

The Mans Decree Chapter 2381 -

Isaac and Yona stared at Kai with a murderous glint in their eyes as if they were predators looking at a prey. “Go to hell...”

Isaac was the first to make a move. He leaped into the air, his claws tearing through the void as he pounced toward Kai! Yona didn't remain idle either. He thrust his spear forward and attacked Kai!

Boom! As the spears rained down on Kai like droplets, he desperately defended himself with Dragonslayer Sword, which produced continuous metallic clashes upon contact with the spears.

Isaac's claws instantly enveloped Kai, shrinking his space to an extremely narrow extent. As a result, Kai could only face the countless spears coming from Yona!

Boom! With a loud roar from Isaac, the spears burst forth with dazzling light. Kai leaped up in an attempt to break free from his passive situation, but just as he leaped up, he was struck by Isaac's claw. Several claw marks were instantly left on Kai's chest.

If it weren't for Kai's incredibly robust physique, the claw would have ripped out his internal organs! “What a strong physique...”

Isaac was astonished to find that his claws couldn't harm Kai. Yona frowned as he swung his spear. “Everyone, attack together! Let's kill him first...”

Yona knew they couldn't afford to delay any longer because it could lead to unforeseen changes. Matthew and the others could arrive at any moment! The disciples of the Alchemical Sect and the Scorching Heaven Sect took out their weapons and attacked Kai.

Upon seeing that, Kai's body was instantly covered in the Power of Dragons. As his Golem Body was activated, golden light radiated in all directions. “If we don't kill him now, we may not get another chance in the future.”

Sensing the increase in Kai's strength, Isaac leaped up once again. Feeling the threat emanating from Kai, Yona also thrust his spear, engaging himself in a fierce battle with Kai.

However, with the addition of the continuous attacks from the disciples of both sects, Kai soon found himself at a disadvantage. Kai frowned as he swung Dragonslayer Sword to defend himself.

The moment he blocked Yona's attack with the sword, Isaac's palm landed on his back. Although Kai had Golem Body, his internal organs were still injured by the palm strike. "Sh*t. I'm going to die here today..."

Kai couldn't help but curse. Even though Kai was showing signs of weakness, Yona and Isaac grew anxious because they still couldn't defeat Kai despite their numbers. "Die..." Yona yelled.

As Yona thrust his spear into the air, countless spears appeared, followed by martial energy shooting out from the spear tips. Then, the martial energy transformed into countless sharp blades and aimed at Kai.

With a yell, Isaac struck out his flaming palms which had turned crimson, sending two flames. in Kai's direction. Boom...

The two flames instantly engulfed Kai while the countless sharp blades struck him continuously. In the end, Kai fell heavily to the ground from mid-air. Upon seeing this, Yona and Isaac let out a long sigh of relief. "We have finally killed this guy. He was really difficult to deal with..."

Yona didn't expect that it would be so challenging to kill Kai despite their combined efforts. After Isaac waved his hand and extinguished the flames on Kai's body, he said, "We mustn't damage his sword. It's a treasure..."

After Isaac finished speaking, he landed beside Kai. Kai's entire body was now charred and devoid of his previously majestic and radiant appearance. Dragonslayer Sword lay on one side of Kai.

Despite being scorched by flames, it still retained its original glow.

The Mans Decree Chapter 2382 -

"It truly is a magic sword..."

Isaac bent down to pick up Dragonslayer Sword. Greed filled his eyes! However, he did not notice that Kai, who was already burnt and lying on the ground, was slowly opening his eyes. All of a sudden, Kai jumped up and

gave Isaac a fright. Isaac instinctively took a step back and swung Dragonslayer Sword at Kai.

Just as Isaac was doing that, he realized that Dragonslayer Sword was not under his control. When he swung the sword, it flew out of his grip in an instant. The sword turned around and pointed at Isaac. In the blink of an eye, Isaac's arm was being chopped off by Dragonslayer Sword.

"Argh!" Isaac let out an agonizing cry and staggered backward! His face turned pale as blood gushed out of his wound. When Yona saw that, he threw his spear at Dragonslayer Sword and sent it flying backward.

In an instant, Dragonslayer Sword flew back into Kai's hand once again. Isaac took out some white powder and sprinkled it on his wound to stop the bleeding. His disciple picked up his broken limb.

"Are you all right?" asked Yona. The two of them were on the same side. If anything untoward happened to Isaac, it would be difficult for Yona to handle Kai on his own.

Isaac shook his head. "I'm fine. I didn't expect it to be a spiritual sword. It was my mistake." "How about your arm?" Yona asked as he looked at Isaac's severed arm. At that moment, blood was still trickling from the limb. "I can join it back, but I need time. Let's kill Kai first. Then I will fix my arm back."

Isaac appeared very calm. As the lord of Alchemical Sect, he would have ways to fix his broken arm. However, it would take time, and with Kai watching them, he had no time to do it. "Fine. We'll finish him off together..."

Yona nodded. At that moment, Kai was holding onto Dragonslayer Sword, and the charred bits on his body were falling off slowly. Once again, his golden Golem Body appeared!

Both Isaac and Yona frowned when they saw that. Their earlier attack did not cause any harm to Kai at all. They thought that only one more blow was needed to kill Kai.

Although Kai was not seriously injured, his spiritual energy had been depleted because of his fight with Isaac and Yona. Even the draconic essence within him had dimmed as the Power of Dragons spent lots of energy.

If the fight went on, Kai knew that his spiritual energy would be completely depleted even if he was not killed by the two men. When that happened, he would become their captive.

It was indeed very arduous for Kai to deal with the two Martial Arts Sovereigns and their many disciples all by himself. Kai shot a glance at Yona and Isaac before leaping toward the valley.

Since he did not want to fight, his only option was to run. When Yona and Isaac saw Kai making a run for it, they knew that he was at his limits. "You're not getting away so easily..."

Fury filled Isaac's eyes as he chased after Kai. As for Yona, he raised his spear and sent it flying. Rumble...

In that instant, countless martial energy turned into wind blades, and they flew toward Kai. Kai evaded the attack with all his might. He wanted to get out of the valley and this predicament.

There was no way Isaac and Yona would let him go. The two men continued to give chase. Just as Kai was about to charge out of the valley, Yona and Isaac blocked him off.

Thankfully, several phantoms crawled out of the altar and held on to the disciples of Alchemical Sect and Scorching Heaven Sect. Otherwise, Kai would be heavily surrounded.

The Mans Decree Chapter 2383 -

"Still trying to escape? You will die here today!" said Isaac coldly. "Two Martial Arts Sovereign bullying a Martial Arts God. Have you no shame?" uttered Kai. "Cut the cr*p. Let's finish this..."

Without further ado, Yona sent his spear flying. The tip of his weapon emitted bright and powerful energy. When Isaac saw that, he launched an attack as well. Even though he only had one arm left, there were still numerous shadow claws going at Kai.

Kai had no choice but to fight back. Dragonslayer Sword shone and deflected the attacks coming from the two men. Unfortunately, as Kai's spiritual energy was being depleted, Kai found that he was moving slower. Furthermore, the power of his sword was also getting weaker.

“Hahaha! Why don’t you just surrender? Your resistance is futile. Even if we don’t kill you, you’ll die of exhaustion.” Yona had noticed that Kai’s power was almost at its limit. “If you think you can do it, go on then...”

There was no way Kai would surrender. He gritted his teeth and continued fighting! There was still Ultimate Force in Kai’s body. It was his trump card, and he would not use it unless there was no choice.

Once his enemies let their guard down, he would use Ultimate Force to kill them! Bang! Suddenly, Kai was hit by Yona’s spear, and he fell onto the cliff.

At the same time, Kai’s Golem Body turned into powder and disappeared gradually. With his back crouched, Kai stood up with his Dragonslayer Sword.

It was obvious that Kai’s aura had been weakened. Right now, even the disciples of the two men could easily finish Kai off. When Yona and Isaac saw that, they began to laugh.

“Yona, let me fi SUCCESS avenge my severed arm!” Isaac stared coldly at Kai. He wanted to kill Kai personally in order to appease the anger within him.

“Why don’t you leave Kai to me? I can absorb his power and refine it. If you let me have Kai, I’ll impart the technique to you right away, and you’ll be able to absorb the energy from the phantoms!” said Yona to Isaac. Isaac looked at Kai and nodded. “All right then. I’ll leave this fellow to you.”

When Yona heard that, his spear turned into black mist and dissipated. Next, Yona walked slowly to Kai. At that moment, Kai looked like a lamb waiting to be slaughtered.

He gripped tightly onto Dragonslayer Sword, and Ultimate Force within him was glimmering. Kai was waiting for Yona to get closer and let his guard down. When Yona struck at Kai, Kai would give him a deadly strike. Once Yona was out of the way, Isaac would be no threat to Kai. After all, Isaac had already lost an arm.

“What a pity. Once I have absorbed your power, I’ll turn your formidable body into my puppet. When that happens, I’ll have another capable man by my side!”

Yona sneered as he walked toward Kai. At that moment, Yona was all relaxed and had his guard down. In fact, there was excitement written all over his

face. Once I have absorbed Kai's power, I'll be able to increase my cultivation level!

If Kai became his puppet, Yona would have a stronger foothold among the sects in the hidden realm. "Kai, don't blame me. Blame yourself for being too arrogant..."

Yona extended his hand to Kai. He did not suppress Kai's aura. As far as he was concerned, Kai was as good as a cripple. There was no need to control him because he had no energy to fight back.

The Mans Decree Chapter 2384 -

Kai remained silent. A cold glint flitted across the depths of his eyes as he tightened his grip around Dragonslayer Sword.

"Stop!" As Yona was about to place his hand on Kai's head, and Kai was preparing to retaliate, at bellow interrupted Yona. Yona hurriedly turned around and saw Wrey and the others had caught up.

At the sight of the newcomers, Yona was obviously a little shocked. Similarly astounded was Kai. Initially, Kai planned to kill Yona first before dealing with Isaac. Now that Wrey and his party were there, Kai wasn't their match, even if he possessed Ultimate Force.

D*mn it! Am I fated to die here? Kai couldn't help but curse inwardly. Noticing Wrey, Yona retracted his hand and asked, "Mr. Lindt, why are you here?"

"Yona, are you plotting something by leaving the group with Isaac and coming here? Or perhaps there are some secrets you don't want to let us know?" Wrey asked with a sneer.

"What are you talking about, Mr. Lindt? What secret could there be? We came here to track down Kai. We want to kill this b*stard to avenge your son, Mr. Lindt! If there are too many people, I'm afraid Kai will notice and be alarmed," Yona hurriedly explained. However, he was actually lying because he didn't want Wrey and the others to know his secret.

"Yes, Yona is right. We came here to pursue Kai. In fact, we've already caught him. I even lost an arm because of this. This brat tried to run, but we stopped him," Isaac quickly elaborated further.

“Isaac, don’t think I don’t know what you’re trying to do by making up excuses to leave the group. Since we’ve agreed to form a team, no one should have a hidden agenda. You’ve been seeking and killing phantoms along the way. Do you think we wouldn’t notice?”

Besides, you’re here because the phantoms are crawling out from this place, and you can kill more phantoms. It’s just a coincidence that you ran into Kai hiding here and clashed with him, yet you tell me you want to avenge my son?” Wrey bluntly exposed Yona and Isaac’s doings..

Isaac’s and Yona’s faces turned pale as they listened to Wrey’s words. They knew if the situation was turned against them, they would face serious repercussions. Their sects might even end up like Luminous Sect, getting excommunicated and eventually eradicated.

“Yona, since you could enhance your abilities by killing phantoms, why didn’t you share such a great technique with us? Why did you involve Isaac only? Are you trying to work alone?”

It seems like you aren’t that sincere in joining our hidden realm. We were even kind enough to let you replace Luminous Sect’s position. It looks like Demonic Cultivation is evil after all. You ungrateful b*stard!” Hugh said to Yona..

Hearing that, Yona grimaced and immediately explained to Hugh, “Mr. Fairchild, I was wrong. I’m willing to share my technique with everyone!” Hugh smiled and said to Wrey, “Wrey, since they knew they were wrong, we can just let this matter slide. The most important thing right now is to kill Kai and avenge our fallen sons.”

Wrey nodded, then turned to the weakened Kai. “Do you think you can escape today? Is there anyone who can save you now? Any person who I, Wrey Lindt, wish to kill will never get away.”
