Chapter 191 - I Hope We Can Meet Again Soon

Not long after that, the waiter came with their orders. And after he put all the food and drinks, he immediately left.

Even though they were eating, but Liu Ning and Xiao Tian didn't stop talking. And because of this, Xiao Tian could feel that their relationship was getting better.

And even though Liu Ning didn't want to talk about something that related to her family, Xiao Tian was still pleased because he felt that she was starting to open up to him.

Because they were enjoying themselves, they didn't realize that they had been in the Bamboo Restaurant for an hour. For this reason, they immediately went to Xiao Tian's shop.

"Welcome to star sho-"when Su Ruyan wanted to greet the people who entered the shop, she was shocked and stopped her words when she knew that person was her boss, "Boss."

"You can keep working. Don't mind us" of course; Xiao Tian wouldn't let his clerk disturb their time because he wanted to use their situation to get closer to Liu Ning.

"Alright" because Xiao Tian wanted her not to bother them, Su Ruyan rechecked the condition of the clothes.

"Lady Liu, you can start looking at all the clothes now," Xiao Tian said as he smiled.

Liu Ning was pleasantly surprised when she knew that Xiao Tian would accompany her to look for the clothes. "Alright"

When Liu Ning began looking for the clothes, Xiao Tian immediately followed her because he knew that it was a perfect time to get closer to her.

And what he had been waiting for finally came when he saw Liu Ning unable to choose the best between the two colors of clothes.

And because Liu Ning couldn't choose the best color for her, she was suddenly curious about Xiao Tian's opinion, "Xiao Tian, what color do you think suits me best? Blue or grey? I think grey is better, but blue is good too."

"I'm sure both colors will look good on you. But I also think you will look better if you wear grey clothes because it's suited with your skin color and body" of course, Xiao Tian would say that grey clothes were better for her because he knew that she actually preferred grey clothes to blue clothing.

"I think so too. Alright, I will take the grey clothes," after that, Liu Ning began looking for the clothes again.

'Hmm??'

When Xiao Tian was accompanying Liu Ning in looking for the clothes, he suddenly saw a set of clothes that he thought would be perfect for her.

Even though these set of clothes was usually bought by unmarried women, but because Liu Ning was young and beautiful, Xiao Tian was sure that she would look even more attractive if she wore it.

"Lady Liu, how about these set of clothes?" Xiao Tian said while showing her the set of clothes.

When Liu Ning saw bisque long blazer, white sweater, and blue jeans in Xiao Tian's hands, she thought that it wouldn't suit her.

However, because she didn't want to refuse his good intention, she decided to give it a try, "Alright."

Because Liu Ning had already taken five pieces of clothes, she went straight to the fitting room.

Even though he had guessed that it was likely that she would not show the clothes she chose, Xiao Tian still followed her before he finally stood in front of the fitting room.

And what he had guessed was right when Liu Ning stayed in the fitting room for quite a long time. However, Xiao Tian could do nothing about it because he knew that they weren't close enough for her to show it to him.

After Liu Ning tried on all the clothes, she came out of the fitting room, "I will buy all these clothes."

"Un. Do you want to look for other clothes again?" even though Xiao Tian was a little disappointed because she didn't show him the clothes she was trying in the fitting room, but Xiao Tian didn't show it on his face.

Although Liu Ning still wanted to look for clothes again, because it was already 08:30 am, Liu Ning decided not to do so. "No. This is enough"

Then they headed to the cashier to pay for the clothes. And after Liu Ning paid for the dresses, they went to the parking lot.

Before getting into the car, Liu Ning bowed slightly toward Xiao Tian and said, "Xiao Tian, thank you for helping me and giving me a discount."

"Don't mind it." Xiao Tian said as he smiled, "I hope we can meet again soon."

After Liu Ning left, Xiao Tian went home. Because his mother and aunt were working, Xiao Tian was alone at home.

And after he took a shower, Xiao Tian laid down on the couch.

'My class starts at 10:00 am, and now it's still 08:00 am so there are still 2 hours left before class. What should I do in my free time?'

Because Xiao Tian was alone at home, he decided to go to his company. But he didn't immediately head to his office after he arrived at his company; instead, he went to Lin Xing Xue's office.

Knock...knock...knock...

"Little Xue, are you there?" Xiao Tian said after knocking on the door.

"Come in" when Lin Xing Xue knew it was Xiao Tian's voice, she immediately answered.

Without waiting for another second, Xiao Tian entered her office with a smile on his face. "Good morning, little Xue."

"Good morning, Tian" Lin Xing Xue answered as she smiled.

After Xiao Tian sat on the couch, he patted his thighs and said, "Little Xue, come here."

Lin Xing Xue stopped working after hearing his words, "Tian, you're the boss here, but why are you wasting your time like this? You should work harder so that your company is more developed than now."

But even though Lin Xing Xue said that, she still did as she was told.

When Lin Xing Xue was sitting on his lap, Xiao Tian wrapped his arms around her waist and said, "I don't have time to work because I will go to campus in an hour. But before that, I want to feel the warmth of your body. That's why I came to the company before going to college."

"But it's still an hour later, right? You can work in your free time." Lin Xing Xue thought that it would be better for him to work because they could lovey-dovey anytime.

"I will work later. Now let me embrace you for fifteen minutes," Xiao Tian said

"Fine" Lin Xing Xue knew that it would be no use to say anything to him at this moment. That was why she let him do whatever he wanted.

Chapter 192 - Do You Need My Help Again?

8-11 minutes

After Xiao Tian spent time with Lin Xing Xue and worked for about half an hour, Xiao Tian went to the campus.

And like he usually did, after class, Xiao Tian traveled to the University Garden and laid down on the wooden bench.

'Huft. Finally, I finished all classes for today. Because it's still 03:00 pm, should I go to my company and work again? Oh right, from the way she talked this morning, it seems like Liu Ning is one of Yun Xin Er's fans. Should I ask for Yun Xin Er's autograph and then give it to Liu Ning? I'm sure Liu Ning will love it. Yes. Let's just do that.'

With this on his mind, Xiao Tian immediately called Yun Xin Er.

"Little brother, what's wrong? Do you need my help again?" Yun Xin Er spoke after picking up the phone.

"No. I'm calling you because I'm missing you. Can we meet right now, big sister Yun?" It took Xiao Tian three seconds just to answer her.

Actually, Xiao Tian was indeed missing her. Ever since their date several days ago, Xiao Tian often thought of her. Coupled with him needing her autograph right now, Xiao Tian figured it would be a perfect time to meet her.

"Eh!" his words surprised her a little. But of course, Yun Xin Er was pleased by this because actually, she also wanted to meet him. "Let's meet at the Rainbow Garden in thirty minutes."

Because she was busy lately, Yun Xin Er didn't have time to visit his company or meet him. Now that she had no more work for today, coupled with him desiring to meet her, Yun Xin Er thought that it was a perfect time to meet him.

"Alright" Xiao Tian was thrilled when he knew that he could meet her today, because with this, not only was Xiao Tian able to make Liu Ning happy, but he could also meet Yun Xin Er. This was like to kill two birds with one stone.

After Yun Xin Er hung up the phone, Xiao Tian went to his shop to get two T-shirts. And because Xiao Tian remembered that they consumed food at Rainbow Garden several days ago, he decided to buy cakes and drinks so that they could eat it at Rainbow Garden later.

By the time Xiao Tian arrived at Rainbow Garden, it was already 03:20 pm. of course, Xiao Tian chose the same place they had occupied when they were on a date a few days ago because that place has good memories for him.

Ten minutes after Xiao Tian sat on the wooden floor, Yun Xin Er finally arrived.

"Big sister Yun" Xiao Tian stood up and approached her. And when he was in front of her, Xiao Tian had no idea as to why he suddenly desired to hug her.

"Have you been waiting for a long time?" Yun Xin Er said as she smiled. She was a little startled when she saw Xiao Tian. She thought she would be the first one to arrive at the Rainbow Garden.

She just didn't expect that Xiao Tian was the type of person who came before the meeting time. This made Yun Xin Er happier because, with this, she grasped that Xiao Tian really desired to meet her.

When Xiao Tian saw a dazzling smile on her face, Xiao Tian was unable to resist his desire anymore. For this reason, he didn't answer her; instead, he embraced her tightly, "Big sister Yun. I miss you."

His action greatly surprised her. She didn't expect that the first thing he did after meeting her was hugging her. Of course, Yun Xin Er was thrilled by this and let him embrace her as long as he wanted because, actually, she also missed being hugged by him.

Ever since their relationship had gotten closer, Yun Xin Er often thought of him. She even dreamed of him several times and was also unable to focus on work a few times because she missed him dearly.

After hugging her for about three minutes, Xiao Tian stopped the hug and held her hands, "Let's sit on the wooden floor."

"Un" Yun Xin Er nodded her head and followed him. "Oh! You bought cakes?"

"Yes," Xiao Tian spoke and paused for a second before he continued, "We can eat it as we talk."

"Good idea" because Yun Xin Er loved cakes, she smiled brightly when she noticed the cakes on the wooden floor. And after sitting, Yun Xin Er leaned her head on Xiao Tian's shoulders, "Huft. I'm tired, little brother."

"Thanks for the hard work," Xiao Tian then sliced the cake and fed her, "Here, eat the cake."

Upon seeing the cake on the spoon, Yun Xin Er opened her little mouth. But because she only opened her mouth, she still couldn't eat it, "Little brother, hurry up and feed me."

When Xiao Tian saw that Yun Xin Er was too lazy to move her head, he made the spoon closer to her mouth. "It seems like you're worn out. You even don't have the energy to move your head."

"Yes, I am drained," Yun Xin Er said in a soft tone.

Suddenly an exciting idea emerged in Xiao Tian's mind. With this on his mind, he started to smirk, "Do you want me to massage you?"

At first, Yun Xin Er was pleased after hearing his word. But when she noticed the smile on his face was different from his usual smile, Yun Xin Er believed that he must have planned something on her, "No, thank you."

"Big sister Yun, why did you refuse my good intention? You're exhausted, right? As someone who cares about you, I don't want to see you like this. That's why I want to massage you," of course, Xiao Tian didn't want to give up when Yun Xin Er refused his offer because he really wanted to tease her.

Yun Xin Er stared at him for about three seconds before she said, "Don't lie to me. I know that you are planning something, right?"

"How could you say that? I sincerely want to help you to get rid of your body fatigue" Xiao Tian made a caring face as if he was worried about her condition.

Even though Xiao Tian made a caring face, Yun Xin Er didn't buy it because she believed that he was lying to her. Then she suddenly thought that if it were her arms, it would be fine.

For this reason, Yun Xin Er extended her left arm and said, "Here, you can massage my left arm."

Even though it was different from what he had planned, Xiao Tian was still carrying out his plan. Then he put the spoon on the cake and began massaging her left arm, "How is it?"

"It's good. Don't stop," even though Yun Xin Er said that, but she kept staring at his arms so that she would know if he intended to do something to her later.

At first, Xiao Tian only massaged her forearms, but it only lasted for about five minutes before finally, Xiao Tian's hands moved higher and higher.

When Yun Xin Er noticed this, she knew that he started carrying out his plan, "Don't move higher. Just massage my forearms."

"Eh! But I've been massaging your forearms for about five minutes, so I think it's time to move to the upper arms" because Xiao Tian didn't want her to know that he was plotting something, he gave her an excuse.

However, Yun Xin Er was not blind and could see it as clear as day that Xiao Tian was up to something to her, "So, tell me honestly. What are you planning right now? Are you planning to squeeze my breasts again?"

"Big sister Yun, you broke my heart by saying that, you know." Xiao Tian made a sad face as if her words really saddened him, "I really care about you, and here, you accused me of wanting to do something to you. But now that you have said that, I suddenly want to squeeze your breasts."

Yun Xin Er pinched his nose and smiled, "Oh! So, it's your intention from the beginning, huh. Huft! I won't let you do that."

"Of course, not" Xiao Tian spoke and paused for a second before he continued, "It's because you said something like that."

"Don't try to cover up your lie," even though Yun Xin Er knew about his plan, she wasn't angry with him. And when Yun Xin Er wanted to pinch his waist for having a dirty mind, suddenly it rained, "Ah! It's raining"

Xiao Tian was also surprised by this. A few minutes ago, the weather was bright, but now it was suddenly raining. He just didn't expect that it would rain again when he visited Rainbow Garden with Yun Xin Er for the third time.

Then Xiao Tian suddenly remembered their second visit to Rainbow Garden. At that time, it was also rained, and because of that, they had to be in the Rainbow Garden for more than half a day. "It's raining again."

"Yes. It's raining again" at this time, it wasn't only Xiao Tian who remembered their second visit to Rainbow Garden, but Yun Xin Er also remembered it.

'I hope the rain will stop soon.'

Even though it wasn't a bad idea to spend time with Yun Xin Er at Rainbow Garden, but it was already 03:45. That was why Xiao Tian hoped the rain would stop soon.

"Xin Er, come here and sit in my embrace" Xiao Tian suddenly desired to embrace her again.

Yun Xin Er looked at him for about five seconds before finally, she sat in his embrace, "Are you happy now?"

"Un. I'm happy" Xiao Tian wrapped his arms around her waist and placed his head on her shoulder, "Xin Er, thank you for helping my company again."

Chapter 193 - Because You Bit My Earlobes, I Have To Punish You

6-8 minutes

"You don't need to think about it," the reason Yun Xin Er didn't want anything from him was that she helped him willingly. She was even happy because she could still support him.

Xiao Tian's heart felt warm after knowing that Yun Xin Er didn't ask anything in return. "Xin Er, you're really my lucky goddess."

"Oh! This is the umpteenth time you said that I'm your lucky goddess," Yun Xin Er then opened her right palm and raised it until her palm was in front of his face, "I need proof that you really think of me as your lucky goddess,"

Xiao Tian had no idea as to why she suddenly raised her arms and told him to prove that she was his lucky goddess, "How do I prove it?"

Yun Xin Er looked at him and answered "Give me your smartphone,"

Even though Xiao Tian didn't know what she would do to his smartphone, but he still gave it to her, "Here,"

After Yun Xin Er received his smartphone, she changed her name in the contact info from Yun Xin Er to Lucky Goddess, "You can't change it back or I will get angry and won't meet you again. Do you understand?"

"Un. I understand, my goddess." Xiao Tian only smiled when he saw Yun Xin Er changing her name in the contact info, "Big sister Yun, you should change my name in your smartphone's address book too?"

Yun Xin Er then returned his smartphone to him and said, "You want me to change your name in my smartphone's address book?"

"Yes." because Yun Xin Er had changed her name in his smartphone's address book, Xiao Tian suddenly wanted her to change his name in her contact info too.

Actually, Yun Xin Er didn't want to change his name, but suddenly an interesting idea came to her mind. With this idea, Yun Xin Er took her smartphone and changed his name in the contact info from little brother Xiao Tian to Bad Boy, "Done,"

The corner of Xiao Tian's lips twitched after seeing his name changed to bad boy. "Big sister Yun, you shouldn't change my name to bad boy. It should be a 'handsome young man' because I'm a handsome man and not a bad boy."

Even though Yun Xin Er agreed that Xiao Tian was indeed a fine young man, but because she wanted to tease him, Yun Xin Er didn't change back his name, "I don't want to, because it's the truth. You're indeed a bad boy so I won't change it back,"

"Oh! Because you said that I'm a bad boy, then I will behave like a bad boy from now on." after saying that, Xiao Tian licked her right earlobe before finally biting it gently.

"Kya," Yun Xin Er was surprised when Xiao Tian was suddenly licking and biting her earlobes, making her let out a cute voice, "Bad boy, stop it!"

"But you said that I'm a bad boy so I won't stop," because Xiao Tian wanted to tease her, he didn't listen to her words and kept biting her earlobes.

And because Xiao Tian didn't stop what he was doing, Yun Xin Er pinched his nose until it made Xiao Tian unable to breathe anymore.

"Big sister, stop it. I can't breathe if you pinch my nose" because Xiao Tian was unable to breathe from his nose; he had no choice but to stop biting her earlobes.

"I won't stop pinching your nose if you don't apologize to me," Yun Xin Er said as she pulled Xiao Tian's nose to the left side.

Even though Xiao Tian was able to remove Yun Xin Er's hands from his nose, but he didn't do that, "I'm sorry, my goddess. I won't do that again for today."

"For today?" Yun Xin Er was surprised after hearing his words, "Ho, so you plan to lick and bite my earlobes again in the future?"

"Yes. I plan to do this again in the future," Xiao Tian gave her an honest answer.

Because Xiao Tian intended to do the same thing again in the future, Yun Xin Er decided to bite his left earlobe.

Xiao Tian did not think that she would do the same thing he had just done to her, "Big sister Yun, you shouldn't bite my earlobes. This is not what a goddess should do to their followers. A goddess should be kind, gentle, and caring to their followers, not hurting her followers like this."

Yun Xin Er then stopped biting his earlobes and giggled, "Hehe. You're my follower, so I have the right to do anything to you,"

"Because you bit my earlobes, I have to punish you." even though Xiao Tian said that, but he had no idea what punishment he should give to Yun Xin Er.

After hearing his words, Yun Xin Er gave him a little smile, as if she was challenging him to do what he had just told her.

Seeing the expression on her face, Xiao Tian immediately turned her face to the right side while he also tilted his head to the right side so that he could kiss her lips.

When Xiao Tian pressed his lips against hers, Yun Xin Er did nothing as if she also wanted a kiss from him.

Xiao Tian kissed her for about seven seconds before finally, he broke the kiss, "How is it? Do you want me to punish you again?"

"I just know that a follower dares to punish their goddess." Yun Xin Er then turned around, making them sit face to face. "It seems like I need to discipline my follower so that he will not do the same thing again in the future,"

Without giving Xiao Tian a chance to say anything, Yun Xin Er immediately kissed his lips again.

Xiao Tian was pleasantly surprised by her action. But it only lasted for about two seconds before finally, he felt hurt on his lower lip.

After biting his lower lip, Yun Xin Er cupped his face and smiled, "It hurts, isn't it? Hehe. This is a warning for you,"

'This woman really likes to bite my lips, huh?'

Xiao Tian spoke in his mind.

"Goddess, I've told you not to hurt your follower. What if my lips get hurt because of it? I will not be able to kiss you again, you know?" even though it was only hurt a little, but Xiao Tian hoped that she wouldn't bite his lips too often because he didn't want to hurt his lips.

"I don't care about it. Hehe." Yun Xin Er then placed her head on his right shoulder and wrapped her arms around his back.

Of course, Xiao Tian also locked his arms around her waist.

At this time, they stopped talking and only embracing each other. They remained in the same position for more than fifteen minutes, as if there was a magnet on their bodies.

And not long after that, the rain finally stopped. And because it was already 04:20 pm, Yun Xin Er immediately left because she has something to do.

Of course, Xiao Tian embraced and kissed her before she left. And because he didn't want to go home yet, Xiao Tian decided to see a sunset at Yonhan beach.

However, when he was wandering around, Xiao Tian suddenly saw Liu Ning sitting on the sands alone. And without waiting for another second, he walked toward her.

Chapter 194 - Sorry. I Was Thrilled, So I Hugged You Reflexively

5-7 minutes

"Lady Liu, I don't expect that we will meet again this quickly," Xiao Tian really didn't expect that he would meet Liu Ning at Yonhan beach because his primary purpose for coming to the beach was only to see the sunset. However, because he met Liu Ning, of course, Xiao Tian wouldn't let this chance slip away.

"Xiao Tian?" Liu Ning said in surprise. "You came to Yonhan beach too?"

"Yes. I've just met big sister Yun Xin Er and decided to come here because I wanted to see the sunset," because Xiao Tian didn't want her to think that he was stalking her, he gave her an honest answer.

"Miss Yun Xin Er?" Liu Ning showed him an envy face. She was one of Yun Xin Er's fans, so she really wanted to meet Yun Xin Er, but she knew that it was almost impossible for her to meet Yun Xin Er. And here, the person she just met a few days ago had just met her idol as if he had only met an ordinary person.

Upon seeing the reaction on her face, Xiao Tian suddenly remembered something that could make Liu Ning happy. "Lady Liu, please wait here. I want to take something in my car."

"Un" even though Liu Ning had no idea why Xiao Tian suddenly wanted to go back to his car, but she still nodded her head.

Then Xiao Tian dashed toward his car, and after taking the items he wanted, he immediately returned to the place where Liu Ning was.

And after he was in front of Liu Ning, Xiao Tian gave her two white T-shirts, "Lady Liu, this is for you."

At first, Liu Ning was dumbfounded as to why Xiao Tian suddenly gave her two white T-shirts. But when she noticed that there were a signature and Yun Xin Er's name on the body of T-shirt, she was thrilled and unconsciously hugged Xiao Tian, "Thank you very much, Xiao Tian."

"It's my pleasure, lady Liu." Xiao Tian was pleased when he knew that Liu Ning liked the gifts from him. This made Xiao Tian think that his efforts were not in vain.

When Liu Ning realized that he was hugging another man who wasn't her husband, she immediately stopped the hug, "Sorry. I was thrilled, so I hugged you reflexively,"

"It's fine," Xiao Tian said as he smiled. He suddenly felt lucky because he remembered to ask for Yun Xin Er's autograph before she left.

After that, they sat next to each other while looking at the sea and feeling the gentle breeze on their bodies.

"Lady Liu, why did you come to Yonhan beach alone?" Xiao Tian, who was sitting on her right side, asked curiously.

"I also want to see the sunset," because, at that time, she was having a lot of problems, Liu Ning decided to go to Yonhan beach to calm her mind.

"Lately, we often met, right?" Xiao Tian looked at her and smiled softly, "Maybe we are destined to be friends in this life,"

Because Xiao Tian wanted her to think that the reason they often met lately was not because of his plans, he pretended that they had met purely by coincidence.

"Yes. you are right." Liu Ning also didn't expect that she would meet a young man who had recently became famous in the whole of China. And not only did they become friends, but he also helped her a few times.

And what made Liu Ning happy to be his friend was because he was kind and also treated her gently. At this moment, Liu Ning was not suspicious of him and thought that the reason they become friends was pure because of fate.

"Oh right, Xiao Tian, where do yo-" Liu Ning immediately stopped her words when she saw Xiao Tian stretching out his left arm toward her head.

Because Liu Ning was in a state of shock, she didn't do anything and only looked at him. She even didn't move her body as if she was a statue.

"There is a small twig on your hair." Xiao Tian smiled as he showed her a small twig.

"Thank you," Liu Ning said as she smiled.

Then they talked for several minutes before finally it was time for the sun kissing the cerulean water.

"It's so beautiful," when Liu Ning saw the sun cast its orange-colored rays down upon the clouds, a ravishing smile spread across her face. At this time, Liu Ning felt as if all the problems she was facing disappeared without a trace.

"Yes. You're right," Xiao Tian's face broke into a soft smile when he saw the beautiful scenery in front of him. "The beauty of nature is indeed one of the best ways to heal our hearts from this cruel world."

"Yes. I think so too. But a lot of people forget about it," Liu Ning was one of the many people who were truly glad that GOD created nature for them because with the beautiful nature around them, she could feel calm after seeing the beauty of nature.

After looking at the sunset for about fifteen minutes, Liu Ning stood up and said, "Xiao Tian, I have to go home now,"

"Un. I also want to go home." because it was already evening, Xiao Tian thought that there was no point in staying on the beach.

After Liu Ning left, Xiao Tian also went home. And after several minutes of driving, Xiao Tian finally arrived at his house.

When Xiao Tian was in the living room, he immediately said, "Mother, aunt, I'm home,"

Upon hearing her son's words, Ye Xueyin instantly ran toward him before finally she jumped into his arms "Tian, I miss you very much,"

"I also miss you, mother," when Xiao Tian saw the expression on his mother's face, he suddenly felt guilty because he rarely spent time with her in the last few days. "Tonight, I will stay at home."

"Good," Ye Xueyin was pleased when she knew that she could spend time with her son tonight.

Chapter 195 - Mother Doesn't Want To Be Alone At Home

6-7 minutes

When Xiao Tian noticed that his aunt was not in the living room, he looked at his mother and asked, "Mother, where is my aunt?"

"Qingyu is still working," earlier, she was also curious as to why her little sister hasn't arrived home. But when Ye Xueyin called her, she said that she was still working.

"Eh! She is still working? But her car is in front of the house." Because he saw his aunt's car before entering the home, Xiao Tian thought that she was already at home, "Why doesn't she use her car?"

"I don't know," Ye Xueyin shook her head. "But she said that she would be home in an hour."

Xiao Tian then walked toward the couch and put his mother on it, "Mother, I want to take a shower first. After that, I will pick aunt up,"

"Tian, don't go. Let's just wait for her at home," Ye Xueyin said while making a sad face, "Mother doesn't want to be alone at home."

Xiao Tian then sat on his mother's right side and looked at her, "Mother, you shouldn't be selfish like this. Aunt is also important to me. We can spend more time after I return home later."

"Mother knows, but mother wants to be alone with you. Just the two of us." because in the last two days they rarely spent time together, she really wanted him to be by her side. For this reason, she unconsciously behaved selfishly.

Xiao Tian didn't say anything and looked at his mother for about five seconds. At this time, he was a little angry with his mother's attitude.

His aunt always prioritized his mother's happiness over herself, and here, his mother forbade him to pick up his aunt.

And even though he was a little angry with his mother, Xiao Tian tried his best not to let out his anger, "Mother, I know that we rarely spend time together in the last few days, but you shouldn't behave like this."

"I'm sorry," Ye Xueyin lowered her head and apologized to her son.

Xiao Tian cupped her face and raised it, "Mother, you don't need to apologize because I know what you feel. However, you should remember that I can't spend all my time with you because I also love aunt. Both of you are the most important person to me, so I have to think about aunt's feeling too,"

"I'm sorry," after hearing her son's words, Ye Xueyin realized that she was being selfish. That was why she apologized to her son again.

"Tomorrow, all my classes are canceled so we can spend all day together." actually, Xiao Tian has two classes tomorrow. But when he noticed that his mother really wanted to spend time with him, he decided to lie to her.

"Un." Ye Xueyin nodded her head.

Xiao Tian then kissed his mother's forehead and said, "Alright, I will take a bath first,"

After saying that, Xiao Tian headed to the bathroom. And after about ten minutes, Xiao Tian finished taking a bath.

But when Xiao Tian was about to leave, his mother rose from the couch and said, "Tian....."

Hearing his mother's voice, Xiao Tian stopped his footsteps and turned around. Even though Xiao Tian didn't ask anything, he knew that his mother wanted him to kiss her.

For this reason, Xiao Tian walked toward her, and without waiting for another second, Xiao Tian kissed her lips.

To his surprise, the moment their lips met, she tried to put her tongue in his mouth. And because he didn't want to disappoint his mother, Xiao Tian opened his mouth.

And when Ye Xueyin knew that the opportunity to put her tongue in her son's mouth has arisen, she immediately kissed him passionately, intertwining their tongues.

As they were kissing, Xiao Tian raised his hands and landed it on his mother's breasts. The moment Xiao Tian's hands were on her breasts, he was a little shocked when he noticed that she wasn't wearing a bra.

Ye Xueyin was also a little shocked when her son's hands were on her breasts. However, because she wanted to kiss him so badly, she ignored it and kept kissing him.

When Xiao Tian felt the softness of her breasts, suddenly a desire to squeeze her bare breasts arose within him.

'There is still an hour before aunt will be done with her work, so I think I can play a little.'

With this on his mind, Xiao Tian's hands went under her T-shirt and immediately squeezed her bare breasts.

And like before, Ye Xueyin did nothing when her son was squeezing her breasts. She kept kissing him as if she could not live without kissing him. However, it only lasted for about ten seconds; before finally, she was unable to kiss him anymore and let out a seductive moan.

"Ahh....." Ye Xueyin moaned while looking at her son.

Seeing the lustful expression on his mother's face, Xiao Tian carried her in a princess style and put her on the couch. And without giving her a chance to say anything, Xiao Tian lifted her T-shirt and licked her breasts.

"Ah..." Ye Xueyin tilted her head back and let out a soft moan.

As Xiao Tian was licking his mother's right breasts, he was also playing with her right nipple until it made her let out many moans.

Xiao Tian licked her breasts for about a minute before finally, he moved his right hand toward her pussy.

Xiao Tian was shocked again when he found out that his mother wasn't wearing panties, and not only that, her pussy was already wet with her love juices too.

Then Xiao Tian looked at the clock, and when he knew that it was enough to have quick sex with his mother, Xiao Tian immediately pulled down his jeans.

Seeing this, Ye Xueyin was pleased. Using both of her hands, Ye Xueyin raised her skirt and spread her legs widely, "Tian,..."

Even though his mother didn't finish her words, Xiao Tian understood that she wanted him to put his cock in her pussy immediately.

And because her pussy was already wet, Xiao Tian instantly placed his cock in her vagina's entrance. After Xiao Tian placed his hands on his mother's thighs, he looked at her while also slowly thrusting his cock into her pussy.

"Ahh.." both of them moaned in unison.

After having quick sex with his mother, Xiao Tian immediately went out to meet his aunt.

Chapter 196 - With This, You Will No Longer Doubt My Love For You, Right?

6-7 minutes

After several minutes of driving his car, Xiao Tian finally arrived at the company where his aunt worked.

"There are still fifteen minutes before aunt will be done with her work," Xiao Tian mused as he looked at the digital car clock.

Because Xiao Tian didn't want to disturb her work, he waited for his aunt patiently in front of the Golden Bag company. Seconds turned into minutes, and without realizing it, fifteen minutes had passed.

When Xiao Tian saw his aunt coming out of the company, he walked toward her. "Qingyu.."

"Tian?" Ye Qingyu said in surprise. She didn't expect that her nephew would appear in front of her. But of course, she was pleased by this "Why are you here?"

"To pick you up," Xiao Tian kissed his aunt's forehead and held her hands, "Let's go home,"

"Un," Ye Qingyu nodded her head.

After they got into the car, Xiao Tian immediately drove away. But suddenly, Xiao Tian remembered that he rarely spent time alone with his aunt.

I hope mother will not get angry later. Xiao Tian thought to himself.

"Tian, where are we going?" Ye Qingyu was dumbfounded when her nephew didn't drive his car toward their home, "This is not the road to our home,"

"Qingyu, let's go to the Shanghai River." because Xiao Tian thought that Shanghai River would be a good place to spend time alone with her, Xiao Tian decided to take his aunt to Shanghai River.

"Why do you want to go there?" Ye Qingyu had no idea as to why her nephew suddenly wanted to go to Shanghai River because she thought they would go home immediately.

"We never spend time together, right? That's why I want to go to Shanghai River with you." Xiao Tian spoke and paused for a second before he continued, "I want to enjoy the night with you."

Ye Qingyu looked at her nephew for three seconds before finally, she nodded her head, "Alright,"

Not long after that, they arrived at Shanghai River. With a smile on their faces, they came out of the car and marched toward the Shanghai River.

And because Xiao Tian wanted to lovey-dovey with his aunt, he held her hands and smiled at her.

When Ye Qingyu felt that her nephew was holding her hands, she looked at his hands before finally moving her gaze up to his face. "Why are you smiling?"

"I'm so happy to be able to spend time with you." Xiao Tian gave her an honest answer.

Ye Qingyu covered her mouth and giggled, "Very happy? To what extent?"

"To the point that I want to tell all the people in the world that the perfect lady next to me is the love of my life." Xiao Tian then brought his face closer to her ears and whispered, "I really meant it,"

Even though Ye Qingyu knew that he wouldn't dare to do that, but still, she was pleased by his words.

As if Xiao Tian understood what was on her mind, he immediately said, "Qingyu, you don't seem to believe me?"

"I don't believe you." of course, Ye Qingyu only pretended not to believe his words because she wanted to know what he would say after hearing her words.

Because Xiao Tian believed no one knows that they were family, he dragged her to the group of five women and said, "Sorry for disturbing your time, ladies. My girlfriend here wants me to prove that I love her dearly. That is why I want to show you all that she is the love of my life,"

At this time, Ye Qingyu was pleased and shy at the same time. She didn't expect that her nephew would do something like this.

"Whoa. Big sister, your boyfriend is handsome,"

"Yes. He is good-looking. You're fortunate because it seems like he really loves you,"

"Yes. I can see that he loves you very much."

"Congratulation, big sister. I hope both of you will stay together until death separates you two,"

"Congratulation."

"Congratulation, big sister. I wish for your happiness."

"Congratulation,"

"Congratulation,"

After receiving blessings from them, Xiao Tian smiled and said, "Thank you, ladies. We will take our leave now. Sorry for disturbing you all,"

Even though Ye Qingyu was shy, she was still pleased after hearing their words, "Thank you."

After that, Xiao Tian and Ye Qingyu walked again. And like before, they walked hand in hand.

"Hey. Isn't that person, Xiao Tian?"

"What? Really?"

"Isn't he just someone who looks like Xiao Tian?"

"No. I'm sure he is Xiao Tian."

"Now that I recall his face, he really looks like Xiao Tian."

Then they looked at each other and said in unison, "He is Xiao Tian. Let's go after them,"

When Xiao Tian noticed that those women were chasing them, he grabbed his aunt's hands and said, "Qingyu, let's run."

At first, Ye Qingyu didn't understand why he suddenly asked her to run. But when she noticed that five women were running after them, she nodded her head, "Alright."

Then Xiao Tian and Ye Qingyu ran to avoid them. Of course, they were running while still holding hands.

When Ye Qingyu noticed that these women were not chasing them anymore, she immediately said, "Let's stop running. They are not chasing us anymore."

"Alright." when Xiao Tian saw public seating, he pointed his index finger and said, "Let's sit over there,"

"Un," Ye Qingyu nodded her head.

And as if Xiao Tian didn't want to separate from Ye Qingyu, he still held her hands even when they were sitting on the public seating.

Seeing this, Ye Qingyu giggled, "Hehehe."

"What is it?" Xiao Tian had no idea why she suddenly giggled like that.

"Nothing." Ye Qingyu covered her mouth while still giggling.

Because Ye Qingyu didn't want to tell him about it, Xiao Tian decided not to ask anymore.

Then Ye Qingyu leaned her head on Xiao Tian's shoulders while squeezing his hands tightly, "Thank you,"

Even though Ye Qingyu only said these two words, but Xiao Tian understood what she meant by that, "With this, you will no longer doubt my love for you, right?"

Ye Qingyu looked at him before nodding her head, "Yes."

Chapter 197 - I Do Love You

6-7 minutes

Ye Qingyu, who was sitting on the left side of her nephew, kept holding his hands and leaning her head on his left shoulder.

At this time, all the tiredness on her body disappeared without a trace. And not only that but she also suddenly felt that her body was full of energy as if she had just returned from a long vacation.

When Ye Qingyu noticed that there were only a few people around them, she kissed her nephew's left cheek for about three seconds before finally stopping the kiss.

Xiao Tian, who was looking at the river in front of him, turned his head to the left side and smiled happily, "Aunt, please kiss my lips too,"

Even though he had no idea as to why his aunt suddenly kissed him, Xiao Tian didn't ask anything about it; instead, he wanted her to kiss him again.

At this time, Xiao Tian thought that she wouldn't kiss his lips because she was a shy person. It was true that she just kissed him, but Xiao Tian believed the reason she dared to kiss him was because she only kissed his cheeks, not his lips.

For this reason, Xiao Tian wanted to tease her by asking her to kiss his lips in a public place.

After making sure that no one was paying attention to them, Ye Qingyu turned her body to face him. And without giving him a chance to say anything, Ye Qingyu cupped his face before finally pressing her lips against his lips.

Because what she did was different from what he had thought, her action surprised him a little. And even though Xiao Tian believed that no one was paying attention to them, he was still delighted by this.

After Ye Qingyu broke the kiss, she returned to her previous position and immediately held his left hand again.

When Xiao Tian remembered the softness of his aunt's lips, suddenly a desire to kiss her lips again arose within him. With a burning desire in his body, Xiao Tian lifted her face with his right hand.

However, when he was about to kiss her lips, Xiao Tian stopped moving his face the moment he saw her dark grey eyes as if he was hypnotized by her beautiful eyes.

Even though Ye Qingyu knew that her nephew desired to kiss her lips in a public place, she didn't try to avoid it. She was even ready to welcome the kiss earlier.

But when she noticed that her nephew stopped moving his face and looked at her eyes intently, she also did the same thing.

"Qingyu, you're so beautiful," Xiao Tian said from the bottom of his heart. At this moment, one by one, everything disappeared in his eyes until finally, only Ye Qingyu was in his eyes.

Earlier, Ye Qingyu wanted to ask why he suddenly stopped moving his face. However, before she asked him about it, her nephew suddenly said something that made her think of herself as one of the happiest women in the world.

For this reason, Ye Qingyu's face blossomed into a smile. "Thank you,"

At this moment, Xiao Tian had forgotten that he wanted to kiss her lips earlier. Coupled with him seeing a beautiful smile on the face of the lady that he loved dearly, made Xiao Tian unable to move his body and only stared at her beautiful face as if the person in front of him was an angel who descended from the highest heavens. And after looking at her for about fifteen seconds, Xiao Tian's body moved on its own.

His action much surprised her because she thought he would kiss her again, not to hug her. Of course, Ye Qingyu wasn't disappointed with this because being embraced by her nephew was one of the things she wanted the most in the world.

"I love you, Qingyu." Xiao Tian embraced her tighter, "I do love you,"

Ye Qingyu was pleasantly surprised by his words, and slowly a soft smile spread across her face, "Me too. I love you too, Tian."

Xiao Tian then stopped embracing her and kissed her forehead, "Thank you,"

Ye Qingyu stroked his hair before finally, she kissed his forehead too, "Promise me that you will never hurt big sister and me. If you do that, I will give you everything I have."

"I promise. I promise that I will never hurt you both." Xiao Tian nodded his face. "Can I hug you again?"

Ye Qingyu didn't answer him and only looked at his face because usually, if her nephew wanted to embrace her, he never asked and immediately hugged her. That was why Ye Qingyu didn't say anything to him, because she could hardly believe what she was hearing.

However, because she loved being hugged by her nephew, Ye Qingyu immediately rose from the public seating and sat on his lap facing each other.

Without waiting for another second, Xiao Tian wrapped his arms around her waist and placed his head on her shoulders. The warmth of her body, and the fragrance of her body, made Xiao Tian feel that he was the luckiest man in the world.

Not only was she beautiful, but she also loved him unconditionally. This made Huang Chen, or now known as Xiao Tian, could hardly believe that all of this was real, not illusions or dreams.

At this moment, Ye Qingyu no longer cared whether people around them were looking at them or not because all she wanted to do was embrace her nephew and enjoy it wholeheartedly.

It was also the same for Xiao Tian. He didn't care about all the people around them as if the world belonged to them, and everyone else was only hitchhiking in their world.

'Qingyu, you and Xueyin are the most important people in my life, and it will never be replaced as long as my life is still in my body. For the happiness of you two, I am willing to do anything, even if I have to lose my life in order to make it happen.'

For the second time in his two lives, Xiao Tian was willing to sacrifice his life for the sake of other people.

Chapter 198 - Tian, I Want To See The River

6-7 minutes

Ye Qingyu and Xiao Tian remained in the same position for about fifteen minutes. In those fifteen minutes, none of them said a word.

"Tian, I want to see the river," even though Ye Qingyu said that, but she was still embracing her nephew tightly as if she didn't want to separate from him.

"Alright." because his aunt kept embracing him, Xiao Tian knew that she wanted to look at the river while feeling the warmth of his body.

This made Xiao Tian pleased because he also didn't want to stop hugging her. While still embracing his aunt, Xiao Tian rose from the public seating.

And because he didn't want his aunt to fall to the ground, he moved his hands from her waist to her buttocks. Then Xiao Tian walked toward the safety fence before finally leaning his back on it.

Even though they were unable to enjoy the same scenery, but Xiao Tian didn't mind it because what was important for him was that he could embrace his aunt.

Xiao Tian and Ye Qingyu then talked about many things for about half an hour. And of course, they were laughing and joking together too.

Even though Xiao Tian still wanted to spend time alone with his aunt, but because they have been in Shanghai River for quite a long time, Xiao Tian thought that it was time to go home, "Aunt, let's go home,"

"Un," Ye Qingyu nodded her head.

Without putting his aunt down, Xiao Tian walked toward his car. And after placing his aunt on the passenger seat, Xiao Tian got into the car and drove away.

Along the way, Xiao Tian and Ye Qingyu talked about many things again. And without realizing it, they arrived home.

After Xiao Tian parked the car, he immediately got out of the car and dashed to the other side of the vehicle so that he could open the car door for Ye Qingyu. And without waiting for another second, Xiao Tian carried her in a princess style and entered the house.

Ye Qingyu was pleased by this and couldn't stop smiling. But the smile was frozen on her face when she saw her big sister sleeping on the couch without wearing a T-shirt.

Then when Ye Qingyu noticed that the hem of her big sister's skirt was on her waist and she was also not wearing panties, Ye Qingyu looked at her nephew intently. "You should put big sister in her room after satisfying yourself with her body, not letting her sleep on the couch like this."

"Aunt, you get it wro-" but before Xiao Tian had finished his words, he was interrupted by his aunt.

"Don't try to defend yourself, young man," at this time, Ye Qingyu thought that Xiao Tian left her big sister in that state after he had sex with her big sister. "You should treat big sister better next time. Do you understand?"

"I understand," actually Xiao Tian wanted to tell his aunt that his mother was still awake after he had sex with his mother, but because he thought that his aunt wouldn't believe his words, Xiao Tian didn't try to explain it anymore.

After putting his aunt down, Xiao Tian squatted down and touched his mother's hands, "Mother, wake up."

After rubbing her eyes, Ye Xueyin looked at her son and said, "Tian, you are already home?"

"Yes. I'm already home," Xiao Tian nodded his head, "Why did you sleep on the couch?"

"I fell asleep." actually, Ye Xueyin only wanted to lay down on the couch for a few minutes after having sex with her son, but suddenly she fell asleep.

Upon hearing her big sister's words, Ye Qingyu realized that she wrongly accused her nephew. Not only was he not angry, but he also accepted all the accusations as if he had done wrong. This made Ye Qingyu suddenly feel guilty toward her nephew.

"Mother, you shouldn't sle-" before Xiao Tian had finished his words, he was interrupted by his mother.

"Tian, let's have sex again. And because Qingyu is already home, let's do a threesome." Ye Xueyin grabbed her son's hands and looked at him with shiny eyes.

The corner of Xiao Tian's lips twitched after hearing his mother's words. This time, he really lost for words.

"Big sister, you should put on your T-shirt first," actually Ye Qingyu was also shocked after hearing her big sister's words, but she pretended as if she heard nothing.

Ye Xueyin ignored her little sister's words and made a sad face, "Tian, you don't want to have sex with mother again?"

Upon knowing his mother really wanted to have sex with him again, Xiao Tian could only sigh, "Alright. We will have sex again later."

"Yay." Ye Xueyin was pleased and smiled happily after hearing her son's words.

Because Xiao Tian knew that his aunt still hadn't had dinner, he went to the dining room.

At this time, Ye Xueyin and Ye Qingyu had no idea as to why Xiao Tian suddenly headed toward the dining room.

But when they saw that Xiao Tian returned to the living room with food and a glass of water in his hands, they thought that he wanted to have diner in the living room.

After Xiao Tian sat on the left side of his aunt, Xiao Tian said, "Aunt, AAA."

When Ye Qingyu knew that her nephew wanted to feed her, she looked at him for about three seconds before finally she opened her mouth and ate the food.

"How is it?" Xiao Tian smiled happily when he saw his aunt consuming the food.

"It's delicious," Ye Qingyu said as she nodded her head.

When Ye Xueyin saw her son feeding her little sister, she immediately sat next to him and said, "Tian, feed mother too?"

At this time, Xiao Tian still hadn't said anything to his mother and only looked at her. But when he saw his aunt nodding her head, Xiao Tian immediately fed his mother too, "Here, open your mouth."

With a smile on her face, Ye Xueyin opened her mouth, "AAAA."

Xiao Tian couldn't help but smile when he saw his mother's cute behavior. After a brief moment, they finished eating the food.

At this time, Ye Xueyin rose from the couch and raised her right hand high, "Now, it's time to have sex,"

Black lines formed on the faces of Xiao Tian and Ye Qingyu after hearing Ye Xueyin's words.

Chapter 199 - Mother, Come Here

6-7 minutes

After they had sex in Xiao Tian's room, they laid down on the bed.

"Huft...huft...huft... It was amazing," Ye Xueyin, who was lying down on the right side of Xiao Tian, smiled happily.

After dinner, they immediately headed toward Xiao Tian's room and had sex there. They had sex in Xiao Tian's room for about one and a half hours. And like usual, Xiao Tian made them unable to move their bodies when they were having sex with him.

"Yes. It was amazing," of course, it was amazing because Xiao Tian was able to have sex with two beautiful ladies at the same time.

At this time, Ye Qingyu didn't say anything and was trying to catch her breath. Her body was still weak, and even though she said nothing, but there was a satisfied smile on her beautiful face.

Because Xiao Tian still wanted to feel the warmth of his aunt's body, he turned his head to the left side and said, "Aunt, I want to sleep while staying connected to you,"

Ye Qingyu didn't answer him, but she immediately crawled to the lower part of her nephew's body and gave him a blowjob.

Xiao Tian was pleased when he saw his aunt giving him a blowjob. Lately, even though his aunt's behavior was still the same as before, but now every time he asked her to do something, she immediately did what she was told.

After her nephew's massive cock was fully erect, Ye Qingyu stopped giving him a blowjob. And because her pussy was still wet, she immediately stood on her knees above his huge cock before finally, lowering her body slowly.

"Ahh...." Ye Qingyu cried out seductively when she felt her nephew's huge cock little by little entering her vagina.

After Ye Qingyu felt that her nephew's cock had reached the deepest part of her pussy, she bent over before finally, she rested her body on top of him.

Even though Xiao Tian wanted to move his waist, but he didn't do that. And because he tried to push that thought, he immediately wrapped his arms around her waist and embraced her a little tight.

Ye Xueyin, who was seeing her little sister resting on her son's chest, looked at them with eyes full of envy, "Tian, what about mother?"

"Mother, come here." Because Xiao Tian couldn't put his mother on the top of his body too, he wanted to let her sleep close to him.

"Alright," Ye Xueyin moved her body close to her son's body until their bodies touched each other. "Qingyu, you're fortunate because Tian is treating you specifically right now."

"Big sister, if you wan-"before Ye Qingyu had finished her words, he was interrupted by Xiao Tian.

"Aunt..." Xiao Tian only said one word, but a sad expression suddenly appeared on his face.

When Ye Qingyu noticed the expression on her nephew's face, she realized that she wasn't thinking about his feelings earlier. "Big sister, I want to sleep on his chest today,"

"Un," even though Ye Xueyin wanted to sleep on the top of her son's body, but she had no intention to disturb them.

Ye Xueyun already felt happy because she could lie near her son. And when she remembered tomorrow she would spend time with her son all day, it made her happier.

"Why are you smiling, mother?" Xiao Tian thought his mother would be sad, but he was wrong because she smiled happily right now.

"Nothing," Ye Xueyin smiled while shaking her head.

Because his mother didn't want to tell him, he didn't ask about it anymore, "Let's sleep now,"

Because Ye Xueyin was unable to sleep on her son's chest, she grabbed his right hand, which was on her little sister's waist, and embraced it tightly, "I want to sleep while hugging your right arm,"

Xiao Tian let his mother do whatever she wanted because he could still embrace his aunt with his left arm, "Alright,"

"Hehe," Ye Xueyin smiled happily when her son let her do whatever she wanted.

When Xiao Tian was about to close his eyes, suddenly an interesting idea came to his mind. With this idea, Xiao Tian looked at his aunt and said, "Aunt, let's do a French kiss before sleeping."

And as Xiao Tian had guessed, his aunt didn't answer him and only looked at him. But to his surprise, she immediately kissed his lips before finally, putting her tongue into his mouth.

Actually, Xiao Tian was only joking, but because his aunt was kissing him, of course, he welcomed it happily. Then Xiao Tian and his aunt had a passionate kiss for about forty seconds before finally, she broke the kiss and leaned her head on his chest again.

Ye Xueyin had no idea that her son and little sister would have a passionate kiss before sleeping. And because of this, she also desired to do a French kiss with him. "Tian, mother also wants to do a passionate kiss with you,"

"Alright, "of course, Xiao Tian agreed with his mother's idea because, in his view, only a fool would refuse to do a passionate kiss with a gorgeous lady like his mother.

Then Xiao Tian and his mother had a passionate kiss for about a minute before finally, she broke the kiss and returned to her previous position with a smile on her face.

After that, they slept.

The next day in the morning, Ye Qingyu was the first to wake up. Actually, wanted to go to the kitchen to cook breakfast, but when she saw her nephew's sleeping face, she decided to do that later.

Ye Qingyu's face broke into a soft smile when she saw her nephew's sleeping face. Using her right hand, Ye Qingyu rubbed his right cheek gently.

After rubbing her nephew's cheeks for about fifteen seconds, Ye Qingyu leaned her head on his chest and made a circle on it.

Not long after that, Xiao Tian finally woke up. And when he saw what his aunt was doing, Xiao Tian smiled and said, "You're already awake?"

Chapter 200 - Aye, Sir

6-7 minutes

Upon hearing her nephew's words, Ye Qingyu turned her head toward him and said, "Ah! You're already awake?"

"Un," Xiao Tian smiled as he nodded his head, "Good morning, aunt."

Ye Qingyu kissed his right cheek and smiled, "Good morning, Tian,"

Xiao Tian was pleasantly surprised by her action. Even though Xiao Tian had no idea as to why his aunt lately often kissed him on her own accord, but he didn't ask about it.

Using his left hand, Xiao Tian stroked her hair and said, "Aunt, do you want to exercise with me?"

"Exercise?" Ye Qingyu could hardly believe what she was hearing. It was still 05:00 am, so it was too early to exercise. "You want to exercise right now?"

"Yes," Xiao Tian said as he nodded his head, "I want to exercise with you... on the bed."

When Ye Qingyu knew that her nephew wanted to exercise with her on the bed, she immediately pinched his nose and smiled, "Hoo, so you want to have sex with aunt right now, huh? Didn't we have lots of sex yesterday?"

"I know. But I want to have sex with you again." Xiao Tian spoke and paused for a second before he continued, "Don't blame me, aunt. You should blame yourself because having sex with you feels so good. It makes me addicted."

Ye Qingyu was pleased when she knew that he loved having sex with her. Due to this, she couldn't help but smile, "I didn't know that my nephew is a horny young man. Hehe,"

Even though his aunt said that he was a horny young man, Xiao Tian didn't deny it; instead, he accepted it as if it were an extraordinary pride getting the title as a horny young man. "I'm sure every man will become a horny person if they have a beautiful lover like you. You know, sometimes, I wish I had unlimited stamina so that I could have sex with you forever."

"What?" Ye Qingyu said in disbelief. "You want to have sex with me forever?"

"Yes." Xiao Tian gave her an honest answer, "What a pity, I only have limited stamina,"

"Luckily, you have limited stamina. If you have unlimited stamina, I don't know what will happen to me after we have sex," at this time, Ye Qingyu was truly happy that he didn't have unlimited stamina. Even the current him, who had limited stamina, always made her unable to move her body for several minutes after they had sex. So, she didn't want to think about what would happen to her if he had unlimited stamina.

"So, do you want to exercise on the bed right now?" because his aunt didn't give him an answer earlier, Xiao Tian decided to ask her again.

Ye Qingyu didn't immediately answer him and only looked at his face for several seconds before finally, she opened her mouth, "But... big sister is sleeping right now."

"Don't worry about it. If mother wakes up, we will do a threesome again," because Xiao Tian's cock was still in his aunt's pussy, he only needed to move his waist.

"Ahh..." Ye Qingyu immediately covered her mouth when Xiao Tian suddenly moved his hips because she didn't want to wake her big sister.

At first, Ye Qingyu was able to hold back her moans, but it only lasted for about forty seconds before finally, she cried out seductively.

Ye Xueyin, who was sleeping, opened her eyes when her little sister let out multiple moans. She was shocked when she saw that her son and little sister was having sex so early in the morning.

But of course, Ye Xueyin didn't stop them; instead, she put her pussy above her son's mouth and said, "Tian, lick mother's pussy,"

Of course, Xiao Tian immediately licked his mother's pussy because he loved licking a pussy. And then they had sex for about forty minutes before finally, they stopped.

After Ye Qingyu's breathing returned to normal, she immediately headed to the kitchen to cook breakfast.

At this time, Ye Xueyin and Xiao Tian were still lying down on the bed. Several minutes had passed after their morning sex.

Ye Qingyu, who was in the kitchen, headed toward her nephew's room, "Breakfast is ready." After that, she went to the dining room.

Hearing that, Xiao Tian wanted to head to the dining room because he was starving after doing exercise with two beautiful ladies on the bed earlier.

However, when Xiao Tian was about to get out of the bed, Ye Xueyin stretched out her arms, "Tian, carry mother to the dining room,"

Xiao Tian then sat on the edge of the bed and said, "Get on, I will give you a piggyback ride,"

With a smile on her face, Ye Xueyin locked her arms around his neck and said, "I'm ready, captain."

"Hold tight! We are about to take-off," Xiao Tian said before he stood up and placed his hands on his mother's buttocks so that she would not fall.

"Yay. I'm flying," Ye Xueyin raised her right arm forward and smiled happily.

"Hahahaha." Xiao Tian couldn't help but smile after hearing his mother's words.

Because Xiao Tian noticed that his mother was enjoying herself, he didn't immediately go to the dining room.

When Ye Xueyin noticed that her son was heading to the living room, she immediately said, "We are on the wrong route, sir."

"Oh!" after they were in the living room, Xiao Tian headed to the dining room, "Fasten your seat belt, lady Xueyin. We are about to landing,"

"Aye, sir." Ye Xueyin then locked her arms around her son's neck again.

After entering the dining room, Xiao Tian put his mother on the chair and laughed, "Hahaha,"

"Hehehe," Ye Xueyin also laughed.

"You two look like kids." Ye Qingyu opened he mouth widely when she saw what her big sister and nephew had just done. Then she suddenly realized something, "Why are you two naked?"

"I forgot to wear clothes earlier," Ye Xueyin gave her little sister an honest answer and made an innocent face as if naked was a normal thing for her.

"Me too," the reason Xiao Tian didn't wear clothes was that he was too lazy to put on his clothes. That was why he headed to the dining room naked too.
