

## An Understated Dominance Chapter 1301 - 1310

### Chapter 1301

”Can’t sell it?”

Hearing this, Liu Cong couldn’t help frowning.

I thought it was some kind of panacea, but I didn’t expect it to have such serious side effects.

While disappointed, he couldn’t help being suspicious.

”Brother Lu, are you kidding me? I just looked at Zhang Long and there didn’t seem to be any adverse reactions?” Liu Cong asked tentatively.

”You can’t see it now, but it will naturally appear in half an hour.” Lu Chen’s expression did not change.

”Brother Lu, is there a way to reduce the side effects? Even if the medicine is less effective, it’s no problem.” Liu Cong retreated and asked for the next best thing.

If the medication is taken too aggressively, there will be obvious side effects.

But if you use some mild medicine, there should be no problem.

”Not yet.” Lu Chen shook his head.

Neither Song Zhong nor Liu Cong are kind.

Naturally, he would not take this kind of medicine that could disrupt the market balance easily.

Of course, the main reason is that the two are not pleasing to the eye.

”It doesn’t matter if you don’t have it. You provide me with the prescription, and I’ll try to improve it. After it’s done, I’ll give you 50% of the shares. How about it?” Liu Cong had another idea.

As the eldest disciple of Liu Gongquan, he has high attainments in medicine.

There should be no problem with improving the prescription.

”Master Liu, this is a broken recipe and cannot be improved. You should give up.” Lu Chen refused again.

”How do you know if you don’t try?” Liu Cong asked back.

”Many people have tried it, and without exception, they all failed. No matter how much research is done, it is all in vain.” Lu Chen shook his head.

”Hey! I think you’re too stingy, aren’t you? I’m just asking you for a prescription? You’re finding all kinds of excuses to shirk it. It’s really abominable!”

At this time, Liu Xiangsi finally couldn’t help it anymore and said angrily: “Besides, just because others can’t improve, it doesn’t mean that my senior brother can’t do it. My senior brother is a medical genius, much better than you. He is giving you a chance to make a fortune now.” , don’t be ignorant of praise!”

”Lovesickness! Opinion and attitude!” Liu Cong deliberately kept a straight face.

”Elder brother, you are just too polite to him. You can’t tolerate this kind of person, otherwise you will just slap your nose in your face!” Liu Xiangsi put his hands on his hips.

”Brother Lu just has some concerns, which is understandable. After all, we have just met.”

Liu Cong put on an empathetic look, and changed the subject: “But Brother Lu, you have already joined the Jishi Hall, and we will be brothers in the future. With this level of affection, why do you not trust me? “

”That’s right! Our elder brother is kind and charitable, and he has an excellent character. If you give him the prescription, it will be fine!”

”Yes! Senior brother comes from a famous family and is proficient in pharmacology. He will definitely be able to improve prescriptions. Then we can make a fortune together!”

”Brother Lu, this kind of opportunity is once in a thousand years. Anyway, it’s useless for you to keep the prescription, so give it to the senior brother to make the most of it!”

At this moment, the physician apprentices of Jishitang began to persuade them one after another.

Liu Cong has always been generous, if he can improve the prescription and make a lot of money, their benefits will definitely be indispensable.

So at this time, they are happy to help.

”I made it very clear before that the prescriptions are passed down from the ancestors and are not for sale.” Lu Chen said lightly.

”Brother Lu, don’t get me wrong. I’m not buying it, I’m just borrowing it. A rare prescription like this cannot be buried. It should be carried forward and benefit the common people. This is the responsibility of our doctors!” Liu Cong said righteously,

“Well said! As expected of a senior , Sure enough, you have a bodhisattva heart!” Liu Xiangsi looked adoring.

Such a kind and benevolent man is really rare.

## Chapter 1302

”Benefiting the common people?”

Hearing this, Lu Chen couldn't help being a little funny.

This Liu Cong really has a set of words.

He is obviously extremely greedy, but he speaks in a grand and grand manner and portrays himself as a glorious and majestic image.

It's really disgusting.

Although Song Zhong is greedy, he is at least willing to spend money to buy it.

The guy in front of me was good, he didn't spend any money and wasted nothing.

It's really shameless.

”Hey! My senior brother is talking to you, do you hear it?”

Seeing that Lu Chen remained silent, Liu Xiangsi became a little impatient: “When you enter Jishi Hall, you have to listen to us. The prescription for Jade Dew Cream will be regarded as your contribution to Jishi Hall. You will be indispensable for future benefits!”

”I’ll say it for the last time, the prescription will not be passed on to anyone else.” Lu Chen said coldly.

”Hey! I asked you, why are you as stupid as a stick and so ignorant?”

Liu Xiangsi said angrily: “My senior brother wants your prescription not because of personal gain, but to benefit the public and save patients. What a lofty ambition this is. Shouldn’t you support it?”

”Do you think it’s appropriate to use my things to fulfill his ambition?” Chase Lu asked.

”What’s inappropriate? As the saying goes, doctors are benevolent, but you are too selfish, right? You have no human touch at all!” Liu Xiangsi sneered.

”You are not selfish, you are benevolent, you are generous, and you have a bodhisattva heart. How about you donate all your property?”

”Oh, by the way, there are two beggars squatting on the street outside. Can you give them all your house, car, clothes, bags, and various luxuries?”

”It benefits the common people!”

Lu Chen began to sneer back at each other, every word was sarcasm.

The Virgin or something, I hate it the most.

”You...you are clearly abusive!”

Liu Xiangsi’s pretty face turned red, and she became a little angry with embarrassment.

”What? Don’t want to? Didn’t you just say it beautifully? Why can’t you sacrifice yourself for others? Since you can’t do it, why are you asking me here? Are you having too much double standards?” Lu Chen continued to be aggressive.

I didn’t want to care too much about it at first, but in the end, this woman kicked her nose and slapped her face to no end.

Do you really think that you are a soft persimmon who can be manipulated as you please?

”You, you, you...you are presumptuous!”

Liu Xiangsi’s face turned red and she was extremely emotional: “I am your senior sister, how dare you disrespect me? You are simply disrespectful. I will offend you below!”

”Senior sister? You are just self-righteous.” Lu Chen sneered.

”I don’t care! You must hand over the prescription today, otherwise you will never be able to stay in Jishi Hall, I will expel you from the school!” Liu Xiangsi threatened sternly.

”Miss Liu, you misunderstood something. I never thought about joining Jishi Hall, so your threat is just a joke to me.” Lu Chen shrugged nonchalantly.

”you you.....”

Liu Xiangsi was so angry that she stamped her feet and almost went crazy.

For a moment, my eyes were red and tears were falling down.

He actually cried out of anger.

Chapter 1303

”You scoundrel! You’re too much of a bully!”

Liu Xiangsi was so angry that she was so wronged that she shed tears.

She is beautiful and talented, and has been favored by thousands of people throughout her life. No matter where she goes, no matter what happens, others have to let her go.

But Lu Chen is a good guy, he has no gentleman’s demeanor at all. Not only does he disrespect her, he even humiliates her, embarrassing her in public.

It’s absolutely abominable!

”Okay, okay, Junior Sister, don’t say a few words.”

Seeing that the situation is not good, Liu Cong began to smooth things over: “We are all from the same family, and we will see each other when we look up and down, so there is no need to hurt our friendship.”

”Bah! Who is his fellow student? Ji Shitang has him but not me, and I has not him!” Liu Xiangsi said harsh words directly.

”enough!”

Liu Gongquan finally couldn’t bear it anymore and shouted in a deep voice: “Xiangsi! You are too unruly. The prescription for Jade Dew Cream belongs to Lu Chen. How to deal with it is his business. You have no right to dictate!”

”Grandpa? I’m your granddaughter, why are you still speaking for him?” Liu Xiangsi couldn’t believe it.

Usually my grandfather dotes on me very much, why would I help an outsider today?

”Lu Chen saved our Jishitang twice. It’s fine if you’re not grateful, and you’re still making trouble here. It’s really unreasonable!”

With a sullen face, Liu Gongquan reprimanded: “If you dare to be presumptuous again, don’t blame me for locking you up and making you unable to leave the house for a month!”

”I.....”

Liu Xiangsi opened her mouth, but finally held back.

She knew that her grandfather had always said what he said, and he would definitely do what he said.

Although I feel very wronged, but if this continues, there will definitely be no good fruit to eat.

In the end, she could only project all her anger and hatred on Lu Chen through her eyes.

Sooner or later, she will make the other party pay the price!

”Brother Lu, this girl is too unruly, I will take her to apologize to you.” Liu Gongquan cupped his hands apologetically.

“Forget it, it was just a joke.” L

”Brother Lu, how about we talk about the prescription?”

Liu Cong said impatiently: “I sincerely cooperate with you. As long as you are willing to provide the prescription, we can study together, make money together, and benefit the people together. Why not?”

Of course, if you feel that I am not sincere enough, you might as well make an offer. If you need anything, just ask and I will try my best to satisfy you. “

Hearing this, Lu Chen was about to refuse, but then he seemed to think of something, and suddenly changed the subject and said: “Since Mr. Liu is so sincere, let me tell you straight away, if you can get three medicinal plants for me, I can give you the prescription of Yulu ointment.”

”real?”

Liu Cong’s eyes lit up and he immediately became excited: “Brother Lu, let alone three medicinal plants, even thirty or three hundred medicinal herbs are totally fine. Tell me, what do you want?”

”What I want is Ice Heart Lotus, Dragon’s Blood Ginseng, and Golden Marrow Jade.” Lu Chen reported the names of the medicinal materials in turn.

These are the main ingredients for refining the Marrow Cleansing Pill and the key to treating Xie Sinian.

If you can use one residual recipe to exchange for three top-quality medicinal herbs, it’s a good deal.

”Bing Xinlian? Dragon Blood Ginseng? Golden Marrow Jade?”

Hearing this, Liu Cong immediately frowned: “If I remember correctly, these three medicinal plants are rare treasures, right? You can’t buy them on the market at all. I wonder what Brother Lu wants these things for?”

”I have my own magic, it just depends on whether Mr. Liu agrees or not?” Lu Chen said calmly.

”These three medicinal herbs are too rare and worth thousands of gold. They are difficult to find. Give me some time and I should be able to get them together.” Liu Cong said thoughtfully.

”Okay, then I will wait for your good news. As long as the three medicinal herbs are gathered together, I will give you the formula of Jade Dew Cream immediately.” Lu Chen smiled slightly.

Lu Chen smiled lightly, too lazy to care about it.

Although Liu Xiangsi is unruly, but Liu Gongquan is not bad.

Considering that Xie Sinian would have to stay in Jishitang for a while, he didn’t want to make matters worse.

## Chapter 1304

”Okay! Let’s make an agreement!” Liu Cong became energetic.

The Liu family is a medical family. Although it is not as rich and powerful as the Wang family, it is still a well-known presence in Nancheng.

As long as you put a little effort into it, it shouldn’t be difficult to find three top-quality medicinal herbs.

”It’s getting late, why don’t we all have a meal together? It’s just a good time to take care of Brother Lu.” Liu Gongquan suddenly suggested.

”No problem! I’ll be the host today and invite Brother Lu to have dinner at the Imperial Tower!” Liu Conghao said angrily.

”Emperor Tower?”

As soon as these words came out, everyone in Jishi Hall couldn't help but their eyes lit up and they all became excited.

The Imperial Building is the most famous restaurant in Nancheng. It usually receives high-ranking officials and dignitaries, and ordinary people are not qualified to enter.

People who can eat there must not only be rich, but also have status and status. The threshold is extremely high.

The most important thing is that there is a widely circulated story about the Imperial Tower.

It is precisely because of this story that many dignitaries and dignitaries flock to it.

Rumor has it that the man in the Forbidden City once dined at the Imperial Tower.

After the meal, I felt it was very delicious and wrote a poem as a reward.

From then on, the original Fulai Building was renamed the Imperial Building.

This poem became the signature of the Imperial Tower and was passed down from mouth to mouth.

For ordinary people, if they are lucky enough to have a meal in the Imperial Tower, they can definitely enjoy it for a year.

Night gradually fell.

At this moment, several commercial vehicles slowly stopped at the entrance of the Imperial Building.

As the car door opened, Liu Cong led a group of people and walked in with high spirits.

Wherever they passed, there was a wave of greetings.

No matter who sees it, they have to call Liu Shao.

The posture of the stars overlapping the moon looked very majestic, which made Liu Xiangsi and the other young people even more admired.

”As expected of the Emperor Building, it is really luxurious!”

“I didn’t expect that I would be able to come to the Emperor Tower for dinner in my lifetime. It’s really amazing!”

”Thanks to Senior Brother’s generosity, otherwise how would we have this opportunity?”

After entering the door, the disciples of Jishi Hall looked around and talked a lot.

It looks exactly like Grandma Liu entering the Grand View Garden.

”How are you, country bumpkin? Are you stunned?”

Liu Xiangsi purposely leaned over to Lu Chen’s side, put on a condescending expression and said, “A dick like you, you probably haven’t seen such a high-end restaurant, have you?”

If you have time, look around and take photos, and you can brag with others when you go out.

After all, you won’t get an opportunity like this again, so cherish it, country bumpkin. “

Hearing this, Lu Chen just sneered and didn’t bother to answer.

This woman actually showed her superiority in front of him. I don't know where she got the courage.

"Hey! What are you laughing at?"

Liu Xiangsi was a little dissatisfied: "Looking at your appearance, I know that you are ignorant. The Emperor's Building is the best restaurant in Nancheng. It is the place where the emperor comes in person. Only high-ranking officials and dignitaries can enter. If you hadn't been favored by the senior brother, you would have been in trouble for the rest of your life." It's impossible to step through this door!"

"Whether Emperor Building is the best in Nancheng, I don't know."

Lu Chen shook his head and said calmly: "I only remember that when I followed the emperor to eat here ten years ago, this place was not called the Imperial Tower, but the Fulai Tower."

## Chapter 1305

"What? Eat with the emperor?"

Liu Xiangsi was stunned at first, and then laughed mercilessly: "I mean, country bumpkin, do you have a brain problem? Just you? Are you even going to eat with the emperor? Are you worthy? Even my senior brother is not qualified, you Which onion is it?"

A country bumpkin dressed in shabby clothes actually claimed to know the emperor. What a shameless statement!

"Believe it or not."

Lu Chen shrugged without arguing.

It's useless no matter how much you talk to a guy like this who looks down on others.

"Hmph! I just thought you were ignorant and ungentlemanly before, but I didn't expect that you still like to brag now. I really don't know why my grandfather would value you."

Liu Xiangsi crossed her arms and snorted.

As a native of Yanjing, she has a natural sense of superiority in front of the bumpkins from other places.

"Here we are, this is it!"

At this time, Liu Cong, who was leading the way, suddenly stopped and pointed to a piece of rice paper hanging in the air.

The rice paper is large, framed with a gold-rimmed glass frame, and hung in the most eye-catching position, you can see it when you look up.

At this moment, on the rice paper, a few lines of calligraphy were written in a flying style.

The handwriting is vigorous and powerful, the writing style is majestic, and the posture is full of movement. It is obviously written by a master of calligraphy.

"Elder brother, is what is written on this a poem?"

Liu Xiangsi raised her head and asked curiously.

Although she didn't know calligraphy, she could still tell that the calligraphy was beautiful, heart-pleasing, and breathtaking.

"That's right, it's a poem!"

Liu Cong smiled and nodded: “I believe you have all heard the rumors about the Emperor Tower. About ten years ago, the Emperor came to the Emperor Tower. After drinking for three times, he became very excited and recited a poem. You can see it before your eyes. This poem is written by the Son of Heaven!”

”Oh my god! I didn’t expect the rumors to be true? There is really a poem written by the emperor here, it’s awesome!”

”It is indeed the Imperial Tower, and it truly deserves its reputation!”

The disciples of Jishi Hall stared intently, looking particularly excited.

It is a great honor for ordinary people like them to have the honor to see the emperor’s talent.

”Eh...it’s strange, why does the person signing the poem have two surnames?” someone suddenly asked.

”What you’re asking is a good point.”

Liu Cong stood with his hands behind his back and began to show off his knowledge: “This poem was indeed written by the emperor, but the person who wrote this poem was another important person, so there are two surnames in the inscription. Of course, this also represents the emperor’s response to this People take it very seriously.”

”There is actually someone who can co-sign with the emperor? Isn’t that awesome?” Everyone was amazed.

”It must be a certain prince who can make the emperor pay so much attention to him, right?” Liu Xiangsi looked fascinated.

”Junior sister, you guessed wrong.” Liu Cong smiled and shook his head: “This person is not a prince, but his status is higher than that.”

”Oh? Who is this person?” Liu Xiangsi became even more curious.

”To be honest, this person is His Royal Highness, the eldest son of Xiliang Palace, the Qilinzi who was famous all over the world ten years ago, Lu Changge!” Liu Cong spoke loudly.

”What? Qilinzi Lu Changge?!”

As soon as these words came out, the whole place was in an uproar.

Lu Changge’s name is as loud as thunder. Although ten years have passed, Zeng Jin’s demeanor is still deeply rooted in people’s hearts.

Ten years ago, it was an era of geniuses and monsters.

But Lu Changge single-handedly suppressed all the geniuses, dominated Yanjing with unrivaled power, and became famous all over the world!

Dictatorship of the glory of the entire era!

From then on, no one could compare with Lu Changge.

No matter he is a prince, a noble, a child of an aristocratic family, or a genius, all of them are beyond his reach!

Chapter 1306

”I didn’t expect that it was Lu Changge who wrote these words. No wonder he could write poems for the emperor.”

”The emperor’s poems, Qilinzi’s calligraphy, if this Imperial Tower is not popular, it will be unforgivable!”

”As expected of Qilinzi, the calligraphy he wrote when he was a teenager is already on par with the calligraphy masters. He is really worth a fortune!”

”...”

Looking at the poems in the air, everyone was amazed.

At this moment, they finally understood why the threshold of the Imperial Building was so high?

With such a store-building treasure here, it is natural that the threshold is high.

”I heard that Qilinzi is not only talented, but also handsome and knowledgeable. It would be great if I could be lucky enough to meet him!”

Liu Xiangsi held her face in her hands, her eyes full of admiration.

Although Liu Cong is excellent, compared to Lu Changge, he is really not worth mentioning.

Regardless of family background, personal ability, or appearance, Lu Changge has almost reached the peak.

He was a near-perfect man and the dream man of countless girls.

She had imagined more than once how wonderful it would be to marry Lu Changge.

”In front of Xisai Mountain, egrets fly, peach blossoms flow and mandarin fish fat. Green bamboo hats, green coir raincoats, the slanting wind and drizzle do not need to return.”

”Good poetry, really good poetry!”

”The poems are good and the calligraphy is even better. He is worthy of being the most talented person in the world!”

Liu Gongquan stroked his beard and was full of praise.

”Divine Doctor Liu is so impressed. The handwriting on this is still a bit immature.”

Chase Lu looked up at the words of the poem, and his memories seemed to drift to ten years ago.

”Hey! What are you talking about?”

Hearing this, Liu Xiangsi immediately felt unhappy: “Who do you think you are? Are you talking about Qilinzi here? How brave you are!”

Lu Changge was her idol, a sacred and inviolable existence.

”That’s right! Qilinzi is worth a fortune, what about you? It’s embarrassing to wipe someone’s butt!” Qian Chun shouted.

Although the others remained silent, they all had strange looks in their eyes.

Qilinzi’s characters have long been verified by time.

Many calligraphers come here just to catch a glimpse of its beauty.

After watching it, I was deeply impressed.

The calligraphy that everyone admired in Lu Chen's mouth turned out to be immature?

Isn't this guy too arrogant?

"I'm just telling the truth, why are you so excited?" Lu Chen was speechless.

Compared with now, the handwriting I wrote ten years ago is indeed a bit immature.

Any questions?

"Honestly? I think you're farting!"

Liu Xiangsi was furious: "You clearly don't understand anything, but you are still talking nonsense and giving advice. You are such a hateful person!"

"Hmph! I think someone is just jealous, so he slanders and corrupts Qilinzi!" Qian Chun sneered.

"Brother Lu, be careful what you say. If your words come out today, I'm afraid it will cause a lot of trouble." Liu Cong warned.

Damn, is this kid crazy?

How dare you belittle Qilinzi in the Emperor Tower? Do you want to die?

"Lu! Aren't you crazy? Don't you think Qilinzi's calligraphy is not good? Okay! Then just follow this poem and write a new calligraphy. I want to see how capable you are!

"Liu Xiangsi glared.

Chapter 1307

"I haven't written it for a while. It's a bit unfamiliar. I think I'd better forget it." Lu Chen shook his head.

His handwriting can be easily discerned by knowledgeable people.

Although he is not afraid of revealing his identity now, if some people find out, he will still be in trouble.

”Unfamiliar? Humph! I think you just can’t do it!”

Liu Xiangsi sneered: “You obviously have no ability, but you still have to say it so high-sounding, it’s really disgusting!”

”Okay, okay, stop saying a few words. There are so many people watching, so don’t let others laugh at you.” Liu Gongquan began to smooth things over.

Although Lu Chen is quite capable, it would be a bit ridiculous to evaluate Qilinzi’s handwriting.

”Hmph! If you want to be embarrassed, it’s also embarrassing for this guy! Dare you touch Porcelain Qilinzi? Do you really think that we fans are just freeloaders?” Liu Xiangsi stared.

”Okay, it’s just a piece of writing. There’s no need to make it unpleasant. I’ve already reserved a seat upstairs. There are some rare treasures stored there, which are guaranteed to be an eye-opener for you.”

”Besides, there is a special event in the Imperial Building tonight. If we are lucky, we might even get a surprise.”

Liu Cong’s words instantly attracted everyone’s attention.

”Surprise? What surprise?”

Liu Xiangsi asked curiously.

”As far as I know, every three months, the Imperial Building holds a cultural party, where the competition is about poetry, songs, etc.”

”Whoever can outsmart the crowd and come out on top in this party will win the prize carefully prepared by the Imperial Tower.”

”So at this time, the Emperor Building is always overcrowded. If I hadn’t made a reservation in advance and made some connections, I’m afraid there won’t even be a seat today.” Liu Cong said enthusiastically.

I spent a lot of money to book a reservation to go upstairs just to see this cultural party.

After all, those who can enter the Imperial Tower are either rich or noble.

Now is also the best time to make friends with powerful people.

”Cultural party? Great!”

After listening, Liu Xiangsi instantly became energetic: “I have been familiar with poetry and songs since I was a child, and now it’s finally time for me to show off my skills!”

She was forced by her grandfather to read some books since she was a child, so she memorized a lot of things by rote.

In the past in school, she was even more eloquent, and was called a talented girl.

Now, the scenery of the past can be recreated.

”Senior Brother, you just said that there is a prize for winning the first prize. I wonder what it is?” Qian Chun asked tentatively.

”The prizes in the Imperial Tower are naturally not ordinary things.”

Liu Cong smiled and said, "If I'm not wrong, I should choose one from the Treasure Terrace. The so-called Treasure Terrace is some rare treasures specially collected by the owner of the Emperor Building. Worth a thousand pieces of gold!"

"Worth a thousand pieces of gold?!"

Upon hearing this, Qian Chun's eyes shone and his breathing became rapid.

The other Jishi Hall disciples also looked happy.

If you can get your hands on a treasure worth thousands of gold, wouldn't it mean that you would immediately become rich?

I didn't expect that there would be such an opportunity just for a meal.

"Xiangsi, it will all depend on you for a while. If you can surpass the others with your skills, we can also benefit from it."

"That's right! If you win the treasure, our Jishi Hall can also use it to become famous!"

Many Jishi Hall disciples have cast their hopes on Liu Xiangsi.

They all knew that Liu Xiangsi was smart, talented and outstanding no matter what she did.

Especially in terms of poetry and poetry, because he has been nurtured since childhood, his level is extremely high, no worse than some experts.

"Don't worry, when I win the leader and the treasure, I will definitely treat everyone to dinner!" Liu Xiangsi said arrogantly.

”Xiangsi, don’t be too proud. You need to know that there are people outside the world, and there is heaven outside the world.” Liu Gongquan gave a timely reminder.

## Chapter 1308

Although my granddaughter is versatile, it does not mean that she can surpass others in skill.

After all, Yanjing is a place where elites gather and talents come out in large numbers.

”Grandpa, I am a well-known talented girl in the school. My status is unassailable. If I can’t win this cultural party, I will just hang myself.” Liu Xiangsi was full of confidence.

”You girl, what are you talking about?” Liu Gongquan frowned slightly.

”Master, junior sister is extremely talented. No one can match her in this aspect. I believe she will be fine.” Liu Cong said with a smile.

”Did you hear that? Even my senior brother thinks so. I will be the leader today!” Liu Xiangsi even called him arrogant.

Liu Gongquan shook his head, feeling helpless.

If you are so arrogant, you will suffer sooner or later.

”It’s almost time, let’s go upstairs first.”

Liu Cong said hello, and then led a group of people up to the second floor.

Compared with the splendor downstairs, the upstairs is even more elegant and refined.

Every decoration and every place is carefully arranged and just right, so that you can’t find any faults.

At this moment, many dignitaries had gathered on the second floor of the Imperial Building.

These people are surrounded by one or two arty Yanjing talents.

The Imperial Tower Cultural Gala held once every three months attracts a large number of repeat customers every time.

This can also be regarded as a marketing tool.

Under the leadership of Liu Cong, a group of people came to the predetermined location and sat down.

The Emperor Building has a large area. Although there are many guests tonight, it is not crowded.

”Hey! Isn’t this our talented girl Liu Xiangsi?”

At this time, a joking female voice suddenly sounded nearby.

Everyone looked sideways, and saw a gorgeous woman in sexy clothes walking over with her waist twisted.

Beside him, there was also a fair-skinned man.

The man was wearing a long robe, he was soft and frail, and he had a bookish air.

”Yin Tao? Why are you here?”

After seeing the woman, Liu Xiangsi couldn’t help frowning, and the smile that appeared on her face immediately restrained herself.

”My Yin’s family is in Nancheng, so it can be regarded as a high-ranking one. What’s the fuss about coming to Diwanglou for dinner?”

Yin Tao curled the corner of her mouth, looked up and down, and said with contempt in her eyes: “It’s you, a small family, who can’t get on the stage, how can you get into the Emperor’s Tower?”

”How I came in is none of your business! You just have some bad money, what’s the big deal?” Liu Xiangsi puffed her chest out.

The woman in front of her is not only her classmate, but also her rival in love.

For four years in college, Cherry relied on her wealth, power, and good figure to keep dominating her, and even blatantly robbed her of her boyfriend.

And, not just once.

For this woman, she has always been brooding and resentful.

”Sorry, having money is really amazing.”

Yin Tao spread her hands and said with a playful smile: “For example, I can come to the Emperor’s Building every day, how about you? You can only benefit from others, that’s the difference.

Oh, by the way, if you have time to take more photos, post them on Moments by the way, and cherish this hard-won opportunity.

After all, if a person like you can come in once, it’s only because of the smoke from the ancestral grave. “

”you—!”

Liu Xiangsi's face turned red and she was furious.

Why do these words sound so familiar?

Chapter 1309

"Miss Yin, that's a bit too much."

At this time, Liu Cong finally spoke: "Xiangsi is my junior sister after all. I don't look at the monk's face and look at the Buddha's face. Isn't it inappropriate for you to say that?"

"Oh? So Mr. Liu is here too? He's incontinent."

Yin Tao pretended to be surprised, and then said with a smile that was not a smile: "No wonder Liu Xiangsi is qualified to step into the Emperor's Building. It turned out that Liu Shao was protecting her, but I think it's a bit strange. Liu Shao, you are a son of a famous family after all, how can you look at me?" You are so bad that you have fallen in love with such an ordinary guy?"

"Hey! Who do you think is ordinary?!"

Hearing this, Liu Xiangsi immediately became angry and shouted to take action, but was quickly stopped by several people around him.

The power of the Yin family is not weaker than that of the Liu family, and even stronger.

If Miss Yin was beaten here, even Liu Cong might not be able to survive.

"I'll talk to anyone who talks to me. What's wrong? Do you have any objections?"

Yin Tao raised the corners of her mouth and her eyes were a bit provocative.

She likes to see Liu Xiangsi angry but unable to do anything about herself.

”You...you go too far!”

Liu Xiangsi was furious and wanted to curse, but Liu Cong raised his hand to stop him: “Miss Yin, you have to forgive me and forgive me. Today we are here for dinner and we don’t want to cause trouble. I hope you will show your kindness.”

”Okay, for the sake of Mr. Liu, I’ll let her go for now.”

Yin Tao glanced at Liu Xiangsi, and smiled lightly: “By the way, talented girl, it seems that the Emperor Building will hold some cultural evening later on. Don’t you claim to be knowledgeable and talented? I hope you won’t lose too badly in a while.”

”Hmph! Will I lose? It’s a joke!”

Liu Xiangsi said with a cold face: “In terms of poetry and poetry, even ten of you combined are no match for me!”

”Oh? Really? Since you are so confident, why don’t we compare?” Yin Tao laughed jokingly.

”Bijibi, do you think I’m afraid of your failure?” Liu Xiangsi was right.

She was ashamed of herself when it came to her family’s money.

But when it comes to talent, she can easily crush Yin Tao.

She is just a rich girl who only knows how to live happily, how can she be compared with her?

”Winning or losing is no more interesting than winning. Do you have the guts to place more bets?” Yin Tao asked provocatively.

”What are you betting on?” Liu Xiangsi raised her head.

”You don’t have anything valuable on you. How about betting on your family’s Jishi Hall?” Yin Tao said in a surprising way: “If you lose, give Jishi Hall to me. If I lose, I’ll give you 100 million. How about that?” ?”

”Betting Jishitang?”

Hearing this, Liu Xiangsi couldn’t help but frown slightly.

This woman clearly has evil intentions.

”Based on the valuation of your Jishi Hall, it should be less than 100 million. However, I am a generous person and will not argue with you. The question now is, do you dare to bet? If you don’t dare, you’d better take a detour when you see me in the future. .” Yin Tao asked with a smile.

”Why don’t you dare? Just bet!”

Liu Xiangsi was so excited that she immediately agreed.

”Acacia! Stop fooling around!”

Liu Gongquan’s expression changed and he quickly stopped him: “Jishitang is very important, not something you use to bet on!”

It’s okay to bet some money, but it’s undoubtedly daring to bet directly on the industry.

If we lose, wouldn’t it be like a piece of cake?

”Grandpa, don’t worry, I’m sure I can win her, she’s giving us money!” Liu Xiangsi was full of confidence.

”How can money be so easy to make? It’s too risky to use the entire Jishi Hall as a bet!”  
Liu Gongquan said in a deep voice.

”Why not? I am obviously sure of winning. As long as I dare to bet, I am picking up money. This is a God-given opportunity, and I must not miss it!” Liu Xiangsi said confidently.

## Chapter 1310

Jishitang’s income is actually very low. The poor either do not charge money for medical treatment, or only charge some medicinal materials.

He has gained a reputation, but it is a pity that he has suffered a lot from his own people.

100 million, Jishitang will never make that much money in a lifetime, so it is better to take a gamble.

Use your little to make a big difference!

”There are no absolutes in the world, I will never allow you to take risks with Jishitang!”  
Liu Gongquan still did not let go.

”Grandpa! Why don’t you believe me?”

Liu Xiangsi became a little anxious: “Didn’t you press the entire Jishi Hall when those hooligans made trouble before? And you also pressed Lu Chen! Why would you rather trust an outsider than me? Why?! “

She almost shouted the last sentence.

”Girl, you had no choice but to act recklessly now. You have to figure out the difference between the two.” Liu Gongquan frowned and explained.

”I don’t care, I don’t care!”

Liu Xiangsi didn’t listen at all, and was very emotional: “Why is it that Lu Chen deserves your pressure on Jishitang, but I can’t? If you don’t believe me today, I will sever ties with you!”

”you.....”

Liu Gongquan was furious for a moment.

I felt annoyed and helpless at the same time.

Why is this girl so stubborn?

In order to win a sigh of relief, as for risking all his wealth?

”Master, although Junior Sister is a little impulsive, her words are not unreasonable.”

At this time, Liu Cong began to chime in, “I am familiar with this woman, Yin Tao. She has no ink in her stomach. In terms of poetry and prose talent, she is completely incomparable with my junior sister. I believe my junior sister will definitely win!”

”Yes, Master, Junior Sister Xiangsi is recognized as a talented woman, and she is even more excellent at reciting poems and composing right, completely crushing this rich girl!” Qian Chun followed suit.

”Master! Wealth and honor come from danger. If we can win the 100 million yuan, our Jishitang will be able to save more patients. This is a great merit!” All the disciples persuaded.

”this.....”

Under the overwhelming public praise, Liu Gongquan couldn't help but feel a little shaken.

Now the arrow is on the string and she has to shoot. If she rejects her granddaughter, this girl will be impulsive and she doesn't know what stupid things she will do.

On the contrary, if you agree and win the bet, you can solve a lot of troubles for Ji Shitang.

For a moment, he was a little hard to make a decision.

"Master, promise, I am willing to be a guarantee for my junior sister!" Liu Cong sold another favor.

"Since you have said so, let this girl be willful for a while."

After hesitating again and again, Liu Gongquan finally nodded, and immediately added seriously: "But only this time, this time is not an example!"

"No problem." Liu Cong nodded.

"Thank you, Grandpa!" Liu Xiangsi also smiled happily.

"Hehe... I thought you guys didn't dare to gamble, but I didn't expect you to have a bit of backbone. It's a pity, you are destined to lose." Yin Tao smiled with the corners of her mouth curled up.

"Losing? Huh! What a joke! I know how much you have. With your talent, you are not even worthy of carrying my shoes!" Liu Xiangsi snorted.

During her four years in college, she knew everything about Yin Tao, but she also knew herself and her enemy.

It is not an exaggeration to say that the words written with her toes are more beautiful than those of the other party.

”Since you are so confident, let’s wait and see. I just hope that you won’t regret it then.”

Yin Tao smiled meaningfully, then took the man beside her and sat in the private seat not far away.

After a while, the cultural evening held by the Emperor Building was about to begin.
