Rosalynn chuckled

Sure Rosalynn nodded, **and** so they slowly went to the first floor

Although they both wore hats and masks, their clothes were very low key.

But they were both tall and slender with outstanding temperament

They walked hand in hand, very eye-catching

So after they left the mall, they went to a flower shop near the apartment and bought a large bouquet of flowers.

When they got back to the car, Paige called

"Did you guys go on a date?" She asked bluntly.

"How did you know? Rosalynn asked

"saw it online, a lot of people bumped into you guys" Paige answered, "You guys were kissing in the cinéma?"

Rosalynn quickly hung up the phone and opened the short video app

Sure enough, the first video was a few pictures of them

There were three pictures

They were indeed secretly photographed while they were queuing to buy ice cream

“What does ‘unreliable husband mean? Wayne frowned:

Rosalynn chuckled

Speaking of which, Rosalynn took the phone back “By the way, it seems we were also
discovered in the cinema, let me find... I hope nothing embarrassing was captured”

Soon, Rosalynn found it

it was a cinema encounter exposure

There were pictures, but not inside the cinema, they were
taken from behind as they were leaving the cinema.

“I’m lucky today. I came to watch a movie with my
friend and bumped into the rich girl and Wayne you guys see it, right? I didn’t see it wro

Comments below: “Just saw the ice cream shop encounter, the pictures are clearer
there, so it really is them! The rich girl’s date is just like us ordinary people!TM

This person replied: Haha, Wayne wouldn’t let the Miss watch the
movie properly, he was kissing her throughout the whole movie

Below this, all the comments were of astonishment.

Wayne so clingy?”

1 really care about this girl, Wayne is not good enough, let me take care of hertt

“They bought a drink, then held hands tightly, and kept kissing in the cinema, is this how Wayne bewitches rich and beautiful girls?!”

“I’ve been through this, I’ve been bewitched by such tricks!”

“She’s my wife, of course can kiss her!”

Rosalynn looked at these comments and chuckled

At this time Jaime Jules called

Rosalynn looked at the time, guessing he had already taken the kids home.

“Rosalynn! You and Wayne hurry to the city hospital Jaime said somewhat anxiously.

“What’s happened?” Rosalynn’s smile disappeared instantly, “Is it Cory?”

Chapter 1092

“No, no, by the way the same Calvin at the hospital. She’s adamant about finding him or else she won’t leave.

“Calvin Rosalynn’s face suddenly met serious

“Calm had an accident abroad how could he possibly be here?”

“Wayne head to the city hospital right away, Rosalynn told Wayne, then turned to Jaime and said. “You stay here and look after by will go over them

“Alright”

After hanging up the phone. Wayne was already on his way to the hospital

“What’s happened to her?” He seemed somewhat anxious

“She said she saw Calvin at the hospital Rosalynn said, frowning “Wayne, do you think she might be hallucinating because she misses Calvin so much?”

“Don’t jump to conclusions, maybe try just saw someone who looks like him “

Rosalynn didn’t reply.

Soon, they arrived at the hospital.

When Rosalynn and Wayne found by, she was crying heartbrokenly

“Sweetheart” Rosalynn hued over

“Mummy

Upon seeing Rosalynn, Ny’s emotions became even more intense, and tears flowed down her face

Rosalynn walked up to her “Calm down, calm down.”

fry was sobbing.

“First, take a deep breath. Now, tell me, where did you see Calvin?” Rosalynn tenderly wiped away the tears streaming down ly’s face.

Ivy sobbed for some time until finally managing to compose herself. The incident had occurred just two hours earlier.

Cory’s teacher was admitted to the hospital and feeling restless, Consequently, when someone visited him, he insisted on keeping them company, refusing to let them leave Ivy and Cory had lunch together and then they watched a couple of cartoons in the teacher’s ward.

Midway through, Ivy excused herself to use the bathroom. Upon returning, she spotted Calvin in the midst of the crowd

Before she could react, that person was surrounded by people and walked into the elevator

“Uncle Calvin!”

Ivy immediately shouted, running toward him, but she was too small and couldn’t catch up

She had barely taken two steps when her bodyguard, Mike, picked her up: “Miss, you can’t run around

Ivy struggled, shouting: “I want Uncle Calvin, let me go!”.

Upon hearing this. Mike’s expression immediately turned somber “Miss, please don’t worry. Calvin will return,” he reassured, attempting to offer some comfort However, he firmly escorted her back to the ward against her will

As soon as ivy was placed back in the ward, her tears resumed, and she desperately tried to escape

once more. Sensing the distressing situation, Cory swiftly approached, his demeanor stern and concerned

“Miss, what’s the matter? Cory inquired, his voice filled with urgency.

“Miss misses Calvin, Mike sighed, his voice tinged with sadness.

“No, I saw Uncle Calvin! He’s here! I need to find him!” Ivy cried out in desperation, her voice filled with a mixture of fear and longing

Rosalynn, turning to Mike, suggested, “Have you checked the surveillance footage?”

“We have,” Mike responded. The man described by Miss it couldn’t possibly be Calvin. Their physical appearances are completely different”

Calvin was very muscular the difference between him and that man was too great.

After saying this, Mike showed Rosalynn the image from the surveillance footage.

The quality of the footage was a bit blurry, but the man’s build was indeed very different from Calvin’s.

The man Ivy saw was wearing a mask and an old baseball cap, completely obscuring his face.

“Ivy, are you absolutely certain it was him?” Rosalynn asked, peering intently at Ivy “Did you get a clear look at his face?”

“Yes, it was Uncle Calvin, I’m sure of it. I wouldn’t mistake him. Mom, you have to believe me” Ivy sobbed, her heart filled with anguish.

Rosalynn tenderly caressed Ivy’s face, trying to offer comfort amidst the tears. “Please don’t cry: Daddy and I will do everything we can to help you find this gentleman.”

Chapter 1093

Mike wasn’t really taking Ivy’s words to heart.

After all, Calvin disappeared on the other side of the ocean, so no matter how he figured it, there was no way Calvin could just pop up here.

So, he just kept comforting Ivy, without actually sending anyone to look into it.

Not long after Rosalynn came, she found out the identity of the man Ivy had seen.

"It's a sailor. About a month and a half ago, his workmates and the police brought him in unconscious. He lay in the hospital for over a week before he came to the doctor pulled up the guy's records

"His name is unknown?" Rosalynn frowned.

"He seems to have no idea what his name is. He suffered a head injury and lost his memory when he woke up, he doesn't even know his own name," the doctor explained.

Rosalynn and Wayne exchanged a glance

What a coincidence, the guy had amnesia.

From the information left by the unknown man, Rosalynn found a phone number

She dialed it right away, but after a brief silence, a busy tone came through

Rosalynn dialed again, but the situation remained the same

She stopped trying to call and stood up, "I'll find him based on the address in the records."

"Ms. Jared, you're going yourself?" Mike asked in surprise.

He had just checked the address, it was in a slum of the city with a rather complex crowd.

"Yep." After Rosalynn confirmed, she walked straight to Ivy, who had been comforted by her father for a while until her mood gradually calmed down

"Mummy, did you find Uncle Calvin?" Ivy looked up at Rosalynn, her eyes brimming with **tears**, she looked utterly pitiful.

Rosalynn squatted down and touched her cheek. "Sweetie can you give me a little more time? Why don't you and your brother go home first. Granny Hilaria is starting to worry because she hasn't seen you guys

Ivy sniffled and nodded obediently:

She knew Granny Hilaria wasn't in the best health and they shouldn't make her worry,

"Ivy, when you get home, don't mention to Granny Hilaria that you saw Uncle Calvin, okay? We'll tell her once we find him, okay?"

Ivy nodded again.

“Good girl!” Rosalynn gave her a kiss.

Not long after, Jaime took Cory and Ivy home

Wayne looked at Rosalynn and said, “Should we take Ivy to a psychologist?”

Rosalynn thought for a moment and said, “Let’s find this man first, Ivy is not like other children, she has a great talent for painting and a unique perspective and judgment on many things.”

Before Rosalynn finished, Wayne asked, “Do you really think that Ivy saw Calvin?”

Rosalynn had checked, the unknown sailor worked on a cruise ship that traveled around the world.

And that ship happened to pass through the nearby sea area around the time of Calvin’s accident.

Even though Rosalynn also thought that the possibility of Calvin surviving such an event and being rescued by a sailor on that ship was close to zero

However, even if there was only a one in ten million chance, she still wanted to confirm it.

“Once we find the person, we can confirm if it’s him. Even if it’s not Calvin, at least we can explain to Ivy,” Rosalynn replied.

Wayne didn’t say anything else. He and Rosalynn went to look for the person according to the address in the records.

Kieran and the others were not locals.

Even though they made good money on the ship, everyone wanted to save as much as they could

Chapter 1094

These sailors don’t get much time on dry land.

They rented a cheap single room in the village so they’d have a place to crash when on land

“To celebrate Silas full recovery, we should raise our glasses!”

Seven or eight sailors gathered together, grilling meat and raising bottles of beer.

The man called Silas, shyly smiled, "I wouldn't have made it without all of you. Once I regain my memory and find my family, I'll repay you all

"No need for formalities!" Kieran waved his hand. "Just lend us a hand once we set sail tomorrow

Silas had lost his memory and couldn't find his family. And everyone was about to set sail, a journey that would take at least three months. They weren't comfortable leaving Silas alone

After some persuasion, the captain finally agreed to let him do some odd jobs on the ship, but his wages were lower than the others".

"Seems like we might run **out** of meat, Kieran glanced at the almost finished barbecue on the table, deciding to buy more, Till go get some"

"Kieran, I'll come with you," Silas stood up

"No need, it ain't fat Just wait here"

With that, Kieran rushed out.

Soon, he arrived at the market downstairs.

"You boys heading out to sea again?" the market owner chatted with Kieran while cutting meat.

Kieran laughed, "Yeah, we're buying extra so we can have a taste of home while at sea."

Just then, a few luxury cars pulled up behind them.

"Wow, who's the big shot visiting our humble town?" the market owner curiously watched the cars

Kieran also turned to look.

He saw a handsome man get out of a black car, followed by a beautiful woman.

"Maybe they're celebrities filming a movie?" Kieran guessed, then looked around, "But I don't see any filming equipment."

As he was speaking, a few more people got out of the other cars, all dressed in black suits, looking very serious

"Boy, mind your own business," the owner cautioned Kieran seeing this.

Kieran quickly looked away.

The owner quickly finished cutting the meat, and was about to pack it for Kieran when the group approached them

“Excuse me,” the beautiful woman in the front asked the owner politely. “Where is building 7?”

Building 77 Kieran was surprised. Were they looking for them?

“It’s over there, the second building straight ahead, the owner quickly answered.

“Thank you” She nodded slightly but then suddenly turned to Kieran

Since Kieran had been sneaking glances at her, he was startled when she suddenly turned to him.

“What’s going on?”

The man beside her frowned slightly and followed her gaze to Kieran.

“We’ve found him” she said softly, then turned to Kieran, ‘Sir, were you and your friends at the hospital today?”

Chapter 1095

Rosalynn didn’t see this coming.

She had just arrived when she ran into the guy who appeared in the surveillance footage with the man who looked like Calvin.

“Are... are you guys here **for** me?” Kieran stuttered.

His mind started racing. Could he have a secret past? Could he be the illegitimate child of a noble family?

“Do you know this man?” Mike pulled out a picture of Calvin and handed it to Kieran.

Kieran **was taken** aback.

He knew this man. It’s Silas!

In the meantime, Cory, having confirmed Calvin’s survival, returned to his room and immersed himself in reading.

Observing Wayne carrying Ivy back, Cory noticed the tears streaming down her face. Concerned, he approached Wayne and inquired, “Has she been crying for a while?”

“Yeah,” Wayne replied, his heart aching. However, a hint of unease also surfaced within him, as Ivy seemed to hold a special fondness for Uncle Calvin.

“Uncle Calvin has been a significant presence in her life since childhood. It’s only natural for her to rely on him more,” Cory remarked, offering a perspective that caught Wayne off guard.

Without looking directly at Wayne, Cory gently wiped away Ivy’s tears and continued, “Even a five-year-old guy can sense the sorrow reflected on your face.”

“You... you guys wait here for a moment!”

Kieran ran off, even forgetting to take his meat.

“Gabriella...” Mike also felt that this guy was suspicious, he obviously knew Calvin.

Could it be...

He watched him run off, looking anxious, he turned to Rosalynn.

“Wait” Rosalynn said calmly.

The butcher didn’t dare to make a sound.

“Sir, your marinade smells really good, it’s similar to what I smelled when I was a kid. Suddenly, Rosalynn said, “Are you a local?” The butcher was startled.

“Yes, miss, are you a local as well?” The butcher wasn’t scared anymore.

“I grew up in H City” Rosalynn answered.

“This chili sauce is fantastic! It’s made from our family’s secret recipe and has an incredible aroma. Let me give you a bottle to take home. It will surely bring back memories of our childhood!” The butcher’s words were filled with enthusiasm as he finished speaking and revealed a large bottle of chili sauce from under the table.

As he opened the lid, the irresistible fragrance filled the air, causing Rosalynn to swallow hard with anticipation.

“I won’t hesitate to accept your kind offer,” she responded, grateful for the gesture.

“Please, don’t hold back!” The butcher insisted, and promptly selected a clean bag to carefully pack the bottle of chili sauce.

Mike signaled to the bodyguard, who stepped forward to take the jar. Meanwhile, up in apartment 7, the party continued with lively spirits.

Suddenly, Kieran burst into the room, startling everyone. “Kieran, what on earth are you doing? You scared me, and I spilled beer all over the floor!” one of the partygoers exclaimed.

“Dude, you need to come with me right away!” Kieran urgently reached out to grab Silas
