

An Understated Dominance Chapter 1561 - 1570

Chapter 1561

Lu Chen knelt on the ground, guarding Yin Tao's body, in a daze.

At this time, a burst of footsteps suddenly sounded.

Lu Chen was finally awakened and looked up, only to see Yin Quan and his men rushing over in a hurry.

The gunfire just now had alarmed the Yin family.

Seeing that his daughter had not returned for a long time, Yin Quan quickly realized that something was wrong and immediately organized troops to come to support.

However, when he walked in and took a look, he felt as if he had been struck by lightning. He stood stunned on the spot with a face full of disbelief.

He staggered all the way to Yin Tao's body, and only after confirming it repeatedly did he let out a shrill scream.

“Daughter! My daughter!”

Yin Quan threw himself in front of the corpse and began to cry loudly.

Since the death of his wife, he and his daughter have been dependent on each other.

He originally thought that he could watch his daughter get married and have children, and then happily hold his grandson in his arms.

Unexpectedly, today, it was the white-haired person who sent the black-haired person.

For a moment, he just felt like his heart was twisting in a knife.

“I’m sorry, it’s all my fault.”

Lu Chen lowered his head, his face full of guilt.

If it weren’t for him, Mu Anxiang wouldn’t have targeted Yin Tao.

If Yin Tao hadn’t saved him, she wouldn’t have died.

He has never dared to make friends because he was afraid of injuring the other person.

Nowadays, it is not easy to meet a good friend, but the other person dies in front of him.

Such a blow made him sad and angry, but more importantly, he blamed himself.

“Why why? Why is this happening?”

“Lu Chen! It was you who killed my daughter!”

Yin Quan was filled with anger and punched Lu Chen hard in the face.

Lu Chen did not use his true energy to resist, and was directly thrown away by the fist.

He fell heavily to the ground, with blood bleeding from the corner of his mouth.

“I’m ashamed of Yin Tao. You beat me and scold me, and I deserve it.” Lu Chen lowered his head, his voice a little hoarse.

“Get out! Get out of here! I don’t want to see you again!” Yin Quan roared with red eyes.

“sorry.”

Lu Chen took a deep look at Yin Tao’s body, then stood up and left.

All he can do now is to avenge Yin Tao and make the murderer pay the price.

Whether it was Mu Anxiang or Prince Mu's Mansion, he would seek justice for Yin Tao even if he risked exposing his identity!

After returning to the car, Lu Chen made a call and said directly: "Zhao Wuji, I want to know the whereabouts of Mu Anxiang, the sooner the better."

"Okay, wait for me for ten minutes."

Zhao Wuji said nothing, agreed immediately, and then hung up the phone.

Ten minutes later, the phone rang.

Lu Chen connected, and Zhao Wuji's voice came, simple and clear: "Mu Anxiang is hiding in Yumian Villa. That is Mu Guanyu's territory, so be careful."

"knew."

Lu Chen responded, hung up the phone, then stepped on the accelerator and headed straight for Yumian Villa.

No matter who protects him today, Mu Anxiang must die.

...

At this moment, inside Yumian Villa.

Mu Guanyu, the jade-faced war god, was drinking and chatting with a group of relatives and friends.

The people present were almost all high-level officials of Prince Mu's Mansion. They were powerful and capable, with connections in various industries.

It is no exaggeration to say that the normal operation and development of Prince Mu's Mansion are all supported by these people.

One or two may be inconspicuous, but together, the influence will be extremely terrifying.

Chapter 1562

The reason why Mu Guanyu held such a private party was, on the one hand, to win over people's hearts, and on the other hand, it was also to get the public's attention.

"I'm so lucky to have you come to Jade Face Villa. Come on, I'll toast you all."

Mu Guanyu smiled, picked up the wine glass, stood up, and then bowed in a circle.

Seeing this scene, everyone was frightened and quickly stood up and toasted in return.

You must know that the man in front of you is the most powerful God of War in the Dragon Kingdom, and he is also the genius of the entire Prince Mu Palace.

No matter where they are placed, they are all important people who respond to everyone's call. Now that they are so polite, it is inevitable that they are a little flattered.

"Brother Guanyu, we are all one family, isn't your statement too outlandish? Besides, if you want to toast, we should also toast you, you are the pillar of Mu Palace!"

At this time, Mu Anxiang raised his glass with both hands and expressed his loyalty impassionedly.

"Yes, that's right! The Lord God of War has unparalleled skills and unparalleled bravery. He is truly a blessing to Prince Mu's Palace!"

At this moment, everyone started to praise him.

"Haha...Okay, drink!"

Mu Guanyu laughed loudly, picked up the wine glass and drank it in one gulp.

Everyone followed suit and drank every drop of wine in their glasses.

“Everyone, I invite you all to come here today, mainly because I have something to discuss.”

After drinking, Mu Guanyu stretched out his hand and pressed down, motioning for everyone to sit down, and then started to get down to the topic: “I heard that something happened in Prince Mu’s mansion recently, and his adoptive father actually handed over the power of the housekeeper to a woman. Here, do you think it’s appropriate?”

As soon as these words came out, everyone looked at each other in shock and confusion.

These words made it obvious that Mu Guanyu was very dissatisfied with Li Qingyao’s ascendancy.

“Of course it’s not appropriate!”

Seeing that no one said anything, Mu Anxiang took the lead and said: “Li Qingyao is a female prostitute, and she comes from a small place. How come she takes power as soon as she enters Prince Mu’s Mansion? I think my adoptive father is really old and confused!”

“An Xiang, be careful what you say!”

Mu Guanyu said with a straight face, pretending to be displeased: “My foster father is kind-hearted and compassionate. From what I can see, he was just deceived by villains, so he made such a decision. However, as our foster fathers, we Son, it is my responsibility to help my adoptive father recognize the true face of the villain.”

“Brother Guanyu is absolutely right. It was that damn Li Qingyao who deceived her adoptive father through sweet words. She is a scheming bitch!” Mu Anxiang took advantage of the situation.

In his eyes, Mu Guanyu would be in charge of Prince Mu’s Mansion sooner or later.

At this time, you must flatter yourself so that you can prosper in the future.

“Friends and relatives, do you think what I said makes sense?” Mu Guanyu’s eyes began to glance around.

“Lord God of War has unique insight and foresight, he must be right!”

“Who is Li Qingyao? This kind of thing is not worthy of holding power! If you ask me, just drive her out of Prince Mu’s Mansion!”

“Exactly! How can a weak woman with no strength be compared with the Lord God of War? If she manages Prince Mu’s Mansion, we will be in trouble sooner or later!”

“...”

Everyone was talking about it, and they all spoke out to criticize him.

They have always been resentful of Li Qingyao’s rise to power and were particularly dissatisfied.

You know, they are all veterans of Prince Mu’s Palace and have worked hard for many years.

Why should a woman with no merits and achievements sit on top of them and give orders?

But in the past, because of Mu Xuefeng, they dared to be angry but dared not speak out. They could only obey and obey, and were forced to bow their heads.

Now that King Mu Guanyu has returned and shown that he has a desire to fight for power, they finally no longer tolerate it and openly express their support.

“I understand what you all mean. Since we are all of the same mind, we will work together to expel Li Qingyao from Prince Mu’s Mansion!” Mu Guanyu said loudly.

“We are willing to do our best for the God of War!” Everyone handed over.

“Okay! Then let me express my position here. From now on, as long as you fully support me, I promise that I will not treat you badly!” Mu Guanyu said with a smile.

“Thank you Lord Ares!”

Everyone looked overjoyed and raised their glasses to toast.

Li Qingyao was too upright. After taking power, he began to rectify Prince Mu’s palace in various ways, which caused great damage to their interests.

As for Mu Guanyu, he holds great power, has a bright future, and is obviously better at being a good person. It is naturally gratifying to follow such a lord.

“Report!”

At this time, a guard suddenly ran into the door in a hurry and reported to Mu Guanyu: “Sir! It’s not good! Someone broke into the villa and injured many of our brothers. The situation is critical now. Please hurry up, sir.” Move troops to support!”

Chapter 1563

“Um?”

Hearing this, Mu Guanyu’s smile slowly faded, and she said displeasely: “Who is so bold and dares to intrude on my territory?”

“The identity of the visitor is unknown, but he is powerful. The brothers in the villa cannot stop him. Please mobilize your troops to suppress him in time!” The guard clasped his fists.

“Strong strength? How many soldiers and horses did the opponent come?” Mu Guanyu narrowed his eyes slightly.

“There is only one person.” The guard said.

“What?”

Mu Guanyu frowned: “You can’t deal with one person? What do you do for food!”

“This subordinate is incompetent, please atone for your sins.” The guard lowered his head in shame.

There are nearly a hundred guards in the villa, and all of them are elite.

If ordinary warriors break into the door, there is only one dead end.

But this time, the troublemakers were very unusual. They were destroying everything along the way and were unstoppable.

Their attacks and defenses have no effect at all, they only serve as torture.

“Brother Guanyu, no matter who the person is, we cannot let him go easily. If you dare to break into Yumian Villa without permission, you must pay the price with blood!” Mu Anxiang said indignantly.

“Let’s go out and meet that person.”

Mu Guanyu raised her head and drank the wine in her glass, then slowly walked out of the door with a group of people.

At this moment, on the lawn of the villa.

A figure covered in blood was slowly moving forward.

Behind him, on both sides, were the guards lying on the ground, all with their hands and feet broken, wailing incessantly.

“Who are you? How dare you run wild on my territory? Are you risking your life?”

Mu Guanyu watched from a distance and spoke coldly.

Although the sound was not loud, it was like rolling thunder, resounding throughout the entire villa.

“Mu Anxiang, get out and die!”

Lu Chen didn’t even look at Mu Guanyu, but stared straight at Mu Anxiang in the crowd.

Indifferent, cold, like a knife like ice.

“Oh it’s you?”

Mu Anxiang narrowed his eyes slightly, quite surprised: “I didn’t expect that your kid is still alive, what a fate!”

It stands to reason that his plan is foolproof.

As long as Yin Tao gave Lu Chen Shixiangruanjinsan, no matter how powerful the opponent was, he would only be waiting to be killed.

Could it be that Yin Tao betrayed him?

Can’t?

Who would even disregard the lives of relatives and friends for a little boy?

“An Xiang, do you know this person?” Mu Guanyu turned her head and asked.

“Brother Guanyu, isn’t Yulu Paste very popular recently? This kid is the founder of Yulu Paste.

I came to ask for cooperation before, but this guy not only refused to give me face, but also asked someone to poison me, which made our Mu Palace lose face, so I planned to teach him a lesson.

Unexpectedly, this kid is very lucky. Not only is he fine, but he also comes here to cause trouble and ruins your enjoyment. Damn it! “

Mu Anxiang briefly explained what had happened, without realizing the seriousness of the problem at all.

“I see.”

Mu Guanyu nodded: “I have also heard about the Jade Dew Cream. I heard that this thing is a holy medicine for healing. I am very interested. It would be great if it can be in the hands of our Prince Mu Palace.”

He has an army of 300,000 people and is on war all year round. He is in urgent need of this kind of elixir for treating trauma.

Chapter 1563

“Um?”

Hearing this, Mu Guanyu’s smile slowly faded, and she said displeasedly: “Who is so bold and dares to intrude on my territory?”

Could it be that Yin Tao betrayed him?

Can't?

Who would even disregard the lives of relatives and friends for a little boy?

Chapter 1564

“Brother Guanyu, don’t worry, I know what to do.”

Mu Anxiang chuckled: “When this kid is caught, I will torture him severely and force him to find out the formula of Yulu ointment.”

Mu Guanyu said noncommittally: “This person seems to be a bit strong, and ordinary guards should not be able to stop him, can your man do it?”

“Brother Guanyu, don’t worry, in order to deal with this kid, I have already prepared.”

Mu Anxiang smiled slightly and clapped his hands.

Soon, a man and a woman walked out from behind him.

The man was wearing a black vest. He was strong and burly, about 1.9 meters tall, and his whole body was full of tendons.

Its skin is bronze, unlike normal humans, and it makes a slight roaring sound when breathing.

The woman wore a mask, covering half of her face. Her lips were blue, her eyes were purple, and she was covered in a black robe, giving off a sinister and vicious feeling.

“Brother Guanyu, these two are strange people I invited.”

“The man is called Bronze Corpse. He is invulnerable to weapons, water and fire. He is not afraid of pain, and he is not afraid of death. As long as he is the target, no one can escape.”

“The woman is called a lich. She is even more powerful. Not only is she proficient in witchcraft, but she is also good at poisoning. No matter how strong she is or how many people are on the other side, as long as she is poisoned, she will die.”

Mu Anxiang sat down to introduce each other, appearing full of confidence.

As soon as these words came out, everyone looked surprised.

“Bronze corpse? Lich? Could it be that these two are the world-famous corpse demons?”

“What? Two zombie demons? Real or fake? Haven’t they already withdrawn from the world?”

“I heard that the two demons of the corpse have already reached the half-level master level. They are famous for their strange and evil ways, cruel methods and full of killing moves. Once they join forces, even the martial arts masters will have to retreat. They are terrifying demons!”

“An Xiang, I didn’t expect that you are so capable that you can actually invite the two corpse demons to come out. It’s really amazing!”

Everyone was talking, some were shocked and some admired.

Although the two corpse demons have a bad reputation, they are recognized as strong. There are rumors that the two of them teamed up to kill a martial arts master.

From then on, his reputation spread far and wide, and no one dared to offend him.

“I heard that Brother Guanyu loves talents, so I invited these two people out.”

Mu Anxiang smiled flatteringly and said: “These two admire Brother Guanyu very much and are willing to serve Brother Guanyu from now on.”

“Oh, is it so?”

Mu Guanyu raised his eyebrows slightly and said with a smile: “Both of you are masters and proficient in thaumaturgy. When you work under my command in the future, I promise that I will never treat you badly.”

“Thank you, Jade Faced War God!”

Upon hearing this, the Bronze Corpse Lich immediately bowed his hands in a respectful manner.

As the strongest god of war in the Dragon Kingdom, there is no doubt about Mu Guanyu’s strength. Coupled with the background of Prince Mu’s Mansion, following such a wise master will definitely lead to success and rain in the future.

Not even the Zhenwu Division dared to touch them easily.

“You two, the boy who caused the trouble will be left to you, just take a breath.” Mu Guanyu said calmly.

“As you command!”

The two clasped their fists and said yes.

They know now is the best time to perform.

If you want to become Mu Guanyu’s right-hand man, you must show sufficient strength.

And Lu Chen in front is their stepping stone.

“Lu! Aren’t you going to kill me? Come here if you dare. I want to see how much you weigh!”

Mu Anxiang held his head high, stretched out his finger, and raised his finger provocatively, completely ignoring Chase Lu.

“I not only want to kill you, I also want to cut you into pieces and crush your bones into ashes!”

Lu Chen had a cold face, pressing forward step by step, with a cold and stern voice:

“Everyone who has nothing to do with me, get out of here, anyone who stands in my way will die!”

Chapter 1565

“You will die if you stand in my way? Have you watched too many TV series? Do you really think you are some awesome person? This is simply ridiculous!”

Mu Anxiang clasped his hands, his face full of sarcasm and disdain: “Bronze Corpse, you go play with him first, don’t kill him, Brother Guanyu can still be useful if he keeps it.”

With a bronze corpse half-stepping the master level, and a body of copper skin and iron bones, it was easy to deal with Lu Chen.

“yes!”

The bronze corpse responded and strode forward.

In his eyes, Lu Chen was already a dead man.

“Boy, you are unlucky to meet me today.”

The copper corpse urn said angrily: “If you cut off your hands and feet now, I can still spare your life, otherwise when I take action, your life will be worse than death!”

“Go away, or I’ll kill you!” Lu Chen responded coldly.

“Hmph! It seems that you don’t want to let you experience some suffering because you don’t know how to live or die. You don’t know how powerful I am!”

Bronze Corpse snorted coldly and stopped talking nonsense.

I saw his feet kicking hard, and his whole body was ejected instantly like a cannonball, and he crashed into Lu Chen.

With the strength of his body, the bones in his body would be shattered by this collision, let alone a human being, even a cow.

This is his favorite attack method, because it’s handsome and brutal, and it’s also a great deterrent.

Facing the impact, Lu Chen didn’t dodge or evade, just walked straight forward.

“court death!”

Lu Chen's ignorance made Bronze Corpse's eyes freeze, and he suddenly increased his strength.

So much so that a layer of metallic light appeared on its surface.

“boom!”

There was a bang.

The steel-like body of the bronze corpse finally crashed into Lu Chen.

However, the expected person did not appear. Lu Chen stood quietly, motionless.

There were two deep footprints on the ground beneath his feet.

On the other hand, the bronze corpse was shaken back when the two collided. It was dizzy for a while and couldn't even tell the direction.

“What?!”

Seeing this scene, Mu Anxiang couldn't help but look stunned.

In a head-on confrontation, Bronze Corpse was actually at a disadvantage. Is this kid invincible?

“Bronze Corpse! Stop playing, don't affect the Lord God of War's interest!” Lich warned.

It is the most stupid behavior to charge and attack like a bull.

Facing some weak warriors, they can indeed be crushed easily, which is very entertaining to watch.

However, in front of real masters, it seems a bit inadequate.

If they want to join Mu Guanyu's command, they must show enough strength, otherwise they will be easily underestimated and thus not reused.

Regarding the future, naturally we cannot be careless.

“Grass!”

The copper corpse shook his head and spat on the ground: “Boy! I can't tell, you still have two brushes. I underestimated you just now, but next, I will start to get serious.”

After saying that, the bronze corpse stretched out his arms, and a wave of air burst out from his body.

The black vest on his body fell apart on the spot, revealing a strong tendon.

Its bronze skin exudes a strange light under the sunlight.

“Boy! It will be your lifetime honor to be defeated by my bronze corpse!”

“Now, let you see my unique skills!”

The bronze corpse smiled ferociously and took a deep breath.

Immediately afterwards, a strange scene happened.

The body of the bronze corpse suddenly swelled in size, becoming taller and stronger, like a brown bear standing upright.

Powerful, terrifying, and extremely dangerous.

“Corpse King Fist!”

When the breath gathered to the top, the bronze corpse kicked off his feet, ejected again, and punched Lu Chen in the face.

This punch not only used the strength of the body, but also stimulated the true energy of the whole body, which can be said to double the power.

“court death!”

Faced with the attack from the bronze corpse, Lu Chen still did not dodge and directly punched him head-on.

“boom!!”

Chapter 1566

There was a bang.

Lu Chen and Bronze Corpse’s fists clashed together, creating a circle of energy ripples.

At the same time, the bronze corpse seemed to have been hit by a train, and bounced ten meters away on the spot.

Before it even landed on the ground, its body was like an over-inflated ball. It suddenly exploded on the spot with a “bang” sound!

The originally strong and burly body instantly turned into flesh and blood all over the sky, floating down.

Even the bones were blasted into pieces, and he was too dead to die.

That battle was like a heavy bomb stuffed into Tongshan’s belly.

quiet.....

After the explosion, the entire villa suddenly became silent.

Everyone's eyes widened with an expression of disbelief.

The bronze corpse, said to be invulnerable with copper skin and iron bones, was actually blown up by a punch?

How can it be? !

“I...did I read that correctly? The bronze corpse...is actually dead?”

“Where is the bronze corpse? It's already broken into pieces!”

“Oh my god! I hit the bronze corpse with one punch. Where does this kid come from?”

After a short silence, the audience was in an uproar.

Everyone looked at Lu Chen as if they were looking at a monster.

Bronze Corpse is a strong man at the half-step master level. Coupled with his copper skin and iron bones, he is extremely talented. Almost no one below the master level can match him.

However, such a being was killed by Lu Chen with one punch.

Absolutely appalling!

Could this guy be a martial arts master?

“How is it possible? Is this guy so powerful?”

Mu Anxiang's eyes widened and he was shocked.

I thought that Bronze Corpse could easily suppress Lu Chen alone, but unexpectedly, he was punched to pieces just after they met him. It was really unbelievable.

“Um?”

Mu Guanyu frowned slightly, looking quite surprised.

Bronze Corpse is no ordinary person, and being able to defeat him with one move is enough to prove Lu Chen’s strength and that he has entered the threshold of a master.

Why hasn’t he seen such a young grandmaster before?

“Bronze corpse? Bronze corpse!!”

Looking at the flesh and blood on the ground, the Lich was stunned for a moment, then let out a shrill scream.

The two had been dependent on each other for many years and had a deep relationship. Now that her husband died, she was naturally filled with grief and anger.

“I’m going to kill you! I’m going to kill you!”

The Lich roared and rushed forward like crazy.

At this moment, she could no longer care about Mu Guanyu’s order to stay alive.

She only has one idea now: to cut Lu Chen’s corpse into thousands of pieces to avenge her husband’s bronze corpse.

“Go to hell!”

The Lich raised his hand, and a large number of poisonous bees spurted out from his sleeves, shooting at Lu Chen like bullets.

Lu Chen had no expression on his face, and with a slight tap of his feet, a powerful burst of true energy suddenly burst out from his body.

“Bang, bang, bang...”

Just listen to a loud explosion, like setting off firecrackers.

All the poisonous bees that were swept away by the true energy exploded and died, and no one was spared.

Tens of thousands of poisonous bee corpses fell from the sky, falling densely all over the ground like rain.

Even though the attack was ineffective, the Lich did not give up.

She suddenly took out a bottle of mysterious potion, drank it in one gulp, then opened her mouth and took a long breath at Lu Chen.

“call—!”

The breath that was sprayed out was white, carrying the chill of the ice and the ground, sweeping forward.

Wherever he passed, the ground was frozen, and the surrounding flowers, plants and trees were all covered with a thick layer of frost.

Even from a distance, everyone could feel the biting chill.

Lu Chen, who was the target of the attack, was frozen into an ice sculpture by the white aura before he could react.

Chapter 1567

Everything happened so suddenly.

The white breath that the lich exhaled was strange and cold. In the blink of an eye, it froze all objects within a radius of more than ten meters.

Even Lu Chen became an iceman.

“Hahaha...frozen, frozen! This kid is dead!”

Seeing this scene, Mu Anxiang couldn't help laughing out loud, very happy.

When Lu Chen blew up the bronze corpse, he couldn't help but panic. Now that he saw the other party was frozen, he naturally became energetic.

“As expected of a lich, this unpredictable method is truly amazing.”

Everyone was surprised and marveled.

Just blowing a breath can freeze a martial arts master, which is really terrifying.

“Go to hell!”

The Lich's eyes were wide open and he showed no mercy. He used all his strength to punch Lu Chen in the chest.

Freezing is her ultimate move. As long as the person frozen by her is hit by gravity, it will be torn apart on the spot and shattered into slag.

“boom!”

There was a bang.

The Lich's fist hit Lu Chen's chest firmly.

In an instant, ice cubes flew everywhere.

A large number of broken ice slugs, centered on Lu Chen's body, surged in all directions.

However, what shocked the Lich was that Lu Chen was not beaten into pieces.

Instead, he stood there quietly, motionless, and his clothes were not damaged at all.

“How...how is it possible?”

The Lich's eyes widened and he couldn't believe it.

Her magical skills and her killing moves had no effect on Lu Chen. How could this happen?

“Get out of here or die.”

Lu Chen spoke coldly, his face expressionless.

“I'll fight you!”

The Lich still didn't give up, and suddenly took out a dagger and stabbed Lu Chen in the throat.

The dagger exuded a black light, which was obviously quenched with poison, and it was also the kind that would seal its throat upon seeing blood.

As long as the flesh is pierced, it will be difficult for the gods to save it.

“Clang!”

The dagger stabbed Lu Chen's throat accurately, but was blocked by the protective energy.

Not only was it not injured at all, but the dagger was shattered.

“Grandmaster's Qi?!”

Seeing this scene, the Lich's pupils shrank, with a look of horror on his face.

This weapon of hers is made of black gold, which cuts through iron like clay, and is extremely sharp.

Ordinary masters would not dare to resist forcefully. Only those at the master level could block the edge of the mysterious gold dagger.

She didn't expect that Lu Chen was already a martial arts master at such a young age.

“boom!”

Just when the Lich was horrified, Lu Chen suddenly took action and punched him in the chest.

The Lich screamed, and her chest was instantly punched through. The huge impact sent her flying more than ten meters away, and finally she hit the ground heavily, losing all breath.

With just one move, the Lich died suddenly on the spot.

“What?!”

Seeing this scene, everyone couldn't help but be stunned.

He thought that Lu Chen, who was frozen in ice, was just a lamb waiting to be slaughtered. Unexpectedly, the other party was not only fine, but actually killed the lich with one move.

The famous and powerful corpse demons were all killed at this moment.

Lu Chen's power is staggering.

No wonder he dared to trespass on Yumian Villa, it turned out that the other party was indeed very powerful.

“Mu Anxiang, it's your turn!”

Lu Chen suddenly turned his head and stared at Mu Anxiang.

In the cold eyes, a murderous intention burst out instantly.

Chapter 1568

“Kick, kick, kick...”

Mu Anxiang's eyelids twitched, and he took a few steps back in fright, sweating all over his body, his hair standing on his head.

At this moment, he finally realized the seriousness of the problem.

Lu Chen's strength was much stronger than he expected.

Killing two zombie demons instantly with one move, this person is no longer an innate master, but a true martial arts master!

What the hell! How could a nobody be so powerful?

This is trouble!

“Friend, I admire your ability very much, so now, I plan to give you a chance to prosper.”

At this time, Mu Guanyu, who had been watching with cold eyes, suddenly spoke: “As long as you are willing to join my army, I will not care about today’s affairs with you. At the same time, I can also allow you to enter the military department and hold important positions. From now on, you will be prosperous.” , if it wants rain, it will rain.”

“ah?”

Upon hearing this, Mu Anxiang’s expression changed instantly, and he hurriedly said: “Brother Guanyu, this kid is a time bomb, if you keep him by your side, there will be endless troubles!”

Damn, the two of them have a deep hatred. If Lu Chen gets Mu Guanyu’s favor, he will have as many powerful enemies in the future, and there will naturally be no good things to gain.

“I have my own sense of discretion, no need to say anything more.” Mu Guanyu said calmly.

The strength Lu Chen had just shown made him take a high look. If he could subdue such a genius, it would be equivalent to having another capable general.

“But.....”

Mu Anxiang was about to say something, but Mu Guanyu glanced at her coldly: “What do I need to do, do I still need to ask you for instructions?”

As soon as these words came out, Mu Anxiang immediately fell silent and did not dare to say any more.

“Friend, what do you think of my proposal?”

Mu Guanyu’s eyes looked at Lu Chen again.

“If you want to negotiate terms with me, you have to kill him first.” Lu Chen raised his hand and pointed.

Mu Anxiang’s eyelids twitched and he felt inexplicably uneasy.

No way?

Mu Guanyu shouldn’t kill herself for an outsider, right?

“Um?”

Mu Guanyu narrowed his eyes slightly: “Friend, your conditions are a bit too much. I don’t know what grudges you have with An Xiang, but I am willing to be a peacemaker and resolve the disputes between you. From now on, We are all brothers, sharing blessings and hardships, how about that?”

“You can’t be this peacemaker.”

Lu Chen shook his head slightly, but his tone was still cold: “Mu Anxiang killed my friend. He must die today. It’s useless for anyone to come.”

“What? You don’t even give me face?”

Mu Guanyu frowned slightly, a little displeased: “Since you can find Jade Face Villa, you should know who I am. I have a special characteristic. I don’t like to be rejected. You’d better think about it carefully.”

“Mr. Lu! Brother Guanyu thinks so highly of you. It’s a blessing you’ve earned in eight lifetimes. Don’t be so shameless!” Mu Anxiang began to fan the flames.

Naturally, he didn’t want Lu Chen to climb high, so he deliberately used words to stimulate him.

“Mu Guanyu, I would like to advise you not to meddle in other people’s business, otherwise you will get into trouble.” Lu Chen warned coldly.

“Getting into trouble?”

Hearing this, Mu Guanyu suddenly smiled, but his eyes were cold: “Boy, I admit that you have some strength, but you are not qualified to act recklessly in my territory!”

“So, you want to protect him?” Lu Chen asked.

“That’s right!”

Mu Guanyu said loudly: “To tell you the truth, I am keeping Mu Anxiang safe. If you dare to mess around, I won’t let you out of this door!”

“Did you hear that? If you dare to touch a hair on my head, you will die without a burial place!”

With Mu Guanyu’s support, Mu Anxiang couldn’t help but feel confident and became arrogant.

Mu Guanyu is the strongest god of war in the Dragon Kingdom, commanding an army of 300,000.

No matter how awesome Lu Chen is, he can’t be Mu Guanyu’s opponent.

“Boy! Weren’t you crazy just now? Why are you silent now?”

Mu Anxiang deliberately took a few steps forward and said arrogantly, “Come on! Aren’t you going to kill me? I’ll just stand here and let you kill me. If you have the guts, do you try?”

Lu Chen had a cold face and said nothing.

“What? Don’t you dare to step forward? Okay, then I’ll give you another chance.”

Mu Anxiang took a few steps forward, raised his head, looked at Lu Chen with contempt, and at the same time stretched out his finger to hook: “Come on! If you have the ability, come over! I want to see, you... ..”

Before he finished speaking, Lu Chen suddenly raised his hand and waved.

“Whoosh!”

A dazzling white light burst out suddenly, like a death scythe, directly piercing Mu Anxiang’s neck.

Chapter 1569

“Well.....”

Mu Anxiang’s body trembled, and his smile completely froze.

The white light that just flashed was so incredibly fast that he couldn’t react at all.

Just blinking, the white light suddenly disappeared.

“What’s going on? What just happened?”

Mu Anxiang's heart was beating wildly and he was panicking.

Then, he felt a little cold on his neck and touched it subconsciously. His hands were covered with blood.

“How could there be blood? How could...”

As soon as Mu Anxiang's thoughts came up, he felt that the world was spinning in front of his eyes, and then there was a “click”, as if something fell to the ground.

The next second, he saw the back of his body from an upward angle.

Wearing a suit, he was tall and straight, but his head was missing from his shoulders.

It turned into a headless corpse.

“Where's the head? Where's my head?!”

Mu Anxiang wanted to open his mouth and roar, but no sound came out.

In the end, he could only watch his body fall to the ground.

After the body fell to the ground, Mu Anxiang's vision went dark and he completely lost consciousness...

Mu Anxiang is dead.

His head was cut off by Lu Chen's move.

Because the speed was so fast, Mu Anxiang never expected that he would end up like this until his death.

The only fault was that he was too inflated. If he had been hiding behind Mu Guanyu, he wouldn't have been instantly killed by Lu Chen.

But he felt that he had a chance to win, so he was arrogant and proud, and deliberately took a dozen steps forward.

And these dozen steps became the key to his death.

“Dead... dead?”

Seeing Mu Anxiang's body separated, everyone couldn't help but stare with horror on their faces.

No one expected that Lu Chen would be so ruthless, openly killing his sworn brother in front of the Jade-faced God of War.

This is simply pulling teeth out of the tiger's mouth!

Arrogant, arrogant, and ignorant of life and death!

“Be bold!”

“presumptuous!”

“How dare you kill people from Prince Mu's Mansion? You are so lawless and audacious!”

After a short shock, everyone shouted angrily.

Lu Chen's behavior was not just as simple as revenge, but also a challenge to the authority of Prince Mu's Mansion.

If we don't kill the chicken to scare the monkeys today, everyone will dare to poop and urinate on Prince Mu's head in the future.

At this moment, Mu Guanyu's face had completely darkened, and his eyes were cold and murderous.

In fact, he didn't care about Mu Anxiang's life or death.

But when Lu Chen dared to kill people after he said the words of guarantor, the meaning was completely different.

As the saying goes, beating a dog depends on its owner. Killing Mu Anxiang in front of him was no less than slapping him in the face.

He is a majestic jade-faced war god, holding great power and respected by all people. When has he ever been provoked like this?

If you don't kill people to establish your authority today, how can you lead troops in the future?

“Boy! You are so cowardly!”

Mu Guanyu had a sullen face and said with sharp eyes: “If you dare to kill my sworn brother, do you know what the consequences will be?”

Lu Chen did not respond, but walked to Mu Anxiang's body and stepped heavily on his chest.

“boom!”

There was a bang.

Mu Anxiang's headless corpse exploded on the spot, turning into flesh and blood floating down all over the sky.

If you say you want to cut the body into thousands of pieces, you have to cut the body into thousands of pieces. There is no ambiguity.

After destroying the body, Lu Chen grabbed Mu Anxiang's hair and lifted his head up.

Chapter 1570

Yin Tao's corpse was still cold, so he wanted to use this head to pay homage to the other party's spirit in heaven.

“You are looking for death!!”

Lu Chen's disregard and contempt made Mu Guanyu furious.

He stopped talking nonsense and suddenly took action, punching him from the air.

“Whoosh!”

A ray of hot golden light shot out from the surface of the fist, blasting towards Lu Chen's body like a cannonball.

Without dodging or avoiding, Lu Chen raised his hand and slapped it out, and a ball of white light erupted instantly.

“boom!”

Golden light and white light collided in the air, making a loud noise.

Accompanying it, there are also torrential weather waves, layer upon layer, one wave higher than the other.

Everyone watching the battle felt a strong wind blowing in their faces, and they were immediately blown away and staggered.

The collision of a master-level powerhouse, even the aftermath of the battle, is not something ordinary people can bear.

After realizing the danger, everyone immediately scattered and hid far away.

“Sure enough, he is a martial arts master. No wonder he dares to be so crazy.” Mu Guanyu narrowed his eyes slightly.

Although he didn't use all his strength in the punch just now, only a master-level strong person could take it.

“Mu Guanyu, I don't want to tangle with you today. If you dare to stop me again, don't blame me for being rude.” Lu Chen said coldly.

“You're welcome?”

Mu Guanyu snorted coldly: “You don't think you can leave alive today, do you? If you kill the people in Prince Mu's Mansion, your ten lives won't be enough to compensate you, so go die!”

After saying that, he punched twice again.

Two golden fist shadows, one behind the other, blasted towards Lu Chen one after another.

Lu Chen stamped his feet suddenly, and a large amount of gravel floated into the air, followed by a wave of his hand.

“Boom, boom, boom...”

The gravel was ejected continuously like bullets.

Mu Guanyu's golden fist shadow was directly beaten into a hornet's nest by the gravel. Finally, with two "bang bangs", it exploded on the spot and dissipated into energy.

Taking advantage of this moment, Mu Guanyu suddenly stepped forward, and his right fist instantly burst into light, as bright as the sun.

"Heaven collapses!"

Mu Guanyu let out a low growl, and blasted out heavily with his golden fist.

In an instant, the gravel evaporated and the vegetation withered.

A heaven-destroying aura suddenly spewed out.

Wherever the golden light passes, the sky and the earth change color, and the air becomes distorted.

Lu Chen, who was attacked, was like a lone boat in the stormy waves, and could be torn into pieces at any time.

"What a terrifying punch, what a powerful pressure, worthy of the Jade Faced God of War!"

"When this punch comes out, it is earth-shattering and unstoppable!"

"Hmph! This kid can be proud to die in the hands of the Jade-faced God of War!"

Mu Guanyu's power aroused everyone's discussion.

Tens of thousands of enemies are on the battlefield, and he truly deserves his reputation.

“Since we are going to fight, I will accompany you to the end.”

Lu Chen remained calm-faced, did not dodge or evade, and punched him head-on.

His fist glowed with white light, like a tiger descending from the mountain, colliding with Mu Guanyu’s golden light.

“boom!!”

There was a loud bang.

Two groups of light suddenly exploded, turning into waves that swept through the surroundings.

Wherever the air wave passed, it was devastated. Whether it was flowers, plants, trees, or houses and buildings, they were destroyed to rubble, and no one was spared.

Such terrifying destructive power made everyone’s scalp numb.

If they hadn’t been hiding far away just now, their fate would have been like that of those plants and trees, being directly bombarded to pieces!

It’s really terrible!
