

An Understated Dominance Chapter 1251 - 1260

Chapter 1251

”Snapped!”

Shangguan Pengcheng staggered and almost fell due to the beating, and the five fingerprints on his face were clearly visible.

However, at this moment, he did not dare to be dissatisfied at all. He immediately turned his head and shouted at Cao Jun and his party: “It’s all your fault! Why are you still standing there? Let him go quickly!”

With these words, he naturally picked himself out.

”ah?”

Cao Jun and his party looked at each other, a little at a loss.

Although they knew that Concubine Cao Xuan was kidnapped, they did not know where she was being held.

Forced to be helpless, they could only cast their eyes on Cao Zhiyuan for help.

”In...in the secret room...they are locked in the secret room.”

Cao Zhiyuan shrank his neck, lowered his head, and finally spoke hesitantly.

”Quick! Go to the secret room to save people!”

Hu Xuehai shouted and quickly led a group of dignitaries straight to the secret room of Shangguan’s house.

Now is a good opportunity to make meritorious deeds, so they naturally have to perform well.

”You’d better pray that Concubine Cao Xuan is okay, otherwise, I will make you pay a heavy price.” Lu Chen said calmly.

His cold eyes, like a knife, swept over the faces of everyone in the Shangguan family and the Cao family one by one.

A group of people were so frightened that they were out of their minds.

After a while, Concubine Cao Xuan and Cao Anan were finally rescued.

Fortunately, the two were not injured, but remained unconscious.

Lu Chen walked up to Concubine Cao Xuan and carefully checked the situation. After confirming that nothing was wrong, he finally breathed a sigh of relief.

Before, he had always been intimidated and kept silent, just for the safety of Concubine Cao Xuan.

Now that Concubine Cao Xuan is fine, it’s time for him to settle the general ledger.

”Tell me, how are you going to solve today’s matter?” Lu Chen said coldly.

”Haven’t we already released Concubine Cao Xuan? What else do we need to do?”

Shangguan Hong asked with a frown.

So far, he still can’t accept that a former unknown person will suddenly sit on his head and poop and urinate.

”You have to tie someone up, and you have to let them go. Do you think that if you tie someone up, you will be safe if you let him go? According to your logic, if I stab you, if I pull out the knife, it will count as not stabbing you?” Lu Chen asked back.

”Then what do you want?” Shangguan Hong’s face looked a little ugly.

”It’s very simple. Hand over the mastermind. Whoever planned the kidnapping will have to pay the price.” Lu Chen narrowed his eyes slightly.

”His Royal Highness! It’s none of our business. It’s all done by the Cao family. They kidnapped people!” Shangguan Pengcheng quickly began to explain.

”That’s right! It’s all a fight within the Cao family. They planned everything!” The clan members of the Shangguan family all agreed.

A dead Taoist friend is not a poor Taoist. If you want to protect yourself at this time, you must put all the blame on the Cao family and then clean yourself up.

Otherwise, once Lu Changge becomes angry, the entire Earl’s Mansion will be in turmoil.

”Did you do it?”

Lu Chen turned his eyes and glanced at everyone in the Cao family.

”This...we...”

Cao Jun and others looked at each other, hesitating, not knowing what to explain.

Although they wanted to excuse themselves, they couldn’t find a scapegoat for a while.

Under the watchful eyes of the Shangguan clan members, they seemed to have no choice but to accept their fate.

”It seems it really has something to do with you.”

Lu Chen’s eyes gradually became sharp: “As a member of the same race, and also a blood relative, you can actually do such a thing, have your conscience been eaten by a dog?!”

If the kidnapping was planned by Shangguan’s family, he wouldn’t be too angry because the two sides were already hostile.

Chapter 1252

But it was the Cao family, members of the same clan and lineage, who kidnapped Concubine Cao Xuan and killed Cao Guan.

He really couldn’t bear this kind of brotherly killing!

”Lu Chen, we know we were wrong, and we dare not do it again.”

”Please let us go, we promise that we will never fight against Concubine Cao Xuan again in the future!”

Seeing that the situation was not good, Cao Zhiyuan quickly surrendered and begged for mercy.

”Does it still make sense to say this now?”

Lu Chen said coldly: “You have used dirty tricks again and again and tried every means to fight for power. Although you went too far in the past, at least you have not violated the bottom line. However, now, your actions have completely lost your humanity. With your conscience wiped out, you are no better than animals, why should you beg for my forgiveness?”

”No matter what, we are all relatives of Concubine Cao Xuan, and we are the same race connected by blood. If something happens to us, she will definitely be sad. If you like Concubine Cao Xuan so much, you definitely don’t want to see her cry, right?” Cao Zhiyuan began. Play the emotional card.

”Relatives? Compatriots? Thank you for your ability to speak out!”

Lu Chen snorted coldly and pointed at Cao Guan's body: "Open your dog eyes and look! Who is lying on the ground?? You killed Concubine Xuan's father, and now you still have the nerve to fart here, It's so shameless!"

"I....."

Cao Zhiyuan was speechless for a moment.

Cao Jun and others beside him also lowered their heads in shame.

Although they had no intention of killing, Cao Guan's death could not be separated from them.

"Uncle Cao's death must be paid for by someone. Whoever is behind the scenes should commit suicide and apologize."

Lu Chen said coldly, pulled out a knife from the person around him, and threw it in front of everyone in the Cao family with a bang.

"ah?"

Looking at the sharp knife, everyone in the Cao family looked at each other, completely at a loss.

This is clearly an attempt to make an example to others, and whoever dares to admit it will die.

There is only one life, who wants to be this dead ghost?

"Why? Refuse to plead guilty?"

Lu Chen's eyes turned cold, and he said sharply: "If you dare not admit your crime, then everyone will die!"

"What?!"

As soon as these words came out, everyone in the Cao family changed their expressions.

This is to sit together!

If no one dies, the whole family will be destroyed. In this case, someone must come forward to take the blame.

It is simply impossible to muddle through.

With this in mind, most people's gazes turned to Cao Zhiyuan unanimously.

In fact, many people knew in their hearts that this incident was caused by Cao Zhiyuan, but due to the identity of the other party, they dared not say it clearly.

After all, as the patriarch's daughter and Shangguan Hong's fiancée, they really couldn't afford to offend her.

But now it's different, when their lives are at stake, if they don't confess the truth, they will all suffer.

"You... what do you see me doing? I didn't do it!"

Sensing the strange gazes around her, Cao Zhiyuan immediately roared angrily.

His eyes were fierce and somewhat threatening.

"Cao Zhiyuan, everyone knows what you did, so admit it yourself!"

"Yes! You can't implicate our whole family because of your personal behavior!"

"Cao Zhiyuan! If you make a mistake, you have to pay the price. Stop quibbling, confessing your crime honestly is your best destination!"

At this moment, everyone in the Cao family began to criticize and began to criticize in various ways.

Under the threat of death, they no longer care about their family ties.

For a time, Cao Zhiyuan completely became the target of public criticism.

Chapter 1253

"Hey! Don't talk nonsense! I didn't do anything, it's none of my business!"

Faced with everyone's doubts and accusations, Cao Zhiyuan became angry and said: "I'm warning you, if you dare to slander me again, be careful that I fight with you!"

Naturally, she would not admit it when it was a matter of life and death.

Otherwise, it would be dead in vain.

"Cao Zhiyuan! Stop messing around. If you don't plead guilty, it will be difficult for us to live!"

"That's right! It's obviously your fault, why do you have to harm us?"

Everyone in the Cao family became more excited.

They didn't expect Cao Zhiyuan to be so shameless and tell lies with his eyes open.

Everyone knows that now the overall situation has been decided, and the mastermind behind the scenes will not be spared at all. If he pleads guilty frankly, he can still save the Cao family.

But Cao Zhiyuan not only did not have the consciousness to plead guilty, but even tried to drag down the entire Cao family.

What a femme fatale!

"Cao Zhiyuan! The certification evidence is all there, and I won't tolerate your quibbles. Please plead guilty quickly!" Shangguan Pengcheng couldn't help but roar.

He was afraid that Cao Zhiyuan would refuse to admit it, which would implicate the Shangguan family, which would be troublesome.

"Plead guilty, so that your family can still live." Shangguan Hong said coldly.

"Brother Hong..."

Cao Zhiyuan stood stunned on the spot as if he had been struck by lightning, a little unbelievable.

She thought Shangguan Hong was on her side, but she didn't expect that his words directly made her despair.

If even Shangguan Hong didn't help her, wouldn't she be dead?

"Cao Zhiyuan, everyone agrees that it is you, do you have anything to argue about?"

Lu Chen slowly approached, murderous intent flashing in his eyes.

"No...not me...I didn't...none of my business..."

Cao Zhiyuan's face turned pale, he shook his head wildly and denied it three times.

But at this moment, her explanation was so feeble.

"If it's not you, then who is it?" Lu Chen asked condescendingly.

"Yes Yes....."

Cao Zhiyuan looked around as if asking for help, and finally stopped suddenly, pointed at Cao Jun and shouted: "It's my dad! He ordered me to do it. Everything is his fault!"

"I?"

Cao Jun, who was identified, was immediately stunned, his face full of astonishment.

Just now he was thinking about how to get rid of his daughter, but he didn't expect that in the blink of an eye, his daughter would identify him in public.

Put all the blame on his head.

For a moment, he didn't know how to explain?

"You mean, Cao Jun is the real mastermind behind the scenes?" Lu Chen raised his eyebrows.

"That's right! It's my dad! He planned everything. He asked me to kidnap Concubine Cao Xuan. I'm just an errand boy and don't know anything!" Cao Zhiyuan excused himself.

The fear of death made her no longer care about family affection, she just hoped to find someone to take everything for the dead ghost.

"Paper Kite..."

Cao Jun opened his mouth and wanted to say something, but was interrupted by Cao Zhiyuan: “Dad! Admit it! It was you who did it, it was your fault, you were the one who planned everything!”

”Don’t argue anymore, don’t implicate me anymore, I’m still young, I really don’t want to die!”

”Dad! Please, plead guilty!”

”If you don’t die, my daughter won’t survive!”

By the end of the story, she was crying.

His eyes were full of pleading and pity.

She knew that in this world, there was only one person who could help her, and that was her father.

As long as her father is willing to plead guilty and bear everything for her, then she can live.

Chapter 1254

Although she was a little rebellious and despicable, she could no longer care about these things in order to survive.

She was betting now that her father would give up his life for her.

”Cao Zhiyuan! Are you still a human being? In order to escape guilt, you actually slandered your own father? You are really worse than a beast!”

”That’s right! Your father has worked hard to raise you for many years, but you are not grateful, but you still dare to frame him? You are simply ungrateful!”

”A rebel! What a rebel!”

At this moment, everyone in the Cao family scolded angrily.

Cao Zhiyuan's unfaithful and unfilial behavior completely aroused public outrage.

It's totally devoid of humanity to ask your father to take the blame for the trouble you caused.

"Shut up! Shut up, all of you!"

Cao Zhiyuan was furious and roared again and again. When his eyes turned to Cao Jun again, he became pitiful again: "Dad, you watched me grow up, and you have always loved me. You must not be able to bear to see me die, right? "

"You are so young and have only a few years to live, but I am still young. I still have a wonderful life and a wonderful future. I don't want to die here!"

"Dad! Hurry up and confess! If you don't confess again, your daughter will die!"

Cao Zhiyuan became more and more excited, his voice became louder and louder, and finally he became completely hysterical.

Her originally beautiful face had gradually become distorted, and she looked particularly crazy.

"Zhiyuan, you are right, I am indeed guilty and I admit it."

Looking at his ferocious-looking daughter, Cao Jun couldn't help but smile bitterly.

There was no anger or resentment in his eyes, only pity and heartache.

Of course, more helpless.

At this moment, he regretted his choice very much.

He shouldn't be fighting for power, he shouldn't force his third brother to abdicate, and he shouldn't trust the Shangguan family.

It was precisely because of my greed that I made the wrong choice and took the wrong path, which finally led to the situation today.

The Cao family is broken, and he is responsible.

He is also responsible for the death of the third brother.

His daughter went astray and became insane, and he had to bear the corresponding responsibility.

He is a sinner, an unforgivable sinner.

If his death could save his daughter's life, he would be willing.

"Now! Did you all hear it? My dad admitted it! My dad admitted that he was guilty!" Cao Zhiyuan looked ecstatic, as if he had grasped a life-saving straw.

"Clan leader! What are you talking about? It's obviously Cao Zhiyuan's fault, why do you have to bear the responsibility?"

"That's right, patriarch! It's useless to keep such a rebellious beast, let her die!"

"..."

Everyone in the Cao family was indignant and puzzled.

"enough!"

Cao Jun raised his hand to stop everyone's words, then took a deep breath and said calmly: "It was me who harmed the Cao family like this. It was me who did something I

shouldn't have done, which caused irreparable consequences. I am ashamed of Cao Family, I am ashamed of my third brother, I am ashamed of all of you, I... deserve to die.”

As soon as these words came out, everyone was stunned.

Is this asking for death?

”Lu Chen...”

Cao Jun slowly turned around and said calmly: “I did everything. I am willing to bear all the blame. I just hope that you can let my daughter go and let the Cao family go.”

”You are not qualified to bargain with me.” Lu Chen said coldly.

”Yes, I am indeed not qualified. I am just a sinner.”

Cao Jun laughed at himself, glanced at Cao Zhiyuan with complex eyes, and said softly: “Daughter, I'm sorry, dad's ability is limited, there is only this much he can do. It's dad who is incompetent and can't protect you. I hope you will be safe for the rest of your life. Dad is gone. ...”

After saying this, Cao Jun picked up the long knife on the ground and wiped his neck directly.

He killed himself on the spot!

Chapter 1255

When the sharp blade cut open the neck, a large amount of blood gushed out.

In the next second, Cao Jun fell to the ground with a “boom” on the spot, dying of breath.

There was a smile of relief on his face.

”dad?”

Cao Zhiyuan was stunned, standing where she was, a little unresponsive.

The blood spattered by Cao Jun just sprayed her all over the face.

Her originally distorted face became even more bloody and ferocious, like an evil ghost.

”Clan leader!”

”Brother!”

Everyone in the Cao family exclaimed again and again, filled with grief and indignation.

They are all Cao Jun’s confidantes, and they follow each other to prosper and lose together.

Now that Cao Jun killed himself, the Cao family will be completely in decline.

”Dead dead...the sinner is dead!”

After being slightly dazed, Cao Zhiyuan felt relieved, and began to yell frantically: “Lu Chen! Did you see that? My father is dead, the mastermind behind the scenes has committed suicide and apologized, and he has paid the price. Let’s just stop here, okay?”

?”

Although her father’s death made her a little sad, it was more of the joy of the rest of her life.

In her opinion, as long as her father takes the place of her crime, she can escape safely.

”That’s it? Do you think it’s possible?”

Lu Chen had a cold face and remained unmoved.

He could naturally see that Cao Jun was paying for his daughter’s life.

From the father’s perspective, this is the only thing the other party can do.

But he didn’t intend to give up easily.

Every injustice has its owner, and every debt has its own owner. If it is not uprooted, there may be trouble in the future.

”Lu Chen, my dad is already dead, what else do you want?” Cao Zhiyuan said with a mournful face.

”Your father is dead, but you are not dead yet. Do you really think that you can get away with doing these evil things? Then you are too naive.” Lu Chen said coldly.

”You...what are you talking nonsense about? It was obviously my dad who did it, but I don’t know anything!” Cao Zhiyuan panicked.

”Okay, stop pretending. I know who you are. It doesn’t make any sense to act pitiful in front of me. Now you have two choices, either kill yourself and apologize, or go to a black prison.” Lu Chen was expressionless.

”No... I don’t want to die! The sinner has already been executed, it’s none of my business! I’m still young, I still have a good life, you can’t kill me, you can’t!” Cao Zhiyuan shook her head frantically.

”Since you refuse to commit suicide, then you can stay in the dark prison.”

Lu Chen made a gesture and said indifferently: "Come here, send her to the black prison, I will make her never see the light of day for the rest of her life!"

"yes!"

A group of disciples from the Evil Hall laughed ferociously.

Black prison is a nightmare for countless people, and they feel this deeply.

If they hadn't met Mr. Lu by chance, they would never have been able to get out in this life.

"No! I won't go to the dark prison! That's no place for humans!"

Cao Zhiyuan began to struggle crazily and cried bitterly: "Lu Chen! Let me go, please let me go. I know I was wrong. I don't dare to do it anymore. As long as you let me go, I will be a cow for you." Ma, I will serve you forever! Please!"

"take away."

Lu Chen was unmoved and ordered people to drag Cao Zhiyuan away by force.

For a person who has lost his conscience and is sad and crazy, the black prison should be the best destination.

"No-!"

Cao Zhiyuan's shrill voice came from afar, carrying a deep sense of unwillingness and despair.

But this time, no one can help her.

"And you people, all of them are not good."

After dragging Cao Zhiyuan away, Lu Chen glanced at the Cao family again.

Chapter 1256

”Your Highness, it’s none of our business, we didn’t do anything!”

Everyone in the Cao family panicked and kowtowed to beg for mercy.

“No snowflake is innocent in an avalanche.”

Lu Chen said coldly: “You have betrayed your trust and acted as an aide, causing the Cao family to fall apart and all the businesses to be depressed, so that now the family is ruined and everyone is dead. How dare you say nothing and do nothing?”

”this.....”

Everyone was speechless for a moment.

The Cao family used to be one of the leading wealthy families in the provincial capital, but now it is falling apart and the sun is setting on the west. People like them are indeed to blame.

If they had not followed Cao’s army to fight for power and had no internal fighting within the family, they would have had a better life, right?

Unfortunately, there is no if in the world.

”I don’t care about the mistakes you made. When Concubine Xuan wakes up, I will settle the score with you.”

Lu Chen didn’t say much, he just waved his hand and said: “Come here, take them all down and keep them under strict supervision!”

”yes!”

A group of Qilin Gang disciples swarmed up, tied up everyone in the Cao family, and took them all away.

”Now, it’s your turn.”

After dealing with the Cao family, Lu Chen suddenly looked at the Shangguan family:

“Tell me, what should I do with you people?”

With these words, it is obvious that the matter must be settled to the end.

”Your Highness, everything was done by the Cao family and has nothing to do with us!”

Shangguan Pengcheng tried to excuse himself.

”Do you think I’m an idiot?”

Lu Chen snorted coldly: “From the very beginning, it was your grandson Shangguan Hong who was in the way. For his own selfish interests, he sowed discord and harmed the Cao family, forcing the Cao family to kill each other and destroy the family. His various evil deeds have already been It violated my bottom line.”

”ah?”

Shangguan Pengcheng was startled and said in a trembling voice: “Your Highness, is there any misunderstanding? My grandson has always been law-abiding, how could he do such a thing?”

”Are you pretending to be confused? You don’t know your grandson’s virtues?” Lu Chen’s eyes were aggressive.

”I...I really don’t know.” Shangguan Pengcheng cowered.

”Okay, I’ll just pretend that you don’t know. Now, ask your grandson what he did?”

Chase Lu said sharply.

”Hong’er, what’s going on? You shouldn’t have offended His Royal Highness, right?”

Shangguan Pengcheng’s eyes were somewhat suggestive.

”Grandpa, it’s useless. Even if I deny it, he won’t believe it.”

Shangguan Hong shook his head, obviously not planning to quibble anymore.

Cao Jun’s father and daughter’s cruel tricks had no effect. Even if he tried to break the law, it would be of no use in the end.

”Oh? You are sober.”

Lu Chen sneered: “Shangguanhong, you have done so many things behind your back, what do you think I should do with you?”

”Lu Chen, you are just relying on the support of Xiliang Prince’s Palace. If you put aside your identity and background, I may not lose to you!” Shangguan Hong looked dissatisfied.

What about Qilinzi? That was all glory ten years ago.

Injury to Zhongyong is not uncommon.

Even if you are a talented person, if you are not willing to work hard and have no resources, you will still be easily forgotten by everyone.

So the current Lu Chen is not necessarily better than him.

”Looking at you like this, you seem very dissatisfied.”

Lu Chen raised his eyebrows: “Do you think that as long as my surname is not Lu, you will be sure of victory?”

”That’s right!”

Shangguan Hong raised his head and regained his proud expression: “Lu Chen, aren’t you a Qilinzi? Aren’t you unparalleled in the world? Do you dare to bet with me?”

”How do you want to bet?” Lu Chen seemed to be interested.

”According to the rules of the world, we will fight openly and honestly!”

Shangguan Hong said with piercing eyes: “If I win, you will leave here immediately and will not dwell on the past; if I lose, I will be at your disposal, whether you want to kill or behead me, no matter what!”

Chapter 1257

”The plan is good, but why should I bet with you?”

Lu Chen said calmly: “Your life is now in my hands, what qualifications do you have to bet with me?”

Hearing this, Shangguan Hong gritted his teeth, and finally said in a deep voice: “I have a treasure map in my hand. This is the result of my hard search for many years. I am willing to use it to bet my life with you!”

If he hadn’t been desperate, he would never have revealed this secret.

The Cao family's treasure map was divided into three. By chance, he got one of them and learned some secrets.

It was precisely because of this that he secretly planned and made various arrangements to seize the treasure map in the hands of the Cao family.

He didn't expect that he would get into such big trouble before he even got the second treasure map. Now he could only fight with the treasure map in his hand.

"It turns out you also have a treasure map, no wonder it's still haunting you."

Lu Chen nodded thoughtfully: "Okay, just as you said, I will give you a chance to come back, if you can beat me, I will not pursue today's matter, but if you lose, you The entire Shangguan family will suffer the same consequences."

"no problem!"

Shangguan Hong agreed immediately.

"Hong'er! Don't be impulsive!"

Shangguan Pengcheng was startled and his face turned pale.

Lu Chen is the world-famous Qilinzi, an unparalleled martial arts wizard. If you compete with such a person, aren't you looking for death?

"Grandpa! Wealth is in danger. I must bet on this with my life, otherwise we will never get ahead!" Shangguan Hong looked serious.

With the energy of the Xiliang Palace, it would be easy to suppress an Earl's Palace.

Even if Chase Lu sends them all to black prison, no one would dare to say anything.

Therefore, he had to find his own way out.

”Hong’er! If you lose, there will really be no way to survive!” Shangguan Pengcheng was a little anxious.

As General Shangguan Honghuwei, as long as he makes no mistakes, the Xiliang Palace cannot easily kill him.

But if it were a duel in the ring, life and death would be determined by destiny, and no one could interfere.

”Grandpa, don’t worry, I will never lose!”

Shangguan Hong slowly raised his head with sharp eyes: “There is a secret that I have never announced to the public. In fact, I became a martial arts master three years ago. Even if I face Qilinzi, I can still win! “

”What? Martial arts master?!”

As soon as these words came out, the whole place was in an uproar.

Shangguan Hong was less than thirty years old. At this age, anyone who could become an innate warrior was already considered a one-in-a-million genius.

As for the martial arts master realm, it is simply a castle in the air, elusive and out of reach.

Looking at the entire Dragon Kingdom, there are only a handful of martial arts masters under the age of thirty.

In other words, in terms of martial arts attainments, Shangguan Hong has become the top evildoer in the Dragon Kingdom!

”Great! If Hong’er is a martial arts master, then we can hope to win this huge bet!”

”It’s so hidden! It’s so hidden!”

”What about Qilinzi? He is just a flower of yesterday. My brother Hong is truly unparalleled in the world!”

”Hahaha... Some are saved, some are saved, we are all saved!”

At this moment, the clan members of the Shangguan family became excited and ecstatic.

Before this, they didn’t know Shangguan Hong’s true strength.

Unexpectedly, the other party had already broken through to the level of martial arts master without knowing it. What a huge surprise!

With such a strong strength, even if it is against the legendary Qilinzi, it is not weak at all.

Even become famous in one battle!

”No wonder you are so confident. It turns out you have something to rely on.” Lu Chen was also quite surprised.

Apart from other things, being able to become a martial arts master at this age is indeed a genius in heaven.

”Lu Chen, are you not afraid anymore? The majestic Qilinzi, the future King of Xiliang, doesn’t even have the courage to challenge?” Shangguan Hong began to provoke.

If Lu Chen was timid and regretted, it would be troublesome.

”You don’t need to provoke me with words. If I promise to fight you, I won’t regret it. Whether you can win or not depends entirely on your own ability.” Lu Chen said calmly.

Chapter 1258

”Okay! This is what you said!” Shangguan Hong looked happy.

This is the only chance to make a comeback right now and must not be missed.

”Get out of the way, stay away. There’s going to be a fight, so stay out of the way.”

Lu Tianba was very straightforward and immediately started shouting, signaling everyone around him to disperse.

Although they haven’t seen each other for many years, he has blind confidence in Lu Chen.

The title of Qilinzi is not a boast, but a punch.

Ten years ago, Yanjing was full of geniuses and monsters. It could be said that a hundred schools of thought were contending and all the heroes were vying for the throne.

The results of it?

His brother came out of nowhere and single-handedly suppressed the heroes, making those so-called geniuses run away with their heads in their hands and pee.

Looking at the entire Yanjing, there are almost no enemies of Yihe.

Since then, Lu Changge’s name has become a nightmare for all the geniuses, and their talk has turned into a joke.

Even those monsters in Yanjing were beaten into obedience. What do cats and dogs like Shangguan Hong mean?

It's just delivering food.

Under Lu Tianba's shout, everyone quickly dispersed, leaving enough space for Lu Chen and Guan Hong to perform.

This battle is related to the life and death of the entire Shangguan family.

If Shangguan Hong wins, everyone can be saved; if he loses, it will be a fatal blow to the entire Shangguan family.

"Hong'er, you must win!"

Shangguan Pengcheng watched from a distance, clenching his fists and looking very worried.

"Old patriarch, please rest assured, Hong'er is already a martial arts master and will definitely be able to turn the tide!"

"That's right! No matter how powerful Qilinzi is, he has been idle for ten years and cannot be Hong'er's opponent!"

"Brother Hong is a genius, unmatched by anyone. We will definitely win this duel easily!"

The clan members of the Shangguan family are all confident.

Since Shangguan Hong took over as the clan leader, he has never let them down, and this time will definitely be no exception.

At this moment, in the middle of the field.

Shangguan Hong and Lu Chen confronted each other, their eyes were sharp, and they refused to give in to each other.

Same age, same amazing talent.

Now the public showdown is highly anticipated and full of suspense.

Everyone is guessing, who will win in the end?

Is it the unicorn son Lu Changge who was once famous all over the world?

Or is it Shangguan Hong, the mighty general who hides his secrets and has a bright future?

”Lu Chen! Show your weapons!”

Shangguan Hong slowly pulled out the sword from his waist and pointed the tip of the sword between Lu Chen’s eyebrows.

”We don’t need weapons to deal with you, just let our horses come over here.”

Lu Chen stretched out his hand and waved, his face was very calm, as if he didn’t pay attention to his opponent at all.

”You really don’t use weapons?”

Shangguan Hong’s face darkened.

This is the first time in his life that he has been looked down upon like this.

”Stop talking nonsense, finish the fight early, end it early.”

Lu Chen seemed a little impatient.

”Hmph! Swords have no eyes, and life and death are determined by destiny. Since you are so conceited, you can’t blame me!”

Shangguan Hong was a little angry, without further ado, he raised his sword and stabbed at him.

He wants the other party to know the price of despising himself!

Chapter 1259

Shangguan Hong’s sword was fast and fierce. When the sword was released, it was like a rainbow piercing the sun.

Wherever it passed, strong winds roared, sand and rocks flew, and even the air was torn open.

It looks extremely scary!

”What a fast sword! What a terrifying sword energy! You are worthy of being a martial arts master!”

”As soon as this sword comes out, the gods and demons will give way. Let me see how Lu Chen can block it now!”

”I have a hunch that Hong’er is going to decide the fate with one sword!”

Seeing Shangguan Hong’s stunning sword strike, the clan members of the Shangguan family were in high spirits and excited, as if they were sure of victory.

Even Shangguan Pengcheng, who was quite worried before, breathed a long sigh of relief at this moment.

He has been worried about whether his grandson has really broken through to the master realm, and now it seems that it is not false at all.

In fact, it is much stronger than ordinary martial arts masters.

It should be stable now.

”Defeat me!”

Shangguan Hong roared angrily, and the sword became even sharper, piercing Lu Chen’s chest.

”snort!”

Lu Chen did not dodge or evade. Facing the terrifying sword power, he just stretched out two fingers and gently clamped the sword’s edge.

”Clang!”

Shangguan Hong only felt that as soon as the power of the sword stopped, all the edges collapsed, like an egg suddenly hitting a stone.

There is no ability to resist.

”What?!”

Shangguan Hong took a closer look and couldn’t help but change his expression.

He never expected that his powerful blow would be easily blocked by Chase Lu, and he only used two fingers.

Looking at the other party's calm and calm appearance, it seemed as if he was using all his strength.

"Blocked... blocked? How is that possible?!"

"Not only did he block it, but he also used it with his bare hands. It's really scary!"

"The martial arts master's full blow can actually be caught with his fingers. What kind of monster is this guy?!"

Looking at the scene in front of them, the audience was shocked.

They thought that there would be a peak showdown between geniuses between Lu Chen and Guan Hong, but they didn't expect that they had just fought, and they were already high and low.

Just the move of holding the sword between the fingers is enough to prove that Lu Chen is far more powerful than Shangguan Hong.

"How did this happen? Is Hong'er going to lose?"

At this moment, Shangguan Pengcheng and a group of clan members were in inexplicable shock and panic.

They pinned all their hopes on Shangguan Hong, if they could not win, they would all be in disaster!

"Shangguanhong, is this your strength?"

Lu Chen's face was calm and his eyes were contemptuous.

While speaking, he flicked his fingers.

”Clang!”

Accompanied by the sound of gold and iron clashing.

The sword in Shangguanhong’s hand was directly bounced more than ten meters away, and plunged into the ground upside down.

On the other hand, Shangguanhong himself was shaken back again and again under the huge impact force, taking one step at a time.

With just one finger, it’s up to you to decide.

”Shangguanhong, you are defeated.”

Lu Chen spoke lightly, completely losing interest.

”No! Impossible! How could I lose to you? I don’t accept it!”

Shangguan Hong, who was hit hard, became crazy.

He took out a pill and stuffed it directly into his mouth.

As soon as the pill fell into his stomach, his body began to tremble violently.

The meridians in the body crackled even more, like fried beans.

”Bang, bang, bang...”

Just heard a burst of beeping.

Shangguanhong’s eyes were instantly covered with bloodshot eyes, and the veins on his face were even more bulging, making him look extraordinarily ferocious.

At the same time, the Gang Qi in his body spurted out like a mountain.

Chapter 1260

The whole person's momentum surged instantly, and his strength was doubled!

"Oh? Are you desperate?"

Lu Chen raised his eyebrows slightly, quite surprised.

It can be seen that Shangguan Hong must have taken some kind of secret medicine just now, which can greatly enhance his strength in a short period of time, but the price is the loss of potential and vitality.

It will not be taken lightly until the moment of life and death.

"It's the Crazy Blood Pill! Shangguanhong took the Crazy Blood Pill!"

At this time, a cry of surprise suddenly came from the crowd.

"What? Crazy Blood Pill? Isn't this a forbidden drug?"

"Although the Mad Blood Pill can stimulate the body's potential and double the strength of the user, the side effects are extremely severe. Not only will you lose half your life, you may even go crazy!"

"Oh my god! Does Shangguanhong not want his life? He even dares to take the Blood-Crazy Pill!"

Seeing Shangguan Hong's changed momentum, everyone couldn't help pointing.

In addition to being shocked, there is also a little bit of anticipation.

"If you gamble with your life to win or lose, Hong'er will be ruined!" Shangguan Pengcheng looked solemn.

”With the blessing of the Mad Blood Pill, Hong’er’s strength has doubled, and he will definitely be able to defeat Lu Chen!”

”That’s right! Even if Lu Chen has great abilities, he can’t stop Brother Hong who takes the Crazy Blood Pill!”

The clan members of the Shangguan family have regained their confidence and hope.

Although the Mad Blood Pill is a forbidden drug, it has a miraculous effect in turning the tide.

The only drawback is that Shangguan Hong has to lose half his life.

Of course, this price is nothing compared to the safety of the entire family.

”Lu Chen! I admit that you are very strong, but you will still lose today!”

Shangguan Hong’s eyes were red, his hair stood straight up, his robes moved without any wind, and his whole body exuded an aura of madness.

”Really? Then I want to see how capable you are?”

Lu Chen’s face didn’t change, he raised his hand and made a hook, as if he was ready to come over.

”Lu Chen! If you can force me to take the Crazy Blood Pill, you will be honored even if you lose!”

Shangguan Hong roared wildly, suddenly pulled out the long sword on the ground, and attacked again.

”Buzz!”

The long sword in his hand began to roar, and terrifying sword lights suddenly burst out.

The sky and the earth were overwhelming, like a violent storm, shrouding the dust on the ground.

Wherever the sword light passed, it was destructive and unstoppable. Even the rocky ground was cut with deep marks.

With such a powerful force, even Fengyun changed color.

The onlookers were even more frightened, as if death was imminent.

”What a terrifying sword! Looking at the whole world, no one can stop it!”

”What about Qilinzi? Now let’s see if you’re still alive!”

Facing Shangguan Hong’s shocking sword, everyone changed their colors, frightened and frightened.

The clan members of the Shangguan family were overjoyed, with victory in sight.

In their opinion, no matter how strong Lu Chen is, he can’t stop this sword that destroys the world!

”Go to hell!”

Shangguan Hong roared, his whole body was on the verge of going crazy, and he didn’t hold back at all.

”Small tricks.”

Lu Chen snorted coldly, and without dodging, he punched the sword that was stabbed at him.

”boom!”

”boom!”

”boom!!”

The moment the two sides touched, only three explosions were heard in succession.

With the first sound, the sword glow shattered.

At the second sound, the sword snapped.

With the third sound, Shangguan Hong’s arm holding the sword exploded into blood mist on the spot.

His entire body was blown away more than ten meters, thrown high into the air, and then dropped heavily, like a tattered sandbag, and he was bleeding profusely.

”With this little ability, you can’t even beat Zhao Wuji, why do you dare to fight me?” Lu Chen looked disdainful.
