

An Understated Dominance Chapter 1551 - 1560

Chapter 1551

“Miss Yin, don’t move around. Be careful that bullets don’t have eyes.”

An indifferent voice sounded from behind, Yin Tao looked back subconsciously, and happened to meet the black muzzle of the gun and a fierce face.

“Who are you? How dare you run wild in the Yin family?!” Yin Tao shouted sharply.

“Miss Yin, don’t be so angry, we are just following orders.” The man with the gun said calmly.

“By order? Whose order?” Yin Tao asked.

“On my orders, of course.”

At this time, outside the meeting hall, a thin man wearing a suit and a mean face suddenly walked in.

It was Mu Anxiang from the Mu family!

“It’s you?!”

After seeing the person coming, Yin Tao’s expression immediately changed.

She had just escaped from danger and escaped from the slum not long ago, but she didn’t expect Mu Anxiang to come to the door so quickly.

“Miss Yin, we meet again.”

Mu Anxiang walked forward with a smile, stretched out his fingers, picked up Yin Tao’s chin, and praised, “She is indeed a great beauty. I can’t help but be moved.”

“Young Master Mu, I have no grievances with you, why are you so aggressive?” Yin Tao frowned.

“No injustice or enmity?”

Mu Anxiang smiled: “You make a lot of money selling Jade Dew Cream, but you refuse to cooperate with me. Is this considered a holiday?”

“Young Master Mu, if it’s a business matter, we can discuss it carefully, so why would we be unhappy?” Yin Tao tried to calm the other party.

“What’s business? It’s just making less money. What I really care about is that you made me lose face on the opening day!”

At this point, Mu Anxiang’s face suddenly turned fierce: “I am a dignified young master of the Mu family, but I was treated like a dog by you and suffered all the humiliation. If I don’t avenge this revenge, I will be a useless person!”

“Young Master Mu, Miss Li has promised not to pursue this matter again. Don’t you even want to give her face?” Yin Tao frowned.

“Haha...Li Qingyao?”

Mu Anxiang sneered: “Before, she was the chief housekeeper of Prince Mu’s Mansion, and she was highly valued by her adoptive father. I was really afraid of her, but unfortunately, she is now in trouble and can’t care about you people at all. So, your current fate, It’s all in my hands.”

“Young Master Mu, this matter has nothing to do with our Yin family. It was all done by that boy Lu Chen. Every wrong is his fault and his debt is his fault. If you want to find trouble, just find him. It has nothing to do with us!” Fourth Uncle Yin prayed humbly.

“Yes, Master Mu, we are all innocent, will you let us go?” The other members of the Yin family begged for mercy.

The Yin family is just a second-rate family, not even a wealthy family, let alone a royal family like the Mu family.

With Mu Anxiang’s identity, it would not be difficult to destroy their family with a little manipulation.

“Don’t worry, I will settle Lu Chen’s account with him. Now, let’s deal with the matters between us first.”

Mu Anxiang walked to the main seat and sat down, leaning back in a comfortable position, just like a cat playing with a mouse.

“Master Mu, what do you want?” Yin Tao asked in a deep voice.

“Originally, I wanted to use the Black Bear Gang to quietly deal with Lu Chen, but I seem to have underestimated him a little.”

“Being able to easily kill all the elites of the Black Bear Gang, I have to say, he does have something.”

“So now, I have to be more serious and treat him as a strong enemy.”

“Of course, in order to avoid alerting the enemy, I need your help.”

“As long as you do things beautifully for me, we will be friends from now on, how about it?” Mu Anxiang said with a smile.

Chapter 1552

Although he was smiling, his appearance showed that he was not a good person at first glance.

“What does Master Mu want me to do?” Yin Tao suddenly felt uneasy.

“It’s very simple. Tomorrow you find an excuse to invite Lu Chen to your home for dinner, and then pour this bottle of soft tendon into the wine. After the medicine takes effect, you can leave. The rest is up to you. Let me handle it.”

Mu Anxiang said, took out a black medicine bottle and put it on the table.

What’s inside is Shixiang Ruanjin Powder, which is specially used to deal with martial arts masters.

For those below the level of Grandmaster, once they are attacked, their whole body will become weak, unable to raise any strength, like a lamb waiting to be slaughtered.

“Young Master Mu, you have to be merciful and merciful, why don’t you do it so ruthlessly?” Yin Tao’s face looked a little ugly.

Any fool knows what Mu Anxiang is going to do.

By drugging Chase Lu, wouldn’t she become an accomplice?

“Jue?”

Mu Anxiang smiled, with a hint of teasing in his smile: “Miss Yin, what are these tricks? I have something even better, do you want to see it? For example, use some tricks to make your Yin family bankrupt; another example , what do you think about placing a charge on you people and putting them all in jail?”

“Mu Anxiang! Don’t go too far! Yanjing is not a place without royal law!” Yin Tao was a little angry.

“Wang Fa?”

Mu Anxiang laughed so hard: “Yin Tao, Yin Tao, you are not a child anymore. You can say such childish words. I am very disappointed in you.”

The king’s law protects the powerful, and those who are powerless will only be suppressed by the king’s law.

If civilians commit crimes, they will be sent to jail immediately; but if powerful people commit crimes, they can still get away with it.

This has been true throughout the ages.

“Mu Anxiang! If you want to use me to kill people with a borrowed knife, I will never agree. If you have the ability, just kill me!”

Yin Tao had a cold face and determined eyes.

Naturally, she would not betray a friend, especially this friend, who had other feelings.

“You can’t tell that Miss Yin is still a hero among girls.”

Mu Anxiang stood up, stared straight at Yin Tao, and said with a smile: “But I am a little curious. Is it worth risking my life for a pretty boy?”

“It’s not worth it. Lu Chen has saved me and helped me. I will never betray him!” Yin Tao said firmly.

“oh?”

Mu Anxiang raised his eyebrows slightly, quite surprised: “Could it be that you already like that pretty boy?”

“It’s none of your business!” Yin Tao said with a cold face.

“Interesting...so interesting.”

Mu Anxiang said with a joking face: “It’s a wonder in the world that a woman who can do everything for her husband can actually have true feelings!”

“Kill if you want, don’t talk nonsense!” Yin Tao regarded death as home.

With Mu Anxiang’s character, even if Lu Chen is dealt with, he will never let her go easily.

“Miss Yin, I admire your courage. You are indeed not afraid of death, but what about your family members? Are they willing to accompany you to death?”

Speaking of this, Mu Anxiang suddenly looked at the Yin family members and said with an evil smile: “I will give you three minutes to think about it. If you don’t agree, I will kill one Yin family member every minute after that until I kill them all. “

“Now, the timer starts!”

Chapter 1553

Hearing Mu Anxiang’s threatening words, everyone in the Yin family panicked instantly.

They obviously didn’t do anything, but they became victims inexplicably. It was a disaster that fell from the sky.

“Master Mu! Master Mu, please have mercy!”

Fourth Uncle Yin was so frightened that he knelt on the ground and began to beg for mercy: “We, the Yin family, have always obeyed the law and abided by the law. You can’t kill innocent people indiscriminately!”

“Young Master Mu! Your Excellency has a lot of people, please let us go!” Everyone in the Yin family panicked and wailed.

However, Mu Anxiang was unmoved and said calmly: “It’s useless for you to beg me. Just ask Miss Yin. Whether you live or die is in her hands.”

“Xiao Tao! What are you still doing? Hurry up and agree!”

Fourth Uncle Yin became anxious and shouted: “Are you going to watch our relatives being killed?”

“Fourth uncle! Lu Chen is my savior, I can’t betray him!” Yin Tao frowned deeply.

“What a bullshit savior!”

Fourth Uncle Yin yelled: “If you don’t do it for yourself, heaven and earth will destroy you. How can Lu Chen’s life be compared to that of our whole family?!”

“Fourth uncle, our Yin family is not a small family. I don’t believe that Mu Anxiang really dares to mess around!” Yin Tao said.

After all, the Mu family was a famous family, and even if Mu Anxiang wanted to take revenge, he couldn’t kill someone blatantly.

“Don’t you dare?”

Mu Anxiang smiled and snapped his fingers.

“boom!”

The next second, gunfire rang out.

A young man from the Yin family trembled. He subconsciously looked down and saw a bloody hole in his chest.

A large amount of blood kept gushing out.

“Boom...”

The man opened his mouth, but before he could say anything, his vision went dark and he fell to the ground, dying suddenly on the spot!

Seeing this scene, the whole place was dead silent.

Everyone was stunned, their eyes widened, and some couldn’t believe it.

They knew that Mu Anxiang was not a good person, but they didn’t expect that the other party would be so ruthless and kill people without any hesitation.

How terrible!

“how so?”

Yin Tao was also stunned.

Only then did she realize that Mu Anxiang was not trying to scare people, but actually dared to commit murder in public.

“Miss Yin, you don’t think I’m joking with you, do you?”

Mu Anxiang sneered: “I always keep my word. If you don’t agree, I will shoot the Yin family members present one by one!”

“Mu Anxiang! You beast!”

Yin Tao was furious, suddenly took out a knife and stabbed Mu Anxiang fiercely.

As a result, before he even got close, he was kicked in the abdomen by the bodyguard next to him, sending him flying two to three meters away. He was so painful that he was sweating profusely and could not stand up.

“Miss Yin, I advise you not to do stupid things. If I hurt a hair, your whole family will die.” Mu Anxiang grinned.

“You come after me if you have the ability. What kind of man are you bullying the weak here?” Yin Tao shouted through gritted teeth.

The rules of the rivers and lakes do not bring harm to the family, but the person in front of you is obviously unethical.

“I’m a very strange person. The more you want to die, the less I will let you die. On the contrary, the more those who are afraid of death want to live, the less I will let them live.”

Mu Anxiang smiled and said, “Now, make a choice. Should you continue to protect Lu Chen, or should you protect your family?”

“I.....”

Yin Tao hesitated, her face full of confusion.

On the one hand, it’s the person she likes, and on the other hand, it’s her family. She really doesn’t know how to choose.

“Looking at you, it seems like you haven’t made up your mind yet, so I’ll help you again.” Mu Anxiang snapped his fingers again.

“boom!”

Chapter 1554

There was another gunshot.

The second Mu family member fell in a pool of blood.

For a time, the entire conference hall screamed and wailed all over the sky.

Cries, shouts, and begging for mercy came and went.

“Beast! I’ll fight you!”

Yin Tao’s eyes were red. She picked up the knife on the ground and prepared to go forward and fight.

As a result, as soon as he stood up, he was kicked to the ground again by Mu Anxiang’s bodyguard.

“Miss Yin, it seems that the weight of these ordinary relatives is not as important as Lu Chen in your heart. Okay, I will add some more information to you.”

Mu Anxiang said and clapped his hands.

Soon, two sturdy bodyguards in suits walked in dragging a middle-aged man.

It is Yin Tao’s father, Yin Quan.

“dad!”

Seeing the person coming, Yin Tao’s expression changed instantly, and her face was filled with fear.

She didn't expect that her father would be arrested.

"Miss Yin, I admit that you are very brave, but if your father and Lu Chen can only live together, what choice will you make?" Mu Anxiang asked.

"No...don't...don't!"

Yin Tao kept shaking her head, tears streaming down her face.

Mu Anxiang waved, took the gun handed over by his subordinate, then put it against Yin Quan's temple, and said again: "I'll ask you one last time, will you answer or not? My patience is limited, and I don't have time to waste. I'm counting down to three now, if you don't answer, I'll shoot."

"three....."

"two....."

"one....."

Before the word was finished, Yin Tao panicked and said in shock: "Promise! I promise everything! Please let my dad go!"

"This is the right thing to do."

Mu Anxiang smiled, threw the gun to his subordinate, walked forward slowly, stretched out his fingers to lift Yin Tao's chin, and said jokingly: "Miss Yin, I will wait for your good news tomorrow. I can only succeed, not Failure, if Lu Chen hadn't died, I would have come back again, and by then, I wouldn't have been as polite as I was tonight."

After saying that, he turned around and left with satisfaction.

He loved this feeling of manipulating people's hearts the most, it was so wonderful.

“thump!”

Yin Tao's legs went weak and she collapsed directly on the ground, tears welling up in her eyes.

She did like Lu Chen, but she couldn't harm her father because of him.

She must make a choice between family affection and love.

Very painful and helpless.

“Yin Tao! It's all your fault! It was you who killed two members of the Yin family. If you had made a decision earlier, wouldn't everything have been fine?” Fourth Uncle Yin roared repeatedly.

The fright just now made it difficult for him to stay calm and he had to vent his inner emotions.

“That's right! You, an ungrateful woman, are willing to sacrifice our Yin family for a pretty boy. You are really a shame to our Yin family!” Everyone yelled angrily.

In their eyes, Yin Tao's behavior just now was simply a traitor.

Facing the scolding and scolding, Yin Tao seemed not to hear it and sat on the ground blankly, as if she had lost her soul.

Looking at the drugs on the table, she felt confused.

Mu Anxiang's subordinates were still watching eagerly, monitoring him all the time.

If she makes the slightest move, it will lead to death for her family.

Now, it seems that she can only obey orders and become a puppet manipulated by Mu Anxiang.

However, letting her poison Lu Chen with her own hands was even more uncomfortable than killing her.

She really didn't know what to do, it was so hard to make a choice.

Chapter 1555

The next morning.

Yin Tao, who had not slept all night, was forced to call Lu Chen helplessly and invite him to his home for lunch.

Lu Chen did not become suspicious and readily agreed.

After hanging up the phone, Yin Tao seemed to have lost all her strength and slumped on the chair, her face pale and her eyes dull.

In just one night, she became much more haggard.

“How are you, daughter? Have you contacted Lu Chen?”

At this time, Yin Quan walked in the door.

Yin Tao didn't speak, but nodded slightly.

Seeing his daughter's devastated expression, Yin Quan couldn't help but sigh and comforted: “Daughter, I know you are sad, but we have no choice now.”

“Mu Anxiang is powerful and has the support of Prince Mu's Mansion behind him. We can't afford to offend him.”

“And many people in the Yin family have been controlled by Mu Anxiang. Once we resist, those people will die.”

“So this time, we can only be the villains for once.”

At the end of the sentence, Yin Quan’s face turned gloomy.

His impression of Lu Chen has always been very good.

Young and promising, neither arrogant nor impetuous, is a potential stock.

But I didn’t expect that the other party would actually offend someone from Prince Mu’s Mansion.

It is such a pity that it has led to death now.

“Dad, is there really no other way? Can we ask someone to help resolve this grudge?”
Yin Tao asked tentatively.

“I tried, but it didn’t work.”

Yin Quan shook his head: “My friends were so frightened that they hung up the phone as soon as they heard the words Prince Mu’s Mansion. You should know the power of Prince Mu’s Mansion. Looking at the entire Yanjing, few people dare to offend Prince Mu’s Mansion.”

Among the four major royal families in Yanjing, the Zhao family currently ranks first.

Next is Prince Mu’s Mansion, followed by the Chen Family and the Cui Family.

And in terms of power and influence, Prince Mu’s Palace is not much worse than the Zhao Family.

The reason why he was pushed down was simply because of the Zhao family twins.

In other words, apart from the royal relatives in the Forbidden City, the only ones who can really support Prince Mu's family are the Zhao family.

Therefore, facing Mu Anxiang's oppression, the Yin family had no choice.

Once you resist, you will only end up with your whole family destroyed.

This is reality, this is the gap.

“Why? Why does it become like this?”

Yin Tao bit her lip and clenched her fists, her face full of humiliation and unwillingness.

But in the end, all her emotions turned into helplessness and despair.

As his father said, no one dares to offend Prince Mu's Mansion.

The most important thing is that Mu Anxiang still has a large number of hostages in his hands. If she doesn't do as she is told, then her father and her family will all die.

“Daughter, get ready. Lu Chen will be here in a moment. Don't show any flaws, otherwise we will be doomed.” Yin Quan said seriously.

“Um.”

Yin Tao nodded heavily and said nothing.

When things got to this point, she had no choice but to make the mistake.

...

At noon, Lu Chen drove to the Yin Manor.

Yin Tao and his father Yin Quan stood at the door to greet him.

“Xiao Lu, are you here? Please come inside.”

Seeing Lu Chen get out of the car, Yin Quan immediately said hello with a smile.

Chapter 1556

On the other hand, Yin Tao, who was next to her, was glum and a little distracted. It wasn't until Yin Quan bumped her with his shoulder that she suddenly reacted and forced a smile: “Lu Chen, I have prepared wine and food, please.”

“Please.” Lu Chen responded with a smile.

The three of them exchanged pleasantries and walked in the door.

Different from the past, the Yin family today seems a little calm, and no one can be seen in the huge manor.

The three of them walked and chatted, and finally sat down in the living room.

Soon, plates of delicious food were served on the table one after another.

“Miss Yin, you invited me over, not just for a meal, right? Is there anything you want to discuss?” Lu Chen asked.

“I...” Yin Tao was speechless for a moment.

She had been in a state of despair all day, how could she have thought about this?

Fortunately, Yin Quan reacted quickly and came to the rescue in time: “Xiao Lu, what are you saying? Why can't I treat you to a meal if you have nothing to do? Your Jade Dew

Cream has done a lot for our Yin family and given us the opportunity to be promoted to a wealthy family. Naturally, we I have to thank you.”

“Uncle Yin, you’re welcome. This is a win-win situation. Let’s just make each other successful.”

Lu Chen smiled modestly and said, “Besides, Yin Tao and I have become friends. There will be more opportunities for cooperation in the future, and Uncle Yin will need to take care of us.”

“OK!”

Yin Quan laughed loudly, then made a gesture and shouted: “Come here! Bring me the jar of fine wine that I have treasured. Today I want to have a drink with Xiao Lu!”

Following his shout, a jar of old wine was placed on the table.

Open the lid and the aroma of wine overflows, refreshing your soul.

“This rich fragrance must be wine that is more than fifty years old, right?” Lu Chen sniffed.

“That’s right! This jar of old wine has been treasured for eighty years. I got it with great difficulty. I had never been willing to drink it before. Today I am entertaining distinguished guests, so I brought it out to make the scene.” Yin Quan said with a smile.

“Oh? So, I’m in a good mood today?” Lu Chen smiled.

“Come on, I’ll fill it up for you!”

Yin Quan was very enthusiastic. He poured three glasses of wine, one for each person, and then toasted to each other: “Xiao Lu, I wish us a happy cooperation in the future, let’s do it!”

“Dry.”

Lu Chen immediately picked up his wine glass and responded.

But when he was about to reach his mouth, he suddenly stopped, glanced at Yin Tao, and asked with some doubts: “Miss Yin, what’s wrong with you today? You’ve been distracted. Are you feeling uncomfortable somewhere?”

“Ah? Oh, I’m fine.” Yin Tao forced a smile.

“Xiao Tao has been very busy recently, maybe she is too tired?”

Yin Quan immediately smiled and smoothed things over: “Come on, come on... I’ll get drunk today. All the worries will be forgotten. The three of us have a drink together!”

After saying that, he winked at Yin Tao.

Yin Tao struggled to pick up the wine glass, her arms shaking slightly uncontrollably.

Inside, there is a colorless and odorless drug, Shixiang Ruanjin Powder.

Once you drink it, you will be exhausted and unable to exert any strength. At that time, you can only be at the mercy of others.

“Miss Yin, please.”

Lu Chen smiled and raised his glass to toast, then put it into his mouth with a calm expression.

“etc!”

Yin Tao’s heart tightened and she couldn’t help but stop her.

“What’s wrong?” Lu Chen was a little strange.

“No, it’s nothing...you must be busy today, right? It’s best to drink less.”

Yin Tao hesitated, not knowing how to explain.

This reaction made Yin Quan frown slightly, but he couldn’t show it clearly.

“It’s nothing, I have a good drinking capacity, a few drinks won’t be a problem.”

Lu Chen smiled, didn’t care, and picked up the wine glass again.

Seeing this scene, Yin Tao’s complexion changed drastically, and she quickly knocked away Lu Chen’s wine glass and exclaimed: “You can’t drink it! There is medicine in the wine!”

Chapter 1557

“Snapped!”

There was a crisp sound.

Lu Chen’s wine glass was knocked to the ground, and the wine overflowed.

Yin Tao was stunned and stood there at a loss. She just reacted purely subconsciously and was completely out of control.

When she saw Lu Chen was about to drink, she immediately chose to stop him.

She doesn’t even know why?

At this moment, not only Yin Tao, but also his father Yin Quan was pale and sweating.

What he worried about most finally happened.

Originally, he could ensure the safety of his family by sacrificing Lu Chen.

As a result, my daughter's behavior directly ruined the entire plan.

Once Mu Anxiang is investigated, the Yin family will be in disaster!

“Miss Yin, what did you just say? The wine was drugged?”

Lu Chen raised his eyebrows slightly, looking a little strange.

“Gollon!”

Yin Tao swallowed her saliva, struggled for a few seconds, and finally gritted her teeth, as if she had made a decision, and said hurriedly: “Lu Chen, today is a Hongmen banquet. The wine is drugged. Someone wants to harm you. Hurry up.” Walk!”

With that said, he grabbed Lu Chen's arm and started to pull it out.

“Yin Tao! You are crazy!”

Yin Quan was so angry that he slammed the table and shouted: “Do you know what you are doing? You will harm the whole family!”

“Dad! I don't care about this anymore. As long as Lu Chen is alive, I can't push him into the fire pit!” Yin Tao had tears in her eyes.

“If Lu Chen lives, we have to die. Don't you understand? We have no choice at all!” Yin Quan roared.

“We can escape and stay away from Yanjing, so there may be a glimmer of hope.” Yin Tao said.

“Don’t be naive! The people from Prince Mu’s Mansion have already targeted us, where can we escape?” Yin Quan looked like he hated iron.

He didn’t expect that his daughter turned out to be a love brain, and she would risk the safety of the entire family for a man.

“I don’t know, I don’t know, I’m going to take Lu Chen away anyway!” Yin Tao cried.

Now she was so distraught that she completely lost her sense of proportion.

“Yin Tao! You can’t make the decision in this family! No matter what, Lu Chen must stay here today!”

Yin Quan suddenly shouted.

Immediately afterwards, a group of bodyguards rushed in aggressively, surrounding Lu Chen and the other two.

Just in case, he made two preparations in advance.

If Lu Chen drinks, then everything will be fine; if he doesn’t, he can only use force.

“Uncle Yin, what are you doing? What happened?” Lu Chen frowned.

“Lu Chen, I’m sorry, I don’t want to do this, but for the safety of our Yin family, I have to do this.” Yin Quan looked complicated.

“Uncle Yin, if you encounter any trouble, you can tell me and I will help you solve it. Why did it get to this point?” Lu Chen said.

“You can’t solve it. Either you die today or we die. There is no other choice. Take it for me!” Yin Quan gritted his teeth and finally gave the order.

“Stop! Stop it all!”

Yin Tao suddenly took out a knife and put it on his neck: “Dad! If you dare to mess around, I will kill you immediately!”

“You, you... you stinky girl, what are you doing? Put the knife down quickly!” Yin Quan was startled.

“Let us go, otherwise, I will die here with Lu Chen!” Yin Tao regarded death as home.

As he spoke, the knife in his hand was slightly raised, and the sharp blade easily cut through the skin.

A trace of blood slowly overflowed from the wound.

“Girl! Don’t act recklessly, someone will be killed!” Yin Quan was anxious.

He only has one daughter, and he has been doting on her since she was a child. Naturally, he feels very distressed when he sees his daughter bleeding.

“Dad, I’m sorry, my daughter is unfilial, please allow me to be willful this time.”

Yin Tao burst into tears, but her eyes were very firm.

Chapter 1558

The knife he was holding was getting harder and harder, and the wound on his neck was getting bigger and bigger.

Seeing this scene, Yin Quan felt distressed and helpless, and finally chose to compromise.

“Okay, I can let you go.”

“But from today on, you will no longer be a member of the Yin family.”

“From now on, we will never be estranged from each other. I will pretend that I never gave birth to a daughter like you!” Yin Quan said solemnly.

“dad?”

Yin Tao was trembling all over, her face full of pain.

“Don’t call me dad! Get out of here!”

Yin Quan waved his hand to the bodyguards to step back, then turned his back and stopped looking at Yin Tao.

Unknowingly, those tiger eyes were filled with tears.

Girl, live well and stay away from Yanjing, a place of right and wrong. I wish you happiness.

“Dad, I’m sorry.”

Looking at her father’s stooped back, Yin Tao felt guilty.

After a slight hesitation, she shed tears, pulled Lu Chen and ran out.

“Miss Yin, what’s going on?”

After walking out of the living room, Lu Chen couldn’t help but asked curiously.

“It’s too late to explain! There are spies from Prince Mu’s Mansion everywhere here. We have to leave here quickly, otherwise if they find out, you won’t be able to leave today!”

Yin Tao pulled Lu Chen and trotted all the way, looking around, looking very nervous.

“Prince Mu’s Mansion?”

Lu Chen frowned slightly, could it be Mu Anxiang who was up to something again?

The accounts from last night haven’t been settled yet, and I didn’t expect that the other party would start retaliating again so soon.

“Let’s go through the back door!”

After making sure that they were not discovered, Yin Tao took Lu Chen and carefully reached the back door of the manor.

I opened the door and looked around, nothing unusual.

Yin Tao looked back at Lu Chen and quickly warned: “You keep walking along this road, and you will see the main road soon. When you go back, pack your luggage immediately and stay away from Yanjing. We can’t stay here anymore!”

“Miss Yin, it’s not that serious. If you are afraid of Mu Anxiang, I can deal with him.” Lu Chen said.

“I know you know Miss Cao, but the jade-faced war god standing behind Mu Anxiang is the entire Prince Mu’s palace. Even Miss Cao can’t afford to offend him. Listen to me and leave quickly!” Yin Tao looked serious. .

“I’m leaving, what will you do?” Lu Chen asked.

“I will find a way to deal with it and protect myself.”

Yin Tao forced out a smile: “Mu Anxiang is going to deal with you. He shouldn’t do anything to me. You don’t have to worry about me. Let’s go quickly.”

After speaking, Chen Lu didn’t wait for a response and pushed him out of the door.

“Miss Yin, I...”

Lu Chen opened his mouth and was about to explain.

Yin Tao seemed to have seen something, and her expression suddenly changed.

“careful!”

Yin Tao exclaimed and tried her best to push Lu Chen away.

Immediately afterwards, a burst of gunfire rang out.

“Bang, bang, bang...”

The dense bullets shot directly into Yin Tao’s body, leaving more than a dozen bloody holes.

Everything was so unpredictable that even Lu Chen didn’t have time to rescue him.

“Quick...run away...”

Yin Tao looked at Lu Chen, blood pouring out of her mouth.

She stretched out her hand, as if she wanted to grab something, but couldn’t grab anything. In the end, her body went limp and she fell directly into a pool of blood.

“Miss Yin!”

Looking at Yin Tao who was shot and fell to the ground, Lu Chen’s expression changed and he quickly helped him up.

At this moment, Yin Tao’s body was bleeding profusely, her complexion became pale at a speed visible to the naked eye, and even her pupils began to dilate.

Lu Chen didn’t have time to think, so he immediately took out the silver needle and sealed Yin Tao’s acupuncture points to stop the bleeding.

Just as he was about to instill Qi and perform treatment, gunshots came from behind him again.

“Bang, bang, bang, bang, bang...”

More and denser bullets roared from outside the door, like a violent storm, directly swallowing Lu Chen and the two of them.

For a moment, gravel splashed and dust flew.

After all the bullets were poured out, a heavily armed killer team finally appeared from behind the tree.

“I thought it was so powerful, but it only took me a long time to do this. It’s really disappointing!”

The leading muscular man lit a cigarette and started puffing away.

All the entrances and exits of the food manor have been ambushed by a large number of killers.

“Boss, who can withstand our powerful firepower?” A killer brother said with a smile.

“That’s true.”

The muscular man grinned and said with a smile: “Okay, collect the body and go to Master Mu to receive the reward. Let’s have a good drink tonight!”

As soon as these words came out, the killers instantly became energetic.

The price offered by the sponsor this time was extremely generous. With this money, they could eat, drink and have fun for several years.

“Boss! There’s a situation!”

At this time, the killer brother seemed to see something, and his expression suddenly became serious.

Everyone followed his line of sight and saw a man covered in blood walking out of the smoke and dust with a gloomy face.

It was Lu Chen!

“How is it possible? This kid is not dead!”

The muscular man frowned, shocked.

The other killers also looked at each other, some in disbelief.

They grabbed more than a dozen shots and emptied the magazines directly. Even the hard-hitting people were shot into a hornet’s nest just now.

However, Lu Chen was basically uninjured except for some tattered clothes.

The blood stained was that of the woman before.

“Gan! What a ghost! How did this kid survive?”

The muscular man threw the cigarette butt to the ground and stamped it out.

“All of you will die today.” Lu Chen highlighted a few words coldly.

There was no anger, no scolding, just bone-deep indifference.

“Quick! Shoot!”

The muscular man suddenly felt uneasy and quickly began to change the magazine.

The other killers did not dare to hesitate and raised their guns to shoot.

“Bang, bang, bang...”

Intensive gunfire rang out again.

However, the next second, Lu Chen's figure suddenly disappeared on the spot.

When he reappeared, he was among the crowd.

With a wave of his knife, he cut a killer in half with his gun.

Then came another punch, which instantly penetrated the chest of the other killer before he could react.

In the blink of an eye, two heavily armed killers were killed on the spot.

However, Lu Chen did not stop killing and continued to harvest the lives of the killers crazily.

At this moment, he has completely transformed into a demon, and his methods are cruel, violent and extremely bloody.

Not a single corpse of anyone he attacked was intact.

“He's there! Shoot!”

The muscular man panicked and roared.

It's just that his speed was too slow and he couldn't catch Lu Chen at all. In the end, he had no choice but to shoot randomly with his gun.

As a result, not only did Chase Lu not get hurt, but he also hurt one of his own.

In just ten seconds, all the killers were wiped out, leaving only the muscular man standing there.

The gun in his hand was out of bullets.

His entire face was ashen, he was terrified, and his body was shaking uncontrollably.

“How can it be?!”

Looking at the corpses on the ground, the muscular man was frightened.

He had been licking blood from the edge of his knife for half his life, and he had never met anyone as scary as Lu Chen.

Chapter 1560

No! To be precise, the other party can no longer be called a human being.

His speed is as fast as lightning, his body is as strong as steel, and he completely ignores the threat of bullets. Killing people is like picking out objects from a bag, and his methods are cruel.

This guy in front of me is simply a devil!

“Where is Mu Anxiang?”

Lu Chen, who was covered in blood, stared directly at the muscular man, his eyes as cold as ice.

“Hero, spare your life! We are just following orders and have no grudges against you. As long as...”

While talking, the muscular man suddenly took out a grenade and threw it directly at Chase Lu.

He had already timed it, and the grenade exploded almost instantly.

No matter how powerful the opponent is, it is impossible to block the huge explosion impact.

He will definitely win!

Just when the muscular man was secretly proud, thinking that his sneak attack had succeeded.

Lu Chen suddenly took action and grabbed the grenade.

The next second, there was only a muffled “bang” sound, and the grenade exploded instantly.

However, the bloody scene that the muscular man expected did not appear.

The grenade in Lu Chen’s hand was like a fart. The terrifying explosion power was directly squeezed back.

A wisp of green smoke exuding the smell of gunpowder slowly rose from between the fingers.

With that simple and relaxed look, it seemed as if he was pinching an egg instead of a bomb.

“How...how could this happen?”

The muscular men were all stunned, their eyes widened with disbelief on their faces.

He can squeeze a grenade with his bare hands and still be unscathed. Is he still a human being? !

“Heroes, spare their lives! Heroes, spare their lives!”

The muscular man panicked, and with a bang, he knelt on the ground and began to kowtow to beg for mercy.

When encountering such a monster, resistance has no effect and can only beg for mercy.

“Where is Mu Anxiang?” Lu Chen asked coldly.

“I don’t know... I don’t know anything. I just obey orders. Please spare my life!” the muscular man cried.

“Don’t know? Then you can die.”

Lu Chen didn’t talk nonsense. He suddenly raised his hand and slapped the muscular man’s Tianling Cap with his palm.

“boom!”

The muscular man’s body trembled, and his head exploded instantly like a watermelon hit by a cannonball.

After dealing with the killer team, Lu Chen walked to the door again.

At this moment, Yin Tao was lying quietly on the ground, motionless.

Her beautiful eyes were slightly open and seemed to be shining.

But his chest has stopped rising and falling, and his pulse has stopped beating.

She was shot in multiple places on her body and her heart was punctured.

The blood gushing out was like a huge red rose, slowly blooming, beautiful and coquettish.

Lu Chen knelt on the ground, looking at Yin Tao’s body, without moving for a long time.

He didn’t know what to say or how to make up for the woman in front of him.

He was devastated, confused, and his thoughts were wandering to nowhere.

In a daze, he seemed to see Yin Tao standing up again and looking at him with a sweet smile.

All the past experiences came to mind one by one.

“Little handsome boy... I wonder if you are interested in being my one hundred and eight boyfriend?”

“Why don’t you go to sleep at my sister’s place tonight? My sister’s bed is big and soft, guaranteed to make you linger forever.”

“Young handsome boy, you are here at the right time. Let me introduce you. This is my dad, your future father-in-law.”

“Little handsome boy, I’m a little scared to live here alone, how about you stay with me tonight.”

“Actually, those rumors are half true and half false. Many people say that I am a playboy and like to keep male pets in captivity. I don’t admit that I am a playboy, but it is true that I have male pets in captivity.”

“I will find a way to deal with it and protect myself. You can leave quickly. Don’t worry about me.”

“Quick...run away...”

Recalling the scene of the two meeting each other, Lu Chen’s eyes turned red, his lips trembled, and his heart felt inexplicably tingling.

Yin Tao’s words before she died still echoed in her ears and did not disappear for a long time.

“Lu Chen...what should I do? I seem to really like you a little bit.”

“It’s a pity that we are not destined to meet each other in this life, so we can only meet again in the next life.”

“Don’t forget me... okay?”

“In the next life...I will wait for you...”
