I am a quadrillionaire chapter 2149-‘Fine, fifteen days it is!’

David also had no choice.

It was too difficult to spend 20 billion in Nightingale City, a third-tier city.

Not to mention how time-consuming and laborious it would be, it might also cause a sensation in Nightingale City.

Hence, the only solution was to go to Sole.

After he got to Deity Rank in Sole, he would move to the first-tier city or even the main city.

That would be where he would truly shine.

Most of Leila’s powerful forces were stationed in first-tier cities and main cities.

Furthermore, no matter where he was, he could leave The Spirit Cage at any time and return to the real world.

David asked Beanie for some information about Sole.

The two were chatting happily when there was a knock on the door.

Knock knock knock!

“Didn’t I say not to bother us?” Beanie frowned and reprimanded a little unhappily.

“Milady, the head is here and he’s asking you to go to the meeting hall,” Peridot said outside the door.

“Okay! I got it, Peridot. Tell him I’ll be there soon.”

After Beanie finished speaking, David quickly said, “Ms. Beanie, you should go. I got most of the information I needed anyway.”

“Alright then. Master David, I’ll let Peridot take you to the guest room to rest first,” Beanie said after thinking for a while.

“No need, Ms. Beanie! I still have to rush to Sole, so I won’t delay you,” David refused her invitation.

He had to go to Sole and he did not want to waste time here.

Only two hundred lavish points are needed to raise his Body and Mind from Sacred level 10 to Deity level 1.

At that time, not only would his strength in the real world would have a qualitative leap, but his strength in The Spirit Cage would also be greatly improved.

“Master David, go to the guest room to rest first! Perhaps I will go to Sole with you.”

“Ms. Beanie, are you going to Sole too?”

“Yes, I will probably go. Can you wait for me please?”

Looking at Beanie’s pleading face, David softened a little.

“Okay then! I’ll go and have a rest first.”

“Great! Thank you, Master David,” Beanie said happily.

The head of the Nacht family came to The Spirit Cage this time to discuss how they should deal with the Beast Crystal.

Should they keep it for the family or find a major force to sell it and make a lot of money?

If they were selling it, Beanie would go to Sole with the body of Silver Flood Dragon and Crystal.

It would undoubtedly be the safest and most reassuring way to travel if she could stay with David.

Only fools would not utilize such a powerful and free bodyguard.

The two came out to the living room together.

David followed Peridot to the guest room to rest.

On the other hand, Beanie went to the meeting hall to discuss with the head of the Nacht family how to deal with the Beast Crystal.

Along the way, Peridot secretly looked at David.

The more she looked at him, the more she liked him.

‘He’s not bad looking and he has a strong background too.

What a perfect man! He is a perfect match for Milady.'

They then arrived in a small courtyard.

"Master David, this is the guest room. You can take a good rest here and I will come to see you after Milady and the

head of the family are finished talking," Peridot chirped.

"Alright, thank you."

"You're welcome!" Peridot said before turning and leaving.

She wanted to chat with David, but she knew that now was not the time.

After he got married to Beanie and became the son-in-law of the Nacht family, Peridot would be eligible to be alone with David or be in bed with him.

David entered the small courtyard with mountains, a pond, and a pavilion inside. The scene was not bad.
