The Substitute Wife: My Poor Husband Is A Billionaire Chapter 1275

Because of what Brandon did the previous night, Janet was late to work the next morning.

Rubbing her sore waist, she walked into the studio tiredly.

On her way to the studio, she cursed Brandon many times in her heart. Just when she was about to curse him again, she saw Lexi running towards her excitedly.

“Boss! Good news! Good news!”

Janet took a sip of water and asked slowly, “Is Carly here to see me?”

Lexi blinked in confusion and answered, “No...”

“Ahem.”

Embarrassed, Janet cleared her throat and continued, “Then what’s the good news?”

Lexi quickly took out the order details with a smile and said excitedly, “A security company wants us to design and make a new batch of work uniforms for them, and it is a huge order! You won’t have to worry about the studio rent, water, or electricity bills if we do this!”

Surprised, Janet took the information document from her and saw that the client was a large security firm from another city with hundreds of female bodyguards.

They wanted a custom- made batch of new uniforms for their employees.

However, what surprised Janet the most was that this company was located in the same city where Laney was now.

Could this order be recommended by Laney? At the thought of her best friend, Janet reminisced about the days when Laney used to work as a bodyguard and accompany her.

They hadn't contacted each other in such a long time, and Janet wondered how Laney and her child were doing.

She quickly made a video call to Laney.

Soon, the call was connected, and a chubby cute face appeared on the screen.

She looked just like Laney.

The baby's face was rubbing against the screen and she was babbling.

Seeing that, Janet's heart softened.

All of a sudden, Laney's face appeared on the screen.

"Janet, were you really free enough to call me today?"

Holding the baby in her arms, Laney continued, "I thought you were so busy that you forgot all about me."

Janet had indeed been very busy with the studio's affairs and had no time to contact Laney.

Smiling with guilt, Janet replied, "I'm sorry, Laney.

The studio was just set up, and I was too busy with work till now.

By the way, have you decided on a name for your little girl?"

Laney smiled and said, "I was just about to tell you. The baby's name is Anya."

She then turned to her daughter and said, "Anya, say hello to Janet."

Anya was still a baby, so she did not quite understand her mother's words.

However, to their surprise, she opened her mouth and smiled so wide that she began to drool.

Janet liked her so much and said with excitement, "Anya is so cute! Her name is beautiful! I wish I could fly over and kiss her right now!"

Laney laughed and said, "You will also have a lovely baby in the future!"

At that moment, Ian also appeared on the screen and greeted Janet with respect, "Good morning, Mrs. Larson!"

Janet also greeted him with a smile, and after that, Ian left with Anya in his arms to feed her.

After he left, Janet thought of the new order from the security company and asked Laney, "Hey, I got an order from a security company that's located in the same city you live in. Did you recommend me to them?"

Laney nodded with a smile and said, "I didn't expect you to find out about it so soon.

In fact, I didn't recommend you, I just showed your past works to my friend, Teresa, and she immediately made the decision to hire you."

Janet was moved by her friend's support and said, "Thank you, Laney."

Laney shook her head.

"You've done a lot for me. Compared to that, this is nothing."

She was just repaying Janet for all the kindness she had shown her and for all the help she had offered.

After chatting for a while, Janet asked, "How are you doing recently? Are you feeling better? Has the baby adapted to the climate there?"
