Chapter 31 - Good Night, Love You

"I want to start a business." Xiao Tian gave an honest answer.

"What?! You want to start a business?!" like before, his words much surprised her. "What kind of business do you want to do?"

"Clothes" After taking over Xiao Tian's body, there were many things that he wanted to do, and one of them was to open a clothing business.

"Oh! So, you want to start a clothing business, huh? That's good!" in her view, it was not a bad idea for a beginner like Xiao Tian, because clothes could last a long time, so it didn't matter if he couldn't sell it for a month or so. As long as he took care of the clothes, he could sell it again, even after a few months.

Unlike restaurants, if the food was not sold at the end of the day, almost all the food could not be sold again the next day.

That was why Xiao Tian decided to start a clothing business. "I want to sell my designer clothes."

Ye Qingyu was unhappy with his words. Ye Qingyu thought Xiao Tian only wanted to start a business to make him look cool.

"Tian, do you think designing clothes is easy? Your major is not even in design. Do you want to waste your money?" Ye Qingyu tried her best to hold back her anger.

Xiao Tian knew why Ye Qingyu was furious, so he said with a serious face, "Aunt, I know what to do, and I'm sure I can become a successful person later. "

"I disagree! If you want to start a clothing business, sell clothes from famous brands." Ye Qingyu knew that designing clothes was not an easy thing to do.

Not only that but designing clothes needed a lot of money too. If he failed to sell his clothing designs later, all his money would be wasted later, and Ye Qingyu didn't want that.

"Aunt, did you forget that I met Yun Xin Er today?" Xiao Tian inquired.

"What are you trying to say?" Ye Qingyu didn't know why he suddenly talked about Yun Xin Er.

"I asked her to wear my clothing design at her next live concert, and she agreed if she liked my clothing design." Xiao Tian explained to his aunt that he had planned everything. "So you don't have to worry. If Yun Xin Er wears my clothing designs, I'm sure there will be a lot of orders after her live concert is over."

Like before, his words much surprised her.

Today, her nephew gave her lots of shocking news, from how he could play the piano well, got first place until a famous singer bought his song.

Not only that, her nephew even wanted to start a clothing business. And what surprised her most was that her nephew told her that he already had an agreement with a famous singer to wear his clothing designs.

Ye Qingyu felt like she didn't know her nephew anymore after returning to Shanghai.

Her nephew also changed a lot, from a shy young man to a beast. Her nephew also became smarter and braver in taking action. He didn't waste a single opportunity in front of him.

"Is that so? Now tell me, do you really know how to design clothes?" Ye Qingyu asked curiously

"Of course," Xiao Tian answered instantly, "If I didn't know, I wouldn't dare to do it."

"Where did you learn it?" Ye Qingyu inquired.

"At university and the internet." Xiao Tian held her shoulders and looked at his aunt. "Aunt, I want to be a successful person, so I can make you and mother happy. If I become a successful person, both you and mother don't need to work anymore. You two only need to go shopping or something like that."

Ye Qingyu was touched by his words, so she decided to give him a chance. "Fine! I will wait for you to become a successful person."

Xiao Tian was pleased when his aunt agreed with his idea. "Don't worry. I will become a successful person and make both of you happy."

Ye Qingyu leaned her head on his left shoulder. "Un."

Not long after that, she fell asleep. When Xiao Tian noticed his aunt was sleeping, he turned off the TV and carried her to her room.

'As I thought, her room has the same fragrance as hers.'

When Xiao Tian stepped into his aunt's room, he smiled softly.

Her room was almost the same as Ye Xueyin's bedroom, but the difference was that there was no bathroom in her room.

After putting Ye Qingyu on the bed, Xiao Tian kissed her forehead and smiled, "Good night, aunt. I Love you."

What Xiao Tian didn't know was that she was already awake, but she pretended to be asleep. So when he carried her to her room and kissed her forehead, a tiny smile appeared on her face. It was a pity that Xiao Tian didn't know about it.

Xiao Tian then headed to his bedroom and laid down on the bed.

When he recalled what happened today, a smile appeared on his face because the first step for him to become a successful person was already in his hands. He only needed to do it thoughtfully and carefully.

In his previous life, his father's clothing design always became hit news, and many famous people bought it from actresses, actors, businessmen, and other important people.

Xiao Tian raised his right arm and said, "I can do it!"

Chapter 32 - Announcement

5-6 minutes

In the morning at Li Entertainment company, a beautiful young man and a middle-aged man were looking at each other.

The room was big. There was a workbench, a couch, and four small trees on the corner of the room. From inside the office, anyone could see the beauty of Shanghai through the window.

"Xin Er, we can't add any more songs to your album. The launch of your album is near. It's impossible to add a new song in your album." the middle-aged man uttered. "How about we put this song in your next album?"

"No." Yun Xin Er refused instantly. "Please do something about it. We can postpone the launch of my album. I want this song to be added to my current album."

"Xin Er, we can..." before Li Wen had finished his words, he was interrupted by Yun Xin Er.

"Director, please listen to this song first." Yun Xin Er said seriously, "I'm sure you'll change your mind after hearing this song."

Yun Xin Er played the video where Xiao Tian and Yun Xin Er recorded on the company studio.

After the video was played, Li Wen had the same reaction as the audience's reaction when Xiao Tian played the melody at the piano competition.

Li Wen shivered and lost all his senses. He felt as if he were inside an angel's body. He thought the composer was a genius because he could create a masterpiece song like that.

Li Wen began to have a complicated face. He was sure if they added this song to Yun Xin Er's album, she would be more popular, and it would be good for her and the company as well.

If the song was added with a video clip, it would be a perfect song, but making the video clip would take a few days or maybe a week.

Li Wen was wavering at this moment. He wanted to add the song to Yun Xin Er's album, but if they were to add the song right now, they couldn't launch the album on time.

The company had informed the mass media about the date of Yun Xin Er's album release. If they postponed the time of her album launch, what would the mass media and her fans think about them?

The Company and Yun Xin Er would be labeled as liars, and that would adversely affect the company's reputation.

"Director, what do you think?" Yun Xin Er asked as she looked at him.

"This song is a masterpiece. I'm sure you will be more popular with this song," Li Wen said as he touched his chin.

Li Wen was thinking whether he should add the song to Yun Xin Er's next album or the current album. However, Yun Xin Er's upcoming album would be at least a year from now on.

"Xin Er, where did you get this song?" Li Wen asked curiously.

Instead of answering his question, she asked, "Director, do you remember when you forced me to be a judge at the piano competition?"

Li Wen widened his eyes and answered, "Wait. Don't tell me.."

"Yes. I bought this song from one of the contestants. After hearing the song, I knew that this song is a masterpiece and can make me more popular later," Yun Xin Er said before she added. "He also won first place in the piano competition."

"Tell me about him." Li Wen wanted to know what kind of person could make a song like this.

"His name is Xiao Tian. He is nineteen years old and a college student." she replied.

Li Wen looked at Yun Xin Er and spoke, "He's still young and has made a song like this. Xin Er, you have made the right decision to buy this song. What's the price of this song?"

"100.000 Yuan," Yun Xin Er said honestly

"100.000 Yuan? That's the same price as the price we bought a song from a professional composer." Li Wen was a little shocked after hearing Yun Xin Er's word. "But this song is worth it. No! If a professional composer owns this song, I'm sure they will sell it for more than 100,000 Yuan."

"Yes, you're right" Yun Xin Er nodded her head.

".. And he is only nineteen years old. What a genius young man," Li Wen thought the composer was at least 24 years old. "I need to take risks for this kind of song."

Upon hearing Li Wen's words, Yun Xin Er was pleased because she managed to get director Li to put the song on her album. "So, you will add this song to my current album, right?"

Li Wen took his smartphone and called someone "Call the reporters. I want to announce about Yun Xin Er's album launch."

"Yes sir." a voice rang out from his smartphone

"Xin Er, I want to meet this young man. Can you arrange it for me?" Li Wen said.

"Alright. Leave it to me." Yun Xin Er said as she nodded her head.

"Get ready! We need to make a video clip today so that we can finish it as soon as possible," he said, "I will tell all the producers to make preparations."

"Yes director" Yun Xin Er said as she smiled

"Un, you can go," Li Wen said as he nodded.

Chapter 33 - I Miss You (E)

9-11 minutes

After breakfast, Xiao Tian wanted to go to Lin Xing Xue's house.

"Where do you want to go?" Ye Xueyin inquired.

"Mother, I have to go somewhere." Xiao Tian said as he waved a goodbye

"Alright." Ye Xueyin said as she smiled

After walking for a few minutes, Xiao Tian arrived at Lin Xing Xue's house.

'It's her.'

Xiao Tian wanted to surprise when he saw Lin Xing Xue closing the door.

Realizing that Xiao Tian was behind her, Lin Xing Xue turned around and spoke, "Mm... What are you doing here?"

Xiao Tian stopped his footsteps and responded, "Little Xue. I miss you."

"You came here so early only to say that?" Lin Xing Xue inquired

"Un. After not seeing you for several days, it makes every piece of me aches for you, so I immediately come to your home to see you because if I don't see you right now, I think I'm going crazy from missing you "Xiao Tian said

"It's still early in the morning, and you are already trying to seduce me?" Lin Xing Xue said as she smiled

Xiao Tian held her hands and looked into her eyes. "Little Xue, I'm not trying to seduce you, I really miss you. I miss you a lot."

"Is that so? How much do you miss me?" Lin Xing Xue asked as she giggled

"If I had a single flower for every time, I think about you, and every time I miss you, then I'd be walking forever in an endless garden," Xiao Tian said as he looked at her eyes.

"You really know how to please a lady, huh? It seems like your future girlfriend will be lucky to have you as a boyfriend." Lin Xing Xue said as she smiled

"Of course! I'm sure you'll be lucky because I'll do anything to make you happy." Xiao Tian said proudly

"Why did you bring me into this conversation?" Lin Xing Xue inquired

Xiao Tian pointed his right index finger at her and replied, "Because you're my future girlfriend."

"Are you sure I'll become your lover in the future?" Lin Xing Xue asked as she giggled

"Of cour—wait. How about we officially become lovers now?" Xiao Tian inquired

"Did you say something? Sorry, I can't hear you." Lin Xing Xue pretended as if she heard nothing.

"Can't hear me, huh." Xiao Tian spoke and paused for three seconds before he continued. "Little Xue, how about we go inside your home and do shake-shake-ah-ah thing right now. Just take a day off today."

[Note: shake-shake-ah-ah = have sex]

"Hey!" Lin Xing Xue shouted

"Hahaha. Didn't you say you can't hear me? How come you can hear me now?" Xiao Tian said as he laughed

"You... Stop bullying me!" Lin Xing Xue said as she hit him

"Hahaha. I'm joking. I'm joking," Xiao Tian said as he laughed "But, I have no idea that little Xue understands the meaning of the shake-shake-ah-ah thing that I'm talking. Wait, don't tell me... Little Xue, you.....you..."

When Lin Xing Xue knew that Xiao Tian wanted to say something she didn't want to hear, she immediately said, "What are you thinking? I don't understand the meaning of shake-shake-ah-ah thing!"

"Really?" Xiao Tian asked with a smug face.

"Of course! I just heard it today! I heard it from you." Lin Xing Xue said as she turned her head to another side to avoid his gaze.

"If you don't know, why are you suddenly yelling when I say shake-shake-ah-ah thing?" Xiao Tian asked as he teased her.

"Did I just yell? I think you heard it wrong. Ah! Maybe it was a shout from neighbored" Lin Xing Xue denied shamelessly

"Oh! Is that so? Look like I have to say it again." Xiao Tian said.

"Xiao Tian... Stop bullying me." Lin Xing Xue pouted her lips.

After several seconds, Xiao Tian decided to stop teasing her and spoke, "Little Xue, there's something in your hair."

Lin Xing Xue touched her hair and inquired, "Where is it?"

Xiao Tian raised his right hand and touched her hair near her right ear "It's here."

"What is it?" Lin Xing Xue asked

Xiao Tian was clenching his right hand so Lin Xing Xue couldn't see anything. However, when Xiao Tian opened his fingers one by one, a beautiful necklace could be seen on his palm. The necklace had a silver heart shape.

When she saw a beautiful necklace on his right palm, Lin Xing Xue didn't know what to say. She had no idea that Xiao Tian would surprise her like that.

She thought Xiao Tian only wanted to tease her like he usually did. "It's beautiful. Is it for me?"

"Yes. A beautiful necklace for a beautiful lady." Xiao Tian said as he smiled

Lin Xing Xue took the necklace and looked at it carefully. She was fascinated by the beauty of the necklace.

After looking at the necklace for a few seconds, Lin Xing Xue immediately hugged Xiao Tian and smiled happily, "Thank you, Xiao Tian."

Xiao Tian hugged her back and responded, "I'm glad you like it"

"I like it very much. It's beautiful" Lin Xing Xue did like necklace.

Xiao Tian then stopped the embrace and spoke, "Let me help you put it on."

"Un" using her right hand, Lin Xing Xue lifted the ends of her hair so Xiao Tian could put the necklace easily.

After putting the necklace on her neck, Xiao Tian turned her body around, making her face him. "Little Xue, you're beautiful."

"Thank you," her face broke into a smile.

After that, they looked into each other's eyes for a few seconds before finally, Xiao Tian brought his face closer towards hers.

When she saw his face coming closer towards hers, Lin Xing Xue knew what he wanted to do. Lin Xing Xue slowly shut her eyes, ready to welcome the kiss.

Not long after that, they kissed for about five seconds, a kiss with a full of love.

After kissing her, Xiao Tian held her right hand and uttered, "Let's go. Otherwise, you'll be late for work later."

"What? Are we going to my workplace holding hands?" Lin Xing Xue asked shyly

"Why not? We are lovers, and it's normal for lovers to hold hands, right?" Xiao Tian said as he looked at her

"But, I still haven't agreed to become your lover." Lin Xing Xue responded.

"I know. But you will become my lover soon." Xiao Tian said confidently.

"You're overconfident!" Lin Xing Xue said as she giggled.

"It's not overconfident. It's called determination." Xiao Tian shamelessly denied.

"You really can answer everything, huh?" Lin Xing Xue uttered,

"Well, if someone is talking with a beautiful lady like you, I'm sure they'll also know how to answer everything." Xiao Tian did not forget to use his sweet words.

"Oh! Is that so?" Lin Xing Xue asked

"Of course...not" Xiao Tian laughed

"Hateful!" Lin Xing Xue said as she hit him. "Alright, let's go."

Xiao Tian was happy at that moment, making him smile from ear to ear. "Little Xue, how about we have dinner tonight?"

"Why did suddenly you invite me to dinner?" Lin Xing Xue asked curiously.

"I want to spend time with you in a beautiful place so we can make beautiful memories together." Xiao Tian said as he pinched her nose.

"Why do you always pinch my nose? What if something happens to my nose later?" Lin Xing Xue said, rubbing her nose.

"Then, I will take responsibility and marry you." Xiao Tian said as he smiled

"What? You even still haven't become my boyfriend, and you want to marry me?" Lin Xing Xue said in disbelief.

"Why not? Is there a rule that I can't marry you just because I still haven't become your lover?" Xiao Tian asked

"No.... But, we need to do everything step by step," Lin Xing Xue said

"Alright, alright. We'll do everything step by step." Xiao Tian said as he smiled

"Good!" Lin Xing Xue said as she smiled

They continued walking hand in hand, and of course, Xiao Tian always teased her and tried to seduce her all the time.

Not long after that, they arrived at her workplace. Because it would be embarrassed if her co-workers saw her holding hands with a young man, she tried to let go of Xiao Tian right hand.

However, it was too late because one of Lin Xing Xue's co-workers had seen them holding hands.

"Ms. Lin, who is he? Is he your boyfriend?" one of Lin Xing Xue's co-workers asked curiously.

"What are you talking about?" Lin Xing Xue tried to hide her embarrassment.

"Eehhhhh. If he is not your boyfriend, why are you holding hands with him?" one of Lin Xing Xue's co-workers inquired.

At this moment, Xiao Tian thought it was a golden opportunity to tell Lin Xing Xue's co-workers that Lin Xing Xue already had a boyfriend. "That's right. I'm her boyfriend. Please take care of my lover at her workplace."

After saying that, Lin Xing Xue pinched Xiao Tian's waist. Lin Xing Xue wanted to explain everything, but Xiao Tian's hands were covering her mouth.

"Ms. Lin, your boyfriend is handsome, and he is also young," one of Lin Xing Xue's co-workers suddenly felt jealous of her.

Lin Xing Xue glanced at Xiao Tian, but he treated it as if he saw nothing. "Thank you, big sister."

"Ms. Lin, can you tell me your secret to get a boyfriend like him?" one of Lin Xing Xue's co-workers asked as she pointed her index finger at Xiao Tian.

Lin Xing Xue couldn't say anything and could only sigh. At this moment, Xiao Tian felt like a winner in the competitions, because with this, he managed to tell everyone that Lin Xing Xue already had a boyfriend.

"Let's not talk about this and get to work. If the manager knows, she will be angry," Lin Xing Xue dragged her co-worker to the workplace.

Xiao Tian then made 'I Love You' pose.

Lin Xing Xue sighed and said, "Alright, alright."

After Lin Xing Xue entered her workplace, Xiao Tian immediately left.

And with that, all Lin Xing Xue's co-workers knew that Lin Xing Xue had a boyfriend. Her boyfriend was a handsome young man. Some of the women were happy for her while others were jealous of her.

Chapter 34 - Come Here And Hug Your Lover

5-7 minutes

In the evening, Xiao Tian went to Lin Xing Xue's house to invite her to dinner. Upon arriving at her house, Xiao Tian immediately knocked on the door, but no one answered.

Xiao Tian thought Lin Xing Xue didn't hear it, so he kept knocking the door for a few minutes, but still, no one answer. He took out his smartphone and called her, but she didn't pick up her phone.

After calling Lin Xing Xue three times, Xiao Tian decided to stop calling her because she still didn't pick up her phone

Thinking maybe he was working overtime or going somewhere, Xiao Tian sat on the terrace floor, deciding to wait for her.

Time went by quickly, and it was already 8:00 pm, but Lin Xing Xue still hadn't come home yet. Xiao Tian kept waiting and waiting, hoping she would come home soon until he finally fell asleep.

Last night, Xiao Tian prepared everything for his business, which was why he lacked sleep.

Not long after Xiao Tian fell asleep, a beautiful woman walked closer toward him. However, because Xiao Tian was sleeping, he didn't know that a beautiful woman was near him.

"What is he doing here?" Lin Xing Xue was surprised after seeing Xiao Tian." But looking at him sleeping like this, he looks cute"

Lin Xing Xue sat next to him and looked at him. She didn't know why she felt comfortable around him. Xiao Tian's presence always made her happy, like his teases, his jokes, his smile, his touch, and his determination to make her his lover.

In the past, Lin Xing Xue had never thought their relationship would become like this. In the past, they often met, but they never had a long conversation.

They only greeted each other every time they meet, nothing more. Lin Xing Xue also remembered that Xiao Tian didn't behave like this. She thought he was a quiet person in the past, but she was wrong.

Well, maybe because in the past I never know him well. Lin Xing Xue thought to herself.

Looking at Xiao Tian's sleeping face, Lin Xing Xue suddenly touched his cheeks and smiled.

'Why did you want me to be your lover? You're a handsome young man, and I'm sure many beautiful young girls are happy to become your girlfriend.

Sometimes, I'm afraid you only want to play with me, I'm so scared because I feel that I'm getting used to your presence.

When you have become an adult later, I will become an old woman. At that time, will you still want me as you want me right now?

Tian, what should I do? Will you cherish me if I give you myself? Will you promise me that you won't leave me? Will you promise me that you will still love me when I become an old woman, and will you promise me that we will together until death do us part?'

She was lost in her thought. She had a complicated feeling toward the young man next to her, and she didn't know what should she do about it.

Many things hinder her, like the age difference or what'll his family thinks if they were a lover.

At this moment, Xiao Tian, who was sleeping, suddenly woke up when he felt someone touching his cheeks. After opening his eyes, Xiao Tian saw Lin Xing Xue was touching his left cheek.

"Little Xue, welcome home," Xiao Tian said as he smiled

Upon seeing his beautiful smile, Lin Xing Xue broke into a smile, "I'm home."

"Do you want to eat dinner first? Do you want to take a bath first? Or...." Xiao Tian said and paused for two seconds before he continued, "Do you want...me?"

Upon hearing Xiao Tian's words, Lin Xing Xue covered her mouth and laughed, "What is that? Are you a housewife?"

"Well, you wouldn't say it to me, so I'll be the one to say it to you?" Xiao Tian said, "So what is it? you want me, right?"

Lin Xing Xue giggled and said, "I don't want you. You're overconfident!"

"Ahh. Little Xue, don't be shy. Just say what you want" Xiao Tian said as he smiled.

After saying that, Xiao Tian opened his arms, asking for a hug, "Little Xue, come here and hug your lover."

Lin Xing Xue stood up and said, "Hmmm. What are you doing posing like that? Do you want to become a painting model?"

"What is that? Who wants to become a painting model? I only want to ask for hug," Xiao Tian said while sighing. "And you don't want to hug me. I even wait for you until I fell asleep."

Lin Xing Xue opened the door and said, "Do you want to come in or not?"

Xiao Tian immediately stood up and said happily, "What? don't tell me you want to hug me inside the house?"

"Who wants to give you a hug?" Lin Xing Xue said as she giggled, "And why did you come here?"

"Hug me first. After that I will tell you why I came to your house" Xiao Tian said

"If you don't want to tell me, it's fine. I am not curious" Lin Xing Xue said as she smiled

Xiao Tian sighed and said, "I want to invite you to have dinner with me. I've reserved a table."

"Why don't you tell me beforehand?" Lin Xing Xue said. She then looked at her wristwatch, "It's already 8.15 pm."

"I said it this morning. I invited you to dinner this morning," Xiao Tian said, "Don't tell me, you forget about it?"

Suddenly Lin Xing Xue remembered that Xiao Tian invited her to have dinner with him this morning, but because she didn't want to feel embarrassed, she decided to continue acting as if she didn't know about it "Is that so? I don't remember you invited me to dinner?"

"What? You forgot about it?" Xiao Tian said, "It's alright. Just put your bag and let's go to that place."

She was stunned because he didn't mind it or blame her for forgetting about it. "Wait, I want to change my clothes first."

"Un" Xiao Tian said as he nodded

Chapter 35 - Dinner

Not long after that, Lin Xing Xue came out of her bedroom. When Xiao Tian saw her, he was stunned. He felt the world lost its color at that time.

She wore a black sleeveless cheongsam, and black clothes were draped her neck, extending down to her bosom. Her plump breast was standing upright under the flexible black cloth, with two points sticking out on the summit.

Her smooth back and shoulders, as well as her soft willow-like arms, were exposed outside. An open fork extended till her waist at the side of the skirt, exposing her snow white and slender thighs.

Her perfect round and ample butt were sticking up at an unimaginable angle, and her slender waist took the shape of a tempting curve.

She stood up, elegantly, and said, "Am I pretty?"

"Yes. Pretty and elegant," Xiao Tian said as he smiled. "As expected of my lover."

"Thank you" Lin Xing Xue smiled beautifully

They immediately went to the dinner place. Along the way to the dinner place, every time they passed a man, they were always stealing glances at her.

Seeing that, Xiao Tian held Lin Xing Xue's right hand and looked at them with a smug face. After seeing Xiao Tian's smug face, all the men, who were stealing glances at Lin Xing Xue, immediately cursed him in their head.

After knowing that Xiao Tian was holding her right hand, Lin Xing Xue looked at him for a second before looking at the road again.

Lin Xing Xue was used at how he always holds her hands when they walked together, so she didn't do or say anything to him and let him hold her right hand.

Not long after that, they arrived at the dinner place. The dinner place was on the edge of the lake. They immediately headed to the receptionist.

After that, one of the waitresses guided Xiao Tian and Lin Xing Xue to the reserved table.

It was an outdoor dinner place, and the dinner place was simple. There was only one long bamboo chair about one and a half meters with a table in front of it.

But what made it romantic was, on the ground, there were many different colors of electric candles in a heart shape with the dinner table in the middle of that heart shape candle.

There was also one small electric candle in the middle of the table to make the dinner atmosphere more romantic. Lin Xing Xue and Xiao Tian sat on the bamboo chair and looked at the lake.

"How is it? Do you like this place?" Xiao Tian asked abruptly

"Yes. This place is beautiful" Lin Xing Xue said as she nodded

Xiao Tian held her hands and smiled, "I'm glad you like it."

Upon seeing him holding her hands again, Lin Xing Xue giggled and said, "It seems you really like holding hands, huh?"

"Because it's your hands, so I will never get enough of it," Xiao Tian said honestly

"I knew you would say that," Lin Xing Xue said as she smiled

"Look like I need to give a different answer next time." Xiao Tian said as he smiled

"like what?" she asked curiously

"Secret" Xiao Tian winked his right eye.

"Hehe. What's this? Now you want to pretend to be a mysterious person?" Lin Xing Xue said as she giggled

"What are you talking about? I don't pretend to be a mysterious person. I already a mysterious person the moment I was born because mysterious is my middle name. My name is Xiao Mysterious Tian" he said jokingly

"Hahaha. You're also funny sometime," Lin Xing Xue said as she laughed.

Not long after that, the waitress came while carrying the food and drinks. After placing the food and the drinks on the table, the waitress immediately left.

"You always know how to please a lady." Lin Xing Xue said.

Lin Xing Xue leaned her head on Xiao Tian's right shoulder and said, "Xiao Tian."

Xiao Tian turned his head and said, "Mmm. What is it, little Xue?"

Lin Xing Xue opened her mouth but suddenly closed it again. It looked like she wanted to say something but decided to against it.

After looking at her like that, Xiao Tian held her left hand and said lovingly, "If you can't say it, I will wait until you can say it"

After hearing his words and his loving voice, Lin Xing Xue said, "Why do you love me?"

Xiao Tian was stunned after hearing her words. He didn't know why she suddenly wanted to know about his feeling.

Xiao Tian smiled and said, "I love you because I feel comfortable with you by my side. I love you because every cell of my body responds to your touch, to your look, to the way you move and the way you sound. I love you because something, inside me, directed me to you... it's my soul, and you are its mate."

After hearing his answer, Lin Xing Xue was stunned. She looked at him intently as if she wanted to know whether he was lying or not. However, after looking into his eyes, she can feel his sincerity, honesty, and seriousness.

"But....." Lin Xing Xue was wavering at that moment. She could feel that she has fallen in love with him too, but many reasons make her unable to say the word 'I love you too'.

"There's no but. Little Xue, I know that you still doubt me, and I can understand it. I also know the age difference between us is huge, but it can't stop me from loving you. Little Xue, if you can't accept me today, I'll wait until tomorrow, if tomorrow you still can't accept me, I'll wait until the day after tomorrow. Little Xue, whether it's a day, month, years, I don't care. I'll wait until you can fully accept me," Xiao Tian said in a loving voice.

"Thank you, Tian." Lin Xing Xue said as she hugged his right hand tightly. It was the first time she has called him only by his birth name because she usually calls him by his full name.

Using his left hand, Xiao Tian took food with a spoon and fed her. She didn't reject it when he wanted to feed her. She only looked at him, smiled at him, and ate the food.

They were eating the food using one spoon until a few minutes later they finished eating. Lin Xing Xue then put her head on his lap while holding his hands.

She was happy at that moment. "Tian, thank you for inviting me to have dinner with you."

"How about you give me a reward?" he asked

"What do you want?" she asked curiously

"A kiss," he said honestly

She smiled and said, "Alright."

He had kissed her many times, so Lin Xing Xue thought, one more kiss was fine. After hearing her words, Xiao Tian brought his face closer and kissed her cherry lips.

Chapter 36 - Just You Wait, I'll Slap Your Buttocks Using A Wad Of Money

After he had dinner with Lin Xing Xue, as usual, he brings her back to her house and left. When he got home, it was already 11 pm. Xiao Tian thought his mother and aunt were sleeping, so he opened and locked the door quietly.

However, when Xiao Tian was in the living room, he saw his mother and his aunt watching TV.

"Tian, look. Miss Yun and the director of Li entertainment company are on TV," Ye Xueyin said abruptly, "They want to announce that Yun Xin Er's album launch will be postponed."

Hearing Ye Xueyin's words, Xiao Tian turned his head to the TV and saw Yun Xin Er on TV. She was wearing a blue dress, and as usual, she looked so pretty wearing a blue dress. On her right side, there was a mature and elegant middle-aged man. He was Li Wen, director of Li entertainment.

After seeing that, Xiao Tian was stunned.

'What is this? Why did the director of Li entertainment himself the one who gives the mass media explanation about Yun Xin Er's postponed album launch?

This is not the director's job? Is Yun Xin Er so important for Li entertainment until to make the director of Li entertainment himself the one explaining the reason about Yun Xin Er's postponed album launch?'

Xiao Tian thought many possibilities but still couldn't find the reason for it.

"Tian, don't tell me, they want to add your song in Miss Yun Xin Er's current album?" Ye Xueyin asked curiously

"Yes. It seems to be the only reason" Xiao Tian said

Of course, Li Wen didn't tell that to the mass media. They only tell them that the reason they decided to postpone Yun Xin Er's album launch was because of a private matter.

"Not bad, Tian." Ye Qingyu was surprised when she knew that Li entertainment company decided to postpone Yun Xin Er's album launch because they wanted to add her nephew's song into Yun Xin Er's current album. "Why don't you become a composer instead of a businessman? You already get 100,000 Yuan only by selling one song. If you sell ten songs, you will become a rich person. If I were you, I would think about becoming a composer."

Xiao Tian sighed and said, "Did you think making a good song is an easy thing, aunt? And I also don't have musical equipment to support me in making songs"

'Illusion' was the best song he had made. It wasn't easy to make that song. In his previous life, he had changed the melody and lyrics many times before he was finally creating that masterpiece song. Xiao Tian thought being a businessman was better than being a composer.

If he becomes a composer, he needs to wrack his head every day to compose a song. If he doesn't compose a song, he won't get any income. However, if he becomes a businessman and succeeds, he can spend all his time with his aunt, mother, and Lin Xing Xue but still get money. That was why he chose to become a businessman rather than a composer.

"Is that so?" Ye Qingyu said, "Then why don't you buy musical equipment using the money you got from Miss Yun or the competition?"

"Aunt, don't underestimate my dream!" Xiao Tian said, "Just you wait, soon, I'll slap your buttocks using a wad of money."

Hearing Xiao Tian's words, Ye Xueyin covered her mouth and giggled.

Ye Qingyu was surprised by his words

"Oh! Is that so? Then, aunt will wait for you to slap aunt's buttocks using a wad of money," Ye Qingyu said, intending to make fun of him.

Upon hearing Ye Qingyu's words, which have the intention to make fun of him, Xiao Tian only smiled and pretended to hear nothing. He walked toward his aunt and kissed her lips "Just you wait, aunt"

Xiao Tian walked to his mother and kissed her lips too. After that, he bowed slightly and said, "Good night, ladies"

After saying that, Xiao Tian headed to his bedroom and lay down on the bed.

"Big sis, look at your son. Pretending to be a gentleman, even though he is a beast" Ye Qingyu said.

Ye Xueyin giggled and said, "Let him be."

"He even behaves as if he's already a successful businessman" grimaced Ye Qingyu

"Let him smile now. We can make fun of him if he fails later, and it'd be satisfying. Hehe" Ye Xueyin said jokingly

"You're right. At that time, we will take our revenge for what he did to us until now." Ye Qingyu said as she laughed.

The next day at 05.05 am, after waking up and washing his face, Xiao Tian headed to the dining room to drink water. The dining room was around 5x6 meters. In the middle of the room, there was a table without a tablecloth with four chairs.

The stationary drapery panels had brush fringe on the leading edge and were hung from decorative knobs. The tortoise window shades provided privacy from outside while letting the light into the house.

There was also a small table in the corner of the room with a plastic flower on the table, and next to the small table was a refrigerator.

After entering the dining room, Xiao Tian saw his aunt sitting in the chair. There was also a glass of water in front of her.

Ye Qingyu looked at him and said, "Ah Tian, you already awake?"

Xiao Tian took a glass of water and walked to Ye Qingyu.

"I just woke up." Xiao Tian sat next to his aunt and kissed her cheeks. "Good morning, aunt."

"Good morning" Ye Qingyu smiled

"Why did you wake up this early, aunt? You are off work today, right?" Xiao Tian asked curiously

"Do you think I'm like you?" Ye Qingyu said

"Hey! That's hurt, you know! I'm also a morning person," Xiao Tian said and paused for two seconds before he continued, "...Sometime"

"You should wake up early and do more exercise so that you will be healthy." Ye Qingyu said

Xiao Tian touched his chin and said, "Now that aunt reminds it, I should do some exercise too. It's been three months since I last do some exercise"

Of course, when he said three months, it was including his previous life.

In his past life, there was a gym room, and he did some exercise every day. From the shape of his new body, he knew that his predecessor also did some exercise.

"Aunt, I know some exercise that can be done together. It also gives us satisfaction. Let's do it together, aunt" Xiao Tian said as she smiled

Upon hearing his words, Ye Qingyu was curious and asked, "What is it?"

After saying that, Ye Qingyu started drinking water again.

Xiao Tian brought his face closer to her left ear and whispered "Sex"

PURRRTTT

Upon hearing his words, water splashed out of her mouth

Chapter 37 - Morning Exercise

9-11 minutes

Upon hearing his words, Ye Qingyu immediately said, "Just do it with your hands! Think of it as an exercise for your hands."

"How could you say that, aunt?" Xiao Tian said while moving his chair closer to his aunt's chair. He was now at Ye Qingyu's left side.

After looking at his aunt's lingerie, Xiao Tian had a smug face. Ye Qingyu was wearing a sleeveless purple lingerie. Her lingerie was super short. Her lingerie only covered up to her private place so because she was sitting on the chair, Xiao Tian could see her blue thong clearly.

"What do you want to do?" Ye Qingyu asked curiously

After seeing his sexy aunt, Xiao Tian used his right hand to rub his aunt's pussy through her blue thong.

"Ahhh... "Ye Qingyu moaned when Xiao Tian's right hand was rubbing her pussy through her blue thong.

"Aunt, did you wear this sexy purple sleeveless lingerie to seduce me?" Xiao Tian teased her.

"Ahh...No..... "Ye Qingyu tried her best not to moan loudly because she didn't want to wake up her big sister with her moans.

"Oh! Is that so? So why did you wear this kind of lingerie around the house?" Xiao Tian asked, "You even let me see your sexy blue thong. You did it on purpose, right?"

"Ah... I'm not trying to seduce you...Ah.." Ye Qingyu said as she moaned

Because she was in her home, she didn't bother to change her short sleeveless lingerie into normal clothes after waking up.

There was only her nephew and her big sister at home, so Ye Qingyu thought it was fine to wear a sleeveless lingerie. That was why she didn't bother to change her short sleeveless lingerie into normal clothes and immediately headed to the dining room to drink water while still wearing a short lingerie.

"You're lying. Admit it! You're trying to seduce your nephew, don't you?" Xiao Tian teased her again

At this moment, Xiao Tian could tell that Ye Qingyu's blue thong was already wet with her love juice.

She covered her face with her hands and shook her head "No...Ah... I'm not trying to seduce you...Ah..."

"It seems you don't want to admit it, huh, aunt?" Xiao Tian said

At that moment, Ye Qingyu's nipples were already erect because Xiao Tian kept rubbing her pussy through her thong.

Upon seeing Ye Qingyu's erect nipples, Xiao Tian smiled.

"Ahhh... It hurts" Ye Qingyu said when Xiao Tian bit her right nipple hard

"Tian... Ahh... Don't bit aunt's nipples too hard, do it gently...Ah..." Ye Qingyu said as she moaned

Upon hearing her words, Xiao Tian stopped biting her right nipple and brought his face closer to her left ear. "So, aunt didn't ask me to stop and only ask me to bit her erect nipples gently."

After hearing his words, Ye Qingyu didn't answer him and only moaned.

Using his left hand, Xiao Tian grabbed Ye Qingyu left hand and forced her hand to rub his cock through his short pants

"Ahh... It's already hard," Ye Qingyu said when she felt Xiao Tian's cock was already hard.

"Of course. It's because my aunt is so sexy, making my little brother woke up. Aunt, shouldn't you be responsible for waking up my younger brother?" Xiao Tian said while licking her left ear

"Ahh.... But aunt didn't wake your little brother" Ye Qingy's body shivered for a second when Xiao Tian licked her left ear.

"So, this is my fault?" Xiao Tian thrust his index finger into her vaginal hole through her thong, causing her blue thong to enter inside her vaginal hole along with his index finger.

"Ahhhhhhh" Ye Qingyu moaned louder

At that moment, Ye Qingyu began rubbing Xiao Tian's cock through his pants, on her own.

Upon seeing Ye Qingyu was rubbing his cock on her own, Xiao Tian smiled and said, "What is this, aunt? are you can't hold back anymore?"

After hearing Xiao Tian's words, Ye Qingyu immediately denied, "...Ahh... Aunt don't understand what are you talking about?" Even though she said that she didn't stop rubbing Xiao Tian's cock.

Xiao Tian didn't want to lose to Ye Qingyu, so he grabbed her blue thong and pulled it up, causing her blue thong slip between her pussy and clitoris.

"Ahhh...." Ye Qingyu let out a soft moan

Because she was already lost in lust, Ye Qingyu no longer cared and began to moan louder and louder.

Ye Qingyu's hands, which was rubbing Xiao Tian's cock until now, suddenly stopped moving.

Xiao Tian, who was pulling up Ye Qingyu's blue thong repeatedly, stopped moving his hands when Ye Qingyu stopped rubbing his cock.

However, Ye Qingyu hands suddenly moved under Xiao Tian's short pants and rubbed Xiao Tian's cock directly.

"Ohh... "Xiao Tian groaned when Ye Qingyu rubbed Xiao Tian's sensitive cock area and played with it using her index finger.

"Tian...Tian.... " Ye Qingyu looked into Xiao Tian's eyes lustfully and started to breathe heavily.

Upon seeing his aunt, who was breathing heavily, Xiao Tian knew what she wanted.

Xiao Tian grabbed her waist and put her on the table.

"Kya" Ye Qingyu let out a cute voice when Xiao Tian suddenly put her on the table.

After placing the glasses on the chair, Xiao Tian looked into his aunt's eyes.

At that moment, they looked at each other for several seconds.

After that, Xiao Tian took off his short pants, and he spread his aunt's legs. Xiao Tian placed his hard cock on Ye Qingyu's blue thong and rubbing her pussy with his cock.

"Ahh...Tian....Ah.... Hurry up and put your cock inside aunt's pussy" Ye Qingyu said as she looked at him with lustful eyes

Upon hearing Ye Qingyu's words, Xiao Tian slid her blue thong to the other side and thrust his cock inside her pink pussy slowly.

"Ahhh....Ah..." Ye Qingyu said when she felt Xiao Tian's cock enter her pussy slowly.

"Do you like it, aunt?" Xiao Tian asked

At this moment, Xiao Tian still hadn't moved his waist. He only put his huge cock inside his aunt's pussy

"Yes." Ye Qingyu said, "Tian, your cock feels warm and good inside aunt's pussy. Aunt likes it."

"So, you only like my cock, huh?" Xiao Tian said as he teased her

"No! Aunt likes it because it's your cock." Ye Qingyu said as she shook her head.

Ye Qingyu held Xiao Tian's shoulders and said, "Tian...Hurry up and move your waist."

"Why don't you move your body yourself, aunt?" Xiao Tian said with a smug face

"Tian, hurry up and move or aunt.. aunt will go crazy," Ye Qingyu said desperately.

After saying that, she started to move her hips to the left and the right repeatedly.

Actually, Xiao Tian wanted to move his hips but decided against it. He still wanted to tease his aunt because his aunt was adorable at that time.

Because Xiao Tian still hasn't moved his hips, Ye Qingyu decided to move her hips while calling her nephew's name cutely "Tian...Ah....Tian...Tian...Ah....Tian...Ah..."

When Xiao Tian heard Ye Qingyu call his name while moving her hips, coupled with the feeling of her pussy squeezing his cock wildly, Xiao Tian started to move his hips.

"Ahhhh...Finally... Ah...Ahh..." Ye Qingyu let out multiple moans after Xiao Tian began thrusting his cock.

"Ah... Tian.... It feels good...Ah...Tian.....Ah.."

As Xiao Tian was moving his hips, he used his right hand to play with Ye Qingyu's clitoris. He rubbed her clitoris and sometimes pinched her clitoris gently too.

"Ahhhh...Tian, not the clitoris too....Ah....Ah...Ah.." she moaned loudly

Ye Qingyu felt as if she was in the nine clouds when Xiao Tian's cock hitting her womb repeatedly, coupled with how he skillfully played with her clitoris too, Ye Qingyu' body became frail.

Ye Qingyu was unable to sit on the table anymore and fell on the table while moaning louder and louder every time Xiao Tian thrust his dick.

At this moment, Ye Xueyin already woke up because of her little sister's loud moaned.

Ye Xueyin shook her head and said, "Those two! Why are the two of them having sex this early? And that little sister of mine, she even moans loudly."

At this moment, Ye Qingyu no longer cared whether her moans would wake up her big sister or not. She only wanted to continue to feel this pleasure and wanted to let out her moans.

"Ah....Ah...Ahh....Ah....Ah..." Ye Qingyu let out multiple moans when Xiao Tian thrust his cock deep inside her pussy

After a few minutes, Ye Qingyu felt like she was about to cum. "Ahh... Tian, it feels good. Ahhh... Tian.... I'm cummingggg....."

"I'm cummingggggg..." Ye Qingyu's body shivered for several seconds after she had an orgasm.

After she had an orgasm, they continued to have sex. After several minutes, Xiao Tian was about to cum.

"Aunt, I'm cummingggg" Xiao Tian groaned

"Tian...not in---- ahhhhh," she wanted to say not to cum inside her because today was not a safe day for her.

After he had an orgasm, Xiao Tian pulled out his cock and immediately, some of his sperm coming out from Ye Qingyu's pussy

"Tian, today is not a safe day for aunt, and the birth control is already used up. Now aunt needs to go buy it quickly" Ye Qingyu said with a scowl

"Don't be angry, aunt. I'll accompany you to buy it" Xiao Tian said as he smiled

"You don't need to accompany me," Ye Qingyu said

"Really?" Xiao Tian asked her

"Yes. I'll buy it myself" Ye Qingyu said

"No! Let's buy it together," he said as he insisted

"No! I'll buy it myself" she said

"No! I will accompany you to buy it" he said

"No! I'll buy it myself" she said

"No! I will accompany you to buy it" he said

And then they argued for a few seconds before finally, Ye Qingyu gave up.

Chapter 38 - Unexpected Guest

7-8 minutes

Today, after Xiao Tian had a date with Ling Xing Xue, he went straight home. However, after arriving at his home, Xiao Tian saw Yun Xin Er and some mature middle-aged man around forty-six years old in the guest room.

The guest room was around 3x4 meters. There were a red couch and table in the guest room, with sea and mountain paintings hanging on the wall.

"Tian, welcome home." Ye Xueyin said when she saw Xiao Tian entering the guest room.

"I'm home, mother" Xiao Tian said as he smiled

"Tian, Miss Yun, and Director Li came to meet you. They're already waiting for you for about forty minutes" Ye Xueyin said

Yun Xin Er and director Li immediately rose from their seats after seeing Xiao Tian.

"Little brother, we meet again," Yun Xin Er said as she smiled

"Big sister Yun, I've never thought we would meet again so soon," Xiao Tian said as he smiled

"Oh, right, little brother. Let me introduces you. This person is director Li from Li entertainment. "Yun Xin Er introduced her director to Xiao Tian

The mature middle-aged man immediately extended his right hand. "Hello, Xiao Tian, young man. I'm Li Wen. It's a pleasure to meet a genius young man like you."

Xiao Tian extended his right hand and did a handshake with him. "Hello, director Li. It's my pleasure to meet you, and you're overpraising me. I'm just an ordinary person."

"No. A young man who can play the piano very well only after learning it for a year and composing a masterpiece song deserves to be called a genius. If you call yourself an ordinary person, You will hurt the hearts of many pianists and composers by saying that." Li Wen said

"No. I'm just lucky." Xiao Tian said

"It seems young Xiao is a humble person," Li Wen said as he laughed

"Please sit down, director Li, big sister Yun," Xiao Tian said

Li wen and Yun Xin Er immediately sat on the couch while Xiao Tian walked to his mother and sat next to her.

"So, what business do director Li and big sister have for coming to our home?" Xiao Tian asked as he went straight to the point.

"Nothing. I was just curious about young Xiao after Yun Xin Er talked about young Xiao's performance in the piano competition. That's why I asked her to introduce me to young Xiao" Li Wen said

At this moment, Xiao Tian didn't believe Li Wen's words. A big shot like Li Wen couldn't possibly meet someone like him just out of curiosity.

If Li Wen wanted to know everything about Xiao Tian, Li Wen could ask his people to get information about Xiao Tian, and that would be easy for a big shot like Li Wen.

From his name, Xiao Tian knew that Li Wen was from Li family, a big family that owns several companies with net worth multi-billion Yuan.

So, Xiao Tian thought there must be something that Li Wen want from him or his family.

Xiao Tian began thinking about it.

'What is it? Is it about a song? Or about the piano?'

Xiao Tian shook his head and thought if it was about composing a song or playing the piano, Li Wen could meet anyone that more talented than him.

'So what does he wants?'

Xiao Tian's eyes suddenly widened, and he gritted his teeth.

After taking a deep breath and calming himself, Xiao Tian said, "Oh! I think there is something director Li wants from us. Look like I overthinking about it."

"No. Young Xiao is overthinking about it. Oh right, I heard young Xiao also want to become a businessman. If my memory serves me right, it's a clothing business, isn't that right? Yun Xin Er had told me that Young Xiao wants to sell your designer clothes, and young Xiao also wants Yun Xin Er to wear your designer dress at her next live concert. As I thought, young Xiao is an amazing person." Li Wen said as he smiled.

"Actually, I want to become a businessman for a long time ago and can only do it now." Xiao Tian said

"Oh, is that so? Do your best young Xiao. I'm supporting you." Li Wen said as he smiled

"Thank you, director Li," Xiao Tian said as he smiled

"Ms.Ye must be happy to have a son like young Xiao. It makes me envy." Li Wen said as he laughed

"Thank you, director Li. Yes. it's indeed my biggest happiness to have a son like Tian." Ye Xueyin said as she smiled

"I think so too." Li Wen said.

"Oh, right, little brother. My album launch is near because everything is ready. I came here to give you my DVD album. "Yun Xin Er said, giving Xiao Tian her DVD album. "You'll be the first person to hear my song in my current album."

Xiao Tian accepted her DVD album and smiled, "Thank you, big sister Yun."

"Tian, you're lucky because you'll be the first person to hears Miss Yun's song. If anyone knows about this, they'll envy you" Ye Xueyin said.

"You're right, mother. I'm so lucky" Xiao Tian said as he smiled to his mother

Sighed! It's just a song. I never care about that in the first place. I would rather spend my time with my aunt, mother, or Lin Xing Xue rather than to hear this song. Xiao Tian thought to himself.

After that, they talked about an hour before finally Li Wen and Yun Xin Er left.

"Tian, let's hear Miss Yun's song together." his mother said as she grabbed Xiao Tian's right hand

Xiao Tian immediately gave Yun Xin Er's DVD album to his mother and said, "Here, take it. I don't care about this at all."

Hearing his words, Ye Xueyin was stunned. "What? you were happy when you accepted Miss Yun's DVD album earlier, Why are you suddenly behaving like this?"

Xiao Tian sighed and said, "Mother, look like you need to learn a lot about this kind of act."

"What? So earlier, was everything only acting?" Ye Xueyin asked with puzzlement

"Mother, director Li Wen is a big shot so why did he come to our house personally?" he asked

"Mother thinks, director Li wants something from you. A big shot like director Li to meet nobody like us is hard to believe "his mother said

Xiao Tian kissed his mother's left cheek and said, "Yes. Mother is smart."

After that, Ye Xueyin listened to Yun Xin Er's song alone in the living room but because she played it at a volume high, Xiao Tian, who was making plans on how to seduce Lin Xing Xue, finally couldn't think anymore and could only sigh.

Mother, please lower the volume. Right now, I'm making my ultimate plans to seduce little Xue here. Xiao Tian thought to himself.

Somewhere inside the car

"Look like there is someone that didn't take a fancy after meeting you. Haahaha" Director Li said as he laughed

"I don't care." Yun Xin Er said

"Hahaha. That young man Xiao Tian is very cautious. He acted very carefully when he talked to us. He was always on guard when we talked with them earlier." Director Li said

"Yes. I can feel it too. He is a caution person. Look like he is the type of person who always on guard when he is not sure about something." Yun Xin Er said

"But, how could he still acted calmly when we came to his home. It seems I've underestimated that young man. Hahaha" Li Wen said.

Chapter 39 - Guess Who Am I ?

5-6 minutes

Three days went by quickly, and Yun Xin Er's album has been launched.

It hasn't been a day after Yun Xin Er's album was released, Xiao Tian's song, 'illusion' was immediately ranked first on the China's songs list.

China's songs list was a website controlled by China association where all the copyrighted songs were on it, and everyone can listen or download the songs from that website.

The whole of China was in an uproar because of it. It was the fastest song that got the first place on the chart in the history of China's songs list.

Yun Xin Er soon became a hot topic and was invited by many TV channels, newspapers, and other business news. Of course, Li entertainment also became more famous and had a better reputation after Yun Xin Er's album was released.

All the shops that were selling Yun Xin Er's album panicked because many people kept asking them about Yun Xin Er's album.

There were also many people standing in front of Li entertainment. They demanded Li entertainment to make many copies of Yun Xin Er's album as soon as possible.

Because of this, Li entertainment had no other choice but to call the police to help them calm Yun Xin Er's fans. After Li entertainment promises them to make many copies starting tomorrow, finally they left.

Yun Xin Er's songs, which were uploaded on the internet, has been downloaded by millions of people, while the videos also have been seen by millions of people.

Before launching Yun Xin Er's album, Li entertainment got many troubles after they announced to postpone Yun Xin Er's album launch. However, the problems immediately disappeared as if it wasn't there after 'illusion song' ranked first on the China's songs list.

The whole of China was talking about a song called illusion, from the young people to adults. After hearing 'illusion song' once, they felt as if they were taking a drug. They wanted to listen to that song again, again and again.

Many TV channels, newspapers, or other business news wanted to know who was the composer of the song called illusion. Some of them even sent secret people to investigate it.

Somewhere in the Li entertainment company.

"Look like I made the right choice." Li Wen said as he smiled from ear to ear.

He was sitting on the couch in his office room with a lot of newspapers on the table. In all those newspapers, the cover pages were all about Yun Xin Er's album launched.

"Yes, director Li. This morning, many people want to invest to Li entertainment, and they also want to become a business partners" a middle-aged man in front of Li Wen said

"Oh! I already know about it. Our Li entertainment has reached heaven this time." Li Wen said as he laughed

Somewhere in front of Green Tea shop, a handsome young man was sitting in the chair. In front of him, there was a wooden table with green tea and a smartphone on the table. He was sitting outside the area of the Green Tea shop.

The outside area of Green Tea shop was shady because there were several trees in that area, making the customers could feel the gentle breeze while drinking green tea.

"Ahh... Drinking green tea in the morning is the best!" Xiao Tian said

Suddenly his smartphone rang. He took his smartphone and looked at the smartphone's screen. There were only numbers and no names on the screen, so that means it was a new number.

He accepted the call and said, "Hello, who is this?"

"It's me, little brother. Have you forgotten this big sister's voice?" a melodic voice rang out through Xiao Tian's smartphone

Xiao Tian tried so hard to remember that melodic voice but failed to recognize that voice.

Who is this? Is this person one of my predecessor's friend? Xiao Tian thought to himself

"Can you give me a hint?" Xiao Tian asked

"This big sister is a kind and beautiful girl." a melodic voice rang out through Xiao Tian's smartphone

'That's all? Only that? What kind of hint is this? And you call that a hint?'

Xiao Tian wanted to say that but decided against it.

"What is it, little brother? Have you really forgotten this big sister's voice?" a melodic voice rang out through Xiao Tian's smartphone

Xiao Tian suddenly remembered something and said, "Oh! Is this big sister Yun?"

"Hm, that's right. It seems like little brother has remembered this big sister's voice" Yun Xin Er said

"Of course. How could I forget big sister's beautiful appearance and angelic voice? Everyone will remember everything about big sister Yun after meeting big sister once because big sister is like a fairy that descended from the highest heavens" Xiao Tian said

Upon hearing his words, Yun Xin Er was happy and said, "It seems little brother has a sweet tongue."

"What are you talking about, big sister Yun? I only state the truth" Xiao Tian said

"Hehe. This big sister like to hear that" Yun Xin Er said as she laughed

"So, what is it, big sister? Do you need any help?" Xiao Tian asked her

"I want to meet you. Where are you right now?" she asked him

"I'm at Green Tea shop right now." he said

"I'll be there soon so don't go anywhere." she said

"Un, I'll wait here." he said

Chapter 40 - Hey! I'm Here. Don't Treat Me Like Air

10-12 minutes

Around twenty minutes later, a woman walked closer to Xiao Tian. She wore a face mask and large black glasses, making everyone unable to see her face. She also wore a red hat with the tip of the hat pointing down, and there was a scarf that wrapped around her neck.

In short, no one could see her face at all, but her fitting T-shirt showed her perfect figure. Her long legs look so beautiful in her jeans, coupled with high heels, she looked like an ideal woman, tall, and sexy.

She suddenly sat in front of Xiao Tian. Xiao Tian, who was stunned immediately asked, "Is that you, big sister Yun?"

"Yes. It's me." Yun Xin Er said

Not long after that, one of the waiters came and gave her the menu. After ordering longjing green tea, around five minutes later, the waiter came with longjing green tea.

After the waiter put Longjing green tea on the table, he immediately said, "Please enjoy."

"Thank you," Yun Xin Er said to the waiter

Then the waiter left

"I've never thought little brother likes to drink green tea in the morning? Men usually like to drink coffee in the morning" she asked Xiao Tian abruptly

"Well, for me, there is no difference between drinking tea or coffee. It's just that today I really want to drink a tea," Xiao Tian said honestly. "Ah right, I still haven't congratulated big sister because your album is a big success."

After her album was launched, wherever he was, Xiao Tian always heard everyone talking about Yun Xin Er's album. Even his song 'illusion' was always played in various stores.

Upon hearing his words, Yun Xin Er smiled and said, "Thank you. This is thanks to little brother's song, which made my album a big hit. I came here, especially because I'd like to thank little brother. Does little brother need something?"

"You don't need to thank me because you already bought my song. For me, being able to spend time with big sister Yun is more than enough, so I don't need anything else" Xiao Tian said as he smiled

"Little brother, you have a sweet tongue, huh. Oh right little brother, because my album is so popular, all my fans want me to do a live concert immediately" Yun Xin Er said

Upon hearing her words, Xiao Tian was happy because it means he could immediately start his business. "When is big sister live concert? What is the theme of big sister's concert this time?"

"Two weeks from now, and the theme is a broken girl." Yun Xin Er said

"Alright, I understand. I'll prepare the dress as soon as possible" Xiao Tian said with determination

Yun Xin Er looked at him and said seriously, "Yes. Please remember, this big sister only wears your designer dress if it matches the theme and is appropriate for me to wear it."

"Don't worry. I'm sure big sister Yun will definitely like it" Xiao Tian said

"Oh! You look confident." Yun Xin Er said

"Of course. Just wait until big sister sees my designer dress, I'm sure big sister wants to wear my dress immediately" Xiao Tian said proudly

"Oh! Then, this big sister is looking forward to it" Yun Xin Er said

"Ok! Today is a big day for me. Not only I can start my business soon, but I can even spend time with big sister. Look like heaven loves me" Xiao Tian said as he smiled

Hearing his words, Yun Xin Er said, "Does that mean, this big sister is beautiful in little brother's eyes?"

"Yes. Ah, I mean no! The words beautiful is not enough to describe big sister Yun. Big sister is like a fairy in my eyes, making me unable to stop thinking about big sister" Xiao Tian said as he smiled

"So, little brother means, little brother always thinks about this big sister?" she asked seductively

"Of course, for example, yesterday morning I unable to eat because I was thinking about big sister Yun, in the afternoon I also unable to eat because I was thinking about big sister Yun again and at night I unable to sleep because... I was starving... Hahaha" Xiao Tian said as he laughed

"Hahaha. Talking with little brother is very soothing, it's never getting boring. Not only little brother is good with sweet words, but little brother is also funny." she said as she laughed

And after that, they talked for about an hour before she left because she still had a schedule to attend.

The next day at 06.00 pm, Xiao Tian was walking with Lin Xing Xue. That day, he deliberately waited for her to finish her work so he could spend time with her.

As they walked, they were talking, joking, and of course, they held hands while walking.

But at that moment, there was a beautiful young woman. That young woman was stunned after seeing how lovey-dovey Xiao Tian and Lin Xing Xue were.

After seeing them like that, suddenly, an evil smile appeared on her face. She immediately walked toward them and stopped in front of them.

She suddenly hit Xiao Tian and said, "Honey, how...how can you do this to me? I love you so much and have sacrificed everything for you, but here you ...you're cheating on me? What did I do wrong? Please tell me....Please... "

Tears fell down her cheeks as she kept hitting him. At that moment, she was like a girl who lost her lover, a lover who means the world to her.

Xiao Tian was stunned

What is this? Why did Yun Xin Er suddenly behave like this? And since when we are lovers? Xiao Tian thought to himself

At that moment, Lin Xing Xue didn't say a single word. She was shocked when Yun Xin Er suddenly cried in front of her while saying Xiao Tian was cheating on her. She didn't know that Xiao Tian was Yun Xin Er's lover.

Lin Xing Xue turned her head and looked at Xiao Tian with puzzlement.

"Honey... Please don't leave me... I'm sorry if I did something that made you hate me, but please come back to me," Yun Xin Er said while wiping her tears off with her sleeve.

"Tian, this is...." Lin Xing Xue didn't know what to say at that moment, and she could only look at him.

Xiao Tian immediately looked at Yun Xin Er. He was trying to find a reason why she did this to him.

'Wait, yesterday, she didn't behave like this... Wait, wait...'

Suddenly an evil smile appeared on Xiao Tian's face.

Oh, don't tell me she wants to play around with me and disturb my beautiful moment with little Xue. Hehe, you have to pay the price for disturbing my beautiful moment. I even haven't used my trump card to seduce little Xue. Xiao Tian thought to himself

Xiao Tian suddenly hugged Yun Xin Er and said, "Love, sorry for cheating on you. It's because you always work and don't have time for me. I even don't remember when the last time we spend time together, I'm lonely, love... lonely... That's why I'm cheating on you."

At that moment, After Lin Xing Xue heard Xiao Tian's words and understood that he was Yun Xin Er's lover, she suddenly felt something in her heart. She felt as if a knife had pierced her heart. She looked at him sorrowfully, but she didn't say a single word and only looked at him.

"It's fine, but please come back to me...Please.." Yun Xin Er said, begging

"Love, I can do that, but please understand me. Now my heart is not only for you but for her too," Xiao Tian said as he held Lin Xing Xue's right hand.

"Tian..." Lin Xing Xue didn't want to hurt Yun Xin Er's feeling, but at that time, she also didn't want to lose him. She was wavering at what should she do or say at that moment.

"Honey...you mean...you want to...." Yun Xin Er said sorrowfully

Xiao Tian suddenly held Yun Xin Er's left hand and kissed her forehead "Love, don't worry. I'll love you equally. I'll make both of you happy. Please understand, now I can't choose between both of you because I love little Xue too."

When he kissed her forehead, Yun Xin Er widened her eyes and immediately said, "Let's stop this. I don't want to continue acting anymore. Little brother, you are a bad boy. You even took advantage of our acting and kissed this big sister's forehead."

"What? Why? I haven't even kissed big sister's lips. Ahh what a pity" Xiao Tian said as he sighed

"What? You want to kiss this big sister's lips?" Yun Xin Er said in surprised

"Yes. If I act, I always act fully" Xiao Tian said as he smiled

Upon hearing their words, Lin Xing Xue was stunned.

What is this? They're only acting? So, he is not Miss Yun's lover? Lin Xing Xue thought to herself

"Tian... A...This is..." Lin Xing Xue wanted to ask him to confirm whether they were acting or not

"Little Xue, we were acting. Hmm? Little Xue, Are you jealous?" Xiao Tian teased Lin Xing Xue

Lin Xing Xue didn't answer him and only looked at him, but at that time, she didn't know why she was suddenly happy when she knew that they were only acting.

"We were acting, so don't be jealous. But you should blame your lover too because he takes advantage and kissed my forehead" Yun Xin Er said

Upon hearing Yun Xin Er's words, Lin Xing Xue suddenly felt shy. Even though Xiao Tian always said that she was his lover, it was different when the person who said it was someone else. That was why she lowered her head and didn't answer Yun Xin Er.

"Little brother, look, your lover is shy," Yun Xin Er said as she teased Lin Xing Xue

Xiao Tian immediately grabbed Lin Xing Xue's waist and said, "Hehe. Big sister, sometimes, my lover is a shy person, so don't tease her too often."

"Hey!" Lin Xing Xue shouted as she pinched his waist

"Ahh! Love, please stop pinching my waist." He shouted

"Hahaha. Miss, don't stop. Do it harder" Yun Xin Er said as she laughed

"Little Xue, stop it. Come here and hold my hands. Let's continue our lovey-dovey moment earlier," Xiao Tian said as he extended his right hand, asking Lin Xing Xue to hold his right hand.

At that moment, Lin Xing Xue didn't take his right hand. Upon seeing that, Xiao Tian suddenly held her left hand and said, "Alright. Let's go."

"Un." Lin Xing Xue nodded

"Hey! Wait for me!" Yun Xin Er said

"Little Xue, did you hear something?" Xiao Tian asked Lin Xing Xue

"No. I don't hear anything" Lin Xing Xue shook her head as she smiled

"Oh! It seems it's just my imagination. Alright let's go" Xiao Tian said to Lin Xing Xue

"Un" Lin Xing Xue nodded her head

"Hey! I'm here. Don't treat me like air!" Yun Xin Er shouted
