

An Understated Dominance Chapter 1521 - 1530

Chapter 1521

After calming down Zhang Cuihua, Li Qingyao turned to Lu Chen and the two of them again, and said calmly: “Sir, Miss, I am sorry for what happened just now, and I promise, there will never be a next time to surprise the two of you. “

After finishing speaking, he bowed slightly and bowed to show his sincerity.

Seeing this scene, the surrounding guests nodded and expressed their praise.

As the righteous daughter of Prince Mu, who is second only to Mu Guanyu in status, it is not easy for her to shamelessly apologize in public.

This awareness of putting the overall situation first is enough to prove that Prince Mu is right.

“Miss Li, you’re being polite. We don’t want to make things big. It’s the best result to turn hostility into friendship.” Lu Chen nodded slightly.

“Mr. is indeed a reasonable person. I don’t know your surname?” Li Qingyao asked politely.

“I’m Chen Lu, this is my sister, Chen Yinyin.” Lu Chen said.

“So it’s Mr. Chen and Ms. Chen.” Li Qingyao nodded, “The two visitors are guests, please take a seat.”

With that said, she made a gesture, called the waiter, and arranged a front seat for Lu Chen and the two.

“Thanks.”

Lu Chen was not polite, and took Huang Yinyin to the front row.

Although it attracted a lot of people’s attention just now, fortunately it did not reach the point of fighting, and it should not affect the implementation of the plan.

“Daughter, why are you being so nice to them? If you want me to say, just drive them out, they don’t look like big shots.” Zhang Cuihua complained.

“Hmph! You still have the nerve to say such things?!”

Li Qingyao glanced coldly: “Do you know how big the impact would be if there was a quarrel just now? Once it gets out, others will say that our Mu Palace is bullying others, and the reputation accumulated by our adoptive father for more than ten years will be stained!”

“It’s not that serious, is it? It’s just a lesson to two short-sighted guys, why is the prince’s reputation involved?” Zhang Cuihua felt that her daughter was making a fuss out of a molehill.

“Not serious? Look around with your eyes wide open. Who are the people here today?”

Li Qingyao had a look of hating iron and steel: “In front of these big figures, making such absurd things happen is like slapping my adoptive father in the face. If they are used by someone with a heart, and they spread the word again, what consequences do you think will happen?”

As the saying goes, the bigger the tree attracts the wind, the greater the power of the Mu Palace, the higher the attention, so many things have to be cautious and not delegated to others.

Otherwise something will happen sooner or later.

“I... I don't know what the consequences will be? Besides, it's not my problem.” Zhang Cuihua looked guilty.

“enough!”

Li Qingyao frowned: “No matter what the reason is, you have to remember one thing, today you must put the overall situation first, and you must not do anything that will damage the face of Prince Mu's Mansion, understand?!”

“knew.”

Zhang Cuihua and Tan Hong nodded repeatedly, finally realizing the seriousness of the problem.

In the past, it was okay to be arrogant and domineering, but today is a special day, so I have to tolerate it a little bit.

“Okay, you guys find a place to sit and don't cause trouble for me.”

After Li Qingyao gave some instructions, he started busying around again.

Now, she is in charge of more than half of the properties of Prince Mu's Mansion, and has become the great housekeeper of the Prince's Mansion.

Time passed little by little, and more and more guests began to visit.

One by one, the big shots walked into the living room.

It was approaching noon, and as the birthday boy, Prince Mu finally made his official appearance.

Under the stars, a middle-aged man wearing a Tang suit walked in the door with a smile.

The man is slightly chubby and has kind eyes. He does not have the majesty of a prince at all, but is very down-to-earth.

At first glance, he looks like an ordinary uncle next door.

However, just as the middle-aged man entered the door, all the guests present stood up, saluted respectfully, and said in unison: “I have met Prince Mu!”

“Okay, okay, everyone, don’t be formal, sit down quickly and just treat this place as your home.” Mu Xuefeng said with a smile.

Chapter 1522

While talking, he waved in all directions without any airs.

“Is this the legendary Prince Mu? Why is it different from what you imagined?”

Looking at the amiable fat uncle in front of her, Huang Yinyin couldn’t help but feel a little strange.

In her eyes, the prince should be very domineering and majestic, a being that makes people worship him just by looking at him.

However, Mu Xuefeng’s appearance and temperament made her a little disappointed.

“Do you think the other party doesn’t fit the image of a prince?” Lu Chen asked with a smile.

“Yes, he looks no different from ordinary people. Compared with Mu Guanyu, he is far different.” Huang Yinyin nodded.

“Yinyin, if you think so, you are totally wrong.”

Lu Chen shook his head: “Although Mu Guanyu is powerful now, in the final analysis, one has to stand on the shoulders of giants and build a career. This not only has a higher starting point, but is also easier. On the other hand, Prince Mu himself started from scratch and relied on his own strength. Only those who have the power to become princes and kings can be considered true heroes!”

Much of Mu Guanyu’s success today is due to Mu Xuefeng’s personal connections and various massive resources.

The two are completely different.

“It seems to make sense.” Huang Yinyin nodded thoughtfully.

“As for the so-called image, when it reaches the level of Prince Mu, he doesn’t care at all.”

Lu Chen sighed with some emotion: “In fact, fame, money, prestige, and even power are not that important to them.”

“Even money is not important, what else is important?” Huang Yinyin asked tentatively.

“What they care more about now is spiritual and emotional satisfaction.” Lu Chen said.

“Oh~ I understand. No wonder Prince Mu has adopted so many adopted sons and daughters. It turns out to be because of this.” Huang Yinyin suddenly understood.

“That’s right.” Lu Chen smiled.

“By the way, uncle, how do you know so much?” Huang Yinyin was a little curious.

“Me? I’m just guessing.” Lu Chen shrugged.

Some people become more affectionate as they get older.

When you were young, you were all kinds of unsentimental, but when you get older, you value feelings more than anything else.

“It is my honor for you all to come to my humble residence today. If there is any lack of hospitality, please forgive me.”

Mu Xuefeng walked all the way through the door, clasping his fists and giving various gifts in return.

Regardless of the identity of the visitor, regardless of whether he is in a high position or not, everyone is treated with courtesy, without any favoritism.

After the greetings were complete, Mu Xuefeng finally sat down.

At this time, Mu Guanyu, who had changed into casual clothes, strode into the door with her head held high.

As soon as he appeared on the stage, he attracted everyone's attention.

"Father, today is your birthday. My son wishes you a dragon-horse spirit, good fortune, longevity and good health!" Mu Guanyu saluted with cupped hands.

"Guanyu, you hold an important position and should be guarding the Eastern Territory. Why do you need to go there personally for such a trivial matter?" Mu Xuefeng said seriously.

"My adoptive father's birthday is a big deal to me. Besides, the Eastern Territory is now stable and there won't be any problems. Please rest assured, my adoptive father." Mu Guanyu said respectfully.

"That's good." Mu Xuefeng nodded.

"Father, this time I brought a special gift from the East to celebrate your birthday. I hope you will like it."

Mu Guanyu said, reaching out and clapped his hands.

Soon, an iron cage covered with black cloth was carried in by a group of big men.

When the iron cage fell to the ground, it made a loud "boom" sound, which made the wine on the table tremble.

"Father, please look!"

Mu Guanyu grabbed the black cloth and pulled it off with force, clearly displaying the contents of the iron cage in front of everyone.

Chapter 1523 When the black cloth fell, there was a commotion in the whole scene. Because everyone was surprised to find that what was locked in the iron cage turned out to be a ferocious beast! The beast looks like a tiger, but its body is bigger. Its fur is as black as ink, exuding a metallic luster. Two long teeth protruded, a full foot long, looking like sharp swords. The nails protruding from the soles of the feet are like steel claws, with some fragments of flesh and blood on them. Its appearance is very fierce, and it makes people's scalp tingle. Fortunately, the beast was still in a coma and did not show any ferocity. "Father, this is a mutated black tiger that I captured from the primitive forests of the Eastern Territory." "This is the king of beasts. It is very ferocious. Not only is it extremely powerful, but its fur is hard and hard to be hurt by swords and guns. Very rare." "I spent a lot of effort to catch this guy, but I finally succeeded in arresting him. I wonder if my adoptive father likes it?" Mu Guanyu said loudly, and at the same time he reached out and touched Heihu's head. "Okay! My son is really brave, and he was able to catch such a rare and rare beast. I am very pleased as a father." Mu Xuefeng laughed loudly. "As expected of the jade-faced God of War, he captured a black tiger alive as a pet. He is truly a god!" "Looking at the whole Yanjing, who can have such ability?" At this moment, the guests in the banquet hall began to praise him one after another. The general birthday gifts are all gold, silver and jade objects, antique calligraphy and paintings, etc. However, Mu Guanyu used a rare beast as a birthday gift, which is really surprising. Of course, this also shows the extraordinariness of the Jade-faced God of War. "Father, it is rumored that this black tiger has a spirit and can distinguish between good and evil, loyalty and evil. If you keep it by your side, it will also protect your safety in the future." Mu Guanyu introduced. "Oh? There is such a thing?" Mu Xuefeng was quite surprised. "If foster father doesn't believe it, can you give it a try?" Mu Guanyu smiled. "How to try?" Mu Xuefeng was a little curious. "It's very simple. I will open the iron cage later and release the black tiger. If there are criminals hiding here, it will be able to sniff them out immediately." Mu Guanyu replied. "Release the black tiger?" Mu Xuefeng raised his eyebrows slightly and said with some concern: "Isn't it too risky? If this strange beast goes crazy and hurts people, it would not be good." "Father, please don't worry, the black tiger has been I surrender. Unless I encounter some treacherous and evil person, I will not hurt anyone easily. Besides, with me here to take charge, Black Tiger will never dare to mess around." Mu Guanyu is very confident. "What do you guys think?" Mu Xuefeng didn't answer directly, but looked at the guests present. "It's rare to see such a strange beast, so there's no harm in giving it a try." "I agree, with the jade-faced God of War here, there will definitely be no danger." "Prince Mu, strange beasts have spirits, maybe we can still find one or two Let's have a good night." The

guests expressed their support one after another. They usually see a lot of treasures, but like this kind of strange beast, but it is unheard of. If you have the opportunity to try something new today, you naturally don't want to miss it. What's more, there are many guards present, and they are the strongest God of War protection in the Dragon Kingdom. No matter how fierce the black tiger is, it is believed that there will be no big waves. "Okay, since you are so interested, let's give it a try." Mu Xuefeng smiled and nodded: "Guanyu, open the iron cage and let the guests observe and observe up close, but be careful, safety must be ensured, and no Hurt the innocent." "Understood." Mu Guanyu responded, and immediately beckoned someone to open the lock. When the cage was opened, he took out a medicine bottle and shook it in front of Heihu's nose. Soon, a faint blue smoke overflowed from the mouth of the bottle and drifted into Heihu's nose little by little.

Chapter 1524 After a while, the sleeping Black Tiger finally slowly opened his eyes. At the same time, a group of fully armed guards immediately surrounded him, alert to Black Tiger's reaction. Whenever the black tiger behaves in any strange or crazy manner, he will be subdued on the spot. The black tiger seemed to have a spirit. Seeing the battle around him, he didn't dare to make the slightest move and just lay down. "Come out!" Mu Guanyu shouted. Black Tiger snorted and slowly walked out of the cage. Its body is as huge as a hill and feels extremely oppressive. Mu Guanyu is tall, but standing in front of Black Tiger, he looks like a miniature man. It seemed as if the black tiger could swallow it in one gulp just by opening its mouth. "I heard that you can distinguish between good and evil, loyalty and treachery. Now I will show it to everyone. Of course, if you dare to mess around, I will kill you and make soup!" Mu Guanyu said coldly. Hearing this, Black Tiger's fur stood up slightly, and his body subconsciously moved away from Mu Guanyu, obviously a little afraid. "Go." Mu Guanyu patted Heihu's body. Black Tiger did not dare to resist, and began to wander around under the supervision of a team of guards. He sniffs his nose from time to time, as if he is sniffing something. Looking at the huge body of the black tiger, many dignitaries were excited and nervous. After all, rare beasts like this are too rare. If you could adopt it as a pet, I don't know how

majestic it would be. “This thing looks really scary. Fortunately, it has been tamed by the Jade Faced God of War, otherwise I would not dare to get so close.” “Looking at the size of this black tiger, it is estimated to be two or three times the size of an ordinary tiger. If it wants to kill someone, , It’s just one mouthful.” “Oh my god! It’s so exciting!” Everyone whispered with different expressions, some were scared, some were happy, and some were surprised. There were also a few brave young people who reached out to stroke the black tiger’s fur regardless. Although Black Tiger was displeased, he did not have any extreme reaction. On the contrary, the young people who touched the black tiger were all excited and full of pride. “Uncle, can this black tiger really distinguish between good and evil, loyalty and treachery, as Mu Guanyu said?” Huang Yinyin said in a low voice. “It’s true that the black tiger has a spirit, but its IQ is about the level of a ten-year-old child. Even we humans can’t accurately distinguish between loyal and traitors. How can a wild beast have such ability?” Lu Chen shook his head slightly. “If that doesn’t work, what on earth is Mu Guanyu going to do now that he’s doing this?” Huang Yinyin was a little surprised. “You’ll know in a minute.” Lu Chen smiled lightly. In the past, some strange beasts were kept in captivity in the Xiliang Prince’s Mansion. They have very high IQs. Although they cannot speak, they can understand human speech with a little training. Those who are a little more docile can still become combat partners, but that’s about it. The distinction between good and evil, loyalty and treachery is nothing more than rumors. Some exotic beast dealers use such rumors to raise the prices of exotic beasts. much-anticipated The black tiger continued to shuttle among the crowd without stopping at all. It wasn’t until he reached Lu Chen and Huang Yinyin that he suddenly stopped. The dark beast eyes exuded a strange gaze, staring directly at the two of them. Such a strange behavior attracted everyone’s attention. Even Lu Chen was a little worried. No way? Is this thing really that evil?

Chapter 1525. Looking at the black tiger that suddenly stopped, Huang Yinyin had a strange look on her face and felt anxious. She was not afraid, but worried about revealing

her identity. “Uncle, don’t you think this bastard is incapable of defending loyalty? Why did it stop in front of us? Did it find something?” Huang Yinyin’s voice squeezed through her teeth. “It should be just an accident, don’t worry, relax, it will be gone soon.” Lu Chen comforted softly. As soon as he finished speaking, Black Tiger suddenly lowered his head, and his long canine teeth almost touched Lu Chen’s head. With a heavy snort, he sprayed Lu Chen all over his face. It’s hot and has a fishy smell. Lu Chen held his breath and said to himself: “Brother, you better not mess around, or I will kill you.” As if feeling the threat from Lu Chen, Heihu snorted, moved his huge face, and turned to Huang Yinyin. Huang Yinyin clenched her fists tightly and couldn’t help but take action. The size of the black tiger is close to that of an elephant. The two sides are so close that as long as the black tiger opens its mouth, it can bite off her head. This beast is a bit too much. “What’s the situation? Why did Heihu stop in front of the two of them? They can’t be treacherous people, right?” Arousing suspicion.” The guests pointed and whispered. After passing so many people before, Black Tiger didn’t look strange at all, but it stopped in front of Lu Chen and the two of them, which was naturally a little strange. “Hmph! I’ve known for a long time that they are not good things. The performance of the alien beast and black tiger has just verified my guess!” In the VIP seat, Zhang Cuihua folded his arms, his face full of arrogance, as if he was a master. “If the black tiger bites off their heads, it would be a bit exciting.” Tan Hong murmured to himself, with expectant eyes. Li Qingyao sat expressionless, without any reaction. She always felt that Mu Guanyu was playing tricks. It’s just a beast, how can it spy on people’s hearts? Just when the atmosphere at the scene was a little tense, Black Tiger moved again. It didn’t give any signal, just sniffed at Lu Chen and Huang Yinyin, then turned and left. Seeing this scene, Lu Chen and Huang Yinyin looked at each other and couldn’t help but secretly breathed a sigh of relief. What a risk, almost exposed. If Black Tiger really did something harmful, they would have to fight back. At that point, the situation is complicated. “Eh? Why didn’t Black Tiger eat them?” Zhang Cuihua frowned, looking very unhappy. She had always been brooding over the incident of being hit before, wishing that Lu Chen and the two of them would be bitten to death by a black tiger. “Here, come, the black tiger is here, do we want to touch it?” Tan Hong was nervous but also a little excited at the same time. If you could touch such a ferocious beast with your own hands, you would be able to brag about it in the future. “You can try it, since someone has touched it just now, it should be fine.” Zhang Cuihua nodded. “Very good, then let me be the hero of a girls’ middle school today! Looking at the Heihu who walked in, Tan Hong took a deep breath and mustered up the courage to touch it. However, at this moment, Heihu seemed to be stimulated by something, and suddenly let out a low growl, and his expression suddenly became fierce. Follow Heihu The tiger suddenly opened its mouth and bit Tan Hong’s

outstretched arm. “Huh?” “Tan Hong was stunned, and didn’t react for a while. She didn’t let out a scream until the severe pain hit. As a result, in the middle of the scream, Heihu shook her head violently, tearing off Tan Hong’s arm on the spot. . The huge inertia caused her to fly several meters away and hit the ground heavily. In an instant, blood spurted out from the broken arm. “Ah——!” “”my hand! my hand! “

Chapter 1526 Tan Hong clutches her broken arm and screams again and again. She never dreamed that the black tiger would suddenly attack and hurt someone. “What’s going on?” Everyone was shocked when they saw this scene. Heihu was very docile before, no matter how others touched him, he didn’t make any aggressive moves, why did he go crazy all of a sudden? Could it be that the woman who was bitten was some kind of treacherous person? Just when everyone was in shock and doubt. Heihu’s animal pupils suddenly turned scarlet. It did not continue to attack Tan Hong, but turned to Li Qingyao, who was at the same table, grinning with a fierce expression. “Roar!” Black Tiger roared, and his huge body suddenly pounced forward. “Quick! Stop it!” Mu Guanyu roared. The escort team, which had been well prepared, immediately threw out a large steel wire net, trapping the black tiger firmly. Immediately afterwards, rows of powerful anesthesia guns shot at Heihu continuously. However, at this moment, Black Tiger had completely gone crazy and became extremely irritable. Its huge body twisted wildly, its sharp nails were like steel claws, and with just one tug, it tore the special steel mesh into pieces. “Come together!” Seeing this scene, the guards did not dare to hesitate and immediately took out their weapons and tried to suppress them with force. However, the Black Tiger was too fast and powerful, and the guards could not stop it at all. As soon as he stepped forward to stop him, he was slapped away by the black tiger. In just a few seconds, a convoy of more than a dozen people was beaten to pieces. Death is a death, injury is an injury. After taking care of the escort team, Black Tiger ignored him and continued to pounce on Li Qingyao, as if there was some deep hatred between the two parties. “Come on! Come on!” Zhang Cuihua was so frightened that she slumped on the ground and screamed again

and again. Li Qingyao's face was also pale, startled and frightened. She didn't understand why Black Tiger would target her when she clearly didn't do anything? "Roar!" Black Tiger roared, charging fiercely and unstoppably. Li Qingyao was desperate, her mind went blank. Just when everyone thought that Li Qingyao was about to be torn apart by the black tiger, a figure suddenly descended from the sky and stood in front of him. Then he punched Hei Hu fiercely on the head. "Bang!" There was a loud explosion. Black Tiger's huge body, as if hit by a train, instantly bounced seven or eight meters away, smashing two tables before stopping. Lu Chen stood in front of Li Qingyao and said coldly: "You evil beast! Don't hurt anyone!" "Roar!" Black Tiger shook his head, stood up again, then kicked his limbs hard, and turned into a black streak. Shadow, pounced on Lu Chen and the two of them. Lu Chen snorted coldly, jumped up, dodged the black tiger's attack, and stepped on its head. "Boom!" As if Mount Tai was pressing down on him, the black tiger soared into the air and was directly stepped down by Lu Chen. The huge force caused Black Tiger's entire head to hit the ground hard, creating a crater. Lu Chen just stood on top of Heihu's head like a mountain, no matter how Heihu struggled Roaring, all to no avail. For a moment, the audience was shocked!

Chapter 1527 "Roar!" The black tiger's huge head was stepped into the pothole, and the angry roar was deafening. His body twisted wildly, and his limbs kept kicking the ground, causing gravel to fly and claw marks all over the ground. However, no matter how Black Tiger moved, he just couldn't break free. Lu Chen was like a sea-fixing needle, suppressing Black Tiger to death. Seeing this scene, everyone couldn't help being dumbfounded. No one expected that Lu Chen would be so brave and suppress the powerful black tiger with just his own strength. You know, the dozen or so heavily armed escorts just now were unable to deal with this vicious creature. Its ferocity can be seen. After all, who can be selected as the escort team of the Jade-faced God of War, who is not one of the best in a thousand? So many masters couldn't restrain Heihu, but was easily

subdued by a young man with no good looks. Really shocking. “Roar!” “Roar!” “Roar!” Black Tiger continued to roar and struggle, its scarlet eyes staring in the direction of Li Qingyao, burning with madness. “Evil beast!” Lu Chen snorted coldly, raised his foot again and stamped it down hard. “Boom!” Black Tiger’s head sank a few points again as if struck by lightning. Within a radius of ten meters, the ground was covered with cracks, like a huge spider web. After this severe injury, the black tiger’s roar finally gradually became smaller, and its huge body seemed to have lost its strength and no longer struggled. Only heavy breathing and moaning were left. “Quick! Lock up this beast!”

Until then, Mu Guanyu didn’t realize that he had stepped forward to help. Soon, the powerless black tiger was tied up with chains, then dragged into a special iron cage, and finally covered with black cloth to hide his fierce appearance. After confirming that there was no danger, everyone breathed a long sigh of relief. The situation just now was too dangerous. The black tiger suddenly went crazy and was unstoppable. If there were no warriors who came to rescue him in time, no one knows how many people would have been killed or injured. “Father! It was my lax taming that caused the black tiger to hurt people. Please punish me, stepfather!” Mu Guanyu simply knelt down on the ground and took the initiative to admit his mistake. Mu Xuefeng frowned slightly, but soon returned to normal, and said calmly: “That’s all, a beast is a beast after all, and its nature is untamable. I can’t blame you for such an accident. But for the person who was injured just now, you have to hire the best doctor. The treatment must not be neglected.” “Thank you foster father for your forgiveness, my son will definitely make up for it!” After Mu Guanyu finished speaking, she immediately ordered people to clean up the scene. Heihu was carried away quickly, and all injured people, including Tan Hong, were sent to the hospital for treatment. As for the few guards who died, they also received a lot of money and a medal of honor. The problem seemed to be resolved, but there was quite a commotion in the banquet hall. “Strange, why did the black tiger suddenly go crazy? Didn’t it mean that it was spiritual?” The treacherous and evil people will take action.

“The one who was attacked just now is Prince Mu’s latest adopted daughter, right?” Does she have any evil intentions? “Everyone whispered and speculated.

Chapter 1528 The eyes looking at Li Qingyao became a little different one by one. There have been various rumors about Prince Mu’s new daughter-in-law. There are different opinions on whether she is an illegitimate daughter or the reincarnation of a vixen. Now that this incident happened, it made people doubt Li Qingyao’s identity even more.

“Thank you, sir, for your help. The little girl is very grateful.” After Li Qingyao collected herself, she stepped forward to salute Lu Chen and thanked him. If the person in front of her hadn’t made a timely move just now, she would have died in the tiger’s mouth. “It’s just a little effort.” Lu Chen said calmly. Originally, he didn’t want to show off here, but seeing that Li Qingyao was in danger, he couldn’t help but make a move. “This little brother is so brave that he was able to subdue the black tiger all by himself. It’s amazing!” At this moment, Mu Xuefeng who was on the main seat suddenly spoke.

“Prince Mu has won the award, but it’s just some flamboyant fists and embroidered legs, and he can’t get on the stage.” Lu Chen said neither humble nor overbearing. “Little brother is too modest, I will offer you a toast just for your act of righteousness and bravery.” Mu Xuefeng smiled and held up the wine glass, and respected each other from across the air. Lu Chen put on a flattered look, quickly raised his glasses with both hands, and responded respectfully. Seeing this scene, the people around were both envious and jealous. It is a great honor to be able to toast Lord Mu alone. If he can be reused by Lord Mu, he will be able to rise to the top, just around the corner! “Father, Brother Chen suppressed the Black Tiger and resolved a disaster. To show his sincerity, I think it is better to give him something as a reward?” Mu Guanyu suddenly stepped forward and took the initiative to claim credit for Lu Chen. “Lord God of War is too much, I really don’t dare to accept rewards.” Lu Chen lowered his head slightly. “Saving someone’s life is better than building a seven-level pagoda. No matter what the reward is, you deserve

it.” Mu Guanyu smiled and patted Lu Chen on the shoulder. Lu Chen’s sword eyebrows trembled slightly, and he was keenly aware that there was a chilly air pouring into his body along the opponent’s palm. This yin and cold air is very weak, and it is estimated that it is difficult for ordinary experts to detect it. However, with the passage of time, this cold air will gradually grow, until it suddenly erupts one day. At that time, at least, he will go mad, and at worst, he will die suddenly on the spot! This sinister method is really vicious! But Lu Chen was a little strange. He asked himself that he didn’t have any enmity with Mu Guanyu, so why would the other party secretly kill him? Could it be that his act of rescuing people just now offended the other party? Thinking of this, Lu Chen seemed to understand something, and glanced at Li Qingyao with a vague look. Before, everything was normal for Black Tiger, but after getting close to Li Qingyao, he suddenly went crazy and lost control, as if he had been stimulated by something. He didn’t think about it carefully at first, but now it seems that this must be Mu Guanyu’s masterpiece. On the day of the birthday banquet, he used the black tiger to eradicate dissidents. This guy’s courage is really extraordinary. I really thought that if I became the God of War, I would be able to Lawless? “Guanyu is right, such a righteous deed should be rewarded.” Mu Xuefeng smiled and asked: “Little brother, if you have any needs, just ask, as long as I can do it, I will never refuse.” “This ...” It was difficult for Lu Chen to do what he did. He only wanted gold marrow and jade, but it was obvious that Mu Guanyu would never give it to him. “Father, I have a suggestion. I don’t know whether I should make it or not?” Mu Guanyu asked again. “But it doesn’t matter.” Mu Xuefeng nodded. “Brother Chen is young and promising, brave and resourceful. He is a rare talent. Qingyao’s adopted sister is single now. I think it is better to betroth her to this little brother, which can be regarded as a good story.” Mu Guanyu smiled and spoke. As soon as these words came out, Lu Chen froze, his face full of shock. Isn’t it? If you change your appearance and identity, can you still get into this kind of thing?

Chapter 1529 “Betrothed?” Li Qingyao immediately frowned upon hearing this. The two of them had just met today and didn’t understand each other at all. Even if this “Chen Lu” had saved her life, she would not commit herself to him. Mu Guanyu’s words completely treated her as a tool and a commodity that could be sold. Such behavior made her very uncomfortable. “Guanyu, how can a marriage be a trivial matter?” Mu Xuefeng raised his eyebrows slightly. “Father, brother Chen and Qingyao are talented and beautiful, plus the hero who saved the beauty just now, they are doomed. If they can make a marriage contract, today will undoubtedly be a double blessing.” Mu Guanyu persuaded .

“Qingyao, what do you think?” Mu Xuefeng did not answer directly, but turned to Li Qingyao and asked for his opinion. “Father, I am very grateful to Mr. Chen for saving his life, but I really can’t do it if I pledge my life to him.” Li Qingyao shook his head slightly. “Qingyao, marriage matters are often dictated by parents and matchmakers. I’m afraid you can’t make the decision in this kind of thing.” Mu Guanyu’s skin smiled. “I can’t make the decision, and you can’t do it either.” Li Qingyao retorted. “Brother is like a father, why not?” Mu Guanyu looked at Lu Chen without changing his face, and smiled, “Brother Chen, what do you think?” I can’t marry Miss Li, so I’ll forget about the engagement or something.” Lu Chen declined politely. “Brother Chen, don’t underestimate yourself. Everyone has seen your bravery just now. As long as you work hard, your future will be limitless, and you are a perfect match with Qingyao.” Mu Guanyu began to lure: “Think carefully, As long as you marry Qingyao, you are a member of the Mu Palace. If something happens in the future, we will naturally not stand by. Besides, Qingyao is also a beauty on the rouge list, with countless suitors. You should take good care of such a godsend opportunity. Be sure.” As soon as these words came out, the whole place was in commotion. Countless young talents looked at Lu Chen with eyes full of envy, jealousy and hatred. “This guy can actually get the Jade-faced God of War to give him a marriage in person. What a piece of shit luck!” Getting a beauty back is like smoke rising from the ancestor’s grave!” “Damn it! Why am I not so lucky?”

Everyone was whispering and discussing. Becoming the son-in-law of Prince Mu is something that countless people dream of. What's more, Li Qingyao is so beautiful, no matter what he does, he will make money with blood. "Lord God of War is right. When you marry Miss Li, you really have to be able to have both wind and rain... Hearing this, the corner of Mu Guanyu's mouth curled up into a smile. Sure enough, few men could resist the temptation of beauty and power. However, what Lu Chen said next made his smile froze on the spot: "However, I still have to refuse because I already have a fiancée." "What? Mu Guanyu frowned: "Brother Chen, you'd better think carefully. Is your fiancée more beautiful and powerful than Qingyao?" "It has nothing to do with appearance or power. We are in love with each other, and that is enough." "Lu Chen said solemnly. "You..." Mu Guanyu was at a loss for words for a while. Why is this guy like a piece of wood? He has done his best, but he didn't give any face. Not just Mu Guanyu, who was present Almost everyone looked stunned and puzzled. No one expected that Chase Lu would refuse directly. This is a once-in-a-lifetime opportunity for a carp to leap over the dragon's gate. Others burn incense and pray to Buddha, but they can't ask for it. People don't seem to care at all. Is this guy infatuated? Or is there something wrong with his brain?

Chapter 1530 "Okay, since both parties disagree, let's let this matter go." At this time, Mu Xuefeng finally spoke: "Little brother, you are not only brave and unparalleled, but also have excellent character. You have never forgotten your original intention. I appreciate it very much. If you encounter any trouble in the future, just come to me." "Thank you, Your Majesty!" Lu Chen immediately bowed his hands and saluted. Seeing this scene, Li Qingyao couldn't help but secretly breathed a sigh of relief. At the same time, I was a little more curious about the ordinary-looking man in front of me. Although she doesn't rely on her appearance to make a living, she has never been rejected by anyone. This is the first time a situation like today has happened. Inexplicably, she was a little envious of

the other person's fiancée. It is not easy to find such a strong and dedicated man. "I hope you won't regret your choice." Mu Guanyu lowered his voice and his eyes became even more evil. This kid actually made a mistake and ruined two of his plans one after another. What a disaster! If this person is not eradicated, it will be difficult to vent his hatred.

"Come, come, come, everyone, eat and drink well, and don't see anyone outside." Mu Xuefeng greeted, and the scene became lively again. Although there was an episode, it did not affect the normal progress of the birthday banquet. But after this incident, Lu Chen became the object of many people's attention. He can easily suppress the alien black tiger, and he is determined to refuse the marriage offered by the Jade Faced God of War. He doesn't look like an ordinary person. After having enough wine and food, Mu Xuefeng temporarily left the show to rest. The guests moved to the banquet hall and then to the lounge to enjoy various exciting programs prepared by Prince Mu's Mansion. Lu Chen and Huang Yinyin followed the local customs and sat quietly without any movement. They were only responsible for monitoring Mu Guanyu's movements to prevent accidents. Someone else actually stole the golden marrow jade. And this person is none other than Xiao Hongye, who has mastered the art of disguise. Xiao Hongye was originally the disciple of Lord Black Witch, but later turned from darkness to light and became Huang Yinyin's bodyguard. When Huang Yinyin awakened her bloodline and was brought back to the Witch Gu Sect, Xiao Hongye was also reused. In order to implement the plan better this time, Huang Yinyin did not hesitate to call Xiao Hongye from all the way. The two people's disguises were both the masterpieces of Xiao Hongye.

"Uncle, there's good news!" At this time, Huang Yinyin looked at her phone and said happily: "Sister Hongye has sent a message, saying that the golden marrow jade has been successfully obtained, and we can leave at any time." "Oh? So smooth.?" Lu Chen raised his eyebrows slightly, quite surprised. He thought something would go wrong, so he specially prepared two plans. Now it seems that it is no longer useful. "Mu Guanyu changed clothes before and happened to put the golden marrow jade in the room. Sister

Hongye disguised herself as someone from Prince Mu's palace and sneaked in smoothly and stole the golden marrow jade back." Huang Yinyin explained. "God is really helping me!" Lu Chen looked happy and secretly breathed a sigh of relief. The golden marrow jade has been successfully obtained, and all the elixirs have been Gather them together, and wait until tomorrow to refine the marrow-washing pill to wake up Xie Sinian. At that time, he would ask for the truth one by one about ten years ago. No matter who the enemy is, he will make him pay the price!
