

An Understated Dominance Chapter 1491 - 1500

Chapter 1491

“Uncle, how to deal with this person, you decide.”

Huang Yinyin pointed to Song Yingming, who was kneeling on the ground, with her chin, her eyes were looking at the dead.

At this time, Song Yingming suddenly came back to his senses as if he had just woken up from a dream, and said in a panic: “Lu...Lu Chen, don't kill me. I know I was wrong. I won't dare to do it anymore. I promise.” I will never be your enemy in the future, please spare my dog's life!”

“Spare your life?”

Lu Chen snorted coldly: “You have plotted against me again and again, using all kinds of despicable methods. Now you still have the nerve to beg me for mercy? Do you think it is possible?”

Song Yingming knelt on his knees, walked up to Lu Chen, grabbed Lu Chen's trousers with both hands, and cried: “Brother Lu! Master Lu! It's none of my business, I never thought of harming you, It's all Wang Zixuan's bitch, it's all her idea, I'm just following orders, please don't remember the villain's fault and treat me like a fart, right?”

“Wang Zixuan?”

Lu Chen narrowed his eyes slightly: “Tell me, did you assassinate me this time for revenge? Is there another purpose?”

Song Yingming did not dare to hesitate and replied quickly: “Because of the Jade Dew Cream incident, we suffered heavy losses, so Wang Zixuan proposed to kidnap you back and torture you to see if you can be forced to come up with other top-quality prescriptions, so that we can recover the losses and make a comeback. “

“This woman is really vicious. I helped her several times and even saved her life. However, she took revenge in various ways and drove me to the edge. If I were an ordinary person, I would have died without a burial place.” It is.” Lu Chen said coldly.

“That’s right! This slut will repay her kindness with a heart of snakes and scorpions. I have long since disliked her!”

Song Yingming nodded in agreement: “Master Lu! As long as you let me live, I will be your dog from now on. I can help you deal with Wang Zixuan, and I will make this bitch pay the price he deserves!”

“Wang Zixuan is your fiancée, are you really willing to do it?” Lu Chen said meaningfully.

“What a bullshit fiancée! We are just a family marriage, there is no personal relationship at all. Besides, who would like such a femme fatale?” Song Yingming complained.

If not for his father’s death order, he definitely would not be with Wang Zixuan.

“Since you are so sincere, I will give you a chance to make up for your mistakes.”

Lu Chen said calmly: “When I go back, I will send a message to the Wang family. They must hand over the top-quality elixir I want within three days. Otherwise, I will destroy their family.”

“Okay, okay...I’ll definitely bring the words to you!” Song Yingming nodded like garlic.

“Also, I don’t want anyone else to know what happened today, understand?” Lu Chen said condescendingly.

“Understood!” Song Yingming nodded repeatedly.

“Okay, you can go now.” Chase Lu waved his hand.

“Thank you, Mr. Lu!”

As if Song Yingming had been pardoned, he kowtowed a few times and ran out of the old house rolling and crawling.

With that appearance, he was obviously frightened.

“Uncle, he’s going to kill you, so you just let him go?” Huang Yinyin was a little surprised.

“It’s useful to keep this guy, let him live for a few more days first.” Lu Chen said lightly.

It was easy for him to kill Song Yingming.

But after killing him, he will definitely receive crazy revenge from the Wang and Song families.

Although he is not afraid, it will be a little troublesome after all, and it will even affect the overall situation.

Therefore, he chose to deter.

Through Song Yingming's mouth, he spread fear, causing the Song family to retreat and break with the Wang family at the same time.

In this way, the Wang family is isolated and helpless, and it is easier to deal with it.

“Okay, uncle, as long as you're happy.” Huang Yinyin smiled sweetly.

An ant-like character, it doesn't matter if he dies or not.

“Yinyin, how long have you been in Yanjing?” Lu Chen changed the subject.

“Just arrived.”

Huang Yinyin did not hide anything: “Recently, the Witch Gu Sect has taken on a big business, and my grandma asked me to lead the team myself. Firstly, I can practice and practice, and secondly, I can go out to have some fun and relax.”

Chapter 1492

“Oh? We need so many masters of the Witch and Gu Sect, it seems that this business is not easy.” Lu Chen was a little surprised.

Behind Huang Yinyin, there are several martial arts masters.

The rest are half-step masters, or congenital Dzogchen.

Such a tyrannical force is extremely rare, enough to compete with the four royal families.

“It’s really not easy, because the person who ordered this order is...”

Huang Yinyin was about to speak, but was interrupted by an old man behind her: “Saint! This is an important secret of the Witchcraft Cult, and it must not be told to outsiders!”

“Um?”

Huang Yinyin glanced back, and the old man’s pupils shrank in fright, and goosebumps appeared: “I’ll say it again, this is my master, not an outsider. You’d better reorganize your language.”

“I know my mistake.”

The old man immediately lowered his head in fear.

“Yin Yin, forget it.”

Lu Chen shook his head: “Since it’s a secret, I won’t listen to it. I’m afraid of trouble. The more I know, the heavier the burden. Fortunately, it’s better not to know.”

“Well...okay then.”

Huang Yinyin smiled without forcing it.

Telling this secret would indeed bring some danger to Lu Chen.

“Uncle, I’m a little hungry, can you take me to have supper?” Huang Yinyin said coquettishly.

“No problem! You are new to Yanjing, and I will take care of you tonight as my master!”

...

The next day, early morning.

In a VIP ward of Nancheng Hospital.

Song Yingming, covered in bandages, was lying unconscious on the hospital bed.

After escaping from the tiger's mouth last night, he fled home as soon as possible. As soon as he entered the house, he fainted and fell to the ground, and was sent to the hospital overnight for rescue.

“Doctor, how is my son? Is he in danger?”

Looking at Song Yingming who had just come out of the operating room, Song Dehai couldn't help but feel worried.

“Mr. Song, please don't worry. Your young master's injuries are all superficial injuries. We have carefully cleaned them up and they are nothing serious.” A doctor replied.

“That's good.”

Song Dehai breathed a sigh of relief, and then asked: “But it's been so long, why hasn't my son woke up yet?”

“Your young master was a little frightened last night and his mood was not stable. We gave him a shot of sedative and let him have a good sleep. This will help him recover. Counting the time, he will almost wake up.” The doctor explained .

As soon as he finished speaking, Song Yingming on the hospital bed finally slowly opened his eyes.

“Wake up, wake up! Sure enough, I'm awake!”

Song Dehai's face lit up, and he quickly walked to the hospital bed and asked with concern: "Yingming, how do you feel? Is there anything uncomfortable in your body?"

"Dad...why am I here?"

Song Yingming looked left and right, his head still a little blurry.

"You were covered in blood when you came home last night, which shocked me. Fortunately, you were rescued in time and your life was not in danger."

Song Dehai said with a serious face: "Yingming, what happened? Who hurt you like this? Tell dad, and dad will stand up for you!"

"last night?"

Song Yingming was stunned at first, then seemed to remember something, his expression changed, and he exclaimed: "Dad! Please notify us immediately! All cooperation with the Wang family will be canceled immediately, and all ties will be severed from now on!"

Chapter 1493

"ah?"

Looking at the emotional Song Yingming, Song Dehai looked confused.

Didn't this kid break his head? What nonsense are you talking about here?

"Dad! Don't be stunned and give the order quickly, otherwise our Song family will be in disaster!" Song Yingming was very impatient.

He remembered clearly what Chase Lu said last night. Although he had a chance to escape, it did not mean he was truly safe.

If you continue to collude with the Wang family, there is only one way to die!

You know, Lu Chen is not only a martial arts master, but also the master of the Holy Girl of the Witch Gu Sect.

As long as the other party says a word, the Song family can be easily destroyed.

In front of the number one evil sect in the world, not to mention the wealthy and aristocratic families, even the four major royal families have to bow their heads!

“Doctor, didn’t you say that my son is fine? Why are you talking nonsense here as soon as you wake up?” Song Dehai turned around with a bit of questioning.

“.....”doctor.

“Dad! I’m not talking nonsense, I’m serious!”

Song Yingming looked serious: “The Wang family is a time bomb, we must stay away, otherwise the consequences will be disastrous!”

“Yingming, are you being threatened?” Song Dehai frowned slightly.

My son is quite famous, and he has never made such a fuss before.

“Dad! For some reasons, I can’t tell you this matter clearly, but please believe me, don’t have any contact with the Wang family, let alone deal with Lu Chen, he is not someone we can provoke!” Song Yingming said solemnly road.

“Yingming, we have been cooperating with the Wang family for a long time and have close business relationships. We have been in the same boat for a long time. Besides, you and Zixuan are still engaged, how can you let go of the relationship so easily?” Song Dehai shook his head.

The price of breaking up with the Wang family was too heavy. Without a good reason, he would naturally not do it.

“Dad, when life and death are at stake, we must cut off our arms. Even if we suffer heavy losses, we can no longer be involved with the Wang family!” Song Yingming looked solemn.

“Is it really that serious?”

Song Dehai frowned: “Yingming, what happened? Can you explain it more clearly?”

“Dad, I have something unspeakable and I can’t say it openly, otherwise you and I will both be in bad luck. Now, I just ask you to believe in my decision.” Song Yingming said.

“this.....”

Song Dehai touched his chin and began to think deeply.

It can be seen that the son must have been hit by something.

Otherwise, the heir to a wealthy family would not be so panicked.

And all of this is related to that Lu Chen.

The question is, does an unknown junior have such a great ability?

Or is the other party hiding something?

“Brother Yingming...”

At this moment, Wang Zixuan walked into the ward suddenly, holding a fruit basket in her hand.

“Zixuan is here? Sit down.”

Song Dehai greeted him with a smile, keeping his expression calm.

“Uncle Song.”

Wang Zixuan said hello first, then looked at Song Yingming, who was covered in bandages, and said in surprise, “Brother Yingming! What happened? How did you get hurt like this?”

“Humph! It’s not thanks to you that I’m like this!” Song Yingming said angrily.

“Me?” Wang Zixuan froze for a moment: “Brother Yingming, are you kidding me? What’s none of my business?”

“I’m the one who wipes your butt when your Wang family gets into trouble. No matter what happens, I’m the first one to do it. Now that I’m injured like this, do you dare to say that you have nothing to do with it?” Song Yingming said with a cold face.

In the past, the overall situation was the most important thing. For the sake of the marriage between the two families, they tried to please Wang Zixuan in every way.

As for now, what the hell!

Chapter 1494

No matter what, let's show it off!

“Brother Yingming, I know you have worked hard, but what does it mean for a man to suffer a little bit? You won't let me, a weak woman, show up outside, right?”

Wang Zixuan puffed her lips, somewhat dissatisfied with the attitude of the person in front of her.

“Okay, I'm too lazy to argue with you about the past. From now on, don't come to me again. As for our marriage, I declare that it is now invalid!” Song Yingming looked indifferent.

“The marriage is annulled?”

Wang Zixuan's eyes widened and she couldn't believe it: “Brother Yingming, what are you talking about?”

“Don't you understand? Then I'll say it again, I want to break off the engagement!” Song Yingming raised his voice.

“break off an engagement?”

Wang Zixuan was completely confused.

She never dreamed that the person in front of her would say such a thing.

Before, you had obeyed your advice and tried to please you in every way. Why did you seem to be a completely different person overnight?

“Ying Ming! Don’t mess around!” Song Dehai scolded.

Even if they want to break up with the Wang family, they won’t break the engagement in public and turn each other into enemies.

“Uncle Song, is Brother Yingming sick?” Wang Zixuan asked tentatively.

“I’m not sick! I’m fine!”

Song Yingming no longer tolerated it and exploded directly: “Wang Zixuan, I have tolerated you for a long time. Do you know that you are very annoying? You are unruly and willful, have a small belly, and are very jealous. Whenever you see anyone who is prettier or better than yourself, Excellent women will try their best to destroy them, you are simply a poisonous woman!”

“You you you...you dare to scold me?” Wang Zixuan was shocked and angry.

No one has ever dared to humiliate her like this. The most important thing is that the person who said this was still her fiancé.

“What’s wrong with scolding you? Looking at a woman like you makes me sick! Get out!” Song Yingming showed no mercy.

“You are brave!”

Wang Zixuan got angry, raised her hand and slapped Song Yingming hard on the face.

“Fuck! You dare to hit me?”

Song Yingming wasn't used to it either, and slapped him hard with his backhand, and slapped him back hard.

Because of the excessive force, she staggered Wang Zixuan and fell to the ground on the spot.

The originally white and tender face soon became red and swollen.

“You...you actually dare to attack me?”

Wang Zixuan covered her face, both shocked and resentful.

She has always been the only one to hit people, and no one has ever dared to hit her.

“I bother!”

Song Yingming spat on the ground: “Do you think I will pamper you like before? I have awakened now, and I will no longer be a dog licker. If you dare to mess around, I will never be polite!”

“Song Yingming! I order you to apologize to me immediately, or you will wait to start a war with our Wang family!” Wang Zixuan threatened sharply.

The Wang family is more powerful than the Song family, so she has the confidence.

“Let's start the war! Why do you think I'm afraid you won't succeed? At worst, the fish will die and the net will be broken!” Song Yingming roared.

“You, you, you...you go too far!” Wang Zixuan's face was so angry that her face twisted.

She thought Song Yingming would compromise if she threatened a little, but she didn't expect the other party to be so stubborn, even going to war with the Wang family.

“Wang Zixuan! Go back and tell your parents to return what they owed to Lu Chen, otherwise your Wang family will be in disaster! Now, get out!” Song Yingming shouted.

“Song! Remember this, I will make you regret it!”

Wang Zixuan said a harsh word, slammed the door and left.

From this moment on, the Wang and Song families completely broke apart.

Chapter 1495

Wang family, in the meeting hall.

Wang Zixuan, who had just returned home, confided all the grievances she had suffered in the hospital in front of her parents.

“Dad! Mom! That Song Yingming is really disgusting!”

“He not only wants to divorce, but also breaks with our Wang family. I just asked a few words, but he actually hit me.”

“Look at my face, how has it been beaten by him? I don’t care, you must stand up for me this time!”

Wang Zixuan vented the anger in her heart, and she looked out of breath.

She is the daughter of a wealthy family, and now she is being divorced and slapped in the face, so she can’t bear it anymore.

“Zixuan, calm down first.”

Wang An raised his hand and pressed it down, and asked doubtfully: “This child Yingming has always been mature and steady, how could he do such a thing? Did you two have a quarrel?”

“How would I know?”

Wang Zixuan puffed her lips: “I heard that he was injured last night, so I went to the hospital this morning to express condolences. But when he saw me, he went crazy, scolding me, and beating me. It’s really bullying.” Too much!”

“That’s weird.”

Wang An rubbed his chin: “Yingming doesn’t seem like such a careless person, why did he suddenly become like this? What happened?”

The relationship between the two has always been good. Normally speaking, even if it is a small fight between lovers, it will not reach this level.

“Brother An, call Song Dehai and ask what’s going on?”

Song Qiuyun said coldly: “The two of them dare to touch each other before they are married. What will happen after they get married? Our daughter cannot be bullied for no reason.”

“I want to ask.”

Wang An nodded, took out his mobile phone, and dialed Song Dehai’s private number.

As a result, I called several times in a ro

Wang An frowned slightly, a little disbelieving: “We, Wang and Song, have cooperated for many years and have a close relationship in various businesses. If we break up, both of us will suffer heavy losses. I believe Song Dehai is not so stupid.”

“If it’s a normal situation, of course it won’t happen. I’m afraid that the Song family will be threatened and have to cut off their tails to survive.” Song Qiuyun was very calm.

“Threat? Turn against the entire Nancheng. Who can threaten the Song family?” Wang An was even more surprised.

Song Qiuyun didn’t answer directly, but looked at her daughter and asked, “Zixuan, did Song Yingming explain the reason to you? Or, what did he reveal?”

“He did say some unintelligible things.”

Wang Zixuan said thoughtfully: “Before leaving, Song Yingming warned me that we should return the things owed to Lu Chen, otherwise disaster will happen soon!”

“Wait! Lu Chen? Is it this guy who is causing trouble?” Wang An asked suspiciously.

“I guess it’s the pressure from the Tang and Yin families, right? Otherwise, how would Lu Chen be able to do this?” Wang Zixuan added.

“It makes sense.” Wang An touched his chin.

The Tang family and the Yin family jointly exerted pressure, coupled with the temptation of large sums of money from Yulu ointment.

Under coercion and inducement, the Song family chose to betray and break with the Wang family.

It all made sense.

“No matter what the reason is, the Song family can no longer be trusted. We must find another ally.” Song Qiuyun said.

“Mom, I am best friends with Feng Miao Zhu of the Feng family, and we have always had a good relationship. If the Feng family helps, our Wang family will still be as stable as Mount Tai!” Wang Zixuan said.

“The Feng family? It’s indeed a good choice.”

w, but the other party never answered.

“I guess I’m busy and don’t have time to answer the phone.” Wang An tried to explain.

“Busy! What can the father and son do in the hospital? In my opinion, they just didn’t answer the phone on purpose!” Wang Zixuan exposed it mercilessly.

“Qiu Yun, what do you think?” Wang An asked with his head turned.

“This matter is weird. If what Zixuan said is true, then the Song family may break with our Wang family.” Song Qiuyun analyzed.

“Break? How is it possible?”

Chapter 1496

Song Qiuyun nodded: “Zixuan, you go and make arrangements, I want to meet with Mrs. Feng’s family to find out.”

“No problem!” Wang Zixuan agreed.

“Wait... what about Lu Chen? Should we do something to him?” Wang An asked suddenly.

“of course yes!”

Wang Zixuan snorted coldly: “This guy is a dog, sowing discord, causing us to turn against the Song family. His heart is terrible, and I must make him pay the price!”

“In order to avoid suspicion, you can’t do it yourself, you have to ask someone to do it.”
Song Qiuyun reminded.

“Don’t worry, I know what to do.”

Wang Zixuan squinted her eyes, and said coldly: “I have plenty of ways to deal with these stinky men!”

...

At this moment, at the entrance of Yin’s Medicine.

A car stopped slowly, the door opened, Lu Chen and Huang Yinyin got off one after another.

“Uncle, is this your new company? It’s so exciting!”

Huang Yinyin followed Lu Chen to look left and right, looking innocent.

After yesterday’s limelight, the popularity of Yin’s medicine is still undiminished, and all forces have heard the news and started ordering large quantities of Yulu ointment.

On the one hand, the price is affordable, and on the other hand, the medicine has excellent efficacy. After word of mouth is established, there will naturally be no shortage of business.

So as soon as the door opened in the morning, there was a queue at the door of Yin's Medicine.

Up to now, there is an endless stream of people who come to discuss business.

“This is a joint venture between me and two friends. It seems that the response is pretty good.” Lu Chen said with a smile.

“When I first came to Yanjing, I knew the reputation of Jade Dew Cream. I didn't expect that it was your work, uncle.”

Huang Yinyin smiled and said, “Our Witch Gu Cult is often injured during missions, so we really need this healing medicine, so I want to order a batch here. As the boss, can you give me a discount?”

“You girl, let you take care of the business, you came to suck my blood, isn't it too much?” Lu Chen purposely put on a straight face.

“Hee hee, who told you that you are my master?” Huang Yinyin shook Lu Chen's arm and said coquettishly, “Are you okay?”

“Okay, okay, I'm afraid of you. I'll give you a cost price without making any money from you. Is that okay?” Lu Chen was a little helpless.

“Great! Thank you, uncle!” Huang Yinyin smiled sweetly.

“The dignified witch and Gu religion saintess is actually a money fanatic, and she is not afraid of being laughed at if it is spread.” Lu Chen shook his head.

“What's wrong with the money fan? Witch Gu teachers have a great career, and there are too many places to spend money. If you can save it, you can save it.” Huang Yinyin laughed.

What she said is not false at all, the Witch Gu Cult lives in seclusion and rarely socializes with others, so in terms of money, they are not rich.

Coupled with the huge expenditure, it is now a little beyond the means.

So many times, the disciples of the Witch Gu Cult had to go out to pick up some business to maintain their own food and clothing.

“Get out of the way! Get out of the way!”

At this time, there was a sudden noise at the door.

Lu Chen looked back and saw a group of tall and burly bodyguards rushing in aggressively.

Anyone who stood in the way was violently pushed away by these bodyguards, causing complaints from all around.

After the bodyguard entered the door, he immediately cleared a spacious passage, and then stood on the left and right to maintain order.

Immediately afterwards, a beautifully dressed woman, covered in jewels, walked in the door arrogantly.

“Um?”

After seeing the woman, Lu Chen couldn't help raising his eyebrows slightly, quite surprised.

Because he found out that the person who came was actually Li Qingyao's cousin, Tan Hong!

Chapter 1497

Under the spotlight, Tan Hong walked in the door with a confident attitude, carrying a brand-name bag and expensive high-heeled shoes.

Behind him, there were two handsome male secretaries who were always waiting on him.

Coupled with the dozen or so bodyguards around him, it looked very grand, as if he were the daughter of a wealthy family.

“Why is she here?”

Lu Chen was a little strange.

We haven't seen each other for a while, and Tan Hong seems to have changed from a shotgun to a cannon. Her clothes and clothes are obviously different.

It's just that he has more nobility but not enough temperament, like a nouveau riche.

“Uncle, do you know her?” Huang Yinyin was a little curious.

“An old acquaintance, but the relationship is not very good.” Lu Chen said.

“No wonder...I feel displeased when I see her face.” Huang Yinyin curled her lips.

“People from Yin's Medicine, listen up, call your boss out, I want to negotiate a big deal with her!” Tan Hong took off her sunglasses and said loudly.

“Hey! Who are you? Do you know what first-come, first-served means?”

At this time, a man in a suit complained: “There are so many people in front of me waiting to place orders. Can you please get in line?”

“queue?”

Tan Hong snorted coldly, stepped forward in high heels, raised her hand and slapped the man in the suit, and shouted, “What are you? How dare you ask me to line up?”

“You dare to hit me? What the hell...”

Just as the man in the suit was about to have a fit, several bodyguards around him rushed forward and forced him to the ground.

“You are so brave! How dare you touch me? Do you know who I am?” The man in the suit struggled and cursed angrily.

“Oh? Then I have to ask, who are you?” Tan Hong was condescending.

“Put your ears up and listen! I am a member of the wealthy Zhang family. If you dare to touch me, you are provoking the majesty of the Zhang family. Can you afford the consequences?!” The man in the suit shouted.

“What? The wealthy Zhang family?”

As soon as these words came out, everyone couldn't help but talk about it.

“This woman is miserable. She actually dares to hit someone from the Zhang family. Let's see how she ends up!”

“Hmph! He's just a nouveau riche. He thinks he can show off his power here just by hiring a few bodyguards. He's really asking for trouble!”

The Zhang family is one of the eight wealthy families.

Although the power is not as powerful as the Longtang family, it is still a high-ranking family.

If you offend the Zhang family, the ordinary nouveau riche will only die.

“How? Are you scared? Let me go now, or I will let you die without a place to bury you!”

The man in the suit sternly shouted.

“Afraid?”

Tan Hong smiled, then raised her foot, stepped heavily on the man in the suit with her high heels, and said disdainfully, “So what about the Zhang family? Is it very powerful? In the eyes of this lady, it’s not worth mentioning at all!”

“Fuck! How dare you underestimate the Zhang family? Who are you?!” The man in the suit shouted angrily.

“To tell you the truth, this lady is from the Mu Palace, can you offend the little Zhang family?” Tan Hong said proudly.

“What? Mu Palace?!”

Hearing this, the whole place was in an uproar.

No one expected that Tan Hong’s background was so big.

The Mu Palace, also known as the Mu Family, is one of the four royal families.

As the head of the patriarch, Lord Mu has made great military exploits and is powerful in the world.

He is one of the only three kings with different surnames in the Dragon Kingdom.

Its power is overwhelming, its reputation is unparalleled, and even the emperor treats him with courtesy when he sees it.

If they can have anything to do with Prince Mu, the entire family will raise their cocks and dogs to heaven!

“You, you, you... you are actually from the Mu Palace?” The man in the suit widened his eyes, both shocked and terrified.

Prince Mu’s mansion is sparsely populated, most of them stay in the inner city, how could they appear here?

“Why? Don’t believe me? Open your eyes and see, what is this?!”

As Tan Hong spoke, she suddenly took out a golden token from her waist and displayed it in front of everyone.

On the front of the token is engraved a big, big character – Mu!

“My God! It’s Lord Mu’s warrant? She really is from the Mu family!”

Chapter 1498

“Being able to obtain Prince Mu’s warrant, it seems that her identity is not simple!”

“I heard that Prince Mu took in a adopted daughter some time ago, so it couldn’t be her?”

“...”

After seeing Jin Ling, everyone was talking and shocked.

You know, ordinary Mu family children are not eligible to obtain warrants.

Only people whom Prince Mu values especially will give this golden token.

This shows how high the status of the woman in front of her is.

“Mu...Miss Mu, I’m sorry, I was wrong!”

After the man in the suit came to his senses, he immediately knelt on the ground and said in panic: “I was blind just now and I offended many people with my words. Please forgive me this time, Ms. Mu!”

As he spoke, he kept hitting his head on the ground, making a “dong-dong” sound.

“Hmph! Are you scared now? Why did you go so early?”

Tan Hong held her head high, arrogantly.

She really enjoyed being looked up to and awed by.

What about the wealthy disciples? Don’t you have to kneel before yourself and bow your head?

This...is the real power!

“Miss Mu! I know I was wrong. I don’t dare to do it anymore. I have an elder and a younger one, so please be patient!” The man in the suit was frightened.

“Slap yourself ten times, and I won’t argue with you about what happened today.” Tan Hong looked down at the people at her feet.

“Yes Yes Yes!”

The man in the suit didn’t dare to hesitate, and immediately slapped his face crazily, dozens of times in a row without stopping.

“Okay, you can get out!” Tan Hong waved her hand.

“Thank you Miss Mu for your kindness!”

The man in the suit kowtowed a few more times before leaving as if he had been granted amnesty.

“Now, who of you would dare to ask me to line up?”

Tan Hong crossed her arms and glanced threateningly around.

Everyone who met his eyes bowed their heads, not daring to make a sound.

Who would dare to offend a colossus like Mu Wangfu?

Even the members of the wealthy Zhang family were so frightened that they knelt down and begged for mercy, let alone them?

“Very well, since no one speaks, I will be at the front.”

Tan Hong smiled triumphantly, very satisfied with the result in front of her.

Just as she was about to jump in line, a discordant voice suddenly sounded: “Wait...”

“Huh? Who’s talking?!”

Tan Hong’s complexion darkened, and she turned around to look around.

“it’s me.”

Lu Chen walked out of the crowd slowly, and said lightly: “Tan Hong, you must follow the rules when doing business. You are so arrogant and unreasonable, isn’t it appropriate?”

“Lu Chen? Why are you?”

Tan Hong was stunned for a moment, looking a little surprised.

She didn’t expect to see each other here.

“Why can’t it be me?” Lu Chen looked indifferent.

“Hmph! What a lingering ghost!”

Tan Hong’s face immediately turned cold: “Your surname is Lu! You didn’t come to Yanjing with my cousin, right? To tell you the truth, my cousin is now one of the best among people. She is not someone you can climb up to. You’d better die. This heart!”

“Don’t be sentimental, I have nothing to do with Li Qingyao when I come to Beijing,” Lu Chen said.

“Hmph! It’s better like this! If you dare to have any unreasonable thoughts, don’t blame me for being rude to you!” Tan Hong threatened.

“Okay, I’m not here to catch up with you. If you want to buy medicine here, you have to queue up first.” Lu Chen was too lazy to talk nonsense.

“Queue? What a joke! Who do you think you are? You dare to teach me how to do things? Do you know what I am now?” Tan Hong looked contemptuous.

“Of course I know who you are.”

Lu Chen exposed it mercilessly: “He’s just a fake who pretends to be powerful. Do you really think you are a rich lady?”

Chapter 1499

“You...you are presumptuous!”

After being exposed, Tan Hong’s complexion changed, and she became angry and said: “My surname is Lu! I am now from Prince Mu’s palace, how dare you disrespect me? Are you tired of living?!”

“Okay, stop pretending in front of me. It’s not the first day we’ve met. I know all about your virtues.” Lu Chen’s expression did not change.

“fart!”

Tan Hong glared and shouted: “You are such a scornful fellow, I am no longer what I used to be. My current status is something that a loser like you will never be able to reach in a lifetime! I order you to kneel on the ground immediately and say goodbye to me.” I apologize, otherwise you will be responsible for the consequences!”

“The villain succeeds.”

Lu Chen sneered: “Do you really think that by climbing to a high branch, you can be arrogant and domineering?”

“So what if I’m a domineering young lady? Do you still dare to go against Prince Mu’s Mansion?”

Tan Hong took out the golden token again and said arrogantly: “The surname is Lu! Keep your eyes open and see, what is this thing?!”

“The token of Prince Mu’s Mansion?”

Lu Chen said meaningfully: “This treasure, couldn’t you have stolen it?”

As soon as these words came out, Tan Hong couldn’t help but panic flashed in his eyes.

She had indeed stolen the golden order from Prince Mu’s house from Li Qingyao’s room. She originally wanted to take this opportunity to show off her power, but she ended up meeting a stupid young man like Lu Chen.

It made her a little bit unable to get off the stage.

However, she naturally would not admit it in this situation, so she could only bite the bullet and shout: “You...you fart! This token is clearly mine!”

“Really? Then I would like to ask, what is your relationship with Prince Mu? Why did he give you the token?” Lu Chen continued to ask.

“It’s none of your business! What did Prince Mu do? Do you still need to explain it to a loser like you?” Tan Honghong shouted inwardly.

“Hey, you’d better be respectful when you speak. If you dare to speak rudely to uncle again, be careful I tear your mouth apart.” Huang Yinyin said calmly.

Although his face was calm, the murderous intent in his eyes was not concealed at all.

Being stared at by her like this, Tan Hong felt a chill on her back and was inexplicably afraid.

But when she thought of her identity, she immediately became hardened: “Humph! Are you scaring me? Do you know who I am? Do you know who is standing behind me? Do you believe that as long as I say a word, you can Let the two of you evaporate!”

“You can try.” Huang Yinyin suddenly laughed.

But his eyes became extremely fierce.

“Okay! You asked for this!”

Tan Hong raised her hand and shouted: “Come here! Arrest these two guys who don’t know whether to live or die!”

“yes!”

After receiving the order, a group of strong bodyguards immediately surrounded him with eager eyes.

“This boy is so brave! He actually dares to challenge Prince Mu’s Mansion. Aren’t he afraid of death?”

“I guess he still doesn’t know how terrifying the energy of Prince Mu’s Mansion is. This means that newborn calves are not afraid of tigers!”

“ ... ”

Everyone in the lobby pointed and whispered.

In their opinion, Lu Chen's behavior just now was undoubtedly jumping repeatedly on the edge of death.

Even the elites of the wealthy Zhang family had to kowtow and beg for mercy when they saw Tan Hong, let alone a poor boy wearing shabby clothes?

“stop!”

Just when the bodyguards were about to take action, a loud shout resounded through the lobby.

Everyone followed the sound and saw Yin Tao, dressed in sexy clothes and with a hot figure, walking in quickly with a few people.

Chapter 1500

“Who dares to cause trouble on my territory?”

Yin Tao had a cold face and full of aura. Wherever she passed, even those fierce bodyguards stepped out of the way unconsciously.

“Who are you? Dare to interfere in this lady's business?” Tan Hong clasped her hands and raised her head.

She suddenly discovered that the woman in front of her was actually more beautiful, more elegant, and more elegant than herself.

This inevitably made her a little jealous.

“I am the chairman of Yin's Medicine, and everything here is under my control.” Yin Tao said calmly.

“Chairman, right? You came just in time.”

Tan Hong pointed at Lu Chen and the two of them and said arrogantly: “I order you now to kick them out immediately and not do their business!”

“Boom out?”

Yin Tao glanced at Lu Chen, then turned around and said, “Sorry, I can’t do it, because this Mr. Lu is my partner and a shareholder of Yin’s Medicine.”

“What? This guy is actually a shareholder of Yin’s Medicine?!” Tan Hong was surprised.

Jade Dew Cream has become famous recently, and countless forces are flocking to it. She also followed Li Qingyao’s order to come to discuss business with Yin’s Medicine.

As long as both parties cooperate for a long time, they will definitely make a lot of money.

But she didn’t expect that such a cornucopia would be climbed first by Lu Chen.

“What? Are you going to kick me out now?” Lu Chen smiled half-heartedly.

“Hmph! What’s so great about shareholders? Are they even more powerful than Prince Mu’s Mansion?”

Tan Hong took out the token again and showed it in front of Yin Tao: “Watch it! I have the golden token from Prince Mu’s Palace in my hand. I order you to cancel the cooperative relationship with Lu Chen immediately!”

“It can’t be canceled because Jade Dew Cream is a product developed by Mr. Lu.” Yin Tao said expressionlessly.

“Ah?” Tan Hong’s expression froze.

Yulu ointment is Lu Chen’s product? How can it be?

“Tan Hong, don’t waste your efforts. Put away your token and get out of here. We won’t do your business.” Lu Chen directly issued an eviction order.

“How dare you drive me away? I’m from Prince Mu’s Mansion! Do you know the consequences of doing this?!” Tan Hong shouted sharply.

She was frustrated again and again, and at this moment, she couldn't hold on to her face anymore.

“First of all, you cannot represent Prince Mu's Mansion; secondly, if Prince Mu's Mansion is as unreasonable as you, we will still refuse to cooperate.” Lu Chen was very straightforward.

“Bold! If you dare to refuse to cooperate with Prince Mu's Mansion, I think your company doesn't want to continue to operate!”

Tan Hong threatened with a fierce face: “Now, apologize to me immediately, and then sign the contract honestly, otherwise, I will destroy your company today!”

“Tan Hong, if you dare to mess around, don't blame me for being rude to you!” Lu Chen's face became colder.

He is already enough to give Mu Wangfu face, if the person in front of him insists on being domineering, he will not be used to it.

“Hmph! I want to see how you fought with me today? You destroyed this place for me!” Tan Hong roared.

“Smash!”

When the bodyguards heard this, they immediately started to attack.

“Take them all!”

Yin Tao didn't talk nonsense, and immediately directed the company's security personnel to start a contest with Tan Hong's bodyguards.

Seeing this scene, Tan Hong looked furious: “You are so brave! You dare to attack people from Prince Mu's Mansion. I think you are tired of living! Get out of here!”

As soon as his voice fell, there was only a crisp sound of “pop”.

Lu Chen slapped Tan Hong heavily, knocking him to the ground.
