Married at First Sight Chapter 2387-Shiloh said coldly: “You spend the money, buy two nicer clothes, and don’t dress like a rural aunt—oh, you are a rural aunt. Take the money and get out, and don’t appear in front of me again.”

After warning her mother, Shiloh turned around and walked towards her car.

After getting into the car, she drove away quickly.

Leaving her own mother sitting on the ground and weeping bitterly.

She was obviously her biological daughter, but she didn’t want to see her as her biological mother.

She knew that she was inferior to Matriarch Farrell.

It’s all Matriarch Farrell’s fault, Matriarch Farrell was too ruthless and stole her daughter away!

While crying, Shiloh’s mother picked up the money Shiloh threw to her. After picking up the money, she sat on the ground and counted the money.

While counting the money, she gradually stopped crying.

Shiloh often carried tens of thousands of dollars in cash in her wallet.

Just throwing it away like this, her mother got nearly \$10,000.

A rural aunt who got nearly \$10,000 at once was like a windfall to her.

Bella thought of Kathryn, who grew up in their family, and was now regarded as the successor by Matriarch Farrell. As soon as Kathryn returned to the Farrell family, she took away everything that belonged to her daughter.

She immediately resented Kathryn.

She got up, looked at the Farrell Group in the distance, and decided to go to the Farrell Group to ask Kathryn for money.

No matter what they did to Kathryn, at least Kathryn was brought up. Kathryn could not be ungrateful, and wanted to give her money so that she could live a good life.

In fact, before the two children were found to have switched identities, the Dion family was not poor. After all, Bella's husband, Steward Dion, worked as a butler in Farrell's family, and his salary was very high, and he would get rewards from Matriarch Farrell from time to time.

Steward only knew that the identities of the two children had been swapped, and under Matriarch Farrell's repression and revenge, Dion family fell from heaven to hell and became poor.

Now relying on Shiloh's brothers, who were working hard outside, they could only earn a few thousand dollars a month, and the brothers had married again, so how could they have any spare money for the old mother?

As a result, Bella became poorer and poorer. Shiloh gave her nearly \$10,000 in cash to give her a taste of the sweetness, so she wanted to ask Kathryn for some money.

She thought too naively, also too presumptuous.

When she went to Farrell Group, she wouldn't even be able to enter the company, let alone see Kathryn.

Bella not only came to see Kathryn, but she also informed Matriarch Farrell about her presence.

Matriarch Farrell was a ruthless character who could kill even her own sister. Knowing that Shiloh's mother came to the company to find Kathryn, she could guess that the other party came for money without asking.

Without alarming Kathryn, Matriarch Farrell sent someone out to take Bella to a remote place and beat her up. Not only did Bella not ask Kathryn for money, but even the money Shiloh gave her was taken away by the people sent by Matriarch Farrell.

After being beaten up, Matriarch Farrell's people warned her that if she dared to appear in front of the oldest lady in the future, they would beat her up every time they saw her.

Bella was beaten to the ground and couldn't get up. Her face was blue and her nose was swollen and she was bleeding.

Only then did Matriarch Farrell let her go, took away the money Shiloh gave her, and walked away.

.....

The setting sun represented the end of the day and the approaching night.

Caron family Martial Arts Gym.

Kiera planned to go home for dinner.

Her home was not far from Caron's martial arts Gym, and she ate three meals a day at home.

As soon as she walked out of the martial arts hall, she saw a familiar person.

It was Julian Bucham.

"Mr. Bucham, why are you here?" Kiera was surprised and happy to see Julian, and immediately walked towards Julian with a smile.

Julian was carrying a lot of things in both hands, so it was inconvenient to give her a hug. However, he just thought about it, and didn't dare to really hug Kiera, after all, they hadn't even said anything yet.
