

An Understated Dominance Chapter 1331 - 1340

Chapter 1331

An hour later, Longfeng Tea House.

Song Zhong sat by the window on the second floor, sipping tea while watching the flow of people on the street.

There were a dozen tables of people sitting in the teahouse, but compared to the bustle and bustle of the past, today it seemed a bit dull.

All the guests were immersed in drinking tea without any verbal communication.

”Steward Song, that guy is here.”

At this time, Zhang Long, who was standing behind, suddenly stretched out his hand and pointed down.

Song Zhong looked down and saw Lu Chen pacing along the flow of people, looking at the clouds and the wind. No pressure.

”Hmph! How dare you go into danger alone? It’s true that a newborn calf is not afraid of tigers!” Song Zhong sneered.

Then he picked up the tea cup and drank it all in one gulp.

”Dong, dong, dong...”

Soon, a dull sound of footsteps came.

Lu Chen walked up the stairs unimpeded, glanced around, saw Song Zhong and the others, and sat down directly across the table.

”Butler Song, we meet again.”

Lu Chen smiled and poured himself a cup of tea.

”Mr. Lu, I heard from Zhang Long that you want to talk about business with me. I don’t know what to talk about?”

Song Zhong smiled softly and his attitude was quite polite.

To become the housekeeper of the Song family, he is naturally not a brainless person. If some things can be solved with money, they will not go to war.

”Of course it’s about the formula of Yulu ointment.” Lu Chen cut to the chase.

”oh?”

Song Zhong raised his eyebrows slightly, and said with a smile: “It seems that Mr. Lu must have figured it out, tell me, how much do you plan to ask for? Make a price, as long as it is not too outrageous, I will try my best to be satisfied.”

”I don’t want money, I just want you to grab some medicine for me according to the prescription.”

Lu Chen said, took out a prescription and put it on the table, then pushed it over.

These are all precious medicinal materials, there are more than 20 kinds in total, including Bing Xinlian, Dragon’s Blood Ginseng, and Golden Marrow Jade.

The reason why I write so much is to deceive others.

The Song family is a medical family with a century-old foundation and connections all over the country. It is not something that the small Jishi Hall can compare with.

If anyone in Nancheng could collect the three main ingredients of the Marrow Cleansing Pill in the shortest time, it was the Song family.

This is also the main reason why he came to negotiate.

”Let me see what medicinal materials they are?”

Song Zhong picked up the prescription and took a closer look. The smile on his face froze for an instant, and his brows quickly furrowed: “Mr. Lu, most of your medicinal materials are top-grade elixirs, and some are even top-grade elixirs. Every one of them is Money is hard to come by, so if you ask me to collect them all, is it a bit overwhelming?”

”Steward Song, your Song family is a century-old wealthy family, and its influence in medicine is unrivaled. This medicinal material should not be a problem for you, right?”

Lu Chen picked up the teacup and took a sip.

A sweet smell instantly flooded into the mouth and nose.

Great tea!

”not a problem?”

Song Zhong’s eyes twitched, and he suppressed his anger and said: “Mr. Lu, your appetite is really too big. The value of these medicinal materials far exceeds the Jade Dew Cream formula. I can’t satisfy you.”

With that said, he pushed the prescription back.

What the hell!

To collect these medicinal materials, the Song family would probably have to spend half of their wealth.

This guy is really a lion.

”Steward Song, the Jade Dew Ointment formula is a treasure passed down from my family. It’s just a few medicinal herbs. I think it’s worth the money.” Lu Chen said.

”How many medicinal herbs are these? These are clearly twenty or thirty medicinal herbs!” Song Zhong couldn’t help but raise his voice several times.

If it is ordinary medicinal materials, forget it, no matter how much, there is no problem.

It just so happens that these are elixirs, and they are also top-grade and top-grade elixirs.

Just one plant is enough to make an ordinary person rich and prosperous for a lifetime.

Chapter 1332

”Steward Song, I think you sincerely want it. Let’s do this. I’ll take a small loss and give you a small change. I only want the first twenty elixirs. How about it?” Lu Chen looked like he was in pain.

”Not even twenty plants!” Song Zhong said with a straight face.

”Then tell me, how much can you give me?” Lu Chen retreated and asked for advice.

”One plant.” Song Zhong raised a finger: “I can only give you one plant!”

”One plant?”

Lu Chen frowned: “Steward Song, are you kidding me? That’s not what you do with bargaining, right?”

”Your Jade Dew Cream formula is only worth one high-grade elixir. This is my bottom line.” Song Zhong was already a little impatient.

If Chase Lu only wants some money, he can still make the decision.

Now the other party is talking nonsense and asking for prices all over the place, completely treating him as a victim.

”Since Butler Song is not sincere, forget it. I believe someone will be interested.”

Lu Chen said no more, put away the prescription, and prepared to leave.

”stop!”

Song Zhong slammed the table and shouted: “Boy! Did I let you go?”

”What? Butler Song still wants to keep me for tea?” Lu Chen turned around and asked.

”Drink your uncle!”

Song Zhong was angry, picked up the teacup, and dropped it heavily to the ground with a “bang”.

The next second, everything moved upstairs and downstairs.

Those who had been pretending to drink tea before drew their weapons from under the table, and then swarmed over.

In just a few breaths, Lu Chen was already surrounded.

A total of fifty or sixty people blocked the entrance to the corridor.

”Boy! Come as soon as you want, leave as soon as you want. What do you think I am?”

Song Zhong stood up suddenly, finally tore off his disguise, and said fiercely: “Now you have only two choices, either you hand over the Jade Dew Cream formula honestly; or I beat you half to death and force you to hand it over again. formula!”

”Steward Song, if the business cannot be concluded without righteousness, and the business cannot be agreed, you will rob openly. What is the difference between this and a robber?” Lu Chen looked around with a calm expression.

”What nonsense are you talking about! If you don’t hand over the formula, you won’t be able to leave the Dragon and Phoenix Tower!” Song Zhong shouted.

”Really? Then I want to give it a try. How many kilograms do you Song family members have?” Lu Chen sneered.

”Song Steward, this kid is very good at fighting, so be careful later.” Zhang Long reminded him at the right time.

”So what if I can fight? I’m a good fighter here, number 50 or 60, I can drown anyone with just one pee!” Song Zhong suddenly glared: “Why are you standing still here? Come on!”

”stop!”

Just when the Song family’s thugs were about to rush forward, a loud shout suddenly sounded at the entrance of the corridor.

Immediately afterwards, a tall and beautiful girl rushed into the crowd aggressively with two bodyguards.

Anyone who stood in the way was kicked away by the girl.

”Who dares...”

Song Zhong slapped the table and was about to yell something. When he saw the girl, he was immediately frightened. He quickly squeezed out a smile and walked towards her: “Isn’t this Miss Wang? What kind of wind brought you here?” Already?”

”Snapped!”

The girl didn’t talk nonsense, she slapped Song Zhong directly, and cursed: “Hey! You dog slave! You dare to move my friend? Are you tired of work?”

”ah?”

Song Zhong was stunned, covering his hot face, a little at a loss: “Friend... friend?”

”Little miracle doctor, we meet again.”

After the beating, the girl turned to Lu Chen and smiled sweetly, with a bit of playfulness.

”It’s you?”

Lu Chen quickly recognized the other party.

The girl was none other than Wang Zixuan, the daughter of the Wang family whom he rescued yesterday.

Chapter 1333

”How’s it going, little miracle doctor? Are you surprised?”

Wang Zixuan smiled and said: “I just saw you on the street and I thought you looked familiar. I didn’t expect it was really you. Last time we said goodbye in a hurry and didn’t have time to say thank you. This time I want to treat you to a meal no matter what.”

”You’re welcome, Miss Wang, it’s just a little effort.” Lu Chen nodded slightly.

”Miss Wang, do you... know this guy?” Song Zhong asked tentatively.

”Snapped!”

Wang Zixuan raised her hand and slapped her again, cursing: “Nonsense! This little miracle doctor is my savior. How dare you attack him? Believe it or not, I will castrate you!”

”Savior?”

Hearing this, Song Zhong was so frightened that his whole body trembled and his legs went limp.

He thought that Lu Chen was just an unknown junior, at most he knew a little bit of medical skills and some fists.

Unexpectedly, behind the other party, there was a daughter of the Wang family supporting him.

This time I made a mistake.

”What are you still doing in a daze? Hurry up and apologize to the little genius doctor, or I will make you look good!” Wang Zixuan stared.

”thump!”

Song Zhong simply hit his knees on the ground, knelt in front of Lu Chen, and said with a smile: “Yes... I’m sorry, I was confused just now, please Mr. Lu, please ignore the villain’s fault and go around.” Let me live this time.”

”All right, all right, get out of here quickly!” Wang Zixuan was very upset.

”Yes, yes, I’ll go right away.”

Song Zhong nodded and bowed, and quickly ran away.

”stop!”

When he reached the entrance of the corridor, he was stopped by Wang Zixuan’s sweet shout: “When you go back, tell that heartless man named Song, sooner or later, I will make him regret it!”

Song Zhong smiled apologetically, said yes again and again, and then fled with a group of people.

As a wealthy family, the power of the Wang family still has to overwhelm the Song family.

Even my young master had to be courteous when he saw this unruly young lady, and he, the housekeeper of foreign affairs, was even more worthless.

”How are you, little miracle doctor? Are you injured?”

Wang Zixuan turned her head back, smiling like a flower again.

“I’m fine, thanks to Miss Wang coming in time.” Lu Chen smiled.

”How about we are destined to be together? Come on, I’ll treat you to dinner!” Wang Zixuan pulled Lu Chen and prepared to go downstairs.

”Ms. Wang, I won’t eat anymore. I have something I want to ask you for help with.” Lu Chen suddenly said.

”Oh? What’s the matter?” Wang Zixuan was a little curious.

”I heard that the Wang family has a collection of dragon’s blood ginseng. I wonder if it’s true or not?” Lu Chen asked.

”It seems to be the case.” Wang Zixuan nodded thoughtfully.

”To be honest, I need this dragon’s blood ginseng to save my life. If possible, I hope to buy it at a high price.” Lu Chen went straight to the point.

He was still thinking about how to get this dragon’s blood ginseng from the Wang family.

I didn’t expect to have the opportunity so soon.

”Hi! Isn’t it just a plant of medicine? How can I buy it with money? I’ll just give it to you!” Wang Zixuan was very generous.

”Miss Wang, dragon blood ginseng is very precious, I can’t ask for it for nothing, it’s best to buy it with money.” Lu Chen is not greedy.

”Look at what you said. You saved my life. What’s wrong with me giving you a plant of medicine? Come on, come home with me, and I’ll give you the medicine right away!”

Wang Zixuan couldn’t help but pull Chen Lu and got into the car.

Seeing that the other party was so enthusiastic, Lu Chen couldn’t refuse.

About half an hour later, the vehicle stopped at the gate of Wang’s house.

After getting out of the car, Lu Chen followed Wang Zixuan all the way into Wang’s house.

The Wang family is very large and luxurious. In Yanjing Nancheng, where every inch of land is expensive, the whole family is built like a palace, magnificent.

If unfamiliar people come in, they can easily get lost.

Lu Chen and the two walked into the garden and saw a somewhat wealthy middle-aged man directing a group of servants to carefully trim the flowers and plants.

”Steward Wang, come here.”

Wang Zixuan waved to the middle-aged man.

Chapter 1334

”Miss, what are your orders?”

Butler Wang rushed forward with a big smile on his face.

”Let me ask you, do we have a dragon’s blood ginseng in our house?” Wang Zixuan said.

”Indeed, it is now stored in the treasure house.” Butler Wang said truthfully.

”As long as you have it, bring it to me immediately.” Wang Zixuan ordered.

”Miss, what do you want this for?” Butler Wang asked tentatively.

”What do you care about me? Of course I’m useful!” Wang Zixuan was a little impatient.

”Miss, to be honest, this item belongs to the old man’s collection and cannot be used without his permission.” Butler Wang lowered his head.

”You get it for me first, and I will tell grandpa afterwards.” Wang Zixuan said.

”This... seems a bit against the rules.” Butler Wang was a little embarrassed.

”Hey! You don’t even listen to what I say, right?” Wang Zixuan glared: “Take it as long as you are told. Where’s all the nonsense? Go!”

Go ahead and kick Butler Wang in the butt.

”Please wait a moment, Miss.”

Butler Wang had no choice but to leave quickly.

”Little miracle doctor, please sit down for a while and drink a cup of tea. The things will be here in a minute.”

Wang Zixuan smiled, pulled Lu Chen to the pavilion aside, and started drinking tea and eating snacks.

About ten minutes later.

Butler Wang is back again, but this time, there is someone else next to him.

It was a young woman in her thirties.

The young woman was wearing a red cheongsam, with exquisite facial features, a plump and attractive figure, and long black hair tied behind her head, making her look graceful and luxurious.

As the lotus steps moved lightly, two long white legs were vaguely visible from the slits of the cheongsam.

Really, the charm of MILFs is still there.

”Zixuan.”

A cold voice slowly spit out from the beautiful young woman’s mouth.

Wang Zixuan, who was tasting the snacks, trembled all over, and turned her head stiffly, with a guilty conscience on her face: “Mom...why are you here?”

”If I don’t come, wouldn’t you be throwing your family upside down?” Song Qiuyun said lightly.

”How is it possible? I’ve always been very obedient, okay?” Wang Zixuan laughed awkwardly.

She was not afraid of anything except her own mother.

The problem is, her mother never beat or scolded her, but every time she saw her, she would feel faint for no reason.

”I just heard from Zhengping that you want dragon blood ginseng? What are you planning to do?” Song Qiuyun asked again.

”No, nothing.”

Wang Zixuan glared at Steward Wang viciously, and then smiled mischievously: “My friend needs dragon blood ginseng to save his life, so I plan to help him.”

As he spoke, he stretched out his hand to lead Chen Lu to the side: “Here, this little genius doctor is my friend. Last time I almost drowned, it was he who rescued me in time and pulled me back from the gate of hell.”

”Yeah?”

Song Qiuyun glanced at Lu Chen, although he was calm, but with a sense of scrutiny.

That’s the way a superior person looks at a subordinate person.

”Junior Lu Chen, I have met my aunt.” Lu Chen got up and saluted, with a neither humble nor overbearing attitude.

”You want dragon blood ginseng?” Song Qiuyun said flatly.

”It’s me.” Lu Chen nodded.

”You saved my daughter’s life, I’m very grateful.” Song Qiuyun said, glanced at Butler Wang, and said calmly, “Zhengping, bring the things.”

”Yes.” Steward Wang replied and left again.

”Thank you mom!”

Wang Zixuan looked happy and thought it was done.

However, when Butler Wang brought the things.

Wang Zixuan's smile froze completely, and Lu Chen couldn't help frowning.

Chapter 1335

What Butler Wang brought was a box of gold bars.

Under the sunlight, the golden light shines brightly and has more visual impact than money.

"Lu Chen, this is a little thought from my Wang family, and it can be regarded as a reward for your treatment of Zixuan." Song Qiuyun glanced at the gold bar and spoke very calmly.

"Mom, what do you mean?" Wang Zixuan puffed her lips, a little dissatisfied.

"We, the Wang family, never owe any favors. Lu Chen saved you, and I should repay you with a lot of money. It's natural." Song Qiuyun said calmly.

"Auntie, I don't save people for money." Lu Chen shook his head.

"Why, is it too little?"

Song Qiuyun didn't say much and directly made a gesture: "Zhengping, go bring another box."

"yes."

Butler Wang responded and prepared to leave again.

"mom!"

Wang Zixuan finally couldn't help it anymore: "Not everything can be measured by money. What the little miracle doctor needs is dragon blood ginseng, a life-saving elixir, not a few broken gold bars!"

"Dragon blood ginseng?"

Song Qiuyun said expressionlessly: "Do you know that this is your grandfather's collection? Is it a priceless treasure?"

"What a priceless treasure, isn't it just a magical elixir?"

Wang Zixuan said with some dissatisfaction: "Besides, my little miracle doctor saved my life. In your eyes, is my life not worth a dragon's blood ginseng?"

"Your life is naturally valuable, but the value he contributed is far from being able to be exchanged for dragon blood ginseng."

Song Qiuyun said in a calm tone: "Doctors save people just to make money. He saves your life, and we pay him money as a reward. It is only natural and reasonable, but that's it. We cannot give up all our precious things just because he saved you." Give it all to him, business is business, it cannot be elevated to feelings, do you understand?"

"Mom! You...are you too inhumane?" Wang Zixuan was a little angry.

She didn't expect that her mother regarded her life as a business.

"Auntie is right."

At this time, Lu Chen suddenly spoke: "It's just that now, I really need dragon blood ginseng, and I hope my aunt can bear the pain and give it up; of course, I don't get it for free, I can buy it with money, or I can exchange it for items. I hope my aunt can help me." "

”A smart guy.”

Song Qiuyun nodded and said calmly: “It’s okay to ask for dragon blood ginseng, but you have to provide something of corresponding value.”

”I wonder what Auntie needs?” Lu Chen asked.

”I heard someone say that you can make a medicine called Jade Dew Ointment, and its effect is very miraculous. It can heal ulcerated wounds in a very short time. Is it true or not?” Song Qiuyun asked.

Ever since her daughter was in danger, she had investigated various people and things, and even Lu Chen had paid some attention to her.

The matter of Jade Dew Cream was purely an unexpected surprise.

As a businessman, she was very interested in it.

”I didn’t expect my aunt to be so well-informed.”

Lu Chen raised his eyebrows slightly, quite surprised, but quickly nodded: “Yes, I can indeed make Jade Dew Cream, but this kind of medicine has serious side effects and cannot be produced normally.”

”You are a doctor and you are proficient in pharmacology. It shouldn’t be difficult to make some improvements to reduce the side effects, right?” Song Qiuyun’s eyes were somewhat meaningful.

”If we want to reduce side effects, then the efficacy of the medicine will have to be greatly reduced.” Lu Chen did not hide it.

If he was facing Song Zhongyi, he would naturally not say that.

But this woman in front of me is very powerful.

He has a clear goal, a vicious vision, and a deep scheming mind. It is not easy to deceive the other party.

Of course, the most important thing is that he needs others.

Just be honest with each other.

”After reducing the side effects, how much is the efficacy of the medicine still?” Song Qiuyun asked again.

”About 30%.” Lu Chen said truthfully.

”Thirty percent? That’s enough.” Song Qiuyun nodded: “I am very interested in your Jade Dew Cream. As long as you give me the improved formula, I will give you the Dragon Blood Ginseng. How about it?”

”Auntie, this is an ancestral formula and cannot be sold.” Lu Chen shook his head.

”Everything has its own corresponding value. Besides, you are not selling, but trading. Dragon Blood Ginseng is the treasure you use to save your life. I believe your ancestors will not blame you.” Song Qiuyun looked indifferent. .

”this.....”

Lu Chen was in trouble. After hesitating for a few seconds, he seemed to have made up his mind and said, “Auntie, I can give you the formula of jade dew ointment, but one dragon’s blood ginseng is not enough, unless you give me two more. Miraculous elixir.”

”Oh? What else do you need?” Song Qiuyun narrowed his eyes slightly.

Chapter 1336

”Bingxinlian, golden marrow and jade.” Lu Chen reported the name of the medicinal material.

The Wang family is slightly more powerful than the Song family. As long as they are willing to work hard, they should be able to find these two elixirs.

”Young man, you have a big appetite. These two elixirs are priceless and top-grade. You have to exchange three of my top-grade elixirs for one formula. Isn’t it a bit too greedy?” Song Qiuyun frowned slightly. Somewhat dissatisfied.

”Auntie, I dare not say anything else, but my Jade Dew Cream formula is absolutely worth the money, and the income it brings to the Wang family is much higher than the value of the three elixirs.” Lu Chen promised.

”Yeah?”

Song Qiuyun stared at Lu Chen with sharp eyes, trying to see something on his face.

There is no dodge, no guilty conscience, just calmness.

At least it proves that the person in front of me is not lying.

”Okay, I’ll just trust you once.”

After pondering for a few seconds, Song Qiuyun finally nodded: “Keep the Jade Dew Cream formula, take the Dragon Blood Ginseng with you, and give me the other two top-quality elixirs. After you find them, I will order them to be delivered to you.” How about going?”

”It’s a deal!” Lu Chen agreed.

”Zhengping, bring the dragon’s blood ginseng, and also order someone to bring paper and pen.” Song Qiuyun ordered.

”yes.”

Butler Wang nodded and left quickly.

Not long after, he came over cautiously holding a jade box.

Place the jade box on the table in the pavilion, and take out a pair of pen and paper next to it.

Lu Chen stepped forward and opened the jade box. Inside was a blood-red ginseng.

Ginseng is about the size of a palm, with a compact reed bowl, round arms and round reeds, tight skin and fine lines, and dense roots that spread out like hair.

As soon as you inhale a little, you can smell a unique fragrance.

”It’s really a good baby!” Lu Chen’s eyes lit up.

With his perception, he could clearly detect the rich spiritual energy contained in this dragon’s blood ginseng.

”Dragon blood ginseng is here, write down the recipe.” Song Qiuyun reminded.

Lu Chen nodded, without any nonsense, and wrote down the improved Jade Dew Cream formula word for word with a stroke of his pen.

Although the effect has been greatly reduced after the improvement, it still has a miraculous effect in treating trauma, far better than Jishitang’s Golden Sore Medicine.

Once it comes out, it will definitely make the Wang family earn a lot of money.

”Auntie, this is the prescription, please read it.” Lu Chen handed over the written prescription.

”Hmm... not bad.” Song Qiuyun took a closer look and nodded in satisfaction.

With her eyesight, she couldn’t see any problem for the time being.

Of course, she is also confident that the other party dare not deceive the Wang family.

”Auntie, I urgently need two other elixir plants to save my life. Please take care of me.” Lu Chen cupped his hands.

”No problem, I will notify you as soon as there is news.” Song Qiuyun said calmly.

”Thank you, aunt.” Lu Chen breathed a sigh of relief.

With the full support of the Wang family, I believe that within a few days, the whereabouts of Bing Xinlian and Jin Suiyu will be found.

”Okay, okay, the transaction is completed, everyone is happy, little genius doctor, let’s go!”

Wang Zixuan didn’t want to stay for a long time, so she greeted Lu Chen and left.

She was still somewhat dissatisfied with her mother’s behavior.

”Ma’am, Bing Xinlian and Jinsuiyu are not extraordinary things, do you want me to contact the Song family and let them make connections?” Steward Wang asked tentatively.

”Don’t bother, I don’t intend to give it anyway.” Song Qiuyun said lightly.

”Ah?” Butler Wang was taken aback, a little unresponsive.

Is this going to go back on one’s word?

”An unknown junior, what right does he have to ask for a lot of money in front of me?”

Song Qiuyun’s eyes became indifferent, but his tone remained calm: “Zhengping, find some experts outside and snatch the dragon’s blood ginseng from Lu Chen’s hand. This treasure cannot be taken advantage of by outsiders.”

”Ming...understand.” Butler Wang’s expression froze.

This is no longer going back on promises, but taking advantage of the fire to rob.

Sure enough, if you want to take advantage of the Wang family, there will be no good end.

Chapter 1337

”Little miracle doctor, I’m sorry.”

At the gate of Wang's house, Wang Zixuan said with shame on her face: "I should have given you this dragon's blood ginseng plant, but I didn't expect my mother to kill it halfway, ruining my good deed."

"Miss Wang, don't blame yourself. If it weren't for your help, I wouldn't be able to get dragon blood ginseng, let alone reach a deal with your mother. This result is already the best for me." Lu Chen smiled .

It is definitely not a loss to be able to exchange a residual recipe for three top-grade elixir.

"You really think so?" Wang Zixuan perked up.

"Of course." Lu Chen smiled and nodded.

"Hehe, little miracle doctor, you really like me. I am determined to be your friend!"

Wang Zixuan smiled, showing two small canine teeth: "You haven't eaten yet, have you? I know a restaurant that tastes very good. Let's go and try it together!"

After saying that, he pulled Lu Chen and got into the car.

"Master, master, there's a call..."

At this time, a cell phone ringtone suddenly rang.

When Wang Zixuan answered the call, a deep voice came quickly.

"Miss, the matter you want us to investigate has already come to fruition. A few days ago, the young master of the Song family did go to the hotel with a female star. According to the monitoring, the behavior of the two is very close. It should be that kind of relationship. ."

”brute!”

After listening to it, Wang Zixuan became furious and almost smashed her phone, her pretty face was full of resentment: “This bastard keeps saying that he wants to reform himself, but he still has no connection with that vixen, does he really think I don’t exist? I have to castrate him this time!”

As she spoke, she took out a short knife out of nowhere, and pulled out the scabbard abruptly, revealing a sharp edge.

”Let me ask you, where is that bastard Song Yingming now?” Wang Zixuan yelled at the phone.

At this moment, she completely transformed from the sweet girl image into a tigress.

”Back to Miss, the young master of the Song family is having a party with friends at the Imperial City Club.” Said the other side of the phone.

”Driver! Go to the Royal City Club right away!” Wang Zixuan hung up the phone and shouted again.

The driver didn’t dare to say anything, stepped on the accelerator and headed straight for his destination.

Wang Zixuan held the dagger in both hands, her body trembling uncontrollably because of her anger.

Gradually, his anger was quickly replaced by sadness.

A pair of beautiful eyes slowly turned red, mist rising.

”Miss Wang, what’s the matter?” Lu Chen asked tentatively.

Wang Zixuan turned her back, wiped away her tears, and said in a trembling voice: “Two years ago, my parents found a marriage for me, and the person was Song Yingming from the Song family.

At first I didn’t agree, but later Song Yingming launched a fierce pursuit, with all kinds of sweet words and all kinds of surprise gifts. Gradually we became boyfriend and girlfriend.

However, not long ago, I found out that Song Yingming was a scumbag who often fooled around with other women outside, so I broke up in a fit of anger.

I originally thought that as long as he admits his mistakes and is willing to repent sincerely, I will give him a chance.

As a result, this guy did the same thing to the face and the other way behind the back, and he said something nice, and he went to the hotel with the vixen as soon as he turned his head.

I don’t understand, why would he do this to me? What is wrong with me? “

By the end of the sentence, Wang Zixuan was choked up.

She treats each other with sincerity, but what she gets in exchange is a wolfish heart.

”Ms. Wang, it’s not your fault. It’s Song Yingming who is blind and doesn’t know how to deal with gold and jade. For a man like this, the wisest choice is to let go in time.” Lu Chen comforted.

Chapter 1338

A playboy like Song Yingming is a typical dog who can’t stop eating shit.

Fortunately, Wang Zixuan found out early. The two of them are not married yet, otherwise it would be too late to regret.

”Of course I know I have to let go, but I’m not willing to let it go!”

Wang Zixuan bit her two little tiger teeth and said angrily: “He dares to do this to me. I will never let him go easily. I want him to regret it. I want him to understand that losing me is the biggest pain in his life.” loss!”

”What are you going to do?” Lu Chen asked.

”Isn’t he looking for a woman? Then I will look for a man. I will make him angry to death, and I will make him shine!”

Wang Zixuan sniffed and suddenly fixed her eyes on Lu Chen: “Little miracle doctor, you will be my boyfriend from now on, and I will declare my sovereignty in front of him!”

”ah?”

Lu Chen’s expression froze: “Ms. Wang, are you kidding me? We just met.”

”What happened when we just met? Do you think I’m not good enough for you?” Wang Zixuan raised her eyebrows.

”Ms. Wang, I already have a fiancée.” Lu Chen didn’t know whether to laugh or cry.

He naturally knew that the girl in front of him said such angry words in order to take revenge on Song Yingming.

”What’s wrong with having a fiancée? Aren’t you not married yet?”

Wang Zixuan grabbed Lu Chen's hand and said a little savagely: "I don't care, you must promise me anyway! At least, you will play a play with me today, please take a good breath of Song Yingming!"

"I can help you, but please explain in advance that it's just acting, don't take it seriously." Lu Chen had a headache.

"no problem!"

Wang Zixuan immediately beamed.

She couldn't wait to see Song Yingming's furious look.

...

At this moment, in the VIP room of the Imperial City Club.

A group of young men and women were gathering together to drink and chat.

The leader among them is the young master of the Song family, Song Yingming.

Song Yingming is tall, handsome, well-dressed, and his hair is even more meticulous.

Judging from the appearance, it can indeed be called Yushu Linfeng, chic and suave.

Beside him, sat a woman with a hot body and excellent looks.

The woman was wearing a red tight skirt, with two long black stocking legs intertwined with each other. Her figure was graceful and charming, and she looked very seductive.

"Brother Yingming, aren't you already engaged? You still bring the woman out so aboveboard, so you're not afraid that your sister-in-law will be angry?" A fat man teased with a smile.

The man's name is Guo Xun, the eldest son of the Guo family in Nancheng, and his status in this circle is second only to Song Yingming.

"Hey! I've lost interest in that yellow-faced woman for a long time. She has no femininity at all. If it weren't for a family marriage, I wouldn't bother to care about her." Song Yingming looked disgusted.

"Brother Yingming, Wang Zixuan is a well-known beauty in Nancheng. I don't know how many men have admired her for a long time. You are in the blessing and don't know the blessing!" Guo Xun laughed.

"You like it? Then I'll give it to you. I'm tired of playing anyway." Song Yingming raised his chin.

"Brother Yingming is really generous. If I have the chance, I really want to try what it's like to be a daughter of the Wang family?" Guo Xun smiled wretchedly.

While the two were talking, there was a "bang", and the door of the VIP room was kicked open.

Chapter 1339

When the door opened, everyone was stunned and looked over subconsciously.

Wang Zixuan, who was stylishly dressed and sweet-looking, walked in with an indifferent expression.

Behind him, Lu Chen was strolling leisurely.

"Zixuan?"

"Miss Wang?"

After seeing the visitor, everyone's expressions changed.

Especially Song Yingming, as if he was electrocuted, he immediately withdrew his hand from the waist of the girl in the red dress.

He immediately stood up, forced a smile and said, "Zixuan, why are you here?"

"What, you can come but I can't come?"

Wang Zixuan first glanced at the girl in the red dress, and then fixed her eyes on Song Yingming.

Even though she had prepared her expectations before coming, she still couldn't help but almost went crazy when she saw the intimate appearance of this couple.

"Of course you can come, but say hello to me before you come so I can make arrangements for you." Song Yingming said with a smile.

"Don't bother, I'm just taking a look."

As Wang Zixuan spoke, she glanced at the nervous girl in the red dress on the sofa and said calmly: "Who is this next to you? Why do you look strange to me?"

"Oh? Are you talking about her? She is Guo Xun's new girlfriend."

As Song Yingming spoke, he winked at Guo Xun next to him.

The latter was slightly startled, then quickly understood and smoothed things over with a smile: "That's right, sister-in-law, let me introduce you to her. This is my girlfriend, Su Xia, from the entertainment industry."

"Hello, sister-in-law."

Su Xia stood up quickly and forced out a smile.

Of course, she has heard of Miss Wang's temper, and she is notoriously hot-tempered.

If you offend such a big shot, there will definitely be no good consequences.

"Why is Guo Xun's girlfriend sitting next to you?" Wang Zixuan asked.

"Hey! I happen to be a fan of Miss Su, so I asked her for some advice about movies. Isn't this just a chat, and you came in."

After Song Yingming explained a few words with a smile, his expression became solemn: "Zixuan, you are not doubting me, are you? In the conscience of heaven and earth, I have changed my ways and will never do anything to regret you, I can swear! "

"What you do has nothing to do with me. I'm just here for fun."

Wang Zixuan sat down on the empty seat of the sofa with a cold face.

The people next to them moved away subconsciously, and any fool could tell that Miss Wang was in a bad mood.

"Zixuan..."

Song Yingming leaned forward cheekily, and sat next to Wang Zixuan: "What's wrong today? I'm in a bad mood, why don't I go out with you?"

"leave me alone!"

Wang Zixuan stared, and Song Yingming was too scared to sit too close.

"Hmph! If I want to go shopping, I need someone to accompany me. I dare not bother you, Young Master Song."

As Wang Zixuan said, she looked at Lu Chen, smiled sweetly, and patted the seat beside her: “Brother Lu, come and sit here.”

Lu Chen had no choice but to sit beside her as he said.

On the left is Song Yingming, on the right is Wang Zixuan, the three of them are like a sandwich biscuit.

”Zixuan, who is this person?”

Song Yingming looked Lu Chen up and down, with a bad expression on his face.

He thought it was Wang Zixuan’s bodyguard just now, so he didn’t take it seriously.

Now it seems that the relationship between the two is not simple.

”Oh, this is Lu Chen, my boyfriend.” Wang Zixuan introduced with a smile.

”Boyfriend?”

Hearing this, Song Yingming’s expression immediately darkened.

What a few male girlfriends? I’m afraid it’s not friends with guns, right?

These days, it is impossible to have a pure friendship between a man and a woman.

Chapter 1340

The most irritating thing is that this bitch actually brought his sex partner in front of him.

It was a naked provocation!

”Zixuan, why haven’t I seen your best friend before?”

Song Yingming took a deep breath and held back his anger.

”Do I need your permission to make friends?”

Wang Zixuan said calmly: “Besides, I haven’t met some of your female friends before?”

”this.....”

In one sentence, Song Yingming was speechless.

He finally understood that this woman was deliberately making him angry.

”Sister-in-law, it’s rare that we all have time to get together. Come, come, let me toast you.”

Seeing that the situation was not good, Guo Xun quickly apologized and smiled to smooth things over.

”I don’t drink.” Wang Zixuan refused coldly.

”It doesn’t matter, it doesn’t matter. You can drink juice, as long as my sister-in-law is happy.”

Guo Xun smiled sarcastically and quickly ordered the waiter to bring a dozen juice drinks with various flavors.

”Brother Lu, come, drink some juice.”

Wang Zixuan picked up a glass of red juice, took the initiative to bring it to Lu Chen’s mouth, and fed it with her own hands, which seemed very considerate.

Song Yingming gritted his teeth at the sight of you and me.

He can flirt with women outside, but that doesn’t mean he can tolerate being cuckolded.

No matter what, Wang Zixuan is his fiancée. Showing affection to other men in front of him is a slap in his face.

”Fuck! You dare to touch my woman? You are really tired of living!”

Song Yingming stared at Lu Chen fiercely, roaring in his heart, and his eyes seemed to be cannibalistic.

But because of Wang Zixuan, it was difficult for him to have an attack, so he could only endure it.

”Just drinking is a bit boring.”

At this time, Song Yingming seemed to have thought of something, and suddenly said: “Guo Xun, didn’t you learn some mysticism from Master Jiang? I heard it’s very magical, why not take this opportunity to perform for everyone? To add to the fun?”

Zeng Jin, in order to pick up girls, Guo Xun spent a lot of money to become a master of mystical arts and learned some weird tricks.

Such as hypnosis, controlling people’s actions, lowering their heads, etc.

I once met a chaste and fierce woman in a bar, but she refused to give in. However, after some manipulation by Guo Xun, the chaste woman turned into a lustful woman.

Now, he plans to use Guo Xun’s ability to make Lu Chen make a fool of himself.

”Brother Yingming, all my methods are just childish and cannot be put on the stage.”

Guo Xun smiled modestly.

”It doesn’t matter, just treat it like a magic show to open everyone’s eyes.” Song Yingming winked.

”Yes, Mr. Guo, we all want to see him.” Several young men and women agreed.

”Well, since you are interested, I will show my shame.”

Guo Xun quickly came back to his senses and said with a smile: “But my performance requires someone to cooperate a little bit, so that it can be effective. I wonder who wants to come up and try it?”

”In my opinion, Brother Lu is just right.”

Song Yingming looked at Lu Chen and smiled maliciously: “We are new friends. How about giving us a chance to get to know each other?”

”Do you want to cooperate? Just let me do it.” Wang Zixuan volunteered.

”Sister-in-law, the mystical arts I learned cannot be used on women.” Guo Xun shook his head.

”Brother Lu, you’re a great man, don’t you have the courage to do this?” Song Yingming began to provoke.

”Brother Lu, don’t worry. I promise, there will be no danger.” Guo Xun smiled half-heartedly.

”Yeah, everyone is in high spirits, let’s just play together. You won’t even give me this face, right?” Many people started cheering.

A pair of eyes, both with a bit of banter.

They naturally understood that Song Yingming and Guo Xun were going to persecute him.

”Okay, since you are so interested, I will play with you.”

Lu Chen smiled faintly, and then drank the juice in the cup in one breath.

Ten years have passed, and it seems that these dandy children in Yanjing have forgotten the shadow of being dominated by Lu Changge.
