### Chapter 171 - I Have To Teach Him A Lesson

After getting out of the Autumn Restaurant, they began to look for another restaurant. But when they were looking for a restaurant, Lin Xing Xue suddenly wanted him to drive her home.

This was much surprised him. Because Xiao Tian knew that Lin Xing Xue wouldn't eat anything with the sadness in her heart, Xiao Tian decided to buy a portion of healthy food for her.

Once again, Xiao Tian felt sad when he realized that he couldn't cook because, in his view, this was the perfect time to cook for his lover.

However, because he was unable to cook any food, he could only sigh and buy the food from a restaurant. After purchasing the food and driving for several minutes, they finally arrived at Lin Xing Xue's home.

When Lin Xing Xue remained to sit in the passenger seat with an empty gaze, Xiao Tian knew that she was thinking about her daughter. "Little Xue, we have arrived at your home."

Lin Xing Xue came to her senses after hearing his words. "Ah? Oh!"

Then Lin Xing Xue got out of the car and immediately entered her home without saying a single word to Xiao Tian.

Xiao Tian didn't blame her when she completely forgot about him because he knew that her mind was a mess right now.

Then Xiao Tian got out of the car and entered her house too. When he was in the living room, Xiao Tian saw Lin Xing Xue sitting on the couch while holding her daughter's photo and looking at it.

Xiao Tian immediately headed to the kitchen because he wanted to prepare the meal for her. After a brief moment, Xiao Tian returned to the living room with a portion of healthy food and water in his hands.

After putting the food and water on the table, Xiao Tian turned on the TV, hoping that it could reduce the sadness in her heart.

"Little Xue, eat first," Xiao Tian said as he tried to feed her the food.

Lin Xing Xue stared at Xiao Tian for about three seconds before finally, she rejected it, "I don't want to eat,"

Xiao Tian had guessed that she would say something like this, but he didn't give up because she needed to eat, "You can't do this, little Xue. I know you're sad, but you need to eat. A little bit is fine too. at least, don't let your stomach empty."

Lin Xing Xue still ignored him and kept looking at her daughter's photo.

Using his left hand, Xiao Tian touched her cheeks and said softly, "Little Xue, you should eat first after that you can look at the photo of your daughter again. You want to take your daughter back, right? So

why are you like this? Instead of behaving like this, you should think about how to take your daughter back."

After hearing his words, Lin Xing Xue came to her senses and looked at him. She then realized what he said was right. There was no point in being sad at this time because the most important thing she needed to do was to think about how to get her daughter back.

Because it was the first time for her to meet her daughter again in a few years, she was despondent when she could only talk to her daughter for only about five minutes.

Lin Xing Xue then knew that she behaved immaturely, and she even ignored him earlier. When she realized this, she suddenly felt glad that Xiao Tian wasn't angry or complaining at her; he even still accompanied her.

Xiao Tian was pleased when she realized that continuing to feel sad was not the right choice.

But Lin Xing Xue suddenly felt sad again when she remembered that the money in her bank account was still not enough to take her daughter back.

In the past, she had an agreement with her ex-husband that if she wanted to take her daughter back, she must have money at least 500,000 Yuan in her bank account.

And the money in her bank account right now was around 420,000 Yuan. Lin Xing Xue then began to think about how to get 80,000 Yuan in a short time because she wanted to take her daughter back as soon as possible.

'What should I do? Where should I get 80,000 Yuan in a short time? I have sold all the inheritance from my late parents, so I don't have anything to sell anymore.'

Lin Xing Xue then looked at Xiao Tian intently. An idea to borrow money from Xiao Tian suddenly arose in her mind, but she didn't have the courage to say it.

Lin Xing Xue didn't want him to think that she had a relationship with him just because she wanted his money. She suddenly remembered her good friend Shi Fei. For this reason, Lin Xing Xue decided that she would talk to Shi Fei about this tomorrow.

When Xiao Tian noticed the complicated on her face, he was dumbfounded. "Little Xue, what's wrong?"

"Mm. Nothing" because Lin Xing Xue needed to stay healthy so that she could take her daughter back, Lin Xing Xue grabbed the plate on Xiao Tian's hands and began to eat the food.

Even though Xiao Tian wanted to feed her, but when he saw her eating the food, Xiao Tian didn't say a single word and only looked at her.

After a brief moment, Lin Xing Xue finished eating the food. She then placed the plate on the table and said, "Tian, I'm sorry for ignoring you earlier."

"It's fine." Xiao Tian cupped her face and looked at her, lovingly, "You don't need to feel sorry for that."

"Thank you, Tian" Lin Xing Xue was glad that her lover was very understanding because, in the past, all of her exes were angry when she suddenly ignored them. She was relieved that Xiao Tian was different from them.

Then, they talked for about two hours before finally, Xiao Tian went home.

After entering his home and locking the door, Xiao Tian headed to the living room. But when Xiao Tian was in the living room, he didn't see his mother and aunt. This made Xiao Tian curious because usually, his mother and aunt always watched TV in the living room every time he got home.

With curiosity, Xiao Tian walked toward their room, and when he saw that they were sleeping, Xiao Tian decided to head to his bedroom because he didn't want to wake them.

After entering his room and changing his clothes, Xiao Tian laid down on the bed.

'That Feng Ao dared to humiliate my lover so I have to teach him a lesson. First, I need the information about Feng Ao, so it will be easier for me to teach him a lesson.'

With this on his mind, Xiao Tian decided to meet Zhao Sheng tomorrow because he was sure that Zhao Sheng could help him get all the information about Feng Ao.

Then Xiao Tian decided to sleep early because he didn't want to spend all day napping like again.

-----

The next day in the morning, after he had breakfast with his aunt and mother, Xiao Tian immediately traveled to his university.

And like yesterday, several girls looked at him or praised him when they saw him, but this time, he failed to avoid them, making them surround him for several minutes.

After telling them that he had a class to attend, Xiao Tian was finally able to escape from his fans. And without waiting for another second, he looked for Zhao Sheng.

At this time, Xiao Tian was annoyed because he didn't have Zhao Sheng's phone number. For this reason, he looked for Zhao Sheng for about two hours, but still, Zhao Sheng was nowhere to be found.

With a hint of annoyance that could be seen on his face, Xiao Tian walked towards the university gardens.

And when he was relaxing in the university gardens, Zhao Sheng mystically appeared in front of him. This made Xiao Tian angry and wanted to curse Zhao Sheng, but he knew that he shouldn't do that because he needed Zhao Sheng's help.

"Yo, Xiao Tian, you're here again? Did you skip class again?" Zhao Sheng sat on the wooden bench and behaved as if he was royalty.

'Fuck you! I was looking for you for about two hours earlier, and here, you are behaving as if you're an important person.'

Xiao Tian wanted to vent his anger the moment he saw Zhao Sheng sat on the wooden bench, but he tried his best to hold back, "No. I don't have a class now. What about you?"

"Me too" because Zhao Sheng still had no friends except Xiao Tian, he rushed to the university gardens because he wanted to meet Xiao Tian. Luckily Xiao Tian was in the same place as they met yesterday; if not, he didn't know where to find Xiao Tian because he didn't have Xiao Tian's phone number "Xiao Tian, give me your number."

"Fine" Xiao Tian agreed without thinking twice because he actually wanted to ask Zhao Sheng's number too. "Zhao Sheng, how about we have brunch right now? It's on me."

"What?" Zhao Sheng was shocked after hearing his words. Usually he was the one who always invited Xiao Tian to something, and never vice versa. This made Zhao Sheng stunned for about two seconds before finally he realized that Xiao Tian needed something from him. "Say, Xiao Tian, you need something from me, right? Why don't you tell me right now? Don't worry; I will help you because we're friends."

"Not here. Let's head to the canteen now. We can eat while talking later" actually, Xiao Tian wanted to get to the point, but he knew that it would be impolite because they were still not close enough, so at least, Xiao Tian wanted to treat him to a meal before asking for help from him.

"Alright," Zhao Sheng nodded his head.

## **Chapter 172 - Liu Ning**

9-11 minutes

---

Not long after that, they arrived at the campus canteen. And after paying for the food and drinks, they headed to the empty chairs.

Of course Xiao Tian and Zhao Sheng chose the place with fewer people because they wanted to talk about something serious.

"So, what kind of help do you need from me?" Zhao Sheng, who was sitting on the opposite of Xiao Tian, asked curiously.

Zhao Sheng still hadn't eaten his food because he wanted to know what kind of problems Xiao Tian was facing until Xiao Tian needed his help.

"Can you give me all the information about Feng Ao?" Xiao Tian went to the point. "Especially his wife?"

"His wife?" Zhao Sheng said in surprise. "What is this? Are you interested in his wife?"

"Actually, I'm not interested in his wife, but ..." Xiao Tian spoke and paused for a second before he continued, "I just want to teach Feng Ao a lesson through his wife. After that, hehe.."

"Haha. Interesting, interesting. Did he make trouble with your company?" Zhao Sheng wanted to know why Xiao Tian suddenly desired to give Feng Ao a lesson.

"No" at this time, Xiao Tian wavered whether he should tell Zhao Sheng everything or not. But after thinking that Zhao Sheng would eventually find out too, Xiao Tian chose to tell Zhao Sheng everything.

"So, it's like that." Zhao Sheng commented after Xiao Tian finished telling everything to him.

"Yes. That's why I want you to give me all the information about Feng Ao and his wife" Xiao Tian was pleased when he knew that Zhao Sheng would help him. Xiao Tian then decided that he would help Zhao Shen too in the future because he didn't like being indebted.

Suddenly an exciting idea emerged in Zhao Sheng's mind. With this on his mind, he said brightly, "Xiao Tian, let me take part in your plan."

At this time, Xiao Tian didn't know what to say to him. This was different from what he had planned before. However, because Zhao Sheng wanted to help him, Xiao Tian decided to let Zhao Sheng take part in his plan.

"Well, my original idea only requires me so if you want to take part in this game, I need to think for another plan" Xiao Tian then thought of another plan, and after several seconds, he finally found a good idea for them "Come here, let me tell you the plan."

Xiao Tian then whispered his plan to Zhao Sheng.

Even though Zhao Sheng didn't have many parts in Xiao Tian's plan, but Zhao Sheng still agreed to it. "I will give the information to you tomorrow morning at the university gardens."

After they finished eating, they talked for about half an hour before finally, they left because they still had classes.

By the time Xiao Tian finished all classes, it was already 05:00 pm. For this reason, Xiao Tian went straight home.

And like what he had guessed before, nobody was at home when he arrived. But this time, Xiao Tian didn't feel bored because he was perfecting his plan and, of course, also making a backup plan. He even drew up his plans step by step. After he thought that his plan was flawless, Xiao Tian took a shower.

As Xiao Tian was taking a bath, Ye Xueyin and Ye Qingyu entered the home.

"Eh! Where is Tian?" when Ye Xueyin didn't see her son in the living room, she quickly headed to his room. "He is not here too,"

"Big sister, he is taking a shower" Ye Qingyu knew this because when she was about to use the bathroom, she heard someone taking a bath.

"Oh! So, that's why he is not in his room or living room." actually, she desired to act lovey-dovey with her son earlier, but because he was taking a shower, Ye Xueyin decided to cook dinner.

After taking a bath and changing his clothes, Xiao Tian headed to the kitchen because he heard someone was cooking food there.

As soon as Xiao Tian entered the kitchen, he kissed his aunt's cheeks before hugging his mother from behind, "Wow, it looks tasty."

When Xiao Tian embraced her, Ye Xueyin stopped cooking for several seconds. She then turned around and gave a peck on his lips, "Hehe."

When his mother was still hugging him even after fifteen seconds, Xiao Tian immediately said, "Mother, you should stop embracing me and continue to cook...or do you want me to cook in your place?"

"NO!" Ye Xueyin shouted and stopped hugging her son. Although she was pleased by his good intention, she knew that if he were the one who cooked the food, it would taste bad again like in the past.

The corner of Xiao Tian's lips twitched when his mother rejected it.

'Mother, I know that I'm bad at cooking food, but you don't need to be like that. You're hurting my heart, you know?'

Xiao Tian thought that his mother was overreacting, but he couldn't defend himself because he knew that he was terrible at cooking food.

Because Xiao Tian didn't want to disturb his mother and aunt anymore, he headed to the living room to watch TV.

Thirty minutes later, Ye Qingyu and Ye Xueyin finished cooking dinner.

When Xiao Tian knew that his mother and aunt had finished cooking the food, he headed to the dining room with a smile on his face.

However, the smile was frozen on his face when his mother said that he had to wait for them to finish bathing first before he could eat because she wanted to eat together like they usually did.

Xiao Tian was unable to do anything and returned to the living room to watch TV. But when his mother and aunt still hasn't finished taking a bath even though they had been in the bathroom for about 45 minutes, Xiao Tian felt like crying.

Finally, after waiting for another ten minutes, they finished taking a bath. And when Ye Qingyu and Ye Xueyin came out of their room, Xiao Tian immediately rose from the couch with a smile on his face.

Ye Qingyu and Ye Xueyin had no idea as to why he suddenly smiled like that. But they immediately thought that he was pleased because they could eat together again.

After dinner, they did the shake-shake-ah-ah thing for several minutes before finally, they fell asleep. And not only that, the next day in the morning, they also did immoral things before they stopped because Xiao Tian needed to go to campus.

This time, Xiao Tian didn't eat breakfast and went straight to his university. After he finished his morning class, Xiao Tian traveled to the university gardens.

Ten minutes later, Zhao Sheng came with all the data about Feng Ao and his wife.

Xiao Tian was pleased by this. And because Xiao Tian wanted to start with Feng Ao's wife first, he immediately read all the information about her.

'Wow, she is pretty and....what? She is still twenty-five years old?! This Feng Ao is good at picking a woman.'

Xiao Tian was a little startled when he knew that Feng Ao's wife was still twenty-five years old.

'Her name is Liu Ning and married with Feng Ao three years ago. Until now, God still hasn't given them a child. I suddenly feel sorry for them. Forget it, forget it. I need to focus on this first.'

Because Xiao Tian didn't have class any more, he immediately went to the place where Liu Ning regularly visited.

And like what the information Zhao Sheng had given to him, Liu Ning was eating at the Sea Restaurant. After waiting for about half an hour, Liu Ning finally finished eating and came out of the Sea Restaurant.

'It's her.'

Xiao Tian quickly stood up and looked at the tall woman who wore a red dress.

She had fair skin, long legs, and an elegant figure. It wasn't an exaggeration to say that she was exquisite yet elegant.

Her black hair cascaded down her shoulder like a waterfall, and her blue eyes were as deep as the sea, making anyone who saw her beautiful eyes would sink in it immediately. She only had light makeup, yet it seemed as if her face was elaborately drawn by a world-class artist.

'As expected, there are still many beautiful women in this world.'

Xiao Tian then began stalking her. Several seconds later, Xiao Tian saw two thugs walking closer toward Liu Ning. At this time, Xiao Tian still did nothing because he wanted to know what Liu Ning would do.

"Hehe. Brother Hu, this woman is attractive," the green-haired thug spoke after he was in front of Liu Ning.

"You're right, brother Zong. She is gorgeous" Hu agreed with his brother that Liu Ning was indeed a fine lady, "Woman, do you want to come with us? Don't worry, this big brother here has a lot of money. Isn't that right, brother Zong?"

"That's right, brother. Lady, what are you waiting for?" Zong then grabbed Liu Ning's right hand "Let's find a good place and enjoy ourselves there. Haha"

"Let go of me," Liu Ning tried to free herself, but because of the difference of strength, she failed to do so. Without thinking twice, she slapped Zong's face.

Her action made Zong furious. He didn't expect that Liu Ning dared to slap him. This not only made him angry but also annoyed. For this reason, he raised his right hand, ready to hit her back.

When Liu Ning saw that Zong wanted to slap her, she only closed her eyes because she was unable to avoid it.

But when she noticed that nothing had happened to her, she immediately opened her eyes.

While grabbing Zong's right hand, Xiao Tian smiled and said, "Lady, are you alright?"

### **Chapter 173 - First Step Works Smoothly**

9-11 minutes

---

While grabbing Zong's right arm, Xiao Tian smiled and said, "Lady, are you alright?"

'Isn't he...'

Liu Ning was startled when he saw Xiao Tian in front of her. Because she was in a state of shock, Liu Ning forgot to answer his question.

When Xiao Tian noticed that Zong was still grabbing Liu Ning's arms, he let go of Zong's arms and immediately freed her. With a coldness in his eyes, Xiao Tian said, "Leave or you will regret it later!"

"Regret? Hahaha" Zong and Hu laughed loudly

"Kid, you should mind your own business. Don't disturb us, or we will send you to the hospital!" Zong was unhappy when Xiao Tian wanted to pretend to be like a hero who saves beauty.

"Are you two strong enough to do that?" Xiao Tian said as he smiled coldly. "What are you waiting for? Come and get me."

Zong and Hu didn't like his response and clenched their fists. As they clenched their fists, their eyes were filled with a flame of fury, and without waiting for another second, Zong threw out his fist toward Xiao Tian's face.

Xiao Tian, who was experienced in fighting, avoided Zong's fist easily. At that moment, Xiao Tian did not only dodge but also counterattacked.

Zong, who didn't expect that Xiao Tian could counterattack, was unable to do anything when Xiao Tian threw out his fist toward his nose.

AUKK...

Zong fell to the ground with blood in his nose.

Hu had no idea that Xiao Tian was able to defend himself. And from what he saw, he knew that Xiao Tian was a person with a lot of experience in fighting.

But of course, Hu did not remain silent when he saw his brother lying down on the ground with blood in his nose.

Hu quickly moved behind Xiao Tian and raised his right leg to kick the right side of Xiao Tian's head. Thinking that Xiao Tian wouldn't be able to avoid his kick, a smile of victory arose on his face.

However, the smile was frozen on Hu's face when Xiao Tian caught Hu's kick with his left hand without looking at Hu. Hu was greatly surprised by this. Hu didn't expect that Xiao Tian could still defend himself even when he was attacked suddenly from behind.

While still holding Hu's legs, Xiao Tian turned his head toward Hu and smiled evilly "Good move! But it's still not enough."

At this time, Liu Ning was looking at them from a distance of six meters. She was happy when she knew that Xiao Tian had the upper hand against the thugs. She just didn't expect that the young man, who was famous recently, turned out to be an expert in a fight.

Xiao Tian then let go of Hu's legs and walked closer toward Hu with a scary face.

Seeing Xiao Tian's face, Hu suddenly felt terror in his heart, but he kept thinking that he could defeat Xiao Tian. With this on his mind, Hu raised his right arm and threw out his fist toward Xiao Tian's epigastrium.

As if Xiao Tian had guessed that Hu would attack his epigastrium, he dodged Hu's fist by moving to the right.

As soon as Xiao Tian avoided Hu's fist, he threw out a low kick toward Hu's right leg, making Hu fall on his knees. Without giving Hu a chance to get up and fight back, Xiao Tian threw another kick, but this time, his kick was aimed at Hu's head.

Luckily Hu could protect his head with his arms quickly; if not, he was sure that he would pass out. However, even though he succeeded in defending himself, Hu still felt dizzy.

Thinking that they wouldn't be able to win the fight, Hu stared at Zong. And as if they were communicating through their eyes, they nodded their faces and ran away.

Seeing this, Xiao Tian turned around. His scary expression earlier immediately turned soft when he looked at Liu Ning, "Are you alright, lady?"

Liu Ning rushed toward Xiao Tian and responded, "Thank you."

"Un. Next time, don't try to fight thugs alone because something bad can happen to you. Alright, because you're fine now, I will leave first." Xiao Tian said as he smiled charmingly. And after making sure that she was fine, Xiao Tian walked away without looking back.

The reason Xiao Tian left without asking for her name or trying to seduce her was that he wanted to make her curious about him.

Xiao Tian believed that if she were curious about him, she would keep thinking about him, and the next time they met, she would be happy and try to get to know him more.

"Wait. You're Xiao —"but before Liu Ning had finished her words, Xiao Tian was already far away from her.

'Tian, right?'

Liu Ning finished the words that she couldn't finish earlier.

Thank you for saving me, Xiao Tian. Liu Ning thought to herself

-----

Somewhere near the old building, three people were talking about something. One of them was a young man around nineteen years old, and the other two were an adult around twenty-three years old.

"Young friend, you hit me too hard earlier! Look! It's still bleeding" Zong showed his bleeding nose to Xiao Tian.

"Haha. Sorry about that. But because you two acted perfectly and I also hurt you, I've added the money as a compensation" Xiao Tian then gave an envelope containing money to them.

Actually, they still wanted to complain to Xiao Tian because it wasn't like in the scenario. However, when they saw a lot of money in the envelope, they suddenly forgot about it.

"Haha. It's fine, it's fine. This is just a small wound. "Zong said happily. He then turned his head toward his brother and continued, "Brother Hu, let's get drunk tonight."

"Yes, yes." Hu's eyes starred when he saw the money inside the envelope.

Seeing this, Xiao Tian could only smile, "Alright, I'm leaving."

"Come and find us again if you need something in the future," Hu and Zong said in unison.

"Alright," Xiao Tian nodded his head before leaving.

Hehe. With this, the first step works smoothly. Xiao Tian thought to himself.

Because he had nothing to do anymore, Xiao Tian decided to go home.

'Wait. I'm going to buy food and beverages first.'

Xiao Tian then got into his car and drove away.

-----

After buying food and drinks, Xiao Tian went straight home. Because it was already 06:00 pm, Xiao Tian believed that his mother and aunt were at home.

"Mother, aunt, I'm home" with food and beverages in his hands, Xiao Tian entered the living room with a cheerful smile on his face.

And like she usually did, when Ye Xueyin heard her son's voice, she rose from the couch and ran toward her son without knowing that he was carrying food and drinks.

"Wait, mother, not now. Don't do that" Xiao Tian, who saw his mother running toward him, said worriedly. He was afraid that his mother would fall if she jumped on him because, at that time, Xiao Tian was carrying food and beverages in both hands.

However, because Ye Xueyin didn't realize that, she still jumped on him.

Her action much worried him. But because Xiao Tian didn't want his mother to fall and hurt herself, Xiao Tian chose to let go of the food and drinks and caught his mother, so that she wouldn't fall to the floor.

Crash....crash....shatter....

The sound of broken glass bottles echoed in the living room.

Hearing this, Ye Qingyu, who was watching TV, turned her head and said, "What is that sound?"

This time, Ye Xueyin just realized that her son was carrying food and beverages earlier. With a guilty face, Ye Xueyin said sadly, "Tian, I'm sorry."

At this time, Xiao Tian didn't scold his mother and only smiled, "It's fine. As long as you're fine, everything is good. It's just food and drinks. I can repurchase it later."

Even though her son didn't blame her, Ye Xueyin still felt guilty. Ye Xueyin then released her arms from Xiao Tian's shoulders and squatted down to see the food and drinks.

And at the same time, Ye Qingyu rose from her seat and approached them to see the food and drinks too. "We can still eat the food, but for the drinks....."

Because the broken glass bottles spilled water on the plastic, they couldn't drink it anymore. Seeing this, Xiao Tian grabbed the plastic and said, "Let me throw this to the trash can first. After that, I will buy food and beverages again."

But when Xiao Tian was about to head to the trash can, Ye Qingyu said, "You don't need to repurchase food because we can still eat it. Just go and buy drinks."

"Alright," Xiao Tian then headed to the trash can. After that, Xiao Tian went out to rebuy drinks.

When Ye Qingyu saw the guilty expression on her big sister's face, she touched her big sister's shoulders and said, "It's fine big sister. Tian is repurchasing drinks right now, so let's prepare the food first."

"Un" Ye Xueyin nodded her head.

Several minutes later, Xiao Tian arrived at home again. But this time, when he was in the living room, his mother didn't jump on him.

When Xiao Tian noticed the guilty expression on his mother's face, he kissed his mother's forehead and said, "It's fine, mother. You don't need to think about it anymore. Look! I've repurchased drinks."

Ye Xueyin's face broke into a smile after hearing her son's words. She then realized how caring her son was. Not only did he treat her gently, but he never blamed her or angry at her too. Ye Xueyin suddenly felt happy because she succeeded in raising a good son.

After putting the drinks on the table, Xiao Tian said, "Let me take a shower first. After that, let's have a small party in the backyard."

"Alright," Ye Xueyin and Ye Qingyu said in unison.

### **Chapter 174 - As Long As I Can Embrace You, I Will Sacrifice Everything**

8-10 minutes

---

After ten minutes, Xiao Tian finished taking a shower and changing his clothes. He then headed to the living room to see his mother and aunt.

When Xiao Tian saw the food had been prepared on the plates, he immediately looked for the mat, pillows, and electric lamps.

And after Xiao Tian arranged everything, he returned to the living room to help his aunt and mother bring the food and drinks to the backyard.

They immediately put the meals and beverages on the mat, and when everything was ready, Xiao Tian said happily, "Let's eat."

"Un" Ye Xueyin and Ye Qingyu nodded their heads.

Previously, Xiao Tian bought pizza, salt and pepper crab, grilled chicken meat, and white wine, so their mouths were watering when they saw the tasty food in front of them.

Then, Ye Qingyu and Ye Xueyin started it with eating salt and pepper crab while, as for Xiao Tian, he started it with pizza because today he really wanted to eat pizza.

'As I thought, pizza is the best'

Xiao Tian was eating pizza cheerfully as if it was the first time for him to eat a delicious meal.

Seeing this, Ye Xueyin stopped eating salt and pepper crab. Even though she knew that pizza was tasty, but she didn't know why when she saw her son consuming pizza, it seemed like pizza was the most delicious food in the world.

Ye Xueyin then wanted to take the pizza and eat it, but suddenly an interesting idea came into her mind. Without waiting for another second, Ye Xueyin sat next to her son and immediately ate the pizza, which was in his right hand.

Ye Xueyin's action much surprised him. Xiao Tian didn't expect that his mother would do something like that. "How is it, mother? Is it tasty?"

"Un" while still eating pizza, Ye Xueyin nodded her head.

Xiao Tian stopped eating pizza and looked at his mother. Suddenly his eyes sparkled when he found a way to tease his mother.

With this on his mind, Xiao Tian placed half of the pizza on his mouth and patted his mother's left arm, signaling her to eat the other side of pizza.

Even though Xiao Tian didn't say anything and only tapped her arms, Ye Xueyin understood what he wanted.

After Ye Xueyin swallowed the pizza she had eaten before, she began consuming the pizza, which was on Xiao Tian's mouth.

Xiao Tian had guessed that his mother would eat it because since she had become his lover, she was very rarely embarrassed when they did something which only lovers would do.

As they were eating, little by little, their mouth getting closer, but they showed no sign of stopping. And finally, after a few seconds, their lips met.

At this time, they still did nothing and only stared at each other's eyes. However, it only lasted for about five seconds before finally, they began to open their mouths and be ready for passionate kisses.

What happened next surprised him a little because when he was about to put his tongue in her mouth, Xiao Tian suddenly felt something soft entering his mouth. Of course, Xiao Tian welcomed it with his tongue happily.

Ye Qingyu, who saw her big sister and nephew kissing intensely, did nothing and continued eating because she had guessed that something like that would happen to them.

In the past, Ye Qingyu was shy when she saw her big sister and nephew kissing passionately in front of her, but because they often did that, it had become a common thing in her beautiful eyes.

As Xiao Tian and Ye Xueyin were kissing intensely, they didn't care about eating anymore. They just kept kissing for several seconds before finally, Ye Xueyin broke the kiss.

"Huft..hhff...huft....hhff" even though Ye Xueyin broke the kiss, but their faces were still close together, allowing them to feel each other's hot breaths.

While locking her eyes on his black eyes, Ye Xueyin cupped his face and slowly pushed him down, causing Xiao Tian fall on his back.

However, before Xiao Tian fell to the ground, Ye Xueyin kissed his lips again. Ye Xueyin, who was now on top of Xiao Tian, put her tongue into his mouth again, which was welcomed by Xiao Tian's tongue.

As they were kissing passionately, Xiao Tian placed his hands on his mother's ass and began squeezing it.

His action surprised Ye Xueyin a little, but it only lasted for two seconds before she focused herself on kissing him again.

Because his mother was wearing a house dress, Xiao Tian could feel the tenderness of her buttocks on his hands. Xiao Tian kept squeezing his mother's ass until finally, his action made her stop the kiss.

At this time, Ye Xueyin didn't kiss her son again; instead, she leaned her head on his chest while letting out a soft moan.

Xiao Tian only stopped what he was doing when he heard a sound coming out of his mother's stomach. With a smile on his face, Xiao Tian said, "Hehe, let's eat again."

Hearing his words, Ye Xueyin sat upright and began to devour the food again.

Because Xiao Tian still wanted to act lovey-dovey, he got up and sat behind his aunt. Without waiting for another second, Xiao Tian placed his arms around his aunt's waist.

Ye Qingyu did nothing when her nephew hugged her because she was used to being embraced by him like that.

While leaning his head on his aunt's right shoulder, Xiao Tian suddenly wanted to eat again. "Aunt, I'm hungry."

Upon hearing her nephew's words, Ye Qingyu stopped consuming the food because she knew that he wanted her to feed him.

Due to this reason, Ye Qingyu fed him the pizza in her right hand without looking at him, "Here, eat this"

Even though Ye Qingyu had eaten half of it, Xiao Tian still ate it happily. While chewing the food, he placed his head on her right shoulder again.

Several seconds later, Ye Qingyu stopped consuming the food and said, "I'm full. I can't eat anymore."

Due to him still feeling hungry, Xiao Tian took the pizza and began eating it while, of course, still hugging his aunt with his left arm. "If only I can embrace you like this forever, I will be happy every day."

Ye Qingyu then giggled and covered her mouth, "But if you hug me forever, you will not be able to work anymore."

"Well, I'm fine with it. As long as I can embrace you, I will sacrifice everything" of course at this time, Xiao Tian used his sweet words again because it was a perfect moment to use it.

Using her left hand, Ye Qingyu pinched his cheeks and smiled, "How could you become like this? In the past, you're a shy person. You even always blushed whenever I teased you."

"I can become a shy person if you want" Xiao Tian spoke and paused for a second before he continued, "Do you want me to be a shy person again, aunt?"

At this time, Ye Qingyu didn't answer him. Even though she liked his past attitude, but still, she preferred his current character.

Because his aunt kept silent, Xiao Tian asked again, "So? Which one do you prefer?"

"As long as you care about big sister and me, either one is fine" of course, Ye Qingyu didn't say that she preferred the current him because, in her view, his past character or his current personality didn't matter to her.

Xiao Tian was still Xiao Tian. Whatever his attitude he has, he was still her precious family and lover.

Xiao Tian was pleased by his aunt's response because it was the answer he was hoping for. Xiao Tian also had never thought that he was better than his predecessor.

In his view, his predecessor and him were equal in everything. It just that his predecessor chose a different path from him.

"Thank you, aunt" Xiao Tian voiced out his real feeling toward his aunt.

"Eh!" Ye Qingyu was shocked after hearing her nephew's words. she didn't expect that he would say something like that to her. "What's wrong?"

"Nothing" Xiao Tian hugged his aunt again before placing his head on her shoulders.

Ye Qingyu only smiled at this time. Even though she had no idea why her nephew often behaved unusually in the past two months, but she said nothing about it.

Not long after that, they finished consuming the food. But they didn't immediately enter the house because they still wanted to enjoy the beautiful scenery in their backyard.

**Chapter 175 - Put On Your Clothes!**

8-10 minutes

---

The next day in the morning, Xiao Tian woke up before the alarm rang. And because it was still 05:00 am, his mother and aunt were still sleeping on both of his sides.

Last night, they enjoyed themselves in the backyard until 10:20 pm before finally, they decided to enter the house due to the atmosphere was getting cold.

At first, they wanted to watch TV for several minutes after entering their home, but Ye Qingyu suddenly felt drowsy. For this reason, they chose to go to sleep. And as usual, Ye Qingyu and Ye Xueyin wanted to rest in Xiao Tian's room.

Of course, Xiao Tian gladly accepted it because sleeping with his mother and aunt was something he really liked.

Not only would he not feel lonely, but he could also talk to them before going to bed and also see their faces after waking up.

Lately, due to his mother and aunt often slept in his room, Xiao Tian always felt lonely whenever he rested alone, as if something was missing inside him. That was why, although he never said it, he always desired to sleep with them every night.

Last night, they didn't do any forbidden things like they usually did in Xiao Tian's bedroom; instead, they went straight to sleep.

'It seems like they have a good dream.'

When Xiao Tian looked at his mother and aunt, a soft smile spread across his face.

'I'm going to take a warm shower so that I will feel refreshed.'

Because his mother and aunt were sleeping while hugging his arms, Xiao Tian carefully freed his arms so that they didn't wake up.

After that, Xiao Tian headed to the bathroom to take a shower. Ten minutes later, Xiao Tian finished taking a bath.

'I feel refreshed now.'

Xiao Tian grabbed a towel to wrap around his waist.

And when he returned to his room, Xiao Tian noticed that his aunt had woken up, "Morning, aunt."

"You have taken a bath?!" Ye Qingyu said in surprise. Earlier, when she was unable to find him in bed after waking up, she thought that he went to the dining room to drink.

She just didn't expect that he was taking a shower because this was the first time for her to see him take a bath so early in the morning.

"Un. I have just had a bath," Xiao Tian replied while choosing the clothes he would wear for today.

"Why did you ta-" before she had finished her words, Ye Qingyu covered her mouth, and her eyes widened in surprise. "What are you doing? Why did you take off your towel?"

Earlier, she wanted to know the reason why he took a bath so early, but because Xiao Tian was suddenly naked in front of her, Ye Qingyu was unable to finish her words.

"What? Of course, because I want to put on my clothes." Xiao Tian turned around toward his aunt, making his naked body visible to her, "Aunt, you have seen my naked body many times, so why are you still surprised?"

Because they had sex many times, Xiao Tian thought that she had used to see his naked body. That was why Xiao Tian didn't bother to cover his body.

Ye Qingyu was lost for words. Even though she had seen his naked body many times, but it was when they were having sex, so she was still embarrassed when she saw his naked body.

"Hurry up and put on your clothes!" although she told him to get dress quickly, but her beautiful eyes kept stealing a glance.

At first, Xiao Tian wanted to put on his clothes immediately, but when he noticed that his aunt was stealing a glance, he started to smirk.

Xiao Tian then placed the clothes on the bed and stood right in front of his aunt, "Aunt, why don't you help me put on my clothes?"

Ye Qingyu's face turned red when she realized that Xiao Tian knew what she was doing. Because she didn't know how to respond to it, Ye Qingyu immediately wrapped the blanket over her head.

Upon seeing this, Xiao Tian could only smile. He had no idea that his aunt was still shy to see his naked body.

Because Xiao Tian didn't intend to keep teasing her, he put on his clothes and crawled into bed. Then Xiao Tian laid down on Ye Qingyu's right side. "Aunt, why are you wrapping the blanket over your head?"

"Put on your clothes!" at this time, Ye Qingyu still covered herself in a blanket because she thought Xiao Tian was still naked.

"Hehe. I'm wearing clothes now," Xiao Tian said while pulling down the blanket "See! I'm not lying,"

When Ye Qingyu saw her nephew already wearing clothes, she inquired, "Why did you take a bath so early?"

"Well, I just want to," because Xiao Tian wanted to cuddle with her, he grabbed her by the waist so that they could relax in the half-spoon position.

With her head resting on his chest and her legs intertwined with his legs, Ye Qingyu made a circle on his chest with her index finger.

In that position, Ye Qingyu was able to smell the fragrance of his body every time she breathed, making her feel relaxed and wanting to stay in the same position forever.

Actually, Ye Qingyu wanted to cook breakfast earlier, but when she felt relaxed cuddling with him, she decided to do that later.

It's still 05:12 am, so I still have time to relax. I will cook in fifteen minutes. Ye Qingyu thought to herself.

However, because she genuinely enjoyed cuddling with her nephew, Ye Qingyu didn't realize that thirty-three minutes had passed.

At this time, Ye Xueyin slowly opened her eyes. When she saw her little sister resting on her son's chest, Ye Xueyin suddenly wanted to cuddle with her son too.

However, because she didn't want to disturb them, Ye Xueyin immediately headed to the kitchen to cook breakfast.

Of course, Xiao Tian knew it was already 05:45 am, but because he still wanted to cuddle with his aunt, he said nothing and enjoyed their time happily.

Xiao Tian kept stroking his aunt's hair gently while sometimes he also kissed it. One of the reasons he did this was to keep his aunt from looking at the alarm clock so that he could keep cuddling for longer.

But when Ye Qingyu heard someone cooking in the kitchen, she wanted to get up and head to the kitchen.

However, when she was about to get up, Xiao Tian wrapped his arms around her waist. "Aunt, let's stay like this. Today, let mother cook breakfast by herself."

"No! I want to help big sister cook breakfast" Ye Qingyu tried to get up, but because Xiao Tian hugged her tightly, she failed to do that. "Tian, let go of me! I want to help big sister,"

"Why? Mother can cook by herself. You don't need to help her. Only for today aunt. Let's stay like this for a little longer" Xiao Tian didn't know why his aunt put so much importance on her big sister.

His aunt always tried to help his mother in everything and never wanted his mother in a difficult position. His aunt also put his mother's happiness above her. This made Xiao Tian curious and wanted to know everything, but his aunt never told him the reason every time he asked about it.

'Tian, you don't know anything because at that time you were little. Big sister has sacrificed everything for you, so I, as her little sister, feel sad and want to make her always happy.'

Ye Qingyu wanted to voice it out, but she suddenly thought that it was better if he knew nothing about it.

"Tian..." Because Ye Qingyu was unable to free herself from his embrace, she only hoped that he would let her go.

Seeing the expression on her face, Xiao Tian suddenly felt guilty and let her go, "Aunt, I'm sorry. Please don't make that face again."

"Thank you," Ye Qingyu immediately got up and rushed toward the kitchen.

'What happened in the past? Why do I not have memories of that?'

In the past, he had tried to find out about it in his predecessor's memories, but he had found nothing. At this time, Xiao Tian could only sigh and prepare everything so that he could immediately go to campus after breakfast.

After everything was ready, Xiao Tian headed to the living room to watch TV. Thirty minutes later, his mother and aunt finished cooking breakfast, so they immediately ate together.

And as usual, after he had breakfast with his mother and aunt, Xiao Tian kissed their foreheads and went to the campus.

Because today Xiao Tian only has one class, he suddenly wanted to meet Zhao Sheng because there was something that he wanted to ask.

But suddenly he thought of something. With this on his mind, Xiao Tian traveled to his company.

## **Chapter 176 - Thank You**

8-11 minutes

---

After several minutes of driving, Xiao Tian finally reached his company. But instead of entering his corporation, Xiao Tian remained in the car. Then he took a smartphone out of his pocket and called Lin Xing Xue.

"Tian, what's wrong?" Lin Xing Xue, who was working at Xiao Tian's company, asked after picking up the phone.

Because Xiao Tian didn't know whether Lin Xing Xue was working at his corporation or not, he inquired, "Little Xue, are you working at my company today?"

"Yes," Lin Xing Xue had no idea why Xiao Tian asked this. But suddenly she thought that he required something from his corporation, "Do you need something?"

"No. I'm in front of the company right now. Come here." Xiao Tian went to the point

"Alright," even though Lin Xing Xue was curious why Xiao Tian didn't enter his enterprise, but she chose not to ask about it.

When Xiao Tian saw Lin Xing Xue walking toward him, he put down the car window and spoke, "Little Xue, get in."

Like before, Lin Xing Xue said nothing and immediately got into his vehicle.

"I want to take you to someplace," Xiao Tian knew that she must be curious why he suddenly wanted to take her somewhere.

Because Xiao Tian wanted to give her a surprise, he said nothing and immediately drove away. After driving for several minutes, Xiao Tian parked his car in front of elementary school.

Lin Xing Xue was dumbfounded by this. When she wanted to ask why he stopped the car in front of primary school, she suddenly thought of her daughter, "Tian, don't tell me, this school is..."

"Yes. This is a place where Feng Yu studies," of course, Xiao Tian knew about this because he had read all the information about Feng Yu before.

Lin Xing Xue didn't expect that he would take her to meet her daughter. Lin Xing Xue was pleasantly surprised by this. Earlier, she thought Xiao Tian wanted to go on a date with her, but she was wrong.

With tears of happiness in her eyes, Lin Xing Xue held his hands and spoke, "Tian... thank you."

In the past, even though Lin Xing Xue and Feng Ao were divorced, she could still meet her daughter at her school, but suddenly her daughter moved to another school.

Lin Xing Xue knew that it was because Feng Ao didn't want her to meet her daughter anymore. For this reason, she was despondent, and she started to hate Feng Ao more than before.

Even though they were divorced, but Feng Yu was still her daughter, so she had the right to meet her. But because Lin Xing Xue was from a lower-class family and had a limited connection, she was unable to find a place where her daughter studied.

Lin Xing Xue had tried asking Feng Ao several times, but Feng Ao always refused to say anything to her.

For this reason, Lin Xing Xue had no choice but to work hard if she wanted to meet her daughter again. This was also where she decided to work hard every day.

"But we can only meet her during her breaks time and leave after that because Feng Ao hired a driver to take her to school and pick her up when the school is over," the reason Xiao Tian told Lin Xing Xue about this was that he was afraid that if Feng Ao found out about this, Feng Ao would move Feng Yu to another school again.

"Un" even though she could only meet her daughter in less than an hour, she was still happy. Lin Xing Xue then came out of the car and stood under a tree while looking at the place where her daughter was studying.

At this time, Xiao Tian was still in his car. Realizing this, Lin Xing Xue was curious about what he was doing in his vehicle because she thought that he would immediately get out of the car too.

"Tian, what are you doing?" Lin Xing Xue asked curiously

"Wait a second." after several seconds, Xiao Tian got out of the car with a few chocolates and candies in his hands, "I have something for Feng Yu."

Earlier, before traveling to his company, Xiao Tian bought a few chocolates and candies because he wanted to win Feng Yu's heart.

Upon seeing this, Lin Xing's face broke into a smile. She didn't know that Xiao Tian bought several chocolates and candies before going to meet her daughter.

His action made Lin Xing Xue pleased because, with this, she knew that he was serious with her. "What makes you think that my daughter likes candy and chocolate?"

"All children like candy and chocolate" of course, Xiao Tian knew about this because he read all the information about Feng Yu.

"Makes sense," Lin Xing Xue nodded her head.

After that, they waited for about an hour before finally, the break time came.

"Yu'er," Lin Xing Xue shouted after seeing her daughter.

Upon hearing a familiar voice, Feng Yu, who wanted to head to the canteen, stopped her footsteps and turned around. When Feng Yu saw her mother and Xiao Tian, she quickly approached them.

"Mother, how do you know the place where I study?" Feng Yu spoke after she was in front of her mother. And when she saw Xiao Tian, she immediately understood that it was all because of him, "Xiao Tian?"

At this time, Feng Yu wanted to ask why her mother was still in a relationship with Xiao Tian. But when she knew that he was the one who brought her mother to her, she decided to say nothing.

"Yu'er." Lin Xing Xue instantly embraced her daughter.

After they stopped hugging each other, Xiao Tian immediately smiled and said, "Little Yu, this big brother bought chocolates and candies earlier. Here, you can take all of this,"

Feng Yu didn't immediately accept it, but when she saw her mother nodding her head, Feng Yu took it and responded monotonously "Thank you,"

After that, Feng Yu returned her attention to her mother and ignored Xiao Tian completely.

The corner of Xiao Tian's lips twitched after seeing this.

'Holy hell! That's all?'

Because Xiao Tian didn't know how to win the heart of a child, he could not do anything. Of course, Xiao Tian didn't give up and tried to talk to Feng Yu again, "Little Yu, how is the school?"

"Same as usual," Feng Yu replied monotonously.

A black line formed on Xiao Tian's face after hearing her answer, "Where are your friends?"

"Eating," once again, Feng Yu responded it monotonously.

It seems like I need to read a book about how to win the heart of a child. Xiao Tian thought to himself

After that, Lin Xing Xue and Feng Yu chatted about many things. Of course, Xiao Tian also tried to talk to Feng Yu, but she only spoke to him five times before finally she completely ignored him again.

Thirty minutes had passed since they talked to Feng Yu and the sound of bells indicating that the break time was over could be heard in their ears.

Upon hearing the sound of the bell, Lin Xing Xue's face turned sad. She still wanted to spend time with her daughter, but because the break time was over, Lin Xing Xue had to separate from her again.

When Feng Yu noticed the expression on her mother's face, she held her mother's hands and said, "Mother, don't be sad. Now that you know the place where I study, you can meet me again,"

"Un. I'm not sad anymore," Lin Xing Xue nodded her head, "You have to study hard so that your future will be bright,"

"Yes. I will study hard. I have to go back to the classroom now." after kissing her mother's cheeks, Feng Yu headed to her classroom, but she suddenly stopped her footsteps, and turned around, "Xiao Tian, don't think that I will change my mind about you just because of this, but.....thank you,"

'Eh?!'

Xiao Tian was startled after hearing Feng Yu's words. He didn't expect that she would say something like that.

"I know," Xiao Tian replied as he smiled, "But I won't give up either."

This is a good sign. Xiao Tian thought to himself.

After Feng Yu entered her classroom, Xiao Tian and Lin Xing Xue got into the car.

"Tian, thank you," Lin Xing Xue was grateful to him because today Xiao Tian brought her to meet her daughter.

With this, as long as it was a school day, Lin Xing Xue could meet her daughter again. This made her very happy until unconsciously; a beautiful smile arose on her face.

When Xiao Tian saw the smile on her face, he was pleased and decided to treat Zhao Sheng to meal again because Zhao Sheng had helped him make his woman happy.

"How about you kiss me as a thanks?" at this time, Xiao Tian was only joking. However, before he could say that he was only joking around, Lin Xing Xue kissed his lips.

"Done." Lin Xing Xue said after she broke the kiss. They had done lots of kisses, so kissing him as a thanks were easy for her.

Even though it was only for two seconds, but Xiao Tian could still feel the tenderness of her lips earlier. This made Xiao Tian satisfied because, in the past few days, they haven't kissed.

Because he thought that the goddess of luck was on his side, Xiao Tian wanted to try his luck again, "How about we do a French kiss?"

Upon hearing his words, Lin Xing Xue pinched his nose and smiled, "Pervert!"

## **Chapter 177 - This Is A Huge Progress For Me**

9-11 minutes

---

"What are you talking about? We're lovers, so it's normal to do a French kiss," of course, failing once wouldn't make Xiao Tian give up. That was why he came up with an excuse.

Lin Xing Xue said nothing and only stared at him before finally lowering her head. Even though she didn't mind having a hot kiss with him, but it wasn't the right place to do a passionate kiss because they were in front of elementary school.

However, because she was grateful for what he did to her today, Lin Xing Xue replied shily, "Alright. But not here."

When Xiao Tian saw the expression on her face, he couldn't help but laugh. His desire to do a French kiss with her suddenly disappeared as if it didn't exist in the first place.

Lin Xing Xue was dumbfounded when she saw him laughing. "Why are you laughing?"

"Nothing," Xiao Tian tried his best to stop laughing when she hit his arms "Let's go to the company,"

"Un." Lin Xing Xue nodded her head.

Several minutes later, they arrived at Xiao Tian's company. Today, Xiao Tian decided not to meet Liu Ning because it could ruin his perfect plan.

Liu Ning would be suspicious if they met again after he helped her from the thugs yesterday. For this reason, Xiao Tian chose to meet Liu Ning tomorrow at the place she regularly visited.

With a smile on their faces, Xiao Tian and Lin Xing Xue entered the company. And when Xiao Tian was about to enter his office, Shi Fei, who was seeing him, ran toward him cheerfully.

"Little brother," even though she knew that Lin Xing Xue was next to him, Shi Fei still hugged Xiao Tian. "I miss you,"

When Shi Fei kept embracing Xiao Tian without any sign of stopping, Lin Xing Xue halted the hug. "Alright. That's enough."

Her action made Shi Fei unhappy, so she embraced Xiao Tian again and stared at Lin Xing Xue, "Xue, you just went with him somewhere, and here, I'm working alone. How can you be so cruel to your friend? At least, let me hug him for several minutes."

"No!" Lin Xing Xue separated Shi Fei from Xiao Tian again, "You should know how to behave, Fei. If the other employees see you hug our boss, they will think badly of you."

"As long as I can hug little brother, I don't care about it." of course, Shi Fei dared to say this because she was sure that all of the employees knew that she had a special relationship with Xiao Tian.

"Alright. Stop fighting." Xiao Tian then embraced Lin Xing Xue with his left arm and Shi Fei with the other arm. "Let's get inside my office and act lovey-dovey there,"

"Brilliant idea." Shi Fei nodded her head

At this time, Lin Xing Xue said nothing and only gazed at Xiao Tian.

When Xiao Tian noticed Lin Xing Xue looking at him intently, he kissed her lips and spoke, "Why are you staring at me like that?"

'Do you have special feelings for Fei too?'

Lin Xing Xue wanted to voice it out, but the words stuck in her throat.

When Shi Fei realized Xiao Tian had just kissed Lin Xing Xue, she grabbed his right arm and made a cute face, "Little brother, I want a kiss too,"

"Fine." Xiao Tian then brought his face closer to Shi Fei's face. However, he suddenly stopped moving his face when he felt Lin Xing Xue staring at them with an empty gaze, "Little Xue, what's wrong?"

"Xue, what's wrong?" Shi Fei moved next to Lin Xing Xue with a worried face, "What are you thinking right now?"

"Nothing," Lin Xing Xue shook her head.

"Wait. Don't tell me you're thinking about it?" yesterday, Lin Xing Xue asked Shi Fei whether Shi Fei could lend her money or not. "Xue, we're best friend so you don't need to worry about it because I will help you,"

Even though what she had in mind was different from what Shi Fei thought, but Lin Xing Xue felt warm after hearing Shi Fei's words, "Thank you, Fei,"

"Don't worry, Xue. Whatever happens, I will support you." Shi Fei was pleased when she saw a warm smile on Lin Xing Xue's face. Suddenly an exciting idea to tease Lin Xing Xue emerged on her mind, "But you have to let me kiss little brother now,"

"You can kiss him now. I won't stop you," Lin Xing Xue answered instantly.

"What?" Shi Fei said in surprise. Earlier, she was joking around because she wanted to divert Lin Xing Xue's mind from sad thoughts.

Shi Fei thought Lin Xing Xue would reject it and stop her from kissing Xiao Tian like Lin Xing Xue usually did, so Lin Xing Xue's answer much surprised her.

Xiao Tian, on the flip side, widened his eyes in surprise. This was the first time Lin Xing Xue agreed and didn't try to stop Shi Fei from kissing him, making him unable to believe what he was hearing.

Of course, Xiao Tian was thrilled by this because it meant there was a possibility that all of his women could live in harmony under one roof.

'Good! This is a huge progress for me. Because Shi Fei doesn't mind if I have another woman, I only need to make Lin Xing Xue willing to share me with other women as well. After that, I will think of a way to introduce them to mother and aunt,'

When Xiao Tian thought that he could live with all of his women under one roof, a smile arose on his face.

Because Shi Fei wanted to make sure that she did not mishear it, she asked again, "Really?"

"Yes," Lin Xing Xue nodded her head.

Without waiting another second, Shi Fei grabbed Xiao Tian's shirt and pulled him toward her. With her eyes focused on Lin Xing Xue's black eyes, Shi Fei very slowly brought her face closer to Xiao Tian's face, "If you don't stop me now, I will kiss him for real, you know."

To her surprise, Lin Xing Xue only smiled and didn't try to stop her. Lin Xing Xue even nodded her head while looking at them.

At this time, Xiao Tian did nothing when Shi Fei suddenly pulled him toward her. And just like what Shi Fei was doing, Xiao Tian also stared at Lin Xing Xue intently.

Because Shi Fei didn't know whether Lin Xing Xue was serious or not, Shi Fei kissed Xiao Tian's lips while still looking at Lin Xing Xue.

"Eh! She did nothing?!"

Shi Fei was stunned by that. Suddenly an interesting idea arose on her mind.

'If you decide not to do anything, I will kiss him passionately,"

With a mischief idea on her mind, Shi Fei opened her mouth so that she could put her tongue in Xiao Tian's mouth.

However, before Shi Fei could put her tongue in Xiao Tian's mouth, Lin Xing Xue pushed Shi Fei away, "Alright, that's enough,"

"Xue, what are you doing? I was about to kiss him intensely earlier." Shi Fei was a little unhappy when Lin Xing Xue ruined her plan.

Earlier, she wanted to know what Lin Xing Xue's reaction would be if Lin Xing Xue saw Xiao Tian and her kiss deeply.

Sigh! What a pity. Shi Fei thought to herself.

"What? You planned to do a French kiss with him?" Lin Xing Xue could hardly believe what she was hearing.

Lin Xing Xue didn't expect that Shi Fei wanted to have a passionate kiss with Xiao Tian earlier. Luckily, she stopped Shi Fei before Shi Fei could do that because if Shi Fei and Xiao Tian kissed intensely in front of her, Lin Xing Xue didn't know what she would do to them.

"Yes. because I really want to do a French kiss with him earlier." Shi Fei answered and stopped. She then looked at Xiao Tian and continued, "Little brother, let's have a hot kiss in your office?"

"Oh! That's a good idea. I, as your boss, like your opinion." of course Xiao Tian agreed with Shi Fei's idea because only a fool refused to do a passionate kiss with a lady like Shi Fei and Lin Xing Xue. "Let's get inside my office and do a lot of intense kisses there."

Lin Xing Xue immediately pinched Xiao Tian's cheeks and said, "Of course you agree because, with this, you can kiss Shi Fei and me. It's a great benefit for someone who fancies kissing like you."

"But you can kiss me too, so it's a win-win situation," even though it was a big win for Xiao Tian, but he pretended that everyone has the same benefits.

"It's not a win-win situation. It's a big win for you because you will get more benefits than us" of course, Lin Xing Xue wouldn't let Xiao Tian get what he wanted because she didn't want to see him and Shi Fei do a French kiss in front of her.

"What are you talking about, little Xue? We have same benefits because you two can also kiss me later." Xiao Tian then turned his head toward Shi Fei, "Isn't that right, Fei?"

"Yes" Shi Fei replied while nodding her head

Xiao Tian was pleased when he learned that Shi Fei was cooperating with him because with this, there was a high possibility that he could do a hot kiss with Shi Fei and Lin Xing Xue.

Thinking about it, Xiao Tian couldn't help but smile. However, the smile was frozen on his face after hearing Shi Fei's next words.

"Xue is right. It's a big win for you, and not for us, so let's forget it." Shi Fei finished her words.

Lin Xing Xue couldn't help from laughing when she saw the expression on Xiao Tian's face. It was so satisfied until it made her mood brighter.

After laughing, Shi Fei held Lin Xing Xue's hands and said, "Xue, let's get inside."

"Un" Lin Xing Xue nodded her head.

Then Lin Xing Xue and Shi Fei entered Xiao Tian's office, leaving Xiao Tian alone.

'Hmmp! We'll see about that,'

Xiao Tian then entered his office too.

## **Chapter 178 - Here, You Can Sit On His Lap Now**

8-10 minutes

---

As soon as Xiao Tian entered his office, he saw Lin Xing Xue and Shi Fei sitting on the couch. Due to Shi Fei and Lin Xing Xue sat close to each other, Xiao Tian was unable to sit between them.

'Should I sit next to Shi Fei or little Xue?'

Xiao Tian, who was standing in front of them, touched his chin and looked at them.

"Why are you still standing?" Lin Xing Xue, who was sitting on Shi Fei's left side, grabbed Xiao Tian's right hand and pulled him toward her.

Because Lin Xing Xue pulled him toward her, Xiao Tian decided to sit next to her. After sitting, Xiao Tian grabbed Lin Xing Xue by the waist and put her on his lap.

"You really like making a lady sit on your lap, huh?" Lin Xing Xue pinched his nose and smiled, "Don't think that because you make me sit on your lap; I will let you kiss me passionately."

At this time, Shi Fei also desired to sit on his lap. Earlier, she was about to ask him to sit next to her, but she was late because Lin Xing Xue had pulled him toward Lin Xing Xue before she could say anything.

Xiao Tian raised his head and looked at Lin Xing Xue, "If you don't want to do a passionate kiss with me, how about we kiss normally?"

"No" Xiao Tian was good at kissing, so Lin Xing Xue knew that if they kissed, they would end up doing a passionate kiss later.

Lin Xing Xue wouldn't refuse him if they were alone, but because Shi Fei was next to them, Lin Xing Xue decided to reject him. Even though she was fine with a normal kiss, but she was still not ready to do a passionate kiss in front of other people.

"Little brother, because Xue doesn't want to kiss you, how about we kiss instead?" Shi Fei loved kissing Xiao Tian, so when she knew that the opportunities to kiss him had arisen, Shi Fei wouldn't let it slip.

Shi Fei wasn't a shy person like Lin Xing Xue, so she didn't care if they would end up kissing passionately later. For her, as long as she could kiss him, she didn't care about anything else.

"Alright," of course Xiao Tian immediately agreed because he was a person who loved kissing too. Coupled with the person who wanted a kiss was a sexy lady, it made him even more excited to kiss Shi Fei.

Even though another lady was sitting on his lap, Xiao Tian couldn't care less about it. Because not only would he be able to kiss a sexy woman, but he could also make Lin Xing Xue jealous, which would give him the opportunity to kiss her later.

And what Xiao Tian had guessed was right because when he was about to kiss Shi Fei, Lin Xing Xue quickly grabbed his face and kissed his lips.

Even though it was only for about two seconds, Xiao Tian was still pleased because his plan was successful, "Eh! Didn't you say that you don't want to kiss me? Why did you suddenly kiss me?"

"That's right, Xue. We were about to kiss earlier, so why did you interrupt us?" even though Shi Fei had guessed that Lin Xing Xue would interrupt them, she was still unhappy. For this reason, she pulled Xiao Tian's face toward her, and without waiting for another second, she kissed his lips.

Shi Fei's action much surprised Lin Xing Xue. But because Shi Fei was her good friend, Lin Xing Xue couldn't be mad at her, "Alright. Stop it. That's enough."

"What do you mean by enough? We still hadn't kissed passionately, so we can't stop here" when Shi Fei noticed that Xiao Tian was winking his left eye, she understood that he wanted her to keep behaving as if she still desired to kiss him.

Shi Fei knew that Xiao Tian wanted to take advantage of the situation to make Lin Xing Xue used to see them kissing so that in the future, Lin Xing Xue wouldn't do anything when Lin Xing Xiu saw them kissing.

Even though it was a risky move, but Shi Fei and Xiao Tian decided to do that because if Lin Xing Xue said nothing when Lin Xing Xue saw them kissing in the future, that meant Lin Xing Xue began to accept their relationship.

"What? You still desire to kiss him passionately?" Lin Xing Xue could hardly believe what she was hearing.

Lin Xing Xue knew that her good friend also has special feelings for the man she loved. For this reason, she stared at Shi Fei before finally moving her gaze to Xiao Tian.

'Should I let them do a French kiss? He is still not my boyfriend, so I don't have the right to stop them. But still...."

At this time, Lin Xing Xue didn't know what to do or say.

Because Xiao Tian wanted to take advantage of the situation, he immediately kissed Lin Xing Xue's lips.

Lin Xing Xue, who was deep in thought, came to her senses after feeling Xiao Tian's lips. But she didn't stop the kiss and only looked into his black eyes.

Suddenly Lin Xing Xue widened her eyes when she felt something soft trying to enter her little mouth. Because she had kissed passionately with Xiao Tian before, of course, Lin Xing Xue knew that it was his tongue.

At this time, Lin Xing Xue didn't open her mouth and still looked at his eyes. Then Lin Xing Xue stared at Shi Fei because she wanted to know Shi Fei's reaction.

When Lin Xing Xue noticed a hint of jealousy appearing in Shi Fei's eyes, she immediately pushed Xiao Tian, making their lips separate.

Lin Xing Xue had no idea why she felt sorry when she noticed a hint of jealousy in Shi Fei's eyes. Then Lin Xing Xue suddenly realized that they loved the same young man. The young man who was younger than both of them.

They both loved Xiao Tian, but when she remembered that Xiao Tian always prioritized her over Shi Fei, a feeling of sorry appeared within her.

Shi Fei never wanted Xiao Tian only for herself; she just wanted Lin Xing Xue to be willing to share Xiao Tian with her. Shi Fei also never complained when Xiao Tian treated her better than her.

For this reason, a feeling to share Xiao Tian to her good friend appeared in Lin Xing Xue's mind. But of course, Lin Xing Xue immediately pushed that thought from her head because she was sure there wasn't a woman who wanted to share the man they loved with other women, including her.

However, when Lin Xing Xue saw the jealousy in Shi Fei's eyes, she began to think about it again.

'If I were in her shoes, maybe I would do the same thing. What should I do? What is the best thing to do for a time like this?'

Lin Xing Xue looked at Xiao Tian and Shi Fei intently.

When Xiao Tian saw the Lin Xing Xue was deep in thought, he cupped her face and said, "What are you thinking about?"

"Mmm. Nothing" Lin Xing Xue shook her head before looking at Shi Fei, "Fei, do you still want to sit on his lap?"

"What?" once again, Lin Xing Xue's words greatly surprised her. Shi Fei didn't expect that Li Xing Xue would say something like that to her, "Xue, are you sure? What happened to you today? Are you sick?"

Even though Shi Fei was pleased by this but, it was too fast, making her could hardly believe Lin Xing Xue's words.

Shi Fei didn't expect that Lin Xing Xue started to be willing to share Xiao Tian with her this fast.

"I'm not sick" Lin Xing Xue then rose from Xiao Tian's lap and sat next to him, "Here, you can sit on his lap now."

Even though Shi Fei was still surprised but, of course, she immediately sat on Xiao Tian's lap. "Thank you, Xue? I love you."

"Yes, yes," Lin Xing Xue didn't expect that the happiness immediately arose on Shi Fei's face the moment Shi Fei sat on Xiao Tian's lap.

Do you love him that much until it makes you happy just by sitting on his lap? Lin Xing Xue thought to herself.

'Eh!'

Xiao Tian was also surprised by her action to the point it made him look at Lin Xing Xue in astonishment. Xiao Tian thought that it would take time for Lin Xing Xue to start willingly to share him with Shi Fei.

But of course, Xiao Tian was thrilled by this. And because he didn't want to make her feel as if he was ignoring her, Xiao Tian embraced her with one arm. "Isn't something like this the best moment for the three of us?"

"You mean the best moment for you, right?" Lin Xing Xue pinched Xiao Tian's cheeks.

"Aish. What are you talking about? Come here, let me kiss you" Xiao Tian then brought his face toward Lin Xing Xue's face and kissed her lips.

"I want a kiss too," Shi Fei, who was seeing them kissing, bit her index finger.

"Fei, I let you sit on his lap, and now you want a kiss too?" Lin Xing Xue spoked and paused for a second before she continued, "You should control yourself more, Fei?"

"Fine" because Lin Xing Xue let her sit on Xiao Tian's lap for the first time, Shi Fei decided to hold herself.

### **Chapter 179 - The Second Mission Begins**

After that, they were chatting, joking, and flirting for about thirty minutes before finally, they began to work again.

Because Xiao Tian was pleased with the growth of their relationship, he decided not to kiss Lin Xing Xue passionately because he didn't want to force Lin Xing Xue to do a hot kiss in front of her good friend.

Xiao Tian also didn't do a French kiss with Shi Fei because he didn't want to make Lin Xing Xue sad and change her mind.

Time went by quickly, and without realizing it, it was time to go home. And like he usually did, Xiao Tian drove Lin Xing Xue and Shi Fei home before going back.

"I'm home" when Xiao Tian stepped into the living room, he prepared to catch his mother because he thought that his mother would jump on him the moment she saw him in the living room.

However, what he had guessed was wrong because when he was in the living room, his mother didn't jump on him, or more precisely, he didn't see his mother.

But when he saw his aunt sitting on the couch, he approached her and asked, "Aunt, where is mother?"

"Big sister went to the supermarket to buy groceries," Ye Qingyu replied.

Xiao Tian then kissed her cheeks and said, "Alright, I will take a shower first."

After saying that, Xiao Tian headed to his room before going to the bathroom. This time, Xiao Tian took a bath much longer than usual.

Of course, he didn't do what horny people do in the bathroom. The reason he took a long bath was that he soaked in hot water.

Today, Lin Xing Xue and Shi Fei gave him a lot of work. That was why he decided to soak in hot water because he wanted to refresh his mind in the hot tub.

'I need to get out now, or I will get dizzy later.'

Because he was soaking in a hot tub for more than thirty minutes, Xiao Tian decided to finish taking a shower.

After entering his room and wearing clothes, Xiao Tian headed to the living room again.

"Oh! You just finished taking a shower?" earlier, Ye Qingyu was curious as to why Xiao Tian hasn't returned to the living room because usually, her nephew always took a bath for about ten minutes.

"Yes," Xiao Tian replied as he sat next to his aunt. "Why are you asking this?"

"Well, usually, you only need ten minutes to take a bath, but this time it's more than thirty minutes, so I'm curious about it" Ye Qingyu covered her mouth and giggled, "You didn't do anything weird which needed your hands in the bathroom, right?"

Xiao Tian's lips twitched after hearing his aunt's words. of course, Xiao Tian understood what she meant by doing anything weird in the bathroom.

Xiao Tian just didn't expect that his aunt would say something like that to him, "Why should I do something like that? If I feel horny, I only need to ask you or mother to help me, right? There is no need for me to use my hands."

"Who knows" even though what her nephew said was right, but earlier, the thought that he was pleasuring himself in the bathroom had crossed her mind.

After thinking about his aunt's words, Xiao Tian started to smirk. Then Xiao Tian brought his face closer to her ears and whispered, "Now that you mention it, I suddenly feel horny. How about we do it right now?"

Ye Qingyu didn't answer him and only stared at her nephew for about two seconds before finally turning her gaze toward the TV.

Because his aunt said nothing as if she didn't reject his idea, Xiao Tian made her face him and kissed her lips.

Ye Qingyu had guessed that her nephew would kiss her lips, but because she didn't mind being kissed by him, she did nothing and only looked at his black eyes.

Xiao Tian only kissed his aunt for about three seconds before stopping the kiss. However, he kept the distance between their faces close to each other.

Xiao Tian didn't immediately kiss his aunt again; instead, he looked into her dark grey eyes. And after looking at her for about five seconds, Xiao Tian opened his mouth and slowly brought his face closer to hers again.

As if Ye Qingyu also desired to do a hot kiss with her nephew, she opened her mouth before his lips reached hers.

And when their lips pressed against each other, they immediately intertwined their tongues lewdly.

As they were kissing passionately, Xiao Tian's hands didn't stay on his thighs when he remembered that two heavenly mountains were in front of him.

Ye Qingyu, who was feeling her nephew's hands squeezing her breasts, didn't stop the kiss because she knew that something like this would happen to her.

Ye Qingyu thought that she could keep kissing her nephew, but she was wrong because several seconds after he squeezed her breasts, she felt that her body turned hot and unconsciously a seductive moan came out of her little mouth, making their lips separate.

Even though Ye Qingyu broke the kiss, Xiao Tian kept squeezing her breasts gently while also looking at her dark grey eyes.

At this time, Ye Qingyu was looking at his black eyes while sometimes letting out a soft moan. But when she noticed that her nephew started unbuttoning her shirt, she lowered her head to look at his hands.

Still, Ye Qingyu did nothing and let him do whatever he wanted. And when he squeezed her bare breasts, Ye Qingyu looked at his eyes again while also opening her little mouth.

As if Xiao Tian understood what she wanted, he also opened his mouth and started to kiss her passionately again.

When Xiao Tian was exploring her mouth with his tongue, he started to play with her nipples. Even though he was playing with her nipples gently, his action still made her break the kiss.

And because Xiao Tian still wanted to kiss her, he brought his face closer to her face again. At this time, Xiao Tian stopped playing with her breasts and slowly pushed her down to the couch.

As her nephew was on top of her, Ye Qingyu raised her arms and landed it on his waist. They were kissing passionately for about fifteen seconds before finally, she broke the kiss, "Tian, there is something hard between my thighs."

"Something hard? What do you mean by something hard? I don't get it" of course, Xiao Tian understood what she meant was his cock. However, because he wanted to tease her, he pretended as if he knew nothing.

"You want to tease your aunt, huh?" Ye Qingyu knew that her nephew wanted to tease her. That was why she pinched his cheeks.

Xiao Tian then sat upright and pulled his aunt, too, making her sit next to him.

Ye Qingyu thought that he wanted to stop, but she was wrong because when she was sitting next to him, Xiao Tian began taking off her shirt.

At this moment, Ye Qingyu knew that he wanted to have sex with her, but because he was her lover and she also felt horny, she didn't do anything.

After a brief moment, both of them finally naked. And without waiting for another second, they began to have sex. They were having sex for about fifteen minutes before finally, Ye Xueyin entered the house.

Ye Xueyin was shocked when she knew that her son and little sister were having sex in the living room. However, she didn't scold them; instead, she took off her clothes and joined them.

At that time, they were having sex for about an hour before finally, they decided to stop because they were hungry. And like they usually did, after diner, they went to the backyard until 11:00 pm before finally, they slept in Xiao Tian's room.

-----

The next day in the morning, after Xiao Tian had breakfast with his mother and aunt, he traveled to his campus because he has morning classes.

After morning classes, Xiao Tian met Zhao Sheng to treat him a meal. And because they often spend time together, their relationship was getting closer.

At this moment, Xiao Tian realized that it was a good thing to have Zhao Sheng as a friend because not only was he an entertaining person, but he was also a person who valued friendship.

After they talked for about an hour, Xiao Tian went to the Sea Restaurant because he wanted to continue his mission.

After several minutes of driving, Xiao Tian arrived at Sea Restaurant. And without waiting for another second, he entered the restaurant, which was immediately welcomed by the waiter.

Sea Restaurant was a restaurant that provides a variety of seafood. It was a middle-class restaurant, but because the food was delicious, many people came to this restaurant every day.

The restaurant has two buildings for dining; one large building with many chairs and tables neatly arranged and a small building around 3x3 meters with only one low table in the middle of the building.

Because Xiao Tian knew that Liu Ning regularly ate in the small building, Xiao Tian chose to eat right where Liu Ning always ate.

And after the waiter wrote down his order, the waiter immediately left.

It's still 11:45 am. I have to wait for about fifteen minutes before Liu Ning comes to this restaurant. Xiao Tian thought to himself.

And like what the information which Zhao Sheng had given to him, Liu Ning came to Sea Restaurant at 12:00 pm.

When Liu Ning was walking to the place where she usually ate, she was surprised when she saw Xiao Tian, "Mr. Xiao Tian?"

### **Chapter 180 - How About We Eat Together?**

9-11 minutes

---

"Lady, we meet again," Xiao Tian said as he smiled. Of course, Xiao Tian behaved as if they had met at the restaurant by coincident because it was impossible to tell her that he had been waiting for her for about fifteen minutes.

At this time, Liu Ning was wavering whether she should sit with Xiao Tian or not. Two days ago, Liu Ning had not had the chance to thank him after Xiao Tian helped her from the thugs.

And because Xiao Tian left immediately after helping her, Liu Ning often thought of him and also hoped they could meet again so that she could thank him.

Now that Xiao Tian was in front of her, Liu Ning completely forgot to thank him because she was pleased to meet the person who had helped her from the thugs.

Of course, Liu Ning wasn't in love with Xiao Tian. She was only delighted to meet her benefactor. "Mr. Xiao Tian, did you come to this restaurant alone?"

"Yes. I came alone," because Xiao Tian didn't want Liu Ning to know that the reason he came to the Sea Restaurant was to meet her, Xiao Tian immediately gave her an excuse. "After I finished my morning class earlier, I immediately came to this place because I heard that this restaurant has delicious food. I just didn't expect that I would meet you again, lady."

Liu Ning suddenly remembered that she still hadn't thanked him for helping her two days ago. Without waiting for another second, she bowed slightly and said, "Thank you for helping me from the thugs two days ago,"

"It's my pleasure to help you, lady. Sorry for immediately left because, at that time, I had an important meeting at my company," even though the reason he immediately left after helping her was because of the plan, but he still gave her an explanation so that she wouldn't think badly of him.

"It's fine." It was true that Liu Ning was a little sad when Xiao Tian immediately left. However, because she met Xiao Tian again, she didn't care about it anymore.

"Lady, did you also come alone?" of course, Xiao Tian knew that she came to the restaurant alone because, from the information about her, her husband rarely spent time with her in the last six months.

But because Xiao Tian wanted to act as if they had met by coincident, he asked whether she come alone or not.

"I also came alone," Liu Ning answered as she smiled.

When Xiao Tian realized that Liu Ning was still standing in front of him, he stood up and approached her, "Because we came to this restaurant alone, how about we eat together?"

Even though Liu Ning was pleased that her benefactor invited her to eat together with him, but she didn't immediately accept it, "But I'm a married woman. Do you still want to eat with me?"

"Of course. For me, it's an honor to be able to eat with a beautiful lady like you," Xiao Tian touched the backside of her shoulders and invited her to sit down.

"Mr. Xiao Tian, I'm happy that you invite me to eat together with you but...." Liu Ning didn't finish her words and looked at his right hand, which was touching the backside of her shoulders.

Liu Ning wanted to say that he shouldn't touch her because she was a married woman, and they were not close to each other either. However, because she didn't want him to feel offended, Liu Ning didn't finish her words on purpose.

Even though Liu Ning didn't finish her words, Xiao Tian was able to understand that she didn't want him to touch her.

Because Xiao Tian respected Liu Ning, he immediately removed his right hand from the backside of her shoulders, "Sorry, lady. I didn't mean to disrespect you. I just want to invite you to sit down with me."

"It's fine," Liu Ning knew that Xiao Tian had no bad intentions when he touched the backside of her shoulders. That was why she immediately forgave him.

"Mr. Xiao Tian, why didn't you come with your girlfriend?" Liu Ning, who was sitting on the opposite of Xiao Tian, asked curiously.

"I don't have a girlfriend," Xiao Tian said with a sad face. Because he intended to seduce her later, Xiao Tian decided to lie to her.

"Really?" Liu Ning asked in surprise.

Even though he made a sad face as if he really didn't have a lover, but Liu Ning didn't believe his words. Xiao Tian was handsome, young, and successful person, so there was no way a woman would not be attracted to him.

Because Liu Ning didn't believe him, Xiao Tian had no choice but to keep lying, "Actually I had a girlfriend, but we broke up before the summer holiday. That's why I came to this restaurant alone,"

"Oh!" after hearing his words, Liu Ning began to believe him, "That girl must be regretting her decision now."

"Well, we broke up, so I don't really care about her now." Xiao Tian spoke and paused for a second before he continued, "Oh, Right lady. Earlier, you said that you're a married woman, so where is your husband?"

"He is working now, so he can't accompany me to eat at this restaurant," of course Liu Ning didn't tell Xiao Tian that her husband rarely spent time with her in the last six months because it was a family problem. Not something that she could talk with everyone.

"Your husband must be one of the lucky men because he has a beautiful lady like you as a wife," because Xiao Tian was trying to seduce a married woman, he couldn't behave aggressively and needed to do everything carefully.

"Mr. Xiao Tian, you do seem to have a glib tongue. Hehe," Liu Ning giggled while covering her mouth.

"But I only stated the truth." like when he seduced a married woman in his past life, the first thing he needed to do was tell her that she was beautiful.

After that, he only needed to be a good listener, make her feel comfortable around him, makes her laugh, invite her to hang out, and make her feel special. Those were some things that need to be done to succeed in seducing a married woman.

And because it was the first time for them to talk with each other, Xiao Tian decided not to do everything at once.

Xiao Tian suddenly remembered that he still hasn't asked her name. "Lady, I suddenly remember that I still don't know your name. May I know your name?"

"Ops! From earlier, we are talking without introducing ourselves first" Liu Ning then extended her right hand to do a handshake with Xiao Tian, "Liu Ning."

Xiao Tian also extended his hand and did a handshake with Liu Ning, "Xiao Tian."

Liu Ning smiled and immediately said, "I know,"

Of course, Liu Ning knew about him because almost all the people in the whole of China knew about him, including Liu Ning.

Liu Ning even became one of his fans when she learned that Xiao Tian built his company from scratch and succeeded in a short time. For this reason, she was delighted when she knew that the person who helped her from the thugs was none other than her idol.

Not long after that, the waiter came with his order. And because Liu Ning still hasn't ordered anything yet, she immediately ordered salt and paper crab with a vanilla milkshake.

After the waiter left, Xiao Tian and Liu Ning began talking again.

And because Xiao Tian wanted to eat together with Liu Ning, he didn't eat his food.

Liu Ning kept saying that it was fine if he wanted to eat first, but Xiao Tian still chose not to eat his food. For this reason, she decided to just talk to him.

At that time, they were talking about many things, and between their conversation, Liu Ning often laughed or smiled happily.

Because she really enjoyed talking with Xiao Tian, Liu Ning even forgot that she was chatting with someone she had just met.

Thirty minutes later, the waiter came with her order. And after the waiter put the food and drink on the table, he immediately left.

Then Xiao Tian and Liu Ning began to eat their food, but even though they were eating, they didn't stop talking as if they were good friends who had not spoken for a long time.

Not long after that, they finished consuming the food. Xiao Tian and Liu Ning talked for another ten minutes before finally, Liu Ning went home.

At this time, Xiao Tian still hasn't asked for her phone number because, in his view, it was still not the right time for that.

'It's still 02:00 pm.'

Because Xiao Tian didn't have a class anymore, he decided to go to his company. After he arrived at his company, Xiao Tian immediately headed to his office.

"Fei" Xiao Tian said when he saw Shi Fei walking toward her office.

Upon hearing a familiar voice, Shi Fei turned around. And when she saw that it was Xiao Tian, Shi Fei rushed toward him.

"Little brother, I'm lonely." Shi Fei said while hugging him.

Xiao Tian raised her face and said, "Did little Xue work at the cosmetic shop today?"

"Un" Shi Fei nodded her head.

"Now that I'm here, I won't let you feel lonely again," Xiao Tian cupped her face and looked into her eyes, "Do you want to act lovey-dovey with me now?"

Upon hearing his words, Shi Fei's eyes shone excitedly, "Yes."

"Let's enter my office" without waiting for her answer, Xiao Tian carried her in the princess style and entered his office.
