

An Understated Dominance Chapter 1211 - 1220

Chapter 1211

Because of the appearance of the drunkard, the situation at the scene took a shocking turn.

One second, Lu Chen was a public enemy of the martial arts world. The next second, he was directly elected as the leader of the martial arts alliance, attracting the worship of thousands of people.

The limelight lasted for a while.

Looking at the warriors saluting respectfully in the audience, Lu Chen had an expressionless face and cold eyes.

There was no excitement, no excitement, just almost ridiculous irony.

Except for some warriors with a sense of justice, most of the people present were just outsiders, falling on both sides.

Before, he was shouting to fight and kill, but now he is passionate. The change before and after is really laughable.

As for the leader of the martial arts alliance, he has no interest at all.

He challenged Lei Wanjun purely for revenge and to seek justice.

“My abilities are limited, and I cannot afford the position of leader of the Jiangnan Wulin Alliance. You can find someone else.” Lu Chen said loudly and refused directly.

“ah?”

Everyone was stunned when they heard this.

No one expected that Lu Chen would say such a thing.

Are you kidding me?

Being the leader of the martial arts alliance is an honor coveted by countless people, and it is also the highest pursuit of all warriors.

It not only represents status, but also supreme power.

Looking at the entire martial arts world, there are countless sect leaders and martial arts masters who are coveting this supreme position.

But Lu Chen was lucky. Not only did he not appreciate the pie in the sky, he even refused it outright.

Isn't this a brain problem? !

“Grandmaster Lu, looking at the entire Jiangnan, only you can hold the honor of being the leader of the martial arts alliance.” Chen Yuanwei was a little surprised.

Isn't publicly challenging Lei Wanjun just for fame and power?

As long as you become the leader of the martial arts alliance, you will be the supreme leader who responds to all calls. What do you want?

“Yes, Grandmaster Lu, you are the leader among our younger generation. We are all convinced to have you as the leader of the martial arts alliance!” Zuo Xinyue followed suit.

She admired Lu Chen very much, so she really hoped that he would aspire to the supreme position.

But right now, it's only half a step away.

As long as Lu Chen is willing to lift his legs a little, he can directly reach the top and be admired by thousands of people.

Why not?

“I appreciate your kindness, but I have no interest in the martial arts leader.”

Lu Chen shook his head slightly and looked at Chen Yuanwei: “Deputy leader Chen is powerful and has outstanding prestige. He is more suitable than me. The position of leader of the martial arts alliance is best suited to you.”

“this.....”

Hearing this, Chen Yuanwei couldn't help showing an embarrassed expression, but actually he was secretly happy inside.

He naturally coveted the position of alliance leader, but Lu Chen's performance just now was really amazing, and he had such a great master as a drunkard as his backer.

Even though he has huge ambitions, he does not dare to compete for the leadership of the martial arts alliance.

So he simply did a favor and took the initiative to recommend Lu Chen.

I just didn't expect that the other party would actually refuse.

What a surprise.

“Little guy, the title of leader of the martial arts alliance is somewhat useful. Do you really want to consider it?” the drunkard asked with a yawn.

“Don’t think about it, I don’t have time to care about the affairs of the world.”

Lu Chen was too lazy to talk nonsense and began to search around Lei Wanjun’s body, and soon found a golden bead.

Astonishingly, it is the holy object of martial arts – Tian Lingzhu!

Lu Chen would naturally not miss such a top-quality treasure that can increase the speed of cultivation.

With the Tian Lingzhu, I believe it won’t be long before he can truly break through to the Grand Master level.

At that time, he can carry out his revenge plan.

“Oh? You actually have such a treasure hidden?”

Seeing this scene, the drunkard couldn’t help but look surprised.

Chapter 1212

“Old drunkard, let’s go back and drink.”

After collecting the Tian Lingzhu, Lu Chen ignored the crowd and walked down the ring step by step with the Sky Sword in hand.

Wherever they passed, the crowd dispersed automatically, actively giving way to a spacious road.

Chase Lu's powerful performance today convinced almost everyone.

Although many people don't understand why Lu Chen didn't become the leader of martial arts, but at present, it is at least a good thing.

Especially the heads of the various sects are starting to move around, preparing to compete for the position of leader.

It can be predicted that a new martial arts disturbance will appear soon.

“Oh, right.....”

At this time, Lu Chen seemed to think of something, stopped suddenly, and looked sideways at Lei Qianzhong: “Almost forgot, there is such a scourge as you.”

“You...what are you going to do?”

Lei Qianzhong's complexion changed, and panic flashed in his eyes.

“Since I entered the door, you have been shouting and shouting. If you don't eliminate your threat, I won't be able to sleep.” Lu Chen looked indifferent.

Now that the two sides are dying, it is undoubtedly a disaster to keep Lei Qianzhong alive.

“You, you, you...don't mess around, I'm the elder of the Wumeng!”

Lei Qianzhong panicked and began to back away.

He didn't make a sound just now, just hoping to get away with it, but he was still targeted.

“I have killed all the martial arts leaders, let alone an elder?”

Lu Chen sneered, and suddenly flicked his fingers, and a silver needle shot out instantly.

Like lightning, it directly pierced Lei Qianzhong's eyebrows.

“you.....”

Lei Qianzhong opened his mouth, and when he was about to say something, his body suddenly trembled and he froze instantly.

Immediately afterwards, a drop of blood overflowed from his eyebrows.

And Lei Qianzhong fell to the ground on the spot, as if his body had been drained dry.

A pair of eyes stared like copper bells, and his face was full of fear and unwillingness.

Seeing this scene, several of Lei Qianzhong's younger brothers were so frightened that their livers and gallbladders split apart, and their souls flew out of the sky.

He knelt down directly on the ground and began to kowtow and beg for mercy.

Lu Chen didn't pay attention. He turned his eyes and looked at Jiang Xiuzhen and the others, with a strong murderous intent in his eyes.

“Um?”

Jiang Xiuzhen and the others immediately became nervous, and they all felt as if they were facing a formidable enemy.

If Lu Chen wanted to settle old scores, they would have no choice but to fight to the death.

“Don't be so nervous. I won't kill you because someone has already booked your heads. I hope you can take good care of yourself before the real nightmare comes.”

After saying a meaningful sentence, Chase Lu turned around and left without killing everyone.

It's not because of his kindness, but the lives of Jiang Xiuzhen and others must be taken by Huang Yinyin personally.

The hatred for killing his father is irreconcilable.

When Huang Yinyin comes back after her success, it will be the time for these hypocrites to die.

Lu Chen left, leaving everyone with a cold figure.

But the sensation he caused could not be subsided for a long time.

“It's a pity that Senior Brother Lu did not take over as the leader of the martial arts alliance, and he missed an opportunity to become famous in the world.” Lin Rong sighed softly.

She admired Lu Chen's strength and character very much. He had clear grudges and was unmoved by fame and fortune, which was really rare.

It's just that the other person is too stoic and completely independent.

“No, you are wrong. Chase Lu did not miss the opportunity, but simply disdains it.”

At this time, Zuo Xinyue, who was standing next to her, suddenly spoke. Her eyes were hot and her face was full of admiration: “The honor that others dream of is completely within reach for Lu Chen. This is the difference between ordinary people and kings!”

“In addition, there is another point. After today, the name of the young master will definitely be resounding throughout the world.”

“So there is no need to prove anything, no need to advocate and build momentum, and no need for the so-called title of alliance leader,”

“Because Lu Chen is now the uncrowned king!”

Chapter 1213

“Boy, how are you? I just came in time, right?”

On the way back to the car, the drunkard was holding a wine bottle, crossing his legs and drinking wine happily.

“If you don’t come, they can’t do anything to me.” Lu Chen shrugged.

“Come on, what are you pretending to be in front of me?”

The drunkard looked up and down, curled his lips and said: “You used the Lu family’s secret method to forcefully break through the situation. Now the time limit has expired and it is about to be backlashed. If I don’t show up, you will probably have to explain it here today.”

Although the Lu family’s secret method can break through the realm, the cost is also huge.

On the one hand, it consumes vitality; on the other hand, after using it, the body will become extremely weak.

If the enemy seizes the opportunity at this time, his life may be at risk.

“Old man, you have good eyesight.”

Lu Chen smiled, no longer hiding it, and directly pulled out the silver needle on the back of his head.

For a moment, his whole body seemed to be deflated, and his energy and energy were directly drained.

The originally powerful aura plummeted and became extremely weak.

“Huh...huh...”

Lu Chen was breathing heavily, with big beads of sweat pouring out.

His previously rosy complexion became as pale as paper, his eyes were bloodshot, and his limbs were even more sore and weak.

As if exhausted.

As Jiu Kuang said, although the Lu family’s secret method can forcibly increase strength, it has serious side effects.

If it wasn’t for killing Lei Wanjun, he wouldn’t use it easily.

“Come, drink some wine to replenish your body.”

The drunkard handed over the flagon in his hand.

Lu Chen was also polite, and took a sip directly.

The strong wine entered the throat, exuding a trace of fire, which nourished the already weak body to a certain extent.

Obviously, the wine has been spiked.

“Boy, I have something to tell you.”

The drunkard yawned, half-lying on the seat, and said lazily: “I have an old friend who encountered a little trouble. I have to leave for a while.”

“Leave? Where to go?” Lu Chen was a little strange.

“Yanjing.” Jiu Guang spat out two words.

“Yanjing?” Lu Chen frowned slightly: “Old drunkard, you have a sensitive identity. If you go to that place, I’m afraid there will be some trouble.”

Although what happened ten years ago has been settled, the old enemies are still there.

If a drunkard exposes his identity, he will inevitably be plotted against.

“Boy, when have I, Kuang Nansheng, ever been afraid of trouble? You underestimate me too much.” The drunkard said nonchalantly.

“When do you plan to leave?” Lu Chen asked again.

“Sooner rather than later, I’m leaving today.” Jiu Kuang said calmly.

“So anxious?” Lu Chen frowned.

“Human life is at stake, there is no hurry.”

The drunkard stretched his body, then seemed to think of something, and suddenly took out a medicine bottle from his body, handed it to Lu Chen, and said: “Tomorrow is your birthday, well, this baby is my birthday gift to you.” Gift.”

“Oh? When did you become so polite?” Lu Chen was quite surprised.

“When I leave, I don’t know when I will come back. I have to leave something for you kid.” Jiu Kuang said.

“What’s in it?” Lu Chen was a little curious.

Half of his medical skills come from being a drunkard, and the other half comes from studying various ancient books.

“This thing is called Dragon Spirit Tiger Pill. It is my exclusive secret recipe. It can enhance the ability in that area and restore men’s glory. The effect is excellent and unparalleled in the world!” The drunkard looked proud.

“No, why did you give me this thing?” Lu Chen was startled.

I thought it was some kind of panacea, but after working on it for a long time, it turned out to be an aphrodisiac.

“I see that your kid has been married for several years and there has been no movement. It must be that he is not good at that. This baby is just right for you.” The drunkard said seriously.

Chapter 1214

“Old man! What are you talking nonsense about? You’re not good at that, I’m so excited!” Lu Chen immediately became anxious.

Because he was so excited, he began to breathe heavily as he spoke.

Coupled with his pale complexion, he looked like he was suffering from kidney deficiency.

“Okay, okay, you’re fierce, you’re fierce, I get it, don’t get too excited.”

The drunkard nodded perfunctorily, with an expression as if he was coaxing a fool:

“Anyway, this treasure is rare, so you should keep it for now, just to be prepared.”

With that said, he stuffed the medicine bottle into Lu Chen’s pocket.

“What the hell...”

Lu Chen felt that he was insulted, and just as he was about to have a seizure, he started coughing violently.

“Okay, okay, don’t say anything, I understand.”

The drunkard patted Lu Chen on the back and said immediately: “I have to catch a plane later, so I won’t bother you anymore. Remember, take your medicine on time and try to give birth to a big fat boy as soon as possible.”

As soon as he finished speaking, the drunkard’s figure flashed and disappeared like a ghost.

“Take care, old thing.”

Lu Chen looked through the car window at the rickety figure disappearing in the distance, his eyes becoming a little complicated.

There is no such thing as a banquet that lasts forever. Ever since he cured the drunkard, he knew that the other party would leave sooner or later.

He has his goals, and the alcoholic has his own things to do.

Life is different and the path is different. All he can do is silently bless and pray for peace...

After resting for a while, Lu Chen and Lao Zhang returned to Fengyu Villa.

However, as soon as they arrived at the gate, the two of them saw a group of Qilin Gang disciples, busy inside and outside, with all kinds of lights and colors, dressed in red and green.

Concubine Cao Xuan and Zhao Hongying directed all aspects of the layout in the villa, striving to be the most detailed and perfect.

The two women, who were at war with each other before, now have a surprisingly tacit understanding.

“Concubine Xuan, Hongying, what are you two doing?”

Lu Chen walked in the door with a bit of curiosity on his face.

“Brother Chen, you are back.”

Zhao Hongying turned her head in surprise and hurried up to greet you, smiling: “It’s your birthday tomorrow. I’m thinking about decorating it well, but I don’t know if you are satisfied with it or not?”

“It’s just a birthday, why should it be such a grand event?”

Lu Chen looked around and found that the entire Fengyu Villa seemed to have been renovated.

“What are these? If time hadn’t been too short, I would have pushed this place to be rebuilt.” Zhao Hongying said seriously.

“...”

Lu Chen's mouth twitched.

He knew that with this girl's character, she could really do it.

“Husband, today is different from the past. You are now the leader of the Qilin Gang. If you want to celebrate your birthday, you have to make it a lively event and make it look like a gang leader!” Concubine Cao Xuan said with a smile.

“We can just have a meal together, why bother?” Lu Chen had a headache.

Zhao Hongying mentioned this matter before, and he specifically warned not to spread it everywhere.

In the end, this girl couldn't hold it back.

“We have to eat and we have to create a scene. We can't let Shangguanhong steal the limelight.” Concubine Cao Xuan said.

“Wait a minute, what's going on with Guan Hong?” Lu Chen was a little surprised.

“It seems you don't know yet. Tomorrow happens to be the engagement day of Shangguan Hong and Cao Zhiyuan. They have invited guests and are preparing to hold a grand banquet. Naturally, we cannot show weakness.” Concubine Cao Xuan's eyes were bright.

Shangguan Hong stirred up dissension and tore the Cao family into pieces, which she has always been resentful about.

So she planned to take this opportunity to destroy the prestige of the Shangguan family.

“Oh? Shangguan Hong is engaged to Cao Zhiyuan? It seems destined.” Lu Chen raised his eyebrows.

He had no interest in it at first, but now that he heard that it was related to Guan Hong, he felt a little more eager to win.

Because of the treasure map, Shangguanhong has been making small moves behind the scenes.

The grievances between the two parties have become deeper and deeper, and it seems that it is time to settle the matter.

Chapter 1215

“Since the Cao family changed its patriarch, it has completely become a vassal of the Shangguan family. The entire Cao family’s property is being eaten away. After this engagement, Shangguan Hong will probably show his fangs soon.” Concubine Cao Xuan’s face gradually changed. serious.

The Cao family fought within, causing the brothers to turn against each other.

All the relatives in the past have now become enemies.

The entire family was in a huge crisis.

Fortunately, she was prepared in advance and transferred all her assets to Yanjing.

In this way, a little fire can be saved for the Cao family.

“Concubine Xuan, when it comes to the Cao family, what does your father think?” Lu Chen asked.

With Cao Guan's connections and prestige, if he really wanted to compete with Cao Guan, he would have a good chance of winning.

"My dad is still trying his best to save the situation and trying to negotiate with the uncle and the others, but unfortunately, the effect is very little." Concubine Cao Xuan shook her head.

Her father was good at everything, but he was too emotional and didn't want to turn against each other, so he kept regressing.

After the turmoil, the Cao family is already in disarray.

"It seems that your father is still a little worried, but when encountering this kind of thing, you must break the boat and build up again." Lu Chen reminded.

It's right to be concerned about brotherly feelings, but if you keep giving in, it will only make the situation worse.

"I hope my dad can wake up soon." Concubine Cao Xuan looked a little complicated.

She can help her father make a comeback, but the problem is that her father has no intention of fighting now.

"Oh, right....."

At this time, Concubine Cao Xuan seemed to have thought of something, and took out an exquisite bag of tips from her bag and handed it to Lu Chen: "It's your birthday tomorrow. This is a gift from my dad."

"Thank you father for me." Lu Chen smiled.

"Open it and have a look." Concubine Cao Xuan winked.

“Now?”

After receiving confirmation, Chase Lu slowly opened the kit and took out a well-preserved piece of parchment.

When he unfolded it, he found a mysterious pattern drawn on the parchment, but it was somewhat incomplete.

“Concubine Xuan, what is this?” Lu Chen was a little surprised.

“This is the treasure map passed down from the Cao family’s ancestors, and it is also what Shangguanhong has always wanted. Now, my father has given it to you.”

Concubine Cao Xuan smiled slightly.

“What? An ancestral treasure map?”

Lu Chen was startled at first, then waved his hands repeatedly: “No, no, no, this thing is too valuable, I can’t have it!”

The treasures of the Cao family are as rich as the enemy’s, and can even change the world’s structure.

The value of this treasure map is simply immeasurable.

“It’s just a incomplete treasure map. It’s useless for my dad to keep it. Why don’t I give it to you. Maybe you will have a chance to put the treasure map together.” Concubine Cao Xuan said with a smile.

“Concubine Xuan, this is your family’s ancestral possession, how can I take away someone else’s favor?” Lu Chen shook his head again.

“Actually, my dad did this after careful consideration.”

Concubine Cao Xuan explained: “With his current ability, he cannot protect this treasure map. It might be taken away by Shangguan Hong one day. Rather than letting the treasure fall into the hands of an ambitious person, it is better to choose a suitable treasure map.” The successor of the book will inherit this treasure map.”

“This...” Lu Chen hesitated.

Cao Guan regarded this treasure map as more important than his own life, but now it was given to him, which was simply an unconditional trust.

At the same time, it also made him feel a heavy responsibility.

“Okay, there’s no need to refuse. This is my father’s wish. Just accept it. Maybe I can help you in the future.”

Concubine Cao Xuan smiled and stuffed the parchment into Lu Chen’s arms.

“Okay, I’ll keep it for your dad first, and then return it to him after the Cao family is stable.” Lu Chen finally nodded.

Cao Guan gave the treasure map to him, on the one hand out of trust, and on the other hand he hoped that it would be handled properly so as not to harm all living beings.

...

At night, inside the Shangguan family’s residence.

Shangguan Hong was sitting in his study, playing chess alone.

Chapter 1216

Cao Jun and Cao Zhiyuan stood by the side obediently, not daring to take a breath, looking extremely humble.

Since they were captured by the Tiger and Leopard Cavalry last time, they were only held for two days before being released.

In their opinion, it must have been Shangguan Hong who persuaded Hongying God of War to let him go.

This is enough to prove that they are not following the wrong person.

“Tomorrow is the engagement day, are you ready?”

After a game of chess was played, Shangguan Hong finally spoke.

“this.....”

Hearing this, Cao Jun’s expression froze and he subconsciously looked at his daughter standing next to him.

“Brother Hong, we were almost successful. It’s all because of that damn Lu Chen, who disrupted our overall plan and even caused us to be caught.”

Cao Zhiyuan cursed while explaining.

“Okay, I don’t want to hear this nonsense.”

Shangguan Hong glanced at the two of them coldly, and said calmly: “The result I want is not the process. According to our previous agreement, you will give me the treasure map, and I will support you to rise to power, and then the two families will marry and create glory together. I have done everything I promised, what about you?”

“Young Master Hong, we have tried our best. Can you give us a few more days? I promise that I will help you get the treasure map!” Cao Jun vowed.

“Yes, Brother Hong! With a few more days, we will definitely be able to fulfill our agreement!” Cao Zhiyuan nodded repeatedly.

“I hate people who break their promises the most. They promised to present the treasure map before the engagement. If you can’t do it, then tomorrow’s engagement banquet will be canceled directly, and there will be no need for you and my family to communicate with each other anymore.” Shangguan Hongmian Expressive.

“ah?”

As soon as these words came out, Cao Jun and Cao Zhiyuan’s expressions instantly changed.

Now the Cao family is full of complaints, and all forces are ready to take action. Without the protection of the Shangguan family, the power they just gained will soon be in vain.

“Brother Hong! Can’t cancel!”

Cao Zhiyuan was a little panicked and promised again and again: “Please give us another chance, we will definitely be able to get the treasure map back!”

After finally getting the chance to marry into a very wealthy family and become a general’s wife, she would not give up easily.

No matter what the cost, she must maintain her current position.

“It’s no use just talking, what I want is the result.”

Shangguan Hong said calmly: “You still have one night. Before the engagement party starts tomorrow, if you can’t present the treasure map, don’t blame me for turning against me!”

“No problem, no problem! We’ll do it right away!” Cao Zhiyuan nodded frantically.

There was no other choice now, she had to give it a try.

“Go ahead and don’t let me down.”

Shangguan Hong waved his hand and motioned for the two of them to retreat.

“Yes Yes Yes.....”

Cao Zhiyuan and the other two did not dare to hesitate and hurriedly said goodbye and left.

After walking out of the study, Cao Jun couldn’t help but be troubled: “Daughter, we only have one night, how can we get the treasure map back?”

Various methods have been used without success before, and now it is even more difficult.

“Dad! We can’t be soft-hearted anymore. We must be serious. Otherwise, we will miss this opportunity and be unable to hold our heads up for the rest of our lives!” Cao Zhiyuan’s eyes were fierce.

“Seriously? What do you mean?” Cao Jun suddenly felt uneasy.

“Catch Cao Guan, torture him, and force him to hand over the treasure map!” Cao Zhiyuan said murderously.

“Torture?” Cao Jun frowned: “Daughter, after all, he is your third uncle, our blood relative, isn’t this bad?”

Although the two sides fought openly and covertly before, they never broke through the bottom line.

After all, they were brothers, so he couldn’t really kill them all.

“Dad! We don’t have time. If we don’t do this, it’s impossible to get the treasure map back!”

Cao Zhiyuan had a cold look on his face: “If you don’t take care of yourself, you will be punished by heaven and earth! We are only one step away from reaching the sky. We must not waste all our efforts. Those who achieve great things need to be ruthless. This is our only chance. We must sink our boats!”

Hearing this, Cao Jun couldn’t help but fell silent.

After a while, he nodded heavily: “For you and our future, we have no choice but to disown each other!”

Chapter 1217

For Cao Jun, he has lost his son and can no longer ruin his daughter’s future and happiness.

So even if he is a villain, even if his brothers turn against each other, he will not hesitate.

“Dad! You are indeed born to do great things!”

Seeing his father’s agreement, Cao Zhiyuan couldn’t help but look happy: “I believe that as long as we, father and daughter, work together, any difficulty can be solved!”

As long as you convince your father, everything will be easy.

“Zhiyuan, I agree with your plan, but the bottom line is that your third uncle’s life cannot be hurt.” Cao Jun warned seriously.

“Dad, don’t worry, I’m just here to hide the treasure map. If the third uncle can hand it over in time, I will definitely not really hurt him.” Cao Zhiyuan immediately promised.

Of course, if she refuses to pay, don’t blame her for being cruel.

“Very well, I feel relieved with your words.”

Cao Jun nodded and continued: “However, there is still a problem now. There are masters secretly protecting your third uncle. With our current strength, I am afraid it will be difficult to succeed.”

If he has enough time, he can also recruit some martial arts masters from outside to do things.

But it’s obviously too late now.

“Dad, I think of someone who should be able to help us.” Cao Zhiyuan suddenly said.

“Oh? Who is it?” Cao Jun was curious.

“Shangguan Xingwang!” Cao Zhiyuan raised the corner of her mouth.

“Shangguan Xingwang? Isn’t he just a second-generation ancestor? How can he help us?” Cao Jun frowned slightly.

Although Shangguan Xingwang is Shangguan Hong’s younger brother, Shangguan Xingwang is far behind Shangguan Hong in terms of personal ability and status.

The two brothers are completely different.

“Dad, you underestimated him.”

Cao Zhiyuan shook his head: “Although Shangguan Xing is not as prosperous as Shangguan Hong, he is also quite well-connected. Not only does he know many martial arts masters, but he also has a group of people in the world under him. If we can get his help, kidnapping Cao Guan will not be a problem at all. !”

“What are you going to do?” Cao Jun asked tentatively.

“The secret must not be revealed.”

Cao Zhiyuan smiled mysteriously: “Dad, you go to the living room to rest for a while. I’ll be back soon.”

After the words fell, she left quickly.

After a stick of incense.

Holding a bowl of hot dumplings, Cao Zhiyuan knocked on the door of Shangguan Xingwang’s room.

“Sister-in-law, why are you here?”

Shangguan Xingwang opened the door and looked, his eyes lit up immediately.

Cao Zhiyuan is very beautiful. She has inherited the excellent genes of the Cao family, so both her appearance and figure are top-notch.

For men who are full of vigor and blood, it is definitely a great temptation.

“Xingwang, I heard that you were injured yesterday, so I came here to take a look.”

Cao Zhiyuan smiled charmingly, took the initiative to walk into the room, and put the bowls and chopsticks on the table: “Looking at you, you must be hungry, right? Here, these are dumplings cooked by my sister-in-law. You can try them.”

“Really? Then I really want to taste it.”

Shangguan Xingwang smiled, sat down immediately, and began to wolf down.

While eating dumplings, he stared at his sister-in-law.

His hot gaze glanced back and forth on Cao Zhiyuan’s sexy figure, looking very greedy.

“How is the taste?”

As if Cao Zhiyuan didn’t notice it, she intentionally sat beside Shangguan Xingwang, her smile became even more charming.

“It’s delicious! The dumplings made by my sister-in-law are really delicious!”

Shangguan Xingwang nodded repeatedly, his face full of desire.

Because it was too close, he could clearly smell the fragrance of Cao Zhiyuan, which was simply intoxicating.

“As long as you like it, my sister-in-law will make it for you later when I have time.” Cao Zhiyuan said with a smile.

“Thank you sister-in-law!”

Shangguan Xingwang swallowed, his eyes glowing.

Chapter 1218

He has seen many beauties, but he has never met a vixen like Cao Zhiyuan who brought the charm of women to the extreme.

The most important thing is that this superb beauty in front of her is still her own sister-in-law.

The thrill of violating taboos is the real abyss of desire.

It's unbearably itchy.

“well.....”

After booing and inquiring, Cao Zhiyuan suddenly let out a sad sigh.

“What? Is there something bothering my sister-in-law?”

Shangguan Xingwang asked proactively.

“It's okay, you can eat at ease, it's just a little trouble, nothing.”

Cao Zhiyuan forced a smile, and came up with a trick of indulgence.

Actively asking for help can easily arouse suspicion. If the other party asks for help, it is another matter.

“Sister-in-law, we are all one family now, if you have any difficulties, just ask, and I will solve your problems for you!”

Shangguan Xingwang patted his chest, looking very generous.

“Forget it, you were injured just now, I can’t cause you any trouble.” Cao Zhiyuan shook her head, putting on a look of pity for me.

“Sister-in-law! What are you talking about?”

Shangguan Xingwang put down his chopsticks and said pretending to be dissatisfied:

“What do you mean causing trouble? Do you look down on me or something? Do you think my brother is incompetent and can’t help you?”

“No, no, that’s not what I meant.” Cao Zhiyuan waved his hands repeatedly.

“Sister-in-law, if you treat me like a family member, just say it if you have something to say, brother, I promise, I will help you manage well!” Shangguan Xingwang vowed.

“Xingwang, are you really willing to help me?” Cao Zhiyuan looked very moved.

“Of course, you are my sister-in-law, who will I help if I don’t help you?” Shangguan Xingwang was very heroic.

“I’m not afraid of making fun of you if I say it. In fact, this matter has something to do with my third uncle.”

Cao Zhiyuan pretended to sigh: “Although my father is now the head of the Cao family, the real power is in the hands of my third uncle Cao Guan.

My third uncle is ambitious, cunning, and has always coveted the position of the head of the Cao family.

In order to get the upper hand, he did everything possible and used all kinds of despicable methods. He simply refused to recognize his relatives.

My father was kind-hearted and couldn't defeat Cao Guan. He was eventually forced into desperation, crying all day long, and even had the tendency to commit suicide.

As a daughter, I see it in my eyes and feel pain in my heart.

However, I am just a weak woman, and I really don't have the ability to fight against my third uncle, so I can only compromise and tolerate in every possible way. ”

At the end, there was another long sigh, showing a sad look.

“Hmph! This Cao Guan is so shameless, he is worse than a pig or a dog!”

Shangguan Xingwang was so angry that he slapped the table, looking a little aggrieved.

“Forget about those things in the past, but in recent times, Third Uncle has really gone too far.”

Cao Zhiyuan continued to add fuel to the flames, portraying himself as a victim, saying:

“In order to force my father to abdicate, the third uncle did not hesitate to steal the family's treasure as a threat. If this treasure cannot be retrieved, my father, as the patriarch, can only To apologize with death, we...are really at the end of our rope!”

As he spoke, he began to sob quietly.

The pitiful look of the pear blossoms in the rain is heartbreaking to see.

Shangguan Xingwang's protective desire as a male was directly aroused to the point of exploding.

He stood up suddenly and said aggressively: “Sister-in-law! Don't worry, I will take care of this matter! I will immediately send someone to capture Cao Guan, interrogate him severely, force him to hand over the treasure, and give you justice!”

“Xingwang, my third uncle is cunning and cunning. He is protected by experts all year round. It is really difficult to catch him.” Cao Zhiyuan sighed.

“Huh! He’s just a despicable villain, I haven’t taken him seriously yet!”

Shangguan Xingwang said with a proud face: “Sister-in-law, please wait for my news at home. I will definitely give you a satisfactory explanation tonight!”

After saying that, he walked out of the door majestically.

“Xingwang, you must be careful.”

Cao Zhiyuan shouted in a pretentious manner, the smile on his lips getting wider and wider.

Men are indeed animals that think with their lower body, and they can easily get it done in just a few words.

Chapter 1219

The night is getting deeper and deeper.

A crescent moon in the sky sheds a faint silver light.

At this moment, a black business car suddenly stopped at the door of Shangguan Mansion.

When the car door opened, Shangguan Xingwang walked out first, then ordered several subordinates to quickly run into the house carrying a large sack.

The journey was mysterious and silent, and finally we entered a secret room.

This is the wolf guard of the Shangguan family, a place specially used for torture and extorting confessions.

“open to take a look!”

After entering the secret room, Shangguan Xingwang sat down on the chair and poured himself a glass of wine.

“Kacha!”

The sack was cut open with a knife.

Immediately afterwards, a figure with disheveled hair and bruises rolled out of the bag in embarrassment.

It was Cao Guan!

“Old guy, do you know who I am?”

Shangguan Xingwang was holding the wine glass, shaking it from side to side, with a somewhat cold look in his eyes.

“Are you Shangguan Xingwang?”

Cao Guan took a closer look and quickly saw the clues.

“Hey! I have some knowledge, and I actually know the young master.”

Shangguan Xingwang took a sip of wine and said calmly: “Now that you know who I am, things will be easier to handle. Hand over the treasure map and I will spare your life.”

“Treasure map? Huh...”

Cao Guan sneered: “You finally couldn’t help but take action? I thought your Shangguan family would cherish their feathers and not want to show their faces.”

Shangguan Hong has been working step by step and strategizing.

The reason why he didn’t take action in person was partly because of scruples, and partly because he wanted to hide his edge and avoid being targeted by interested parties.

Now it seems that the other party can no longer remain angry.

“Stop talking nonsense! Hand over the treasure map immediately, otherwise I will make you look good!” Shangguan Xingwang shouted.

“The treasure map is the most treasured treasure of the Cao family, how can I leave it to you villains?” Cao Guan sneered.

“Old man! How dare you speak hard when you are about to die? Believe it or not, I slashed you with a knife!” Shangguan Xingwang stared.

“Everyone will die eventually, so why not a few years earlier?” Cao Guan smiled.

His expression was very calm, and he looked like he was risking his life.

“Fuck! Are you so brave? I want to see if you are really tough or are you just showing off?”

Shangguan Xingwang stood up and picked out a boning knife from the wall hung with various torture instruments.

The knife is not big, even somewhat small and delicate.

However, the more exquisite the torture instrument, the more frightening it is.

“Have you seen this knife? I’m going to use it later to peel off your skin and cramps, and cut off your flesh piece by piece. I’m going to torture you until you’re worse than dead!”
A cruel smile appeared on Shangguan Xingwang’s lips. .

As he spoke, he waved the knife in front of Cao Guan’s eyes to show his ferocity.

“Although let the horse come here.”

Cao Guan’s face remained unchanged, showing no fear at all.

“very good!”

Shangguan Xingwang grinned, and suddenly drew his knife, stabbing Cao Guan’s shoulder.

The latter’s body was shaken and his brows wrinkled slightly, but he quickly returned to normal.

During the whole process, he didn’t even hum.

“Hey! How can you resist? I want to see how long you can hold it!”

Shangguan Xingwang was a little angry, and stabbed Cao Guan twice again.

Suddenly, blood donations were pouring out.

Cao Guan gritted his teeth and didn’t say anything, but his forehead started to sweat.

“I’ll ask again, do you want to hand it over?”

Shangguan Xingwang inserted the knife into Cao Guan’s shoulder and began to stir little by little, with a fierce expression on his face.

“Kill me if you dare!” Cao Guan snorted coldly.

“Want to die? Haha... It’s not that easy. I’m going to torture you slowly!” Shangguan Xingwang smiled grimly, and the knife in his hand became harder and harder.

Chapter 1220

Cao Guan’s facial muscles began to twitch uncontrollably, and he was sweating more and more.

But no matter how painful it was, his eyes were very determined.

“What the hell! It seems like you won’t speak unless I use some powerful means on you.”

Shangguan Xingwang was a little annoyed, threw away the boning knife, and started picking at the wall again.

As a result, various strange instruments of torture were put on the table.

“Have you seen these treasures? I will use all these things on you. I hope you don’t die too soon!”

Shangguan Xingwang laughed ferociously.

Then he picked up the torture tools and started rounds of torture.

Time is passing little by little.

Inside the secret room, there was blood.

Outside the secret room, the moon and stars were sparse.

Cao Zhiyuan stood at the door of the secret room, pacing back and forth, looking a little anxious.

Since Cao Guan was captured, he has been interrogated for nearly three hours, but unfortunately, there has been no result.

There was only midnight left before dawn, and time was getting tighter and tighter.

If she can't get the treasure map, all her efforts will be in vain, and all her extravagant hopes will be in vain.

“Crunch!”

At this time, the iron door of the secret room slowly opened.

Shangguan Xingwang, covered in blood, walked out cursing.

“Xingwang, how are you? Have you got the treasure map?” Cao Zhiyuan asked quickly.

“Sister-in-law, this guy Cao Guan is really tough. I tortured him for a long time and tried all kinds of methods, but he just refused to speak. To be honest, I have never seen such a madman!” Shangguan Xingwang was angry and admired at the same time. .

If it were an ordinary person, his true colors would be revealed in three minutes, and his urine and feces would flow out.

As a result, Cao Guan carried it for three hours without saying a word.

This perseverance and endurance are simply terrifying.

“Refused to speak?”

Cao Zhiyuan frowned and looked a little ugly: “How is he now? Is he dead?”

“The person is unconscious, but he is still breathing. If the torture continues, he will probably die inside.” Shangguan Xingwang shook his head.

“I’ll go in and take a look first.”

Cao Zhiyuan didn’t say much, and walked in with a sullen face.

At this moment, inside the secret room.

Cao Guan was tied to a pillar, his head hanging, and he was dying.

His body was riddled with holes, scars and wounds. He looked like a bloody man, whose appearance was completely indistinguishable.

Those hideous wounds were still bleeding out “tick-tick-tick”. It was simply

Terrible.

Even though Cao Zhiyuan had been mentally prepared, he still felt a little nauseous when he saw the scene in front of him and subconsciously covered his mouth and nose.

“Sister-in-law, this place is too dirty for you. You’d better get out first.” Shangguan Xingwang advised softly.

Where have ordinary women seen such a bloody scene?

He did not scream and run away, which is already commendable for his courage.

“I’m fine.”

Cao Zhiyuan took a deep breath and quickly adapted to the bloody scene. His eyes became cold: “Xingwang, the treasure map is very important to me. Do you have any other means? As long as you can help me, everything will be done.” Afterwards, my sister-in-law must be very grateful.”

The last few words were bitten hard and had a bit of ambiguity.

Looking at Cao Zhiyuan’s plump and sexy body, Shangguan Xingwang swallowed his saliva and said calmly: “Sister-in-law, his body can no longer withstand it, and it’s just a pain in the flesh. I’m afraid it’s hard to ask what’s going on. I must We have to find another way.”

“What do you mean?” Cao Zhiyuan was slightly taken aback.

“Everyone has weaknesses, even a tough guy. If you can find his weaknesses, it will be easier to succeed.” Shangguan Xingwang put forward his opinion.

“weakness?”

Cao Zhiyuan narrowed his eyes and quickly reacted: “If you want to put it that way, he should have only one weakness.”

“What is it?” Shangguan Xingwang was a little curious.

“His daughter, Concubine Cao Xuan!” Cao Zhiyuan’s pretty face turned cold.
