Before Wang Yi could finish his emotions, there was already a figure at the door.

"Wang Yi."

"There are fish in the forest."

The two looked at each other, and Wang Yi realized that Lin Youyu's dress now is completely different from before.

The black and soft long hair falls generally behind the slender and petite body, and the thick black-framed glasses under the neat bangs are gone, revealing a standard face of melon seeds, clearly reflected in the lake-clear eyes. The figure of the young man, the enthusiasm that flows like a fire.

Wang Yi has never felt that Lin Youyu is so amazing.

The thrilling beauty is like a flower that has been in bud for a long time, waiting for the right moment to bloom her moving style.

The two looked at each other, but they didn't know what to say for a while.

The air plunged into a slightly embarrassing atmosphere.

After a long time, Lin Youyu stroked the long hair near her ear, seeming to have deliberately concealed her reddish face, and whispered softly.

"Wang Yi, come in."

Entering the gate of the villa, you can see a path paved with pebbles. On both sides of the path are a row of stone benches. On the stone benches lined up are pots of flowers and trees of various shapes, which is pleasing to the eye.

Turn left on the small road, it is a moon gate, enter the moon gate, it is the courtyard on the first floor of the villa.

has been set up as a birthday celebration venue in the yard, although it is not too grand, but it also reveals a strong celebration.

There were some people standing in the yard, most of them were young and brightly dressed young men and women. Seeing Lin Youyu walking in with a young teenager, there was a touch of surprise on his face, and many men still had a trace of hostility in their eyes.

Lin Youyu also noticed that Wang Yi was looking at those people, and whispered in Wang Yi's ear: "They are all relatives and friends invited by my parents."

Wang Yi nodded clearly, Lin Youyu's 18th birthday, it is normal to invite some relatives and friends over, but it seems that some people are not very happy to show up.

And Lin Youyu's intimate behavior towards Wang Yi also made more people look weird.

Lin Youyu's family background is very special, so many of the men present at the scene actually had some thoughts about her, but before they started taking action, they killed Cheng Yaojin halfway through, and it seemed that Lin Youyu seemed to have a very bad attitude towards him. Generally, this is unacceptable.

Although they didn't look very pleasing to Wang Yi, they didn't show it.

"There is a fish, who is this, don't you tell us about it?" A white girl with a bronzing ponytail stood up and smiled.

"He is my classmate, Wang Yi." Lin Youyu looked at Wang Yi softly.

"Oh, it's your classmate..." The white girl's eyes fell on Wang Yi's overly handsome face and plain clothes, and her smile became brighter. "Is Wang Yi? Nice to meet you, my name is Shang Yueyue." The girl stretched out her little white hand and shook Wang Yi.

Shang Yueyue and Wang Yi had a few rounds of conversation before leaving.

In the corner, Shang Yueyue was somewhat similar to a boy who was wearing glasses and said in a low voice: "Brother, don't worry, that man is not threatening you."

The corners of her mouth raised slightly, "That Lin Youyu is stupid, do you want me to ask her out another day to create opportunities for you?"

The man with glasses looked at Lin Youyu who was talking and laughing with Wang Yi, a haze appeared in his eyes, and he helped his glasses. "Don't mess around. My family works under Lin Youyu's father's company. If Director Lin is offended, parents won't be able to protect you."

The girl Shang Yueyue pretended to be angry, "Brother, I'm helping you, how can you say that to your sister."

Shang Wenhai glanced at his charming and innocent sister, and sighed, "I don't know you yet, do you fall in love with that man?"

"Hehe..." Seeing her shrewd elder brother, Shang Yueyue said with a smile: "I still can't lie to you. People like this type. You don't know it." She stretched out her pink tongue and licked it lightly. Licking her seductive jelly lips with a sparkling luster.

"Also, I don't believe you didn't find out. Lin Youyu's expression on Wang Yi is obviously secretive... Brother, if you don't start, I'm afraid there will be no chance."

Shang Wenhai glanced at his sister, and said nothing.

"If you don't speak, I will take it as your acquiescence. When the time comes, the man will belong to me, and the woman will belong to you..."

"Are you so sure?" Although Shang Wenhai knew that his sister had a little bit of style in private, her parents were kept in the dark because of her good disguise. Had it not been for Shang Wenhai's accidental crash, he would have thought that My sister is still that good girl who is obedient and well-behaved.

Shangwenhai managed several times. UU read www.uukanshu.com and found that my sister was still doing her own way, so she threatened her to tell her parents what she had done if she went on like this, so that she was more restrained.

And this time, my sister seemed to have met her heart-warming prey again, and wanted to take the opportunity to drag him into the water.

Shang Wenhai knows how unscrupulous this sister is doing things, so he can't help but hesitate.

If the handle falls to my sister, it is estimated that she will have to be her "accomplice" in the future, and it will be hard to control her.

At this moment, another person walked in outside, and her appearance instantly attracted the attention of many people present, especially many men, their eyes brightened.

"There are fish, here I am."

Wang Yi heard a familiar and cold voice coming from behind, and couldn't help turning his head. He just saw a girl with a delicate appearance, a tall body, and a slightly cold temperament coming in with a lavender dress.

When Wang Yi saw Gao Yurong, Gao Yurong naturally saw him too. The two of them faced each other with a surprised expression on their faces.

Gao Yurong blinked, "Wang Yi, why are you here."

"Um, Lin Youyu is my classmate, I am here to attend her birthday today." Wang Yi replied subconsciously.

"Really? It's such a coincidence." Gao Yurong's clear eyes passed by Lin Youyu who was close to Wang Yi, his brows frowned slightly, and then he stretched out and walked to Lin Youyu's side, close to him. Holding her hand, she smiled and said, "It's been a long time, there are fishes. Happy birthday to you."

Lin Youyu smiled when she saw Gao Yurong, and gave her a hug, "Thank you for your blessing, Yu Rong."

Then, Wang Yi, who was standing next to him leisurely and having nothing to do,... saw the two girls looking towards him together.
