes by walking only to reach her location. Xiao Tian then saw her sitting alone on the floor inside a wooden building. The wooden building was around 3x3 meters without walls, allowing people to see who was inside the building.

Yun Xin Er was wearing a white ruffled silk blouse and ripped blue jeans. In front of her, there was mineral water and a red bag.

Xiao Tian sat on her right side and said, "Big sister Yun, why did you suddenly like this? Tell me, what did I do wrong?"

"Little brother, I hate you" Yun Xin Er crossed her arms over her chest and turned her head to the left side.

Using his right hand, Xiao Tian grabbed her face and made her face him, "Big sister Yun, don't be like this. Tell me why did you suddenly change like this? I'm not a God, so if you don't tell me, I would not know."

"Hmmp! You said that you would keep your promise, but you're a liar." Yun Xin Er said and paused for a second before she continued, "It's been two months, and you still haven't kept your promise."

'Promise? Did I promise her something?'

Xiao Tian tried to remember everything, and suddenly he widened his eyes.

"What? Did you just remember your promise?" even though Xiao Tian had finally remembered his promise, but from her voice, Yun Xin Er was still unhappy. Maybe it was because Xiao Tian had made her wait for a long time.

"Big sister Yun, this is..." Xiao Tian had no idea how to explain it to Yun Xin Er. Because he was too busy with his company, he forgot to keep his promise. But as a man, he must be willing to admit his mistakes, "I'm sorry."

Xiao Tian didn't know how to deal with it other than apologizing to her. He didn't try to give her an excuse because it would only make him look pathetic and bad. Xiao Tian understood her feeling because if he were in her shoes, he would also feel disappointed and angry.

"So, what will you do to make it up?" when Yun Xin Er learned that Xiao Tian realized his mistake and apologized without giving an excuse, her anger was significantly reduced. Usually, if other people were in Xiao Tian's shoes, they would immediately provide a reason, but Xiao Tian didn't do that.

Yun Xin Er even surprised when she learned that he immediately admitted his mistake and apologized. Actually, she thought that Xiao Tian would give her an excuse like other people, but she was wrong. For this reason, she immediately forgave him, but of course, she still wanted him to keep his promise.

"Big sister Yun, how about we have dinner tomorrow?" Xiao Tian knew that if he didn't keep his promise as soon as possible, their relationship would get worse. He didn't want that because he needed her help right now.

"Tomorrow? Why not tonight?" Yun Xin Er thought Xiao Tian would invite her dinner tonight, not tomorrow. That was why she looked at him in disappointment.

"Big sister Yun, not tonight." Xiao Tian hasn't come home from yesterday evening, so if tonight he were to leave again and return home late, his mother would be worried and sad. Xiao Tian didn't want to make his mother more anxious. That was why he decided to invite her to dinner tomorrow, not tonight.

Because Yun Xin Er was unhappy, she didn't say a single word and closed her eyes.

Seeing this, Xiao Tian could only sigh. He didn't know that it was hard to make her forgive him. But Xiao Tian had to keep trying to make her forgive him because he needed her help. "Tomorrow, we will spend time together from morning to evening. How about it?"

Upon hearing his words, Yun Xin Er opened her eyes and looked at him, "From morning to evening?"

Yun Xin Er was interested in spending time with him on the whole day because coincidentally, she is free tomorrow, so rather than spending time alone, it would be better to spend time together with someone.

Xiao Tian was happy when he noticed that she was interested in his offer, so he immediately said, "Big sister Yun, you will not regret it. I will make you happy. Believe me!"

Yun Xin Er did not immediately respond to him and closed her eyes again as if she was thinking about something important for her life. Actually, Yun Xin Er accepted his offer but didn't respond to him on purpose because she wanted to know what he would do if she pretended to waver whether she should accept his offer or not.

Xiao Tian knew that she had agreed to his offer and only pretended to hesitate, but Xiao Tian decided to play in her game, "Big sister Yun, you are a kind and pretty lady, so you should accept my offer and forgive me. I promise something like this will not happen for the second time. Next time, if I promise something, I will write it down so I won't forget it."

A tiny smile appeared on her lips after hearing his words. Actually, Yun Xin Er didn't expect that she would forgive him this easily, but she didn't deny that meeting him could always make her happy and forget the stress she felt because of her work. Using her left hand, she pinched his nose and smiled, "Alright, because this big sister is a kind lady, this big sister will forgive your mistakes, but you have to remember not to forget your promise again."

"Alright. I will do my best to remember my promise from now on," Xiao Tian said and paused for a second before he continued, "Big sister, you should smile like this from the beginning because you are prettier if you smile."

"What? So, I'm not pretty anymore?" Yun Xin Er said while pouting her lips

"Big sister Yun, you heard it wrong. I said prettier, not pretty. It means you are pretty, and you look prettier if you smile," Xiao Tian said.

"Hehehe" Yun Xin Er was satisfied with his answer.

When he saw her smile, Xiao Tian unconsciously smiled too.

"So, what can I do to help you?" Yun Xin Er knew that Xiao Tian wanted to meet her because he needed her help.

Xiao Tian suddenly felt shy when she knew that he only met her when he needed her help. "Well, it's like this big sister Yun. I want to promote my clothing design on TV, so I wonder, can you help me with this?"

"I can help you" Yun Xin Er replied

"Really?" Xiao Tian was happy with this.

"Un" Yun Xin Er nodded her head.

"Thank you, big sister Yun," Xiao Tian said as he smiled.

Chapter 143 - I Will Always Be There For You

8-10 minutes

"So, how do you plan to thank me for this time?" Yun Xin Er was joking when she said this and only wanted to know how he would react after hearing her words.

Xiao Tian began thinking about what he could give in return seriously. Xiao Tian didn't want to be someone who only took advantage of her without giving anything in return because he knew that someday Yun Xin Er wouldn't want to help him anymore if all he did was take advantage of her kindness.

'Because she is a successful lady, I'm sure she almost has everything.'

At that time, Xiao Tian didn't know what he could give in return because, in his view, Yun Xin Er didn't lack anything.

"What? Little brother, don't tell me you only want to ask for my help but don't want to give me anything in return? I suddenly change my mind. This time, I won't help you with your problem." Yun Xin Er kept pretending that she wanted him to give her anything in return.

Actually, her primary purpose for saying this was because she wanted to take revenge on him. Yun Xin Er has been waiting for Xiao Tian to keep his promise for two months, so she thought, she needed to bully him a little as revenge.

"Big sister Yun, because you're a successful woman, I'm unable to find a way to return the favor. I'm sure you didn't lack anything." actually, Xiao Tian has something in mind, but he believed she would reject it.

"Can you tell me what do you want in return?"

"Why did you ask me about it? You have to think about it yourself!" Yun Xin Er wanted to know his effort to please her. But because she wanted to give him a lesson, of course, she would make things difficult

for him "Hm! From your action, I know that you're not putting your heart into this. Little brother, you only want to take advantage of me, right? I didn't expect that you're this kind of person."

When Yun Xin Er saw his expression, she was delighted and laughed loudly in her head.

'Hehehe. This is getting interesting. Look at his expression! I really want to take a picture of his expression and make fun of him later, but I can't do that because I'm afraid he will know that I'm only pretending right now.'

"Big sister, how about I give you my heart? Hehehe" because he was unable to think anything, Xiao Tian decided to joke around.

"Oh! You want to give me your heart?" Yun Xin Er suddenly thought of something, and then she began to smirk, "Let me buy a knife first so that I can immediately take your heart."

'Holy hell! Big sister Yun, that's not what I meant. I will be dead if you do that to me.'

Xiao Tian didn't expect that she would say something like that. But of course, Xiao Tian didn't give up and kept saying sweet words, "Big sister Yun, if you do that, I will be dead, you know. Who will give you happiness if I die. At least, let me make you happy first before you take my life."

"Oh! You don't need to worry about it because with my pretty face; many men will try to get close to me and give me the happiness." when she said this, her face was filled with pride.

"Big sister Yun, even though they can give you happiness but it will not be at my level because in this world, only I, Xiao Tian, is the person who can give you the happiness you deserve. Big sister Yun, you only need to give me a chance. Believe me, I will make you the happiest person in the world." even though he said nonsense, but his face was serious as if he was in love with her. Coupled with his soft loving voice, it made his acting more perfect.

"Oh! Is that so?" Yun Xin Er pretended to be shocked and covered her mouth with her right hand, "Wait. Little brother, does it mean you're falling in love with me?"

Xiao Tian touched her cheeks and looked at her, lovingly, "How could I'm not in love with you, big sister Yun. In my eyes, you're a perfect lady. You're beautiful, kind, and there are many more, which make you an ideal lady for us men. If I had to mention what makes you special for us men one by one, I would die even before I could finish mentioning everything, and I'm sure every man will agree with me."

"Alright, because I'm a kind lady, I will help you in promoting your designer clothes" Yun Xin Er grabbed her bag and mineral water before standing. Suddenly a tiny smile appeared on her face, but because Xiao Tian was facing her back, he didn't know about it. "Let's go eat. I'm hungry."

'It's still 10:00 am, and she wants to eat? Hasn't she had breakfast yet?'

Xiao Tian immediately followed her and said, "Big sister Yun, haven't you had breakfast yet?"

"I haven't." actually, today was a free day for her, but her manager suddenly called her early in the morning, saying that she has to meet someone important for her next live concert. Because her manager called her so early in the morning, she didn't have time for breakfast.

Xiao Tian suddenly stood in front of her and touched her cheeks. "Sigh. Big sister Yun, I know that you're busy, but eating breakfast before working is important, you know. What if you suddenly faint at work because you haven't eaten breakfast? Alright, let's go eat together. It's on me."

When he said this, his face was filled with worried, like a man worried about his lover's health..

"Really?" Yun Xin Er didn't mind when he casually touched her cheeks, or more precisely, she was delighted after seeing his worried face. She suddenly gave him her bag and said, "Here, carry this?"

'Hmm? Why did she want me to carry her bag?'

Xiao Tian had no idea why she suddenly wanted him to carry her bag, but because he wanted to make her happy, he took the bag with his right hand.

To his surprise, she suddenly grabbed his left hand and embraced it. After hooking arms with Xiao Tian, she smiled beautifully and said, "Let's go find a restaurant."

Xiao Tian looked at her hands before lifting his sight to see her face. Xiao Tian didn't know why she suddenly behaved as if they were lovers, but because he didn't want to destroy her good mood, he did nothing and only smiled.

"Un. Let's go," Xiao Tian spoke and paused for a second before he continued, "Big sister Yun, what do you want to eat?"

"Anything. I'm starving so let's find a nearby restaurant" at that time because Yun Xin Er was hungry, she didn't want to be picky about the food, as long as the food is edible, she would eat the food.

After walking fifteen minutes to get out of the Rainbow Garden, they walked for about five minutes before finally, they found a restaurant. It was called HA restaurant.

Even though the restaurant wasn't big but because Yun Xin Er was starving, they decided to eat at Ha restaurant. The restaurant is about 7 x 5 meters with chairs and tables neatly arranged. Not long after they sat on the chairs, the waiter walked toward them to receive their order. After writing down their request, the waiter immediately left.

"Big sister Yun, why were you at Rainbow Garden alone?" Xiao Tian, who was sitting on her right side, asked curiously.

"Nothing. I just wanted to come to Rainbow Garden alone" due to how busy she was, she was stressed. That was why she went to Rainbow Garden because every time she was at Rainbow Garden, she felt calm. "But now I'm not alone anymore, because you're with me."

"Yes, yes. I will always be there for you" Xiao Tian pinched her nose and smiled dazzlingly

"Really?" even though she knew that Xiao Tian was joking, but she was happy after hearing his words. "Because you said that, in the future, if I feel lonely, I will call you."

"Yes, you can do that. Every time you feel lonely or need help, you can call me and I will immediately come to meet you. I will do anything for big sister Yun" when Xiao Tian said this, the words came out from the bottom of his heart. Yun Xin Er had helped him many times, and one of the reasons he could be a successful person in such a short time was because of her too.

When Yun Xin Er saw the seriousness on his face, she was a little surprised and happy at the same time. She didn't expect that he would say that to her. She then raised her little finger and said, "Promise?"

Xiao Tian locked her little finger with his little finger and said, "Yes. I promise."

"Good!" Yun Xin Er said happily.

Chapter 144 - Do You Want To Feed This Big Sister So Badly?

9-11 minutes

Not long after that, the waiter came with their order. Previously, Yun Xin Er ordered roasted-duck breast and broccoli with lemon tea while Xiao Tian requested roasted-chicken with a strawberry milkshake.

"Let's eat" Xiao Tian decided to stop talking because he knew Yun Xin Er was starving.

"Un" Yun Xin Er nodded her head

'The food in this restaurant is not bad.'

Even though the food was lacking in taste but because the price of the food was low, Xiao Tian thought it was worth the price.

"How is it, big sister Yun?" Xiao Tian inquired.

"It's tasty" because she was starving, she felt the food was delicious. Actually, Yun Xin Er wanted to gobble the food, but because she was with Xiao Tian, she decided to eat slowly and elegantly.

Xiao Tian was amazed when he saw Yun Xin Er eating elegantly. He knew that she was starving, so he thought she would wolf the food, but he was wrong. However, Xiao Tian knew the reason why she didn't wolf the food.

'Wow! As expected of a famous singer, she can still maintain her good image. But because she is eating slowly, it will take a while for her to finish the food, or maybe she will not eat all the food so that she can still maintain her good image in front of me.'

"Big sister, I know that you're hungry, so you don't need to maintain your good image in front of me. You can eat the food as quickly as you want, you know. I promise I won't make fun of you." Xiao Tian spoke with a worried face. Even though there was nothing special about their relationship but Xiao Tian didn't want her to eat a little, which could make her get sick later. "Ah! If you are still hungry, you can order the food again."

Yun Xin Er suddenly stopped eating and turned her head to look at him. After placing the spoon and fork on the plate, Yun Xin Er hit his chest with her right hand, "Little brother, I hate you!"

'Eh! What is this? What did I do wrong?'

Xiao Tian was dumfounded when she hit his chest. He then grabbed her right hand to stop her from hitting him.

"Big sister Yun, don't get me wrong." Xiao Tian's black eyes were locked on her pretty face. He touched her cheeks with his right hand, and his worried expression turned into a loving face. "I'm only worried about your well-being. I don't want you to get hospitalized just because you eat a little."

Yun Xin Er didn't say a single word and only looked at him intently. At that time, when she stared at his beautiful black eyes, she felt her soul was being devoured by him. And not only that, when Xiao Tian showed his loving face to her, Yun Xin Er was unable to turn her gaze from him and also forget to blink, making her feel as if half of her soul had been absorbed by Xiao Tian.

"Little brother.....Xiao Tian" Yun Xin Er had no idea why she suddenly called him. She felt as if it wasn't her mouth that called his name but her heart.

"Hmm. What is it, big sister Yun?" Xiao Tian was a little shocked when she called his full name. Usually, she always addressed him as little brother, but now she even called him by his name.

'It seems she is starting to fall in love with me.'

Xiao Tian still looked at her lovingly as if she was his dear lover.

Yun Xin Er didn't answer him and only stared at him. At that time, she was stunned when she saw his loving face, making her unable to say a single word and only look at him. This was the second time she felt like this.

'Have I fallen in love with him? But isn't this too fast for me to fall in love with him? I know he is gentle and good-looking, but....'

Yun Xin Er was unable to understand her feeling toward Xiao Tian. Even though Xiao Tian was good-looking and treat her nicely, but he was not the only one. Many handsome gentlemen also treated her nicely as if she was the most important person in their life, but she had never felt this kind of feeling toward them. Yun Xin Er began to wonder what made Xiao Tian special in her heart.

Because she didn't respond to his question, Xiao Tian took the chicken meat with his spoon and said, "Stop looking at me. Here, eat this."

When Yun Xin Er noticed that Xiao Tian wanted to feed her, she glanced at the chicken meat in his spoon before looking at his face again.

"Big sister Yun, open your mouth" because Yun Xin Er only stared at him, Xiao Tian asked her to open her mouth again.

Without taking her sight off of Xiao Tian's face, Yun Xin Er slowly opened her mouth. At that time, she felt as if she was hypnotized by him and would do anything he wanted. Luckily he only tried to feed her.

When Xiao Tian knew that she was opening her mouth, he immediately fed her the chicken meat.

Yun Xin Er began chewing the chicken meat with her sight still on his face. She suddenly came to her senses and immediately turned her head.

He must think that I'm a weird woman because I'm eating while looking at his face intently. Yun Xin Er thought to herself

"How is it, big sister Yun?" Xiao Tian was delighted when he saw Yun Xin Er eating the food.

"It's tasty" Yun Xin Er's face turned red when she noticed that he fed her using his spoon. And not only that, but she accepted it as if it was normal for him to feed her with his spoon. Yun Xin Er was embarrassed because, in her view, things like this were only done by lovers.

Yun Xin Er turned her head to look at him again because she wanted to know whether he would tease her or not. But when she noticed that he behaved normally and only retook a slice of chicken meat, Yun Xin Er was relieved.

"Big sister Yun, eat again" Xiao Tian wanted to feed her again to ensure that she would eat a lot.

"What is this, little brother? Do you want to feed this big sister so badly?" Yun Xin Er was pleased when he wanted to feed her again. It meant that he cared about her health.

"Yes." Xiao Tian spoke and paused for a second before he continued, "I want to make sure that you eat a lot so that you won't get sick."

"Why did you want me to eat a lot? Are you so worried about my health?" after seeing him insist on making her eat a lot, Yun Xin Er's face broke into a soft smile. In her view, his behavior was like a boyfriend who worried about his girlfriend's health.

"Of course." Xiao Tian replied

'Because if you sick, you will not be able to help me later.'

Xiao Tian added in his head.

"Is that so?" Yun Xin Er could not help from smiling. She then placed her hand on her thighs and said, "Alright, you can feed me now. I won't use my hands anymore, so you have to take responsibility if I get hospitalized because I eat a little"

The corner of his lips twitched after hearing her words. He didn't expect that she wanted him to feed her until she is full. "Big sister Yun, I don't mind feeding you, but what will you do in return?"

Of course, Xiao Tian was joking. He only wanted to tease her and know what her reaction would be.

"Little brother, how can you ask me something in return? You must be honored because many other men are willing to die just to be in your shoes, but no one of them can do so. You are the only one who can do this to me, so you shouldn't ask for anything else," even though her words made her seem like a special person, but it was all true. Due to how beautiful she was, coupled with her being a successful person, many men have tried to conquer her heart, but none of them have succeeded until now.

Upon hearing her words, Xiao Tian covered his mouth and smiled. He didn't expect that Yun Xin Er would praise herself like that. But because he wanted to tease her, he put the spoon on the plate and said, "Big sister Yun, with my handsome face and cool body, many women are also willing to die just to be in your shoes so don't praise yourself too much because I'm also a special person."

Xiao Tian laughed loudly in his head when he saw her stunned expression.

Yun Xin Er was unable to say a single word because she knew what he said was the truth. She crossed her hands over her chest and said, "I don't care! Little brother, you have to take responsibility and feed me until I'm full."

"Fine. But you have to reward me later" Xiao Tian touched his chin while thinking about what reward he wants from her later, "What reward should I ask for?"

"What?! Little brother, you still want a reward from me?" Yun Xin Er could hardly believe what she was hearing. She didn't expect that Xiao Tian insisted on asking for a reward to her just because she wanted him to feed her.

"Of course," Xiao Tian then brought his face to her right ear and whispered, "Big sister Yun, how about you let me kiss you as a reward?"

Of course, Xiao Tian was joking. He only wanted to know what she would do after hearing his words.

'Hateful! He is teasing me again.'

Yun Xin Er's face turned red after hearing his words. She had no idea that he dared to ask her something like that.

When Xiao Tian saw her blushing face, he wanted to laugh loudly, but he tried his best not to do so.

Chapter 145 - What An Interesting Lady!

9-11 minutes

"So, how about it, big sister Yun? Do you still want me to feed you?" because Xiao Tian said that he wanted a kiss as a reward, he guessed Yun Xin Er would reject it because even though they had a close relationship, but it wasn't special enough to let him kiss her. But because Xiao Tian was joking around, he wouldn't mind if she refused his wish.

Suddenly an exciting thought appeared on Yun Xin Er's mind. With a tiny smile on her face, she raised her left hand as high as his shoulders and said, "Here, you can kiss my hands."

"But what I want is a kiss on the lips, not on your hands" Xiao Tian had no idea that she would do something like that. He suddenly thought that he was underestimating her, but of course, he didn't give up and tried to find another way to tease her again.

"What! Little brother, you never said that you want a kiss on the lips. You only said that you want a kiss as a reward" Yun Xin Er covered her mouth with her right hand and giggled, "Here, you can kiss my hands as long as you want. I suggest you accept my offer because not everyone can get a chance to kiss my hands."

Yun Xin Er felt like a winner in some competition when she saw his stunned expression.

Because Xiao Tian failed in teasing her, he took the chicken meat and ate it, "Mmm. It's so tasty."

As he was eating the chicken meat, Xiao Tian made a happy face as if it was the most delicious food he had ever tasted.

"Little brother, hurry up and feed me?" Yun Xin Er was unhappy when she saw Xiao Tian eating the chicken meat with a happy face. She was starving and waiting for him to feed her, but not only did he not feed her, he even ate the food alone.

"Eh! Did you say something, big sister Yun?" Xiao Tian pretended as if he heard nothing.

Because she was still hungry and Xiao Tian didn't want to feed her, Yun Xin Er had no choice but to eat the food by herself. However, when she was about to take the spoon, Xiao Tian grabbed her hands.

"Big sister, didn't you say you won't use your hands to eat the food?" Xiao Tian laughed happily inside his head. Even though earlier, he failed to tease her, but now after seeing her expression, he was satisfied.

"It's because you won't feed me so that I will eat by myself." Yun Xin Er tried to free her hands from his grasp but because of the difference in strength, she failed to do so. "Little brother, let go of my hands! I'm still hungry."

When Xiao Tian realized that the chair they were sitting on was a long wooden chair, he suddenly had an exciting idea. Xiao Tian took the chicken meat with his spoon before finally he grabbed her waist and pulled her closer to him, making their shoulders pressed against each other. "Here, eat again."

Yun Xin Er was delighted when Xiao Tian wanted to feed her again. With a happy face, she opened her mouth before finally eating it. Even though Xiao Tian left hand was still on her waist, Yun Xin Er didn't ask him to move his left hand as if it was normal for him to do so.

"The food tastes better when I feed you, right?" Xiao Tian asked as he smiled.

Even though what he said was right, but Yun Xin Er didn't say a single word because she was too shy to say it.

When Xiao Tian saw her lips were oily with the pieces of food, Xiao Tian put the spoon on the plate. He then took a tissue and cleaned it.

Yun Xin Er was stunned by his sudden action. Once again, she looked at his handsome face intently, or more precisely, her sight was locked on his beautiful black eyes.

When Xiao Tian noticed that she was looking at him intently, he smiled and said, "Big sister Yun, your beautiful lips are oily with the pieces of the food, so I have to clean it."

Yun Xin Er said nothing and only stared at his face. Today he surprised her many times, but she didn't hate it, or instead, she loved it.

When Xiao Tian finished cleaning her lips, he put the tissue on the table. With his sight still on her eyes, Xiao Tian touched her cheeks with his right hand.

Thump.....Thump...Thump...Thump...

The longer Xiao Tian looked at her face the more she felt that her heart beat faster.

When Xiao Tian saw her beautiful face and pretty lips, he suddenly desired to kiss her. Actually, he had no intention of kissing her, but he didn't know why he suddenly wanted to kiss her. For this reason, Xiao Tian slowly brought his face closer to her face.

Despite knowing what he was about to do, Yun Xin Er still did nothing as if she was waiting for him to kiss her. And when she saw his lips approaching hers, she slowly closed her eyes and opened her little mouth.

At that time, Xiao Tian stopped moving his face when his lips were one centimeter away from hers.

Thump.....Thump...Thump...Thump... Huft....Huft.... Huft...

Xiao Tian's heart beat faster every second, and his breathing suddenly became heavy. However, he still hasn't kissed her and only looked at her closed eyes.

Because Xiao Tian still hasn't kissed her, Yun Xin Er slowly opened her eyes. She wanted to know why he still hasn't kissed her. And when she saw his handsome face at close range, she suddenly desired to kiss him. But because she was too shy to kiss him, she only hoped that he would kiss her quickly.

As if Xiao Tian understood what she wanted, he brought his face closer to her face again until finally, he pressed his lips against hers. And when Xiao Tian felt her tender lips, he suddenly wanted to put his tongue in her mouth, but he tried his best not to do it because it wasn't the right place to do French kiss.

As he was kissing her lips, Yun Xin Er looked at his black eyes before finally she closed her eyes again. However, it was only three seconds before she came to her senses and pushed him away, making their lips separate from each other.

Yun Xin Er then lowered her head and didn't dare to look at him again. At that time, she didn't know what she should do or say. She had no idea that they would kiss in the restaurant.

Even though he had kissed her forehead once, but it was because she pretended to be his girlfriend to make fun of him. But now, not only did she let him kiss her lips but she also wanted it. For this reason, she kept lowering her head, and her seductive behavior disappeared and suddenly turned into a shy person as if she were a teenager who was in love for the first time.

Xiao Tian knew that if he didn't start the conversation, Yun Xin Er would continue to lower her head and would not say a single word. That was why he made her face him and smiled, "Let's eat again. Didn't you want me to feed you until you're full?"

Yun Xin Er was pleased when Xiao Tian started the conversation. With a smile on her face, she said, "Little brother, you have kissed my lips so you must make me happy today or else I will hit your chest again until you beg for mercy. Hehehe"

Xiao Tian's face broke into a smile when he noticed that her normal behavior had returned. "Eh! When did I kiss your lips, big sister Yun? Since you said that I've kissed your lips, then I must kiss your lips now."

Even though she knew that Xiao Tian was joking, but she still hit his chest. "Little brother, I hate you!"

"Haha. Big sister Yun, please stop hitting me" Xiao Tian didn't try to stop her from hitting him and only laughed happily.

"No! I will keep hitting you until you beg for forgiveness" with a smile on her face, Yun Xin Er kept hitting his chest. However, because she didn't hit him hard, Xiao Tian didn't feel pain.

"Big sister Yun, have a mercy please or else, I will not be able to feed you anymore" although Xiao Tian asked for forgiveness from Yun Xin Er, he still laughed happily as if being hit by her was the happiest thing for him.

"Because this big sister is a kind person, this big sister will forgive you for now" Yun Xin Er behaved as if she was a royalty who forgave her servant "Now, feed me."

'Earlier, you kept your head down and were too shy to say a single word after we kissed, but now you acted mightily. What an interesting lady!'

The corner of Xiao Tian's lips twitched after seeing her behavior. But because he didn't want to destroy her good mood, he did what she wanted.

Not long after that, they finished eating.

Xiao Tian then rose from his seat and said, "Big sister Yun, wait here. I want to pay the bill first."

"Alright," Yun Xin Er said as she nodded her head

Xiao Tian then headed to the cashier. After paying the meal, Xiao Tian returned. "Do you want to leave now or later?"

"Let's leave now" Yun Xin Er rose from her seat. She then raised her hands and gave Xiao Tian her bag again, "Little brother, carry my bag."

Xiao Tian didn't expect that she wanted him to carry her bag again. But when he saw her smiling face, Xiao Tian had no choice but to take her bag.

To his surprised, Yun Xin Er once again locked her arm with him. After hooking arm, Yun Xin Er said, "I'm so happy today."

Hearing her words, Xiao Tian brought his face closer to her right ear and whispered, "Are you happy because we kissed at Ha restaurant earlier?"

Yun Xin Er's face turned red, and she hit his shoulders, "Little brother, I hate you!"

Chapter 146 - This Is A Punishment For Teasing Me

8-10 minutes

After eating at Ha restaurant, they returned to the Rainbow Garden due to Yun Xin Er still wanted to enjoy a variety of flower plants in various colors. But this time, something was different about Yun Xin Er's behavior. Not only her smile never left her face, but she kept locking arms with Xiao Tian.

They were joking, chatting, and enjoying the beautiful flowers together. Yun Xin Er was pleased because it had been a long time for her to enjoy her time like this.

Time went by quickly, and it was already 04:00 pm, so Xiao Tian had no choice but to return to his company. At this moment, Yun Xin Er still wanted to spend time with him, but Xiao Tian refused because there was something that he has to do in his company. And not only that but Xiao Tian also promised Lin Xing Xue that he would pick her up at the cosmetic shop later.

When Xiao Tian opened the car door and was about to get in his car, Yun Xin Er suddenly pulled his jacket. Because Xiao Tian thought that Yun Xin Er had something to say to him, he turned around and asked, "What is it, big sister Yun?"

However, she didn't answer and only looked at him. Because Yun Xin Er didn't say a single word, Xiao Tian wanted to get in his car, but once again, Yun Xin Er pulled his jacket. With a smile on his face, Xiao Tian turned around and asked again, "What is it, big sister Yun?"

But like before, Yun Xin Er said nothing and only looked at him. Actually, Yun Xin Er wanted a goodbye kiss. She had no idea why she suddenly wanted it. Of course, she wouldn't kiss him first because she was afraid he would think that she was an easy woman. For this reason, Yun Xin Er didn't know what she should do.

Because Yun Xin Er still hasn't answered his question, Xiao Tian was dumbfounded. At this time, Xiao Tian looked at her for about three seconds before finally, he realized something. Even though he wasn't one hundred percent sure, Xiao Tian understood what she wanted. For this reason, he brought his face closer to her face.

And what he had guessed was right when he saw Yun Xin Er slowly closing her eyes. But like at the restaurant before, Xiao Tian stopped moving his face when their lips were so close, so close enough until they could feel the breaths and the fragrances of their mouth.

Because Xiao Tian still hasn't kissed her after several seconds, Yun Xin Er opened her eyes. Yun Xin Er wanted to ask him why he didn't kiss her immediately.

Even though Xiao Tian desired to kiss her cherry lips but he decided against it because he wanted to know whether Yun Xin Er could hold herself from kissing him or not. For this reason, Xiao Tian touched her cheeks and smiled, "I'm off, big sister Yun."

Yun Xin Er was stunned by this. She thought Xiao Tian would give her a goodbye kiss, but she was wrong. However, because she didn't dare to start it, Yun Xin Er could only smile. "Be careful on the road."

Even though she was smiling, but a disappointment could be seen in her eyes. However, Yun Xin Er could not do anything about it because she knew that they had no special relationship.

Xiao Tian, who was seeing her expression, suddenly opened the car door and dragged her into his car. After he made her sit on his lap, Xiao Tian closed the door and locked it.

"What is it, little brother?" even though Yun Xin Er had guessed what he wanted to do to her later, she still asked him. "Why did you drag me into your car?"

At this time, Yun Xin Er was facing him with her hands on his shoulders. And although Yun Xin Er looked calm, but her heartbeat was beating loudly. Not only that, the longer she stared at his handsome face, the bigger her desire to kiss him.

"I know what you want!" Xiao Tian grabbed her head and slowly pulled it toward his face, making their noses touch and their lips only a centimeter apart from each other. "And I will give it to you now."

At this position, Yun Xin Er's desire to kiss him became bigger, and she unconsciously opened her little mouth, but she still did nothing and only waited for him to kiss her. "So, you know what I want, huh? Why don't you prove it to me now?"

Without waiting for another second, Xiao Tian pressed his lips with hers, and once again, Xiao Tian could feel her soft lips when their lips were touching. However, the kiss was only last for three seconds because Xiao Tian suddenly broke the kiss.

"Big sister Yun, your beautiful pink lips taste good" Xiao Tian rubbed her tender lips with his right thumb and looked at it intently, "I suddenly want to kiss this cherry lips forever."

When Xiao Tian was rubbing her lips, Yun Xin Er did nothing and let him do what he wanted. But deep inside her, she really wished that he would kiss her again because she was still not satisfied with the kiss they had just done.

As if Xiao Tian understood what she wanted, he started to kiss her again. Xiao Tian still hasn't put his tongue in her mouth because he wanted to enjoy her soft lips.

When Xiao Tian kissed her lips again, Yun Xin Er immediately closed her eyes. She didn't care that she was a famous singer or that they were inside the car because the thing she wanted the most was to enjoy a kiss from a handsome man who was younger than her.

When Xiao Tian was biting her lower lip, Yun Xin Er slowly opened her eyes and looked at his black eyes. However, Because Xiao Tian bit her lips gently, Yun Xin Er didn't feel pain.

"Big sister Yun, we should stop now; otherwise, you will regret it later," Xiao Tian said while rubbing her lower lip.

"You said that you want to stop but why are you still rubbing my lower lip?" because Yun Xin Er wanted to tease her, she unbuttoned two of her shirt buttons to show off her cleavage "And what is it that can make me regret it?"

Xiao Tian was a little shocked when he saw the upper sides of her breasts. He didn't expect that she would do something like that. He even wondered why her behavior changed quickly. One second ago, she was a shy person, and one second later, she behaved seductively like a succubus seeking for prey.

Because she decided to tease him, Xiao Tian didn't hold back anymore and wanted to feel her bare breasts with his right hand, but Yun Xin Er suddenly grabbed his hands.

"Not so fast, handsome!" Yun Xin Er then kissed his forehead, his left eye before working her way down to his lips. This time, she only kissed his lips for two seconds before she stopped kissing him.

'You dare to tease me, huh?'

When Xiao Tian saw Yun Xin Er buttoning up her white blouse again, Xiao Tian squeezed her breasts.

"Ahhhh," Yun Xin Er's little mouth opened, letting out a cry of pleasure. She grabbed his hands to stop him from squeezing her breasts again, "It's not the time yet, little brother. For now, a kiss on the lips is the limit for us."

Actually, Xiao Tian also wanted to stop, but because she behaved like he was under her control, it made Xiao Tian unhappy. Coupled with her pretending as if she was the more experienced one made Xiao Tian want to tease her again. Suddenly an evil idea appeared on his mind. With this wicked thought, Xiao Tian began kissing her lips again.

Because Yun Xin Er had no idea what was in his mind, she welcomed the kiss happily. At this time, they still only pressed their lips, nothing more. But suddenly, she felt that Xiao Tian's lips moved lower and lower, from her lips to her chin before finally working his way down to her beautiful neck.

Yun Xin Er slowly lifted her head to make it easier for him to kiss her neck. At this time, she still had no idea what he wanted to do until finally, she felt that he kissed the right side of her neck hardily.

"Little brother, not there!" even though Yun Xin Er told him not to leave a hickey on her neck, but she didn't try to stop him.

Xiao Tian started to smirk when he saw a hickey on her neck. He then brought his face closer to her right ear and said, "This is a punishment for teasing me."

Yun Xin Er immediately grabbed her bag to look for a small mirror. When she saw a hickey on her neck, Yun Xin Er flicked his forehead and said, "Bad boy! Next time, you should ask first. Luckily I have makeup on my bag so I can cover it."

"I was unable to hold back when I saw your beautiful neck. That was why I gave you a hickey" of course, Xiao Tian lied to her because it was impossible for him to tell her the truth.

"Liar! You gave me a hickey on purpose, right?" Yun Xin Er pinched his nose and smiled, "I need to get out of this car quickly, or my body will be full of a hickey. Hehe"

Chapter 147 - Because We're Friends With Benefits

8-10 minutes

When Yun Xin Er was about to get out of the car, Xiao Tian wrapped his hands around her waist, making her unable to move her body.

"Eh! What is this, little brother?" Yun Xin Er covered her mouth with her left hand and giggled, "Don't tell me, you don't want to separate with me?"

"Of course. Who wants to separate with a beautiful lady like you, big sister Yun" even though sometime Xiao Tian didn't like her behavior, but he loved her sexy body and also the fragrance of her body. The size of her body was also at the right size for him to embrace. Coupled with her beautiful face, it made her a perfect lady in his eyes.

For this reason, even though he was not in love with her, Xiao Tian hoped at least their relationship would be like this forever. Xiao Tian understood that if she knew what was in his mind, she would hate him or look at him in disgust, but he couldn't help it because it was a man's instinct.

Xiao Tian believed that every man wouldn't be able to hold themselves if they are near a pretty lady. And he, as a man, was also the same. Even though Xiao Tian had tried his best not to be captivated by every beautiful woman but still, every time, he saw a pretty lady, his desire to make them his woman always appeared.

"Oh! Is that so? If so, why don't we go somewhere together now?" even though Yun Xin Er knew that he was joking around, she still hoped what he said was the truth because, at that time, she really wanted to spend more time with him. Because of him, today was one of the best days for her. That was why she didn't want it to over yet. However, she knew that she couldn't force him to spend time with her because he also has a life.

"Tomorrow, we will spend time together for the entire day, so don't be sad" Xiao Tian kissed her lips and smiled.

'Because we're friends with benefits, I will try my best to make you happy too.'

Because Xiao Tian still hasn't fallen in love with her, he decided to name their relationship as friends with benefits. Even though he knew that Yun Xin Er wouldn't agree to this, but in his view, nothing could describe their relationship better than this.

"Alright. I will wait" Yun Xin Er kissed his forehead before getting out of the car.

Xiao Tian opened the car window and said, "Big sister Yun, will you still be here?"

"Un" Yun Xin Er nodded her head, "I will be here for another fifteen minutes before going home."

"Alright. Be careful," even though Xiao Tian wanted to accompany her, but he was unable to do that because he has to return to his company, "Call me if there is any problem."

Yun Xin Er didn't answer him and only nodded her head.

Seeing this, Xiao Tian closed the car window and drove away.

When Xiao Tian reached his company, he headed to his office. He didn't waste his time and immediately began to work.

Knock...Knock...Knock...

When Xiao Tian was working, he suddenly heard someone knocking on the door.

Xiao Tian looked at the clock and mused, "It's already 05:50 pm."

Because it was already 04:30 when he reached his company, Xiao Tian could only work for less than an hour and a half before finally, it was time to go home and pick Lin Xing Xue up.

After entering his office and sitting on the couch, Shi Fei said, "Little brother, it's time to go home."

Xiao Tian rose from his seat and said, "Let me drive you home."

Xiao Tian thought it would be unfair for Shi Fei if he didn't offer to drive her home. Up until now, Xiao Tian always made Lin Xin Xue more important to him but now he would treat them equally. He didn't want Shi Fei to feel inferior to Lin Xing Xue anymore. That was why he offered to drive her home.

Shi Fei, on the other hand, was pleased. She had no idea that he would drive her home. At first, she only wanted to see his face before going home because she wouldn't be able to see his face again until tomorrow morning. Shi Fei suddenly remembered something,. "Little brother, when will you come to my apartment? You promised me a few days ago."

'Shit! When did I make this promise, again?'

Xiao Tian was shocked after hearing her words. He didn't know how to answer her. Because he was busy with his company too, everything was a mess. He kept forgetting everything, and he knew if something like this continued, it would backfire him.

In his previous life, it was easy because they knew that he had many women but not in this life. His mother and aunt didn't know that he has other women, and even though Lin Xing Xue suspected that he has a special relationship with Shi Fei, but she didn't know that his mother and aunt were also his women.

'How do I solve this problem?'

Xiao Tian had tried to tell his mother and aunt that he has other women as well, but every time he wanted to tell them, the words stuck in his throat. Coupled with him being afraid that it could make his mother and aunt sad, it made him unable to tell his mother and aunt about it until now.

This was also one of the reasons why he still hasn't made Yun Xin Er his woman. In his past life, even though he didn't love a woman, as long as the woman was beautiful, he would make them his woman but not in this life because he decided to become a better person. well, at least a little better person.

'Father, you were the one who made me like this, so where are you right now? Your son needs your help.'

Xiao Tian suddenly remembered his past life father. A father who made him a playboy like this.

Xiao Tian then sat next to Shi Fei and made her sit on his lap, "Fei, sorry. Not in the next three days, Ok?"

"It's fine," even though this saddened her, but when she saw his guilty expression, she had no choice but to forgive him.

"Alright. Let's go home" Xiao Tian said as he smiled

"Un" Shi Fei nodded her head.

Then they headed to the parking lot while holding hands. After driving for several minutes, they finally arrived at Shi Fei's apartment. Xiao Tian immediately came out of the car and opened the door for Shi Fei.

Shi Fei didn't expect that Xiao Tian would do something like this to her, but she loved it because she felt as if she was his queen.

Xiao Tian then embraced Shi Fei for about five seconds before he stopped hugging her.

"Don't stay up too late" Xiao Tian kissed her forehead and smiled

"Un" Shi Fei was pleased when she saw his loving face. Although today she couldn't see him much at the company due to he was with Yun Xin Er, but she was happy because he treated her nicely right now.

"Alright, I have to go now," Xiao Tian embraced her for the last time before getting into his car. Xiao Tian then drove to the cosmetic shop, and not long after that, he arrived at the cosmetic shop.

Xiao Tian then stopped his car several meters in front of the cosmetic shop.

"It's already 06:10, but why hasn't Lin Xing Xue come out yet? Does she work overtime?" due to the weather was shady, Xiao Tian came out of the car. "The weather is great today."

Xiao Tian leaned against front end of car with his left hand in his pocket while his other hand checking his smartphone. At this time, even though he didn't try to make himself look cool, but he looked so handsome and cool as if he always looks perfect in anything he did

Not long after that, almost all of the saleswomen came out of the cosmetic shop. And when they saw Xiao Tian, they could not help but be surprised.

Once again, almost all of the saleswomen were jealous of how lucky Lin Xing Xue was. Not only was her boyfriend handsome and young, but he was also a successful person.

"Miss Lin, your boyfriend, is waiting for you in front of the shop," one of Lin Xing Xue's co-workers said. The rumor about Xiao Tian and Lin Xing Xue has spread in the cosmetic shop. Now everyone who worked at the cosmetic shop knew that Xiao Tian was Lin Xing Xue's boyfriend. Even though some people spoke ill, but some people supported her.

"Alright. I'm finished with my work now" Lin Xing Xue rose from her seat and was ready to go home.

When Xiao Tian saw Lin Xing Xue coming out of the cosmetic shop, a dazzling smile appeared on his face. "Xue, here."

Xiao Tian didn't address her as little Xue on purpose because he knew if he calls her as little Xue, she would be embarrassed. Although it was a little weird for him to address her as Xue, he had no choice but to do so.

When Lin Xing Xue saw him, she was happy and shy at the same time. She was happy because finally she could see him again and she was shy because her co-workers were looking at her intently.

Lin Xing Xue immediately got into his car without saying a single word.

Chapter 148 - Mother, Why Are You Crying?

7-9 minutes

When Xiao Tian saw Lin Xing Xue was already in the car, he also got into the car. Because Xiao Tian knew that she was embarrassed to be the center of attention, he immediately drove away. Not long after that, they arrived at Lin Xing Xue's house.

Xiao Tian wanted to go home immediately, but Lin Xing Xue suddenly grabbed his right hand and said, "Let's get inside first. I will make tea for you."

At this time, Xiao Tian wanted to refuse because he wished to return home immediately. From yesterday night, he still hasn't returned to his home. But at the same time, he didn't want to make Lin Xing Xue sad.

"Little Xue, how about tomorrow? Tonight I—" before Xiao Tan had finished his words, Lin Xing Xue dragged him out of the car.

"Tian, let get inside my home." Lin Xing Xue knew that she couldn't make him stay long with her tonight, but at least she wanted him to stay with her for thirty minutes, "You don't want to spend time with me anymore? I...I will let you do whatever you want tonight."

After saying that, Lin Xing Xue's face turned red. She couldn't believe what she just said. Just for the sake of being able to spend time with him, Lin Xing Xue said something like that to him.

'Did I really want to spend time with him? Why did I say something like this?'

Lin Xing Xue looked at Xiao Tian shyly. Because she said that she would let him do whatever he wanted, Lin Xing Xue was curious about his reaction. She wished to know if she could make him stay with her or not.

And when Lin Xing Xue saw a smile on his face, she was pleased because she knew that she had succeeded in making him stay with her longer.

Xiao Tian, who had no idea that Lin Xing Xue would say something like that, immediately carried her in princess style, "Really? You will let me do whatever I want?"

Even though Xiao Tian said that, but he only wanted to rest on her lap, nothing more. He was tired and needed to rest for a while.

While Lin Xing Xue, on the other hand, had a different thought. She thought he wanted to have sex with her again before going home, but because she said that she would let him do whatever he wanted, she couldn't take her words back and could only lower her head, "Yes. You....you can do...do whatever you want to...to me."

Xiao Tian didn't tease her when he saw her blushing face because his mind was too tired to tease her. He only wanted to immediately rest on her lap for several minutes before going home.

And when they were in the living room, Xiao Tian immediately put her on the couch. Without giving Lin Xing Xue time to move her body, Xiao Tian immediately placed his head on her lap and said, "Little Xue, let me rest for several minutes."

Lin Xing Xue was shocked by this. This was different from what she thought. Earlier, she thought Xiao Tian would bring her to her bedroom and immediately push her down, but she was wrong.

Not only did he not eat her, but he only placed his head in her lap while closing his eyes.

'It seems I'm overthinking about this.'

A soft smile spread across her face. Lin Xing Xue looked at him lovingly while rubbing his hair gently.

'He looks so tired. Better to let him sleep now.'

Usually Lin Xing Xue immediately changed her clothes after arriving home but when she saw his tired face, she decided to change her clothes later. Even though this was not what she wanted but in her view, spending time with him like this wasn't a bad idea too.

Because Xiao Tian was too tired, in less than a minute, he fell asleep.

'What? Has he fallen asleep? So fast!'

Lin Xing Xue was shocked when she noticed that Xiao Tian fell asleep. But she was pleased because it meant she could make him feel secure until he could sleep this fast.

'He even looks so handsome when he is sleeping. What a good-looking young man!'

Lin Xing Xue then turned on the TV and watched it with a deficient volume. Of course, she still rubbed his hair gently and sometimes looked at him, making sure that he was in a comfortable position.

Seconds turned into minutes, and minutes changed into an hour, but Xiao Tian still slept soundly on Lin Xing Xue's lap.

Xiao Tian suddenly opened his eyes and immediately sat upright. He looked at the clock, and when he knew that it was already 07:30 pm, his mind was suddenly in a mess.

His sudden action much surprised Lin Xing Xue. Earlier, he was sleeping deeply, but he suddenly woke up and sat upright. Not only that, but she also noticed that he had a worried face. She didn't know why he unexpectedly behaved like this. "Tian, what's wrong?"

"Little Xue, I have to go home right now" Xiao Tian rose from the couch and kissed her forehead.

"Alright. Be careful on the road," even though Lin Xing Xue wanted to know why Xiao Tian suddenly behaved like this, but she knew that it wasn't the right time to ask about it.

Xiao Tian immediately headed to his car, and when he was in the car, he mused, "Mother and aunt must be worried sick right now. I'm not too worried about aunt, but I'm sure right now, mother is...."

"I'm going to buy a bouquet of roses before going home. I hope I can reduce their worries with this" Xiao Tian turned on the engine and drove away. He then bought two bouquets of roses, one for his mother and the other for his aunt.

After buying two bouquets of roses, Xiao Tian immediately returned home. Even though he was worried, Xiao Tian still entered the house with a smile on his face.

And when he was in the living room, Xiao Tian said, "Mother, aunt, I'm home."

When Ye Xueyin heard her son's voice, she immediately rose from the sofa and turned around. And when she saw her son carrying bouquets of roses in both of his hands, tears suddenly appeared in her eyes. Even though she didn't see her son for only one day, but for her, it was like a year. For this reason, she suddenly cried when she saw her son.

Bracksh.....Bracksh...

The bouquets of roses fell to the floor when Xiao Tian saw tears in his mother's eyes. And what he feared the most finally happened.

Tears.... His mother's tears.

'It hurts. It hurts so much.'

Even though Xiao Tian was sad and felt like someone was stabbing his heart with a knife, but when he saw tears in his mother's eyes, his body suddenly gave him pain again, an extreme pain that was almost unbearable. It was the second time his body gave him pain, but this time, it was harrowing for him. He felt like someone was skinning him alive and burning him at the same time.

'I know that I made a mistake again, but please stop torturing me with this pain. I will not be able to stop her sadness if you keep giving me pain.'

He felt like his predecessor was torturing him for making his mother cry. With a worried face, he walked closer to his mother and said, "Mother, what's wrong? Why are you crying?"

Even though he had guessed that it was all his fault, but he still hoped that it was only his imagination.

"Tian, why did you just get back home?" Ye Xueyin was unable to hold back her sadness and tears immediately fell down her cheeks. "Mother misses you."

Xiao Tian quickly embraced his mother and bit his lower lips. Because he was still sad after seeing tears in his mother's eyes, he didn't know that blood was dripping from his lower lip.

Xiao Tian wanted to say 'sorry, I made a mistake again,' but he suddenly unable to say it. He felt like the words stuck in his throat, and his mind suddenly went blank. Usually, he could make a thousand excuses, but at that time, he was unable to think even a single excuse.

In the end, Xiao Tian didn't say a single word and only embraced his mother. He had no idea what was the best thing he had to do to his mother.

Chapter 149 - Please Don't Cry Anymore

9-12 minutes

"Tian...." Ye Xueyin embraced her son tighter as if she would lose her son if she didn't hug him tighter.

Xiao Tian then turned his head toward his aunt. He wanted to know how she felt, and when he noticed that she was sad too, Xiao Tian gritted his teeth.

'Just how many mistakes did I make in a day? I forgot my promise with Shi Fei and Yun Xin Er, and now mother and aunt are sad because of me too. Why is everything falling apart like this? Something like this had never happened before in my past life. Why did I fail to control everything? Where did I go wrong?'

Xiao Tian then realized that he wasn't a perfect person. Even though he had planned everything, but he was still unable to keep everything under his control.

Xiao Tian touched his mother's cheeks and looked into her eyes, "Mother, please stop crying."

Xiao Tian didn't know what to say except to ask his mother to stop crying. It was the first time for him to be helpless like this. Xiao Tian had no idea why his mind suddenly went blank the moment he saw tears in his mother's eyes. In the past, he could still be calm even when his woman was crying but his mind was suddenly in a mess when he saw his mother crying. He also didn't know whether it was because he loved his mother so much or because he took over Xiao Tian's body.

"Mother is not crying anymore" Ye Xueyin wiped the tears with her hands. "Tian..."

Xiao Tian was relieved when his mother stopped crying. He then carried his mother and placed her on the couch.

"Aunt, come here and let me hug you" Xiao Tian kissed his aunt's forehead before finally, he embraced her.

At this time, Ye Qingyu didn't say a single word and let her nephew do what he wanted. She wanted to tell him many things, but she allowed him to embrace her first before telling him his mistakes. Actually, she thought her nephew didn't make a grave mistake because he only didn't go home for a day.

In her view, Xiao Tian had made three mistakes. Firstly, he made her and her big sister worried. Secondly, he didn't give them any information about him from yesterday night. And thirdly, he didn't return in the morning. Even though he had to leave again, but at least he had to return in the morning to see them and spend time with them, even though it was only for five minutes.

Ye Qingyu suddenly realized that her nephew was still young. He was only nineteen years old, so it was normal for him to make a mistake like this, but still, Ye Qingyu wanted to tell him about his mistakes. She didn't want to give him a special privilege just because he was still young.

After several seconds, Xiao Tian stopped hugging his aunt. At this time, he was sitting between his mother and aunt; his mother was on his right side while his aunt was on his left side.

Ye Qingyu then began telling him what he had done wrong, and what he should have done. Even though Ye Qingyu was angry, but she could still hold herself back. That was why she could still explain everything calmly.

Xiao Tian was surprised by this. He thought his aunt would scold him or yell at him, but he was wrong. Xiao Tian even felt like his aunt wasn't angry at him but only talked normally to him.

At this time, Ye Xueyin only looked at her little sister who was telling her son about his mistakes. Although she didn't want her little sister to do that, Ye Xueyin realized that it was needed so that her son could become a better person.

Several minutes later, Ye Qingyu finished telling her nephew about his mistakes. Ye Qingyu was delighted when she learned that her nephew wasn't trying to defend himself and immediately admitted his mistakes. He even didn't say a single word when she blamed him for everything, making her feel guilty.

Xiao Tian then embraced them together and said, "I'm sorry."

"Tian, what did you do from yesterday night?" Ye Xueyin had tried her best not to ask this question to her son but her curiosity was too big for her to control. Even though she hoped that her son would tell her everything, but she wouldn't force him if he didn't want to say it.

Xiao Tian's mind was in a mess again. He didn't know how to answer his mother's question because he thought it wasn't the right time to tell her everything. Coupled with him who just made a mistake, he believed if he revealed everything, his aunt and mother would be furious, and he didn't know what would they do. Xiao Tian didn't want to take a risk because he was afraid that his mother and aunt would leave him later.

But because he has to give his mother an answer, Xiao Tian carefully chose his words "Mother, it's like this. Because I want to promote my clothing design on TV, I need to meet someone who can help me with this. That's why I met Yun Xin Er because she could help me in promoting my clothing designs."

"So Yesterday you met Miss Yun?" Ye Xueyin suddenly made a face like she was about to cry again, "Why does it have to be Miss Yun again?"

When Xiao Tian saw his mother was about to cry again, he was panicked again. Without thinking, he embraced his mother and placed her head on his chest, "No, no, no. Mother, please don't cry again. It can't be helped because she is the only one who can help me right now."

Ye Xueyin was delighted when her son suddenly embraced her again. She started to smirk when she learned that her son's weakness was her tears. She thought that in the future, she could make a fake cry as her trump card.

'If she had behaved like this just because I spent time with another woman, how could I tell her that I also have other women?'

When Xiao Tian saw his mother's behavior, it made him even afraid to tell her about Lin Xing Xue and Shi Fei. He was afraid, no, he was too scared to reveal everything to them.

"Are you in love with Miss Yun?" even though she had asked about this in the past but Ye Xueyin wanted to know his feeling toward Yun Xin Er again. She knew that in the past he had said that he hadn't fallen in love with Yun Xin Er but two months have passed since then, so Ye Xueyin wanted to know his feeling again.

"No. I'm not in love with her. Mother, please believe me. There is nothing going on between Yun Xin Er and me." Xiao Tian thought that his relationship with Yun Xin Er was only at the level of friends with benefits and he believed that he wasn't in love with her, at least not for now.

"Good!" Ye Xueyin was relieved after hearing his words. She had no idea why she felt that Yun Xin Er was a huge treat for her. Maybe because she knew that Yun Xin Er was a beautiful, young and successful person, that was why she felt that Yun Xin Er could steal her son from her.

"Mother, aunt, I want to take a shower first" Xiao Tian rose from the couch and kissed the forehead of his mother and aunt.

Ten minutes later, Xiao Tian finished taking a shower and returned to the living room. His mother and aunt were still watching TV, but this time, the sadness was no longer on their faces.

"Mother, aunt, let's head to the backyard" actually Xiao Tian wanted to bring his mother and aunt to a romantic place. But because it was already 08:00 pm, Xiao Tian decided to spend time at the backyard. From his point of view, spending time in the yard wasn't a bad idea too.

"Alright," Ye Xueyin and Ye Qingyu brought a mat, electric lamps and pillows. After they arranged everything, they laid down on the mat. At this moment, Ye Qingyu was on Xiao Tian's right side while Ye Xueyin was on his left side.

When Xiao Tian noticed his mother and aunt were staring at the sky, he opened his mouth as if he wanted to say something, but he suddenly closed his mouth again. Xiao Tian didn't know what should he say. His mind was still full of guilty, making him unable to say a single word.

When Ye Xueyin saw her son opening and closing his mouth repeatedly, she hugged his left hand and said, "Tian, I have forgiven you, so you don't need to feel guilty anymore."

"Yes. That's right." Ye Qingyu embraced his right hand too "Just remember your mistakes and don't do that again, and stop behaving like this. It's weird to see you being a quiet person like this."

"Tian, look at the sky! It's beautiful, isn't it? So, don't destroy this beautiful atmosphere with your attitude" Ye Xueyin then looked at the moon which was surrounded by stars, coupled with a gentle breeze, that night should be a perfect night for them. However, because Xiao Tian behaved strangely, that night became a boring night. For this reason, Ye Xueyin told her son not to feel guilty anymore.

"Mother, aunt, I love you two very much. Both of you are the most important person to me" Xiao Tian knew that he had said this many times, but at this time, he wanted them to know that they were the most important person in his heart. They meant the world to him, and he would do absolutely anything for them.

Ye Xueyin then looked at her son and said, "Yes. We know about it. You don't have to say it many times, just prove it."

"Yes, that's right. Even though we are pleased to hear it, but it's better to prove it rather than keep saying you love us the most." Ye Qingyu added.

Because he had said it many times, the words almost lost its meaning to them. What he needed was to prove it because words without action were meaningless.

I will try to become a better person from now on. Xiao Tian thought to himself

Xiao Tian then kissed the forehead of his mother and aunt. "Thank you. I will try my best to become a better person."

At that night, even though Xiao Tian still behaved strangely, but he tried to make the atmosphere enjoyable for his mother and aunt.

They were chatting for about two hours before finally, they slept in Xiao Tian's room.

Chapter 150 - Let This Big Sister Help You Unbutton Your Shirt

9-11 minutes

The next day in the morning, after he had breakfast with his mother and aunt, Xiao Tian travelled to his company. But after reaching his company, Xiao Tian was surprised because he saw his employees gathering in front of his company.

Xiao Tian, who saw that, was curious and immediately parked his car. Xiao Tian walked toward his employees and said, "What are you all doing here?"

"Little brother..." Yun Xin Er, who had a complicated face, was relieved when she heard Xiao Tian's voice.

'What? It's Yun Xin Er's voice! Did she come to my company?'

Because Yun Xin Er was surrounded by his employees, Xiao Tian couldn't see her face, but he could see hands that seemed to be asking for help.

"Alright everyone, please return to work" even though he was unable to see her face, but from her voice and the way she addresses him, Xiao Tian guessed that person was Yun Xin Er.

All the employees had no choice but to return to their work. They were happy to work under Xiao Tian, that was why they immediately followed his words. They also believed that they would meet Yun Xin Er again in the future.

And when all his employees returned to their work, Xiao Tian finally could see the woman's face. "Big sister Yun, what are you doing here?"

"Little brother, you promised to spend time with me today. Let's go now!" because she was looking forward to spending time with Xiao Tian, Yun Xin Er came to his company early. She just didn't expect that she would be surrounded by the employees when she arrived at Xiao Tian's company.

"What?" Xiao Tian said in surprise. Xiao Tian knew that he promised to spend time with her today, but he thought, it was too early to go out with her. He planned to work for at least an hour before meeting her.

Does she really want to spend time with me? Xiao Tian thought to himself

"Big sister Yun, I will change my clothes first" because he had promised to spend time with her for the entire day, Xiao Tian had no choice but to keep his promise immediately. Xiao Tian then headed to the bedroom, but to his surprise, Yun Xin Er followed him.

Xiao Tian stopped in front of his office and said, "Big sister Yun, you can wait in my office."

But when Xiao Tian was about to head to the bedroom, Yun Xin Er pulled his shirt.

Xiao Tian immediately stopped his footstep and turned around, "What is it, big sister Yun?"

"I want to see your bedroom." in the past when Xiao Tian took her around his company; he didn't bring her to his bedroom. Even though she knew that it was weird to ask this, but Yun Xin Er was curious about his bedroom in his company.

"But I want to change clothes in my bedroom" Xiao Tian was surprised when he knew that she wanted to see his bedroom. Xiao Tian then started to smirk and brought his face closer to her left ear, "Big sister Yun, don't tell me, you want to see me naked."

Yun Xin Er touched her lips with her right index finger as if she was thinking about something important, "Oh, that's not a bad idea! In the past, this big sister had seen your upper body, now let this big sister see your naked body."

'Hehehe. Little brother, you want to tease me again? Wait and see for what I will do to you later. Hehehe'

Yun Xin Er thought Xiao Tian tried to tease her again. With this on her mind, she decided to tease him back. She was the older one here, so she didn't want to lose to him.

"Big sister Yun, you want to see my naked body? Fine. I will let you see my naked body" Xiao Tian was surprised after hearing her words. Xiao Tian guessed Yun Xin Er would hit him while blushing, but he was wrong. However, because he decided to tease her, Xiao Tian brought her to his bedroom.

"Oh! It's a normal bedroom, nothing special." when Yun Xin Er saw a bed, wardrobe and mirror, a hint of disappointment showed in her eyes. But her eyes suddenly shone as if she thought of something exciting.

"What are you doing, big sister Yun?" the corner of Xiao Tian's lips twitched when he saw Yun Xin Er looking under the bed.

"The secret of a young man" Yun Xin Er use the flashlight on her smartphone to see if there were any special items such as porn magazines under the bed. But when she found nothing, she was a little disappointed. However, she didn't give up and immediately searched again.

"I don't have anything like that." Xiao Tian understood what she meant by the secret of a young man. But because Xiao Tian didn't have porn magazines, he let her do as she wanted.

'You will not find anything because I don't have porn magazines. Why should I buy something like that when I can have sex whenever I want?'

Xiao Tian then opened the wardrobe to choose clothes. "Do you really want to see me change my clothes?"

Because Yun Xin Er found nothing, she walked closer to Xiao Tian and said, "Yes. This big sister wants to see your naked body."

Yun Xin Er guessed Xiao Tian would not dare to change in front of her. At this time, she covered her mouth and giggled because she thought she won a battle with Xiao Tian.

After placing a T-shirt, jacket and jeans on the bed, Xiao Tian began taking off his shirt. As he was unbuttoning his shirt slowly, Xiao Tian looked into her eyes. He wanted to know whether Yun Xin Er would stay or not.

To his surprise, not only did Yun Xin Er not come out of the bedroom, she even stared at him intently. Her gaze was focused on his hands which was unbuttoning his shirt, or rather, on his chest. Even though she had seen his upper body once, but she still couldn't take her eyes off his chest.

Xiao Tian started to smirk and suddenly stopped unbuttoning his shirt. "Big sister Yun, is my body so attractive that it makes you forget to blink?"

"Little brother, why did you stop undoing your shirt?" Yun Xin Er suddenly started unbuttoning his shirt "Let this big sister help you unbutton your shirt."

Xiao Tian was surprised by this. Not only did she not blushing, she even began unbuttoning his shirt. Because Xiao Tian was still shocked, he did nothing when Yun Xin Er unbuttoned his shirt. He only looked at her face and her hands repeatedly.

"Wow! Little brother, your body is so attractive" after taking off his shirt, Yun Xin Er touched his shoulders with her right index finger before working her way down his stomach.

"Big sister Yun, it seems you still like my body. I had no idea that you dared to take off my shirt" Xiao Tian grabbed her waist and pulled her toward him until their bodies pressed against each other. He then touched her chin and raised her head, "Are you going to take off my trousers too?"

"Sure. If you want me to, I will gladly take off your trousers too. You should feel lucky because this beautiful and famous lady will help you to take off your trousers. Hehe" actually, Yun Xin Er only pretended to be brave. Even though she had no problem removing his shirt, looking at his upper body or touching it, but for her, taking off his trousers was a different matter.

However, because she had chosen to pretend to be brave, Yun Xin Er had no choice but to keep teasing him. It would be embarrassing if she decided to step down now. It would hurt her pride. For this reason, Yun Xin Er chose to continue teasing him even though she knew that it was hazardous to tease him right now.

"Here. Please help me take off my trousers" Xiao Tian placed her hands on the waistband of his trousers. He wanted to know whether she would take off his pants or not.

Yun Xin Er suddenly felt her blood freeze. She had no idea that Xiao Tian would really ask her to take off his trousers. Actually, she hoped that Xiao Tian pushed her away because she didn't dare to take off his trousers.

When Xiao Tian noticed that Yun Xin Er didn't move her hands and only stood still like a statue, he was happy because what he had guessed was right. "Why are you still not taking off my trousers? Didn't you say you wanted to go out with me immediately?"

Yun Xin Er was unhappy and wanted to take off his trousers. However, because she had never taken off a man's pants before, her hands remained still without moving even an inch as if she didn't have a strength to move her hands.

Xiao Tian then took a step forward, and Yun Xin Er immediately took a step backwards. Xiao Tian took another step forward, but this time, when Yun Xin Er walked back, she fell to the bed.

Xiao Tian then lowered his body until he was on top of her. Xiao Tian then touched her right cheek with his left hand and said, "Do you still want to help me take off my trousers?"

Yun Xin Er didn't answer him and only looked at his black eyes. She was shocked when he knew that Xiao Tian was on top of her. For this reason, she said nothing and forgot to ask him to move his body. And not only that, when she felt his body, Yun Xin Er suddenly wanted to embrace him tightly.

"Why are you not saying a single word?" Xiao Tian brought his face closer to her face until their noses touched each other.

At this time, their eyes were locked as if they wanted to see into the other's mind. After looking into each other's eyes and feeling their hot breath for several seconds, they unconsciously opened their mouth, ready to kiss anytime.
