I am a quadrillionaire chapter 2224-Even God wanted the Macee family dead.

“I didn’t want things to escalate to this point. I have given you chances more than once. It is a pity that you won’t cherish it. In that case, then you can’t blame me. You asked for it,” David said indifferently.

“M-M-Master David, I’m sorry, it’s all... my...” Basil stammered.

He wanted to apologize to David, begged David to let him go, and let the Macee family go, but he could not even say a complete sentence.

Right now, every part of his body was in excruciating pain.

Basil knew that he was probably crippled now.

Even if he survived, he would be paralyzed.

If his mind power in The Spirit Cage was damaged, then his body in the real world would also be affected.

“No need to apologize. It’s useless! From the moment we fought, we were already enemies, and I, David Lidell, will never be soft on my enemies, let alone give the enemy a chance to make a comeback.” David shook his head.

Now that his strength had been exposed, he must send the Macee family to hell.

He could not give the Macee family the slightest chance.

Although David himself was strong and was not afraid of revenge from the Macee family, there were other people around him!

Like Beanie.

Maybe the Macee family was frightened and dared not provoke him and the people around him anymore, but the possibility exists.

It was also possible that the Macee family would find out Beanie’s identity and secretly attack the Nacht family in Nightingale City.

What David had to do was to eliminate all possibilities to be foolproof.

“No... Don’t... I’m begging...” Basil only managed to utter four words before David kicked hard.

Smash!

Basil’s whole body was trampled into the ground by David.

The ground shook like an earthquake.

Then, there was a big hole in the ground.

Basil, already seriously injured, was trampled on the head with such great force that he died.

Such a terrifying scene was witnessed by other forces in the surrounding buildings.

“Hiss!”

Everyone gasped and felt chills all over their bodies.

‘The Macee family*s power in The Spirit Cage was wiped out just like that?’

‘Lord Basil Macee, the mayor of Sole and the number one powerhouse of Sole, died just like this?’

‘What a terrifying young man!’

‘He fought alone against hundreds of powerful members of the Macee family and destroyed the Macee family with crushing force.’

‘It’s just unbelievable.’

Just now, everyone hoped that David could pose some threats to the Macee family and surprise Sole’s major forces.

What they got was a complete shock.

After David took care of the Macee family, he lifted his head to look around.

The major forces watching the excitement were shocked and even their bodies trembled unconsciously.

Facing such a strong person, they only had fear in their hearts.

“Please keep today’s matter a secret and I would like to thank you all in advance. If I find anyone leaking this, I won’t mind going over to your house,” David said coldly.

There was silence.

After waiting for a while, someone mustered up the courage to reply, “Please rest assured, my Lord! We didn’t see anything today.”

With the first person taking the lead, others followed.

“Yes, please rest assured, my Lord! We didn’t see anything that happened today, so we have nothing to leak.”

“Thank you!”

After David finished speaking, he turned and walked to Pebbles and the others.
