

## An Understated Dominance Chapter 1531 - 1540

### Chapter 1531

“Uncle, now that we have the things, can we run away?” Huang Yinyin asked.

“Not in a hurry.”

Lu Chen shook his head: “If we leave early, it will be easy to be suspected. Let’s sit for a while and wait until someone takes a stand before we leave.”

“Okay, anyway, there are food, drinks and shows here, and they’re all free, so I’m really reluctant to leave like this.” Huang Yinyin smiled.

With so many delicacies from mountains and seas, delicious wine and delicacies, it would probably cost tens of thousands of dollars outside, but here they can all be prostitutes for nothing.

What a pleasure.

“Mr. Chen...”

At this time, Li Qingyao suddenly came over and said with a smile: “Thanks to you for saving me before, otherwise I would have been killed long ago. This is my little thought, I hope you can accept it.”

While speaking, she took out a jade tablet and handed it over with both hands.

The back of the jade plaque is exquisitely carved with dragons and phoenixes, while the front is engraved with a large “Mu” character.

“You’re welcome, Miss Li. It’s just a little effort. And even if I don’t take action, I believe there will be many brave heroes to save the beauty.” Lu Chen did not take credit.

He took the risk to come to the rescue purely because of his past friendship and did not ask for anything.

“No matter what, it was you who saved me, so I have to show something. This jade token is the guest order from Prince Mu’s Mansion. If anything happens to you in the future,

you can come to me through this jade token, and I will definitely help you.” “Li Qingyao pushed the jade sign forward again.

“This...” Lu Chen stopped talking.

“Beautiful sister, this jade plaque you gave me should be very valuable, right?” Huang Yinyin asked expectantly.

“valuable?”

Li Qingyao was stunned for a moment, then nodded and said with a smile, “That’s right.”

The guest order from Prince Mu’s Mansion is said to be a priceless treasure. How can it be measured by money?

With it, it is equivalent to having Prince Mu’s Mansion as a backer. This kind of opportunity cannot be obtained by many rich people who have lost all their money.

“Hehe, then we will accept it!”

After hearing that it was valuable, Huang Yinyin immediately took the jade token without saying a word.

Even if you don’t use it yourself, you can still sell it to others. Don’t give up on a treasure like this.

“Thank you, Miss Li.” Lu Chen no longer refused.

Excessive politeness will make people feel malicious.

“Mr. Chen, enjoy it slowly, and I won’t disturb you.”

Li Qingyao nodded slightly and prepared to say goodbye and leave.

“Miss Li, wait a minute.”

Lu Chen suddenly shouted.

“Mr. Chen, do you have any other advice?”

Li Qingyao turned back, a little curious.

“Miss Li, if you give me a jade plaque, I will also give you a few words.”

Lu Chen said solemnly: “The black tiger suddenly went crazy today, it should not be an accident, but someone deliberately framed it.”

“Intentionally framed?” Li Qingyao frowned slightly: “Why did Mr. Chen say that?”

“Heihu didn’t have any abnormalities before, but after approaching you, he seemed to be stimulated, and suddenly violently hurt people, don’t you think it’s strange?” Lu Chen asked back.

“It’s really strange, but I still don’t know the reason.” Li Qingyao shook her head.

She naturally didn’t believe that the black tiger had spirits and could distinguish between good and evil.

Although she is not a bodhisattva, she will never do things that are harmful to nature.

“If I’m not wrong, someone should have tampered with you.” Chase Lu analyzed.

“What do you mean?” Li Qingya was puzzled.

## Chapter 1532

“The perfume you wear smells bad.”

At this time, Huang Yinyin sniffed and spoke abruptly.

“Have it?”

Li Qingyao smelled it herself and didn’t notice anything strange: “The perfume I use is nothing special. Many people use it.”

“It’s not about the perfume, it’s about someone adding something to your perfume. It should smell like blood.” Huang Yinyin sniffed again and quickly gave the answer.

“That’s right.”

Lu Chen nodded and agreed: “With ordinary people’s sense of smell, it is difficult to detect the faint smell of blood, but beasts have unique advantages in this regard, and the black tiger should have caught this abnormality.”

“So that’s it.” Li Qingyao nodded suddenly.

It’s no wonder that as soon as Heihu approached, he immediately became beastly. After a long time, someone tampered with his perfume.

“Uncle...I still have a question.”

Huang Yinyin tapped her chin with her finger and said thoughtfully: “You said before that the black tiger has a high IQ and has been tamed. If it was just a little smell of blood, it shouldn’t be so violent, right?”

“That’s the crux of the matter.”

Lu Chen said with a serious face: “What if the bloody smell on Miss Li’s body is Heihu’s partner or children?”

“I see!”

Huang Yinyin suddenly realized: “Black Tiger smelled the blood of his own kind and mistakenly thought that Miss Li was the murderer of his own kind, so he suddenly went crazy.”

“That’s most likely the case.” Lu Chen nodded.

If it wasn’t for revenge, Hei Hu wouldn’t be so crazy.

“This poisonous plan to harm people is really clever!”

Huang Yinyin marveled: “First, the black tiger was used as a gift, and then rumors were used to spread dirt, and then the smell of blood was used to identify the key target. If Miss Li was really killed, not only would her sacrifice be in vain, but she would also have to suffer infamy and suspicion. This calculation is absolutely perfect!”

Hearing this, Li Qingyao frowned deeply and looked a little ugly.

If the two people in front of her didn’t misjudge, then she had already guessed who was behind the scenes.

Looking at the entire Mu Palace, there is only Mu Guanyu who is so bold and has this ability!

It’s just that she doesn’t understand why the other party would do this?

The two had no grievances or enmities, so why did they kill them?

“Miss Li, I believe you already know who the murderer is. You must be careful in the coming days.” Lu Chen reminded seriously.

A decisive person like Mu Guanyu will not give up easily once he decides what to do.

Although I failed today, I will definitely look for opportunities to take action in the future.

Even though Li Qingyao was protected by Prince Mu, he was still just a little sheep in front of Mu Guanyu, who was at the height of his power.

“Thank you, Mr. Chen, for reminding me. I will always be vigilant.” Li Qingyao nodded.

Lu Chen hesitated for a while, and finally took out a business card, handed it over, and said, “Miss Li, if you encounter any danger, you can call this number, it should be able to help you.”

“Thanks.”

Li Qingyao smiled lightly and did not refuse.

Being able to suppress the Black Tiger easily means that the person in front of him is obviously not simple. If he can make good friends with him, it will be a big help.

While several people were talking quietly, the door of the lounge was suddenly pushed open.

Immediately afterwards, Mu Guanyu walked in with a group of guards with a gloomy expression.

“When the show stops, everyone gets up!”

“Prince Mu’s Mansion was robbed just now, I want to conduct a search!”

Mu Guanyu spoke loudly, instantly attracting everyone’s attention.

Chapter 1533

“Been robbed?”

Hearing this, everyone looked at each other in blank amazement.

Who is so bold as to dare to steal things from Prince Mu’s Mansion? Don’t you want to die?

“Everyone, I’m really sorry. The lost things are very important to me, so I can only offend you.”

Mu Guanyu first cupped his fists at the people in the lounge, and then said: “Next, I will search with hounds. Please don’t move around, so as not to cause unnecessary misunderstandings.”

After speaking, he made a gesture and ordered his subordinates to seal all the entrances and exits.

Then two more well-trained hounds came and began to check one by one.

Although this behavior was a bit excessive, due to Mu Guanyu’s status, the guests present did not dare to say anything.

You can only choose to cooperate honestly.

“Search carefully for me. Don’t miss every corner!” Mu Guanyu said in a deep voice.

When he had just rested, he went back to the room, only to find that his personal belongings, the golden marrow jade, were missing.

This treasure is extremely rare and can absorb spiritual energy and increase his cultivation speed.

He used to carry it with him, but when he changed clothes today, he left the things in the room.

I didn’t expect someone to be so bold as to sneak into his room and steal something. It was so unreasonable!

The guards led the hounds, searched everywhere, and kept wandering among the crowd.

The aura of Mu Guanyu remains on the golden marrow jade. If a thief carries it with him, he will be found out soon.

After searching for a long time, the hound returned to its position and found nothing.

“My lord, we have already searched and there is nothing suspicious here,” the guard reported.

“Search again.” Mu Guanyu was a little unwilling.

“yes!”

The guards did not dare to hesitate, and led the hounds to search around again, but still could not find the golden marrow jade.

This result made Mu Guanyu very dissatisfied.

We have searched all the places that should be searched, but this is the most suspicious place. If the thief is not hiding here, where will he hide it?

At this time, Mu Guanyu glanced around, suddenly fixed on Lu Chen, and said coldly: “Chen Lu, right? Please cooperate, I want to search you.”

“search?”

Hearing this, Lu Chen raised his eyebrows slightly: “Lord God of War, I have been staying here and have never been anywhere. You don’t suspect that I am a thief, do you?”

“The pure will self-clean. If you didn’t steal, there’s no need to worry. I’m just doing a routine check, just in case.” Mu Guanyu said with a straight face.

His intuition told him that there was something wrong with the kid in front of him.

“Lord God of War, isn’t it a bit inappropriate for you to search me instead of others?” Lu Chen narrowed his eyes.

“Not only are we searching for you, but also for the person next to you.” Mu Guanyu pointed at Huang Yinyin.

“Why? You just search as you say. What do you think we are?” Huang Yinyin was very dissatisfied.

“If you have a clear conscience, why are you afraid of being searched?” Mu Guanyu said solemnly.

“Should you be searched if you have a clear conscience? What kind of gangster logic is this?” Huang Yinyin argued.

“Stop talking nonsense! If you want to search, sir, you can’t refuse!” A guard sternly shouted.

“Be bold!”

Li Qingyao became angry, raised his hand and slapped the guard on the face, and shouted: “Everyone here is a distinguished guest of Prince Mu’s Mansion, how can I tolerate a little guard like you being so presumptuous here!”

“you.....”

The guard gritted his teeth, seeing that Mu Guanyu didn’t respond, he finally endured it.

“Qingyao, what I lost is very important. I can’t let go of any doubts. Please cooperate with me.”

Although Mu Guanyu was upset in his heart, he remained calm on the surface.

“Brother, something has been lost. You should catch the thief instead of offending the distinguished guests of Prince Mu’s Mansion. If this matter reaches the ears of your foster

father, you may not be able to explain it.” Li Qingyao was neither humble nor overbearing.

“What? So you’re starting to use my adoptive father to oppress me?” Mu Guanyu’s eyes were a little unfriendly.

“Today is the birthday party of my adoptive father, so it’s best not to cause extra problems. I hope that my adoptive brother will put the overall situation first.” Li Qingyao lowered her head slightly.

#### Chapter 1534

Even though she knew that the person in front of her was going to harm her, she didn’t dare to show any signs of it.

“What’s the overall situation?”

Mu Guanyu said with disdain in his eyes: “As a woman, do you know what the overall situation is? In Prince Mu’s Mansion, except for my foster father, I have the final say on everything. This is the overall situation!”

“Brother Yi may have power, but he can’t act recklessly. In the Mu Palace, the father is the master after all.” Li Qingyao did not back down.

“Hehe... good, good!”

Mu Guanyu suddenly smiled, but his eyes were cold: “Sister, you are indeed a wonderful person. This should be the reason why your adoptive father values you, right? But unfortunately, people like you often don’t live long. You Take care of yourself.”

With that said, he patted Li Qingyao on the shoulder, turned and left.

A helpless woman who dares to fight with him is really asking for her own death!

“Miss Li, you just spoke for us, probably because you have annoyed Mu Guanyu. You will probably be even more sad in the days to come,” Lu Chen reminded.

“Even if I don’t do anything, he won’t let me go easily.” Li Qingyao was very sensible.

She could see that Mu Guanyu was a very ambitious person.

As soon as she entered Prince Mu’s palace, she was favored by her adoptive father, which would definitely arouse dissatisfaction.

Perhaps her existence threatened Mu Guanyu’s status, so the other party regarded her as a thorn in his side and planned to get rid of her quickly.

“No matter what, you must be careful.” Lu Chen warned.

“I will.”

Li Qingyao nodded: “Mr. Chen, it’s not suitable to stay here for a long time. I think Mu Guanyu will take the opportunity to make trouble. Why don’t I send you out first?”

“Then there’s Miss Lao Li.”

Lu Chen nodded, but did not refuse.

“Easy to do.”

Li Qingyao smiled lightly, then led Lu Chen and Huang Yinyin out of Prince Mu’s Mansion safely.

Along the way, there were many eyeliners watching, but because of their scruples, they did not act rashly.

“Miss Li, send it here.”

After going out, Lu Chen clasped his fists in thanks.

“Okay, we’ll meet later.”

Li Qingyao nodded slightly, then watched Lu Chen and the two get into the car and leave.

She had a strange feeling that this young man named Chen Lu seemed to have known him before.

At this moment, on the moving car.

Lu Chen and Huang Yinyin took off the human skin masks one after another, revealing their original faces.

“Uncle, I’ve got the golden marrow jade, why do you still look a little depressed?” Huang Yinyin was a little surprised.

“It’s nothing, I was just thinking about something.” Lu Chen forced a smile.

“Uncle, you are not worried about Miss Li’s safety, are you? Could it be...do you like her?” Huang Yinyin was keenly aware of the strangeness.

“A previous acquaintance had a fate.” Lu Chen explained.

“Oh~ I understand!”

Huang Yinyin smiled suddenly: “Miss Li is in danger, so you are worried about her, but you have a fiancée, so you don’t know why you are helping, right?”

“You little girl, you know a lot about movies.” Lu Chen had a strange expression on his face.

He was indeed a little entangled. On the one hand, he was worried about Li Qingyao's safety, but on the other hand, he did not want to get too entangled.

“Uncle, you don't have to worry about anything, leave this matter to me, and I will send someone to secretly protect Miss Li, so that you can rest easy!” Huang Yinyin volunteered.

“It sounds pretty good.” Chase Lu nodded: “Okay, I'll leave this matter to you.”

With experts from the witchcraft sect taking action to protect Li Qingyao's safety, it shouldn't be a problem.

“Hey! Don't get too excited, protector, I have to charge, but for the sake of our friendship, I can give you a 20% discount.” Huang Yinyin raised her eyebrows and compared 80% gesture.

Lu Chen's mouth twitched and he was speechless for a moment.

This girl is really a money addict.

Never forget to make money at any time, I really admire it.

## Chapter 1535

After returning to the villa, Chase Lu started preparations immediately.

The three top-quality elixir were finally assembled, and the rest of the auxiliary medicinal materials were already prepared.

Next, is the most critical step, refining the marrow washing pill.

“Wang Xuan, I’m going to retreat for a day, you should guard it carefully and don’t allow anyone to come in and disturb you.” Lu Chen warned.

“Don’t worry, Brother Chen. Even if the King of Heaven comes, I won’t be able to enter this door!” Wang Xuan assured him, patting his chest.

Lu Chen nodded, looked at Liu Gongquan again, and said, “Master Liu, Uncle Xie will take care of you. Before I leave the customs, there must be no accidents.”

“Leave it to me. Although I can’t cure Xie Engong’s illness, it’s okay to extend his life for a while.” Liu Gongquan said.

“Okay, then please both of you.”

Lu Chen didn’t say much. After explaining a few words, he walked into the temporarily renovated alchemy room alone.

The medicinal materials have been gathered, and the alchemy furnace, charcoal fire, and various materials are fully prepared.

However, Lu Chen was not too anxious, but meditated for a long time.

When his whole body was relaxed and his mind was calm, he started to make alchemy.

The Marrow Cleansing Pill is very important and determines whether Xie Sinian can survive.

As a top-quality elixir, its refining difficulty is comparable to the previous life-sustaining elixir, but because of the different types, the details are very different.

Lu Chen has simulated it hundreds of times in his mind, and all the steps are clear.

As long as you don't make mistakes in practice, you should be fine.

The first is to install the furnace, then to set up the tripod, followed by grinding, burning sand, and solidifying mud. The next step is to control the temperature of the furnace fire, refine and fuse.

Every step is very important and there can be no mistakes.

Lu Chen worked steadily step by step and began to devote himself to it.

Time is passing little by little.

Lu Chen waited attentively, accurately controlling the temperature of the fire, sometimes fiercely, but sometimes gently.

The elixirs in the alchemy furnace are constantly being refined, fused, refined, and fused again.

Just like that, I don't know how long passed.

The elixir changes from solid to gas, from gas to liquid, and finally to solid again.

After repeating this several times, we finally reached the final critical step, condensing the elixir.

Lu Chen took a deep breath and began to activate the Xuanqing Qi, injecting it into the alchemy furnace bit by bit.

Condensing pills needs to be guided by true energy, which will not only increase the success rate, but also make the finished product look very good.

“Whoops, whoops, whoops...”

The fire under the alchemy furnace is getting stronger and stronger, and Lu Chen is instilling more and more Xuanqing Qi.

Gradually, his forehead began to sweat, and his body was covered with white mist.

After about a stick of incense, Lu Chen suddenly took action and slapped the alchemy furnace with his palm.

“Bang!”

There was a bang.

The lid of the alchemy furnace popped open, and a strong medicinal fragrance immediately spurted out.

Lu Chen took a closer look and saw a steaming blue pill lying at the bottom of the pill furnace.

The elixir is translucent and covered with water wave patterns, which looks very beautiful.

Gently inhale the nose, but also smell the unique medicinal fragrance.

“It’s finally done!”

Lu Chen looked happy and let out a long sigh.

With this marrow-cleansing pill, Xie Sinian was finally saved.

At this moment, outside the door.

Wang Xuan held the hilt of the sword with both hands and stood ready, not daring to relax at all.

Liu Gongquan was pacing back and forth in the living room, looking a little anxious.

Lu Chen has been in seclusion in the alchemy room for a day and a night, and there has been no movement so far, which makes him very uneasy.

It took a lot of effort to gather the three best elixirs. If this failed, Xie Sinian would only die.

Because there is no time to find another way.

If you don't succeed today, you will be successful.

## Chapter 1536

“Xiao Wang, did you smell anything?”

At this time, Liu Gongquan seemed to notice something and suddenly sniffed.

“You mean, the smell of medicine?”

Wang Xuan tilted his head and said doubtfully: “It's always been there, what's wrong?”

“This time is different, a little special.”

Liu Gongquan came to the door, squatted down, and began to smell the smell coming from the crack in the door.

He has been working with medicinal materials all year round, and he can distinguish any slight abnormalities.

“Click!”

Suddenly, the closed door opened.

Just as Lu Chen was about to go out, he saw Liu Gongquan squatting on the ground with a strange posture. He asked curiously: “Doctor Liu, what’s wrong with you? Stomach pain?”

“Ah this...”

Liu Gongquan smiled awkwardly, then reacted immediately and asked: “Xiao Lu, how are you? Have you successfully refined the Marrow Cleansing Pill?”

“well.....”

Lu Chen sighed softly, showing a look of regret.

Seeing this scene, Liu Gongquan froze, his face turned pale, and he said in a trembling voice: “Failed...failed?”

It’s over, it’s over, the refining of the marrow-cleansing pill failed, and all the elixirs were destroyed.

Xie Sinian, gods are hard to save!

“It’s not a failure. I just planned to refine a top-quality marrow-cleansing pill, but unexpectedly, I only produced a top-grade one, which is slightly inferior in quality.” Lu Chen shook his head.

“...”

The corner of Liu Gongquan’s mouth twitched, but his heart was roaring.

Is this the time to pursue quality?

As long as it can be done, why bother so much?

Also, could you please stop acting so depressed?

I'm old and can't stand your threats!

“So...you have successfully refined it?” Liu Gongquan asked tentatively.

“Of course, I won't do anything I'm not sure about.”

Lu Chen smiled and nodded, and at the same time took out the blue marrow cleaning pill.

Liu Gongquan took it and took a look, and couldn't help but be ecstatic: “It's great, great! Mr. Xie En is finally saved!”

Lu Chen refined alchemy all day and night, and he also waited outside all day and night.

The heart that was hanging now finally fell down.

“Doctor Liu, without further ado, let's give Uncle Xie some medicine first.” Lu Chen reminded.

“Oh, yes, yes, it's important to save lives!”

Liu Gongquan did not dare to hesitate. He held the marrow-cleansing pill in both hands and ran all the way into Xie Sinian's bedroom.

At this moment, Xie Sinian was still the same as before, skinny as wood, face as white as paper, breathing weakly, looking like a dead person.

“Xiao Lu, are there any taboos in taking Xisui Pill?” Liu Gongquan asked suddenly.

“No, just put it in your mouth.” Lu Chen said.

“Okay, okay.”

Liu Gongquan carefully opened Xie Sinian's mouth, and then gently put the marrow-cleansing pill in.

The Xisui Dan melted in his mouth, and wisps of blue medicinal liquid flowed down Xie Sinian's throat and into his body little by little.

The mild medicinal properties began to slowly repair Xie Sinian's damaged meridians.

Starting from the heart, to the internal organs, and then to the bones, skin and flesh.

After being baptized by Xisui Pill, Xie Sinian's body was slowly blooming with vitality.

It's like spring on a dead tree.

Several people could clearly see that Xie Sinian's pale face was gradually returning to rosy, and his breathing became stronger.

A trace of turbidity and dirt is emitted through every pore of the body.

Half a day later.

Xie Sinian, who had been sleeping for ten years, finally slowly opened his eyes!

Chapter 1537

"Wake up, wake up, Mr. Thank you, thank you!"

Seeing Xie Sinian open his eyes, Liu Gongquan cried with joy and excitement.

Ten years, exactly ten years!

The person he guarded day and night finally woke up.

This kind of joy simply cannot be described in words.

“God bless, everything goes well.”

Looking at his former elders, Lu Chen’s eyes turned slightly red, and he couldn’t control his joy.

Sure enough, Xiesui Pill was the only one that could cure Xie Sinian’s illness, and it didn’t take him a lot of trouble.

“Old Liu, where am I? Why are you so old?”

On the hospital bed, Xie Sinian looked around, his eyes were confused, and finally fixed on Liu Gongquan.

His voice was dry and hoarse, which sounded a little uncomfortable.

“Xie Engong, you are in a safe place, don’t worry, as for the old you said.”

Liu Gongquan touched his face, smiled wryly and said, “Ten years have passed since we met last time, how can we not grow old?”

“ten years?”

Xie Sinian was taken aback for a moment, then suddenly realized, his eyes widened, and he said in astonishment: “You mean, I’ve been in a coma for a whole ten years?!”

“That’s right.”

Liu Gongquan nodded: “For ten years, I have tried my best, but I have not been able to cure you. Thanks to Xiao Lu’s refinement of the marrow washing pill, I pulled you back from the gate of hell.”

“Xiao Lu?”

Xie Sinian looked sideways at Chase Lu, and said strangely, “Could it be this little brother who saved me.”

“Exactly.” Liu Gongquan praised with a smile: “Xiao Lu not only has excellent medical skills, but also can make alchemy and medicine, and has a lot of attainments in mystical arts. He is really all-rounder.”

“Thank you little brother for saving your life.”

Xie Sinian struggled to get up, but found that his limbs were weak and difficult to support.

After lying down for ten years, even with Xisui Pill to repair the body and reshape the meridians, it is impossible to be alive and kicking in a short period of time.

“Uncle Xie, I haven’t seen you for ten years, you really don’t recognize me?” Lu Chen suppressed his excitement.

“What? You know me?”

Xie Sinian looked up and down: “Little brother, he looks familiar. I wonder which old friend he is?”

“Uncle Xie, it’s me, Changge.” Lu Chen said tremblingly.

“Long...long song?”

Upon hearing this, Xie Sinian’s eyes widened in disbelief: “You...are you really Chang Ge?”

“Replacement guaranteed.”

Lu Chen didn't explain too much, but took off his clothes, revealing the unicorn tattoo on his body.

The tattoo is all black and the eyes are scarlet, looking lifelike and fierce and domineering.

“Changege...you are such a Changege!”

Looking at the familiar unicorn tattoo in front of him, Xie Sinian burst into tears with joy.

He was trembling, forced himself to get out of bed, then knelt on the ground with a “boom”, lowered his head, and said in a trembling voice: “Xie Sinian, general of the Kunzi Battalion of the Xiliang Dragon Rider Army, pays homage to His Royal Highness !”

As soon as these words came out, Liu Gongquan standing next to him stood stunned on the spot as if he had been struck by lightning.

long song? His Royal Highness?

Oh my God! Could it be that the person in front of me is the rumored peerless genius, Lu Changege, the Qilin son of the Lu family?

Chapter 1538

“Uncle Xie, what are you doing? Hurry up!”

Lu Chen quickly squatted down and helped Xie Sinian who was kneeling on the ground.

“Your Highness, it's a humble and incompetent person who failed to protect the concubine and protect you well, please punish her!” Xie Sinian burst into tears.

“Uncle Xie, what are you talking about? If you hadn’t fought to the death, how would I still be alive?” Lu Chen comforted.

“All the brothers in Kun Ziyang are dead, and I am the only one who is still alive. I am ashamed of the prince, the princess, and everyone!” Xie Sinian’s voice choked up.

“Uncle Xie, you don’t need to blame yourself. You have tried your best. I am very happy to see that you are still alive. It was me who hurt you. Everything is my fault. If it weren’t for me, would you have been in coma for ten years? What if? It’s not because of me, the brothers of Kun Ziyang, and I will not sacrifice in vain, but I want to say sorry to you.”  
Lu Chen’s eyes turned red.

The memory of that year is still vivid in his mind.

He saw with his own eyes that his relatives, friends and guards fell in a pool of blood one by one in order to protect him.

Heroic and decisive.

He still dare not forget everyone’s name and appearance.

“Your Highness is the king, and we are ministers. It is natural for a minister to die for the king. As long as His Highness is still alive, those brothers who sacrificed their lives will not be in vain.” Xie Sinian kept wiping his tears.

“What monarchs and ministers are, it’s all bullshit. You are all my relatives and friends. No one should sacrifice their lives for me. I owe you.” Lu Chen looked guilty.

“With His Highness’s words, the sacrificed brothers should be able to smile at Jiuquan.”  
Xie Sinian cried and laughed.

Even though the two haven't seen each other for ten years, and the changes have been great, the love between Zeng Jin has never changed.

“Uncle Xie, although it is a bit inappropriate now, I still want to ask you, what happened back then? Who is the real mastermind?” Lu Chen's face became serious.

“this.....”

Hearing this, Xie Sinian suddenly hesitated and sighed after a while: “Your Highness, forget about what happened back then. Don't pursue it any further. As long as you are alive and well, it is more important than anything else.”

“Uncle Xie, my mother was killed, and so many brothers and sisters died trying to save me. I can't just pretend this never happened. No matter what, I will get to the bottom of it!” Lu Chen's eyes were firm.

The hatred of killing one's mother and killing one's friends is irreconcilable.

“Your Highness, some things are not as simple as you think, even the prince has already stopped, why are you bothering?” Xie Sinian looked complicated.

“Lu Wanjun is Lu Wanjun, and I am me; he has scruples, but I don't; he dares not take revenge, but I dare!”

Lu Chen looked determined: “I still say the same thing, no matter who is the murderer, no matter how powerful he is, even today, I will make him pay the price!”

As soon as these words came out, Liu Gongquan and Wang Xuan who were beside them were stunned.

Is that too cruel?

Even the emperor dared to challenge him. Could it be that the other party wanted to make the entire Dragon Kingdom an enemy?

“Your Highness...”

Xie Sinian clenched his fists with a troubled expression on his face.

He didn't know whether he should say it or not. With the character of the person in front of him, he would definitely be in danger if he continued to investigate.

The water here is too deep.

Even the powerful King of Xiliang was forced to swallow his anger, let alone the now powerless Lu Changge?

“Uncle Xie, you don't have to worry, just speak.”

Lu Chen said seriously: “Of course, if you really don't want to tell me, I won't force you, but I will keep investigating and never give up!”

“well.....”

Hearing this, Xie Sinian couldn't help but sigh, and finally compromised: “Since His Highness wants to know so much, I won't hide it. I just hope you won't act impulsively.”

“I understand. If I'm not sure, I won't act rashly.” Lu Chen nodded.

“Actually, I don't know much about what happened back then, but there is someone who must know the inside story.”

“Oh? Who is it?”

“Li Wangui!”

## Chapter 1539

“Li Wangui?”

Hearing the name, Lu Chen frowned slightly: “It sounds familiar, what’s the origin?”

“Your Highness may not be familiar with Li Wangui, but you must know King Linjiang.” Xie Sinian said with a serious face.

“It turns out it’s him!” Lu Chen’s pupils shrank.

King Linjiang is the younger brother of the current emperor, and among the many relatives of the emperor, he is considered outstanding.

Ten years ago, he was still a talented person.

But later, for unknown reasons, King Linjiang suddenly retired, and his whereabouts are still unknown. No one knows where he went.

“Uncle Xie, do you mean that the assassination incident back then was related to King Linjiang?” Lu Chen asked.

“I dare not say that there is a direct relationship, but the King of Linjiang must be an insider.” Xie Sinian said.

“Oh? Why do you say that?” Lu Chen narrowed his eyes.

“The King of Linjiang has a very close friendship with your father. When we were attacked outside the Forbidden City, we immediately asked for help from the King of Linjiang, but we didn’t get any response.”

Xie Sinian said with a complex expression: “Afterwards, the King of Linjiang chose to go into seclusion and stopped interfering with the affairs of the court. It is obvious that he was avoiding something.”

“This is indeed suspicious, but the reason is not sufficient.” Chase Lu shook his head.

Behind this incident, there may be the shadow of imperial power, but with the power of King Linjiang, it is obviously not possible to do this.

“Actually, before the incident happened, the prince noticed a clue and investigated it secretly.”

“He also specifically told us to be careful and not to trust anyone, not even King Linjiang.”

“Because the lord found out that the king of Linjiang behaved abnormally in the past few days, he didn’t need to go back to the past, but because he was only suspicious and there was no substantive evidence, the lord only stepped up his precautions and did not take any extraordinary actions.”

“However, none of us expected that the black hand behind the scenes was so powerful. Not only did they plant traitors around the prince, but they also sent the prince to the border temporarily by falsely passing on military orders.”

“By the time the prince reacts, it will be too late. Your Highness should know about the follow-up.”

“The reason why I said there is something wrong with King Linjiang is not because I guessed randomly, but because from the very beginning, the prince suspected that he had fallen in love with this old friend.”

“Your Highness, that’s all I know.”

Xie Sinian did not hide anything and told what happened in detail.

After listening, Lu Chen’s face became a little gloomy.

As Xie Sinian said, King Linjiang may not be the real murderer, but he definitely knows something.

As long as you find King Linjiang, you can find out the truth about that year.

“Uncle Xie, do you know where King Linjiang is hiding?” Lu Chen asked.

“I have been in a coma for ten years. I only remember some things from that year. I have no idea what happened next.” Xie Sinian shook his head.

“Who saved you back then? How did you come to Jishi Hall? Do you remember?” Lu Chen asked again.

“I don’t know the identity of the person who saved me. I only know that his surname is Ji and I don’t know anything else.” Xie Sinian shook his head again.

“Where’s Doctor Liu? Do you know this Mr. Ji?” Lu Chen suddenly turned his head.

“To be honest, for the past ten years, Mr. Ji has appeared once a year to ask me about Mr. Xie, but every time we meet, Mr. Ji wears a mask and does not show his true face.” Liu Gongquan said truthfully.

“It seems that Mr. Ji is also a key figure.” Lu Chen began to think deeply.

There are two clues now, one is Linjiang King Li Wangui, and the other is the mysterious Mr. Ji.

Mr. Ji put aside the fact that the other party was willing to help Xie Sinian, so he should not be an enemy.

## Chapter 1540

The most important thing now is to find King Linjiang and ask about the truth back then.

“Uncle Xie, you just woke up, take a good rest first, and tell me if you need anything.”

Lu Chen helped Xie Sinian lie down on the bed.

“Your Highness!”

Xie Sinian suddenly grabbed Lu Chen’s arm and said solemnly: “What happened back then is in the past. Forget it. If you continue to investigate, you will only cause death. I believe that the princess is in heaven. I just hope you can live well!”

“Uncle Xie, this matter is my heart knot and my sin. If I don’t investigate clearly, I will never be able to get over this hurdle in my life.” Lu Chen said.

“well……”

Seeing the firm gaze of the person in front of him, Xie Sinian just sighed and said nothing.

He knew in his heart that with Lu Chen's stubborn character, once he decided something, he would not give up easily.

“Uncle Xie, your mission now is to take good care of your health. You don't have to worry about these trivial matters. I'm here for everything. Just rest.”

Lu Chen smiled comfortingly, then turned around and went out.

Xie Sinian was safe and sound, and his anxious heart finally settled.

The biggest goal now is to find Linjiang King Li Wangui who has retired to seclusion.

And to do this, only the one in the Forbidden City can help.

After walking out of the villa, Lu Chen dialed the mysterious number again.

Soon, a lazy female voice came over: “Hey, why are you calling again? Didn't I already give you the Bing Xinlian you asked for last time?”

“About Bing Xinlian, I have to say thank you.”

Lu Chen said politely at first, then went straight to the point: “The main reason why I called you this time is to ask you about something.”

“Stop, stop, stop...”

The woman quickly interrupted: “Lu Changge, Lu Changge, don't push yourself too hard. We agreed last time that I will only help you once and we will settle the matter. Are you going to go back on your word?”

“The previous favors are indeed settled, but if you are willing to help me this time, treat it as a favor that I owe you. If you have any difficult problems in the future, I will never refuse.” Lu Chen said seriously.

“I am the master of all things in the palace, what can you do to help me?” the woman asked.

“Everyone will encounter difficulties. If you have multiple friends and multiple paths, consider it an investment. You should know the credibility of our Lu family.” Lu Chen said.

“It sounds good.” The woman hesitated for a moment and said, “Okay, you can tell me first. If it’s not too much trouble, I can consider it.”

“I want to ask you about King Linjiang.”

Lu Chen got straight to the point: “Ten years ago, King Linjiang suddenly went into seclusion. I want to know where he went? Where is he hiding now?”

“Prince Linjiang? Why are you asking about him?” The woman was a little strange.

“The secret must not be leaked. If you know too much, it will be a trouble for you.” Lu Chen deliberately let it go.

“Forget it, I hate trouble the most.” The woman obviously lost interest.

“Is our deal completed?” Lu Chen asked tentatively.

“For your mother’s sake, I will help you again, but remember, this is the last time!” The woman said in a serious tone.

“No problem.” Lu Chen responded: “How long will it take to get the results?”

“I’ll give you an answer in three days. Just wait.” After finishing the words, the call was hung up.
