

An Understated Dominance Chapter 1341 - 1350

Chapter 1341

”Lu Chen, these guys have bad intentions, you don’t need to pay attention to them.”

Wang Zixuan quickly advised.

She volunteered because she was sure that Guo Xun would not dare to mess around.

But if Lu Chen were to play, he would probably make a fool of himself.

”Don’t worry, I have my own sense of discretion.”

Lu Chen smiled and looked at Guo Xun: “I wonder how Mr. Guo wants me to cooperate?”

”It’s very simple, give me a drop of your blood, and then ask for a few hairs. If you follow up, just follow my instructions.” Guo Xun grinned.

”Can.”

Lu Chen nodded, took out a silver needle, pierced his index finger, and squeezed a drop of blood into the empty cup.

Immediately, he pulled out another strand of hair, threw it into the cup, and asked, “Is this okay?”

”Can.”

Guo Xun smiled maliciously and glanced at Song Yingming.

Song Yingming smiled and nodded, lying on the sofa in a comfortable position, pretending to be watching a show.

He knew exactly what Guo Xun was capable of.

Especially when it comes to controlling people, as long as they fall into the trap, they are completely at their mercy.

He couldn't wait to see Lu Chen in such a miserable state.

"Everyone, please wait a moment. This is a secret technique in my sect and is not allowed to be passed on to anyone else."

Guo Xun said, picked up the cup containing hair and blood, and quickly walked into the bathroom of the VIP room.

"Hmph! Playing tricks!"

Wang Zixuan curled her lips with disdain.

She never believed in anything magical and she always felt that it was just a cover-up created by a group of charlatans.

five minutes later.

Guo Xun walked out of the bathroom with a yellow talisman in his hand.

The talisman paper is full of strange symbols, and it really looks like that.

"Brother Lu, please close your eyes and relax your whole body." Guo Xun stepped forward and said.

"Yeah." Lu Chen responded.

Then slowly close your eyes and relax your whole body.

Wang Zixuan frowned and wanted to say something, but in the end she chose to wait and see what happened.

She wants to see, what kind of tricks are these people playing?

”go!”

Guo Xun held the talisman paper with one hand, and after silently chanting a few spells, he slapped Lu Chen’s chest with his palm.

The next second, Lu Chen’s head slowly hung down as if he had lost his strength.

The whole person seemed to be in a coma.

Seeing this scene, Guo Xun smiled evilly and said, “From now on, you will obey my order, stand up and take a look.”

Lu Chen closed his eyes and stood up slowly.

”Turn around twice.” Guo Xun ordered again.

Lu Chen did as he said, and turned around twice honestly.

”very good.”

Guo Xun nodded with a smile, picked up a glass of wine on the table, handed it to Lu Chen, and said, “Drink it.”

Lu Chen took the wine glass and drank it down without any hesitation.

Seeing this scene, everyone couldn’t help but marvel.

”Fuck! What’s going on? This guy is obedient to Guo Shaobai?”

”Could this be Guo Shao’s profound art? It’s really amazing!”

”A talisman can control people’s actions. It really opened my eyes!”

A group of rich kids whispered, looking surprised.

Although he knew that Guo Xun wanted to punish people, he did not expect that it would be in such a bizarre way.

”Guo Xun! What did you do? Wake Lu Chen up!” Wang Zixuan shouted coquettishly.

At first, she was just skeptical.

However, after seeing Chase Lu being controlled, she immediately realized something was wrong.

”Sister-in-law, please be patient. He will wake up naturally after I finish the spell.” Guo Xun smiled slightly.

”No! We need to wake him up now!”

Wang Zixuan said, reaching out to touch Lu Chen.

”etc!”

Guo Xun suddenly shouted and warned seriously: “Sister-in-law, once you cast a spell, it must be completed. If you forcefully wake someone up, it is likely to turn him into an idiot!”

”ah?”

Wang Zixuan was startled and quickly retracted her hand.

Chapter 1342

”Zixuan, don’t worry, we are just playing and we won’t do anything to him.” Song Yingming comforted him.

”Hmph! It’s best this way!”

Wang Zixuan frowned, but finally endured it.

Mainly because she was worried that her impulsiveness would harm Lu Chen.

”Young Master Guo, has this person been controlled by you?” a girl asked.

”of course!”

Guo Xun said with a proud smile: “He is a walking corpse now, with no pain, no memory, whatever I tell him to do, he will do whatever he wants, obedient to everything, and has no memory afterward.”

”Really? Then why don’t you let him slap you?” The girl looked forward to it.

”no problem.”

Guo Xun smiled evilly, turned to Lu Chen, and ordered: “Now, use your hand to slap yourself hard.”

”Guo Xun! You—”

Wang Zixuan was about to stop him, but Lu Chen had already raised his hand, and then, in front of everyone’s astonished eyes, he slapped Guo Xun on the face.

”Snapped!!”

This slap was so powerful that Guo Xun staggered, dizzy, and had nosebleeds.

”ah?”

The sudden change shocked everyone.

Didn’t you say hit yourself?

Why did you slap Guo Xun in the face?

”??”

Guo Xun was stunned, covering his hot face, he couldn’t believe it.

He suspected that he had given the wrong order? Or Chen Lu didn’t hear clearly at all.

”Hey! Listen to me, I’ll let you slap yourself!”

Guo Xun couldn’t hold back his face, and ordered to increase the volume.

”Snapped!!”

Lu Chen raised his hand and slapped Guo Xun on the face again, making his head dizzy and his teeth flying.

The originally fat face swelled into a bun.

The five finger prints are clearly visible.

Wang Zixuan was stunned.

Song Yingming was also stunned.

The children of the rich families around were even more astonished, not knowing why.

What about being obedient and obedient?

Why don't you follow the routine?

"Grass! You're so deaf, aren't you?"

Guo Xun wiped off the nosebleed, and shouted angrily: "I told you to hit yourself, not me!"

"Snapped!!"

Without any extra movement, Lu Chen slapped Guo Xun again, heavily on Guo Xun's face.

This slap was so powerful that it directly hit Guo Xun twice in the same place, and then fell to the ground, falling like a dog and eating shit.

"Damn! Are you going to rebel? See how I teach you today!"

After Guo Xun got up, he became furious. He picked up the wine bottle on the coffee table and was about to smash Lu Chen on the head.

As a result, as soon as the wine bottle was lifted up, Lu Chen slapped him on the face, staring at him.

"What the hell..."

"Snapped!!"

"damn thing....."

”Snapped!!”

”I...”

”Snapped!!”

Every time Guo Xun said a word, he was slapped on the face.

At the end of the beating, the nose was crooked and the mouth was slanted, and his face was completely changed, which was horrible.

Forced to be helpless, he could only curl up on the ground, put his head in his hands, and wailed repeatedly: “Don’t hit, don’t hit... I was wrong, I was wrong... Stop it!”

Lu Chen turned a deaf ear and continued to be violent with his eyes closed, punching and kicking him in various ways, as if he was possessed.

”Quick! Stop him!”

Seeing that the situation was not good, Song Yingming quickly ordered several younger brothers to step forward to stop him.

As a result, as soon as the younger brothers got close, they were slapped away by Lu Chen and knocked down.

The scene was completely out of control.

Chapter 1343

”Damn! What’s going on? Is this guy crazy?”

Looking at Lu Chen, who looked like a bewitched man, Song Yingming frowned deeply, with an ugly expression on his face.

But he didn't dare to go forward, otherwise he would just slap him.

At this time, Song Yingming seemed to have thought of something, and shouted anxiously: "Guo Xun! This guy is out of control, quickly break the curse!"

"Untie, untie, untie the curse!"

Guo Xun endured the pain and quickly tore off the talisman on Lu Chen's chest.

In the next second, Lu Chen trembled all over, and immediately stopped moving.

Everyone breathed a long sigh of relief as they were granted amnesty, it was finally done.

Damn, when this kid loses control, he is as powerful as an ox, and ordinary people can't stop him.

"What's wrong?"

After a few breaths, Lu Chen slowly opened his eyes and said with a confused expression: "What just happened?"

He looked left and right, showing a strange expression: "Hey...what's wrong with your faces?"

The young men who were beaten gritted their teeth, feeling angry but unable to express themselves.

Just act like you don't know anything.

"Ah! Guo Shao! How did you get hurt like this?"

Lu Chen looked down and couldn't help being startled. He quickly helped Guo Xun up with a bruised nose and swollen face, and asked with concern: "Who hit you just now? Was it too harsh? Look at this handsome face. How were you beaten? It's so abominable!"

Guo Xun's face twitched wildly, tears fell uncontrollably, he was beaten and cried.

Oh shit! It's so frustrating!

If a normal person dared to hit him like this, he would have been furious.

It happened that he used witchcraft first, and accidentally lost control, which caused the current situation.

To put it bluntly, it is self-inflicted.

In this kind of thing, you can only eat *Coptis chinensis*.

”Mr. Guo, why are you still crying? Come on, let me wipe it for you.”

Lu Chen took out two tissues and wiped Guo Xun’s tears very thoughtfully.

“Get away! Stay away from me!”

Guo Xun covered his face and took two steps back in fright, like a frightened bird.

Just as he was slapped, he was struck by a shadow.

”what happened?”

Lu Chen pretended to be confused and said: “Why are you all looking at me like this? What happened?”

”Ahem...”

Wang Zixuan coughed twice and said with a strange expression: “Lu Chen, you were just controlled by Guo Xun using mystical skills, but then you accidentally lost control. Then you went crazy and beat Guo Xun crazily.”

”What? Losing control? Going crazy?”

Lu Chen was stunned for a moment, then pretended to be surprised and said, “No way? Could it be that the injuries on Mr. Guo’s face were all caused by me?”

”That’s right.” Wang Zixuan nodded.

”No wonder... no wonder my hands hurt so much.”

Lu Chen rubbed his palms, looked at Guo Xun, and said earnestly: “Young Master Guo, it’s true that if you’re not good at learning, just take it easy. Look, you’ve made me lose control. Alas... That’s all, let’s take what happened today as a lesson.”

”What the hell -“

Guo Xun was angry and was about to yell something, but when he opened his mouth, his teeth fell down. He was so frightened that he immediately covered it with his hands.

Otherwise, the ground will be full of teeth in no time.

Chapter 1344

”Okay, that’s all for today.”

Wang Zixuan stood up slowly, glanced at Song Yingming, and said deliberately: “I have to have lunch with Brother Lu, so I won’t be here to accompany him. I wish you all have a good time.”

After that, he took Lu Chen’s arm and walked out of the VIP room.

A group of people were left looking at each other with ugly faces.

The good mood I had just now was completely ruined.

”Brother Guo Xun, how are you? Are you all right?”

Song Yingming checked Guo Xun’s injuries and found that the other party was really miserable, and his whole face was beaten and deformed.

The originally unhandsome facial features became even more ugly.

”Damn it! That kid was so cruel. I have never suffered such humiliation before!” Guo Xun gritted his few remaining teeth with a look of resentment on his face.

”Originally, I asked you to punish that kid, but it turned out that you were lucky and got yourself involved instead.” Song Yingming shook his head.

Don't show off your skills if you're not good at them. It's really embarrassing.

"It's strange. My witchcraft of controlling people has always been tried and tested, but somehow something went wrong today." Guo Xun frowned, thoughtfully.

"Is there a possibility... that the man named Lu Chen is deliberately acting?"

At this time, Su Xia, the girl in the red dress, said something unexpectedly.

"Deliberately acting?"

As soon as these words came out, everyone's eyes glanced over.

"I feel strange. Even if he loses control, he won't catch Mr. Guo and beat him alone, right?" Su Xia analyzed.

"Makes sense."

Song Yingming touched his chin and said thoughtfully: "That boy seems to be polite, but in fact the city is very rich. I can't rule out that he did it on purpose."

"No way?"

Guo Xun frowned: "My ability to control people has always been tried and tested. Master Jiang said that as long as the opponent is not a member of the same group, it is impossible to resist him."

"There are no absolutes in this world. Maybe that kid has some weird tricks."

Song Yingming squinted his eyes and said: "Brother Guo Xun, think about it carefully, who in a normal person would be willing to be a guinea pig? Not only did he not resist just now, but he readily agreed. Don't you think it's strange?"

”When you say that, something is really wrong.” Guo Xun began to think deeply.

Yanjing has gathered elites and talented people.

Among the cities, there are many strange people and strangers.

It is not impossible to meet a colleague unexpectedly.

”Brother Guo Xun, we must have been tricked by someone today. We were so ruthless. If we don’t regain our position, how will we see anyone in the future?” Song Yingming’s face turned gloomy.

”Fuck! If you don’t avenge this revenge, I swear you won’t be a human being!” Guo Xun slapped the table angrily.

Because the movement was too large, the wound was pulled, and he grinned in pain.

”Miss Wang seems to value Lu Chen very much. It may not be easy for us to move him.” Su Xia said.

”Wang Zixuan is indeed a trouble, but we can’t make it clear, we can come in the dark.”

Song Yingming sneered and said, “It’s just a little boy with no power or influence. As long as we solve it quietly, there won’t be any trouble.”

”That’s right! Wang Zixuan can only protect him for a while, but not forever. I will kill him sooner or later!” Guo Xun said viciously.

”Brother Guo Xun, in order to deceive others, it’s best to invite Master Jiang to this matter. With his ability, I believe it can be easily resolved.” Song Yingming suggested.

”No problem! I’ll contact Master Jiang right away. Within three days, I will let that kid die without a place to bury him!” Guo Xun’s eyes flickered fiercely.

The dignified young master of the Guo family has been beaten up like this, if he doesn’t kill the chickens to make an example to the monkeys, what face will he have in the circle in the future?

”Hmph! Dare to snatch a woman from me? You’re asking for death!” Song Yingming sneered.

Chapter 1345

”Hahaha... Little miracle doctor, those few slaps you just slapped were so beautiful. Guo Xun’s fat face was turned into a pig’s head by you. It really made me laugh to death.”

When she walked out of the Imperial City Club, Wang Zixuan was so happy that all the branches were trembling, sweeping away the previous haze.

Originally, he brought Lu Chen over to swear his sovereignty, and Song Yingming was deliberately annoyed.

Unexpectedly, the effect was surprisingly good.

Not only disgusted the scumbag, but also beat up a bunch of cronies, which was a complete vent.

”In the end, it’s all their own fault. If they didn’t have the intention of harming others, they wouldn’t be beaten like this.” Lu Chen smiled lightly.

”What’s this called? Stealing a chicken won’t cost you a lot of rice!” Wang Zixuan couldn’t help laughing.

She naturally knew that Guo Xun was deliberately trying to mess with Lu Chen just now, but he was not good at studying and accidentally lost control.

In the end, not only did he fail to deal with others, but he made a mess of himself. What a retribution!

”These people are not good people, so stay away from them in the future.” Chase Lu reminded.

For a dude like Guo Xun to be able to learn witchcraft, there must be expert guidance behind him.

A rich lady like Wang Zixuan, who is ignorant of the world, is easy to suffer.

”Don’t worry, I can handle them easily.”

Wang Zixuan cocked her chin proudly and said with a smile: “Little miracle doctor, I find that you seem to be my lucky star. You saved me before, and now you help me again. Walking with you makes me feel lucky.” !”

”I also owe it to you to get this dragon’s blood ginseng.” Lu Chen smiled.

”Hehe... So, we are mutually successful? Very good, from today on, you are my best friend!” Wang Zixuan said in a declarative tone with her hands on her hips.

Lu Chen couldn’t laugh or cry.

This girl really has no sense of defensiveness at all.

”Master, master, there’s a call...”

At this time, Wang Zixuan’s cell phone ringtone suddenly rang.

When she got connected, she immediately changed her face: “What? Something happened to grandpa? Okay, okay...I’ll be right back!”

After hanging up the phone, Wang Zixuan hurriedly ran into the car. Then she seemed to think of something. She stuck her head out of the car window and said quickly: “Little miracle doctor, something happened at home. I have to go back quickly and treat you to dinner another day.”

”Okay, you get busy first.”

Lu Chen nodded, waved goodbye, and watched Wang Zixuan go away.

At this time, Lu Chen’s eyelids twitched, as if he had noticed something, he suddenly turned his head and swept towards a car in the distance.

The car was parked on the side of the road, the windows were so dark that it was impossible to see what was going on inside.

But he felt like he was being watched.

“Buzz——!”

After staring at it for a few seconds, the vehicle suddenly started and then quickly drove away.

Lu Chen snorted coldly, already thinking about it.

It seemed that he was being followed.

Is it the Song family? Or the Liu family?

Lu Chen didn't think about it. After stopping the car on the side of the road, he went straight to the hotel.

"Ding ding ding..."

At this time, a bell suddenly rang.

Lu Chen took out his mobile phone and saw that it was from Nan Province, and the caller ID: Wang Xuan.

"Hey! Brother Chen, I have good news for you, I have come to Yanjing!"

As soon as the phone was connected, Wang Xuan's excited voice was heard.

"You are not staying in the provincial capital, what are you doing in Yanjing?" Lu Chen was a little strange.

Before leaving, he had appointed Wang Xuan as the head of the Yanlong Hall, and he was considered a prominent figure in the provincial capital of Nan Province.

"Master Zhang said, it will inevitably be inconvenient for you to go out alone, so let us come and help you with some trivial matters." Wang Xuan laughed.

"We?" Lu Chen quickly caught the key word: "Who else is there besides you?"

Chapter 1346

"And Wan'er." Wang Xuandao: "Since Senior Jiu left, Wan'er felt lonely at home, so she came out with me to explore. We haven't been to Yanjing yet. I heard that there are outstanding people here. We want to meet them. Once you see the world."

”Although Yanjing has outstanding people, the water is too deep. Just the two of you, you don’t even know that you were betrayed.” Lu Chen said angrily.

”Brother Youchen, you are here, we have nothing to fear.” Wang Xuan said with a smile.

”Okay, okay, stop flattering, where are you now?” Lu Chen asked.

”Oh, we just got off the train, here at the South Station.” Wang Xuan said.

”Wait where you are, I’ll pick you up right away.”

Lu Chen hung up the phone, asked the driver to turn around, and headed straight to South Station.

After one hour.

The vehicle stopped at the gate of South Station.

”Brother Chen! Here, here...”

As soon as Lu Chen got out of the car, he saw Wang Xuan and Lin Wan’er waving their hands happily.

The two of them packed large and small bags and brought countless gifts to pay homage.

Looking at this posture, it doesn’t look like playing, more like moving.

”Why do you bring so many things?” Lu Chen stepped forward, somewhat dumbfounded.

”Be prepared, it will come in handy anyway.” Wang Xuan grinned.

It was my first time to come to Yanjing, the capital, and I was inevitably a little excited and nervous, so I was fully prepared.

”Okay, let’s find a place to live first, and then go eat something together.”

Lu Chen reached out to pick up the salute on Lin Wan’er’s body, but the other party shook his head and refused: “Mr. Lu, you have a noble status, so leave these rough jobs to me.”

With that said, he carried the salute into the car with a staggering step.

Even when he was exhausted and out of breath, he refused to ask for help.

Lu Chen was a little helpless. This girl really hasn’t changed at all. She has been used to hard work since she was a child.

After getting in the car, Chase Lu led the two of them back to the hotel where he lived.

The hotel is a five-star hotel, not too luxurious in Yanjing Nancheng, but the price is extremely high.

Walking into the hotel, Lin Wan’er looked around all the way, her beautiful eyes shining brightly.

When she saw someone looking at her, she immediately lowered her head and covered her face with her bag, looking a little inferior.

”Mr. Lu, how much does it cost to stay here for one night?”

When Lu Chen checked in, Lin Wan’er asked timidly.

”This is a prime location. An ordinary single room would cost about two thousand one night.” Lu Chen replied casually.

”Huh? So expensive?”

Lin Wan'er was startled and froze on the spot.

In the past, when she was working for others, she could only earn less than 2,000 yuan after working hard for a month.

Now she has to spend so much money just to stay for one night, which is really hard for her, who has always been thrifty, to accept.

"Wan'er, don't feel any psychological burden. Brother Chen is not short of money, so just feel free to move in." Wang Xuan said with a smile.

"No... no, it's too expensive!"

Lin Wan'er shook her head repeatedly: "Mr. Lu, this is not suitable for me. I can't live here anymore. I'll look for a cheaper house outside."

After saying that, he quickly ran out of the hotel carrying large and small bags.

The panic-stricken look seemed like this was some sort of dragon's pond and tiger's den.

"..."

Lu Chen and Wang Xuan looked at each other, dumbfounded.

While helpless, I also feel a little distressed.

This girl has suffered so much and experienced so much darkness that she doesn't dare to accept the light when it comes.

Chapter 1347

Lu Chen did not force Lin Wan'er to stay in a star-rated hotel, but took the two of them to buy a villa in a relatively remote location.

The second floor is finely decorated and has a small garden.

After paying the money, just pack your bags and check in.

Lu Chen thought, he still had to stay in Yanjing for a while, and it was not convenient to rent a house or stay in a hotel, so he might as well buy a villa, which would save him a lot of trouble.

Anyway, there is no shortage of money now.

Living in the villa bought by Lu Chen, Lin Wan'er really felt at ease.

I heard that house prices in Yanjing have been increasing in value, and buying a house can be considered an investment.

And you can cook and eat at home in the future, which saves money.

Beautiful.

After completing the procedures for the house, Lu Chen took the two of them to buy some daily necessities and briefly became familiar with the surrounding environment.

By the time everything was done, it was already dark.

Lu Chen and Wang Xuan were both very hungry.

Fortunately, Lin Wan'er was very considerate and bought the food in advance and cooked a sumptuous dinner for the two of them.

Five dishes and one soup, including meat and vegetables, are full of color, flavor and flavor.

I have to admit that Lin Wan'er's cooking skills are very good. Simple ingredients can make rare delicious food.

At least in this regard, Chase Lu is ashamed of himself.

After finishing the meal, Lin Wan'er consciously cleared away the dishes.

Lu Chen and Wang Xuan walked to the balcony and chatted while looking at the scenery.

"Ding ding ding..."

At this time, the cell phone ringtone suddenly rang.

When Chase Lu answered the call, a familiar and indifferent voice came over immediately. It was Liu Xiangsi.

"Lu Chen, come to Qianjin Terrace quickly. I have something to tell you."

"If you have anything to say, just say it on the phone. I'm very busy and don't have time to run around." Lu Chen said calmly.

"This matter is very important. If you don't come, you will definitely regret it!" Liu Xiangsi said in a serious tone.

"If you don't say it, I'll die." Lu Chen was too lazy to talk nonsense.

He has never had a good impression of this woman.

"Wait! Don't you want to know why Xie Sinian is in Jishitang?" Liu Xiangsi said hastily.

"Huh?" Lu Chen's eyes were fixed: "What do you mean? Tell me clearly."

"I know some secrets about Xie Sinian, come to Qianjin Terrace to find me at nine o'clock in the evening, no waiting!" Liu Xiangsi said.

"Okay, I'll be there in a while." Lu Chen responded quickly.

Liu Xiangsi's meeting in the middle of the night must have some other agenda.

Of course, he doesn't care about this.

What he was curious about was, what was the secret in the other party's mouth?

Could it be that Liu Gongquan was hiding something from him?

"Wang Xuan, come out with me."

Lu Chen greeted, and took Wang Xuan out the door.

There were too many mysteries about what happened back then, and Xie Sinian was the only breakthrough.

Before the other party is awake, he cannot miss any relevant news.

Half an hour later.

Lu Chen and the two got off the car at the entrance of Qianjintai.

Qianjin Terrace, on the surface, is a private club, but in fact it is an underground casino.

Membership only, ordinary people are not allowed to enter.

Gambling has always been banned in Yanjing, so being able to ignore the law and open such a luxurious casino in the center of Nancheng City is a testament to the power of the boss behind the scenes.

Liu Xiangsi must have said hello in advance, and Lu Chen and the others were taken in after registering their numbers.

Following the waiter all the way inside, after passing the spacious, luxurious and lively gambling hall, the two were finally led into a VIP room.

Compared with the hustle and bustle in the lobby outside, the VIP room is a different world.

Elegant and refined, quiet and harmonious.

Chapter 1348

There were more than a dozen gambling tables of various kinds inside, with some distinguished guests sitting here and there.

There is a beautiful waiter beside each distinguished guest, who takes care of all the work except gambling.

The service is meticulous and considerate.

People who can enter the VIP room are either rich or noble, and they can easily gamble hundreds of thousands or millions.

When encountering a tyrannical person, tens of millions will be smashed.

This is a world that ordinary people cannot enter in their lifetime.

After entering the VIP room, Lu Chen immediately saw two acquaintances sitting at the middle table, it was Liu Cong and Liu Xiangsi.

As Liu Xiangsi, he obviously couldn't enter the VIP room. The person who really asked him to meet him should be Liu Cong.

"Hey! Brother Lu is here? Come on, let's play a few games together."

Liu Cong stood up on his own initiative and warmly greeted Lu Chen to take a seat.

Although the smile on his face was bright, there was a bit of coldness in his eyes.

"Master Liu, why did you ask me to meet you?" Lu Chen asked straight to the point.

"Don't worry, let's play for a while before we talk about business."

Liu Cong smiled slightly and snapped his fingers at the waiter beside him: "Get five million chips for this gentleman and charge them to my account."

"yes."

The beautiful waiter responded and soon brought dozens of crystal chips.

"Brother Lu, play whatever you want today. If you win, it's all yours. If you lose, it's all on me!" Liu Conghao said with an angry smile.

"I don't like gambling, and I don't like beating around the bush. If Mr. Liu has any advice, you can just say it directly." Lu Chen was unmoved.

This kind of place is a paradise for dog gamblers.

Unfortunately, he wasn't interested.

"Brother Lu is indeed a cheerful person."

Liu Cong laughed awkwardly and said: “Actually, the main reason I asked you out this time is to introduce you to a big boss. If you have him as your backer in the future, you can definitely walk sideways in this area of Nancheng!”

”Oh? Who is this person?” Chase Lu asked.

”This big boss is the boss of Qianjintai, He Pengfei, He Ye!” Liu Cong said with a bit of pride.

”Sorry, I haven’t heard of it.” Lu Chen said lightly.

”Hmph! Even Mr. He doesn’t know, how ignorant and ignorant!” Liu Xiangsi, who was next to her, curled her lips in disdain.

In this area of Nancheng, Master He can be said to cover the sky with one hand, and is known as the tyrant of Nancheng.

He is the only one who dares to challenge the two big families of the Song family and the Wang family.

Anyone with a little knowledge doesn’t know Mr. He’s name?

”Is Master He awesome? I wonder if his head can block my sword?” Wang Xuan asked coldly.

”Brother Lu, is this your friend?”

Liu Cong looked him up and down, with a bad expression on his face: “Boy, you’d better pay attention to what you say, this is Lord He’s territory, if you’re not careful, your life will be gone!”

Wang Xuan was about to say something, but Lu Chen raised his hand to stop him: "I'm not interested in knowing Mr. He, I just want to know about Xie Sinian."

As soon as his words fell, the door of the VIP room suddenly opened.

Immediately afterwards, an unusually burly middle-aged man in a suit walked in with his head held high.

The man was smoking a cigar, and he was as strong as a bear. Just standing there gave people a great sense of oppression.

The person who came was the boss of Qianjintai, the underground overlord of Nancheng, He Pengfei!

"Master He is here, you are lucky!"

Liu Cong smiled evilly, looking like he was ready to watch a show.

"Hello, Mr. He!"

"Hello, Mr. He!"

When He Pengfei walked in, all the gamblers in the VIP room stood up and said hello with a very respectful attitude.

"Everyone, keep playing."

He Pengfei reached out and pressed down, then walked towards Liu Cong and said condescendingly: "Liu Cong, have you brought the person I want?"

"How dare you not listen to Master He's orders?"

Liu Cong smiled flatteringly, then stretched out his hand to lead Lu Chen: “Here, this is the person you are looking for!”

Chapter 1349

”Oh, is it so?”

He Pengfei followed Liu Cong’s gestures, and finally fixed his gaze on Lu Chen, and immediately looked up and down, observing carefully, with an invisible aggressiveness in his eyes.

”Sure enough, she is young and promising, and a good-looking talent.”

He Pengfei grinned: “Stop standing, sit down, I have something to talk to you about.”

As soon as he finished speaking, he sat down on the sofa next to him and drank the glass of red wine handed by the waiter in one gulp.

Full of panache.

”Brother Lu, this is the famous Mr. He. You have to behave well and don’t miss the opportunity.” Liu Cong smiled half-heartedly.

”So you brought me out here just for Mr. He?” Lu Chen said calmly.

”Young man, I asked Liu Cong to call you here to negotiate a deal with you.” He Pengfei took a deep breath from his cigar and then blew out a long smoke ring.

The smoke ring flew lightly towards Lu Chen’s face, but suddenly broke into pieces and disappeared into nothingness a foot away from it.

”trade?”

Lu Chen said expressionlessly: “Master He is talking about the formula of Jade Dew Cream, right?”

”Smart! I like talking to smart people best.”

He Pengfei snapped his fingers, grinned and said, “Since you know what I want, then just make an offer. How much will it cost? Just report the amount, and I won’t bargain.”

”Master He, I can’t sell you the formula of Jade Dew Cream.” Lu Chen refused.

”Why, do you think I can’t afford the price?” He Pengfei narrowed his eyes slightly.

”Brother Lu, one-third of the entire Nancheng’s economic lifeline is in the hands of Mr. He, and Mr. He’s wealth is far beyond your imagination!” Liu Cong chimed in at the right time.

”Young man, there are not many things that can interest me, and there are very few people who can negotiate with me. This is your chance to jump into the dragon’s gate. Take advantage of it.” Although He Pengfei was smiling, his eyes But with some warning.

”It’s not about the price, it’s about the Jade Dew Cream formula. I’ve already sold it.” Lu Chen said.

”What? Sold it?” Liu Cong’s eyes widened, and he became excited in an instant: “Who did you sell it to? Why didn’t you tell me earlier?”

He did everything possible, and he did not hesitate to ask Master He, just for the formula.

Unexpectedly, Lu Chen would sell the formula to others.

”I have sold the formula of Yulu ointment to the Wang family, so I’m afraid you will be disappointed today.” Lu Chen spread his hands.

”Wang family?”

Hearing this, Liu Cong frowned immediately.

The Wang family is one of the eight wealthy families in Yanjing. It is obviously not easy to steal food from the other party.

”Young man, how much did the Wang family give you? I’m willing to pay double.” He Pengfei suddenly said.

With his power and the backing behind him, he is not afraid of the Wang family at all.

”Businesses have business ethics. Once the formula has been sold, you can’t go back on your word. If Mr. He wants, you can communicate with the Wang family.” Lu Chen said.

”Young man, if you can sell it to the Wang family, you can also sell it to me. One formula, two dollars, isn’t it delicious?” He Pengfei said with a smile.

”That’s right! You and Master He have a private deal, and the Wang family will never know about it. As long as you write down the formula and get the money, you can travel around and enjoy life without any worries.” Liu Cong followed suit.

”Once the Wang family finds out that I’m selling it a second time, I’m afraid I’ll have my life to take the money.” Lu Chen shook his head.

”Don’t worry, I will protect you from now on. The Wang family won’t dare do anything to you.” He Pengfei said with confidence.

”Master He, would you really fall out with the Wang family for an unrelated person?” Lu Chen said somewhat meaningfully.

”Hehe...you are indeed a smart person.”

He Pengfei put the cigar in the ashtray, pressed it, and said with a smile: “Although I won’t break up with the Wang family because of you, I can guarantee that if the Wang family can’t find you, this will keep you safe.”

”Master He, I can’t entrust my safety on others, so I can only say sorry to you.” Lu Chen shook his head.

”Um?”

Chapter 1350

Hearing this, He Pengfei’s smile gradually faded, and his eyes gradually became sharper: “Young man, I hate people rejecting me the most, and it’s repeated over and over again. I’m already patient enough. You’d better not let me down.”

These words were obviously threatening.

“Brother Lu, those who know the current affairs are outstanding, and you should be honored to be respected by Lord He. If you keep being stubborn, you may burn yourself!” Liu Cong warned.

“Okay, stop talking nonsense.”

He Pengfei was already getting a little impatient: “I’m going to order the formula of Yulu ointment today. If you hand it over honestly, not only will nothing happen, but you will also get a huge sum of money.”

“What if I don’t pay?” Chase Lu asked back.

“No? Hmph!”

He Pengfei sneered, didn’t say much, just slapped his hands.

“Pop!”

With the sound of applause, the door of the VIP room suddenly opened.

Immediately afterwards, a group of burly thugs in suits rushed in aggressively.

There were forty or fifty people, all of them vicious, like wolves and tigers.

“Boy, this is my place. With a word from me, I can control your life and death.”

He Pengfei stood up slowly, and said condescendingly: “If you don’t hand over the formula today, I’m afraid you won’t be able to get out of this door!”

“Master He, I don’t want to cause trouble, but if you have been aggressive, don’t blame me for smashing your Qianjintai!” Lu Chen said coldly.

Hearing this, He Pengfei was taken aback for a moment, and then laughed out loud, as if he had heard some big joke.

“Damn it! Is this kid crazy? How dare he challenge Master He?”

“It’s true that newborn calves are not afraid of tigers!”

Some distinguished guests in the hall gave up gambling one after another and watched the play with great interest.

“Hmph! I don’t know whether to live or die!”

Liu Cong sneered, looking like an idiot.

Liu Xiangsi folded her hands on her chest, quite gloating.

“Boy, do you know what you’re talking about?”

After laughing, He Pengfei’s face suddenly turned cold: “Just what I said to you just now, believe it or not, I shot you!”

As soon as he finished speaking, he suddenly pulled out the gun from his waist and pointed it at Lu Chen’s eyebrows.

Lu Chen stood motionless, as if nothing had happened, and said calmly: “Master He, the safety of your gun is not on.”

”What the hell -“

He Pengfei’s eyes twitched and he was about to have an attack.

A charming female voice came over lightly.

”Master He, what’s so angry about it? And it made you fall in love with me?”

Following the sound, a woman wearing a silver hip-hugging skirt and crystal high heels walked in.

The woman has flaming red lips, stunning appearance, and hot figure.

A brown wave curls down the shoulders, and two long black stocking legs stagger forward, with graceful steps, and every step seems to be stepping on the hearts of the men.

She was holding an exquisite designer bag in her left hand and a women's cigarette in her right hand, with a charming smile on her lips.

It looks very charming and alluring.

"Yin Tao?"

When Liu Xiangsi saw it, he immediately frowned.

It's such a narrow road. I didn't expect to meet this annoying woman here.
