**Married at First Sight Chapter 2376**-Callum had always been considered of his fiancée. When Camryn couldn't see him before, when the two of them ate together, he was the one who took care of her.

Camryn loved to eat fish, but fish had bones.

He helped Camryn pick out the fishbone and let her eat it with confidence.

Taking care of someone is a habit.

Callum picked up food for his fiancée, and Camryn picked up food for Trenton, saying a few words from time to time: "Try your brother-in-law's cooking, it's delicious, not inferior to a five-star hotel chef. "

This meal made Trenton's belly full.

He almost leaned out against the wall.

Sitting slumped on the sofa, he kept touching his round belly.

After clearing the table and washing the bowls and chopsticks, Callum came out of the kitchen. Seeing his brother-in-law who was full of food, he walked over and said with a smile: "It's not that I have nothing to eat, look at you, the belly is round."

"Brother-in-law, I can't resist my sister's love. The dishes you cook are too delicious to control."

Trenton was glad that he didn't work as a light bulb at home every day, otherwise he would be fed by his brother-in-law to become the heaviest light bulb.

Callum: "Take a walk to digest your food."

Camryn also found it funny, "I don't know how much I can eat for such a big man?"

Trenton: "Sister, you keep bringing me food, and the food is delicious. I couldn't hold back for a while, so I was full."

Camryn: "Don't push it on my head. I just tried every dish for you. It's you who keep picking it."

Trenton touched his belly and said, "Okay, it's my fault. I'll go out for a walk after sitting down for a while."

Take a walk after meals and live to ninety-nine.

At the same time, Jensburg.

In Callum's words, he and his fiancée love each other very much, and Kevin was still chasing his wife hard.

Hayden wore women's clothing once for Kevin to see, and she was responding to Kevin's pursuit of her.

But still not deep enough.

Greenrest Hotel, in a private room, after drinking and eating, Kevin, who was drunk, held Hayden's hand, muttering something in his mouth.

Hayden's face was slightly embarrassed. Because her client hadn't left yet.

She had a dinner at noon, and Kevin shamelessly wanted to accompany her to the dinner, saying that she was worried that she would be drunk by others.

As a result, among the people at the table, he drank the most happily, and he was the only one who got drunk.

Hayden's clients had long known that Mr. Queen was entangled by Kevin.

After seeing Kevin's entanglement skills today, they all looked at Hayden with sympathy and ambiguity.

"Mr. Queen, I still have something to do in the company. Let's go first. This time the company has another hour." A client smiled and said goodbye.

As soon as he left, the others also left one after another.

They did not want to stay as a light bulb.

Mr. Queen had been led astray by Kevin.

There was a lot of ambiguity between the two.

Mr. Queen, what a pity!

Mr. Queen, who couldn't be conquered by so many young and beautiful women, was actually conquered by Kevin.

Those girls wanted to hit the wall to commit suicide collectively, chasing men, but they lost to a man.

Not convinced!

Young Master Queen, who they couldn't even get close to, was really shamelessly succumbed to Kevin by virtue of his top-notch entanglement skills.

Everyone was thinking, maybe, in the near future, they would participate in a wedding that broke the mundane and was unique.
