After Xiao Tian opened the door, his mother suddenly ran towards him with a smile on her face.

As soon as Ye Xueyin was in front of her son, she jumped on her son without a second thought.

Seeing his mother jump into his arms, Xiao Tian caught his mother and said softly, "Mother, it is dangerous"

Ye Xueyin immediately wrapped her arms around her son's neck, and she smiled, "Mother know that Tian will catch mother."

Upon hearing his mother's words, Xiao Tian could only smile and look at his mother lovingly.

Ye Xueyin kissed her son's lips for about three seconds before she broke the kiss, "Welcome home, Tian."

"I'm home." Xiao Tian replied as he smiled, "So, what happened? Mother looks so happy right now?"

"Nothing. Mother just delighted to see you" Ye Xueyin replied as she shook her head

Intending to put his mother down, Xiao Tian loosened both of his hands, but when he was loosening his hands, his mother's legs suddenly locked around his waist while her hands wrapped around his neck

Seeing his mother wrapping her hands and legs on him tightly, Xiao Tian looked at his mother and said in a soft loving voice, "What is it, mother? Do you want me to keep carrying you?"

"Un. Carry me to the living room," Ye Xueyin answered as she nodded her head.

Using his left hand, Xiao Tian pinched his mother's nose and said, "What a spoiled mother."

"Hehe" Ye Xueyin giggled after hearing her son's words

And with that, Xiao Tian headed to the living room while carrying his mother. When he was in the living room, he saw his aunt sitting on the couch while watching TV.

After putting his mother on the sofa next to his aunt, Xiao Tian kissed his aunt's forehead and said, "I'm home, aunt."

"Welcome home." Ye Qingyu answered as she smiled, "Did you go somewhere to prepare your business?"

"That's right. Today I, Lin Xing Xue and Shi Fei had prepared everything for my business. Everything is ready now, and tomorrow, my business is officially opened" Xiao Tian replied as he smiled

"Oh! So you will work from tomorrow onwards?" Ye Qingyu inquired

"Yes" Xiao Tian nodded

"What about your study at Sky university? You are not thinking of neglecting your studies, right?" Ye Qingyu asked

Ye Qingyu would support her nephew if her nephew desired to run a business. Still, if by running a business, he would neglect his studies later, she would not support him, because she thought the most important thing for him was studying, nothing else.

"No, Tian! You have to study! Mother won't let you neglect your studies?" his mother spoke abruptly.

Upon seeing their expression, Xiao Tian's heart feel warm. With a beautiful smile on his face, he looked at them and said gently, "No. I won't neglect my studies. There are still two weeks before the autumn semester begins, so don't worry about it."

"Alright," Ye Qingyu nodded her head.

"Mother, aunt, I know I'm saying this too early, but if I succeeded in my business later, can you stop working? Let me the one who work to make a living" Xiao Tian said

Upon hearing his words, Ye Qingyu was shocked while Ye Xueyin behaved as usual. Ye Xueyin already knew about that because he had told her about this.

"You want aunt to stop working if you become a successful entrepreneur?" Ye Qingyu asked with puzzlement

"That's right. I'll give you money every month, so you don't need to worry about money. I want you to enjoy your time with mother" he answered seriously

"Mother will do what Tian wants." Ye Xueyin stated as she smiled

"Good," Xiao Tian responded after hearing his mother agree with his idea. Turning his head, he looked at his aunt and questioned her again, "What about you, aunt?"

"Well, if you give aunt money more than aunt salary per month, aunt will do what you want." Ye Qingyu replied, agreeing to her nephew's idea.

"Good," Xiao Tian said as he kissed his aunt's cheeks "I've planned everything, so I'll soon become a successful businessman."

With my knowledge from my previous life, I believe I can become a successful businessman quickly. Xiao Tian thought to himself

"Aunt will wait for that time to come." Ye Qingyu said as she smiled

Using her right hand, Ye Xueyin grabbed her son's clothes and said, "Tian, mother wants a kiss too."

"Alright. Alright" Xiao Tian responded as he kissed his mother's cheeks

After that, they watch TV for several hours before going to sleep

-----

In the morning, after he had breakfast with his aunt and mother, with a big smile on his face, Xiao Tian traveled to his small company.

Not long after that, Xiao Tian arrived at his small company. Before heading to his office, Xiao Tian stopped in front of his company.

Lifting his head, he looked at the word 'STARS CLOTHES' with a smile on his face.

"Yes. This is good. I'm satisfied with the brand name. Mother is good at picking a brand name— Wait, mother didn't know that I named my small company 'Stars Clothes'. I just stole her coffee shop's name. Oh well, I'm sure she won't mind it. Alright, let's get to work," Xiao Tian said before heading to his office.

When he was in his office, Xiao Tian immediately sat on the couch and said, "Finally, my success day has come!"

His office room was around 6x6 meters with the couch, workbench, and office chair. There were also two small trees on the corner of the room. He deliberately put the small trees in his office, intending to make the room feel fresh.

The sound of the door opened by someone could be heard in his ears. Turning his head to the source of the sound, Xiao Tian saw Shi Fei walking toward him with documents on her left hand.

"Shi Fei?" Xiao Tian mused

"Oh! Little brother, you're early. I thought I would be the first person to arrive at the company" Shi Fei said

"Will little Xue work here or at the cosmetics shop today?" He asked

"Xue will be working on the cosmetic shop today." Shi Fei answered.

After putting the documents on the table, Shi Fei sat on Xiao Tian's lap, "Is Xue the only one on your head?"

"Of course not. I also think about you, Fei" he replied as he smiled

"Really?" Shi Fei asked

"What? You don't believe me?" he inquired

"I don't believe you." she responded as she hit his chest gently

"If you don't believe me, you can ask the sun because the sun could testify my words." he said as he smiled

"Hehe. Xue is right. You really know how to answer everything." she stated

"So you'll work for me from now on, right?" he asked her

"Yes. Please take care of me and don't bully me" she answered

"How could I bully a beautiful lady like you. I'll take care of you and make you like working under me because with a beautiful lady like you around me. It will make me more motivated" Xiao Tian stated as he smiled

Upon hearing his words, Shi Fei smiled and said, "I'm glad to hear that."

"Don't worry. I will make you happy from now on." Xiao Tian said as he smiled

"Little brother, you're so sweet" she smiled

"Is that so? Do want to feel something sweeter?" he inquired

After hearing his words, Shi Fei was curious and asked, "What is it?"

Using his right hand, Xiao Tian made her face him and kissed her cherry lips.

When Shi Fei felt Xiao Tian's lips were on her lips, she closed her eyes as if she wanted to enjoy the kiss.

Shi Fei suddenly opened her eyes when she felt something soft, trying to get into her little mouth.

Understanding it was Xiao Tian's tongue, Shi Fei opened her mouth slowly, giving his tongue a way to get into her mouth and exploring every inch of her mouth.

Seconds turned into minutes, and the normal kiss turned into the passionate kiss, but they continued kissing with no intention to stop.

After a few minutes later, Xiao Tian broke the kiss and inquired, "How is it? isn't it sweeter?"

"Un. You're right." she replied as she nodded

"Do you want to taste it again?" he queried

Shi Fei turned her body to face him before wrapping her long slender arms around his neck. "Sure."

And then they continued kissing

## **Chapter 52 - Oh! That's A Good Idea**

7-9 minutes

---

Shi Fei broke the kiss and said, "Little brother, it's been a long time for me to kiss a man again, and when I kissed someone again, it's a good-looking and gifted young man like you. It makes me excited. Ah no! I mean besides the time when I stole a kiss from you last time."

"Is that so? How long has it been?" Xiao Tian inquired

"What's it, little brother? Are you curious about me? hihi" Shi Fei was delighted when Xiao Tian wanted to know about her because it was a good sign for her who desired to become his lover.

"Of course. Anyone would die to know more about a beautiful and sexy lady like you, you know?" Xiao Tian answered, "So tell me more about you."

"So, little brother would die to know more about me?" even though Shi Fei knew that he wouldn't be willing to die just to know more about her, she was pleased after hearing his words.

"No. If I die, who will make you happy?" Xiao Tian responded as he looked at her lovingly

Upon hearing his words, Shi Fei was stunned for three seconds before finally, a beautiful smile arose on her face "You really know how to please a lady, aren't you?"

Using his right hand, Xiao Tian pinched Shi Fei's nose gently. "I think you're wrong. If someone talks to a gorgeous and sexy lady like you, I'm sure every man will be an expert at pleasing women because it's natural to appreciate the beauty, right? "

"Hehe. The more I spend time with little brother, the more I like little brother." Upon hearing his words that always praised her, Shi Fei couldn't stop herself from desiring him more and more.

"Then I'll make you like me more," Xiao Tian replied as he pinched her erect nipples through her white blouse.

"Ahhh..." Shi Fei tilted her head back and moaned when Xiao Tian suddenly pinched her erect nipples.

While his right hand was pinching Shi Fei's left nipple, Xiao Tian moved his right hand and squeezed her right breast. "So, do you want to tell me more about you now?"

"Ah.... I've been single for three years and ah... until now my ex-boyfriend is only ah.... three. After I broke up with my last boyfriend, ...ah.... I never have a boyfriend...ah... again...ah..." Shi Fei stated as she moaned.

Hearing that, Xiao Tian stopped moving his hands and said in surprise, "Only three?"

"Yes. Only three." Shi Fei replied as she nodded

"Why? For a sexy lady like you, it's not difficult to have a boyfriend again, right?" Xiao Tian inquired

"I'm not in the mood to have a boyfriend." she answered

"Not in the mood, huh? But here, you are seducing me and even desire to become my mistress. So, are you in the mood to have a boyfriend right now?" Xiao Tian queried as he teased her

"Let's say it's love at first sight. But as we spent time together making dresses, I realized that my love for little brother grew every day. That's why I want to become your mistress. Maybe someday, I can improve my status from mistress to wife" Shi Fei replied as she smiled

"You have to give your best for that to happen," Xiao Tian said as he smiled

Wrapping her hands around his neck, Shi Fei stared at him and replied, "Of course, I'll do my best. My first aim is to have a lot of sex with little brother so little brother won't forget the taste of my body and can't live without my body anymore"

"Oh! That's a good idea." he stated honestly

"Good. Let's have a lot of sex from now on" Shi Fei said happily

"Sure," he replied.

Using both of his hands, Xiao Tian started taking off her trousers. When he was unzipping and unbuttoning her trousers, a sexy blue G-strings thong could be seen.

When Xiao Tian was unzipping and unbuttoning her trousers, Shi Fei looked at him and giggled, "Hehe. Does little brother already want to see and play with my pussy?"

"I only want to check your pussy. I want to know, whether your vagina can be accepted to be my wife or not. Hehehe" Xiao Tian said jokingly

"Sure. Here, you can take your time and examine my pussy carefully." Shi Fei replied as she rose from his lap, allowing Xiao Tian to take off her trousers easier.

After taking off her trousers, Xiao Tian noticed a small wet spot in her sexy blue G-string thong. Seeing a small wet spot in her sexy blue G-string thong, Xiao Tian rubbed the wet spot in Shi Fei's sexy blue G-string thong and said, "What is this? Are you already wet just by kissing me?"

"Ahhh...Yes. Kissing with little brother and imagining what we will do later...ah...makes me wet...ah..." Shi Fei said as she moaned

"Oh! What a horny lady, huh" Xiao Tian stated as he pushed his index finger into her vaginal hole through her sexy blue G-strings thong.

"Ahh. Yes. I'm a horny lady. That's why I hope little brother will satisfy me from now on and have sex with me every day...ah..." she said as she moaned

"Don't worry. I will take care of this horny sexy body of yours from now on" Xiao Tian pulled up her thong up, making her G-strings thong slip between her pussy and rubbed her clitoris.

"Ahh. I'm happy to hear...ah... that...ah.." Shi Fei moaned while holding Xiao Tian's shoulders.

As Xiao Tian was pulling up her G-strings thong, Shi Fei's sexual arousal started rising, making her wetter and wetter.

Not long after, Xiao Tian stopped pulling up Shi Fei's G-strings thong and began taking off her wet G-strings thong. When her wet G-strings thong was on her thigh, Xiao Tian saw that there wasn't a pubic hair on her pussy.

Moving his head closer to her right ear, Xiao Tian smiled and spoke softly, "Did you shave your pubic hair?"

"Yes. I have shaved it for you, little brother. I think little brother will love it more when my pussy is clean like this" her body was quivering when he spoke close to her right ear

"Well done!" Xiao Tian said as he licked her earlobe

"Ah... I'm glad little brother like it," Shi Fei moaned louder.

After taking off Shi Fei's G-strings thong, Xiao Tian lifted his head and said, "Now I need to check the inside of your pussy."

Using her right hand, Shi Fei spread her pussy and said, "Alright. Please check my pussy carefully."

When Shi Fei was spreading her pussy, Xiao Tian could see her pussy clearly. Her labia minora, which slightly sticking outwards, was still pink and look beautiful. Her vagina hole that kept twitching, and her love juice that dripping out from her pussy looked so lovely in his eyes.

"Ahhh" Shi Fei moaned when Xiao Tian put his index finger inside her pussy

"The tightness of your pussy is good," Xiao Tian spoke while moving his index finger in her vagina

"Ahh. I'm glad you like...ah..h.. it" Shi Fei let out multiple moan. Her love juice started dipping faster when he moved his index finger in her pussy

As he was playing with her pussy, Xiao Tian began to search for her G spot. After finding her G-spot, Xiao Tian moved his index finger up and started playing with it gently.

"Ahhhhh...." Shi Fei moaned louder when he moved his index finger on her G spot gently.

"Hey, your voice is too loud. The employees will hear it" Xiao Tian said while still playing with her G spot.

"Ahh. But it feels so good when little brother is playing with my G spo-- Ahhh" she moaned louder.

"Are you not afraid when employees hear your moans?" Xiao Tian inquired

"Let them know. Let them know that I'm your mistress...ahh" Not long after Xiao Tian played with her G spot, Shi Fei held his shoulders and started moving her hips back and forth.

Seeing she move her hip back and forth, Xiao Tian smiled and said, "Eh! What is this? Did it feel so good? You even move your hips like this."

"Yes.....Ahhhh. It feels so good....ah..." she moaned

Not long after that, she felt like she was about to climax. Shi Fei immediately held Xiao Tian's shoulders tighter and tilted her head back "I'm cummingggggg....."

## **Chapter 53 - It Feels Good**

7-9 minutes

---

Shi Fei's body was quivering after having an orgasm.

"Huff. It feels great!" Shi Fei stated "Now, it's my turn to make you feel good too, little brother"

Saying so, Shi Fei immediately squatted down in front of him before starting to take off his trousers.

Her heart started beating faster when Shi Fei was taking off Xiao Tian's trousers. When Xiao Tian's trousers were on his feet, Shi Fei could see his erect cock clearly.

Seeing his erect cock in front of her, Shi Fei gulped and stated, "It's so big!"

"My little brother is awesome, right?" Xiao Tian said proudly

Imagining Xiao Tian's huge and long cock in her pussy, Shi Fei's pussy was getting wet and twitching uncontrollably. At that time, she wondered what it would be like if his big cock were inside her pussy.

Raising her head, Shi Fei gazed at him and said, "Little brother, I like you more again after seeing your huge, long cock. Now I only need to test your stamina."

"I am sure you will not be disappointed with my stamina." Xiao Tian replied as he smiled

At that time, the lust began to appear on her eyes, and unconsciously, she started opening her mouth slowly as if she couldn't wait to put Xiao Tian's huge cock in her mouth and taste it.

Looking at Xiao Tian's cock intently as if his cock was something precious to her, Shi Fei brought her face closer to his cock. When her face was so close to Xiao Tian's cock, Shi Fei started breathing heavily and unconsciously, letting out her tongue.

"Little brother, let me have a taste of your huge cock." Shi Fei said with a lust in her eyes

"What is this, Fei? You already want to taste my cock?" Xiao Tian inquired

"Aaa... Yes. Looking at your huge cock that looks so delicious..aaaaa... I can't help myself from desiring to taste your cock" Shi Fei answered while breathing heavily

"If you couldn't hold yourself anymore, then you can taste my cock," Xiao Tian said

"Thank you, little brother... Mr. huge cock, please let me have a taste of you" she started to lick the tip of Xiao Tian's cock and tasting his precum.

After tasting the precum, she licked the tip of his cock, before putting his cock into her mouth

As she was giving Xiao Tian a blowjob, using her left hand, Shi Fei started playing with his testicles skillfully.

"Ooohhh," Xiao Tian groaned when she was giving him a blowjob and was playing with his testicles skillfully.

Seeing his reaction, Shi Fei stopped giving him a blowjob and inquired, "Do you like it, little brother?"

"Yes. You're good at this" Xiao Tian answered as he nodded

"Hehe. I'll make you feel better?" she began to take off her white blouse and black lace bra.

After that, Shi Fei threw her white blouse and black lace on the floor. After placing Xiao Tian's huge cock between her big breasts, she began to move her breast up and down, making him could feel her soft breasts.

After moving her breasts up and down for several seconds, Shi Fei changed the movement, moving her left breast up while moving her right breast down.

Xiao Tian groaned a little after Shi Fei changed the movement. The feeling was different when Shi Fei skillfully moves her breasts like that while also licking the tip of his cock.

Not long after, Xiao Tian felt like he was about to cum. Using both hands, Xiao Tian held Shi Fei's head and pulled her head to him, forcing his cock to enter her mouth.

"I'm cumming." he said when he reached the climax.

After he finished cumming, Xiao Tian let go of his hands and pulled out his cock.

Shi Fei immediately raised her head and opened her mouth, showing him the sperm on her tongue.

GULP

The sound of her drinking his sperm could be heard in his ears. After drinking Xiao Tian's sperm, Shi Fei smiled and said, "It's delicious, little brother."

"Do you like it?" he asked

"Yes, I like it." she answered as she smiled

"Oh! You'll like it more when my cock is in your pussy later," Xiao Tian said as he pinched her cheeks gently.

"Yes... I already can't wait to feel your huge cock in my pussy" Shi Fei replied as she smiled

After that, Xiao Tian grabbed Shi Fei's hips and placed her on the workbench.

"Are we going to do it on the workbench?" she queried curiously

"Yes." he answered

After Xiao Tian spread Shi Fei's legs, he placed his cock on her entrance vagina, preparing to have a real battle with her.

Seeing he was placing his cock on her vagina entrance, Shi Fei held his shoulders and said, "Ahh..."

After rubbing his cock on her vagina entrance several times, Xiao Tian thrust his cock deep inside her pussy.

"Ahhh...." Shi Fei moaned louder when she felt Xiao Tian's cock was hitting her womb.

Xiao Tian kept moving his hips, making Shi Fei let out multiple moans. At that time, Shi Fei no longer cared about what the employees thought about herself and only moaned loudly.

Seeing her moans loudly without restraint, Xiao Tian looked at her and asked, "Are you not afraid the employees will hear your moans?"

"Let them hear my moan. I don't care. Let them now that I'm yours" she answered as she moaned

"Is that so? then I won't hold back anymore" Xiao Tian thrust his cock deeper, making half of the tip of his cock enter Shi Fei's womb.

"Ahhhhh.. so good. Little brother, the tip of your cock is inside my womb ...Ahhh... This is the first time I feel like this...Ah...Ah..." Shi Fei let out multiple moans.

This was the first time for her to feel so much pleasure during sex. It made her addicted to the point that she didn't want it to end.

As Xiao Tian was thrusting his cock deep inside Shi Fei's pussy, her love juice started dripping more swiftly, making the workbench become wet and some of her love juice also dripping from the workbench to the floor.

Because the pleasure she feels was so great, her body started to feel weak, causing her unable to sit on the workbench anymore.

"Ahh...Ahh...Ah" Shi Fei moaned while lying down on the workbench

Upon hearing her moan, Xiao Tian became more excited. That was why Xiao Tian then held her knees and moved his waist faster.

"Ah....Ahh....Ah....Ah...ah.." Shi Fei's big breasts were moving up and down every time Xiao Tian thrust his cock.

Shi Fei let out multiple moans before suddenly she raised both hands, asking him to hug her.

As Xiao Tian was moving his waist, he bent his body to kiss her lips.

When Xiao Tian was kissing her, Shi Fei immediately wrapped her long slender arms around his neck and intensely intertwined her tongue, and sometimes she also sucked his tongue wildly.

Not long after that, Xiao Tian broke the kiss and began playing with her breasts

"Ahhh" Shi Fei moaned louder when Xiao Tian bit her nipples.

As he kept moving his waist, Xiao Tian licked her left breast while playing with her right breast using his left hand.

Feeling a great pleasure in her breasts and pussy at the same time, she was unable to hold it any longer and was about to cum.

"Ah...Ah...Little brother...Ah... I'm cumming... I'm cumming.... I'm cumming" Shi Fei wrapped her arms around his neck and locked her legs around his waist when she was having an orgasm.

Knowing she was having an orgasm, Xiao Tian stopped moving his waist for a while, to give her time to climax.

After cumming, Shi Fei looked at Xiao Tian and said, "It feels good. Little brother, sorry I cum alone"

"It's alright," he said as he smiled

## **Chapter 54 - Yes, It Was Great**

5-7 minutes

---

"Little brother, let's go for another round. I'm fine now" Shi Fei said

Hearing her words, Xiao Tian was a bit shocked. A few seconds ago, she just had an orgasm, and now, she was ready for another round.

What is this? Don't tell me, I've met my match, Xiao Tian thought to himself

"Sure," Xiao Tian replied

"Actually, you can do whatever you want with my body, you know. I'm fine with it." Shi Fei said

"Wow! My mistress is the best" Xiao Tian answered as he smiled

"Hehe. Because I want to become your wife, I have to satisfy my future husband, right?" Shi Fei said as she smiled

"Oh! You have to do your best to get that position" Xiao Tian replied

Grabbing Shi Fei's hips, Xiao Tian placed her near the edge of the workbench. After making her rest on the hips and forearm of one side, Xiao Tian pressed her thighs together and put his cock on her entrance pussy.

"Ah...." Shi Fei moaned when Xiao Tian thrust his cock from behind.

"It's so tight" Xiao Tian groaned because, at that position, Shi Fei's pussy was tighter than usual, and her pussy muscle was also moving wildly, making him feel so great.

"So hard...Ahh....Ah... I can feel the shape of little brother's cock very well in this position...ah.." not long after that, Shi Fei began moving her hip too, following his rhythm.

CLICK CLICK CLICK

The sound of her pussy being spread wide open by Xiao Tian's huge cock echoing in the room

"Ah... Little brother,...Ahh.... Let me tighten my pussy again ...Ah..." after saying that, Shi Fei started clenching her muscle pussy, intending to make Xiao Tian feel better.

"Oh...." Xiao Tian groaned again when Shi Fei was tightening her pussy.

At this time, some of the employees were blushing after hearing Shi Fei's moans.

Not long after that, Xiao Tian felt like he was about to climax, so he moved his hips faster and faster, making her breasts sway uncontrollably.

"Ah...Ah...Ahh....Ah...Ah "Shi Fei let out a soft moan every time Xiao Tian thrust his cock inside her pussy

"I'm cumming..." Xiao Tian groaned. After a few seconds, he finally finished having climax and pulled out his cock

"Ah! Little brother, did you just cum inside me?" Shi Fei asked while spreading her legs. She then saw Xiao Tian's sperm was coming out of her vagina.

"What is it? Don't tell me; you don't want me to cum in your pussy?" Xiao Tian responded as he looked at her

"Well, today is not a safe day, so you need to buy birth control for me later. Do you understand, little brother?" she immediately she covered her mouth when she saw his cock was still erect "Wow, little brother. You have cum twice, and your cock is still going strong."

She thought his cock would be shrink after he cummed twice and need a few minutes to become hard again, but she was wrong because his cock was still erect, ready to have another battle.

"Hold onto me." Xiao Tian said as he lifted her

"Kya," she let out a cute voice.

As he lifted her, she immediately wrapped her slender arms around his neck and locked her legs on his waist.

After lifting her, Xiao Tian lowered his hands that holding her buttocks, allowing his cock to enter her pussy again.

"Ah.." as Xiao Tian's cock was entering her pussy slowly, Shi Fei felt as if Xiao Tian's cock was covered in electric impulse inducing pleasure knobs, rendering her powerless and robbing her of her sense of control.

As Xiao Tian was thrusting his cock in her pussy, Shi Fei started to move her body, following his rhythm.

"Ah... Ah.....Ah.....Ah...." Shi Fei moaned while leaning her head on his shoulders

Her love juice began falling on the floor, and 'SCLICK' sound could be heard in their ears.

"Ah...Ah....Ah...." Shi Fei moaned as she tilted her head back, making her breasts right in front of Xiao Tian's lips.

Seeing her breasts that moving around every time he thrust his cock inside her pussy, Xiao Tian brought his face close to her right breast and began to lick her erect nipples

"Ah.....More....More.... Ah.....Ah....This cock is the best...Ah," Shi Fei moaned while caressing Xiao Tian's back and torso.

As Xiao Tian's cock was hitting her womb repeatedly, the pleasure she feels was so incredible, making her feel like she was about to climax again.

"Ahh...Cumming....Ah...Cumming... I'm cumming again.... Ah." she moaned with a fascinating expression

When Shi Fei was having an orgasm, Xiao Tian stopped moving his waist and inquired, "How is it? Did you enjoy it?"

"Yes. That was great." Shi Fei answered

"But I haven't finished yet," he said

"Ah.....," she moaned again when he started moving his waist.

Xiao Tian kept moving his waist, making her let out multiple moans. After a few minutes, he felt he was about to cum, so he moved his waist faster and faster.

"Cumming... I'm cumming," he let out his sperm inside her pussy again.

Feeling the sperm in her pussy, Shi Fei immediately said, "Ah! Little brother, you cum inside me again?"

"Un. Your pussy feels so good. It makes me unable to hold myself and cum inside your vagina" Xiao Tian answered as he kissed her lips

Hearing his words, she smiled and said "Really? Did you enjoy my pussy? If so, I'll forgive you. Just accompany me buying birth control later"

"you want me to accompany you buying birth control?" Xiao Tian said as he touched his chin. "Sure. We will buy a lot of birth control later because we will have a lot of sex from now on"

"Good. Let's have a lot of sex from now on. I like having sex with little brother. It feels good" she said happily.

With this, my first step is a great success. Shi Fei thought to herself.

## **Chapter 55 - How Can You Be This Perfect?**

---

"Little brother, you're the best! How can you be this perfect?" Shi Fei asked him.

"What do you mean by that?" Xiao Tian asked with puzzlement.

"You're so handsome, young, talented, your cock is huge, your stamina is excellent, you're good at treating women, and your business is growing too," she said honestly.

"Oh! About that. So, you don't regret choosing to become my mistress, right?" He said as he smiled.

"Of course not. Now, my status is indeed still a mistress, but soon, my status will be an official lover. After that, I aim to become your official wife," Shi Fei said.

Hearing her words, Xiao Tian smiled and said, "Oh! what great goals."

After she put on her clothes, Shi Fei happily said, "Oh right, little brother. We have a lot of orders again."

"I know about that," Because he was still using his bank account for his business, he knew when someone was ordering clothes in his online shop. He will get a notification on his smartphone every time someone pays for the clothes they ordered

Thinking about it, Xiao Tian suddenly remembered something important. "Fei, let's go to the bank. I want to make a bank account for my business."

He thought that it was time to open a bank account for his business because he didn't want his money getting mixed up with the business funds.

"Alright! Let me change my clothes first," Shi Fei said as she nodded.

"Do you want us to go to your apartment first?" he asked curiously

"No. I've prepared some of my clothes in the office room so I can change clothes anytime," she said

"Alright, hurry up," he said.

Upon hearing his words, she headed to her office room to change her clothes. After she finished changing her clothes, she immediately returned to his office again.

After they had prepared everything, they came out of Xiao Tian's office.

However, when they were walking passed the employees, all the employees who saw them were blushing furiously. Some of them lowered their heads while blushing, some were looking at them and were also blushing.

"It seems like they knew that we just had sex," Shi Fei said.

Hearing her words, the corner of his lips twitched. Xiao Tian thought she really didn't care about it at all. She even dared to say that while they are still walking in front of the employees.

"Of course. You were moaning loudly so how could they not hear that?" Xiao Tian said

"Well, it felt so good having sex with little brother, so don't blame me for moaning loudly," Shi Fei said.

"But you have to hold your moans when we have sex outside someday," Xiao Tian said

"Oh! we're going to have sex outdoor someday?" Shi Fei asked

"Of course," Xiao Tian said

"Hehe. I wish that time will be coming soon" Shi Fei said as she smiled

"Don't worry, it won't be that long," Xiao Tian said.

After that, they went to four different banks to make a bank account for business. He thought that if he only made one bank account, it won't be ideal because a lot of people use different bank accounts, but creating too many bank accounts is also not good.

He thought, for now, four bank accounts for business are the best for his business. After they finished making a bank account, they decided to eat.

It was already 04.00 pm, and they still haven't eaten lunch yet, because they were busy making a bank account for business.

After searching for about five minutes, they finally decided to eat at some restaurant. It's called Ocean restaurant, a restaurant that sells a variety of seafood.

When they were coming inside the restaurant, they immediately went to the second floor. When they arrived on the second floor, Xiao Tian looked around and saw a few people were chatting or eating.

On the second floor, there was a wooden chair with a table almost as high as his waist. It was a rectangular table with one table's leg, and the tablecloth was long, it's covering more than half of the table's leg.

They chose the table on the right side, where, next to the table was a wall with a beautiful painting on it. Not long after they sat, a waitress headed towards them and gave them the menu.

They were ordering crab, lobster, and shrimps for the food while ordering apple juice, soda lemon, and strawberry milkshake. After the waitress wrote the orders down, she immediately leaves.

They were chatting for a few seconds before suddenly an evil smile appeared on his face.

"Ah..." Shi Fei moaned and immediately covered her mouth when she felt Xiao Tian's toe was rubbing her pussy through her panties.

"Little brother, you still haven't got enough?" Shi Fei said as she looked at him

"Seeing your sexy body, I can't help but want to tease you," Xiao Tian said.

"I'm happy that you got turned on by my body, but do you seriously want to tease me here?" she said.

"There are only a few people here, and there is a tablecloth, so it's fine," he said.

"Look like Little brother is a pervert," Shi Fei said as she smiled

"Well, everyone will become a pervert when they see your sexy body," Xiao Tian said.

"You always know how to answer everything," Shi Fei said as she raised her right legs and rubbed Xiao Tian's cock through his trousers

"Eh! What is this?" Xiao Tian said when he felt Shi Fei's leg rubbing his cock through his trousers

"Well. You're the one who started it," Shi Fei said as she moved her legs up and down.

At that time, she was sitting while covering her mouth, making sure she won't let out a moan. Seeing she was trying her best to not letting out her moans, Xiao Tian moved his toe up and down faster, and not long after that, he could feel her panties were already wet.

"Hmffff," she was holding her moan when she felt that he was thrusting his toe into her vaginal hole.

Shi Fei didn't want to lose, so she raised her other leg and rubbed Xiao Tian's cock with both of her feet.

"It's growing big," Shi Fei said as she felt his cock was already hard.

Shi Fei moved her feet skillfully, making Xiao Tian groan.

Seeing Shi Fei becomes bolder, Xiao Tian used his left foot to slide her panties to the other side while using his right feet to rub her pussy directly.

"Hmffff" Shi Fei covered her mouth harder when she felt that his toe was directly rubbing her pussy.

At that time, they were trying their best to look normal, even though they were rubbing each other's private places using their feet.

## **Chapter 56 - Under The Table**

6-7 minutes

---

Xiao Tian and Shi Fei were still rubbing each other's private places using their feet for a few minutes until finally, she couldn't hold it anymore and went under the table.

"Ah! Mr. Huge Cock is pitiful. You must be in pain right now, right?" Shi Fei said as she rubbed Xiao Tian's cock through his trousers using her hands.

ZZZZZZZZZZ

As the sound of a zipper being unzipped echoing in her ears, a smile arose on Shi Fei's face when she saw Xiao Tian's huge erect cock in front of her face.

"Mr. Huge Cock, we meet again," Shi Fei placed Xiao Tian's cock on her face, sniffing and rubbing his cock with her hands.

Xiao Tian, on the other hand, almost laughed when he heard her talking with his cock. At that time, he didn't do anything and only letting her do what she wanted.

"Ah... It's so hot. Mr. Huge Cock, you already came inside my mouth this morning. Here, come inside my mouth again" Shi Fei instantly opened her little mouth and let out her tongue. After that, she licked the lower cock's head a few more times before taking the tip of Xiao Tian's cock into her little mouth.

"Oh.." Xiao Tian groaned when he felt that she was licking his sensitive cock area and when she suddenly put the tip of his cock inside her little mouth.

Not long after that, Shi Fei put the whole cock inside her little mouth and moved her head forward and backward a few times before she let go of his cock again.

"Hehe. How is it, Mr. Huge Cock? Did you like my little mouth? Did you like it when you're deep inside my throat?" she asked as she looked at his cock lustfully

Hearing that, Xiao Tian looked under the table and said, "Fei, why are you talking with my cock? My cock can't answer you, you know?"

"Well, it's because talking with you at this moment is hard, so I decided to talk with your cock instead," she answered, "Isn't it the same? It's your cock, so it means I'm talking with you. It's just that you can't answer me. That's all."

Upon hearing her words, Xiao Tian rolled his eyes and said, "Well, do as you please"

"Hehe. Did you hear that Mr. Huge Cock? Your owner is letting me do as I please to you"

Using her right hand, Shi Fei moved Xiao Tian's cock to the left side while she moved her head to the right side before licking the lower tip of his cock again.

Xiao Tian was quivering when she licked the most sensitive cock's area. But Xiao Tian immediately behaved as if nothing had happened to him.

At this time, Xiao Tian felt that Shi Fei's skills were different from this morning. She was more skillful in playing and licking his cock.

Xiao Tian suddenly felt uncomfortable around testicles, so he decided to let his testicles out from his trousers.

When Shi Fei saw the testicle in front of her face, she stopped licking Xiao Tian's cock and licked the part between the testicles. After licking for about several seconds, she put one of the testicles into her mouth and sucked it hard.

Xiao Tian gritted his teeth when Shi Fei was sucking his testicles.

After three seconds of sucking one of testicles, Shi Fei pulled his head back.

PLUP!!

The testicle was out of her mouth.

After the testicles were out of her mouth, Shi Fei licked the testicle again and made her way to the tip of Xiao Tian's cock

Shi Fei licked the tip of Xiao Tian's cock several times before putting the tip of his cock into her little mouth again. Shi Fei then moved her left hand up and down on Xiao Tian's cock and skillfully sucked his cock. She also didn't forget to move her tongue to stimulate the tip of his cock

After a few minutes of sucking Xiao Tian's cock, Shi Fei knew that he was about to cum. That was why she moved her head forward and backward faster

Feeling that he was unable to hold it any longer, Xiao Tian gritted his teeth and let out his sperm inside Shi Fei's mouth.

After Xiao Tian let out his sperm inside her mouth, Shi Fei took out his cock of her mouth and showed him the sperm inside her little mouth.

Seeing that, Xiao Tian smiled and said, "Un. Good!"

GULP

The sound of her drinking his sperm could be heard on his ears. After drinking his sperm, she smiled and said, "Thank you for the meal."

"Did it taste delicious?" he asked her

"It's very delicious," Shi Fei said as she smiled

"You look so sexy when you showed me the sperm in your mouth," Xiao Tian said as he looked at her

"Really? It's a pity you didn't take a picture of it" Shi Fei said

"Ah! Now that you've mentioned it, it really is a pity, right?" Xiao Tian said,

"Un. It's a pity" Shi Fei said as she nodded

"Come here. Let me see the mouth that sucked my cock hungrily a moment ago," Xiao Tian said as he grabbed her face closer.

"Here," Shi Fei opened her mouth widely and let her tongue out.

Saliva fell down from her tongue and the corner of her mouth. Using his left hand, Xiao Tian played with her tongue, touching her tongue, squeezing or pulling her tongue before he finally played with her tongue using both of his hands.

Shi Fei kept opening her mouth, letting him play with her tongue as he pleases. Xiao Tian held her tongue using his left hand while playing with every inch of her tongue with his right hand.

After playing for a few minutes, Shi Fei suddenly closed her mouth and licked his fingers that were inside her mouth.

"How is it, little brother? Did my tongue satisfy you?" Shi Fei asked him

"Yes. This tongue is sexy and perverted. It's a perfect tongue for my cock" Xiao Tian said

"Hehe. I'm glad to hear it. This pervert tongue will satisfy you from now on, and you can do whatever you want with this tongue of mine," she said as she smiled.

"Good," he said as he nodded.

### **Chapter 57 - Beautiful Lady, Are You Perhaps Interested In Me?**

8-11 minutes

---

"Little brother, a woman has three holes, and you already used two of my holes. There is one more hole that you still haven't used. Do you want to use it now? Don't worry, little brother. I've been cleaning and stretching it every day." Shi Fei said lustfully

Hearing her words, Xiao Tian looked around. He wanted to make sure whether it was safe to have sex at the time or not. The other customers were quite far from them, but he still wondered why the waitress had still not brought their order.

If the waiter suddenly comes with their order when they have sex, it would be dangerous. However, if they really have sex, it will be his first time to have sex under the restaurant's table. In his previous life, he had sex in many places, like in a car, toilet, park, under the bridge, behind the public toilet, but he never had sex under the table.

Xiao Tian was thrilled to try this, so he replied, "Sure. But let's move close to the wall, so when the waitress comes, it would be easy for me to cover myself."

After saying that, they immediately moved close to the wall.

After moving close to the wall, Shi Fei turned around, making her buttocks face him. She then raised her buttocks high enough for Xiao Tian to fuck her while her head and hands were on the floor.

Seeing her ass, Xiao Tian raised her skirt to her waist and pulled down her purple thong to her thighs. Xiao Tian then rubbed her pussy using his middle finger to take her love juice and placed it on her ass hole, causing her ass hole wet from her love juice.

"Mmmmmmm" Shi Fei moaned and immediately covered her mouth

After making sure her ass hole was ready, Xiao Tian placed his cock in her ass hole and pulled her hips to him.

"Mmmmmmm," Shi Fei cried when she felt Xiao Tian's huge cock enter her asshole slowly.

"So tight," because Xiao Tian was unable to move his waist in that position, he decided to move Shi Fei's hips using his hands.

"Emma...Emm...Enmm.." Shi Fei tried her best not to let out her moans

"Fei, your ass hole is so tight,"

Shi Fei's ass hole felt different from her pussy. The tightness was on a different level, and it was tightening up whenever he thrust his cock. The feeling when the tip of his cock meets her dentate was so good, making Xiao Tian groans.

"Fei, have you done it in your ass hole before?" Xiao Tian asked when he felt her muscles ass was squeezing his cock wildly.

"Mmmm. I'm glad little brother like it...mmm," her hands that covered her mouth were full of her saliva, some of her salivae even fell on the floor. "No. I never had a cock in my ass hole before. I only put a dildo inside my ass hole, but little brother's cock is way bigger than the dildo I used to please myself,"

"So, you've played with your ass too?" Xiao Tian inquired

"Mmmmm. Yes. Sometimes, I used a dildo to play with my ass...Mmm," she replied.

Two waitresses suddenly came with their order. Those two waitresses were around eighteen years old.

One of the waitresses was a cute young woman with medium-length ginger-colored hair while the other waitress was a lovely young woman with long straight black hair.

Seeing the waitresses, Xiao Tian instantly covered his waist with the tablecloth and put his hands on the table while his cock was still inside Shi Fei's ass hole.

When Xiao Tian stopped moving his hands, Shi Fei turned her head. She wanted to know why Xiao Tian suddenly stopped moving his hands.

She was in great pleasure at that time, so when he suddenly stopped moving his hands, she felt itchy inside her body.

Shi Fei finally knew the reason he suddenly stopped moving his hands after seeing a foot next to her.

"Customer, sorry for taking so long. As an apology, we are giving you a free drink. This free drink is good for health," the long straight black-haired waitress said as she put the food on the table.

After putting the food on the table, the female waitress with medium length ginger hair also put the drink on the table.

"It's alright," Xiao Tian answered as he smiled.

When Xiao Tian was talking with the waitresses, Shi Fei's ass hole suddenly became tighter, and her ass muscles were squeezing his cock wildly.

Feeling that, Xiao Tian craved to tease her, but because he was unable to move his waist and his hands were on the table, he did nothing.

Because Xiao Tian and the waitresses were not separated by anything, they could see each other clearly. That was why he did nothing when Shi Fei's ass muscles were squeezing his cock wildly.

If they were separated by something, he would definitely do something to her.

After putting all the drinks and food on the table, the medium-length ginger-haired waitress said abruptly, "Customer, sorry if I'm taking more of your time, but can I ask something?"

"What is it?" at this time, Xiao Tian thought that the waitresses knew that he was having sex in front of them, but he behaved normally because they still haven't said it.

"My name is Lao Yi. I want to ask, do you have a girlfriend?" Lao Yi inquired.

Hearing Lao Yi's words, the long straight black-haired female waitress immediately whispered to Lao Yi, "Hey! What are you doing? If the manager knows about this, we could get fired."

"But it's only 'if' right?" Lao Yi whispered, "Yao Yao, it's rare to see a handsome guy like him. Don't tell me you don't want to get his number."

"That's not it. We are still working right now. What if he complains later," Yao Yao whispered.

"Don't worry. He seems like a good guy. I'm sure he won't do that" Lao Yi whispered

Hearing one of the waitresses asking his number, Xiao Tian immediately smiled and replied, "Hmm, is the beautiful lady perhaps interested in me?"

'What're you doing waitresses? I don't forbid you for asking his phone number but not now. Please leave. My body is itching because I want to continue having sex with him.'

Shi Fei was unhappy and shouted in her head.

"Yes, if it's alright, can I get your phone number?" Lao Yi asked

"Sure" Xiao Tian smiled

Hearing his words, Lao Yi took out her smartphone and said happily, "Please."

Xiao Tian immediately put his number on her smartphone and smiled, "Done."

After Xiao Tian gave her smartphone back to her, Lao Yi wanted to make sure that the number he put into her smartphone was his number, so she called his name. Xiao Tian's smartphone suddenly started ringing.

Xiao Tian looked at the number on his smartphone's screen and showed it to Lao Yi, "Is this your number?"

Alright, you have got his number. Now leave! Shi Fei thought to herself

"Thank you. I'll call you later" Lao Yi spoke

"Un. I'll be waiting" he answered as he smiled

After that, the waitresses left.

"Ah finally they left," Shi Fei said abruptly

"Was it thrilling?" he inquired.

"Yes," she answered

"Now that the waitresses left, it's time to..." Xiao Tian grabbed her hips and moved his hands again

"Mmmmm," Shi Fei immediately covered her mouth when he suddenly thrust his cock inside her ass hole.

"Mmmmm. It feels good..hmmm" at that time; the floor was wet because of Shi Fei's love juice and saliva.

Xiao Tian moved his hands faster and faster, making her almost unable to hold her moans anymore.

"Mmmm...Little brother, I can't hold it anymore. Hmmm...I want to moan loudly..eem.." she stated

"If you do that, they will know that we're having sex right now," he answered

"Emmm but I can't hold it anymore....hmmm," she said

"Try holding it a little more. I'm about to cum" he replied as he kept thrusting his cock

"Emmm...alright little brother but please hurry up and cum...em....." she moaned

"Alright, tighten more your ass hole, it will make me cum faster," he said

"Hmm...alright..." she tried her best to tighten her ass hole so he would cum faster

Not long after that, he had reached his limit and said, "I'm cummingggg."

"Hmmm.... Ahh.... Little brother's sperm is inside my ass hole" she stated

After he finished his orgasm, he pulled out his cock and put her purple thong back.

"Hold it and don't let my sperm come out or we will get caught," he said

She tightened her ass so that his sperm won't come out. After that, she came out from under the table and headed to the toilet.

Luckily there was still an unoccupied toilet, so she could immediately go inside and sit on the toilet.

"Ahhhh. There is a lot of little brother's sperm on my ass hole," she said when she saw his sperm coming out of her ass hole.

After cleaning her ass hole, she immediately returned to the table. After they finished eating, they immediately left the restaurant.

As they walked on the road, she suddenly said, "Little brother, are you satisfied with my body today?"

"Un. Your sexy body, your pussy, and your ass hole is the best," he said as he smiled

"I'm glad to hear it. I will satisfy you and make sure you won't forget my body so that you won't leave me in the future" she said as she smiled

"Good," he said as he smiled

## Chapter 58 - Do You Know That Song?

7-8 minutes

---

Not long after that, they arrived at the company. That day, he worked until night.

"Hhhhh. So tired," Xiao Tian said while stretching his hands. Turning his head, he looked at the clock and continued, "It's already 09.00 pm. What is little Xue doing at this time? I'm going to take a shower first before heading to her house."

Ten minutes later, he finished taking a shower and was ready to go to Lin Xing Xue's home. However, when he was walking past Shi Fei's office, he saw her office light was still on.

Seeing that, Xiao Tian stopped his footsteps and opened the door.

After opening the door, he saw Shi Fei was still working on her computer. He sighed and walked closer to her, "Fei, what are you doing? Why are you still working?"

"Ah! Little brother, I still have work. I'll go home later," because she was focused on her work, she didn't notice that Xiao Tian was in front of her. She thought she was the only one in the company at that time. That's why she was a little shocked after hearing his voice.

"Just do it tomorrow. It's already 09.00 pm." Xiao Tian didn't want her to work overtime. If she gets sick from working overtime, he will be the one to lose. With Shi Fei's help, his work became easier because she knew how to handle a lot of work.

At first, he was shocked when he saw her handling a lot of work. Not only can programming, but she can also do management. For him, she was a great asset; that was why he didn't want anything to happen to her.

"It's alright. My work is almost done," Shi Fei replied as she smiled.

"Ok. But promise me, you'll stop working fifteen minutes later. It would be bad for your body if you work overtime," Xiao Tian said.

"Un, I understand," she answered as she smiled

He brought his face closer to her face and kissed her lips. When he kissed her lips, she immediately wrapped her hands around his neck and kissed him back.

They immediately kissed passionately, and a few minutes later, he broke the kiss and said, "It's enough. We had a lot of sex today, and I still have something to do right now."

Hearing his words, she immediately replied, "I'm fine if little brother wants to have another sex right now. There is no one here so I can moan loudly."

"What are you talking about? You even moaned loudly when we were having sex this morning," he said as he flicked her head gently

"Hehe. Well, it's because have sex with a little brother feel so good" she said as she rubbed her head

"Alright. Remember! Don't work overtime!" he said as he waved goodbye

"Alright," she answered as she nodded

After saying that, Xiao Tian went to Lin Xing Xue's home, but he suddenly stopped his footsteps in the middle of the road.

"Yes, I'll buy it," he said as he nodded

After he bought something, he continued walking toward Lin Xing Xue's house.

Not long after that, he arrived at her house and knocked on the door

"Little Xue, it's me your lover," he said

CLICK

The sound of someone opening the door could be heard on his ears.

"Tian?" Lin Xing Xue said

"I bought a watermelon and hot soup," he said while showing the hot soup and watermelon to her.

"Come in," she said

They immediately headed to the living room. The living room was around 4x4 meters. In the living room, there was a gray sofa arranged in an L shape and grey colored carper underneath it.

Three meters in front of the couch, there was a white-colored wooden table close to the wall with 21-inch TV in the middle of a wooden table.

Next to the living room, Xiao Tian could see half of the dining room due to the dining room was on the right side of the living room, with nothing blocking the view.

"Wait here and watch TV while I prepare the soup and watermelon," she said

"Un," he took the TV remote on the table then turned on the TV.

But when he watched all the channels on TV, it was about Yun Xin Er, or more precisely, it's all about his song 'illusion.'

Not long after that, Lin Xing Xu came with hot soup and watermelon that has been sliced into small pieces. She placed it on the table and said, "Here. Eat it"

"Come here and sit near me," he said as he patted the couch near him.

After she sat next to him, she watched the TV and said, "Oh, it's about Miss Yun."

"Sigh, all the TV channels are about Yun Xin Er," he said as he sighed

"Well, her album is a big hit. Do you know her song called illusion?" she inquired, "That song is so good. I like that song very much. You should hear it if you don't know that song. I'm sure you'll like it because that song is a masterpiece. All people, from young to old people, know that song."

After hearing Lin Xing Xue's words, he didn't know whether to laugh or cry.

Little Xue, it's my song. Of course, I know because I'm the one who created it. I'm the composer, you know?! He thought to himself.

Of course, he didn't say that because he had sold the song so he couldn't tell anyone that he was the composer of the song.

"I know that song," he said as he smiled

"It's a good song, right?" she asked

"Not only a good song but the best song ever. I know that the composer of the song is handsome, kind, popular, cool, respected by everyone, humble, polite, always helping people in need and the most important thing is he's diligently saving his money" he said proudly

Hearing that, she giggled and said, "How do you know that? You even talk like you're the composer of that song"

"I can tell from the lyrics and the music of the song," he said

'Well, because I'm the composer of that song.' he added on his mind.

"Is that so? So, you mean, if you know the lyrics and the music of the song, you'll know about the composer's appearance or personality?" she inquired jokingly

"Of course...not," he answered as he laughed

"Hahaha. I knew it. You're lying to me" she said as she laughed

He took the spoon to feed her the soup, and because the soup was still hot, he blew it. After that, he said, "Little Xue, open your mouth."

Seeing he wanted to feed her, she giggled and said, "What is it? Do you want to feed me?"

"Un. Hurry up and open your mouth" he said

After seeing he was insist on feeding her, she opened her little mouth and ate the soup.

"How is it? Is it delicious?" he asked her

"Yes. It's delicious. Try it" she answered as she nodded her head

He ate soup and said, "Yes. it's indeed delicious but not as delicious as you."

Hearing that, she immediately said, "I'm not a food, you know. Why did you compare me with the soup?"

"But to me, you're like the food. Without you, I'll starve, and I can die because of it," he said

"You always know how to answer anything, huh" she said

"Well, it's because when I'm with you, my brain suddenly works very well. I even wonder why. That's why I hope you will never leave me and always stay by my side" he said

"Alright, alright," she said

With that, they continued eating the hot soup and watermelon while watching TV

## **Chapter 59 - You Misheard It**

11-13 minutes

---

Inside the bedroom, there's a young man and a beautiful mature lady sleeping on the bed. The mature lady was sleeping on the right side of the young man while hugging his right hand tightly.

The bedroom was about 5x5 meters with a bed at the center end of the room. On the left side of the bed, there was a small table with a small alarm clock on it, while on the right side was a large wardrobe with a dressing table beside it.

In front of the bed, there was a window with a checkered model decorated with purple curtains, and above the window, there was an air conditioner.

Last night when they were watching TV, Lin Xing Xue fell asleep on his shoulders. After turning off the TV, he carried her to her bedroom.

After he put her on the bed, he lay down next to her, watching her sleeping face. As he watched her sleeping face, slowly, she opened her eyes and looked at him. He smiled at her and pinched her nose, making her hit his chest gently.

Because of that, she didn't feel sleepy anymore, and they chatted for about twenty minutes before they fell asleep.

-----

Tit...Tit...Tit.....Tit.....

The sound of the alarm's ringing echoed in the bedroom. Xiao Tian slowly opened his eyes upon hearing that. At that time, he was pleased because when he opened his eyes, the first thing he saw was Lin Xing Xu, who was still sleeping in his embrace.

A few seconds after he woke up, Lin Xing Xue also woke up.

Seeing she was awake, he kissed her forehead and said, "Good morning, Little Xue."

"Good morning Tian," she said as she smiled

Using his hands, Xiao Tian grabbed her hips and put her on top of him.

"Kya!" Lin Xing Xue was surprised and let out a cute voice when Xiao Tian suddenly put her on his chest, "Tian, what are you doing? Let's immediately get up and have breakfast."

"Let's have breakfast later. I want to hug you first," Xiao Tian said while wrapping his hands on her back.

Using both of her hands, Lin Xing Xue pinched his cheeks and smiled, "Are you not hungry?"

"Nnn. Breakfast comes second, and hugging you come first," Xiao Tian said as he shook his head.

Hearing his words, Lin Xing Xue knew that it was useless to ask him anymore, so she only leaned her head on his chest and said, "Alright."

They were in that position for about ten minutes before finally, she said, "Alright. It is enough. Let's get up."

He still wanted to hug her in that position, so he shook his head when she asked him to let her go.

Seeing him shaking his head and still wanting to hug her, Lin Xing Xue sighed and kissed his lips "Tian, I'm hungry."

"Kiss me again; after that, we can have breakfast," actually, Xiao Tian would still let her go and have breakfast even though she would not kiss him again. He said that because he only wanted her to kiss him again.

"Alright." Lin Xing Xue immediately kissed his lips again before she continued, "Alright, let's get up."

"Un," Xiao Tian nodded his head, and he let her go from his embrace.

After they finished tidying the bedroom, she headed to the kitchen while Xiao Tian waited in the living room. At first, he wanted to help her, but she refused and told him to wait in the living room.

After she entered the kitchen, she immediately prepared everything. The kitchen room was neither big nor small. But the place was spotless with lower cabinet and upper cabinet arranged in 'n' shape.

On the right side of the countertop, there was a cooktop with a cooker hood above it so it can help the air circulation in the kitchen when cooking. While on the middle side of the countertop, there was a sink with a window above it, letting the light into the kitchen.

Because Xiao Tian felt bored just sitting in the living room, he headed to the kitchen. When he was in the kitchen, he saw her wearing a white t-shirt underneath the brown apron.

As expected, if you were born beautiful, whatever you wear, you'll still look beautiful. Xiao Tian thought to himself while staring at her

When she was washing the vegetable, he tiptoed and hugged her from behind "Little Xue, let me help you."

When he was suddenly hugging her from behind, she stopped washing the vegetable for a second before she finally continued again, "Tian. Just wait in the living room and watch TV. You don't need to help me."

"But watching TV is boring. I want to help you," Xiao Tian said as he hugged her more tightly. He leaned his head on her right shoulder. At that position, every time he breathed, he could smell the floral scent of jasmine, freesia, rose, and orchid, making him want to hug her forever.

"Do you mean to help me by hugging me from behind?" actually, Lin Xing Xue liked it when he was hugging her from behind, but of course, she won't say it. She let him hug her because whenever he was hugging her, it gave her warmth and made her heart calm too.

"Yes. Hugging you from behind is one of my help for you," Xiao Tian said as he kissed her neck.

Feeling his kiss on her neck, Lin Xing Xue felt like electricity running to all the cells on her body, making her stop what she was doing again. Using her left hand, she pinched his nose and said, "Bad boy! Let me go. If you keep hugging me, it will make me cook breakfast slower, you know?"

"Well, it can't be helped. You should blame yourself for it, because every time I see you, I always desire to hug you," Xiao Tian said, giving her an excuse so he could still hug her when she was washing vegetables.

"How could that be my fault?" she asked him, "You should be the one to blame in this case, right?"

"It's your fault for making me fall in love with you this deeply, little Xue," Xiao Tian whispered close to her right ear.

She giggled after hearing his words. She soaked her left hand with the water and splashed it on his face, making his face slightly wet by the water "It's still early in the morning, and you're already trying to seduce me, huh... Hehe."

"Little Xue, you made my face wet. What a bad lady!" Xiao Tian pinched her nose gently before he finally continued seducing her again "Well, I'm seducing you because I'm falling in love with you and want you to become mine. That's why I'm trying hard to seduce you."

"You're right, I'm a bad lady." she said as she giggled before finally, she changed the topic "If you want to help me, wash this vegetable. I will prepare the other so we can have breakfast faster."

Using his left hand, he turned her head to the right side and kissed her lips, "Alright. Everything for you, love."

Xiao Tian stopped hugging her and washed the vegetable. After he finished cleaning the vegetable, he walked closer to her and said, "Little Xue, I'm done washing the vegetable. Is there anything I can help again?"

"No. I only need to cook the vegetable, and everything will be ready," Lin Xing Xue said as she shook her head.

Hearing that, Xiao Tian embraced her from behind again and said, "I can't get enough hugging you like this"

"Are you going to hug me until I finish cooking?" Lin Xing Xue sighed when she felt that he was hugging her from behind again,

"Why not? You're only cooking vegetables, so I think it's not dangerous to embrace you like this. I won't do this if you cook something dangerous like egg or something like that." Xiao Tian said, "And you only need to move your hand, not your body. Oh, if you need anything, I'll help you, so don't forget to let me know if you need anything."

Seeing he insist on hugging her, Lin Xing Xue let him hugged her from behind and continued cooking. Not long after that, they finished cooking and put the food on the dining table.

After they finished preparing the food, they started eating together in the dining room.

"Uhm... it's delicious. As expected of my lover, my lover is an ideal woman for all m men," Xiao Tian said after tasting the food.

She was happy when he said that he liked her cooking, "Thank you."

"Little Xue, are you going to come to my company today?" Xiao Tian asked her.

"Un. I will go to your company today" yesterday because there were essential costumers in the cosmetic shop, she couldn't come to his company, that was why she decided to go to his company today.

Hearing that, Xiao Tian was happy and said, "I'll wait for you."

"But isn't Shi Fei already helping you with everything?" she knew that with Shi Fei working under him, Shi Fei could help him with many things because she knew that Shi Fei could do a lot of work.

"But it's not the same if you're not around." He said as he shook his head.

"Why? Isn't it the same? the purpose of me being there is to work right?" she asked him

"Well, if you're in my company, I think my brain works better than ever," Xiao Tian said as he teased her.

Lin Xing Xue knew that he was teasing her, that's why she decided to play along, "So it means you will be working better if I'm in your company?"

"Yes. Just standing beside me has given me encouragement at work, and I can think of everything more easily. You are like a lucky goddess to me," Xiao Tian said as he smiled

"Hehe. So I don't need to work and only need to stand by your side, huh. Aren't you only going to waste your money if I just need to stand next to you?" Lin Xing Xue asked as she giggled

"Of course not. I feel lucky even though I have to pay you just to stand by my side," he said as he smiled

"Alright. From now on, I will only stand by your side, but you still have to pay me, understand?" she said jokingly,

"Sure," he knew that she was joking around. She was a strong and independent woman who hates it if people were pitying her, but he decided to play along with her jokes

"Hehe. I'm joking. I don't like to be paid just to stand next to you," she said, afraid that he will really do that later.

"I know you'll say that," he said as he giggled

"How could you know I'll say it?" she asked curiously

"Well, I know everything about you," he said jokingly

"Like what?" she asked again

"You're beautiful, kind, strong, independent, mature, gently, you don't like other people pitying you, and the most I know is.... you will love me in the future. Madly in love with me...." he said as he looked at her

"How can you know I will fall in love with you in the future and not no—" she spoke halfway before she stopped and covered her mouth.

"What? Little Xue, you're already in love with me?" he asked as he smiled

"Did you say anything?" she acted like she heard nothing

"Admit it; you want to say that you're falling in love with me right now" he smiled

"I think you heard it wrong," she denied it shamelessly. "Because I never said it."

"No. I can understand it even though you only said half the word," he said

"What did I say earlier, I forget?" she said as she smiled

"You said 'how can you know I will fall in love with you in the future and not now' but when you want to say 'now,' you stopped halfway," he said, explaining it to her.

"No. I think you heard it wrong," she said

"No. I can understand it," he said

"No. You heard it wrong," she said

"No. I didn't hear it wrong," he said

"No," she said

"Yes. Admit it!" he said

"No," she said

"Yes," he said

And then they continued debating about it before finally, he gave up. She was happy and giggled when he was giving up, making her couldn't stop laughing for a few seconds.

## **Chapter 60 - Sorry, I Made Mistakes**

10-12 minutes

---

After he had breakfast at Lin Xing Xue's house and helped her wash the dishes, he immediately went home to change his clothes before he heads to his company.

CLICK

He opened the door and wanted to immediately head to his bedroom but when he was in the living room, he saw his mother and aunt sitting on the sofa.

When his mother saw him, she immediately runs toward him and hugged him tightly "Tian, where did you sleep last night? Mother is worried."

"I'm sorry mother, for making you worried. Next time, I'll tell you if I'm not going home." he said, patting his mother's back. He didn't know why when his mother saw him, she immediately hugged him tightly like that.

"It's alright, mother is already fine seeing nothing happened to you." his mother said as she hugged him more tightly. At that time, she felt like she would lose him if she didn't hug him tightly.

"Big sister, you're loving him too much."Ye Qingyu said angrily before staring at her nephew angrily.

Looking at his aunt's angry face, he wanted to know where did he do wrong. He kept thinking, searching for the answer but still can't find the reason.

"It's because you're not a mother, Qingyu. You don't know what I feel." Ye Xueyin said, defending her son. She didn't want her little sister blaming her son for what happened

" but big sister, you waited for him until now, you even haven't slept yet because you're worried for him.  
" Ye Qingyu said

Hearing his aunt's words, he was stunned, he didn't know that his mother was waiting for him to the point that she hasn't sleep yet. He felt guilty at that time, while he was happily spending time with Lin Xing Xue, his mother at home was waiting for him worriedly.

Suddenly, a flash of memory appeared on his head. On those memories, the owner of the original body never spend the night at another place but his home, and when he was about to come home late, he always calls his mother to tell her about it.

At that time, he didn't know what to think of the owner of the original body. He didn't know that the owner of the original body was loving his mother that much, until he didn't want to make his mother worry and always gives his mother information about where he went, always telling his mother if he was about to go home late, and what he thinks the weird thing was, he never spend a night at other places besides his home.

He thought a young man in the nineteenth is when they behave wild, like often spending the night at other places or his friend's place, went to the pub, or something like that but the owner of the original body never did that. he always studies and studies because he wanted his family to live a better life.

As the person who took over his body, he still hasn't made his family happy but he already made his family sad and worried about him.

"Mother, I'm sorry, I made mistakes. I forgot to tell you that I won't be coming home. I won't do this again. Next time, if I was not going home or be late going home, I'll tell you beforehand." he said with a sad voice.

Hearing his words, his mother patted his back and said, "It's alright, son. Mother knows that a young man around your age wants to spend time at other places too. Mother understands that."

Even though she said that, she still felt like she wasn't willing to see her son spend the night other than their house but she knew, she couldn't be selfish, he is a young man so she couldn't make him always stay in the house and she didn't want to see him sad like that.

When he heard that his mother didn't blame him and even understand him like that, the guilt inside him grew deeper and deeper.

Letting go of his hug, he touched his mother's cheeks and looked at her eyes "Mother, please don't do this again. I don't want something happened to you."

When he said that, his face looked very sad and the light in his eyes faded, he felt like his body responded on its own when his eyes saw his mother worried face and tired body.

Even though he also didn't want to see his mother in that state, but at that time, it felt like his body has its own thought, making what he's feeling to double.

"But.." his mother wanted to say something but got interrupted by him

"No buts! promise me to never do this again. What if mother will get sick because you haven't had sleep waiting for me?" he said, making sure that his mother won't do something like that again in the future.

"Mother just wants..." his mother hasn't finished her words but got interrupted by him again

"Mother, I know what your feeling but please don't do this again, it's alright if you wait for me but if I still haven't got home at 11 p.m, please sleep first and don't wait for me." he said

"Alright. Mother will do what Tian wants." said his mother. She didn't want to see and hear her son's sad face and sorrowful voice again so she decided to do what he wants.

"Un." he nodded. He was relieved when his mother agreed to him.

"It's good if you know that you're the wrong one here. Just don't make big sister worried again next time" Ye Qingyu didn't want to blame her nephew but seeing her big sister worried face all night until making her big sister to not sleep yet, she couldn't help herself from blaming her nephew.

She and her big sister called his smartphone many times but it said that his smartphone was turned off.

"Un. I understand." he said

"Tian, have you eaten breakfast yet?" his mother asked, changing the topic.

"Of cou—" he spoke and stopped halfway before continuing "Wait, don't tell me, mother and aunt still haven't eaten breakfast yet because you were waiting for me?"

"Of course. I'm already starving but big sister forbids me for eating breakfast first. Big sister said we have to wait for you first because big sister thinks that you'll be coming home in the morning." Ye Qingyu was starving at that time but every time she wanted to eat breakfast, her big sister told her to wait for her nephew first. She didn't want to make her big sister sad again so she did what her big sister told her, even though she was starving.

At first, he wanted to tell them that he already had breakfast but after hearing what his aunt said, he didn't have the heart to say it. "I haven't eaten breakfast yet. Let's eat together."

"Alright. Let's eat breakfast. Mother already cooked your favorite food." his mother said as she grabbed his hand and dragged him to the dining room with a smile on her face.

"Finally, I can eat breakfast" Ye Qingyu said with a relief.

They headed to the dining room to eat breakfast together. when they were in the dining room, his mother immediately prepared his food but.....

"Wait, mother, I can't eat that much." he said when he saw his mother was giving a lot of cooked rice on his plate with two crispy fried chickens, some crispy mushroom and soup.

Hearing what her son said, Ye Xueyin immediately said, "What are you talking about Tian. I know you still haven't eaten anything from yesterday night right? you must be starving right now? that's why mother give you a lot of food right now."

"But yesterday night, I----" but before he could finish his words he got interrupted by his aunt

"Just eat it. don't make big sister worry and sad again." Ye Qingyu said, giving him a death stare.

Hearing that, he couldn't say anything anymore.

"Here Tian. Eat it" his mother said with a smile on her face.

"A..ahh.. thank you mother." he said.

"Un" his mother nodded her head happily.

Seeing a lot of food in front of him, he felt like wanting to cry. He already had breakfast at Lin Xing Xue's house so he is still full and now he has to eat breakfast again. What made him want to cry was his mother giving him a lot of food for his breakfast.

He is still full, so even though the food in front of him looks delicious and one of his favorite foods, he didn't have the appetite to eat it but because he didn't want to make his mother sad, he had no choice but to eat it.

"Why do you eat so slowly? Isn't this food one of your favorite foods?" her aunt inquired

"What is it Tian? Don't you want to eat it?" his mother asked in a sad voice.

She thought that he didn't like the food she cooked again, usually, whenever she or her little sister is cooking, he always ate it with a happy face but this time, he looked like he didn't like the food she cooked. It really makes her really sad seeing him like that.

turning his head, he looked at his mother's sad face and voice. at that time, he wanted to cry but he could only smile and said, "No. I like this food very much. I'm just so happy, that's why I'm eating it slowly."

After saying that, he eats the food faster.

I want to puke, he said in his head while still eating his food faster like he really was enjoying it.

"Really?" his mother's sad face immediately turned to a happy face when she heard his words "ohhh. Don't eat too fast, Tian."

"It's so delicious mother, making me want to eat it fast." he said while holding himself not to puke and sometimes hit his stomach to make space for the food he eats now.

"Is that so? Mother likes hearing it." his mother said as she smiled

"I thought, you don't like the food but it seems like I was wrong." his aunt said when she saw him eating his food like that.

As he kept eating the food, he kept hitting his stomach to make his stomach still have a space for the food again.

he also holds himself and often covering his mouth whenever he wanted to puke. At that time, he felt like his mother and aunt were torturing him like they wanted to take revenge on him.

after a few minutes trying his best eating all the food, hitting his stomach and holding himself not to puke, he finally finished eating but.....

"Tian, you already eat all the food. It seems you are starving. Here, mother will give you the food again." his mother said while giving him a bowl of rice, crispy fried chickens, crispy mushroom and soup again

Seeing his mother giving him food again he shouted, "Noooooooooooo.. mother please don't give me food again..... I'll die....."
