Married at First Sight Chapter 2426-Some childhood sweethearts would become siblings.

Serenity: "Jasmine thinks she is pregnant with a son, and I also think this little thing in my belly is a baby boy. Maybe, the children of our two families can only be brothers, just like you and Josh."

Zachary: "It's pretty good too."

Although Zachary also liked his daughter, since Serenity was only pregnant a year after receiving the certificate, he felt that he would be very happy to have a child belonging to the couple, and it didn't matter if it was a son or a daughter.

Serenity: "Well, yes, it's fine, I'm going to take a shower."

Zachary: "Don't fall asleep, I'll wait for you for fifteen minutes, if you don't come out, I'll go in, let you fall asleep inside."

Serenity: "..."

No matter how tired or sleepy she was, she would never fall asleep in the shower.

But Zachary's thoughtfulness and subtle concern made her feel sweet.

Today, Zachary fulfilled his promise to give her a sensational wedding in Wiltspoon, and he did it.

Serenity was his most beautiful bride, and she did.

She hoped that the relationship between the couple would always be as good as first love in the future, that they could have both children and grow old.

Fifteen minutes later.

Serenity didn't take more than a minute, not less, and came out exactly fifteen minutes later. As soon as she walked out of the bathroom, she was picked up by Zachary.

Serenity hugged his neck with a smile, and looked at his handsome face, she liked him more and more.

Zachary hugged her and walked to the bed, bent down, and gently laid her down on the wedding bed spread on the big red happy letter. He leaned over and pressed a kiss on her forehead, and said softly, "Go to sleep."

Serenity: "Don't drink too much wine, come back early."

Zachary looked at the time and said, "I'll be back as soon as it gets dark. Don't worry, I won't get drunk. I'll get up early tomorrow to prepare breakfast for you."

There are so many workers at home, so you don't need to get up early. Today, you are also tired. Last night, you probably didn't sleep well. Get more rest.

If you like to eat the breakfast and meals I cook, I will cook for you. This month, we are all on wedding leave, so let me be your husband for a month. After returning home for three days, I will take you in our house. Self-driving tour in Wiltspoon?"

Serenity thought that after sitting for a long time in the car, or getting tired from walking, she would have a dull pain in her lower abdomen, so she shook her head and refused, and said, "I'd better rest at home. Although I think I'm in good health, I have to admit that I'm pregnant. It's just different, I've walked too much, and when I'm tired, I'll feel a dull pain in my lower abdomen."

This child is hard-won for me. I still have to be careful, especially in the first three months. Now I have a strong pregnancy reaction."

Hearing this, Zachary became very nervous immediately, and quickly asked her: "You've been tired all day today, how is it? Does your lower abdomen hurt now? You've never told me this before."

Serenity: "Not now, I mean walking too much, too tired, will be."

Usually in the company, she didn't have to walk around, and Elisa did all the business trips. She and Jasmine, two pregnant women, stayed in the company.

Elisa said that she would marry Remy after Serenity gave birth. Firstly, she wanted Serenity to attend the wedding, and secondly, considering that both

she and Jasmine were pregnant, many things in the company could only be left to Elisa.

Zachary said solemnly: "If you feel uncomfortable in the future, you must tell me, don't hide it."
