

THE VIRGIN'S REVENGE

Chapter 10 The Guilt 3

Leon was hesitant at first reasoning that Kyle was no longer the kid they once knew but after a series of persuasion from Liam he finally accepted.

"Worried, concerned please spare me the drama you four know nothing about it and i think you know the reason as to why i behave the way i do, he said agitated.

"Kyle show some respect and what do you mean we know."

"Yes Rapha you know you guys drugged me in the name of having a little fun with what consequences rape,we raped an innocent girl,"he said through clenched teeth with blue veins popping out his forearm and temples.

Leon suddenly burst into a loud sarcastic laugh "oh boy so you mean to say all this recent poignancy of yours is because of that wonderful moment we all enjoyed with that slut, Kyle brother don't stress yourself out women are meant for pleasure and besides I'm sure she treasured every single taste of the Montenegro brothers."

Kyle was utterly buttoned-up by Leon's words within a knick of time, he was on top of Leon punching him hard like he's life depended on it and none of his brothers was able to stop him.

"Enough," a loud cold voice like an iceberg was heard and it had an effect on Kyle as his fists stopped midair, the voice was from Hank their father.

Hank moved downstairs squinting fearlessly at them, his body emitted an aura of danger and authority.

"Did i hear Kyle right you raped a girl.....what in the world were you boy's thinking, i understand we all love sex and women but forcing yourselves on a young girl that was overboard, Leon did you clean up the mess?".

And by cleaning up the mess he meant killing her.

Leon was badly beaten up so it was hard to see the emotion on his face he bluntly replied no.

"What do you mean no,what if she show's up and reports it over to the authorities huh?"

"But dad we pay them plus the news department handsomely to protect us from such scandals besides she wouldn't dare show her ugly face to us," replied Roshan.

"I care less Roshan now listen carefully i want her

eliminated and i dont care how you'll do it or where you'll find her, bunch of imbecile's," Hank scolded and stomped out of the living room.

Kyle was perplexed at what he just heard,not only did they assault her but his dad wanted her wiped off the face of the earth.

It was at that moment he knew he was surrounded by lewd savages.

He glared at them and said in the most spiteful voice before heading out the door "you disgust me.

Liam was stopped by Raphael in an attempt to run after him.

"Let him be," he said.

Leon kept cursing Kyle inwardly he surely wasn't

going to let it slide,he held his swollen cheeks the pain was unbearable so Liam decided to help him out.

"Fuck man if you can't do it right you might as well leave," he sounded agitated.
